Articles appearing in the Greeting Messenger, AUM, are for the most part, contributed by the Masters in the White Brotherhood and the Editor, Assistant Editor, and other Ordained Ministers of Church Truth Universal—Aum, under their direction. It is our editorial purpose to present in its purity the message of the Absolute Truth, Aum, from the spiritual concept of Atman (the Divine Self) free from the mists, confusions and illusions of the carnal mind concept (relativity). Therefore, all contributions, before acceptance, must be considered from this viewpoint.

Contributions of verse and prose, not exceeding seven hundred words in length, and conforming to the spiritual "Message of the New Age" are solicited. They will be carefully considered, and when found acceptable, used in an issue of the magazine. As the editing of this magazine is a work of Love, and the services of all connected therewith freely given, articles sent in for publication will be deemed to have been donated in the same spirit. Those not acceptable will be returned to the writer.

Our Motto: The Golden Rule

"DO UNTO OTHERS AS YOU WOULD HAVE THEM DO UNTO YOU"

LOVE AND WISDOM

By Dr. E. W. Miller

The Message of the New Age is from a Divine source. It does not originate in the mind of man. It is being given in Love under the direction and Wisdom of the God-Conscious Masters in the White Brotherhood, under the guidance of the Father (Jehovah) and the Messiah (Jesus Christ). Its purpose is to open wide the gates of the Father's Kingdom to all who will hear, give heed and live True Christianity, and to establish this Kingdom of the Christ upon earth, in fulfillment of the promise of the Nazarene nearly two thousand years ago, and the many promises and covenants of Jehovah centuries before through his chosen prophets.

These Illumined Masters are the ambassadors of Jehovah and co-workers with Jesus Christ, the Messiah, and are, in Truth, Masters in Love, Wisdom and Compassion. They are, as it were, our elder brothers, who have traveled far ahead of us up the steep mountain of Truth. It will, therefore, be of interest to the sincere seeker after Truth, to know more of the nature of this Divine Love and Wisdom which expresses through them and enables them to be of great service to the Father and to humanity.

Love, or the Christ, was the Son, or first manifestation of the Great God (Aum), which is our Supreme Father-Mother God. It is the Divine Substance-Essence forming the background of the perfect creation. This, our relative world, which is a lower vibration, is the mantle or covering of this Love Substance-Essence in form. In this sense the systems of universes and all that is in them are finer or coarser forms of

the Love substance which is the Reality. From Love we came and to Love we return. The Redeemed Masters who are giving this Message are resting serenely and at Peace on the bosom of this Love ocean-essence. Jehovah is the highest expression of this Love in both cosmic and individual form in this our universe or planetary system, and Jesus Christ the divinely appointed Head of the White Brotherhood, is the highest and most perfect expression of Love, and also Wisdom, on this planet, the earth.

Love is one of the aspects of God (Aum); so is Intelligence. This divine Intelligence expressing in or through man is Wisdom, insofar as the carnal or human mind does not through self-will interfere. We read in Flashlights of Truth, an authorized publication of this Message, from the divine source: "As the rose is the expression of the life's action, so the Wisdom of God will be the expression of the mind of the man whose mind is understandingly united with the God-mind, and Wisdom is the fruit of the scientific action of this mind upon the individual ego, when man brings about his conscious at-one-ment with the Father." (Page 265.)

Love and Wisdom, as thus defined, do not partake of the nature of carnality at all. They are indivisible aspects of the God-head. The lives of Jesus Christ and Krishna, known as the "Lord of Love," who lived five thousand years ago, proved that Love may manifest in man and make his life Divine; and the life of Buddha, the Enlightened One, that Divine Wisdom will flow through the life of one who will give up ignorance, limitation and darkness and become attuned to the Light of Truth. These are living examples for us now, and Jesus said: "What I have done all men can do, and what I am all men shall be." (Aquarian Gospel, Ch. 178:46.)

Love and Wisdom manifesting in balance in the individual express as Peace, another aspect of the God-head. The example is Jesus Christ, whose physical body even became living Peace-essence and his presence is Peace. When in action this Peace is the essence and spirit of KINDNESS, and except through and in Kindness, Harmony and Peace, Love does not express. When Love, guided by Wisdom, acts one always expresses Compassion. This is True Christianity, and is the life to be lived in the Kingdom now being established.

TRUE CHRISTIANITY

I. AUM

By Dr. E. W. Miller

"I AUM, am the Cosmic. I Aum, am the essence in My impersonal Self. I, Aum, express Myself in myriad forms of different shapes and sizes and draped in different tints of My coloring.

"I am! Beside Me, there is none other.

"I am the Conscious living Heart, the Omnipresent loving Heart, the Cosmic breathing Omnipresence. In Me there is no inanimate thing; all are vibrant with the pulsating heart of Me, Aum, and each is filling its correct place."

AUM, the Cosmic Silence.

AUM, the Living God, the Love-essence, the Peace-essence, the Supreme Spirit is the foundation of True Christianity.

AUM is Life, Light, Intelligence, Love, Peace, Power, Harmony, Perfection and the omnipresent Peace-Presence. Aum is intelligent eternal Love-Action. These are among the various aspects of Aum in expression.

AUM is also unmanifest and impersonal. Aum is the great Cosmic Silence; and Aum-action is silent action.

The Divine Man, called Atman, is the individual and highest manifestation of Aum. This is the Real and Perfect Self of each one of us.

The One (Aum) expressed, and the Many (the universes and systems of universes) manifested. This is the perfect creation, not seen by mortal or the psychic eye, for it is of a higher (or the Fourth) Dimension. This perfect creation has never ceased to exist, and it is a Reality now. It is Paradise, the Millennium, the Kingdom.

In the higher Dimension or Perfect World, all is Balance, Equilibrium, Love, Peace and the Wisdom-action of God. There, True Christianity is the established order.

Man, and also the different kingdoms (animal, vegetable and mineral), fell from the Paradisaical state and found the

mantle of nature around him. Thus he descended into the Third Dimensional or carnal state, called relativity. This is the great illusion, or shadow of the Real.

Aum is not relativity and relativity is not Aum, nor can it touch or disturb the Peace-presence that is Aum.

Aum is the Supreme Spirit, and Spirit in action under the Will of Jehovah is the Holy Spirit, or Holy Ghost. Ghost means form, and Aum in form is the Holy Ghost. When a ray of the Supreme Spirit is active in an individual, under Jehovah's will, it is said to be the Holy Ghost. Aum-intelligence or God-mind in action in the individual is the Holy Ghost Wisdom guiding him in Christ-action. Thus, the Intelligent or Scientific action of Aum is the Holy Ghost; and when expressing through the individual it is the Baptism of the Holy Ghost, or New Birth. He is actually born into the consciousness of the Spirit and Jehovah breathes into him the Aum-breath of Real Life.

Aum is the key to Spiritual Awakening, Illumination, full Enlightenment, Mastership, God-consciousness and Freedom Divine, because it is the foundation underlying all manifestations of Life, Love, Wisdom and Light. Aum-consciousness lifts one out of the quagmire of the human or finite mind which is the creator of this world of illusion and holds us in the lower concept.

By reverently repeating or chanting the one word, Aum, (and it should never be spoken irreverently) with understanding, more is accomplished than in any other act of worship, because this brings us in contact with all the aspects of the manifested God-head, such as Life, Love, Peace and Harmony. It is the highest prayer, because it turns the attention to pure Spirit, and the scientific action of the Spirit, above the lower vibrations and activities of the mind of the natural man, the effect of which is confusion and worldliness. The intellect, an expression of carnal mind, is but a faint reflection of the Light that is Aum, and its activities never have, and never will make man spiritual.

Aum is the Lost Word, for it is the ancient, mystic, name of God, and the first expression of the unmanifest Spirit, for ages known only to deep mystics, but now to be known the world over as the Key to Redemption, the Kingdom, and Freedom Divine.

CHILDREN'S PAGE

Jesus called a little child, took it in his arms and said: "You must become as is this child in innocence, in truth, in purity in life. . . . He who regards and honors such a child, regards and honors me."

"If you would enter through the kingdom gate you must be humble as this little child." Aquarian Gospel of Jesus, the Christ, Ch. 131, Vs. 9-12.

EDITOR'S NOTE—This page is in response to the growing demand for instruction to children in harmony with the New Age Message, and will be devoted to articles and helps for the Children.

Lessons in Truth, as taught by Jesus Christ, the Messiah, are to be given to children on this page, and in the Church School, established by the Masters in the White Brotherhood, as one of the activities of Church Truth Universal—Aum. True Christianity, and how to live it, will be taught.

We are all children of One Eternal God, whose real name is Aum. This One Life, Aum, is the Peace Essence Divine, expressing through the forms in nature, in the songs of the birds, in the fragrance of the flowers, in the dew drops, in the action of the waves, in the Heart of all creatures and in the Heart of man.

The Love, care and Presence of this Father—God, will be explained to the children; also, the nearness of the highest expression of Aum, which is Jehovah, whom Jesus called "The Father," and the present activities from above, of Jesus Christ, who is now establishing the Kingdom of Heaven upon earth.

Gradually the children will be brought into reverence, and love to Jehovah, our Father-Mother God, and taught to express in Kindness, gentleness and tenderness to each other and to every living thing. They will naturally come to know and express the Real or Divine Self within themselves, which we call Atman, when purified by the assistance of the Father, of the self-will (carnal self). And they will be taught that Jesus Christ is the pattern, that at-one-ment with the Father and Immortality in the body is the destiny of every soul.

We welcome all children to receive the Message of True Christianity.

JULIANA McKEE.

LIVING IMMORTALITY

The Truth about Immortality, and what Jesus meant by it, and the term, "Eternal Life," is a vital part of the Message of the New Age.

Truth does not need proof in the words of any scripture, yet it is a fact that the New Testament bears out the true meaning of Immortality. However, the reader will find clearer statements about it, and the redemption of the body, as proved by the life and ascension of Jesus, in the Aquarian Gospel of Jesus The Christ than in the former. This is because it is based on the invisible records in the ethers themselves (akasic records), as read by the author whose vision had, by Jehovah's help, opened to them, rather than on historic documents. In the Aquarian Gospel it is reported that after the ascension Jesus appeared, in Persia to certain members of the "Silent Brotherhood" (the same White Brotherhood of which he is now the Head) and said:

"My brothers of the Silent Brotherhood, peace, peace on earth; good will to men! The problem of the ages has been solved; a son of man has risen from the dead; has shown that human flesh can be transmuted into flesh divine.

"Before the eyes of men this flesh in which I come to you was changed with speed of light from human flesh. And so I am the message that I bring to you. What I have done all men will do . . . and then he disappeared. Ch. 176:26-31.

Again, he appeared to Apollo and the Silent Brotherhood, in Greece, and said:

"My human flesh was changed to higher form by love divine and I can manifest in flesh, or in the higher planes of life, at will. What I can do all men can do." Ch. 178, 13, 14.

Jesus has continued with the same power of the redeemed man, that is, to "manifest in flesh, or in the higher planes of life, at will." In nearly every century since the ascension deep Christian mystics and devotees have testified to these appearances of Jesus in various ways, in answer to earnest prayer. Such appearances are common today, as many testify

and Illumined Initiates know, some of these often contacting the Master for his instruction or assistance.

Jesus is picking up the threads of his Messianic work, broken in Jerusalem by the powers of darkness, just where it was left off; and today (the bright morning of the New Day or Golden Age) the "Divine Drama" again proceeds, with the "Beloved Master" in active charge. The time is ripe for many, with His help and that of the Father, to likewise prove the victory over death, by the transmutation of their human bodies into Spirit bodies; and they will never enter any tomb. They will achieve Living Immortality.

Paul understood this, for speaking of Jehovah said:

"He that raised up Christ from the dead shall also quicken your mortal bodies by his Spirit that dwelleth in you." Rom. 8:11.

and speaking of himself and his co-workers, said:

"Even we ourselves groan within ourselves, waiting for the adoption, to-wit: the redemption of our body." Rom. 8:23.

knowing full well, as an Initiate in the White Brotherhood that "this mortal *must* put on Immortality," and that "The last enemy that shall be destroyed is death." I Cor 15: 26, 53.

Immortality is never gained after the change called death. God is Life. "Death has never touched life and never will." (Flashlights of Truth, 55) "Life Eternal" is not reached by death.

Because the redemption attained by Jesus has seemed so difficult and mystifying, men have thought it impossible for them, and have been content with the fiction created by carnal mind as a poor substitute, viz: a far away Heaven, after death has become their victor. The adversary has tricked the unwary into this false and unwarranted belief.

Now, in this New Day, Truth, which is to free humanity from the slavery of such ignorance and finally free men from the "Wheel of Birth and Death," is shining as a great Light to bring all men into the "glorious Liberty" of the sons of God, as "joint-heirs with Christ" that "we may be also glorified together," and redeemed in "Body, Mind, Soul and Spirit," in conscious Living Immortality.

THE MASTERS' CALL

GREETING, WHITE MUNCHIS:

KAPILA will talk a short time in the Vital Essence, which you each, as Initiates, in a deep degree, comprehend.

When a New Age is ushered in, many in humanity have arrived at a place far on the side of the mountain of Truth, where they are ready to respond to the assistance of those who are much farther up the mountain of Truth. A Messiah being perfectly attuned, then assists these to a higher place in conscious recognition of the Aum-essence.

The Messiah is ushering in this Christ-Light and those standing sufficiently high on the side of the mountain of Truth, respond. They are called; and many of this grade become the ripened fruit upon the tree of carnality; and, at this time, become, by God's help, free from the carnal tree, and stand understandingly a branch of the great cosmic tree, AUM. At this place the sincere one hears the call, and has made such clear renunciation that he is free from the carnal dream.

The ripening season is now expressing in the humanity of this planet. The Messiah has called, and those who have heard, and have responded to this call are in preparation to fill their places. The Messiah, known on the Christian or devotional path, as Jesus Christ, is now stirring in the hearts of the chosen devotees to "Love ye, one another"; and Aum-Love, being the God, Christ responds, and the activities now of the chosen ones of this group of Initiates in the White Brotherhood have touched a deep key in the Aum-Love mantram.

The work of activity here at the AUM CENTER, at 3612 Foothill Blvd., Highway Highlands, La Crescenta Valley, California, is now being prepared, as well as the Initiates in True Christianity; so that those who have the loving touch of Aum-Love in their hearts will be of much service to their fellow man. This is the beginning of this activity in Church Truth Universal—Aum, hence "TRUE CHIST-IANITY."

By following the teachings and example of the Nazarene Master and perceiving the esoteric teaching of the White Brotherhood (which is the Secret Heart Way), brings one to stand at a high place on the mountain of Truth. You each, as Initiates in the White Brotherhood, know that this mountain of Truth is AUM, the home of the God-conscious ones—redeemed, which means, White Munchis, Freedom from the dream of birth and death, heat and cold, darkness and light.

Aum is Home, but it requires the rounded out pattern, as taught by Jesus of Nazareth. Continue deeply with your mantrams as you are instructed that you henceforth live in the Fourth Dimension, which is Aum; and with the Balance live in the Third Dimension, remembering that St. Paul, one of the Illumined ones at that time, explaining the Truth as Jesus taught it, said: "Christ in you, the hope of Glory." That was mystical, as is also, to live "in the world, yet not of it."

Those of that deep Illumination are the ones who have left footprints in relativity, which have proven blessings to mankind.

Now is the time that the Masters in the Great Order call lovingly and respectfully to the Brother Initiates, functioning where you are, to be no more disturbed by the people who have different opinions and are unsettled to-day. One now and then stands, and humanity has at present one standing as a tower in the Far East, Mahatma Gandhi.

Greetings to Yotis (Rev. Elizabeth Delvine King) and to Holora De Lea O. (Emmi C. Brandt).

* * *

The foregoing Instructions were given to Rev. King and Emmi C. Brandt, at the La Crescenta AUM CENTER, on February 27, 1931, by the Master Kapila, one of the Masters in the White Brotherhood.

Man's destiny is Mastership over the carnal dream. A Master is Free! Free from all the illusions of the carnal nature.—Flashlights of Truth.

ATMAN

By E. W. Miller

Oh, Self Divine, of thee I sing;
Of Atman Self, I sing and sing.
Sweet Soul of man, at-one with Aum,
Alive, at Peace; in Christ at Home.

Oh, Spirit Self; Oh, Life of me;
Oh, branch of God's eternal tree.
Oh, spotless Self, of thee I sing;
And lo, the bells of heaven ring.

Oh, Love of God, in form expressed;
Oh, perfect ray of Light, most blessed;
I turn to thee and through thee find,
The Life that lighteth heart and mind.

Oh, Flame Divine, of thee I sing;
Oh, Peaceful One, thy blessings bring,
That Love may come unto its own,
And to all men of earth be known.

PORTIONS OF RADIO TALK OF MAHATMA GANDHI, FROM LONDON

Sunday, September 13, 1931 (Over KHJ)

If India is to revive the glory of her ancient past, she can only do so when she attains her freedom.

The means adopted are not violence, not bloodshed, not diplomacy as one understands it now-a-days, but they are purely and simply TRUTH and NON-VIOLENCE. No wonder that the attention of the world is directed towards this attempt to lead a successful bloodless revolution.

Hitherto many nations have fought in the nature of the brute. They have wreaked vengeance upon those whom they have considered their enemies. We find, in searching the national anthems adopted by great nations, that they contain imprecations upon the so-called enemies. They have vowed destruction and they have not hesitated to take the name of God to seek divine assistance for the destruction of their enemies.

We in India have endeavored to revise and reverse the process. We feel that the law governing the brute creation is not the law that should guide the human race. This law is

inconsistent with human dignity. I personally would wait, if need be, for ages, rather than seek to attain the freedom of my country by bloody means.

I feel in the innermost recesses of my heart, after a political experience extending over an unbroken period of close upon thirty-five years, that the world is sick unto death of blood-spilling. The world is seeking a way out and I flatter myself with the belief that perhaps it will be the privilege of the ancient land of India to show that way out to the hungry world. I have, therefore, no hesitation whatsoever in inviting all the great nations of earth in giving their hearty co-operation to India in her mighty struggle. It must be a sight worth contemplating that of millions of people who give themselves to suffering without retaliation in order that they might vindicate the honor and dignity of the nations.

SERMONETTE ON TRUE CHRISTIANITY

By Dr. E. W. Miller

True Christianity is actually living the Life Divine.

"The Message of the New Age," now being given under the guidance of the Father (Aum-Jehovah) and the Messiah (Jesus Christ) shows how to enter upon the White or Christ Path and live True Christianity, like the illumined Masters in the White Brotherhood, who abide continually in the Father's Kingdom in God-conscious Immortality and Freedom, redeemed in body, mind, soul and spirit, and doing naught but the Father's Will.

True Christianity is the Love and Wisdom of the Supreme Spirit (AUM) expressing in balance in the individual as KINDNESS to every living creature; also as tenderness, gentleness, humility and compassion.

The requisites are: The New Birth or Baptism of the Holy Ghost, Wisdom and Love Divine.

Through Prayer comes the New Birth; through Enlightenment, Wisdom; and through being Christed, Love Divine, all gifts from Jehovah.

The True or Scientific Christian is at once the saint, the devotee and the sage. He lives in the Peace of the Divine Self, which Peace is the very foundation of the Kingdom. Thus living, he proves the sweetness and nobility of that life of which Jesus Christ was the perfect pattern.
