CHRIST HEALING

By

DR. M. DOREAL

We will open this discussion with a quotation from Paracelsus, one of the great teachers of the past, "The Power which enabled the saints to work miracles is still alive, and accessible to all. It is the power of the Holy Ghost, and if you live in God, He will overshadow you with that power, and it will teach you the laws of God and you will be guided like the other saints, even as the apostles Peter and Paul."

The more you meditate upon the power and presence of God, the more knowledge you will have of the wonderful works He may do through you. For if you can become a channel, willing to receive, willing to attune, you too may say with Jesus, "It is not I, but the Father who dwelleth in me, He doeth the works." Through concentration, meditation and attunement you will become a clean, pure channel through which the God-light may be manifested.

If you can realize that the power of God is in you, waiting to be released

you will be ready for the Spiritual healing which is the inherent right of all.

God is omnipotent, the greatest of all powers in the world, His wisdom is absolute and all inclusive, as perfect in its sphere as the perfect love in which there can be no shadow and no failure. To you, His child, God has given the body, mind and material environments, together with all that goes with human personality, as your plastic material, to mold and fashion after the pattern that you desire.

Imagine children with soft clay, molding the various forms that occur to their minds. You, have your clay before you, the life you are living. You know there is such a thing as perfect health, therefore make it your pattern and mold it into your life by thinking only health and the fullness of life.

As to the healing of disease, you have only to put the case before your Father and He, through you, will speak the word that will bring health and peace. Sometimes you may think you have spoken His word, and yet if there is any fear in it, if there is anxiety or doubt, it is not His word and it will not bring forth the perfect health.

Only according to your ability to

be a perfect channel for Him can He use you as an instrument for His mighty works. You are as the glass globe through which the light passes. The crystal, clear glass will transmit the purest ray of light, the pink glass will send forth a pink radiance, the green, a green radiance, and so on.

So you, so long as your heart has fear or doubt or discouragement, so long will the quality of your words and thoughts be clouded, but when your heart is free from the sense of burdens, when you are happy, trusting in God's love, your mind is as a shining, diamond white channel through which the radiant white light, the glorious splendor of God's word, may pass on its way to the performance of all manner of redeeming works.

Attend faithfully, then, to your times for concentration and meditation upon holy things, until you are filled and thrilled with the clear cut consciousness of the saving and healing power of the Christ within.

Know this, the working power of God in the human soul is called His Son, the Only Begotten, the Christ. When this is realized, then into your body will pour the manifesting power of the Christ, and

the quickening power of the Spirit, so that the healing will verily be accomplished in the name of the Father, Son and Holy Spirit.

Be not afraid to speak the healing word for all manner of diseases, for all kinds of inharmonious conditions, for they may all be healed. It is not for you to question whether this or that condition can be healed, for "nothing is impossible unto the Lord." Paul said, "I can do all things through Christ which strengtheneth me." With this consciousness in your heart you can heal, not only yourself, but if they will, your family and friends as well.

If you relax your consciousness into the peace and harmony of the Christ within, you can speak the right word no matter what the need; you will be inspired to do the right thing no matter what the condition. This means that you will not have to wonder what word to speak to heal, you will go calmly about in the great white light of His presence, doing that which is needed. Look beyond the veil of flesh to the perfect pattern, the God-man, the Christ within. Know that it can heal all disease, all sickness.

The Brotherhood Newsletter

Dear Students and Friends:

Today, as I write this, we are having a regular March windstorm, with the clouds drifting in, and forming rain or snow patterns. How wonderful are the laws of nature. As we grow into more understanding of the workings of the laws, we learn to enjoy the verities of our environmental realm. The wind is air in motion. Air, in its higher aspect, is the Aleph in man, it is the 'Breath of God.' In our new-found understanding, we enjoy the wind and glory in its show of strength and power. As we immerse ourselves in the inner workings of the laws of nature, we will be able to say to a destructive force of nature, "Peace, be still," and know that order will prevail.

The Sunday evening Services were conducted by William Miner. His lesson on "The Neophyte and the Path of Attainment" was very inspirational. The seven p.m. Service was followed by a Christening and Baptism of Daniel Andrew Lockwood, the seven-year old son of Dale and Wanda Lockwood, who are B.W.T. members and residents of Shamballa.

We welcome Mrs. Edith Ballinger, a B.W.T. member, and her family as new

Shamballa residents. The Ballingers are from Ypsilanti, Michigan.

It was very good to talk to Mary Musick via telephone and to hear of the progress being made by this Group in Oregon.

We are so very glad that so many of the students in the higher grades are beginning the study of the Teacher's Classes. To those of you who have not yet studied these great lessons, we urge you to give this matter your serious consideration. The world today has a great need for Teachers, who know the Truth and are qualified by their wisdom and understanding to go forth and teach. The time has come when we can no longer sit on the sidelines and watch the other fellow do the work. If we are to progress and grow spiritually we must become a channel in some way, for the expression of Truth. If interested, write to the Brotherhood for applications for the Teacher's Classes, Group Leaders and Minister's Training.
