RELIGIOUS SCIENCE

VOL. I, No. 2

JANUARY, 1955

RELIGIOUS SCIENCE Magazine published monthly at 624 So. Virgil Avenue, Los Angeles 5, California, U.S.A. By the International Association of Religious Science Churches; a non-profit, California Educational and Religious Corporation. Twenty-five cents single copy. To spread the Principle of "Science of Mind" as taught in Religious Science. Editorial Board: Chairman, Robert H. Bitzer; Jesse V. Longe, Raymond Charles Barker. Managing Editor: Walter Edward Ramsey.

Think What You Want

Unless a principle always produces the same results, it has no scientific basis. It is not a principle but a theory. This magazine announces a Divine Principle which anyone may use after he discerns it as a Truth, and uses the correct technique for its operation.

Jesus produced tangible results for his followers. His message today properly applied through the techniques of Religious Science will do exactly what it did two thousand years ago. You can change your life through spiritual treatment, which is the Science of Mind.

A treatment is a change of consciousness induced by centering your attention on your desire, and firmly believing that God is in action producing it. A repetition of affirmative statements to this end constitutes the practice of our Science. It is a simple, direct approach to God, the basic Reality of all things.

Know what you want. Think what you want. Believe that the Divine Intelligence is producing what you want. Don't be nebulous. A definite Law of Mind requires a definite demand upon it. It works as you work it.

Raymond Charles Barker

In The Image Of God

As you read "And so God created man in his own image . . . " (Genesis 1:27) does it ever occur to you to substitute the word *imagination* for the word "image"? I confess that, since discovering Truth through Religious Science, I find it difficult not to make the substitution as I read the passage.

"And so God created man in his own imagination . . . "

That change of a single word (and it might reasonably be considered a natural correction of a misinterpretation) has two results:

First . . . it appears to remove a seeming "personality" from God and place it upon man, His creation. This would seem sound from the standpoint of semantics, since what is Universal cannot be Personal at the same time.

Second . . . it provides us with a perfect basis for our faith in that, being part of Divine Mind, we can create in OUR imaginations and by our thoughts-with-faith whatsoever WE would have appear in our experience.

Yes, imagination is the greatest tool of man. With it, through perfect faith, he can accomplish his fondest desires. Perhaps faith alone can work miracles; but when, to faith, we add the power of *imagination*, there is no question.

I AM DIVINELY GUIDED.

► *"The Lord my God will enlighten my darkness."*
—PSALM 18:28.

THERE IS A LIGHT which lighteth every man who cometh into the world. That light is the light of Truth at the center of my being now.

As I still my mind and look sincerely within myself for the right understanding, I discover the voice of Truth speaking in a language which I can understand. This clear understanding is my guidance.

Mental blocks are cleared away from before my inner vision and the Light of Truth dawns in my consciousness and I see and know what to do and how to do it.

In this inner Light of God's Wisdom I behold the Divine Rightness of all things and know my right place in the Divine Order is assured.

I discover my own Godhood and know that as a son of God I am heir to his Kingdom and its Righteousness and that all that my Father hath is mine, now and forever. I cannot be anxious or confused when I am aware of this Truth.

SINCE GOD IS ALL, RIGHT GOVERNS ALL
THAT I DO.

► *"For there is no power but of God."*—ROMANS 13:1.

I HAVE complete faith that right governs. I act in confidence because right coordinates every effort and activity. I believe in the all-rightness of myself. I know that God thinks of me as all right because God made me all right. I accept the all-rightness with which God has endowed me. Right prevails in every situation. Right causes all things to work together for good.

I have the right attitude toward everyone in my individualized world. Right governs the relationships where I live and where I work. Right establishes my remuneration and my recognition. I know that there is no cause for anything being wrong in me nor around me. God is the only cause and God is right. The only cause for my health and for my work is God. Right action permits no obstacles. All things do work out right. Right governs, right now, right where I am.

MY BUSINESS IS EXPRESSING.

► *"His power hath given to us all things that pertain to life and godliness."*—II PETER 1:3.

THERE IS That Within me which is sheer Power, Life, Wisdom, Strength, Beauty, Joy and Love. Without it, I could not exist. My one supreme business day-by-day, hour-by-hour, is to let this imprisoned glory out.

As I release this imprisoned splendor into my world, it goes forth to Bless and Glorify, proving I Am Unlimited in Mind and Body. Mentally I vision my body as a strong, powerful instrument for whatever I need to do. It is always efficient, untiring, for I keep my thoughts ever on the good. I Am glad, happy, joyous, jubilant, rejoicing, knowing that what I give attention to gravitates to me.

I remain poised under all conditions. The future I face fearlessly and unafraid. I feel aglow, alight, radiantly alert to every golden opportunity.

I cultivate genuine love for every living thing. I am courteous, loving, with a love that sees no faults. God in me work through me and as me, His wonders to perform.

MY MIND IS PART OF, ONE WITH, THE
DIVINE MIND.

► *"Let this mind be in you which was also in Christ Jesus."*—PHIL. 2:5.

I DESIRE that every facet of my life—mind, emotions, body, activities of home and business — shall manifest an ever increasing Order, Love, Harmony, which is the Nature of the Indwelling Christ. I surrender every thought and feeling, habit and memory to this Indwelling Presence.

The Christ within is my life and light, my intelligence and joy. I have no mind but the Divine Mind. My mind is part of and one with the Divine Mind, thus always alert, alive, awake, aware. I always know the right thing to do under any and every circumstance. I cannot even be momentarily confused, for I realize instantly that the Wisdom of God is even now flowing through me, revealing to me that way which is Divinely Right. The moment I know, I act upon the knowingness. Always perfect results follow.

I know that this meditation-treatment brings about every change in my consciousness necessary to realize fully, freely, joyously the activity of Divine Mind as my mind. So it is.

TODAY IS THE ONLY ONE THAT COUNTS.

► “Behold, now is the accepted time; behold now is the day of salvation.”—II COR. 6:2.

YESTERDAY is dead. Tomorrow with its rich potential is yet unborn. I have only *today* in which to live.

I know this intellectually, but let me see clearly the full import of this fundamental reality. *Right now*, is the only time I can think; it is the only time I can feel; it is the only time I can set the Law of Mind in operation. *Right now* is the only time I can turn my thoughts to the Indwelling God, the only time I can experience his warm Inner Presence.

What a wonderful realization! This moment is the most important in my life. What I believe, think and feel at this moment *is* my life—and by the Great Law it will unfold in my experience. Therefore I open my heart to the Power, the Love and the Wisdom of God in me now. I accept the Universal Good which is mine—now. I give thanks for the growing awareness that I live only in the forever-glorious today.

I REFUSE THE LUXURY OF FEAR.

► *"There is no fear in love, but perfect love casteth out fear."*—I JOHN 4:18.

GOD PLANNED this world for good. His mind fashioned me to be in it as a receiving and distributing center of good. The Divine Plan does not include fear, and I now dismiss it. I can no longer afford the luxury of negative thinking. I decree for myself that I shall honor God by thinking His thoughts.

I rejoice in the positive. I rejoice in Truth and Its immediate demonstration. I do not wait for heaven to happen, I create it for myself right now. I do this by dwelling on the beauty, the goodness and the harmony of Life. Within me and around me God acts as a positive creative Mind.

The Lord takes care of me. Any residual fear in my subconscious mind is now dissolved by this treatment which is the Word of God. I refute all negatives and rejoice in all positives. I am free of fear and I progress today with ease. His Mind upholds me and His Power is mine to use for right action.

THE SOURCE OF MY GOOD IS UNFAILING.

► *"The Lord is the strength of my life, in this will I be confident."*—PSALM 27:1, 3.

I AM ONE with the omniscient, omnipresent Mind of God. This is the foundation of my faith; and my faith is the basis of my knowledge of Truth. My recognition of this inseparable Oneness opens my eyes and heart to all Good, to all Perfection and to all Harmony. Being at One with God, I am at One with perfect health, with inspiring beauty and an ever-expanding stream of successful activity.

This knowledge of Truth sets me free. From this day forward I walk with the sure step of faith. I here and now reject all limitation, all condition and all lack. This day, my word is the Word of God. This day, my word has Infinite Power for Good—for Peace—for bounteous Plenty.

I accept my Good. I open the gates of my soul and let the Mind of God flood my Being with all the blessings He has planned for me. And in gratitude I take what is mine.

I DESIGN MY LIFE.

► *"I have counsel and sound wisdom; I have insight."*
—PROVERBS 8:14.

ALL THINGS past, present and future were always known in Mind. I live in that Mind and have access to Its entirety. I am a self-conscious Being in the One Mind; I do personally that which It does Universally.

Today I draw upon the One Universal Mind and It creates a personal experience through me. My job is to take that which is Universal and Infinite and mould it into a human experience of Good. I do this by *being* in nature like The One which is perfect.

I weave my design of life around the idea of a perfect body, because only by good health do I provide a proper human instrument for Mind's perfect expression. I know that it is the nature of Mind to supply me with good health, and that my body will be well and strong. I refuse to divert Its perfect action through me by entertaining thoughts of fear and doubt.

Jesse V. Longe

I LIVE ACCORDING TO THE LAW OF LIFE.

► *"He that keepeth the law, happy is he."*

—PROVERBS 29:18.

THE UNIVERSE is a spiritual system based on a Law that I cannot break. Spirit acts through Law, and in my own personal life this is true. Within me the Spirit inspires and my subconscious is the Law which acts upon its inspiration. Knowing this, I have the key to freedom. I let God take over the affairs of this day.

There is no strain when Spirit guides me. The Mind which gives me the Idea is the Mind which executes It. I am now receptive to every Idea I need for easy and effective living this day. I am led and governed by God in every decision and every action. My right thinking produces right action which in turn produces right results.

My thoughts determine my experiences. What I think causes a result governed by Law: my good thinking produces my good. There is no other way for me to get my demonstration but to think it. So, knowing the Law of Mind, I now think in terms of what I want, and it happens.

MY SATISFACTION IS GUARANTEED.

► *"I shall be satisfied, when I awake, with thy likeness."*—PSALM 17:15.

I AM SATISFIED in everything I do for I am increasingly aware that perfect action does manifest. I love and bless my mind, emotions, body; my home, friends, neighbors; my business, associates, customers. Each is, in Truth, some aspect of the Divine Nature. I realize that blessing, loving, appreciating each detail of my life and activities is to release Divine Action into them. Where Divine Action is, perfect results follow. Where perfect results manifest, Satisfaction is guaranteed.

So I dare to proclaim my joy and satisfaction with every detail of my life. I know that as I affirm satisfaction and pleasure, my life is transformed; everything unites in expressing Joy, Beauty, Peace; Fun, Freedom, Fulfillment. All my world reflects back the blessings I have given it.

I am satisfied, content, happy—NOW AND ALWAYS. I KNOW that the Perfect Activity of God IS even now flowing through me into expression. Thanks be to God for the infinite flow of blessings that fill my life with satisfaction now and always. So it is. *Lois Maxwell*

I AND THE LIGHT ARE ONE.

► *"And God saw the light, that it was good . . ."*
—GENESIS 1:4.

AT THE Center of Being is Light; I am in it, and it is in me. We are One and Inseparable. This light is Pure Consciousness. Recognizing this, it shines forth through every thought, feeling and action that emanates from me. It is the only reality! I claim my right and press my claim as a conscious, active extension of this light; the light, itself, is my very being.

God is the power. I am the light of my world. There are no shadows or valleys deep enough to withstand the radiant power and beauty of my light.

My consciousness is a pure reflector; therefore the light radiates and harmonizes every condition, person, place or thing that comes within the radius of my thought. It heals, blesses and prospers everyone it touches. It cleanses and purifies the conscious and subconscious activities of my mind and body. I am whole with the wholeness of God. I am grateful to the loving Infinite Presence which I Am.

DIVINE MIND GUIDES ME TO ABUNDANCE
AND SUCCESS.

► *"The God of Heaven, He will prosper us; therefore we His servants will arise and build."*

—NEHEMIAH 2:20.

QUIETLY I contemplate God's omnipresence. I recognize this Presence as God in me, as Life in me. All nature is the abundant proof of the givingness of this Life. It gives abundantly to me as I provide a channel through which it can flow into expression. This channel must be something I can *do*, somehow I can *give*, somehow I can *serve*. Divine Mind in me knows which activity will give me the greatest opportunity for true Self-expression and at the same time fill, copiously, all my needs.

Divine Mind is guiding me now in the Right Activity. IT is opening the way. IT is sparking the action. IT is alerting my conscious mind to the necessary outer steps. My success is assured because it is *now* a reality in Mind. It is already beginning to unfold in my life as an experience. Patiently, I watch this timely unfoldment. Eagerly and joyfully I do, give and serve, with the certain knowledge that I am moving toward rich fulfillment.

I LOVE LIFE.

► *"As thy days, so shall thy strength be."*

—DEUT. 33:25.

THE JOY OF LIFE is mine today. I realize that my human mind alone cannot solve all my problems. So, I gladly turn to the Mind of God. Here I find pure Intelligence, complete Wisdom and eternal right decision. In me this Mind operates, and through me It creates my good. I trust God's decisions, and I rest in the complete assurance of His right action.

I refuse to worry about this day or its events. To Him, who is the Author and Finisher of my faith, I turn in confidence and trust. All is really well with my soul. Good surrounds me and upholds me. Perfect Life flows through me. My thinking is premised on God, and I expect increased good. I know that all things work together for good, because I declare that God is the center and circumference of my life.

I rejoice in life. Love appears on every hand, and prosperity offers itself to me wherever I look. God responds to me because I respond to Him. I walk this day with courage.

I REST IN THE COSMIC ONENESS.

► *"Be still, and know that I am God."*—PSALM 46:10.

I REST in the Cosmic Oneness. I am secure in the Cosmic Peace; I feel the harmonious Presence of the Spirit of Infinite Bliss. In this prayer and practice of Being, I find my true self and love. My heart magnifies, glorifies the Infinite One. And immense Peace fills my Being. My Soul hath lost its last futile restriction. I bless every creature in the Universe. The innermost channels of my Being are filled with Healing Love and Light! I anoint all mankind. I am filled with the Divine Grace.

Yea, Lord Christ of the Universe, I am indeed forever immersed in the sublime Baptism of Light! Christ-Light dawns, glows, illumines my whole Soul-nature. Immortal Love is the music of my Being and Mind. I REST IN THE COSMIC ONENESS OF THE HEALING, COSMIC CHRIST! I AM ALL ONE IN THEE!

IN THE SILENCE OF MY INNER BEING I HEAR
GOD SPEAK.

► *"But when you pray, go into your room and shut the door."*—MATTHEW 6:6.

IN THE BEGINNING, silence. All else has come by first listening to the silence. It has been said: "The greatest power on earth is God speaking to a listening heart." I now establish a listening post in the silence of my inner being and from there draw the power to live a life of dominion.

There is no turmoil or confusion in this silence because I exclude my five-sense world of effects. Only Infinite Spirit is there awaiting my choice, waiting upon my decision, waiting for me to conceive the perfect experience. Silence is the womb in which this conception of spiritual power takes place.

I now release this power through concepts of wholeness and goodness about myself and others, and about the world. I consciously expend this power by recognizing my divinity, by loving and understanding others, and knowing It provides me with the wisdom to fill my place in life successfully. Each day I go to the silence and receive there the power to live more abundantly.

I AM ALWAYS IN MY RIGHT PLACE WITH THE
RIGHT PEOPLE AT THE RIGHT TIME.

► *"And this is the Father's will . . . that of all which he hath given me I should lose nothing."*—JOHN 6:39.

THE LAW of Right Placement is always operative in and through me. I always have the right idea for each situation. I use each idea as I receive it because I know that Mind will always provide new ones. Right Placement governs where I work and where I live. Divine Order establishes my business associates and my friendships. The harmony within me brings harmony into my expression. Nothing discordant can exist in me or my experiences.

Everyone and everything in my life fulfills the law of Right Placement. This harmony of being sustains harmonious relationships. Everything in my home is in its right place. Everything in my office is in its right place. Order governs my thinking and sustains coordination in my emotions. I act in certainty because always, the law of Right Placement reassures me. Nothing can ever be misplaced nor can any information that I need ever be withheld. The one Mind always reveals the right thought for each experience.

I BELIEVE IN MYSELF.

► *"If thou canst believe, all things are possible to him that believeth."*—MARK 9:23.

I BELIEVE I am always rightly guided. I believe I will always take the right turn of the road. I believe God will always make a way where there seems to be no way.

I refuse to make "conditions." I reject all manner of limitation. My belief in Oneness with God makes it impossible for me to believe in defeat. Being One with complete Victory, I am protected against even the smallest defeat.

I AM. Therefore I can call upon the All Power of the Infinite Mind to stand before me against all things. I can call upon the Perfect Health of the Universal Mind for the perfection of body that is mine now. I can call upon the radiant Love of God for the way of love in my life.

Therefore, I will. I here and now invoke the infinite Power for all my needs: for an abundance of Life, Love, Health, Good, Harmony and Plenty.

My Word goes forth to completion. So be it.

I AM DAUNTLESS.

► *"Having promise of the life that now is, and of that which is to come."*—I TIMOTHY 4:8.

CONSTANTLY I affirm the Truth that I Am a vital part of God! Since I am Consciously Alive, I must be a part of the essential essence of God Consciousness. Materially considered, my body is but a collection of atoms held together by the magnet of Spirit.

I accept myself as the Power holding them together, and not as a mere collection of atoms. I am at work with causation. I waste no time fussing over the effects of yesterday; I hold myself above regretting past events. Today I use new vision, better judgment, fuller wisdom.

I refuse to be bent or swayed by such negative beliefs as sickness, discord or lack. I hold to Principle. My Power-filled thought, centered on the perfection of Being, keeps me radiantly well, happy, joyous and "Porous to my good." My faith in the Power that produces all things is complete; it is the only power I accept.

I am dauntless, dynamic and filled with delight as I turn to the One Source and obey Its Law of Love intelligently. *Ruth E. Chew*

I EXPRESS COURAGE.

► *"Wait on the Lord, be of good courage, and He shall strengthen thine heart."*—PSALM 27:14.

I KNOW that my recognition and acceptance of the Presence of God expressing through me, as me, keeps my emotions in perfect balance. I know that God has given me the spirit of courage and has endowed me with the ability to eliminate thoughts of fear and failure.

At all times I live in the conviction of my Oneness with God. I cannot be bound by conditions. The Divine Presence in me keeps me aware of my ever increasing good. Regardless of appearances or conditions that would seem to deny the Truth, I know the One Mind in me holds me secure and steadfast.

There is nothing within me that is confused or worried. There is nothing within me that can separate me from my good or that can delay my good from manifesting.

My belief in myself is aligned with the thought of God, with the way God knows me to be: courageous and fearless, today and always.

MY EYES ARE FILLED WITH THE GLORY
OF GOD.

► *"Blessed are the pure in heart: for they shall see God."*—MATTHEW 5:8.

GOD'S GLORY and Radiance fill my eyes with Spiritual Power and Action! Anything and everything that is unlike the Essence of Pure Spirit shall dissolve and fade away. SPIRIT SEES, MIND DIRECTS, SOUL REJOICES IN INFINITE VISION! My eyesight — my vision — is spiritual, Divine and Perfect. No grudge, anger, or secret resentment, can blind my Soul or blind my vision. I refuse to hold anyone or anything in "darkness."

The All-seeing One hath set His discernment in me. My eyes see God everywhere and in everything. I see as God sees—only GOOD in myself and in all people. All the channels of my Being are open and receptive to new ideas, God's ideas, and Love's immortal Eyesight. I make it my business to see through appearances—see through ugliness—and see the God-Spirit within. Love restoreth my eyesight. Thank you, God.

I DWELL SECURELY IN ETERNAL STRENGTH.

► *"God is our refuge and strength, a very present help in trouble."*—PSALM 146:1.

THE OMNIPOTENT and Omnipresent Spirit of Universal Being cannot know anything other than itself. Nor can there exist anything outside of that which It knows. Therefore, I can be only some part of that Omnipotent, Omnipresent, Self-knowing One.

That which is All Power must be self-sustaining at every point within itself. I am a point of this Self-knowing One, since I can be no other. As such, I am Self-sustained.

I need never lean upon the concept of another for there is no other but the One of whom each is an expression; and I am He, right where I am and I recognize Him alone in each one I meet.

Since each one is dependent only upon the One Self within, there is no one to lean upon me. Therefore I set everyone free from all belief in dependence upon anything outside themselves.

The Kingdom of God is within and I dwell securely.

I AM THE OPULENCE OF GOOD.

► *"Wisdom and knowledge is granted unto thee; and I will give thee riches and wealth . . ."*

—II CHRON. 1:12.

I AM THE CREATIVE Mind In Action, forever creating new ideas of beauty, convenience, comfort and joy. I conceive in consciousness, create through imagination, and call into form through the power of The Word. This Word is God in Me speaking His Creation into form and action. My world is good for God creates nothing unlike Himself. I AM A SPIRITUAL BEING, LIVING IN A FINISHED KINGDOM AND THE GLORY OF MIND IS MADE MANIFEST IN IT. I AM THE OPULENCE OF GOD EXPRESSED IN TRUE IDEAS OF WEALTH.

Everything I desire immediately takes form, and my desires are molded by love and truth. The Truth which I Am makes it so. I need not struggle; I need not fight. I need only to *know*, and Know that I Know. This is the creative process which I Am; so everything I conceive to be true is true. My world is a kingdom of wealth and beauty because I Am *that* I AM.

LOVINGLY I GREET THE AFFAIRS OF
THIS DAY.

► *"Thou art my Son, today I have begotten thee."*
—HEBREWS 5:5.

THERE IS only one Mind acting in me and operating through me this day. This Mind is God, the Living Spirit. In me it knows the exact Idea I need and reveals it to me in time and in order. His Power never fails, and his sight is never dimmed. His Love surrounds and enfolds me at every moment.

I shall have a good day, for God greets me in all people and blesses me in all affairs. There is nothing to fear, for His Mind is in charge and His Law is in action upon my right thinking. I expect the good to happen. I expect to work in peace and labor without fatigue. His strength is mine at every moment and I claim it.

Divine Love is my real inner power. What I love will happen. I now love to live life rightly and fully. I love to be the expression of all God is and has. I am an open channel for His perfect action. My thinking is orderly, and my expectations are great.

IN THY LIGHT I SEE LIGHT.

► “*Arise, shine; for thy light is come, and the glory of the Lord is risen upon thee.*”—ISA. 60:1.

“**L**ET THERE be Light” is the Eternal’s Law to me and all Creation. The Illumination of the Infinite dispels all ignorance, humiliation and despair. The Mind of Christ fills my Soul with Divine Intelligence.

I see all things and people in the Radiant Light of His Love. This Divine Light glows in my eyes, heart, Soul and Body. Truth’s translucent Splendor breathes through me its cleansing, healing waves of Light!

The Infinite Vibration—Immortal Love—is the Christ-Tone of my Being and Body.

I bear no burdens. I carry no problems. Radiant Love—Divine Light—clears away hell and establishes heaven in me and in all people. Divine Light permeates my eyes, and vitalizes my Mind. Infinite Light fills the Universe with unutterable Love! A Celestial Unfoldment takes place—in thy Light I am Light!

I AM POISED IN LIFE.

► *"Trust in the Lord with all your heart . . ."*
—PROVERBS 3:5.

I LET THE IDEA of One Perfect Life possess me. I become poised in it. Knowing there is only this One Life animating everything that lives, I now find that Life within me as my life. I now give It full expression through me as a perfect body and perfect affairs and am no longer afraid.

In this way, it becomes easy for me to see the falseness of anything claiming to be something other than this One Perfect Life and I am no longer ensnared in the negative thinking and action of this world. This discovery that I am poised in the One Life causes all material things to adjust and Harmonize. It causes me to see my world through eyes that are focused only on the Truth.

In calmness and serenity I stand aside and watch the perfect action of the Perfect Life in my world. The actions of my body, my expressions of life, and my abundance are now all perfect because I am poised in the One Life.

I EXPAND MY MENTAL HORIZONS.

► *"All the land which thou seest, to thee will I give it."*—GENESIS 13:15.

THIS IS A NEW DAY. I enter into its activities with the firm conviction that I am indwelt by a Divine Presence which is unlimited in its ability to be and to do. I now realize that any seeming lack in the past has no place or power in my life because I am free from belief in limitation. I am now alert to the Truth that what I believe determines the type and the quality of the good I receive.

Today I take the effortless way to a greater good. I withdraw from any confusion at the outer rim of things and establish a listening post deep within the self. There I hear the still small voice of the Divine Presence saying, "I am that which thou art; thou art that which I am." Out of the awareness of my unbreakable unity with the All Good comes an expansion of consciousness enabling me to know that my flow of greater good awaits only my enlarged capacity to receive.

GOD ENRICHES ME THROUGH EVERY
SITUATION.

▶ *"I will trust and not be afraid."*—ISA. 12:2.

I LIVE THIS DAY in God's universe, and it is saturated with His Love and Wisdom. It offers itself to me in friendly ways. It bids me respond to the goodness of Life and the goodness of man. It seeks to bless and benefit me in all my ways.

God greets me through every person. God enriches me through every situation. His Love enfolds me and His right action urges me forward to do greater things. There is nothing to fear, for there is no power to hurt. Only one Power operates in my consciousness, and that Power is Truth.

I deny all evil and affirm all good. There is no devil and I cannot experience hell. There is only God and I live this day in heaven. Here all is good, and I have trust in Life and Love. I walk without fear, and greet the good in all. My faith is strong, and anxieties are non-existent. Secure in Truth, I prove the nothingness of evil and the omnipresence of good.

I AM DIVINE PERCEPTION.

► *"The soul is mightier than space, stronger than time, deeper than the sea, and higher than the stars."*

—GIBRAN.

MY EYES are the windows of my soul, and see nothing but perfection. I am Soul, The Infinite One! All that Soul is, I am! My Mind is always clear, alert, filled with understanding and divine perception. Therefore there is nothing to becloud or befog my understanding or vision. I look upon my world with the vision of the inner eye, and see it peopled with beautiful forms, beautiful thoughts and infinite perfection.

I know that I am really seeing that which I Am Being, and I give thanks for these proofs of my inner awareness of Good. There is only One Mind Acting As My Mind. I am grateful for the good that is mine to express. I express it through my Being into my seeing.

God's thought forces are direct, perfectly aligned, relaxed, alert and active; and my vision expresses these divine qualities. There is no age in Spirit, so my eyes are eternally youthful and beautiful. My soul beholds the beauty of the universe through eyes that are perfect and divine.

I USE MY CREATIVE GOD-GIVEN POWER.

► *"I can do all things through Christ which strengtheneth me."*—PHILIPPIANS 4:13.

SINCE THOUGHTS, like seed, bring forth experiences after their kind, I choose those thoughts which will produce the experiences I desire. I have the power to change my own thinking; and I now make use of this God-given power to replace any negative causes with positive, constructive mental attitudes.

I eliminate any misery as I behold the Truth of God's Allness. He is my light and my salvation and the strength of my life. Beholding Omnipresent Goodness, I can no longer accept evil as having any reality.

False beliefs and negative attitudes are reversed and neutralized. Illusions of human thinking have no power to control my thoughts or feelings.

I fully accept this principle of Absolute Truth that God is Good and God is all. I know that Eternal Goodness governs the universe and that I live, move and have my being in this Eternal Goodness as my divine birthright.

This Truth now resolves all erroneous conceptions and reveals wholeness and peace.

DIVINE INTELLIGENCE DIRECTS ME TO MY
GREATEST GOOD.

► *"When thou goest, it shall lead thee; when thou sleepest, it shall keep thee; and when thou wakest, it shall talk with thee."*—PROV. 6:22.

WHETHER I am conscious of it or not, Divine Intelligence guides me. It directs my every effort into my greatest achievement. It permits nothing to interfere with the positive, progressive momentum of my life. No confusion can exist in or around me because the Directing Intelligence sustains right action. This intelligence makes easy my work. I am directed to each place where I can be the most effective. That which I have to offer is made consciously known to those who need it; and the guiding Intelligence leads me inevitably where my work, my talents and my abilities are recognized, appreciated and rewarded.

This guiding Intelligence draws to me the opportunities which I need for the achievement of my good. The dominant thought pattern of successful achievement influences everything I do. It automatically repels frustration or failure. Its positive impetus for success is so great that it makes its success known. *Robert H. Bitzer*

Monday, January 31

I AM IN TUNE WITH G-O-D.

► *"Your heart shall live forever."*—Ps. 22:26.

BECAUSE I have consciously tuned into God I receive the broadcast of Divine Love.

There is no static, no commercials, no discord in my reception of Eternal Truth. I am thrilled by the harmony and beauty of the cosmic symphony as it sings its way into my heart. I am in tune with the Eternal Rhythm and Totality of the Universe. My pulse beat is in time with the movement of Immortal Life.

I am filled with the courage of my realization of Christ in me. New interests, fresh ideas, spiritual enthusiasm, constantly inspire me on to greater heights of spiritual achievement. The past is none of my business—the future is in the Mind of God—NOW is all the time I shall ever have. My heart rejoices and renews itself as Divine Love circulates throughout my being. I take hold of this day with Joy, and live the Abundant Life each moment.

Headquarters: 624 S. Virgil Ave., Los Angeles 5, California

"We believe in One Universal Spirit manifesting through all nature and incarnated in all men. We believe that the Universal Spirit is personal to and reveals itself through everyone who recognizes its presence. We believe that our faith operates upon a Law of Mind which automatically manifests in our experience according to that faith."
