

Drastic cathartics are known colloquially as dynamite, or T. N. T. Purges are as much out of place as T. N. T. would be in razing a Broadway building. Constipation calls for

Pancrobilin

This product is an exact replica of Nature's pancreatic machine, and it stimulates the liver to a freer biliary secretion. One or two Pancrobilin Pills Plain after each meal enable many people to establish a definite habit of evacuation.

For those patients whose alimentary systems do not respond readily to Nature's own enzymes, prescribe PANCROBILIN PILLS COMP. Each Pill contains aloin, 1/5 grain, in addition to the usual amount of bile and pancreas. Aloin assists the bile in providing slow, but constant, stimulus to peristalsis.

PANCROBILIN LIQUID, for women and children, should be taken, one tablespoonful after meals, the dose to be increased, or decreased, as necessary.

Pancrobilin each day keeps constipation away.
