#### ERRATA.

Page 298.—The following is omitted at the bottom of the page, "to the crown of the head, at the junction of Firmness and Dignity, or Self-Esteem, will complete the division."

IMPORTANT CORRECTION.—The statement concerning the Spirit of LaPlace, on page 316, appears to be quite correct, excepting that in the report of Mr. Tiffany's lectures the name of Prof. O. M. Mitchell, of Cincinnati, was given, by mistake, for that of Prof. Miller, of New York.
