RESPONSIVE CHORDS.

"It is finished."

"I am the Life and the Way."

"Ask and ye shall receive of Me."

"Knock and it shall be opened unto you."

"Oh, Death, where is thy sting? Oh, grave, where is thy victory?"

In the sowing is the promise of the character of the after reaping.

March 27th is Easter Sunday; "I am the Resurrection and the LIFE."

A woodpecker once flew over the fence; The farmer said, "Peck away, at my expense."

Have you seen the real in us? No, you have not seen it or else you fail of understanding.

Where are we at, do you say? Why, we are in the front, at the fore of the battle, and there to stay.

Clothes can make the man provided the MAN is there to fill the clothes, and he fits his dress to suit his calling.

Obedience with expectancy solves the whole riddle of Success, Health and Wealth, in this life, and salvation of Soul and immortal progression in the hereafter.

Not what we read, but how and when we read is the oftener the key to the good to become our after selfhood therefrom.

Long hours we have given to thee, dear reader, in preparing little items we deemed suitable to arouse the genius of the soul of thee.

It's not PIN HEADS or "FAT HEADS" that worry us; it's tom-foolery and wasted energies and time that cuts a sad figure with us.

A lady got off the car, a gentleman, too; The gentleman took her under the arm; Three passengers remarked, "Not yet wed."

A gentleman got off the car, a lady, too; The gentleman scowled and went ahead; Three passengers remarked, "Surely wed!"

If you WANT the BEST, go where reputation has given it as an assurance; be willing to abide the time and process; wait for results and EXPECT them.

Remember, opportunity comes "like a person with a lock of hair in front, but is bald behind"; you must know instantly how to catch hold of the lock in front or else lose out.

Who does all things in the spirit of selfish ends, for self ends alone, will reap as he has sown; "like attracts like," and "birds of a feather flock together," applies very nicely here.

Have you read this Magazine as it really is, the inspiration to nobler and better things? No, you have read it with the mind, but forgot to let the Spirit Light into its Mystic Lore.

Shake off the old, become the new; blow away the corrupt; take in the new and better part of Creative Good. Blow away the chaff, but be sure and save the kernel, the solid wheat.

Overalls never bothered this editor half as much as a Prince Albert has; because he knew overalls meant honest work that something better might follow on the heels of honest experience.

Too many persons are inclined to be nothing greater than mere imitators; the world needs originators; the people want that which smacks of genius. The tricks found in books are stale and growing decomposed.

Should Hugh O'Neil, editorial writer for "The Post," Denver, Colo., never write another thing, his editorial on "The Kingdom, the Power and the Glory," issue of Sunday, February 13th, is immortal.

How often the story of a life is that of wasted opportunities. The world offers all that any man may become or be or have; yet how often we miss all and find ourselves at the close of life all but shipwrecked!

"I am the Resurrection and the Life," said Christ, speaking in the Spirit of the Father, as the MAN JESUS, manifest of the Immanence of God; He did not say, "I, JESUS, am the Resurrection and the Life."

"In the Shadow of the Cross," a grand picture; we have seen it, and noted the man Jesus stands behind the shadow of the Cross; reflects the LIGHT that makes the Cross visible; the Spiritual Light that overcomes the world.

All success, health or wealth work lies, strictly speaking, within oneself; within self must one look for the secret springs of genuine good to self and mankind; the Soul, alone, answers prayer, and all real aspirational thoughts.

Not a fine education nor a stubborn, untrained will accomplishes things in life; it is the man or woman who, finding the deficiencies, turns all the power of will energy loose to overcome the defects and master the circumstances against them, that wins.

Not a man or woman let me ever harm, who to their own duty remain faithful; pass me not, Oh shadow of untruth, until I have defeated thee; let my own business be all my care and leave to others the undoing of self, by attending another's affairs.

Understanding is the outcome of the LIGHT of WISDOM; all may reach understanding, provided willing to pay the price of OBEDIENCE to the inner VOICE of the SOUL; some term this inner VOICE a HUNCH; OBEY IT, and you shall have.

Not spirits of the dead, but the Spirit of LIFE let me find; not materialized, former forms, nor present forms and things, but Love, creative and sustaining let me see, feel and know. Remove the mask of things.

Have you taken up this little monthly visitor with unprejudiced eye and with searching heart and soliciting Soul? We trust you have so taken it up, for there is hidden something herein that may bring Magical Aid where you most require it and least hope for it.

"Peace, be still," Oh, my Soul within me;

All power potentialized within thee, My Selfhood's completeness manifest Of the Holy Ghost, the One in Three, "Mightiest of mightiest," no other test Need come from thee to prove to me, The I in the square, the Ego manifest.

Spirit occupies trillions of manifests, whether in form or in specks floating in mighty space; let us imbibe of Spirit often and take thought as to its mighty, awakening and quickening power, that our Souls may become the Masters of our Selfhood, to our calm, peace and ALL GOOD.

Some have told us they would make no friend or friendship which was not of immediate financial good to themselves; we have watched the course of some of these characters and have found at last they had no friends when the time of financial distress became the most distressing.

A million beauties, as birds, fly the air scarcely noticed; this is natural and Truth expressed as Genius; but a man careers a great bunglesome machine, skims noisily around a few miles of space and the world goes mad; this is similar to phenomena searching in the space of Truth.

The shadow of things catch the most of seekers after real power; the human mind is a misleading something that always seeks something for nothing, or else lies to its selfhood, by false manifestation as to labor and patience and perseverance, required to get beyond the mediocre.

Ignorance of SELFHOOD and its relationship to ALL that IS or may be, is the cause of almost all ills to which man vibrates or comes in contact with to his detriment; know the SELFHOOD and you seldom will err or fail to SOW in such manner as to REAP your OWN GOOD.

When our eyes are closed in nightly slumber, then it is we enter the calm that symbolizes the aftermath of earth and toil. When we waken, in gladsome mood, we wonder if such shall be the awakening of the soul, on that glad resurrection dawn which breaks upon the duties of immortal life.

Be yourself, if nothing but a good wood-chopper; do what you yourself are best equipped for, and as your talents, well understood, best lead to. Imitation may do for awhile, but beware of its discovery and after defeat, through the natural shrewdness of your followers or beneficiaries. Stick to your method.

Let all the earth arise and feel, sense and know, as of the truer selfhood, the blessedness of Christ within the Soul; let none be bound any longer by ties of carnal greed or passion's misleading sway; let all persons rejoice in the New Religion, the Spirit, the manifest of Christ on earth, the Second Advent a fact.

The success of the Psychic Process over disease, sickness, poverty and death, the prolongation of life; the elevation of humankind; the making manifest the Spirit of Will, Love and Truth as Omnipotence, Omniscience and Omnipresence, here and now, in and through Superman, is our purpose; we shall win in that purpose.

'Twas at The Denver, so 'tis said,
Bargains were sold right on the dead;
'Twas at The Denver, so 'twas said,
Buyers did buy as Ad. in paper read.
The goods proved as genuine value,
Actually reduced of price, told you,
That at The Denver all is value,
And goods are solid, yes, every thread.

There comes an hour in each one's life when friends turned down or illy treated, like grim shadows of the night, come back to remind us of ingratitude; or there comes a time in each one's career, when friends forgotten or cast aside, become the needful solace or helpful necessity of our earthly voyage; none know what hour may bring the necessity of old friends; like the man or woman, who buys a pair of new shoes, it's often with sorrow they find they have thrown the old ones away.

Yes, you spat upon my kindly deed of yesterday; but praise the Light upon the way, it dried the spittle up and I knew only of the deed and forgot the slime; you spent of yourself, while the LIGHT simply dried it up and left nothing but the loss as your recompense and the remembrance of anger as your blot.

Farmers' wives nowadays have just as many advantages as does the city wife, and farmers' sons and daughters have a very large advantage of space and verdure and sunshine and air and less corrupting and undoing environments of the city boy or girl. We expect MEN and WOMEN from our farm districts, and we are seldom disappointed.

The physical senses only too often defraud you of the beneficiary results of the knowing as of "The Still Small Voice" that speaks from the Soul of you; your capital from within is thus often utilized wrongfully and solely for the benefit or gratification of the body; beware of these dwellers upon the threshold.

Until you invite, believe, trust in and expect the Soul to receive of and reflect the inspiration of Divine Spirit, shall you have or possess. The Spirit is the "ALL IN ALL," but we must reach up and out for it ere we may become its manifest and blessedness. Generation is of the Physical and Material alone, while Regeneration comes of the LIGHT, that is the Spirit, Divine.

"Lead her forth beneath the skies," behold, dear heart, yon glistening gems, studding heaven's blue; know them, dear, as world's twinkling in mighty space. Like them, dear heart, let our united Souls be glistening Lights, acting in unison of spirit and in loyalty to the Great White Light of a Universe; thus, my own, we shall be One in Immortal Love; thus speaks the Lover, enthused by spirit of Love.

Many a time when wearied and tired, almost short on inspiration and quite long on worldly irresolution, have we picked up some just such a Magazine as ours, and behold, the Magic of the Spirit of the writer burst asunder the ties of our soul, and opening the shutters thereof, let in the great flood lights of inspiration; thus have many often been blessed; so may you, dear reader, be likewise blessed in turn.

Not a man or woman lives but what has capital in talents, or physical adaptability, mental calibre along with spiritual gifts, capacitated to SUCCESS; no two are ever endowed just alike, or possess exactly the same quantity, quality, relationship or modality of impression, re-impression and expression. Differentiation of talents, etc., is the mode of protection to genius and its recompense. In the abuse or misuse and never in the USE, lies man's failure to reap his recompense or fullest reward.

Be blind to faults of those about you, unless of self they become a source of danger; be just to all that arises about you so long as just it remains to your better selfhood; send forth nothing destructive unless self preservation requires it; if pursued by relentless foe or undoing thing or disease, then, rise in the might of Love and the Holy Ghost and say, this is too great for me to handle, come Holy Ghost, be THOU my WARRIOR and I leave it ALL to THEE; you need not FEAR, the outcome will be SURPRISING.

Character building is never made by novel reading; knowledge of men, of human nature, of events and passing things requires study and application and good sound literature as a basis for instruction. To become the victim of the impishness apparent in novels written by womankind, or Satanic Devilry, as portrayed in novels written by men, is to lose WILL, PERSEVERING ENERGY, and to BECOME sloppy-minded and a weakling.

Spirit in Real Power is never phenomenon; too many are seeking the MASK instead of what lies beneath it; we are lost in the labyrinth of Form, Shape, Symbolism, while searching for strength in that which is, after all, the Absolute and Invisible. Go not forth to see Spirit as Materialized Forms, but go, rather forth to feel, hear and know, as of the Silence, true Power of Inspiration. Spirit, alone, discerns spirit or sees or hears or senses spirit.

Did you ever stop to think that it takes the Spirit of a Soul that understands humankind to render service through such a Magazine as this?

Have you ever thought that the Subjective of your own Selfhood shall gradually build from the inspiration of the contents of such a Magazine? If not, why not try and just watch, wait, see and sense and then, know!

Wonder of wonders of all created things,
 Complication of complications, is
 man;
 Yet man, copying the works, that brings
 Creative gifts, too powerful for man
 to scan
 Into constant manifest; forgetting design
 Of Master Hand, pretends to genius
 of self,
 More potent than Omnipotence ever understood.

Success and Health building is like unto the building of a great city; there are enormous matters at stake; the buildings and avenues of the city require TIME and PERSISTENCY IN LABOR; the entire community of interests rests upon talent, time, will to do and to dare, then to venture, and finally time to fulfill and capacity to remain in continuity of will and purpose. Even so is it with Success and Health Building; no chaotic spurts will do or accomplish; we must will, dare, attempt and then continue until fulfillment, as of time permitted crowns our efforts; most of us fail because expecting results without the virtues above enumerated.

Nothing is beyond the pale of possibility to the Soul of us; Omnipotent WILL is ours just as truly as it is the WILL that controls all that is as the Universe; behind all mortal thought lies the basic love that creates and sets in motion ALL LIFE in everything and all space; we are the heirs of the creative powers of this LOVE; we, alone, determine how much we shall become of the might of His WILL, LOVE and Spirit. As we fail to accept or receive of this inherent Omnipotence, even so are we short of innate and outward powers.

The same good light is back of the glass of a smokey globe on a lamp; but there is a magical difference in the globe being perfectly clear and bright and clean; the same Soul and Spirit is in some Souls of men, but the smokey exterior and begrimed form manifesting the Light lacks the magic of the well cleared intellect and magically cleaned up and magnetized form, through which Soul and Spirit expresses and shines. Selfhood is everything as to kind; we must be able to let our LIGHT shine, to be silent and effective will energy or love power at work, in and through us.

Of all the gifts of men, I would cherish most that fire of Will Divine, as potentialized Soul Energy, which as Spirit of Love and Truth enables me to inspire men with that passion of inspiration which becomes the Magic Power of Success, or Health or Wealth, or Patriotism, innate.

I would stand at the helm of State, or Church, or Soul Inspiration as the Master of the Four Elements, as King of Dispassionate Soul Urgency to yield not an inch to possibility, but rather to BE ALL as POSSIBLE, the very IMMENSITY of GOD, manifest in Superman. Disease would I defeat and cast aside as a useless appendage or a worn-out garment; in all, through all, over all Master WILL and SPIRIT LIGHT, a walking manifest of the Holy Ghost, thus would I BE, my SELFHOOD all complete.

Get the SPARK and VIM and VIGOR of some first-class, VIGOROUS Psychic in you; do it NOW and TO-DAY; get his FIRE of WILL AND SPIRIT; get the REGENERATIVE, and when DOWN in these SOUL ENERGIES get some more of the SAME MEDICINE; we are not to blame if ignorant of the SPRING that ALL may enjoy who are deserving, true, honest and honorable; but those who do understand, know and are true to self and other self should find no excuse for limpid insignificance. Spirit is in the world; it is in gifted elect and select HEALING agencies; it is as a great Divine Spring of Love, Light and Life, or a LIGHT that Equilibrates and Polarizes; get it.

City girls and boys are fast becoming losers in the final race for earning and adaptability purposes; why? because they fritter away all their time on nothingness and seldom use the intellect for any good purpose or thought. Too many dolls and too few sensible girls, is the complaint; too many cigarette fiends and DUDES, and too few workers of reliable Brain and Will capacity is another complaint we hear of modern city-bred girls and boys. A radical change in education or environmental surroundings is essential and must come, in order to correct this defect of modern character building; "the house that is built on the sands will go when the floods come." Floods are sure to come, so let us get a solid foundation as to character.

We know young persons who have books, libraries, daily papers, music and musical instruments, with Art all about them; it's strange to note they do not seem to notice or appreciate these splendid advantages; Abraham Lincoln, or Garfield would walk ten miles to borrow a good book and then sit by a fire-place, the old open fire-place, half the night to read; the latter became great men and loved leaders; pay the price, young man. Stay away from too many gayeties,

young lady; chew less gum and drink less rum, and study and read and practice more, and you, too, will amount to something; you have no excuse whatever for being a nonentity and a no-accomplished personage. Get your brains to work more in the front head and less so in the lower back head, and live in the top-knot of being instead of in the seat and heels thereof. You may think you shall have pity; not a whit of pity will you get for ignorance and inability.

Experience, alone, perfects a character; it is for this reason we are afflicted; it is for this purpose we are human beings, placed in form upon a field of expression, or in the midst of space, dependent upon Time and Spirit, for our after total evolvment and completeness of an individuality; "No Cross, no Crown," is a truism. We must not, however, become martyrs to afflictions; we must not court affliction; we must not whine and pity ourselves or other selves, because of affliction; we must pursue our course by seeking to rise over and above, as well as out and away from affliction. There is no sacrifice in tamely submitting or purposely bringing on affliction; that is not the Law of Divinity.

Find your talents; study your own Brain Capacity; become the WILL back of LOVE DIVINE in the Soul of you; let the Life Principle become the cause or means of friction that playing over the forty-two double faculty convolutions of your brain, express that Mind which is Power; your talents are your own stock in trade; none other can possess or utilize this stock in trade; it is your earning capacity, manifest. What sort of Mind you manifest depends upon what the principle may be, which, through friction plays over the convolutions of your Faculty Brain. The Spirit is the LIGHT which makes manifest the Christ, or Life Principle, and also carries into effect the impulses of the Soul of you.

EDITORIAL.

COMETS AND DISASTERS.

The year 1910 promises to present us with much strange phenomena. The Comet recently seen in the afternoon and evening sky has come and passed on; the great Paris flood, happening about the same period, naturally aroused the fears of the superstitious; yet shall we say these persons so afraid are superstitious; it is a well known fact of history, just as we wrote up Halley's Comet more than two years ago, that Comets do carry a disturbing elementary influence with them; that these visitors do disarrange atmospheric matters; that temperatures are seriously affected by their atmospheric vibrations or temperature; that this disturbing element does make for varying degrees of temperature and by the creating of new and powerful cold or heat, or alternating currents of air, in our sphere of manifestation, do create terrific effects. During the coming visit of Halley's Comet, men need not hope to see tranquility of elementaries; storms and storm waves of a terrific nature will be sure to occur and APRIL, 1910, may surprise the most expert weather revealers by the suddenness and dangerous character of its storms; with sudden cold waves, followed by extremes of hot waves, during all the spring months, and, again, the same during the summer and autumn, with July, August and September the most treacherously afflicting periodic storm centers. We shall not REVEAL as WE SEE, because to do so would bring contumely to us and blasphemy upon the Spirit which REVEALS to us the AWFULNESS of DISASTERS prevalent for this splendid year of progress. Spiritually speaking, we fear no COMET, neither any STORM or DISASTER or EPIDEMIC, because we feel we are ABOVE the LAW AS OF THE HOLY GHOST, and the "STILL LITTLE VOICE" WILL INFORM AND GUIDE US, personally, and ALL our OWN followers and PATIENTS, safely and free from all danger. Strange, during eight years in which we have

taken care of hundreds of persons, and had mostly old persons at that time on our lists, none have ever yet been killed by earthquake, or lost at sea, or by tornado, or other means of elementary disaster; we brought our followers out of San Francisco, while ALL would-BE'S were CAUGHT THERE. We began calling them out October of the year previous, and said be sure you're absent by April 15th; we do not believe in writing or printing such prophecy ahead of time, as it proves damaging to city or community to fall before the blast, and that is not our work; we WILL forewarn those who TRUST themselves and their affairs to our Prophetic Vision and OCCULT PREVISION and ENERGY.

We save our OWN; that is ENOUGH and SUFFICIENT; we have no BUSINESS TO HUNT UP OTHERS; they would not appreciate it and we would also disarrange BUSINESS by such METHOD; it's the part of WISDOM to shine only where respected and for whom, alone, is WORTHY by TRUST in your CAPACITY and SPIRIT and METHOD. We welcome the Comets, therefore, with gladness and rejoice that they come and go, as mighty scavengers, mayhap, of earth, and as reminders of the fact that the Holy Ghost does preserve HIS OWN.

Let the lightning flash and the thunders roll, the Comets flash and whirl their mighty tails about our fair terrestrial ball; let the cloud arise, and amidst the threatening gloom, while storms slash and play, and hail and rains descend, serene in our composure we stand manifest of the MIGHTIEST LIGHT OF ALL SPIRIT. ETERNAL, our shield and might and safety, too. Glory shines for ALL and descends and indwells the Soul of ALL and blessed is he who rests within this glory and hears, is still, obeys and is safe, as of the Silent Voice, which informeth of approaching doom and sets aside, by permitting us to move away and out of danger's path.

To see, feel, sense, hear and obey is all, idiots and fools we may seem, but

idiots and fools have ever made and saved human kind. Revelation is mighty.

WILL—THE LAW OF LOVE.

A Prophecy.

Another Hydra-headed Monster arises; another concentrating of all business under one VAST CORPORATION; the cigar store business is NOW to be made impossible to the small business man; how long shall this LAST?

Not one year shall it stand; listen, please, to the Under Rumbblings and BEWARE the aftermath. Men must LEARN, SOME WAY, that NO COMBINATION of this NATURE WILL EVER BE PERMITTED TO LAST, AGAIN, NO, NEVER; that DAY is PASSING and WILL PASS quicker than we DARE MENTION NOW. A SILENT WILL ENERGY that nothing can upset or stop, is taking possession of the grand over-Soul, Mind and Spirit of the Earth's Civilized Populace; it's soon to become a Power such as no earth move has ever reached or become; it will sweep clean the crowded Scuffing Holes of Babylonish Power; the flood has not arrived; the full current is not yet; but beware, it's on the rise.

Too many are wasting time and energy thinking and planning ways and means to overcome the TRUST question; the DREAMERS are, apparently, not DOING a THING; but while the thinkers and politicians, etc., are wasting brain and word and energy, the GIANTS of the SOUL POTENTIALIZED ENERGIES are getting the FOURTH DIMENSION TO WORK and the WORLD will SILENTLY SOLVE ITS OWN FUTURE and the PEOPLE WILL BE SAVED FROM THEIR OWN MISTAKES; as has been sown shall be reaped; but the TARES will soon be separated from the wheat and then, the wheat shall, alone, be granaried, while the TARES are piled to themselves and BURNED UP, by that FIRE which is the FLAME OF PURE WILL OF LOVE, WORD and LIFE, in MOTION.

We hear men and women say, we do not swallow this Mystic and OCCULT stuff; no, because it's already TOO BIG and too well UNDER WAY TO BE SWALLOWED, and it's the BUSINESS WORLD'S SALVATION; it's ETERNAL WILL ENERGY, and it's backed already by thousands of enthusiasts, ALL WORKING IN ONE LINE, though manifest in a THOUSAND DIFFERENT SOCIETIES and forms of expression.

The Hand-Writing is on the Wall; the mysterious scroll is being unwound; the Symbols, unread, yet plainly visible, are in the skies; Selfhood is becoming a Fact; Combination has had its say and its sway; the HOG has come forth, showed his skill and presented his principles; he has had a long, steady and frightful sway of power; he has had all the aid of party organizations; NOW, he returns to his STY and his WALLOW; let him know, NOW, that he is soon to be the FATTED CALF, or whatever you may CALL him; WHAT WE REVEAL IS OF THE HOLY LIGHT OF ISRAEL'S BLESSED ONE, the LIGHT OF THE ONE, ETERNAL WILL, DIVINE, as of THE HOLY GHOST; before such a LIGHT OF WISDOM there is NONE greater.

Rome rose to free hordes of slaves and to civilize a world of savages; she did well; but becoming RICH and concentrating ALL WEALTH into great combinations, among the FEW, she finally FELL, and great was the FALL thereof. The United States came into being through the LOVE of PATRIOTS for HUMAN FREEDOM; she has done well; she SHALL YET DO BETTER; her coming DUTY is the FREEDOM of MANKIND from INDUSTRIAL TYRANNY and FINANCIAL centering of the WORLD'S CIRCULATING MEDIUM; this she will accomplish; not by WAR, or REVOLUTION, but by a MIGHTIER POWER THAN THE AGES HAVE EVER YET UNDERSTOOD, the POWER of SPIRIT, DIVINE, the RIGHT-HAND OF THE ALMIGHTY work-

ing through GIFTED MEN. WILL ENERGY is more to be feared than DYNAMITE, OR SHOT AND SHELL. It rules THOUSANDS, and by a means impossible to ever HINDER. It RADIATES SOULS INTO RIGHTEOUSNESS, or else, SENDS THEM ON to larger fields of prospective usefulness. It is LAW of GOD at work in MAN.

THE DIVINITY OF WILL.

God willed and instantly the WORD became that which He willed. What is the nature of Will? Why do we say Will is the primal necessity of continuity unto Success? Why is it we relate the Heart so often to that of the Will? We know it's a positive fact, that persons suffering from a weak or intermittent heart are never strong WILLED, and are usually easily frightened, or else have something that produces a fearfulness of mind.

Again, we find persons with the nerve energies low, seldom of any WILL ENERGY; others with the Saps of Life degenerated, soon lose all Will to Do or to Dare; persons with BAD LIVER are often absolutely nothingness in Will Power and become of little consequence in effort towards success; this determines, emphatically so, that diseased conditions of the Brain, of Functional Organism, immediately depletes Will Energy and thus defeats a person's real Success. We, for this reason, per a Psychic Process, deem it essential first to build up a Functional Character of Health; afterwards a Will Energy that shall prove available, though silently, as the power behind the throne, to keep this Functional Character, continuous, as that of Health. Again we ask what is WILL? Will is the FLAME DIVINE which as Flame of the WORD, produces the LIGHT of SPIRIT, the HOLY GHOST.

This answer covers Divine Will, and when accepted and permitted to become the power behind the throne, in man, we have ALL that POWER INNATE can mean to man. We term this the ALL

CONSUMING FIRE, which as LOVE destroyeth DISEASE and Carnal Mindfulness and Overcomes human weakness.

This WILL of LOVE and TRUTH cannot manifest except as LIGHT, and that LIGHT is the HOLY GHOST, and MAN becomes the ORGAN of the HOLY GHOST, and by this LIGHT OF WISDOM and UNDERSTANDING, he becomes PSYCHIC, SPIRIT'S BREATH, WILL IN ACTIVE SERVICE, to all mankind, and hence, a DIVINE HEALER.

This understanding of WILL ENERGY, as POWER, solves many misunderstood sayings of the true REVEALER; this comprehension of genuine Soul Force, as potentialized Soul Energy, solves the riddle as to powers of Superman.

Man's Will is chaotic; God's Will is that of eternal Flame; man's Will changes and fluctuates, the Divine Will has but a single purpose, that of LOVE, TRUTH and LIGHT sustaining a Universe and all factors of Time in Space in Unity and perfect Beauty, as of the LIFE PRINCIPLE, THE CHRIST.

Regeneration is of the divinity of Will; even so, is Success, Health and Wealth, Here and Now, of this same divinity of Will, made possible; our copy-righted Process, The Psychic Process, depends, alone, upon the Might of the Divine Will as expressed by the Holy Ghost, as LIGHT all inclusive and all penetrating.

"The devil fell ill, the devil a saint would be;

The devil got well, the devil a saint was he."

And, again, "It is not every one who can command success, but we'll do more, Saponius, we'll deserve success."

THE EXAGGERATED EGO.

We are always sympathetic for persons in Occultism, especially so, as they reach the place of semi-insane overestimation of the Ego, or while suffering from an enlarged or explosive Ego; this is the dangerous phase through which

ALL must pass who take up this work; it's the plane of expression wherein GRAFTING takes place; it's the passing through the epoch of the Tower of Babylon; it's that period, or specialized degree of time, in which the Subjective overrides REASON; it were better if the initiate should lay off during this phase of evolvment; it might be his salvation to do so. Nearly all in this work who are arrested for grafting methods are right in this semi-insane phase, and we know of a very NOTABLE INSTANCE, recently on trial in our own city. During this unfortunate phase the initiate usually advertises as "Wonderful, Bewildering," and gloats of his Hypnotic Powers and his prowess, etc., it is semi-insanity; it should be so treated; all who understand the LAW of the EGO and its PROCESSES of UNFOLDMENT will steer clear of trouble of this nature, and should be ashamed to cause the arrest of such a semi-insane victim of false notes of the importance of his Selfhood. It is for the above reason we insist upon years for our class students, instead of a few days or weeks, in their RIGHTEOUS DEVELOPMENT and PROPER UNFOLDMENT; we have never, as yet, had one of our good students in trouble, in any land or in any city; we expect when we give a diploma that it will carry with it absolute sanity, of the Ego in expression, of the throne of reason in receptivity and judgment, as well as expression and, above all, a perfected Selfhood in the four Bodies, manifest of the Spiritual. The man we refer to as of late on trial in Denver, would never have made such statements as "The women cannot help falling in love with me," had he have been SANE and of RIGHTEOUS EXPRESSION, meaning, always, RIGHT EXPRESSION on all and upon any topic, or occasion. This shows the why trouble came upon him; it was the EXAGGERATED EGO that overcame REASON and good common SENSE, which threw him into his difficulties; he was not, therefore, absolutely to blame; because the effects of such a

semi-insanity is to encourage us in undertaking the impossible and promising also the never-to-be attained.

There are thousands of cases of exaggerated Ego in the Insane Asylums that should not be treated as insane, but, rather for diseased Selfhood; there are hundreds in the Penitentiary that are held there, wrongfully, because diseased Egoism, affecting Reason to such an extent as to unbalance the Mind, is at fault and should be treated instead of made worse by punishment; we need more PSYCHICS as OCCULTS of genuine BORN GIFTS, and hospitals or places for retention of the DISEASED Selfhoods, and less Asylums and Penitentiaries. The time is approaching when this Exaggerated Ego matter will receive separate and skilled attention and instead of punishment, curative PSYCHIC PROCESS will remove the ill and restore REASON and BALANCE as well as CALM and Poise to the Selfhood, as a four-fold manifest of THE HOLY GHOST.

THE AGE OF LIGHT IN SPIRIT OF TRUTH.

Have you heard the rumblings beneath your feet? Have you placed your ear close to the earth and, Indian-like, discerned the oncoming of the foe?

A thousand years may be condensed in the story of this one. History shall make itself faster than ever before in man's civic career, during the remaining months of this greatest of the closing cycle of old things and methods, as well as beliefs and ways.

The twenty-second chapter of Revelation is about to be fulfilled; the Spirit is entering its own; men are falling to the right of us, in front of us, behind and to the left of us. Every tittle of the Word is being fulfilled; not a jot thereof is failing of its prophecy; the stone that was rejected is being selected, drawn forward and will soon be placed in the Temple, "the Temple not made with hands," that's being constructed out of the men of earth; those selected, of the Spirit, and proved of the Divine Gifts

most acceptable; no tremendous revolution shall bring all this about; but some stupendous Cataclismic Happenings shall revolutionize as well as evolutionize man's modes and ways; the descent of the Holy Ghost never was, but always IS and ever shall BE.

The Christ shall come, again, maybe many times, ere the Millenium; HE SHALL COME, when and where least looked for, and speak, from whom least sought out or expected to make Him known; "Babes and sucklings" are His REVEALED IDENTITY; none shall say whom HE seizes upon or from what pulpit, place or corner of the earth He manifests; the LIGHT, alone, shall REVEAL HIM and none may prepare for such REVEALMENT, unless willing to seek for understanding and Spiritual Unfoldment; for HE cometh, yes He cometh, not in personal Form, again, but as indwelling the SOULS of MEN, made manifest therein, by His and the Father's Spirit; such is to be, and is, the Second Coming of the Christ. "And they shall cry for the hills to hide them and for the stones to cover them, while there shall be weeping and gnashing of teeth"; this is already here and has been made clear by many recent events and transactions. Persons are dying from over-radiation, or too rapid vibration; the Soul, in many cases, is departing its too gross earth tabernacle because of refusal to await and abide the TIME required for CORRECT PROCESS in developing and evolving of Soul Gifts and Expression.

The Soul knows whereof each man is made; the soul knows just what is future or present for each one of us; the soul can be read by gifted men as of the LIGHT OF WISDOM, WORD AND WILL, Divine; the soul can reveal what must and shall be done to save one's health, to bring one's Success; the Soul is the only instrumentality of true Psychic-Process, for Healing or OCCULT FAVOR. We will not expound more, for it is already a truism of the Gifted Seers and Mystics, that the Seven Years to come shall solve the problem of hu-

man destiny; that those who lack the protecting power of the Spirit, and persist in darkness, or fail to seek Health Revealment, shall drop off like fleas; while those who seek Spiritual LIGHT and stay by it, whether in self or through GIFTED Specialists, shall be preserved; they shall know, as of their soul, what to do and they shall be healed both of soul, and also of mind and body. This is the AGE of LIFE REVEALERS and MASTER MEN as PSYCHICS. 'Tis the age of recreative of Regenerative Process. It is well if we can reach true understanding and profit therein.

A STRANGE BLESSING, YET A DANGEROUS, PENETRATING LIGHT.

"He that is not with me is against me, and who gathereth not with me scattereth abroad."

"Wherefore I say unto you, all manner of SIN and BLASPHEMY shall be forgiven unto MEN, but the blasphemy of the HOLY GHOST SHALL NOT BE FORGIVEN UNTO MEN."

"And whosoever speaketh a word against THE SON OF MAN, it shall be forgiven him, but whosoever speaketh against THE HOLY GHOST, it SHALL NOT be forgiven him, neither in this world nor in the world to come." Matt. xii, verses 30, 31, 32.

This is the LIGHT that shineth in darkness and the darkness comprehendeth it not; this is the LIGHT that teacheth and healeth all to whom it cometh; this is the Walking Manifest of the true Revealer; this is the power that speaketh, instructeth, befriends, protects, overcometh and Equilibrates all to whom it cometh, or is sent or extended; this is the only GIFT of GIFTS worth while in, to and of man; this the LIGHT of the Soul and later of the Completed Selfhood, in Christ; this is the LIGHT of WILL, WORD and LOVE, manifests as the Spirit of the Father, possible to illumine all who seek, ask and believe.

We have revealed along these lines, as above, for the benefit of a number of earnest correspondents, who have besieged us with numerous questions, as to

the why of ALL who have undertaken to shake our center, defeat our Progress, undo our work, or in any wise injure us, having absolutely FAILED in their ENDEAVORS, or PASSED OUT AND ON. We, personally, have had nothing to do with this state of affairs; we practice no defensive ART or MAGIC; we, always and simply, say, when tantalized or bothered, come HOLY GHOST, this is too BIG for us to handle, BE THOU OUR HELPER and DEFENDER, and as THOU SEEST FIT SO LET IT BE, HERE AND NOW, IN CHRIST, AMEN; and it WORKS and DOES things that we could not bring to pass, of our own SELFHOOD; that is our TRUST and FAITH in the SOUL of US. We DO believe and not only BELIEVE, but OBEY every word spoken, as of "The Still Little Voice" within the Soul of our Being, at the Central Orb, thereof; we DEPEND upon that "VOICE" in diagnosing for the Sick of Soul, Mind and Body; we depend upon the Holy Ghost, alone, in Healing, as the Manifest of the Christ, "The Healer Divine," as "The LIFE PRINCIPLE," or the Functional Character Builder for Health; we believe there is no genuine OCCULT WORK or HEALING possible otherwise; we have proved it. If, then, any one persists in jumping up against this ALL pervading LIGHT of WILL, WISDOM and LOVE, as Manifest of our SELFHOOD, they are DOING what is contrary to LAW and must suffer the consequences, regardless of our own WILL or Selfhood; according to the above LAW, we are true NONRESISTANCE and simply are as THE DIVINE SPIRIT makes us. We hope that our friends desire to understand this explanation will REVEAL ALL and explain, sufficiently, for Black Art performers, or Thought Wave, or Wonderful Power Adepts, to learn the WHY they FAIL, and also the WHY they had BEST not tackle our HEADQUARTERS or THE REVEALER who manages the same. We would be the "I" that is SILENT POWER; the "I" that

knows its power; but not the "I" that would BLOW about and DEFEAT its power by EGOTISM, despicable, and NEVER of the HOLY GHOST, LIFE REVEALMENT, or Psychic Process. This is why we never pay any attention to fault-finders, slanderers or other derelicts. The Light shines and we are of the LIGHT that shines, and that is enough for any true worker. We know, believe, trust and obey, and woe to us if we fail in this.

Hundreds of seeming good and well-meaning persons have come to us during the past eight years seeking information regarding the way to Power and Self Help; some have stuck to our advice and won; others came a few times to our class meetings of Friday nights, and then quit and lost.

Those who quit have paid out, in most cases ten times as much as years of sitting with an Unfolding Revealer and Psychic, such as we have proved, beyond all doubt, would have cost them; they have run after every fly thing that has come to town and spent money to blow off their mightiness, in developing gifts; they lost all they paid out and are, of course, disgusted without Faith, Hope, Stamina, Staying Qualities or even, good WILL POWER left. We are not to blame; they wanted something QUICK and something with GOLD EAGLES sticking out of the fringes; they ended as all such should, just as the "dog, who crossing the bridge saw another dog as his shadow reflected in the water beneath, and begrudging him his bone, lost the real bone in grabbing for the shadow."

None can escape the POWERFUL LIGHT of THE HOLY GHOST, once a Revealer permits that to BECOME HIS SELFHOOD MANIFEST; this is the saving POWER of the ELECT AND SELECT, and woe to any one or anything who, or that dares this LAST FINAL RESORT of the TRUE REVEALER.

ASTROLOGICAL DEPARTMENT.

PISCES.

From February 20th to March 21st, Inclusive, Sign of the Fishes, in the Feet.

The Twelfth Zodiacal Sign and the completion of the Cycle; the twelfth house, the house of ART; stones, a crystalite or bloodstone; pure white or steel gray and coal black are most effective shades for Astral Strength and social power. Washington, "Father of his Country," speaks as a Master type of Character for this Sign; crossing the Delaware at the helm of the crew of soldiers, well manifests the wrestling nature of persons born of Pisces. C. Grover Cleveland, once elected, then defeated and afterwards re-elected President of his country, shows, to a nicety, the peculiar purpose, will and final accomplishments of Pisces natures. Artistic, great of intellect; proud of family lineage, select of company, ambitious to lead and shine, few nativities are so afflicted with rises and defeats as are these; good books, good associations, fine early training lead to after distinction, but woe to the one of Pisces nativity who fights and loses, for courage may fail and then none become so mediocre. Woe, too, to him, who forgetting the injunction of temperance in all drinks and foods, and overdoes, for such an one, the lowest straight of intemperance and the worst of lives may come, or through over-eating, gout and rheumatism, coupled with fatty degeneration of heart and dropsical troubles are the assured wages. No nativity needs more Psychic care, more watchful and rejuvenating Spiritual assistance, more aid and help from Magical One, than do these peculiarly endowed persons. Once the Light has dawned and they have found their own necessity, never should a faltering moodishness, so often their direst enemy, lead them away to err and to fall. Older associates should be sought by these nativities for beneficial results, and here, too, lies a grave danger, because, naturally, fixed of will and persistent of purpose, as well as inclined

to bruntness and the seeking of the Silence for self communion, they too often despise that which they should most encourage and foster. Stiff of intellect, they seldom will accept the most salient facts or good, unless fully convinced it's JUST THE RIGHT THING for such as they to do; stand on ceremony and etiquette, so much so as to often defeat friendship and real success; aristocratic of learning, they make fine old bachelors, and old maids, because of the love of self communion and the antipathy to interruption, unless ready and in mood to play; as lover, will like ONE above ALL others, but usually like what is least to their after-rise, as they choose the odd, the unfitted, the style of their own mentality or taste, which adds nothing new, but strengthens their already faulty moods and modes, as well as quality and relationship. Later in life, when they begin to ripen and the saps have reached the buds of the tree, they realize their error and, then, follows a period of retributive reflection and, very often, the choice of companion made in earlier life becomes a nonentity and a burden, grievous and almost unbearable; they seldom live through the first marriage vow, or if they do, it's a matter of submitting for aristocracy's sake or gratification of family pride. Great actors, born, they act their part, no matter in what field of endeavor or business or profession they happen to find a recompense; dissatisfied more often than pleased with any present undertaking or thing in hand, they yearn for changes, for travels, and often make great journeys by land and sea; fond of Art, they seek wealth and that which promises wealth, forgetting that they are Spiritual, Psychic, and that it is from the Soul, the Genius within themselves, that true greatness and wealth is found, in their nativity. Fond of books, they overdo the mental and underdo the Spiritual, thus bringing on the ills of life that seldom leave them. These persons should seek that which awakens the Soul; brings into expression the Sacral

Plexus, the Regenerative Life, that the Nerve Fluids may become the Magnetic Life Currents of Life; this Sign represents the breaking of the Saps of Life ready for their ascending the Trunk of the Tree from the roots thereof; this is the why the Psychic plays so tremendous a part in their own Life Fluids; in the distribution thereof, and in the continuity of the same. March is the beginning period of the rising of the Saps of the Vegetable kingdom and the first fore-note of spring or resurrection season; it foreruns the April budding season; it is the fore tone of the Easter Tide.

It marks the first pleasant mating of the birds of early Spring; it is the period of Magnetic Sexing and Innate Spiritual Love, as Creative Desire; its natives speak a language Psychic and Spiritual, which to the Mystic, is the awakening of Creative Inspiration; no nativity, when rightly endowed and of right understanding, is more helpful in the ART of making MAN EXPRESSIVE of HEALING POWER and OCCULT demonstration, than are these children of the first impress of the Morn of the Resurrection of Earth Life. Strange mystery runs through their natures, so much so, as to confound others and throw a Halo Light about them; so much so as to dazzle and attract, even as the phenomenal Light and the belated Moth. It is rare these splendidly, Spiritually Gifted helpers do their utmost duty towards those they MIGHT bless and reimburse and uplift. Born for Service, to King and Queen of Mystery; brought forth as if clothed in the pure white Raiment Divine, representative of servers to the Sanctuary or as manifest of Will of Love Divine, how often these children of the Celestial Sun, wander afar from duty, or soil their white raiment in the dust of the ordinary; would God all could know, as this writer knows, their mighty preciousness of Gift, and would that, knowing, they would choose the road, royal to human blessedness and sacred Mystic blessing. Like the waves of a troubled sea is their life; like the froth upon the storm-

beaten waves, is their usual experiences, because, born to serve the GODS, they chose to serve the semi-gods or demons of the world. Writers, Dramatists, Artists, Musicians, Professionals, born to be, they neglect that which springs into being the Genius of the Soul, and cultivate that which builds but the intellect, thus defeating the glow of the Fire of Love, which is Spirit in inspiration. As Merchants, they are naturally Milliners, Dressmakers, Dry Goods, and Haberdashery Venders, or else Chemists and wet goods dispensers. Rightly led forth their song should be, "Blest be the tie that binds our hearts in Christian unity"; Blest be the One who spreads before us Life of Love in awakening Spirit; blest be the one who knowing our Life's Sacred Floods, imprisoned in the roots of being, blends with us his Life's Powers, and spring into action our slumbering saps of Life, and arouses the Magnetic Currents of the *fons vitae*, that we may BECOME the source of man's Magnetism, Art and Will, and spare our own selfhood by giving forth but to receive back the LIGHT of LOVE DIVINE. Slumbering powers but destroy, while quickened awakened forces lead to victory and Success, Health and Wealth. Less to stern Intellect, more to Inspiration of Quickening Spirit should mark their course. Being of a water sign, 'tis hard to hold the true Psychic Forces and retain joyful Spirit, for this reason, they require Psychic help oftener than the Fire and Earth, or Born Psychics of the Air Trinity. The waters become muddy if wrong combinations are made, and then air to classify must be sought earth limits, while fire heats and may turn to steam, while air cools and clarifies and freshens.

White Magic is SAFE in all its ways and manifests; but it's of the ONE POWER and may become the means of the TWO-EDGED SWORD being utilized to save and spare the RIGHT-EOUS ONE. Death stalks where necessity compels this application of Divine Might, in MAN.

HEALING DEPARTMENT.

THE "I," INDIVISIBLE, VIOLATED.

"Revenge is mine, SAITH THE LORD," "As YE sow so shall YE reap." "Like attracts like." Hate will attract its OWN reward and REVENGE will come to its OWN again. "He that overcometh shall inherit ALL things, and I will BE HIS GOD and he SHALL BE MY SON." This means MAN, Male and FEMALE, made PERFECT MAN, not SHE.

The conviction of Cashmere shows the DANGER of MAN becoming turned inside out and WOMAN presuming MAN to BE and man falling DOWN to the baseness of treachery. Where there is division of this NATURE, the TEMPLE FALLS.

We predicted this very outcome; the MAN being a Negative Center, relinquishing MAN'S PROPER POSITIVE POLE and taking up WOMAN'S NEGATIVE POLE, he was the VICTIM of SUGGESTION and that SUGGESTION of a TYPE that would prove HIS RUIN. The Catholic Church maintains MAN in the SANCTUARY, and, the only TANGIBLY SAFE ONE. Woman is Man's Inspiration, but BEWARE when GREED to TAKE HIS MANTLE IS THAT INSPIRATION. Man has his place and woman has her place; this is LAW and RIGHTEOUSNESS and IS the ONLY SALVATION of the HOME and THE NATION. The Feminine is the INNER from which ALL is BORN and it can never BECOME the OUTER from which is EXPRESSED.

Remember our Private Advisory Sitings ARE ONE DOLLAR, and we SIT ONLY FROM 10 A. M. TILL 4 P. M. DAILY, except SUNDAYS. Our Healing and Correspondence requires ALL OTHER TIME, and we CAN MAKE NO DEVIATIONS WHATEVER from THIS CLASSIFICATION OF OUR BUSINESS. Our phone, Main 7728.

One day, while in the woods, we came across a beautiful Columbine; it seemed to have bloomed rather later than others about it; we found it grew beside a great flat rock which had slid down the hill from a cleft further up; we turned the great flat rock over and there beheld a lesson worthy of all who would reach a final purpose or goal; the Columbine seed had matured the plant in the soil beneath the rock; the plant had wound about, in devious search for light; it had traversed many feet of pathway ere it reached its place of seeing the bright, maturing sunshine; but it had a WILL ENERGY, innate that compelled stick-to-itiveness and continuity of its purpose, until perfection came in its growth process, through, at last, having reached the LIGHT it sought. If you would be made whole, forget not the process required; forget not WILL to DO, courage to DARE, Love to persevere and Hope, or Expectancy to BECOME that which you hope to BE. Your Healer or OCCULT is the helper who rolls the discords away, keeps up your Spirit Light and stays your Will Forces, until you have WON the battle over the elements that have slid down upon the seed, the inner unfolding life of you. Your Body or Carnal Mind may be the great Stone, that causes the long devious, winding pathway, to the blessed Light of Health, Success or Wealth.

Thousands of unhealthy atoms; much sluggishness of Nerve Fluids and of Blood; a doubting and betraying mentality; a long continued auto-suggestiveness; a peculiarly affected Instinctive Mind growth; all these things the Healer has to remove, as blemishes, ere he can begin the renewal Process, the building of your perfect Selfhood. Do you expect this to be done in too short a time? Beware of instantaneous changes from the old into the New Creature. Many pass out from over rushing matters; the rate of Vibration must be increased gradually, lest the springs of Mind or of Nerve Energy, or Will be

broken and the Soul bursting the bounds of Form, take its flight. Take the right Process; wait for right casting out Process; be patient until correct Psychic Process has renewed the entire Selfhood; this is the law of correct Psychic Process, and is the only royal road to Absolute Good in anything, Spiritual, Material or Physical, as well as Mental. Too many are willing to doctor with medicines a life time; but want a Divine Healing Process to bring about immediate results; it cannot be done that way; like the tree or the plant, the Life Principle must have time to grow the completed form, ere fruitage can be expected in a perfected selfhood.

I am walking manifest of the Holy Ghost;

I am the Light and the Flame back of Light;

I am the Word made manifest, nothing boast

I beyond the law of Love, Truth or Light.

Strike not that which is of Light of Will as Energy of Soul; the potentialized Soul energies will cause a rebound; better leave such an one and his premises absolutely alone; he is nothing beyond that which he believes in, hopes in, is FAITH in, and that is POWER unfelt, yet most awful when wrongly pursued or frustrated by act, thought, or attempted injury.

In thy Quietness, oh! my Soul, and thy Confidence, oh! my Mind, lies my Selfhood's Strength.

A million dollars came to me one night; the words A Million Dollars, spoken within the Silent Precincts of the Soul of me, one night; and NOW my DUTY, I know, is to let that judgment of my EGO go forth and, by and by, my RECOMPENSE shall be, A Million Dollars; I am that CONCEPT expressed in my Selfhood, because I Know, Trust, Expect and WILL

to WAIT the incoming RECOMPENSE. Thus HEAL I, mine own POVERTY, per Psychic Process.

Dear belated sick one, or unlucky one, or tired one, if you could just believe as this man believes, and letting loose, become his sacred trust and belief, you would make much easier his HEALING and OCCULT PROCESS in and through you.

Oh! how we would hang on and aid our Healer,

If, like the shipwrecked, rowing life boat

To place of safety, we worked and labored with

Equal zeal. The shore in front, the wrecked vessel behind;

Waves beating all about, even so, Are those who would heal and save here below.

The scene of Washington crossing the Delaware reminds us of the Man at the helm of Life Boat, who practices genuine Occult or Spiritual Healing.

Each day a life to itself is;

Each night grey-haired we die;

Each morning a lesson it is,

Experience gathered, for bye and bye.

Tomorrow, you say, I'll come to thee;

Tomorrow, you say, I'LL Healed be;

The Spirit waits in vain for tomorrow;

The grave, as shelter, is thy tomorrow.

Will to be free; will to find the right way; will to stay by that which sets free and is the way; will to stick 'till set free; will to grow unto perfect selfhood, day by day; will that HEALTH is WEALTH and unto your will prove true; this is the Process of obtaining all you would decree to set you free.

Who undertakes Occultism or Psychic Healing Process must be of such stuff as is WILL DIVINE; such an one must know nothing less than eternal vigilance, constant application of Love and Law;

must understand Spirit as Light, and BE ALL that he would bring to pass in any factor of Space; he must recognize the FOURTH DIMENSION and be able to SQUARE THE CIRCLE; this is SCIENCE AND ART with SPIRIT all at-one-ment.

There's a wish in the heart of you;
 There's a chord in the soul of you;
 There's a desire of the mind of you;
 There's a song in the spirit of you;
 There's a thrill in the body of you;
 That's waiting the Tongue of you,
 To express; we have sensed your pose;
 Felt your need; heard your purpose,
 As of the soul, mind and spirit true.
 Why delay the fulfillment? Why rue
 The lack of courage? Speak now,
 All thou wilt aspire to, never bow
 Beneath a rod while freedom reigns.

Just around the corner from nowhere,
 In quietness and confidence, somewhere,
 Lies the strength and power you seek.

**I AM LIGHT, BUT YOU MUST COME INTO
 THE LIGHT TO KNOW YOURSELF.**

Answer to Anonymous Letters.

"On Horror's head horrors accumulate."
 "Dangerous Conceits are in their Nature
 POISONS."

"Trifles light as air, are to the jealous,
 Confirmations strong as Holy Writ."

—Othello, in Shakespeare.

There was a time in the dim dark ages when Egyptian Magic, as practiced by "the old Hag of Mount Vesuvius," so vividly described in Lytton's famous novel, "The Last Days of Pompeii," was of consequential power; that is, it could scare SOME ONE and MANY ONES into a FRENZY; but that AGE and DAY and TIME IS DEAD, eternally DEAD. There was a TIME when persons in Mediumistic work, THOUGHT some one WAS taking their POWERS, whenever they, THROUGH DEVILTRY WITHIN THEMSELVES, destroyed THOSE SO-CALLED POWERS.

We had believed ALL this ROT and BOSH and BALDERDASH had departed with ANCIENT IGNORANCE; but it seems not, according to the two following LETTERS, vivid EXAMPLES of an INSANE OR OVER-WROUGHT IMAGINATION received by Prof. Hines, one on the 31st of January, and another on the 11th of February, this year of our LORD 1910. Read them and be like the Professor, profoundly SORRY for such LACK of understanding and sound REASON; the writers are EXCUSABLE, but the SPIRIT that animates SUCH frightful NONSENSE is that which MUST BE ABSOLUTELY TIED, BOUND and CAST OUT, for it's THE SPIRIT that UNDOES and makes FOOLS and IDIOTS out of otherwise GOOD PERSONS.

First Letter, January 31, reads as follows, to-wit:

"Sir. You lantern-jawed, pretender of the abomination, known as THE HOLY GHOST, you lynx-eyed member of 'The Latent Light Culture Society of South India, and graduate of 'The Indian Academy of Sciences,' of same South India, you purple, double of the so-called EGOISM, you call SOUL illumination, I know you as the cause of the death of a good Christian Science Practitioner, because she told you, to your teeth, she could kill you with her powers, as you took your patient and told her to order that woman away or you would not continue treating; that poor Christian Science woman died with Brain Fever soon after; your powers did it, you have done the same by others; beware! I am THE POWER of the entire combined Egyptian Magic, and I'll learn you to feel something you want but one dose of."

No name signed; grandiloquence outdid itself. We wish to say, if any one passed out of the body because of us, they did so through the reaction or rebound of their own POWERS, and not by anything Prof. Hines did or could do, beyond saying their own WORKS be

unto themselves. OH! THOU HOLY GHOST, as intended for me, Prof. Hines only defence.

Second Letter, February 11th, reads as follows, to-wit:

"Mr. Hines, I see by your wonderful powers you are getting ahead of yourself; I will warn you that if you hold another GOOD MEDIUM DOWN TO TAKE HER FORCES so that she can not make support herself you shall become a nonentity and be thrown down like other LIRES ARE DOING. You have prospered and you are not LOYAL to your TRUST; I know percenly of FOUR Mediums you are drawing their FORCES and they are WIMEN; you leave WIMEN'S SOULS ALONE or harm will come to you a POWER you CAN NOT TUCH."

Prof. Hines is too busy to spend one minute on such work as here spoken of; he turns dozens of persons away daily; his correspondence and healing keeps him every night of the year up until 12 and often 2 o'clock, the wee small hours of night; this Magazine is his own work. How foolish some persons are! Prof. Hines does not know, personally, five Mediums in Denver because of their antipathy to his Method, that of the Holy Ghost; he is a REVEALER, a TRUE PSYCHIC, a SUCCESSFUL OCCULT and in HEALING has astonished ALL; this begets hatred and jealousy, for which he is not responsible.

Ordinarily Mediums are NOT PSYCHICS, neither OCCULTS, neither Mystics, because Psychic means "SPIRIT'S BREATH," and OCCULT MEANS "HIDDEN FORCES," and MYSTIC MEANS FATHER, SON AND HOLY GHOST, OR SIMILAR recognition of THE ONE UNIVERSAL OVERSOUL, SPIRIT AND MIND; Mediumship means to be CONTROLLED by GUIDES, SPIRITS, or CONTROLS, and deal in and talk with mere PASSED OUT or CELESTIAL Spirits; they never reach the sphere or plane of MASTER, GURU or MYSTIC, or PSYCHIC or OC-

CULT, until ALL these matters are merged into THE ONE SUPREME ONE and the ONE SPIRIT, alone, as indwelling the Soul, as LIGHT, rules them, after which their real POWER is somewhat of a possibility, until then they have no POWER, because the Guide or Control governs them and can play off whenever it suits to do so.

Prof. Hines' advice to anonymous letter-writers is, attend to your own business as well as he does his and you will prosper better, and until you get powers worth while, just remember no one wants them or will bother to try to undo or draw them away from what they may claim as their obedient servants. Look to your Selfhood and you will find all the undoing and loss of power comes from your own self and not from elsewhere, unless you go forth to meddle with what happens to be greater than what you represent. Trifle not with a REVEALER, AT ANY TIME; he will not go out of his way to trifle with any one; but leave his residence and business strictly alone, or suffer the REBOUND, for which he is not the real cause, but the mighty GOOD which radiates the insignificant EVIL out and away to the PIT, its only safe lodging place. We shall, personally, pay no attention beyond this article, to the nonsense written in the letters published; for enlightenment's sake we alone place this matter in print; it may save some in mediumship from criminality, or undoing themselves, by permitting Hate to rule instead of Love.

Love heals, is magnetic, attracts and focalizes spirit strength, but Love is also an all-consuming fire to anger, hate, jealousy, passion, etc.. Who is of Love need fear nothing, but disobedience and violation of Love's Law.

Teach me how to live, for I already know the avenues of death; teach me how to prosper, for I have long known the avenues of adversity; teach me of my selfhood in completeness, for I already have suffered its imperfect and non-completed errings.

OUR METHOD.

THIRTIETH LESSON. RETROSPECTIVE.

When the tale has been told; when this writer's life has ended; when all the Vedas and the Bibles of men have been read and read and read; when all has been searched, we KNOW that the COPYRIGHTED LESSONS under the head of "OUR METHOD" shall STAND as an everlasting, unfolding, developing and fulfilling Process, recognized of men, as with but few flaws.

To write lessons for others to follow, necessitates that the writer thereof should have developed, unfolded and fulfilled, as a matter of actualized consciousness and vital experience, that which he writes. This editor has snatched victory from many a threatening defeat; he has passed through ALL the PHASES of SPIRITISM, of SPIRITUALISM, of MYSTICISM and the MYSTIC KNOWING; has prevailed over DEMONDOM; has first been RULED BY SPIRITS, GUIDES AND CONTROLS, only to learn of their weakness and chicanery, and then, to BECOME DISCERNER AND, LATER, MASTER OF ALL SPIRITS AND SPIRITDOM; he has from being a life-long confirmed INVALID, changed his OWN SELFHOOD back to HEALTH, STRENGTH AND RESOLUTION; he has outgrown and overcome terrible afflictions and miserable defeats; he has risen from a state of lost FORTUNE, DEGRADATION, POVERTY, RAGS AND HUNGER, to a place of Commanding WILL, SUCCESS, OCCULT POWER AND HEALING GRACE, so far removed from the Ordinary as to bring thousands to recognize his present UNDERSTANDING OF THE LIGHT OF WISDOM, LOVE AND TRUTH; this has cost Labor, Will, Courage, Perseverance, Eternal TRUST in the SPIRIT DIVINE and a readiness to SERVE and OBEY every IMPULSE and RADIATION of the SOUL of him, coupled with that discipline of mentality which bows to NONE LESS THAN

THE TRIUNE GOD and HIM manifest, in man, as Superman, reflecting THE HOLY GHOST. I know whereof I believe, and I know in Whom I am saved, and I know My Spirit is True and that HE is THE LIGHT OF ME and ALL that IS, has been this man's constant thought and acceptable motto. One night a vision came to me; I beheld a woman with sledge hammer, at least eight pounds in weight, standing before my door; she swore a fearful oath and exclaimed, "In goes this Mystic's door!" "Before me all doors cave in!" "Behold! the blow of my Powers, Art and Magic!" She struck the blow; but never the door received the intended shock of such a venomous blow; a great White Light reflected before and out from that Door; it was the REFLECTION OF THE HOLY GHOST; the SLEDGE HAMMER REBOUNDED AS IF IT HIT A POWERFUL RUBBER BALL; between the eyes, square in the forehead, smashed the awful HAMMER, and the WOMAN fell backward, SELF DESTROYED, INTO THE STREET BEFORE THE HOUSE SHE WOULD DESTROY; the scene ended; we saw no more, but within the SOUL spake a grand, sweet, "Still Little Voice," "Thus perish the Blasphemer and the would-be destroyer of those who on ME DEPEND and as my MANIFEST do stand." Is this MAGIC? No, not MAGIC, but SELF CENTERED, POTENTIALIZED SOUL ENERGY; this is that which cometh of SELF TRUST, POISED SOUL and ETERNAL CONFIDENCE IN THE SAVING POWER OF THE TRIUNE ONE. We would not write silly stuff; we would write as we are inspired; we would select that which is the real of POWER and write it on these pages that it might become that written upon the Souls of men and women. Soul Calm is the Invincible CALM that protects, uplifts, overcomes and Heals and WINS. There is no other Power; there is no mentalism worth while before such a power; it need

not go forth to fight, for its strength lies low 'till some one, or something, comes forth, like Goliath of old, to do it battle; it remains silent; it stays at home; there is its power.

We have found this Blessedness, we have revealed it in the thirty issues of our Magazine. We hold 20,000 back copies at 10 cents each, or twelve for one dollar. You can get them no other way. They are copyrighted.

Last month through our work a man sold a house in Denver, inside of three days' time; he may think this is untrue; but he came to us, asked for help to catch one particular customer he expected to sell to; he asked that one particular customer \$8,500; we said we will make you a Magnetic Center to which the purchaser shall come; what is offered accept and you shall sell your house; he sold for \$8,700 instead of \$8,500; we met him a day or so later; he rushed up all smiles and shook hands: "I sold my house for \$200 more than I asked; wasn't that fine?" "Yes, sir," we answered; "but I did not sell to the man I listed with you and am sorry, for I would have then given you a rake-off." We smiled, for this was the fifth time we had made good for him, and as we thought of ten or twelve mines we had likewise sold, we said: "Well, we think it about time some of you ducks were digging up."

We have worked several promise-to-pay games, and invariably got the smile and the handshake pay. There is one couple living together as a final outcome of long and tedious work, for which we were to receive fifty dollars extra, but, Oh! Lord! what's the use mentioning more? We find our Five Dollars a Month, win or lose, the only SAFE MODE of procedure. Somehow we are safe on over ninety per cent. of our undertakings, which is beyond all records in any other professional line, yet we are looked upon as a THING to be SKINNED wherever SKINNING is possible; good-day, SKINNER, just PAY in advance and ALL will be better and more honestly done.

What is an unfolding or developing Medium? Well, it is a man or woman endowed with Life-Revealing Process or Psychic, for the benefit of like endowed human creatures. Rare, but of greater worth than ALL earth's treasures are such beings; they are reticent and careful; they obey the injunction, "CAST NOT YOUR PEARLS BEFORE SWINE"; they are NOT boasters; they are ABOVE CARNAL DESIRES; they WILL to HEAL, to UNFOLD, to BUILD UP CHARACTER, to draw out the SOUL CAPACITIES, the HEALING FORCES; they are seldom known by the many; they belong to that which is above and beyond the OWNERSHIP and POSSESSION of a man or a woman; they are BORN REVEALERS, LIFE REVEALERS, TRUE PSYCHICS.

Do you know these people? They are clean; they make others capacity and riches; they are usually POOR themselves because whom they make RICH forget the TEN PER CENT. DIVIDEND owed them as for the LORD'S BLESSING; the LORD works, ALWAYS, through Physical and Material Agencies in material things. Are you, dear sister or dear brother, one of these beneficiaries who has forgotten this trifling TEN PER CENT.? We could NAME SEVERAL HUNDRED in our brief experience, and if they would DO RIGHT we would be better able TO DO our DUTY on a larger scale.

As we rise in the scale of life, from lower to higher, we also increase our necessities and wants; with this very increase of wants we necessarily evolve new and greater creative energies and more stupendous Soul Forces; we ever and ever grow a larger and broader conception of things and relationships, and thus become that Magnet of Love which sends forth the impulse of necessity and as Light of Spirit, brings back the recompense, in the very essential of our necessity, whether of Spiritual, Mental or Material or Physical Realms, be the supply.

When Jesus on the Mount spake His
wondrous word,

None bethought the thunder of that
power, in Truth,
Which, like shafts of Jove, as two-edged
sword,

Should cleave in sunder, forever, the
uncouth
And miserly religiousness of slaves to
Form.

It seems He knew, then, the after thral-
dom,

Of man to Form and Things, the bit-
ter hate,
The hindrances of Sects and Creeds,
freedom

In nothing but that which, an after
fate,
Might decree as solace to mind and
mood.

The world stands aghast and observes
the fray;

Understanding not, how the theme,
brotherly Love,
Can be practical as preached, or come to
stay,

Where religionists, void of the Light
above,
But trail in the dust, Christ's Peace and
Truth.

This editor once, when in High School, kept company with a beautiful blue-eyed girl; she seemed everything a man could be proud of; but upon visiting her, at home, he was dismayed; she always met him with a cheap novel in hand; usually with eyes swollen from tears shed over the sickly sentimentality of the balderdash therein written; her love was chaotic; at times effusive and impulsive; again absolutely peevish and discouraging; whimsical was her mentality; she expected the traits of character in an honest attendant which she had found portrayed in the hero of the novel; bethought her of the getting down on your knees stamp of lover; this editor never did go down on his knees to living being, and hence one day his lady associate provokingly said, "You are not to me as a real lover should be; you show

me no such deference such as true lover should, and I guess you need not call again." Manly, always, we simply took our leave with a firm resolve that the affair had ended, there and forever.

After a month or so we left the school, and, later, received several pleasant letters; we did not think of them, even seriously, until we were informed that our "Lilly" by name, had suicided at New Orleans because of grief at her failure to recall her lost Love. It struck us where the chords of our heart were soft; it also struck up an eternal WILL against cheap NOVELS, as literature for any girl we might thereafter know as a Novel Fiend; it has staid with us and we have ever been an enemy of all such literature and shall continue, still, the enmity. We have worked daily, since, in our present work, of freeing souls discarnate as well as souls incarnate, to free that one, of the long ago and of pleasant memory.

Our healing CAN NEVER STOP AT THE GRAVE; as discernor of Spirits and as true PSYCHIC, we must aid those bound, in soul and spirit, who unthoughtedly, went out of the body to their retention, in earth-bound realms, until set free by a MASTER. We have no evening visitor who comes with more charming grace than "Lilly," and none who appears, now, with less blemish; eight years we have watched over her after unfoldment and, if nothing more be to our credit, we solemnly believe one soul, at least, shall greet us on the other side, with smiles and NOT with TEARS. We write this for the GOOD it may possibly BE to our younger readers and with the hope that it may help some of our older ones. Love attracts its like; Love never dies; it passes from earthly clay, but to become the ozone of the very Soul of those left behind; it harbors near, when others forget its chord and charm, and as fair spirit presence, helps to wipe dry a tearful eye or clear a gloomy mind. I love the Religion of Soul because it is Love to me.

Let the LIGHT of TRUTH be your manifest and you shall be set free.

Insurance, Buying and Selling, Estates, Marriage, Law Suits, Divorces, etc.

"DO ALL THINGS IN DECENCY AND IN ORDER."

When we first placed the WORD PSYCHIC upon our printed matter, we were thunderstruck to have a splendid, GOOD PERSON come to us and REMONSTRATE; we asked for REASONS; we were told that the WORD had been MISAPPLIED and had BECOME one of abused interpretation; we answered, then, it is ALL THE MORE WORTH WHILE TO USE IT AND MAKE IT WHAT IT REALLY MEANT, "SPIRIT'S BREATH"; "HOLY BREATH," THE DIVINE EFFLUENCE awakening in man the true SPARK OF BEING, THE LIFE-PRINCIPLE.

We have used the WORD EIGHT YEARS; it has BECOME THE WORD OF POWER WITH OUR PROCESS; our BUSINESS IS RESPECTABLE AND RESPECTED; any man, woman or CHILD may COME TO US with perfect CONFIDENCE and TRUST, KNOWING FULL WELL that NONE DARE UTTER ONE SYLLABLE, in TRUTH, OR HONOR, AGAINST US or our SPLENDID METHOD. We have NOT PILED UP MONEY, but we HAVE made the BUSINESS that WILL PILE UP MONEY through CLEAN, HONEST AND UNQUESTIONABLE METHODS and strictly RELIABLE WORK. None can afford to DO otherwise; it PAYS to WAIT and BE SURE of every detail ere doing anything contrary to GOOD and CLEAN PROFESSIONAL LIFE or WORK. The Spirit has been GOOD to us and has GUARDED US against ERROR and we praise God therefore. Our head offices are the HEAD of TWO organizations; both incorporated and properly sustained, under the LAWS of COLORADO, and are well known as such. If GOOD WORK and PURE GOOD you seek, you need not hesitate in COMING HERE. We have the

GIFTS, and though dubbed many things, we ARE of THE RIGHT SPIRIT, and none DARE SAY OTHERWISE.

Experience, along all lines of life's duties, is worth much when it comes to making a Business and building up a grand and useful Institutional Concern. We COMBINE WITH NONE, because to DO SO might be a mistake; what we have built up is as we want it, and it is PROSPEROUS and SUCCESS in every detail; more, none could wish for; it speaks for itself and is the guarantee of the SAME to ALL PATRONS.

Without a graft we have won for Honor, Honesty, Integrity and Name and Fame.

You can well afford to join us. Your Success is our Success. Our Success is your Success.

We are all passengers upon the one great boat; we may ride in friendly mood, or raise Cain all the way; we shall not be dumped off until we become a useless form or needless weight; the LORD and MASTER at the helm will provide and carry us through, if we but have Faith, Trust and Love.

"I never had a chance or an education," is often the remark of persons whom failure marks out for trying circumstances; "if I had had the advantages of an education I might be somebody," is another favorite remark; such persons never will accomplish results; they are already defeated by their own acknowledgments of inferiority; the world is overrun with cheap and good books; get busy; read more and whine less; we have no right to be ignorant, not in this day and age; Stephenson grew up an ignorant man; others educated themselves long after the fortieth year; get the Spirit of Pluck and Vim and Will Energy going in you and you will find you can amount to very much in life. Laziness of intellect is the fool's excuse.

"Woman the Soul of Man" is an energetic, inspirational and ingenious little pamphlet that recently came to our review table from its author, Prof. Wm. H. Hoegee, of 1800 North Vermont Avenue, Los Angeles California. We found many timely and splendidly rendered Truths within the columns thereof, but we could not help noting the FACT, which we may be pardoned from stating, that, in our estimation, Man and Woman are the OTHERNESS of each other, and that the TWIN UNITED MAKE A COMPLETED SOUL; accordingly we disagree with the title of this well written and enthralling pamphlet, "Woman the Soul of Man." Woman is the Inner, "the Wisdom, Beauty and Splendor," as the INSPIRATIONAL NATURE of the ONE COMPLETED and ESTABLISHED SOUL, hence, SHE is the MOTHER OF INSPIRATION, IN MAN., while MAN BECOMES THE OUTER MANIFEST, OF FORM, OF INSPIRATION, as OF THE MOTHER SPIRIT OF WOMAN. We have always, and always SHALL, INSIST that MAN is the PROPER MANIFEST of ALL that requires DEMONSTRATION, IN THE ROUGH, the POSITIVE, the MASCU-

LINE; we have ever held, that WOMAN should BE THE INNER MANIFEST, and should leave to man the outer expression; we have never varied from the belief, that man without woman, as helpmate, his Inspirational OTHERNESS, as backing him in all life's exterior affairs, was absolutely but a half expression and lacked that "Wisdom, Beauty, Splendor," indwelling him, and essential to his Intellectual Strength and Firmness which brings about TRUE GREATNESS. Show me a great man, and I will show you either a great Mother, or a great WIFE working, in and through him and, never, in PUBLIC BETRAYING WOMAN'S GIFTS to his DEFEAT.

We simply advise ALL to get and read this little pamphlet, but forget not, that MAN IS MAN and should BE MAN in MAN'S POSITION; while WOMAN IS WOMAN and should BE WOMAN IN WOMAN'S PLACE. We know some FEMALES will JUMP upon this CRITICISM, but no REAL POWER, AS WOMAN, DIVINE in NATURE, will say aught against our criticism.

Joan of Arc, one of the grandest types of pure WILL ENERGY ever exhibited, was burned at the stake by the Religionists of England because of her Spiritual capacity and ability to inspire others with her own inspirational nature; she was termed a WITCH; the last refuge of chicanery and hypocrisy is to falsify one's relationship to mankind; what we fear becomes a hypnotic spell or magical mesmeric force, or else witchcraft.

Cowards unable to inspire others, crucify whom can so inspire their fellow men. Justice too often becomes the Right Hand of Power to cowardly hypocrites. Joan of Arc was of that capacity which turned defeat into victory and fear into bravery; she was of THE HOLY GHOST, a MANIFEST; she was a REVEALER in the shape of a mere WOMAN, but a Saintly Being, at that.

"The mills of the gods grind slow, but exceeding fine"; Justice will prevail, even though a thousand years pass in the final edict being pronounced; too bad she did not understand her Divinity, in the Spirit manifest, and utilized it as it CAN be utilized, for the destruction of an host of men as easily as that of one who rises up against it.

Talk not of any coalition of Forces, Isms, Sects, Revelments, Spirits or Elements, less noble and enduringly victorious than the ABSOLUTE in MAN, at work for the GOOD of all that humankind may manifest or represent.

Superman is none too great, neither any too large for the MEASURE of the MAN who worlds must conquer, or a simple person HEAL or change in CHARACTER; uncompromisingly on this platform we stand, NOW and forever, until our PURPOSE is WON. Like Oliver Cromwell, swords are playthings if RIGHT demands they be taken to raise aloft a People. This is our inspiration; this our very SOUL and WILL; this our TASK. All shall, however, come as per LOVE, WILL AND WORD, as of SPIRIT DIVINE, or else, not come at all.

WE GET RESULTS.

THREE ADVANTAGES OF MAGAZINE ADVERTISING

1. ITS PERMANENCY

The life of a magazine advertisement is long. It remains effective for many months, often for years. A magazine is read, passed on, reread, goes to hospitals, to the army, navy-abroad, and is at last put on sale in the secondhand book stores, and begins a new life. No other form of advertising has this longevity.

2. ITS PUBLIC.

The magazine reading public is the live, up-to-date, busy, enterprising, inquisitive public. The magazine is the business man's and the housewife's literature. It is the recreation of the leisure hour, and the mirror of the world's events when these have been sifted from the chaff of rumor and mistake. Magazines are cheap enough to reach all intelligent readers, good enough to command their attention. The magazine public is the material upon which to build permanent advertising results.

3. ITS COMPANY

The great magazine advertisers are the prominent successes of the business world. To be associated with them in the public mind is to secure the very best publicity—to enter the aristocracy of advertising.
