## Our Service to You

Readers who are interested in Psychic Phenomena or occult demonstrations, and prefer to conduct investigations in their own homes, we extend the invitation to write this publication, and we will advise them regarding the conducting of seances, or aid in any way possible, to the end that you may gain experience and partake of the joy which comes with the knowledge that those who have gone before are not dead.

We realize that there are many of you who have had the unfortunate experience of getting acquainted with undeveloped Spiritual mediums, or perhaps outright frauds, and as a consequence have come to believe that psychic power holds no means of progress for you.

We offer you the opportunity to gain experience in your own home under your own test conditions.

Address all communications regarding our offer to Service Department, *Psychic Power*, 1904 N. Clark Street.

Ask your Book Store or News Dealer for *Psychic Power*. 48 Pages and Cover—30 Cents.

## PSYCHIC POWER

AS THE Leading and Largest Publication of its kind on this Continent it carries authority, prestige and integrity into every field of Psychical Research and Occult Investigation.

48 pages of newsy, interesting and instructive reading matter, supplemented by illustrations and diagrams.

The cover, a symbolic design in three colors shows the branches of Psychic Science, which are taught and discussed in the various departments, devoted to their study.

*Psychic Power* is the only magazine which TEACHES Psychic Science from a purely educational view point. The only magazine which is solely conducted by Psychics who in their daily life put into practice what they teach and who make it their sole aim to demonstrate the proper application of Psychic Law.

### Our Personal Service Department

Is free to all our readers regardless of color, creed or nationality. Every letter or question is carefully read and studied by an experienced Psychic of proven ability; one who is possessed of that universal sympathy which enables him to listen with the most solicitous attention to your story and who will advise you with the least self-interest; an advisor who has learned by intention and training to guide those who call upon him in time of misfortune.

This Department is practically swamped with letters containing personal questions. Lack of space presents us from answering every personal, material question and for this reason preference must be given to those who identify themselves as purchasers of a copy of this magazine. When writing to this department enclose the Coupon printed at the bottom of the page. If you wish to conceal your identity you may use a fictitious name as your signature or any words similar to those used by other enquirers.

Readers who prefer to receive a personal reply by mail are requested to enclose a self-addressed stamped envelop

**Ingersoll's Complete Lectures**—Ingersoll has long been regarded as one of the greatest orators America has produced. His beauty of style and profound logic places his works among the greatest of their kind. Ingersoll's views were those of the Agnostic School of thought as exemplified by Hume and Kant, with a mingling of the philosophy of Berkeley. The millions that attended his orations are unfailing proofs of his great personality.

This volume includes forty-four lectures on all subjects. 411 pages, printed on excellent paper, 8vo. Bound in cloth with jacket.

Postpaid, \$1.25

**Age of Reason**—By Thomas Paine. Thomas Paine was perhaps the greatest and most remarkable analyst of the Bible the world has produced. His arguments on the New Testament in "The Age of Reason" are masterpieces of criticism, bringing out in forceful and readily understandable language all phases of differences between the writings of the so-called apostles, and making such comments as even a child could understand of the utter impossibility of the truth contained in their alleged writings.

This book is printed on excellent paper, 187 pages. Paper binding, postpaid, \$0.40

**Scientific Mysticism**—By Holden Edward Sampson. A scientific treatise based on the mysticism of the origin of Man. Explains the Laws of Nature, the Laws of Sin, and Evil, and of Redemption. Deals fully with the fall of Man and the origin of Evil. This book gives conclusive evidence that the Bible is the most scientific and illuminating book in existence. Teachers of Religion, Mysticism that is Scientific. Cloth bound, 256 pages, stamped in gold. Published at \$2.50. Our price, postpaid, \$1.25.

**The Cabala**—By R. Pick, Ph. D. A study into the influence of these sacred writings on Judaism and Christianity. 116 pages, illustrated, cloth bound 50c
