No. 4

RESPONSIVE CHORDS.

Greetings, 1910!

Prosperous New Year.

Make no resolution uncongenial to your true nature.

Speak if 'tis just and right you should do so; but always speak with spirit of justice.

We don't wonder at people getting stung who are fond of hunting up hornets nests to punch and kick.

If you do not know what a True Psychic Process is, then for heaven's sake keep still until you do know.

To dislike is to depolarize; to depolarize is to demagnetize; to demagnetize is to weaken, and to weaken is to defeat.

To be mistaken is not always sin; to know and then to do contrary to the Spirit of the knowing, therein lies the fault.

We have no faith in swearing-off resolutions, usual to each New Year's Day; it is the symbol of folly carried to idiocy in eight cases out of ten.

Rise, all ye upon whom the power of blessing has been made manifest; fear nothing evil; blessed are your souls, minds, hearts and bodies.

Nothing can harm me now or at any time. This is true attitude of mind for

safety, for what I expect shall prove what I shall receive or gain.

It's not what we give, but how we give, and with what spirit we send forth that given, that makes the Gift of intrinsic worth and lasting good.

We shall not elect what we shall do; we shall accept what The Great Spirit, playing through the great Oversoul of the Universe, elects that we shall do.

It takes mighty Faith in ALL pervading and all sustaining Creative Love, Divine, to become greatness in the work of which this Magazine is a concept in expression.

Had I no love here there could follow me no love elsewhere; who loves no thing, form or creature here can never be Love in another phase of expression or sphere of life.

Spirit is Light of Wisdom, also Light of WILL AND WORD; the WORD becomes FLESH or whatsoever its meaning may intend as final expression, in form, thing or space.

Mighty is he who believes on and accepts the LIGHT as of The Spirit of the One Eternal Fire of Love, and believing and accepting OBEYS the LIGHT that is in him.

Character is our Immortal Selfhood, manifest as is this selfhood made manifest, so shall it be, as to our environ-

mentals in the just beyond the present sphere of manifestation.

To question is to show the doubt; to show the doubt is to defeat that perfection of enrapport which should be betwixt souls and persons, essential to ALL Healing and Success.

Not things nor persons shall rule me; only the Spirit of Light can I know or obey. This is to awaken right impulse and give the soul the power to set in motion the Life-principle.

Who has not THE LIGHT as the GIFT OF SPIRIT can never be a first-class Inspired worker in any evolutionary movement, involving SOUL unfolding, and, hence, Salvation.

Have you ills and burdens too weighty to bear alone? Turn to those who make the sacred duty of relieving you from such burdens their sole and continuous study, purpose and duty.

I will, and that will shall prevail in spite of every foe or spirit, whether incarnate or discarnate; every sort of Magic is powerless before the fire of that LOVE which is my ALL of Power.

If evil, fear, doubt or ill at ease to me a mountain shall be, then, Mountain, be thou a mole hill, and mole hill, be thou my stepping stone to that greatness, alone, which shall build for humanity's good.

Write my name in your heart for ALL that I am of good; my ills and errors need not form a part of what the GOOD of me is to you. We don't want the GOOD interred with our bones; let it live.

I shall stand, forever, if needs be, like a giant equipped for battle in the midst of the fray; bars of iron and gates of brass shall crumble and fall ere I turn from the strife or bend or swerve from high duty.

I have knocked, once, ye knew me not;
I have knocked, twice, ye turned away;
I shall knock thrice, be quick in thought,
For, again, no never, answer thou to-day.

The sweet bye and bye is now and here;
The over there is now, here and everywhere;
No yesterday, nor to-morrow, all is here,
Now, to-day, dear brother, as well as there.

There is but one true method of swearing off for keeps, and that is per reformation of CHARACTER as the INNATE; that kind of a swear off is the becoming, in CHARACTER, of that desired, and this becoming sticks.

Were there no mystery, neither would there be inquiry. Were there no far-off all-important event neither could there be fervent hope. 'Tis inquiry and hope that distinguishes the reality of aspiration, as to qualitative degree, in different mentalities.

Silence is often golden; yet how golden seems the opportunity to break the silence that is golden. Impulse is the formative that becoming the judgment, once uttered, makes or breaks an opportunity to profit by the silence that might become golden.

The name does not alter the significance of the SPIRIT'S POWER; when we say Christ's Spirit, it is the NAME as we accept it of the Divine, the Om-

nipotent and Omnipresent Spirit of ALL POWER, and LIGHT in everything and everywhere.

I would rather be a great soul, misunderstood though I be, than win my fame by any process that lies beneath true greatness. In the first instance, I shall pass on with an after hope of recognition, as to merit; in the second case, I may pass to disrepute.

The man making a swear-off resolution at the beginning of each New Year, and as often breaking his swear-offs, is like the man who swears off to please a sweetheart, only to fool the poor dear the moment he gets her under his own roof, per Marriage Contract.

If we fail to understand the laws that bring to bear the ALL GOOD, as of a rule of action apparent and manifest here and now, and of immediate worth to self and other selves, we cannot hope to become power in that which rules out the ILL and brings in the GOOD.

Without Love no flower may ever hope to bloom or fragrance the air; without Love no creature may ever reach growth's propitious state; 'tis Love that lends impulse, and impulse sets in motion that which creates tension, which permits of growth and unfoldment.

Perhaps there are things we do not like, then let us correct these dislikes; nothing can stand in our way to beauty, strength and health, not even that which we do not like; this, alone, constitutes true non-resistance, even when our dislikes are made to serve our every good.

I cannot persist where refusal rules against the Truth, which is the power of my act; it were useless to stop and

argue and beg where Spirit, alone, is Master Light; I am or else I am not, what I reveal to be; I shall never undo what, of my soul, I am a truthful manifest.

The Spirit of Christ saveth; no Church can save except as of that Spirit, and every living soul must be saved of that Spirit, and as of its own selfhood a living Fact, in innate Consciousness. That Spirit, alone, is might and power; all else is as naught beside this revelation.

Come, all ye people, the grand body politic and separating into the persons thereof, become, personally, that power of Truth which the ALL SPIRIT guarantees to all who seek, ask and knock; it is well when the Christ Nature is made manifest within the sanctuary of the soul of each.

Impulse I am of all that I would those who lean upon me for mighty good and Truth should, now, become; their health, their success, their every Light upon the way, must my impulse be, ere I may move the mountains that beset their path and cause the change they seek through me.

Is your soul well with thee?
 Are you set on righteousness?
 Have you the inner revelation?
 Regeneration's sacred rights,
 Have you transmutation gifts?
 If not, why not, seek and knock,
 And then, receive, Light of Love,
 Life's eternal all-blessedness?

Did fair Love ever create a spiteful thought? Did Love ever yet say I am the Spirit that would smash and annul? Did ever God Love bid thee take the bread and butter of ignorance, and thereby defeat immediate recompense to

mankind, without paying, in full, that which you had taken?

I am good now, all good, whether liked or not depends upon receptivity, and receptivity may be falsely concerned. We may be receptive to our worst ills, or we may prove receptive to our Best; as we are passive to what proves our good or ill, so is it with our well-being, in actualized conditions.

If by act or thought we are instrumentalities at work, which shall breed hate or ill, in spirit, among our kind, and, thereby, defeat God's own design of Master Love inworking the soul of things and of men, then, RELIGION, thou shalt prove our bane, and WORSHIP, thou shalt prove our lasting curse.

Robbers are not always of the class who prowl about the streets, enter houses or lift funds from banks; they are more often of those who lie about their neighbor; slander their brother man; steal the fair name and fame of some earnest and worthy worker; or take unto themselves through chicanery the work accomplished by another.

There is no big I and little you in the realms of The Spirit; there may be differences of understanding and application; but every man and woman fills exactly his or her own sphere, or place, of honor, while none other can fill that particularized place or position; there are no vacuums in the Real, neither are there any mistakes or non-successes.

It's cheaper to keep up a constant fire in your dwelling than to pay plumbers' bills, in time of extreme cold weather; it's cheaper to keep a Psychic attending to your body's welfare and other matters than to pay the penalty of neg-

lect. But remember, flash advertisements do not make a Psychic. Neither do outrageous claims or big prices guarantee BEST results.

We shall not condemn our brother man for his faults whilst we are so filled with the same sad conditions; we cannot vote to undo so many, mistaken though they may happen to seem to some of us, lest we prove by our Process the Spirit of LOVE has been exhausted, in the attempt to evolve from our brother's soul source, the better manhood and the truer self understanding.

I am preserved of the Almighty; thieves grow round about me; slanderers rise about me on all sides; but I WILL destroy them in their works, as of the Power of The Great God. My people prosper of my FAITH in the GIFTS of Omnipotence, Omniscience and Omnipresence; all things are made POSSIBLE in and of Him in Whom I believe and AM TRUE FAITH.

Tell me, Oh, Measureless Time,

What the length of my Cycle;

What the final link may be,

That fulfills my destiny.

Shall it be on some other star,

I complete this short career?

Shall it be in form again,

I fight the battles o'er,

Or in Formless Spirit's might,

Love, my Selfhood shall unfold?

Friction is the law of all progress; of all electrical and other material forces; 'tis only in the Kingdom of the Equilibrated that Magnetism destroys present friction, in the consummation—harmony or ecstasy.

Perfect at-onement, or coalition, is the law of Magnetism; 'tis then, of the within, or else a reflection or emanation of Spirit, as manifest in the within, or objective realm.

College learning is good for a Lecturer, a Doctor, a Preacher or any professional man; but Innate Reason, the Gift of Spirit, the Light of Wisdom, is far preferable, provided a choice for actualized Worth must be taken, as between the two. The Gifted of Soul Inspiration as of Spirit will become learning, in spite of ALL obstacles, for he, being the Genius of Learning, will most certainly seek it and gain it.

Earnestness seeks only that which is the good, and the good sought is that which guarantees the good of ALL concerned, as well as the good of self; none can do good for self unless others, factors making up the community of interests, be, also, of that same good. The man who would prosper self must learn that the prospering of others is his shortest route to self-success. The healing of others will bring health to self.

Out of darkest Egypt came the great Moses with the chosen people; "led by a cloud by day and a pillar of fire by night." They found their way made perfect and clear. In these modern days, like conditions exist, and the same guidance is still to be had, per that process which cometh of understanding of the Soul's Ways, per the LIGHT of the SPIRIT of LOVE and TRUTH made manifest in chosen men, or else men well equipped therefor.

Mightier than ALL the Sermons and DECREES of MEN is that ONE MIGHTY SPIRIT POWER OF LIGHT WHICH, POLARIZING the ether of a THOUSAND WORLDS like ours, welds ALL SPACE into ONE CELESTIAL FORM. Bend the knee to no GOD less than GOD within thee, Oh, man of earth, and arise to claim no power less than Spirit that Illumining ALL makes thee a LIGHT of JUSTICE, here and now.

Tremble, ye devils of hell; stare with wild and lurid eyes, ye false spirits of corruption; bow low, ye infernal Magicians of Blackness and misery-producing significance; slink into outer darkness, ye poor fools of Hades; for none may stand before that Omnipotence which is of the Almighty Will and Love Divine. Christ is, and His Spirit once known and accepted in absolute FAITH, shall prevail, and that, too, as manifest in the form of man.

I cannot your healer be unless trust and Faith you are in me; I shall accomplish but little should you doubt my every word to you; all is as Revealed in me, or else I fail of Psychic Process and leave to earth, earthly, the dead self I would Regenerate, Resurrect, Awaken and Quicken, as of Sacred Spirit, in me, as of soul of me, a living fact of Light, Love and Life. Trust thou me and I will raise thy dead selfhood and make thee Life, even as thou askest me.

Who are the spirits of whom we speak as returning? Are they not the sum and total of the Character of the disembodied who have gone on before? Can they, at first be anything different than the Character they built, while here, in the body? Why, then, expect the unreasonable, even from spirit communications? All is Law, and Law rules ALL; there are no exceptions; what is in one phase of expression of law must continue of the same immutable law, even in another phase of expression.

Any man can pray and praise God from the intellect, or per the lips; this need not imply belief, or fixed resolution, or Inspired Character; it may not even necessitate change of life, except as to public demonstration; but who is the CHARACTER of THE CHRIST, the LIFE-PRINCIPLE, THE NEW CREATURE, preaches, prays, as of THE HOLY GHOST, THE LIGHT

OF WISDOM, THE DIVINE INSPIRATION, as of the SOUL, and he IS what he manifests.

Who sayeth the Spirit of Love is the Spirit of War, except per disintegration giving way to integration, hath told thee that which is illogical and foolish. Love is growth, unfoldment, and final fulfillment, of Divine Origin set at work and of Divinity, itself, sustained in action. Love crowds out and does so by growth of something better, ere it takes up the space left by the crowding-out process. Love sets in motion life and the Light of Love is all beauty manifest in everything and everywhere.

The Mystic Way has slowly come to stay; the old has slid back into disrepute; the NEW is marching on and on, till every soul shall see the better way. Men in darkness can NEVER learn this better way by persecution's stormy glooms; Czars may rise and Czars may fall, but man bereft of the LIGHT that shines in spite of men's MORAL CODE, upheld by strife and blame, shall be set free, alone, as God's Spirit shines as LIGHT of LOVE. 'Tis the Mystic Way, and it has come to stay.

If we WILLED at the beginning of 1909 and then accomplished, during the year, that which we WILLED, we have progressed; if we failed, then we have either stood still or else retrograded. It is but a sign of weakness and that which begets weakness to WILL and then to fail to perform. Never WILL anything until you are reasonably assured, within your own better selfhood of the possibility of accomplishing that WILLED. Man grows by what he wills and then carries into effect. Will must be founded on right.

We propose to place Mystic and Occult along with Psychic Process of Re-

vealment on the high road among the most honorable and honored of Professions; we propose to WORK hard and long hours, daily, to accomplish this; we are putting every moment of our attention to this line of work; we are of The Spirit of Truth and know whereof we are; success, ourselves, we shall REVEAL SUCCESS to ALL who are members of our associations and within our Kingdom of the Light of Divine Spirit, the Equilibrated.

When you reach that Spiritual Perfection which permits of the power to look within and behold the perfect Five-Pointed Star of the Soul, and to hear "The Still Little Voice" thereof, you have reached the power to unveil the Woman of the Temple of Isis; the woman "who represents the pure woman standing with the Crescent at her feet; the Celestial Sun at the Sign Centre of Virgo, the Navel Centre; with a Crown of Twelve Golden Stars encircling her head and the Fiery Serpent at her feet, just outside the Sacred, Divine Circle; this Serpent representing the Carnal as Cast Out from the Precincts of the Kingdom of Equilibrium."

We do not believe we can make men, presumably in error, free from the same by becoming out-and-out antagonists; we feel assured the Spirit of Compassionate Forbearance is far more powerful for the uplift of mankind than the spirit of Force or Antagonistic Method. We do not believe LAW will ever accomplish what Divine Spirit, as LOVE in action, can hope to gain. To make a whole class, as a given factor of the Body Politic, Mad, does not seem to us a promising proposition; there is such a thing as driving a whole community into hell by methods that create a self-destructive attitude towards the Spirit that would attempt to solve an apparent evil by Force Process. Hate may win laurels for itself, but it can never SAVE a human SOUL.

As is usual, Cook, Dr. Cook, of the North Pole fame, is to be passed DOWN AND OUT, with the SAY of SOME COMBINATION of WISE SCIENTISTS. We shall utter not one syllable against Dr. Cook until he of himself shall say he LIED. His WORD is of MORE WORTH TO US than ALL the WORDS of the WISE would-be's who always KNOW ere they REALLY have discovered how they KNOW. Proof is their long suit, but it always has to be of such RIDICULOUS make-up as to be beyond the pale of Innate Reason. Christopher Columbus, if we recall rightly, stood in vain before the WISE MEN and Kings and Queens of Europe and was cast into chains and dungeons, until satisfactory PROOF could be brought forth of his wonderful discovery of a New Continent. Cook is about in the same predicament; and it may be that after he is dead a few hundred years, the recent decision of the WISE (?) may prove the biggest FAKE of ALL.

There are plenty of Scientists who would not believe that Jesus of Nazareth ever existed, until Profane History told them so. In Colorado, Science has mapped off, per Geology, the Gold and Precious Mineral Belts, some of the GREATEST AND RICHEST FINDS have been where "NO MINERAL" was the Scientist's verdict. They had to have proof; yet the EDITOR OF THIS MAGAZINE, sits down and with INNATE VISION, places his CLIENTS right upon the MINERAL BELT without the aid of PROOF; who planted the MINERAL seems to be able, of HIS SPIRIT, to REVEAL ITS WHEREABOUTS; now jump right up and ask the thread-worn question, "If he can DO this, why DON'T HE OWN ALL THE MINERAL HIMSELF? There is a LAW of CONTACT which governs ALL, and MAN is protected by that LAW.

Yes, we are at the head of a Temple Corporation; we expect to build a suit-

able place for ALL Liberal-Minded and Independent and developing persons making up the body of our people. We shall ask no man what his former associations, environments, or business may have been; we shall simply ask him to come in, and beholding our works and methods, if suitable, take up the same splendid mode of operation. Souls slumber until awakened by right Spiritual Light, and Healed of Lethargy become capacity, as quality in power of Intelligence, expressive. To quicken and awaken the Souls of men and thereby make better men, is the sole ideal of our Institutional Undertaking. Who makes himself a Success, usually is capable of so making others.

One sunbeam contains, in perfect harmony, as a unity, nine rays of Light; in order to reach the earth this sunbeam must form a tension along invisible wires formed of ether as a conductor. All rays of light move forward in straight lines; even so must the true Occult radiate Spiritual Light, as of the Subconscious, in order to accomplish results; the object to which he sends forth this Light of the Soul, is similarly placed, or positioned, as is the earth to our Solar Luminary.

Never turn your back upon anything good; always receive all as good, until positively proved as bad; regret nothing, once you have sought and received, so long as proved to be your good; if by chance anything done should prove ill to you, then regret not, but proceed to heal and cast out the ill; the effects can never be removed by a regret. "To regret is to acknowledge oneself a fool."

Take care of your own good business; if unsatisfactory, take care of the chance to change or better it; leave ALL envy of other's success alone; envy demagnetizes and also it may cause you to neglect your own while watching another's welfare and progress. Stay by what is now 'till better is at hand.

EDITORIAL.

1910.

PARTIAL FORECAST.

The year of Jupiter is 1910; the most wonderful progress of modern times may be hoped from this month of January right up to April, 1911.

The year closed was a remarkably peculiar one; it was the year of retarded conditions; a year of fatalities, as we predicted; a year of many ventures; of many deaths; of tremendous storms and upheavals. This year will complete many of the projects undertaken during 1909. The past year discovered the North Pole; the present year may find the South Pole; yet we feel this event will be delayed until 1912, owing to other adventures of far more importance to mankind. A year of threatened war is with us; a year of earthquakes and strokes as of Jove abides now here. Master forces, human, as intellectual, will vie with Master Forces, Divine, as of the Spiritual and the Soul for human evolution. The Air shall reveal its secrets as never before; the era of Glass, instead of Brick and Iron, draweth near; houses will soon come of the products of the SAND made into the symbol of the Palaces of Crystal, through which man may behold the Light of eternal day, is close at our door; the Astral Light shall reveal its modality; the stars shall give up their secret potencies; Astrology shall solve its riddle; the Spirit of Intuition shall close the chasm so long existent betwixt the Objective and the Subjective sides of Nature and human nature. The Balloon shall give way to the Aeroplane; the Steam Power and Coal, to a great extent, shall be replaced by Electricity; man may do away with winter's cold by electric devices, as already foreseen by the prophetic eye of this editor, per instruments, charged with electric heat, to be worn about the person; thus shall the fierceness of the Polar Region succumb, at last, to man's inventive genius and innate ingenuity. The sweltering, overcoming heat of summer may be set aside by another of

man's devices, in the shape of tremendous FANS, which shall stir to life the humid and fetid breath of our large centers of population; the air shall be Polarized, Oxygenized, or otherwise corrected to suit the nostrils of a healthy human family. These are a few of the possibilities of this wonderful year, over which Jupiter, the mightiest of Planets, rules.

Labor troubles will be intense and numerous; disasters by land and sea will shock the world at large; death losses will surmount that of any previous year of history; some Island Centers may give way to Ocean's Waves, and become watery graves for many persons. Ships shall be sunk, treasures lost, and fire, earth, water and air shall contend together, as never before, for the Mastery of Space.

Great Canals, tremendous Railroad ventures, wonderful Building Progress, almost untold riches invested in Lands, will mark the Financial Activities of this splendid year of Money Making. Money Centers will be broken and reorganized; new Banking Systems, more liberal to the general public, will be inaugurated; the old methods of Municipal Bonding and Municipal Ruling and Rulership will give way to new systems; statesmen will arise from among a different type of men, and Intellect will alter to suit the Spirit of the Evolving Subconscious or Superman. India's ancient Altruism will shake the FOUNDATION STONES OF THE CHRISTIAN CHURCH and THE SPIRIT OF GOD WILL ENTER THE SANCTUARY AGAIN; Form will give way to SPIRIT. This will revolutionize, in many instances, present forms of Church Worship. Psychic Healing Process will COMPEL a revolution, per evolutionary methods, in the Practice of Medicine, compelling the revision of the Pharmacopia and Materia Medica; the Drug Trust will receive a TERRIBLE SET BACK; the coalition of Church and Drug Trust, through pre-

tended FIGHT upon the SALOON, will be defeated, ere the year closes, and badly so. The people as a whole will arise, superior to any dictation from Institutional source, and defying form, take more to the Spirit of Truth and Right of Liberty of Conscience. It is to be a year of INDEPENDENT VENTURE, of breaking away from fixed and dried Isms, things, forms and plans. Prices will range high, compelling a higher wage scale, which will cause much turmoil in the industrials, and severe ups and downs to Stocks and Bonds. Money will be more plentiful among the masses, and hence, good times will reign supreme until the reactionary period, setting in April 1st and winding up December 1st of the same year, 1911. The Spring promises to be wet and backward; the Summer stormy, and heavy disasters, per floods, etc. We shall say more as the year advances.

A FEW REMARKABLE REVELMENTS.

As Given by Prof. F. D. Hines During the Past Eight Years.

At Twenty-second and Larimer streets, on a cloudy afternoon, October 10th, 1902, at about 4:10 P. M., the Inner Voice said: "Tell the landlady to warn the guests that Lightning will pass over this building, at the southeast corner in about a half hour and strike that telegraph pole in front of the window east of and next to the entrance." At 5:20 o'clock, just thirty minutes later, it occurred; besides it crossed the street to the opposite corner and broke a pane of glass in a saloon front.

In January, 1904, he wrote a Horoscope for a lady who sings in his afternoon services; in that Horoscope were these words: "I see a rosewood coffin entering your house, on or about November 12th, 1907; seems a man is placed in it." At 12:45 o'clock, just after midnight, A. M., it was her husband passed out of this life. It further said: "The 16th day of November, same year, will prove the brightest day of your husband's entire life." He was buried that

day, and a more beautiful day none ever witnessed.

Another instance, that referring to a Circle Test: "Your mother may pass out in April, 4th to 17th, this year." This occurred at same time, just one year later. In 1906 a lady attended a Circle Meeting in January and asked: "Will my husband recover?" Answer: "You will be relieved of eight years' burden on February 22nd." That was the day of his funeral, and he had been sick and a care for eight years, so we afterwards were informed. Another instance was that of a young man who had been hurt; it was about October of a certain year, same on record in our office; we said to his mother: "It looks as if he might not recover; it seems early morning, and February 15th, the coming year, as doubtful for further stay here." He passed out the morning of February 15th, as stated, at 6:15 o'clock.

Still another: A dear little friend's mother came and received a private sitting in January of a certain year; we said: "I see a fair-haired lady, young, deep blue eyes, rosy cheeks, may be under twenty, and May 25th, present year, with a clock, the minute hand at figure one, the hour hand at figure eight, and it's morning." The Revealer of that Message was called by 'phone, Sunday morning, the 25th day of May, and arrived at the house and bedside at eight o'clock, to find death already closing the scene; the girl died at exactly the hour and minute formerly stated.

This is of record, as the Professor preached the funeral sermon.

There are a dozen or more just such cases of record in our office, and well known to those connected and friends and associates. During 1903, while in Idaho Springs, a friend wanted to rent a certain house. "No," we said, "it will be struck by lightning during August, this year." It so occurred. A lady going to Chicago had a private sitting, in September, 1906. We said: "Your house that you will occupy in Chicago will be struck by lightning about July

17th, next year." She wrote us since that it happened, as revealed, on that very date. During 1906, ALL who attended Circles given at 1438 Tremont Place will recall the accuracy of each and every weather prediction, some months ahead, especially for the first seven days of July and the first eight days of August, with the 11th to the 17th of November, and the first eight days of December, along with the 17th to the 28th of same month. Mines without number we have revealed exact depths, etc.; Stockmen have saved on prices of hay; saved as to marketing prices by gaining right dates for shipment; have escaped bad storm periods; hay men have harvested their hay at right dates, and travelers have escaped storms, disasters and wrecks through this man's innate and Ever-Truthful, Silent Voice of Soul-Revealing Power. How is this done? Part of it is easy to understand; he reads the Soul, and the Soul KNOWS. But as to storms, there is the rubber; what does he read there? Who revealed the Lightning's hour and place of stroke? Is there not an Infinite Wisdom revealed in this? Does this not substantiate the Revelation of The Holy Ghost, the Light of ALL WISDOM AND TRUE KNOWING AND FOREKNOWING? We could fill TEN THOUSAND PAGES LIKE THIS WITH JUST SUCH MATTER, and not a WORD but TRUTH in ALL those pages. Yet the man's personality is not liked; why so? Because that SPIRIT compels EXACT JUSTICE and DESPISES ALL ELSE, and the man has BECOME A POSITIVE, able to HEAL and CAST OUT ALL manner of DISEASE that is possible or right to be HEALED, and that, too, is a POSITIVE, and makes him so express as his Spirit in him manifests.

BABYLON—CONFUSION.

Isalah, 21st Chapter.

A New Year; the year of the Most Ineffable and Adorable Holy Name, Jove, which shall be pronounced with

Reverence for Speedy Relief in an hour of extreme distress, want or fearfulness. A year wherein rises to POWER the MIGHT of JEHOVAH, not as a GOD sitting away off yonder in some unspeakable and unsearchable, unimaginable place; but a GOD OMNIPRESENT, dealing with things as HE has ordained and created them. We say the year of Jove, because it is the year of JUPITER, and, hence, it is the year of POWER to ALL who have THE SPIRIT OF JOVE, or that of THE THUNDER BOLT, the ONE SPIRIT, that OF LOVE, AS FIRE OF WILL; the OTHER, spirit of THE ELECTRICAL, as that of CHAOS UNEQUILIBRATED. I shall go forth with the strength of The Lord God, and the might of Jehovah shall become my tower of strength over the Four Elements, because I am NOT noting THINGS, but SPACE, RATHER, as my playground. Spirit, alone, is the manifest of all TRUE GREATNESS, and that shall be my greatness, even in the midst of thee, Oh, Babylon, Chaos and Confusion; it is not that Babylon which would represent a few of the classes of humanity, as making up the Inhabitants of that City; it is not that Babylon Preachers would make us believe is to be attacked; nay, more than that, for that we shall always have with us; but, rather is it that Babylon, more worthy of a man's true Genius, Mettle and Power; that Babylon which to Conquer, adds lustre to Spiritual Attainment; the Babylon of Self; the Babylon of Electric Chaos; the Babylon of the Four Elements; the Babylon of ALL Dark Spirits and Elementaries, which Obsess, Possess, or Disease man or man's Soul Mind, or Objective Mental Range and Power.

To arise to fight some little insignificant CLASS as a part of Human Brotherhood; to say I will fight and vote out that which is contrary to my SMALL and INFINITESMAL CONCEPT of what this world should be; to arouse MEN AND WOMEN TO FIERCE HATE OF ONE AN-

OTHER, is too PUSILLANIMOUS and PUTATIVE, for any REAL GENIUS or SPIRITUALLY AWAKENED RIGHTEOUSNESS OF SOUL AND MIND. I would enter the LISTS along lines that require VIM AND VIGOR, and the WISDOM of SUPERMAN, and leave to BABES and IDIOTS the undoing of EACH OTHER. Who goes forth to CONQUER a City, is unworthy of notice, unless he, himself, has MASTERED and is ABLE, in addition, the ELEMENTARIES TO MASTER.

Building up imaginary ILLS to Create a BABYLON to FIGHT, seems the highest ambition of the majority of human kind, because each man forgets, that HIS BABYLON, as BUILT by HIMSELF, imaginary or REAL, is made out of, and is a REFLECTION OF HIS OWN IMPERFECTIONS, AND NONE OTHER.

Who claims to follow after true GREATNESS and exemplify the GREATNESS of THE CHRIST, has NEVER been a searcher after any type of humanity to FIGHT and CONQUER per FORCE, or other unmanly MODE or METHOD. Who pretends to ETHICS of right relationship, never has been found spouting against and DAMNING a CLASS of people, because of VOCATION, POSITION OR CALLING, as such CLASS. Who pretends to GREATNESS is a MASTER of his CRAFT and knows that BUILDING is an ART, and that ARTISANSHIP means LOVE AT WORK, as of the SPIRIT OF A GENIUS OF LOVE. We blow and spout about Christ and the LOWLY NAZARENE, and, in the SAME BREATH, we make of His LOWLY AND IGNORANT ONES, as SEEN FROM OUR HOLY STANDPOINT, (FALSELY OR OTHERWISE), RESIDENTS of a BABYLON, against which we shall raise up an ARMY, mind you, an ARMY of CHRIST, to go forth and DESTROY. Oh, HADES! how thou art made the open gateway to HELL for men and

women who KNOW NOT THEMSELVES, and would CONQUER in OTHERS WHAT IS RAMPANT WITHIN THEMSELVES, and remaineth to be SELF-conquered, or else, to send a Soul into after Aeons of Recompensing the errors of a spirit of undoing others, for the very FAULTS in SELF, making possible the seeing of the same FAULTS to FIGHT OUT OF OTHERS. As we are within our OWN SELFHOOD, so do we SEE ourselves in others, for others become but the MIRROR through which, or in which, we behold our TRUE LIKENESS of our OWN TRUE SELFHOOD.

Babylon does exist, but it will never fall until MEN come forth, of that largeness which comprehends a JOVE within and a Jehovah without, as Master Manhood, true to the Original Concept of a Universe. Not men and classes of men, but Elements and Chaos as Created of Man is our Babylon.

What is a FACT of MAN is a FACT of his society and Environmentals.

The bud was on the tree, about to become a leaf;

A crank came that way; said he, ill relief

Shall come from thee; I'll pluck thee, crush thee,

Cast thee into dust; there, possibility, for thee,

I've spoiled opportunity for beauty or for duty.

"PEACE ON EARTH AND GOOD WILL TO MEN."

Read as Addenda, Acts, 11th Chapter.

The Spirit of the hour is anything but "Peace on earth and good will to men," as shown by reports we have recently read in our Daily Press.

The Church has arisen, not as one would expect, in the Spirit of Love, Peace and Good Will. A dictator, a small-sized Czar, seems to have shot into the limelight; a brain organism given to see a mountain where a mole hill rises, seems to now dominate the councils of the erstwhile Sacred Insti-

tution of Soul Business, and through the biased vision of this Brain Organism, has made of this Sacred Institution, political business.

The early history of the Seven Original Churches, was somewhat similar in detail to the history of our Modern, Psychic Movement; the Seven Original Churches were made up of Psychics, Healers, Revealers, men who assembled the people for the purpose of Healing and uplifting them, personally and as a body, regardless of previous calling, profession, business or servitude; the leaders were skilled in the Institutions and the Gifts of the Soul; they recognized the Spirit of Truth as the direct means to Salvation and as the LIGHT of Revelation; they drew unto themselves all the needy, the lame, the halt, the ignorant, the blind, the disconsolate and persecuted; they advised the humble and those in distress as to the present and the future; they read the Palm and were apt in the Astrological; they gave tests of Spiritual Insight and Soul Illumination, in order to hold their membership; they were persecuted, questioned, sought out and driven hither and thither; they were beaten and thrown into dungeons; some were beheaded, others given to the lions, while many perished per divers inventions of man's lust for blood and gratification of hatred, bigotry and egotism. This original organization grew in spite of the persecuting spirit of envy, rivalry, hate and bigotry, coupled with fear and doubt. It grew until it prospered beyond measure; the Spirit of Love dominated its councils; but with strength, power and numbers, it became rich and corrupted its Sacred Selfhood, as a body Institutional; it became unable to hold itself together in that unity which means peace and good will, among brethren; ambitious dictators rose to power from within and without its ranks; it succumbed to this new power or spirit of contention, hate and strife; it fell out within itself; it grew into Sects and Factions; it divided its power. To-day history is repeating itself; the new Religion has been a product of

forced conditions; the "New Thinkers," so-called, have come to leaven the loaf; the Spirit of Love has turned men and women back to the WORK of the Original Seven Churches; the Spirit demands the true work to be done, that of Healing the Nations, and the unfolding and developing of Souls, along with the Recognition of the Omnipresence of the Father, the Son and the Holy Ghost, as an ever-indwelling Fact, of or in Consciousness, as a working power for growth and unfoldment unto fulfillment of the Divine Man. The modern Church is attempting to get back to original unity; but in so attempting to regain its lost prestige and unity, it rises to proclaim a new identity of itself, as to relationship with the affairs of mankind, the political phase; it is making the mistake of all its long and useful career; it is submitting to the dictates of a spirit that never was success to its ranks, nor to it as a body spiritual, or as an organization, Ethical.

The Prohibition Party is about to entrap the wisest of the Churches' good and well-meaning workers and controls. The spirit that animates the Prohibition move was never, in any degree, nor in the slightest wise, connected or associated with the Blessed Spirit of The Christ; no HATE-producing, factional or otherwise, arousing sentiment, no persecuting and prosecuting impulse ever sprang from the Eternal Spirit, that is the LIGHT that penetrates DARKNESS and makes LIFE possible, together with beauty, harmony and equilibrium, as the outcome of the ONE GROWTH and UNFOLDING Process of A UNIVERSE.

The spirit of Prohibition is invariably the spirit of antagonisms; it delights in denouncing three-fourths of mankind to gratify the views of the other fourth, and stoops to chicanery, by sending out spotters, who, under the guise of the Spirit of Love, rob men of honor in a way that makes the devil blush with shame. Did Christ ever stoop to the position of eavesdropper, of sneaking about to buy something forbidden

in order to throw down and, afterwards, persecute or prosecute a PUBLICAN? Did Jesus go forth and breed hate and contempt for sinners? Did He violate every code of honor and of the Spirit of the Father of ALL to gratify a political avarice and spite? Did He rip up and down the aisles of the Synagogue condemning the IGNORANT OF THE BASIC LAW OF SPIRIT, AND, HENCE, OF SOUL SALVATION? Did He drive men and women further into Hades by making it impossible for them to understand their own best good, or His own Revelation of Love, Truth, Life and the Way? Did Christ ever lisp a word regarding anything that the Lepers, the Publicans, the Magdalenes did? Was it ever His Revelation to FORCE the PUBLICANS into HEAVEN, or to ACCEPTANCE of the SPIRIT OF HIS FATHER? Where does the Church get its Authority for its RADICAL SPIRIT OF INNATE AND SUBSTANTIATED HATE? When did Christ advocate Political Methods as the Means of a Salvation? Who has lied regarding His Revelation on earth? Does the Spirit of the Universe Kill off ALL plant or shrub life that is detrimental to Nature or Nature's children? Does that Spirit hinder the TIGER from destroying the Man, or the Lion from devouring the Tiger? Does the Spirit of Life concern Itself over the FORM of things that be? What LIGHT is it that God sent forth and said it is GOOD and it was GOOD? What is the duty of LIGHT? Why does LIGHT of SPIRIT welcome instead of kill out the evil that cometh of darkness and ignorance? Why are men Free Moral Agents?

The Prohibition Party is causing the Church to lose sight of its VERY BASIC PRINCIPLE, that of carrying LIGHT OF SPIRIT into the midst of darkest EGYPT (ignorance), that man, becoming illumined of Soul, might profit by Light of Wisdom, and become Salvation per true understanding. If this is not the Church's Modality, then its Relation is false, and it becomes a

sword of spirit, destructive, instead of the Gospel of "Peace and Good Will on Earth to Men." The whole Process of God is that of OVERCOMING EVIL WITH GOOD; it is a Psychic growth, development, unfolding and fulfilling Process; it is a Spiritual, Silent Process, wherein the LIGHT overcomes the darkness, and sets in motion LIFE, which alone is Salvation. The Church CAN NEVER EXCUSE ITS ERRONEOUS MODE OF PROCEDURE by any means whatever satisfactory to the Spirit of the Living Truth. The transgressor shall reap as he sows, and shall fall as he has made manifest. By that spirit with which ye mete it shall be meted unto you.

**IF LOP-SIDED OR ONE-SIDED, IN SPIRIT,
DON'T READ THIS.**

A stranger strayed into the city one cold day; he looked about for pleasure and warmth; he spied an inn, so-called because there was a fire and chairs and tables and daily papers and a jolly group of men to help while away the time. The spirit of the place gave cheer and optimism; every one seemed ready to greet him and be pleasant. The city was not a dry town, as our first sentences would reveal; it was a typical Western place, with the bustle and hustle of our frontier-like life. He had but little money; he had come from far; he was a stranger in fact as well as in name. Comrades he soon found, ready to add to his cheer. He soon found position; he was liked and fared well. Another man, a stranger, entered the same city; he, too, was poor of purse; he was not of the same type as our first character; he strode up through the streets of the city; he was of the typical dry stamp of men; he found no one ready to meet and greet and cheer him; he wandered about until finally, tired and disconsolate, he dropped into a cheap rooming house; his room paid for, he quietly passed into his new environments, unknown, uncheered, under the ban of silence and self contemplation; the weather was cold; the streets were icy and

every one hustled about as if to self alone belonged man's every thought or duty. This man sauntered the week through; on Sunday to Church he found his way; in a pew he sat and listened to the usual Sunday text and sermon of admonition, etc. He arose and left that Church, none the worse, perhaps; maybe somewhat the better, in mental frame, but he was still an ungreeted and uncheered stranger in need of friends and a helpful spirit, industrially speaking; no position had he, as yet, been able to find; his funds were getting low; he feared he should become absolutely of the membership of the fraternity of the unknown and broke; matters went on from worse to worse; day by day, and still no friends, no work; finally, despairing of help, with but little money, disgusted, he left the city in order to save himself a worse fate perhaps.

Now some will condemn the MORAL of this little piece of every day TRUISM in realistic LIFE; perhaps, some will say, why didn't this man go to his Church and introduce himself, or to the Y. M. C. A. and there make known his condition? Ah, my friends, why didn't he do so? Did you ever hear of some men's pride? Did you ever know of men who had suffered, starved and suicided in the midst of peace, GOOD WILL and plenty because of this PRIDE? Did you ever, yourself, get into a strange city under just such circumstances? Did you ever witness such an one making such an appeal? Did you ever listen to the LIST OF QUESTIONS that were strung out to such an one by some of these institutions?

Well, if you NEVER DID, then you have missed one-half of the EXPERIENCES of REAL LIFE and failed to connect yourself with the difference between the condition of the type of man first herein referred to, and the embarrassments to which the second type might be subjected.

We all ask why, not being otherwise posted; but when posted we have no need of asking the why. The TRUTH is often so ridiculous as to be beyond the

pale of belief; yet TRUTH is stranger than fiction, often so, much so, as to prove the most powerful of week-day sermons. Red tape in time of need is the dare devil of outrageous inconvenience; congeniality is often found where red tape is a worthless appendage. Few of us, when strangers, about at the starvation point, desire to be cross-examined as to ancestry, habits, whereabouts, former connections, or as to what Church we formerly associated ourselves with; this has been ever a direful bane upon our so-called city charity boards; a whole family may freeze to death during the process required before aid can be extended; no wonder a stranger, in dire distress seeks any old way out of his trouble ere seeking aid from sources so uncongenial.

Yet we are invited to VOTE out the only helpful and congenial quarters a man may quickly find, while we keep the red tape kind and offer nothing as a TRUE SUBSTITUTE for the erstwhile charity in disguise of the place we destroy. Dreams, nothing but dreams, and pipe dreams, 'tis said, make up two-thirds of man's environmental belongings and make-shifts.

The Spirit of GOOD is not LIMITED nor CONFINED to narrow premises; there is Spirit OF GOOD wherever a human heart is made glad and a body made comfortable.

We could say, and say it emphatically, whether Dr. Cook found the North Pole or not, but should we SAY THE TRUTH, the whole CROWD might arise to BUY SOME FELLOW TO SIT IN JUDGMENT UPON OUR SAY SO. Admiral Schley and Jesus Christ and a FEW OTHERS are fine SAMPLES of persons who have had personal judgment passed upon their ACTS and USEFULNESS; the WISE (?) are not improving very rapidly.

In the first place let us pass no one, or anything down and out, until TIME has passed upon ACTIONS.

ASTROLOGICAL DEPARTMENT.

CAPRICORN; SYMBOL, THE GOAT.

December 22nd to January 19th, Inclusive.

We enter the winter Solstice; the sun entering the Tropic of Capricorn in our elliptic orbit. Here we find the longest night and the shortest day of our Northern Hemisphere. We are in the midst of the Mantle of snow, as well as cold and ice; the season of Christmas Holidays and New Year's festivities to Christendom; the time of skating and sledding; the period of rest, social entertainment and instructive reading; the epoch for the balancing of life's accounts; the House of Commerce; the Sign in which are born teachers, law givers, diplomats, litterateurs, musicians, and absolutely **SUCCESSFUL INVESTORS IN LANDS, ORCHARDS, REAL ESTATE DEALERS, and LARGE COMMERCIAL UNDERTAKINGS.**

As we progress, the Silent Forces of Nature and of Spirit are beginning to turn towards the awakening of the energies, in preparation for the return of our Solar Luminary back to the Tropic of Cancer. The old year has passed out during this eventful Sign of David, and the New Year has come into life; even so it is with all persons born of this Sign; they partake of that peculiar independent spirit, which, partaking of the demise of the old, rapidly turns about face and takes on the new life, the glory and enthusiasm of the new. Capricorn subjects are seldom defeated in love, because able to cast off and as quickly re-assume relationships; they are usually careful in selection, and afterwards hold well that which fortune or love decrees as their own. Their adaptability makes them suitable to many Professions and many changes in the walks of life; they can become at home anywhere, so long as they feel a sense of independence and a degree of prosperity about them. Sometimes these natiivities grow solemn, long-faced and seem to be anything but happy and good humored, yet beneath the surface there rests and slumbers a

wit and enjoyable sense of good humor that can only be noticeable and traced out in the typical Professor or Principal of a large School or Institutional Concern to which this Sign furnishes some of the very best and most brilliantly endowed men and women; as Newspaper Editors and Magazine Writers they combine Genius and Intuitiveness with a stolid independence and indifference to things in general, that fascinates, because of the spirit of independent expressiveness given forth.

As diplomats, they excell because of a specialized gift of wedging in between adverse and seemingly insurmountable difficulties as to possible agreement; they can and do bring order out of chaos, by equilibrating, per becoming the neutrality essential to such equilibrium as assures order and agreement between factions. As politicians, they are always on the conservative side and seldom lose out when time is the factor necessary to ripened public opinion. As business men and women, some are too conservative, in ventures where money is concerned, so much so as to lose opportunity, through too great a caution; these natiivities should go prepared to purchase and go ahead; that is, they should formulate their plans and then act regardless of whims or some one's say so.

Are of a saving nature, so much so as to even hoard trinkets, old clothes, fill the cellar and the garret with all kinds of trappings, until finally a reverse spell comes over them, when a general cleaning up occurs; are close-fisted and even stingy in Money matters; deny themselves for fear of meeting want, and are apt to question expenditures around the home, especially for the table; yet want sufficiency of everything. At the head of the Trinity of Service, this Sign forms one of the strong pillars in the Divine Temple, and is forever active in sustaining the Arch, even as the keystone thereof. Too serious and morose, turn aside, till light brings more peace

of mind and less fear of starvation; you need not fear a dearth of money so much as a dearth of health; over anxiety kills you oftener than hard labor. Worry is this nativity's worst failing; and penuriousness its second. Be more liberal and less close with thyself and family, and trust a little more to Providence and good will of men, and you will save years to self health, and avoid Rheumatism and similar troubles, as resultant from bad Liver. Your diseases are basic with stomach and liver, while the heart fails through over anxiety.

Our Magazine is not for condemnation of either Sainly Institution or Publican; it is for the Spiritual Evolution of mankind in accord with FREE WILL and THE LIGHT OF THE HOLY SPIRIT. This is our sole platform, and on it we stand, flat-footed, open and above board. Condemnation has never won a fair victory, and HATE is NEVER OF CHRIST OR OF THE DIVINE SPIRIT.

What we cannot conquer through LOVE is never worthy of a fight; Evolution is the only RIGHTEOUS MODE OF DIVINE PROCEDURE; God votes nothing out; He casts it out by Healing Process, as of LIGHT taking the place of darkness; He makes better and then claims what He has made His own by right of Spiritual Illumination; otherwise ALL is free until so transformed or transmuted as of Spirit of LOVE.

One of our private students, and also patient, happily expresses things this way: "Never expect something for nothing, and never give services for less than ample remuneration; to do so is to rob some one else."

When able, always hire the less fortunate to do what you need not do, and thus give proper remuneration to the needy, of a field you no longer should occupy as a competitor. It's every one's duty to strive to rise, not for self's sake alone, but in order to make room for others climbing the industrial ladder.

If all pupils remained in the same old grade, our schools would soon be a failure. So it is with the fields of labor and usefulness.

When able to conduct a business and hire others, it's DUTY to SELF and mankind to DO SO.

Remember, there is but ONE FORCE; that the Magnetic and the ELECTRICAL are but this ONE FORCE differentiated; that the Magnetic is POLARIZED; is EQUILIBRATED; IS MIGHTY OF THE MIGHTIEST, while the ELECTRIC is the SAME FORCE DEPOLARIZED UNTIL THE SEPARATENESS OF POLES FIND UNITY, forming there by either a thunderbolt, destructive in its course, or else, a Magnetic Current, reimbursed, equilibrated, Sensitized Current, Constructive; this solves the Force problem. The one is Dynamic, unequilibrated, the other is Spiritual, equilibrated, and hence Psychic; the first is subject to control by the second. This accounts for our people being saved where others fall.

"Peace, be still," my soul cries out;
 "Peace, be still," all is well;
 Fondly now my Peace shall pass
 Unto thee and all is well.
 "Peace, be still" dear heart;
 All is well, forever well.
 "Peace, be still," do thy part—
 In perfect Love all is well.

Burst, thou bud of Eternal Youth;
 Leave thy fragrance to float
 O'er the darkened earth.
 'Tis long since June, in Truth;
 Leave thy beauty free,
 To defeat this constant dearth.

The best Preachers, like the best Temperance Advocates, rise from out the Slums; because acquaintance with persons, their habits, the reason for these habits, and the cause of all evil and its effects, is a primal point in the curriculum of either of the Professionals herein alluded to as public advocates.

HEALING DEPARTMENT.

Beginning with October, 1907, we published twelve consecutive Lessons on the Development and Unfoldment of Spirituality and the Subliminal; these twelve lessons are copyrighted matter; can be had at the rate of 10 cents a copy or the total twelve for \$1. Beginning with January issue of 1908 we gave in each issue for twelve consecutive issues, a full, complete and valuable writeup of the Astrological, or Zodiacal Sign of the Month of issue. We still have plenty of back numbers at 10 cents a copy or the twelve for \$1. All our writings are fully protected by Copyright and are of value to any one wishing to BECOME ACTUALIZED SUCCESS IN HIGHER GIFTS. Their USE and DEVELOPMENT for POWER IN ALL EARTH OR SPIRITUAL MATTERS.

Remember our Private Advisory Sitings ARE ONE DOLLAR and we SIT ONLY FROM 10 A. M. TILL 4 P. M. DAILY, except SUNDAYS. Our Healing and Correspondence requires ALL OTHER TIME and we CAN MAKE NO DEVIATIONS WHATEVER from THIS CLASSIFICATION OF OUR BUSINESS.

A little old-fashioned Ginger Tea, or Jamaica Ginger, or a good Whiskey Toddy taken hot, has saved many a serious sick spell; it will do so still, provided you have the right Psychic Forces at work to back it up.

We are not at all alarmed about those upon our Psychic Process List; we will usually find them well, hale and hearty, while others are dropping off all around about them. It pays to have the BEST in everything.

Keep the Soul and the Subjective Mind rightly at work and its Tabernacle will usually respond by being kept in perfect health. That is what our Psy-

chic Process does, and it is DOING THE WORK for many persons, in many Cities and differently located portions of the earth's surface. We have no DOUBTS, FEARS OR LACK OF FAITH to antagonize or defeat our work.

I would rather be an ant and possess Faith and Confidence in myself than be a human being without such primal Virtues.

Stick to your healing Process; never quit until perfectly whole; it pays to do well whatever we undertake to do.

Do not determine that you have Appendicitis until you have exhausted Jayne's Carminative Balsam, as a final test, coupled always with Treatments of a FIRST-CLASS PSYCHIC PROCESS. We have found some few persons, who were pronounced for the operating table, easily healed, even where no remedy would be taken, leaving nothing but our Process to do the healing. We do not give medicines; but we do know of many good old-fashioned helpful agencies, in the medicinal line, and simply speak of them so that those desiring something to bolster up their courage may help themselves.

Remember, there is a Psychic, Globular Circulation that renews YOUTHFUL EXPRESSION of the Brain and Nervous System. No Medicine can reach this; a Psychic Process is the only remedial agency. If you are young or old and wish to continue yet awhile in this earth life, get the treatment that assures this Psychic, Globular Circulation, and then the *Fons Vitae* becomes a fact of being, in actual circulatory Process. The number of your years is immaterial, except as to length of time required; it taking much longer to regrow a body weighted with years than that of one of few years.

God gave His Word and His Spirit that we might speak the Word and through His Spirit make ourselves as of the spoken Word. The Word becomes Flesh and the Spirit determines as to what sort of Flesh.

Our Impulse determines of what our Word is, and the Light of Spirit determines the mode or tension by which our Impulse, as Word spoken or Felt, shall be made manifest in that which WILL determines to accomplish.

We must WILL, then Dare, and finally Let Loose, ere an Impulse forming a tension, as Light playing upon and along unseen wires, formed of Ether, can accomplish results. An Impulse for Health must be WILLED into expression, then we must DARE to send it forth, with Spirit of Light to accomplish; growth, then, completes our WILLED Impulse, provided we let Loose and permit Spirit to set in motion the Life-principal.

The Subjective Mind is our builder; we are the Architect, the real designer; the Subjective Mind must be watched and kept busy at our plans, lest some other fellow's plans be given it to work upon. Never neglect to instruct the Subjective Mind daily as to what your plans are, and see to it that those plans are the ones used by the builder, your own Subjective Mind, and none other. The Subjective Mind gets careless, otherwise, and may be subject to commands of busy-bodies, mischief makers, etc.

Now I lay me down to sleep; you, my Subjective Mind, must take charge of my body, your own Individual Tabernacle; see that I have restful sleep; that I am kept from harmful imps and untoward evil conditions; awaken me in case of danger, otherwise at my regular rising hour.

When things and forms on earth we change,
Let it be per process of innate growth;

Character is forever built and does range

About, at times, but to return in troth,

To its fountain head, the soul of things.

Who governs, for character, in himself,

Sustains a Temple Fair with pearly gates,

Which swing to and fro, the doors self

Holds, forever, sacred to higher states

Of Reason. Character is founded there,

Far beneath, within the equilibrated.

We cannot buy nor sell character's gem;

We cannot force its unfoldment, lest it be,

Per Spirit's Light, as manifest at Bethlehem

And in ALL great Souls by Divine Decree.

Super-Celestial, then, Celestial Light,

Following in Astral Suns, alone, sets free,

All that Character, in strength and might,

Or in Salvation's Power shall ever be.

Boast ye of character, alone, in Him,

Who Health decreed and growth assuréd,

For, Salvation is character, immortalized.

Do you want all that health implies?
Do you want Magnetism, Wisdom, Beauty, Splendor, expressive in the eye, in the form, in the very carriage of the personnel? Do you desire to conquer worlds and set self free from worry, fear and doubt? Do you wish to rise, as would a giant, amidst the counsels of mankind? Do you love honor, power, integrity, nobleness, capacity of SOUL and HEALTH and POWER of MIND and FORM? Then COME UNTO US, where the LAW is understood, and we shall set you free, and, through the LIGHT as given of HIM to us, in and through us an active ever-present Light; setting in motion and polarizing all that space may hold, we shall cause you to

gradually unfold, develop and grow, unto that perfection which you seek.

If we had failed in our past eight years of constant work; if we had lost out in a majority of cases of those who stuck until healed, uplifted and prospered; if we had not saved over 90 per cent. of our cases who stayed until work had been accomplished, then we would remain silent and leave the world to go on as it has.

Sickness has been in the world ever since man became a free moral agent; much of it may be blameless, as to the person afflicted; much of it is environmental or per faulty progenitors; much is due to ignorance, and more to carelessness and bad habits; yet sickness is the SIN OF SINS, say what you please, because Christ came to make clear the way to LOVE, which sets in motion LIFE and the path to Health, which is SPIRIT of LOVE and LIGHT of LOVE, polarizing the conditions, so as to bring us back to equilibrium of SOUL, first, and then, BODY, afterwards, which is HEALTH; this Psychic Process we have adopted and are using with tremendous success. Light is everywhere; why not become of that Light, which is the real of LIFE, in a Healthy Organism?

Look for the best and expect the best; ask for the best and stay with the best. Nothing is too good for thy good.

We have pleaded with some, even pleaded with Silent Power of Spirit; yet we find them doubting still, though ALL our work proves our skill.

Dear heart, had we obeyed aught else but "The Still Little Voice," we might have erred with thee; but who may answer but to obey when such a VOICE is Master of a soul?

Hereafter we shall beg no more for those who will have it against our Sacred Revelation of Truth; we shall BE

at the command of ALL who seek the RICHER LIFE and LOVE'S ETERNAL LIGHT; we shall be GLAD to serve ALL who seek the Higher Psychic Process, and are willing to ABIDE THE SPIRIT'S WAY. To beg to LIFT up, unfold and develop POWER within and HEALTH without, for any human being may do for those who lack the Great White LIGHT of WILL, DIVINE; but we have DONE; we shall go our WAY and leave to ALL freedom to choose or lose.

MONEY, YOU SAY, TALKS; yes, dear soul, it talks where men may seem to shine; but SPIRIT talks where men become DIVINE. Money we MUST have, 'tis true; but, thanks to God, MONEY we HAVE, and MORE, we have the GIFTS that ARE more than ALL MONEY; they MAKE MONEY, and none may STEAL this away.

Little Minds have striven eight years to see us fall; yet day by day our WORTH and MIGHT and VALUE have increased till NOW, BIG MINDS are on our growing LISTS, while the Little Minds are grunting like hogs that lack their health and fodder. "You can't down a good man," try as you may; prejudice dies where greatness shines. Works are more than words.

The ancient Egyptian Sphinx was far more than a mere thing of stone; it represented the Four cardinal points of man; it made manifest the Four Seasons of the year; it was an expressed symbolism of the Four divisions of Twelve Astrological Houses, or "The New Jerusalem"; it intimated the Four Moral Virtues of man and foretold the Four Gospels of the New Testament—Matthew, Mark, Luke and John; it symbolized the Ox, the man of labor; the Eagle, the man of war; the human, the man of commerce, and the head of man, as the man of Spirit and Intellect. It revealed man in his fourfold nature and symbolized all that man, perfected, should become.

OUR METHOD.

28TH LESSON—THE NEW JERUSALEM.

The New Jerusalem is found in the measure of a man; it is found in the completion of a Soul; it is not a place, but a condition. We have the Twelve Houses, Astrological, beginning with Aries and running on down from the head, terminating with Pisces, in the feet; as with the human being, so is it with the Grand Man, Universal, for the earth man is made in the image of the Universal Man and none other image is he.

In the center of the city, the New Jerusalem, is the Light, and there shall be neither the Light of Sun nor that of Moon, required there, "For the Lord God is the LIGHT thereof." To attempt to interpret Revelation, as written by John of Patmus, literally or otherwise, than as the measure of the Perfect Superman, is to attempt the ridiculous. The whole Book of Revelation refers to forces in action and personal forces along with Spiritual Illuminating Light, in play, as of Nature and of man.

The Twelve Houses or the twelve parts, with the twelve gates, is the measure of the city, and its form is that of a man. Its Twelve Tribes of twelve thousand members each, represent the twelve divisions of the perfectly equilibrated and properly Illumined Man; its 144,000 perfect and worshipful residents, as the population of the Fair City, represent the atomic, cellular and molecular parts, which constitute and make up the entire perfected Super-man. It were ridiculous to suppose that the city manifesting the saved, the factors constituting the make-up of the Supreme, Universal Being, were but 144,000 persons. The Great Oversoul is the Master representation of all its factors or parts, and no factor or part thereof can, in any wise, misrepresent or be otherwise, in substance and essence, in being, than its Oversoul. The New Jerusalem is perfect UNITY, in the LIGHT, SUPERCELESTIAL and ASTRAL, all working together, as the ONE, ETERNAL.

POLARIZATION or HARMONY, as perfect and continuous process, of unfoldment, in the Kingdom of EQUILIBRIUM. To be ill, or sick, but means, to the human form, some of the twelve tribes are in chaos, out of equilibrium, or minus the Light, the polarizing necessity. It may be two of the Tribes are lost; we must seek wherein the equilibrium of the city is disturbed; where lieth the chaotic condition; where the Light may fail to shine; where the Spirit of Unity, Love and Truth hath lost its power. It may be the House of Letters, the Tribe representing Aries, in the Forehead, at the seat of Intellect, is the chaotic one; it may be that the House of Family, that of Virgo, ruling the Bowels, has lost its equilibrium, is minus the LIGHT and hence depolarized; it may be the House of Religion, situate as Leo, in the heart of the man, and, hence the Circulation of the Life blood is depolarized; finding whence, lieth the darkness, in what House, or portion of the city, wherein the Light shineth not, it is easy to send forth helpers, as intelligences, directed of WILL, which becoming Impulse, form the proper tension, or lines for the conveyance of the Light, that shall polarize, harmonize and equilibrate, the house at fault, or in chaotic condition; thus we bring about order from out of disorder and establish the power of the Central Sun over the precincts of the entire city. The perfect man holds within himself the Twelve Houses, all co-operative; the House of Letters, that of Science, and that of Divinity or Culture forming the group of Culture; the House of Marriage, Cancer; the House of Religion, Leo; and the House of Family, Virgo, constituting the Trinity of Maternity; the House of Rulership, Libra; the House of Labor, Scorpio, and the House of Wealth, Sagittarius, forming the Trinity of Rulership; and lastly, the House of Commerce, Capricorn; the House of Judgment, Acquarius; and the House of Art, Pisces; the Trinity of

Service, all working in unity, peace and accord, bring about the perfection of the city, as the perfect measurement of man. Each Trinity co-operating with every other Trinity of Houses, makes up the twelve branches of service, as interdependencies and all relying upon the Central Sun of the Inner Man, receive their Light and Power therefrom, even as that Celestial and Astral Center is empowered from the Super-Celestial Light, the WILL of the UNIVERSAL PERFECTION. In true OCCULTISM the Master at the helm becomes the Grand Center and keeps all in his City in Success, Health and Wealth, as of Light of Wisdom.

Strike now, while the day is on; strike for Liberty in ALL the personal Forms that inhabit this little terrestrial Ball; strike from darkened minds the shadows that bedim fair vision; strike the shackles of the soul and bind man back to The Kingdom of Eternal Light.

No man is free who binds a brother or attempts to curtain off one human being from the Great White Light of the Super Realms. Shine free, THOU LIGHT SUPREME, on me and on every SON OF GOD, whether bond or free; whether in Christ or out of Christ, for ALL are of THEE THOU ETERNAL ONE.

We accept with sincerest gratitude, a very timely criticism from our esteemed brother, Rev. E. C. Mitchell of St. Paul, Minnesota; it is in reference to the word "people," meaning persons collectively considered, and the use thereof, where we should use the word "persons." We looked this matter up and find we have been in error all through our twenty-seven past issues of our Magazine. We appreciate this kindly interest, taken in behalf of the use of good English, and shall strive to profit therefrom.

Few persons take the trouble to show such timely friendship, for such it is, towards an editor of a paper or a maga-

zine, and there is where education can usually be first made right. Rev. Mitchell is 74 years of age, and at that ripe age is a factor of worth and merit to mankind worthy of example by others. Experience perfects all.

True Psychic, in plain English, means "Spirit's Breath," "The Holy Breath," the breath that blows from a CENTER out and surfaces ALL DISEASE UNTIL FINALLY TOTALLY ERADICATED; when you meet such people you will find them DIFFERENT as to HEALING PROCESS, than any others abroad, and what's MORE, THEY HEAL; you must not expect them to MESMERIZE PAIN AND ACHES OUT OF YOU, AND THEN CALL THAT HEALING; they take TIME to TOTALLY CAST OUT ALL DISEASE, ROOT AND BRANCH, SURFACE IT; by PROCESS REGENERATIVE, as of "The LIGHT OF DIVINE SPIRIT," setting in motion "The Holy BREATH," and hence, THE LIFE-PRINCIPLE. There IS A DIFFERENCE, and OUR RECORD STANDS WITHOUT A PARALLEL IN MODERN HEALING.

For me to say that ONE is a SINNER and another SAVED is presumptuous SIN of me; "for it cost more to redeem the human soul." Wet or Dry, Dry or Wet, ALL have RIGHTS in THEE 'till THY SPIRIT LIGHT, regardless of man's narrow bigotry, sets ALL FREE. No binding Links can man weld for brother man's final search for LIGHT, for the LIGHT penetrates where'er it listeth, and man can NEVER encompass nor surround The First Great Cause, or stand for brother's self-made woes or ills, lest THOU LIGHT OF THE One Great WILL DIVINE and of the ONE CELESTIAL SUN combined with ALL ASTRAL LIGHT shall so decree.

Strike, then, for LIBERTY in CONSCIENCE and CONSCIOUSNESS, while yet the day is on.

"DO ALL THINGS IN DECENCY AND IN ORDER."

When we first placed the WORD PSYCHIC upon our printed matter, we were thunderstruck to have a splendid, GOOD PERSON come to us and REMONSTRATE; we asked for REASONS; we were told that the WORD had been MISAPPLIED and had BECOME one of abused interpretation; we answered, then, it is ALL THE MORE WORTH WHILE TO USE IT AND MAKE IT WHAT IT REALLY MEANT, "SPIRIT'S BREATH"; "HOLY BREATH," THE DIVINE EFFLUENCE awakening in man the true SPARK OF BEING, THE LIFE-PRINCIPLE.

We have used the WORD EIGHT YEARS; it has BECOME THE WORD OF POWER WITH OUR PROCESS; our BUSINESS IS RESPECTABLE AND RESPECTED; any man, woman or CHILD may COME TO US with perfect CONFIDENCE and TRUST, KNOWING FULL WELL that NONE DARE UTTER ONE SYLLABLE, in TRUTH, OR HONOR, AGAINST US or our SPLENDID METHOD. We have NOT PILED UP MONEY, but we HAVE made the BUSINESS that WILL PILE UP MONEY through CLEAN, HONEST AND UNQUESTIONABLE METHODS and strictly RELIABLE WORK. None can afford to DO otherwise; it PAYS to WAIT and BE SURE of every detail ere doing anything contrary to GOOD and CLEAN PROFESSIONAL LIFE or WORK. The Spirit has been GOOD to us and has GUARDED US against ERROR and we praise God therefore. Our head offices are the HEAD of TWO organizations; both incorporated and properly sustained, under the LAWS of COLORADO, and are well known as such. If GOOD WORK and PURE GOOD you seek, you need not hesitate in COMING HERE. We have the

GIFTS, and though dubbed many things, we ARE of THE RIGHT SPIRIT, and none DARE SAY OTHERWISE.

Experience, along all lines of life's duties, is worth much when it comes to making a Business and building up a grand and useful Institutional Concern. We COMBINE WITH NONE, because to DO SO might be a mistake; what we have built up is as we want it, and it is PROSPEROUS and SUCCESS in every detail; more, none could wish for; it speaks for itself and is the guarantee of the SAME to ALL PATRONS.

Without a graft we have won for Honor, Honesty, Integrity and Name and Fame.

You can well afford to join us. Your Success is our Success. Our Success is your Success.

"Soul Culture (Practical Psychology); Scientific Prayer (Religious Suggestion); Religion, (Attitude Towards Spirit); Theology, (Conception of Supreme Power and Intelligence). The newest and latest of helpful booklets by our well-known brother and friend, A. A. Lindsay, M. D., author of "The New Psychology," "The Tyranny of Love," and "Mind, the Bullder," of Portland, Oregon, has been received. This latest little addition to the world's coming thought and,

hence, the Aquarian Age, brings with it a conciseness, crispness and clear thoughtfulness that lifts the scales from the vision of the intellect, regarding some of the most important features of Religiousness, Soul Power and Mental Adaptation. We find herein a word fittingly spoken upon the worth and ideal of every true prayer, along with its psychological applicableness to every day necessity. It forever wipes from the mind the idea of prayer being an humble supplication to some far-off unknowable and undistinguishable spot, throne or place, with some imaginary being sitting there upon an unthinkable rostrum or throne. It clears up the mysteries of religion as to theological matters and shows distinctly and ably the process of Soul Culture and the proper attainment to power of the EGO. He succinctly states, "There is no intelligence outside of the man that operates over anything in the man, except as it operates through the soul of the man, and this is controlled by the will of the man." Dr. Lindsay defines, "The compound word, Soul-Culture, is made up of "Soul," which brings us, at once, to the religious phase of man, and "Culture," which belongs to the Mental and Physical." He further says: "I will use these words to comprehend all that man is. We have no hesitancy in stating it is well to get any and all of Dr. Lindsay's Works, and most certainly recommend this, his latest. The price of this booklet, cloister cover, 25 cents; embossed leather, 75 cents. The New Psychology, price, cloth, \$1.25; The Tyranny of Love, 15 cents; Mind, the Builder, heavy fibre, 50 cents; leather embossed, \$1.00; all postage paid. Address orders to The Lindsay Publishing Co., People's Bank Building, Seattle, Washington, or Selling-Hirsch Building, Portland, Oregon. It is the intention of the Editor of this Magazine, in time, to open an OCCULT BOOK STORE IN DENVER; until this is DONE, WE CAN, UPON RECEIPT OF PRICE, SEND IN YOUR ORDERS for any of DR. LINDSAY'S WORKS.

Remember, we are agents for all the books, booklets, astrological pamphlets, forms or blanks for The Portland School of Astrology, and as per advertisement of The Advance Thought Publishing Co., elsewhere in these pages.

SPECIAL TEMPLE FUND GROWING.

Find herewith seven dollars; the "LOST LEADER HAS BEEN FOUND," and I want to BOOST A WORTHY CAUSE WITH A WORTHY LEADER.

B——, Wyoming.

I said if my wages would be raised I would give ONE MONTH'S WAGES TO YOUR TEMPLE PROJECT; my wages were raised at once to \$35 per month. I did not lie; I enclosed the \$35 the minute I got my fist on it. I always believed that money earned like mine, at good sixteen hours a day, in labor of my own hands, though small, a greater gift than Carnegie's libraries, for they are but a monument to his own name, and Helen Gould's, because she never earned a dollar that she gave.

M——, Colorado.

Please find enclosed \$1.00, a mite for Temple Work; I understand this goes to you personally, hence I know it is SAFE, and to be properly USED for LIBERAL SPIRITUAL WORK and "ETERNAL PROGRESS," regardless of who or what we may be here and now."

A Saloon Man's Wife——, C. C., Canada.
I have but ten pennies, but God bless them, and I send them in stamps to you, Prof. Hines, for your TEMPLE FUND, as you HEALED MY MAMMA.

A Little Mystic——, California.

Will 50 cents help the Mystic Cause?

A——, Denver.

Pardon us, dear people, for having neglected the primal essential to EXCELLENCE as an Adviser of the Mystic or Spiritual School. We were born in America; in Colorado; educated ourselves; fought our own way up to the top; went through ALL kinds of Life; but instead of going down to Texas or to Milwaukee, and then, returning as just in from Egypt, Assyria, or fresh from reading for ALL the Kings and Queens, down the COURTS OF ROYALTY, we staid at home, studied, practiced, learned, unfolded and BECAME what

our PROFESSION required. Next time we start out we WILL not forget that BARNUM statement, "The American People Love to be FOOLED." An honest service at fair, fixed, one price, don't go; yet we WILL state, that we are able to keep busy and are growing in spite of this neglect of the usual necessary process of becoming "Wonderful, Bewildering and causing people to gaze in dumb-stricken horror upon our Personage." We congratulate ourselves that our CLIENTELE BELONG TO THE CLASS THAT DON'T BOW TO ANY WONDERFUL THING OR BEING, and are, usually, up and coming BUSINESS and PROFESSIONAL MEN AND WOMEN, of a type any man might be proud to cater to and serve. We do not want any other type; we are AMERICAN, head and foot and hair and ALL, and that means we want a clientele FREE and EDUCATED and able to KNOW a man when they meet him and respect his Profession, because of its MERIT and WORTH, and not for the WONDERFUL, BEWILDERING PHENOMENA of what might not be possible to themselves. When a boy, the first elephant we ever saw, almost raised the hair off from our head, but we were just a kid then; we have seen thousands of two-legged elephants since, but must say "BEWILDERING" has never been the word to fit our case.

Yes, we have been boycotted; what of it? We have prospered the more for the boycott; we know whereof cometh our LIGHT, and where that LIGHT illumineth the way failure is beyond all peradventure. We have grown, unfolded, developed and enlarged our resourcefulness and business until it encircles the entire WORLD; where, then, has the BOYCOTT hurt us, or in any wise defeated our GOOD? Continue the BOYCOTT, please; we would not that you withdraw it; it advertises and prospers us; it is the weapon of our greatest strength and power. God bless the blind.

THREE ADVANTAGES OF MAGAZINE ADVERTISING

1. ITS PERMANENCY

The life of a magazine advertisement is long. It remains effective for many months, often for years. A magazine is read, passed on, reread, goes to hospitals, to the army, navy-abroad, and is at last put on sale in the secondhand book stores, and begins a new life. No other form of advertising has this longevity.

2. ITS PUBLIC.

The magazine reading public is the live, up-to-date, busy, enterprising, inquisitive public. The magazine is the business man's and the housewife's literature. It is the recreation of the leisure hour, and the mirror of the world's events when these have been sifted from the chaff of rumor and mistake. Magazines are cheap enough to reach all intelligent readers, good enough to command their attention. The magazine public is the material upon which to build permanent advertising results.

3. ITS COMPANY

The great magazine advertisers are the prominent successes of the business world. To be associated with them in the public mind is to secure the very best publicity—to enter the aristocracy of advertising.

POWER AND POISE

A magazine devoted to building health and building character; to the development of well poised power—harmonious power of both mind and body—the kind of power that commands success, that can go forth and build success.

Your health, your character and your success are what you make them; are what you build them. Power and Poise will teach you what you most need to build and how to build what you wish to build.

Power and Poise is a literary, scientific, philosophical, new thought and hygienic magazine, edited by Virgil P. English, M. D. Its articles are of an exceptionally high order. They are written in clear, attractive language; are based upon sound, rational, scientific principles. Power and Poise appeals to intellectual, practical men and women who realize that success is not the result of chance, but that it is a product of talent, of well directed efficiency—of well balanced power of mind and body—the power that is irresistible. Power and Poise will teach you what this kind of power is, and how to build the mental faculties and physical organs that generate it. Power and Poise is not only "up-to-date," it is far ahead of date.

Besides scientific articles, the November, 1909, number contains the second chapter of "The Doctor's Dream"—a highly entertaining and helpful prophetic story. This chapter contains an inspiring word picture of a well poised man of high efficiency.

The November number also contains the first chapter of a thrilling educational novel entitled "The Evolution of a Reasoner's Romance"—a phrenological, psychological, philosophical, scientific, literary love affair; a true story from real life, together with a scientific elucidation of many psychological problems which are involved therein; nothing like it ever before published; especially valuable to unsuccessful lovers and puzzled sweethearts; contains a written proposal of marriage from a real lover to his real sweetheart. Is it a proposal that will be answered yes? If so, why? If not, why not? Answers and comments by Power and Poise readers, and the answer given by the girl who received the proposal, will be published in the following number.
