TABLETS**

"The name itself suggests what Antikamnia is, and what its remedial properties are:—Anti (*Greek-AvTi*), Opposed to, and Kamnia (*Greek-Kaμvov*), Pain—therefore, "ANTIKAMNIA" (Opposed to Pain)—a remedy to relieve pain and suffering.

"In certainty and celerity of action, it has been found superior to any of its predecessors in this field, especially in cases of Acute and Chronic Neuralgia. Neuralgic Toothache, Tic-Douloureux, Myalgia, Migraine, Hemicrania, and all forms of Headache, yield to its influence in a remarkably short time, and in no instance have any evil after-effects developed. The chief claim advanced in favor of Antikamnia over all other products is, that its use is not followed by depression of the heart.

"The dose for adults, which always gives relief in severe headaches, especially those of bookkeepers, actors, lawyers, students, mothers, teachers and nurses, in short all headaches caused by anxiety or mental strain, is two tablets, crushed, followed by a swallow of water or wine. It is *the remedy for La Grippe*. As a preventive of and cure for nausea while travelling by railroad or steamboat, and for genuine *mal de mer* or sea sickness, Antikamnia is unsurpassed, and is recommended by the Surgeons of The White Star, Cunard and American Steamship Lines.

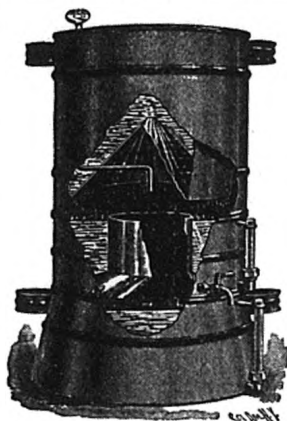

"There are very many important uses for Antikamnia, of which physicians as a rule may be uninformed. A five grain Antikamnia Tablet prescribed for patients before starting on an outing, and this includes tourists, picnickers, bicyclers, and in fact, anybody who is out in the sun and air all day, will entirely prevent that demoralizing headache which frequently mars the pleasure of such an occasion. This applies equally to women on shopping tours, and especially to those who invariably come home cross and out of sorts, with a wretched "sight-seer's headache." The nervous headache and irritable condition of the busy business man is prevented by the timely use of a ten grain dose. Every bicycle rider, after a hard run, should take two five grain Antikamnia Tablets on going to bed. In the morning he will awake minus the usual muscular pains, aches and soreness. As a cure and preventive of the pains peculiar to women at time of period, Antikamnia is unequalled and unaccompanied by habit or unpleasant after-effect. If the pain is over the lower border of the liver, or lower part of the stomach, or in short, be it headache, side-ache, backache, or pain of any other description caused by suppressed or irregular menstruation, it will yield to two five grain tablets of Antikamnia. This dose may be repeated in an hour or two, if needed. For very prompt relief, it is advisable to crush the tablets and swallow them with a little wine, diluted whisky or toddy. A dozen tablets kept about the house, will always be found useful in time of pain."

**"CAN'T YOU TALK?"**

To anyone who will send us the names and addresses of eight persons who are interested in health or suggestive therapeutics, or hypnotism or psychic research, or the principles of the New Psychology, we will mail in a strong tube a handsome art picture in several colors, ready for framing.

The picture is entitled "Can't You Talk?" It is 20x25 inches, printed on heavy paper in several colors, and is a faithful reproduction of a celebrated art painting. A beautiful picture for school room or home, and will appeal to all lovers of child life. The original picture is by George A. Holmes. As a painter of child and dog life the world knows no superior to George A. Holmes. In this painting, considered his best canvas, he has caught the true spirit of friendship which exists between children and dogs—a friendship which is proverbial. It was a real incident which furnished Mr. Holmes with the subject of "Can't You Talk?" He heard a little child ask a big dog that very question one day and determined to reproduce the scene. So "taking" was it that the picture was sold for a large sum at the private view of the Academy where it was first exhibited, and so great was the run on the reproductions that frame makers were kept constantly at work, day and night, to keep pace with the demand.

DR. HUDSON'S NEW BOOK

**THE LAW OF  
MENTAL MEDICINE***By Thomson J. Hudson, LL.D.*

**T**HE AUTHOR'S celebrated work, "The Law of Psychic Phenomena" has paved the way for this new book, in which he points out a simple system of practice depending for its efficacy on natural laws. This system is based on the principle that Suggestion controls the Subjective Mind, which in its turn controls the functions of the body.

Suggestion is here employed in a form hitherto unknown or misunderstood—namely, an impulse conveyed from the Subjective Mind of the healer to the affected cells of the patient by means of personal contact applied according to directions given in the book. This is the most powerful form of Suggestion, and it avoids the use of hypnotism.

The author's standpoint is well known, and his aim here, as always before, is not to inculcate new doctrines or to "explode" the fallacy of the medical profession. He gathers a vast number of beliefs and quasi-medical practices from all times and all ages. By a correlation of these with existing medical theories; whether of causation or cure, he clearly shows that there is a real repetition—"a law"—of the same ideas in various forms. Incidentally, he demonstrates the great dangers arising from "that fanatical imbecile—the extremist."

*Dear Mr. Wilson:*—Thank you very much for the copy of your book that has come to hand. I am reading it with pleasure and profit, and I must congratulate you on the insight you show into the heart of things. You have written many good truths in this book that are my own, and that is why I like you and the book as well. Perhaps I have never expressed the same things as well as you, but I may.

From HON. GEORGE D. MEIKLEJOHN, Late Assistant Secretary of War:

*Dear Mr. Wilson:*—I have to acknowledge copy of "Paths to Power." It should be read by every man, woman and child. *Williamson, N. Y., Dec. 3d. 1903.*

Dr. Herbert A. Parkyn,  
4020 Drexel Boulevard,  
Chicago.

My dear Doctor:-

Being one of the SUGGESTION family, I take a deep interest in SUGGESTION, and was attracted by the advertisement of the Motzorongo Company. I looked into the matter, and as it promised to be of unusual interest to investors, I concluded to visit the properties of the Motzorongo Company in Mexico.

I have just returned from the plantation and find everything to be exactly as represented: in fact, the literature of the company underestimates rather than overestimates the possibilities. Motzorongo is a flourishing estate, and I do not think a better financial proposition can be offered. I consider myself fortunate in having had the proposition brought to my notice, and I unreservedly recommend the company to any who is interested in investments.

Speaking from a personal and actual knowledge of all the facts connected therewith, I believe no better form of investment is now before the public and that the dividends that will eventually be paid will prove that Motzorongo stock is a veritable bonanza. Certainly the stock today is worth every cent asked and the investment is thoroughly sound.

I will be pleased to communicate with any one interested.

Very cordially yours,

*R. M. Cheetham*

# THE LAW OF MENTAL MEDICINE

THE LAW OF MENTAL MEDICINE, by Thomson J. Hudson, LL. D., author of "The Law of Psychic Phenomena," is an epoch-making book. It shows how the Law of Suggestion underlies *all* forms of healing—faith cure, relic cures, miracles, mental science cures, Christian Science cures, absent treatment, magnetic cures, psychic cures, Divine healing, etc., etc. The Law of Suggestion is the great basic law of human experience, thought and action. Its most important field relates to health, hygiene and healing. All miraculous cures from relic cures to patent medicine cures depend solely upon the Law of Suggestion.

It has been applied ignorantly and blindly, and yet marvelous results have been achieved; what will be the result when intelligently understood and intelligently applied? Dr. Hudson shows the way. There is no mystery about wonderful drugless cures; the art of healing is now on a scientific basis, and every one can be informed regarding one of the most important laws of human existence.

Readers of THE LAW OF MENTAL MEDICINE will be in a position to combat all delusions regarding healing; they will understand why drugs cure; why shrines cure; why liver pills cure; why vile patent medicines sometimes cure—but they will learn that all these things are but a

means of conveying a suggestion—the subconscious mind does the rest.

We want 1,000 new subscribers by March 1st, and have secured an option on 1,000 copies of THE LAW OF MENTAL MEDICINE; we propose to give these books away to the first 1,000 persons who comply with the following conditions:

New subscribers who remit \$1.50 will receive SUGGESTION one year, and a copy of THE LAW OF MENTAL MEDICINE postpaid; foreign, \$1.75.

Old subscribers who remit \$1.75 will receive SUGGESTION one year and a copy of THE LAW OF MENTAL MEDICINE; foreign, \$2.00.

Those who remit \$2.00 for a renewal and a new subscription or two new subscriptions will receive THE LAW OF MENTAL MEDICINE, postpaid; foreign, \$2.50.

This is no experiment. It has been proven in thousands of cases and simply cannot fail. No drugs or medicines about it, but a practical common sense treatment. **SOLD BY LEADING DRUGGISTS**

CLEARFIELD, IOWA, SEPT. 14, 1908.

TO WHOM IT MAY CONCERN:

It affords me real pleasure to write a word in praise of "The Rectal Dilators." I obtained a set of them some three years ago, and they are the only devices that effected relief for me and a permanent cure. For eighteen months I had suffered agony indescribable. Life was a burden to me and death would have been a welcome visitor. Through the kindness of a friend I secured a set of the "Dilators" and obtained relief almost immediately and a cure was effected within a few weeks. The cure proved to be permanent. I do not know what they may do for others, but this they did for me.

Very truly,

SIMPSON ELY, Christian Preacher.

## FALLING HAIR AND BALDNESS Absolutely Cured

There is but one way to tell the reason of baldness and falling hair, and that is by a microscopic examination of the hair itself. The particular disease with which your scalp is afflicted must be known before it can be intelligently treated. The use of dandruff cures and hair tonics, without knowing the specific cause of your disease, is like taking medicine without knowing what you are trying to cure.

Send three fallen hairs from your combings to Prof. J. H. Austin, the celebrated bacteriologist, who will send you **ABSOLUTELY FREE** a diagnosis of your case, a booklet on care of the hair and scalp, and a sample box of the remedy which he will prepare especially for you.

## Varicocele Cured at Home

PAINLESSLY, RAPIDLY and PERMANENTLY.

Men suffering from weakened nerve force, constant depression, gloomy forebodings, fast becoming unfitted for active business life, fail to attribute their deplorable state to the proper cause. They know they have Varicocele, as they have suffered some discomfort on account of it, particularly while standing. But the evil effects due to Varicocele are so gradual that they neglect it until the entire system is undermined and they are forced to realize that something must be done to prevent them from breaking down completely. To such sufferers I say, don't fall into the hands of Quacks—don't submit to the knife—don't pay enormous sums to so-called specialists. After an exhaustive study of pelvic and nervous diseases extending through my entire medical life, I became convinced some years ago that Varicocele was the foundation of almost all nervous breakdowns among men. I then bent every energy toward the discovery of a cure for this disease, and two years ago succeeded in perfecting and patenting a simple mechanical device with which I have since cured thousands of cases. I guarantee this device to cure any case of Varicocele without inconvenience or loss of time from business.

I will send sealed my treatise on the cause, effect and cure of Varicocele, to any sufferer FREE OF CHARGE, or my device in a plain, sealed package, prepaid, upon receipt of \$2.00.

The Enk Preparations are not drugs. We put nothing into the human body which does not belong there in a state of health. Our theory of the cure of disease is the re-establishment of natural conditions; to enable Nature to perform her perfect work; not to force or compel her to work according to our ideas or fancies. The symptoms of disease inform us what elements are lacking or in excess. We challenge the world to equal these preparations in practical results. Try them, and if they are not just as we represent them, tell the editor of SUGGESTION, and let him publish the facts.

are composed of combinations of twenty-nine tissue salts. Tissue salts are the inorganic elements of the body. Without these salts it would be impossible to produce a single vibration of energy. Starch, albumen, fats, etc., form bulk and media for the expression of energy, but the salts furnish the dynamis to shape, distribute and use it.

Disease is an abnormal state produced by the lack of one or more of these salts, through an inability to assimilate them, or to prepare them for assimilation. We have a process by which molecular reduction is accomplished outside of the body, and the salts are presented ready for immediate assimilation. They are then colorless, odorless, tasteless. ¶ All diseases are cured. There are no incurable diseases, and few incurable cases. The worst forms of mental diseases, venereal diseases, tuberculosis, varicocele, atrophy, loss of vitality and power, spinal weakness, paralysis, indigestion, throat, lung, stomach, liver, kidney, skin, glandular and bowel troubles are promptly cured, not suppressed. ¶ Remedies are in small globules, dry. A vial contains about sixty doses and can be carried in a vest pocket or a lady's purse. General diseases cost but 25c. ## More Light on a Dark Subject.

By Dr. J. R. Bailey. A series of lessons on higher physiology.

The Philadelphia Medical World says: "It treats this difficult subject delicately, and urges reforms which are much needed. There is nothing of the prurient and much of common sense. It is such a work as many practitioners have hoped for. The erring girl who reads the chapter on abortion will hardly insist on a criminal operation; the husband who reads the chapter on Man in Marriage will become a better husband; the bride who reads the chapter on Woman in Marriage will know much of the duties and trials of wifehood."

Price \$1.00. Special offer—New subscribers can have this book and SUGGESTION one year upon sending \$1.10; renewals, \$1.35; foreign, 50 cents additional.

## Lulu Hurst; The Georgia Wonder.

New subscribers who send \$1.10 can have a copy of this book and SUGGESTION for one year. Money refunded if not satisfactory. Foreign subscriptions, 50 cents additional.

## Paths to Power.

# ORANGE MANNA

**Fruit & Grain—No Drugs**

## Cures

**Constipation . . . . and all disorders of the Stomach and Bowels.**  
**Indigestion**

### Nature's Own Remedy.

**T**HE body is composed of minute cells and these cells are the strength, the healing power. They are never at a standstill but are at all times increasing or diminishing. If increasing, we are in health and gaining strength. If diminishing, we are losing strength and weight and falling in health.

ORANGE MANNA is a "cell irritant." Taken into the system its coarse ingredients create, bring into life and maintain living tissues which never before existed. No other remedy in the world or any other mode of treatment can produce cell life. This is the reason why ORANGE MANNA is meeting with such great success where liquid nostrums, electric baths, climates, etc., have utterly failed.

### The ELIXIR OF LIFE

Vital force or cell energy is the only true elixir. All diseases are caused by deficiency of vital force; all are cured by it, and it only. There is but one law of cure and that is to simply increase the vital force, the strength, and this is made from food by the aid of oxygen, exercise, sleep and sunshine, and in no other way. **MEDICINES DESTROY IT.** Look through the materia medica for a single remedy which will increase the strength that is not a food. ORANGE MANNA does it because it makes you eat and digest more food. It creates a natural appetite. You crave more food, because your body demands it. The more food the more strength or healing power, and **STRENGTH IS HEALTH.**

"The name itself suggests what Antikamnia is, and what its remedial properties are:—Anti (*Greek-Avri*). Opposed to, and Kamnia (*Greek-Kamnos*), Pain—therefore, "ANTIKAMNIA" (Opposed to Pain)—a remedy to relieve pain and suffering.

"In certainty and celerity of action, it has been found superior to any of its predecessors in this field, especially in cases of Acute and Chronic Neuralgia. Neuralgic Toothache, Tic-Douloureux, Myalgia, Migraine, Hemicrania, and all forms of Headache, yield to its influence in a remarkably short time, and in no instance have any evil after-effects developed. The chief claim advanced in favor of Antikamnia over all other products is, that its use is not followed by depression of the heart.

"The dose for adults, which always gives relief in severe headaches, especially those of bookkeepers, actors, lawyers, students, mothers, teachers and nurses, in short all headaches caused by anxiety or mental strain, is two tablets, crushed, followed by a swallow of water or wine. It is *the remedy for La Grippe*. As a preventive of and cure for nausea while travelling by railroad or steamboat, and for genuine *mal de mer* or sea sickness, Antikamnia is unsurpassed, and is recommended by the Surgeons of The White Star, Cunard and American Steamship Lines.

"There are very many important uses for Antikamnia, of which physicians as a rule may be uninformed. A five grain Antikamnia Tablet prescribed for patients before starting on an outing, and this includes tourists, picnickers, bicyclers, and in fact, anybody who is out in the sun and air all day, will entirely prevent that demoralizing headache which frequently mars the pleasure of such an occasion. This applies equally to women on shopping tours, and especially to those who invariably come home cross and out of sorts, with a wretched "sight-seer's headache." The nervous headache and irritable condition of the busy business man is prevented by the timely use of a ten grain dose. Every bicycle rider, after a hard run, should take two five grain Antikamnia Tablets on going to bed. In the morning he will awake minus the usual muscular pains, aches and soreness. As a cure and preventive of the pains peculiar to women at time of period, Antikamnia is unequalled and unaccompanied by habit or unpleasant after-effect. If the pain is over the lower border of the liver, or lower part of the stomach, or in short, be it headache, side-ache, backache, or pain of any other description caused by suppressed or irregular menstruation, it will yield to two five grain tablets of Antikamnia. This dose may be repeated in an hour or two, if needed. For very prompt relief, it is advisable to crush the tablets and swallow them with a little wine, diluted whisky or toddy. A dozen tablets kept about the house, will always be found useful in time of pain."

# THE LAW OF MENTAL MEDICINE

*By Thomson J. Hudson, LL. D.*

**T**HE AUTHOR'S celebrated work, "The Law of Psychic Phenomena" has paved the way for this new book, in which he points out a simple system of practice depending for its efficacy on natural laws. This system is based on the principle that Suggestion controls the Subjective Mind, which in its turn controls the functions of the body.

Suggestion is here employed in a form hitherto unknown or misunderstood—namely, an impulse conveyed from the Subjective Mind of the healer to the affected cells of the patient by means of personal contact applied according to directions given in the book. This is the most powerful form of Suggestion, and it avoids the use of hypnotism.

The author's standpoint is well known, and his aim here, as always before, is not to inculcate new doctrines or to "explode" the fallacy of the medical profession. He gathers a vast number of beliefs and quasi-medical practices from all times and all ages. By a correlation of these with existing medical theories; whether of causation or cure, he clearly shows that there is a real repetition—"a law"—of the same ideas in various forms. Incidentally, he demonstrates the great dangers arising from "that fanatical imbecile—the extremist."

*Dear Mr. Wilson:*—Thank you very much for the copy of your book that has come to hand. I am reading it with pleasure and profit, and I must congratulate you on the insight you show into the heart of things. You have written many good truths in this book that are my own, and that is why I like you and the book as well. Perhaps I have never expressed the same things as well as you, but I may.

From HON. GEORGE D. MEIKLEJOHN, Late Assistant Secretary of War :

*Dear Mr. Wilson:*—I have to acknowledge copy of "Paths to Power." It should be read by every man, woman and child. ## Motzorongo Plantation Co.

Motzorongo, Vera Cruz, Mexico

THE MOTZORONGO \$300,000 SUGAR MILL, NOW TURNING OUT THE  
FINEST GRADE OF GRANULATED WHITE SUGAR.

This company, at its mills in Motzorongo, is now turning out the finest grade of white granulated sugar; the entire crop of 1903-1904 is practically sold at an average price of four and one-half cents per pound, gold.

One thousand acres of cane are now being planted for the next season's run, and additional mill facilities are being provided for.

The Motzorongo estate (165,000 acres in the heart of the most fertile district in Mexico) is in a most flourishing condition; an electric railway is being planned to connect with the Josephinas property, and the products of its cane fields will be taken

to Motzorongo for grinding, which will enormously increase the earnings of the company.

All the treasury stock recently placed on the market by the directors has been sold, and *today the company has not one share of Motzorongo stock for sale at any price.*

A number of applications for stock are on file, and, in case the directors decide to offer a small block of treasury stock to provide for a still greater mill capacity, due notice will be given, and orders for stock will be filled in the order in which they were received.

It is possible that a stockholders' excursion will leave Chicago for a trip to Motzorongo in the spring and reduced rates will be secured for any who may wish to make the trip.

Motzorongo is a veritable earthly Paradise and a trip there will be remember a life time.

Additional information will be supplied upon request.

Write for our handsomely illustrated booklet, "The Motzorongo Magazine," showing photos of the Motzorongo estates.

# DEAFNESS AND CATARRH

the Surgeon.

E.D.—The Drum Head

A.—Anvil  
S.—Stirrup  
S.C.—Semicircular  
Canals  
C.—Cochlea

The human ear is an organ the interior of which the physicians have never been able to get at, hence their inability to remove the causes of Deafness.

## CAUSE OF DEAFNESS

**Ninety-Five Per Cent** of all cases of Deafness brought to our attention is the result of chronic catarrh of the throat and middle ear. The air passages become clogged by catarrhal deposits, stopping the action of the vibratory bones (hammer, anvil and stirrup). Until these deposits are removed a cure is impossible. The inner ear cannot be reached by probing or spraying, hence the inability of Aurists or Physicians to cure. **Ear Drums** are worse than useless.

It is folly, therefore, for deaf persons to hope for a cure by the old methods of the Aurists and Physicians, and instead of wasting precious time and money on methods that never have cured **Deafness or Catarrh**, they should awake to the time and apply the scientific cure. That there is a scientific cure for Deafness and Catarrh is demonstrated every day by the use of **ACTINA**. The vapor current generated in the **ACTINA** passes through the Eustachian tubes into the middle ear, removing the Catarrhal obstructions as it passes through the tubes and loosens up the bones (hammer, anvil and stirrup) in the inner ear, making them respond to the slightest vibration of sound.

## RINGING NOISES IN THE HEAD

**ACTINA** has never failed to cure this distressing symptom. The vapor current passes quickly and freely through the Eustachian tubes, removing the catarrhal substances that obstruct the easy exit of the wave sound. We have known people troubled with this symptom for years to be completely cured in only three weeks' use of the **ACTINA**.

As deafness and ringing noises are caused from Catarrh, the hearing cannot be restored and noises stopped till the Catarrh is cured, and as Catarrh cannot exist under the use of **ACTINA**, no person need be deaf or have ringing noises in the head if they use **ACTINA** properly.

**ACTINA** also cures La Grippe, Asthma, Bronchitis, Sore Throat, Weak Lungs, Colds and Headache; all of which are directly or indirectly due to Catarrh.

## ACTINA IS SENT ON TRIAL POSTPAID

# THE LAW OF MENTAL MEDICINE

THE LAW OF MENTAL MEDICINE, by Thomson J. Hudson, LL. D., author of "The Law of Psychic Phenomena," is an epoch-making book. It shows how the Law of Suggestion underlies *all* forms of healing—faith cure, relic cures, miracles, mental science cures, Christian Science cures, absent treatment, magnetic cures, psychic cures, Divine healing, etc., etc. The Law of Suggestion is the great basic law of human experience, thought and action. Its most important field relates to health, hygiene and healing. All miraculous cures from relic cures to patent medicine cures depend solely upon the Law of Suggestion.

It has been applied ignorantly and blindly, and yet marvelous results have been achieved; what will be the result when intelligently understood and intelligently applied? Dr. Hudson shows the way. There is no mystery about wonderful drugless cures; the art of healing is now on a scientific basis, and every one can be informed regarding one of the most important laws of human existence.

Readers of THE LAW OF MENTAL MEDICINE will be in a position to combat all delusions regarding healing; they will understand why drugs cure; why shrines cure; why liver pills cure; why vile patent medicines sometimes cure—but they will learn that all these things are but a

means of conveying a suggestion—the subconscious mind does the rest.

We want 1,000 new subscribers by March 1st, and have secured an option on 1,000 copies of THE LAW OF MENTAL MEDICINE; we propose to give these books away to the first 1,000 persons who comply with the following conditions:

New subscribers who remit \$1.50 will receive SUGGESTION one year, and a copy of THE LAW OF MENTAL MEDICINE postpaid; foreign, \$1.75.

Old subscribers who remit \$1.75 will receive SUGGESTION one year and a copy of THE LAW OF MENTAL MEDICINE; foreign, \$2.00.

Those who remit \$2.00 for a renewal and a new subscription or two new subscriptions will receive THE LAW OF MENTAL MEDICINE, postpaid; foreign, \$2.50.

Every student of the New Psychology, every one interested in psychic research, every one believing in drugless healing needs this book; it is a book for the advanced thinker; for every one who would have health, or who would assist others in the way of health.

Any 50-cent publication devoted to advanced thought or health may be included on the above offer by adding 25 cents; any dollar publication by adding 50 cents.

The price of THE LAW OF MENTAL MEDICINE is \$1.30 postpaid; cloth, 281 pages.

For instance, innumerable blood and nervous diseases result from poisonous taints in the system. THE heaviest drain on a man's system comes from want of support. Apply support—relief is instantaneous! The **ADONIS** performs this delicate service, and, except for its comfort, the wearer does not feel it. It is the only natural, scientific **SUSPENSION**. Protected by three patents. It takes the tension off the central nervous system freeing impeded circulation of the blood; the brain clears, the whole vital organism is rejuvenated.

PATENTED.

EVERY MAN who values the power of manhood or a refined appearance, finds the Adonis a necessity. It supplies the one deficiency of nature in well men. **VARICOCELE**, the cause of nearly all nervous breakdowns among men, usually comes from lack of proper support. With this insidious disease sapping the nerve-force, there is not sufficient reserve for the duties of life. The Adonis **PREVENTS** Varicocele, and with my Water Treatment (without drugs or cutting) is a positive cure. Hundreds of men come to me after operations and medical treatments costing large sums, but I have yet to learn of the first cure by these methods. Do you know of one? Some seem better when they come from the hospital, but in a year or so are worse than ever. My method relieves the pressure and renews the veins. Sack of pure silk (special weave), silk elastic bands. Adjusting clips and band hook, removed to wash, no buckles; weight 1 oz. That every man may know genuine comfort and benefit, I send one Adonis (\$1.50 grade) and Treatment by return mail in plain envelope for \$1.00, sealed and registered 10 cts. extra. *No other expense*; my profits come with after orders for the Adonis. If you do not think it the best investment you ever made, you get your money back. State small, medium or large, and waist. Address

## Varicocele Cured at Home

**PAINLESSLY, RAPIDLY and PERMANENTLY.**

Men suffering from weakened nerve force, constant depression, gloomy forebodings, fast becoming unfitted for active business life, fail to attribute their deplorable state to the proper cause. They know they have Varicocele, as they have suffered some discomfort on account of it, particularly while standing. But the evil effects due to Varicocele are so gradual that they neglect it until the entire system is undermined and they are forced to realize that something must be done to prevent them from breaking down completely. To such sufferers I say, don't fall into the hands of Quacks—don't submit to the knife—don't pay enormous sums to so-called specialists. After an exhaustive study of pelvic and nervous diseases extending through my entire medical life, I became convinced some years ago that Varicocele was the foundation of almost all nervous breakdowns among men. I then bent every energy toward the discovery of a cure for this disease, and two years ago succeeded in perfecting and patenting a simple mechanical device with which I have since cured thousands of cases. I guarantee this device to cure any case of Varicocele without inconvenience or loss of time from business.

I will send sealed my treatise on the cause, effect and cure of Varicocele, to any sufferer **FREE OF CHARGE**, or my device in a plain, sealed package, prepaid, upon receipt of \$2.00.

The Enk Preparations are not drugs. We put nothing into the human body which does not belong there in a state of health. Our theory of the cure of disease is the re-establishment of natural conditions; to enable Nature to perform her perfect work; not to force or compel her to work according to our ideas or fancies. The symptoms of disease inform us what elements are lacking or in excess. We challenge the world to equal these preparations in practical results. Try them, and if they are not just as we represent them, tell the editor of SUGGESTION, and let him publish the facts.

are composed of combinations of twenty-nine tissue salts. Tissue salts are the inorganic elements of the body. Without these salts it would be impossible to produce a single vibration of energy. Starch, albumen, fats, etc., form bulk and media for the expression of energy, but the salts furnish the dynamis to shape, distribute and use it.

Disease is an abnormal state produced by the lack of one or more of these salts, through an inability to assimilate them, or to prepare them for assimilation. We have a process by which molecular reduction is accomplished outside of the body, and the salts are presented ready for immediate assimilation. They are then colorless, odorless, tasteless. ¶ All diseases are cured. There are no incurable diseases, and few incurable cases. The worst forms of mental diseases, venereal diseases, tuberculosis, varicocele, atrophy, loss of vitality and power, spinal weakness, paralysis, indigestion, throat, lung, stomach, liver, kidney, skin, glandular and bowel troubles are promptly cured, not suppressed. ¶ Remedies are in small globules, dry. A vial contains about sixty doses and can be carried in a vest pocket or a lady's purse. General diseases cost but 25c. ### "MORE LIGHT ON A DARK SUBJECT."

A series of lessons on higher physiology, for the perusal of parents and posterity.

The Philadelphia Medical World says: "It treats this difficult subject delicately, and urges reforms which are much needed. There is nothing of the prurient and much of common sense. It is such a work as many practitioners have hoped for. The erring girl who reads the chapter on abortion will hardly insist on a criminal operation; the husband who reads the chapter on Man in Marriage will become a better husband; the bride who reads the chapter on Woman in Marriage will know much of the duties and trials of wifehood.

## The Body Beautiful.

By Nannette Magruder Pratt; handsomely bound and illustrated.

Regarding this book Dr. W. R. C. Latson, editor of HEALTH CULTURE, says: "It is safe to say that ninety-nine out of one hundred books (on physical culture) are worthless. This is the hundredth book. It is a book with a message—a message which it tells in plain, clear-cut English. And no man or woman, no matter how wise, can afford to ignore that message. As soon as this notice is read, we will begin to receive large orders for certificates from all over the country. Every one interested will wish to have their orders reach us before the limited number of certificates is exhausted. It is therefore to your interest to make your purchase TO-DAY.

**WE DO NOT ASK YOU TO ESTIMATE NOW.** We will simply sell you the certificates with duplicate coupons attached, and allow you the privilege of filling in your own estimates on the certificates and coupons whenever you are ready, and of sending in the coupons to us on the very last day of the contest if you wish. That is, you do not have to make your estimate NOW, but you can buy your certificates NOW, and hold them yourself up to the last day of the contest, when you will know what the total attendance is up to that date, then fill in your estimates and send the coupons to us just so they are mailed to us from your postoffice not later than October 15, 1904, the date on which the contest closes. The

ADVERTISEMENTS.

the contest is at least six weeks prior to the closing date of the Fair, insuring absolute fairness to every participant in the contest.

**WE WILL DATE YOUR CERTIFICATES ON THE DAY YOU BUY THEM,** and you do not have to fill them in until the last day of the contest, if you wish. This will also give you chances in the extra prize money to be paid for the earliest estimates, and each certificate will be considered in the awarding according to the date on which it was purchased. So that by buying your certificates now, and filling them in after you have learned the average attendance up to the closing date of the contest, you have even greater chances than those who buy their certificates and have us fill them in at the time bought.

**BIG MONEY MAY BE MADE BY BUYING NOW.** The fact that the sale of certificates will be limited gives a decided advantage to those who send in their money NOW. The many early orders we will receive for large quantities of certificates will undoubtedly exhaust the supply long before the contest closes. Those who put off the matter until too late, and who are not fortunate enough to get their certificates of us, will be willing and anxious to pay a handsome price for them after the Fair opens, so that you will probably be able to sell only a small number of the certificates you hold at a price that will cover the original cost of the entire quantity to you, thereby allowing you to make your own estimates **ABSOLUTELY FREE OF COST.**

**THERE WILL BE A GREAT DEMAND FOR CERTIFICATES** before the contest closes. Never before were such great prizes offered in any contest, and the purpose for which this contest was originated, the advertising of the great **WORLD'S FAIR**, appeals to every man, woman and child in the world. Every one who reads about these great prizes offered for a purpose of such universal good will be interested, and a little later on when the Fair is in progress and the people in general are enthused by the magnitude of the enterprise, the demand for certificates will eclipse anything ever before known in the way of contests. So that those who buy certificates now, not only for their own estimates, but as an investment also, will undoubtedly occupy a commanding position over their less fortunate neighbor, who carelessly let this opportunity pass unheeded. We strongly advise you to take advantage of this offer **AT ONCE**, buy your certificates in quantities, at once, and hold them as long as you please, even up to the last day that the contest is open, if you wish. There was never a contest operated in such a strictly high class, honorable manner as this one. The foremost bankers and merchants in the city of St. Louis are on the Committee of Awards, men whose honesty cannot be questioned, and one of the greatest banks of the United States holds the \$75,000.00 in gold, to be paid only to the successful contestants.

**HOW THE CONTEST WILL BE DECIDED.** The Official Record of the Secretary of the World's Fair showing the total paid attendance will determine who are entitled to the prizes, and the awards will be made by a committee of prominent Judges. Prizes will be paid in cash immediately after. If more than one estimate is correct, the prize will be equally divided.

**CERTIFICATES AND HOW TO GET THEM.** One certificate will be sent for 25 cents. Five certificates for \$1.00. You can buy as many Certificates as you wish. Bear in mind—you must send in your money for same before we can send you certificates. Remember, we send you the blank certificates on the day your remittances are received and you do not have to fill in your estimates until the last day of the contest. You will then have the average daily attendance up to that date and are enabled to more intelligently base your estimates.

**A GOOD INVESTMENT—BETTER THAN STOCKS AND BONDS.** We are receiving from shrewd business men from the large trading centers, monthly orders for certificates, they claiming that the investment is safer and the possibility of large gain greater than investments in bonds, life insurance, or any of the speculative stocks offered on the Boards of Trade in the various Commercial Centers. Most of them purchase certificates systematically, that is, send in every month for from One to Five Dollars worth. Almost every one can economize a few cents a day, and the funds thus saved can be invested in certificates, and with a hundred or more certificates in your possession, you are likely to wake up some morning and find yourself the lucky possessor of an independent fortune.

It is to your interest to write us at once for further particulars. Those who send in their remittances first are those who will have the greatest advantages. If you put it off the supply may be exhausted and you will be too late to get even one certificate without paying an unreasonable price for it. Even if you do not wish to purchase now, write us for further particulars anyhow. We know you will be interested.

**FIVE-GRAIN TABLETS**

"The name itself suggests what Antikamnia is, and what its remedial properties are:—Anti (*Greek-Avri*), Opposed to, and Kamnia (*Greek-Kamnos*), Pain—therefore, "ANTIKAMNIA" (Opposed to Pain)—a remedy to relieve pain and suffering.

"In certainty and celerity of action, it has been found superior to any of its predecessors in this field, especially in cases of Acute and Chronic Neuralgia. Neuralgic Toothache, Tic-Douloureux, Myalgia, Migraine, Hemicrania, and all forms of Headache, yield to its influence in a remarkably short time, and in no instance have any evil after-effects developed. The chief claim advanced in favor of Antikamnia over all other products is, that its use is not followed by depression of the heart.

"The dose for adults, which always gives relief in severe headaches, especially those of bookkeepers, actors, lawyers, students, mothers, teachers and nurses, in short all headaches caused by anxiety or mental strain, is two tablets, crushed, followed by a swallow of water or wine. It is *the remedy* for La Grippe. As a preventive of and cure for nausea while traveling by railroad or steamboat, and for genuine *mal de mer* or sea sickness, Antikamnia is unsurpassed, and is recommended by the Surgeons of The White Star, Cunard and American Steamship Lines.

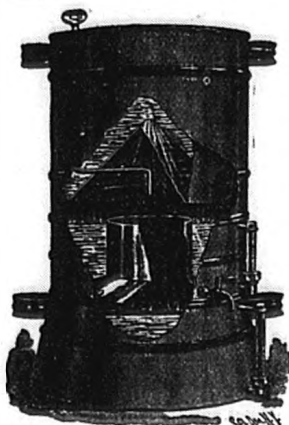

"There are very many important uses for Antikamnia, of which physicians as a rule may be uninformed. A five grain Antikamnia Tablet prescribed for patients before starting on an outing, and this includes tourists, picnickers, bicyclers, and in fact, anybody who is out in the sun and air all day, will entirely prevent that demoralizing headache which frequently mars the pleasure of such an occasion. This applies equally to women on shopping tours, and especially to those who invariably come home cross and out of sorts, with a wretched "sight-seer's headache." The nervous headache and irritable condition of the busy business man is prevented by the timely use of a ten grain dose. Every bicycle rider, after a hard run, should take two five grain Antikamnia Tablets on going to bed. In the morning he will awake minus the usual muscular pains, aches and soreness. As a cure and preventive of the pains peculiar to women at time of period, Antikamnia is unequalled and unaccompanied by habit or unpleasant after-effect. If the pain is over the lower border of the liver, or lower part of the stomach, or in short, be it headache, side-ache, backache, or pain of any other description caused by suppressed or irregular menstruation, it will yield to two five grain tablets of Antikamnia. This dose may be repeated in an hour or two, if needed. For very prompt relief, it is advisable to crush the tablets and swallow them with a little wine, diluted whisky or toddy. A dozen tablets kept about the house, will always be found useful in time of pain."

**BY FLOYD B. WILSON. PRICE, \$1.00.**

ELBERT HUBBARD, of "The Philistine," writes :

*Dear Mr. Wilson:*—Thank you very much for the copy of your book that has come to hand. I am reading it with pleasure and profit, and I must congratulate you on the insight you show into the heart of things. You have written many good truths in this book that are my own, and that is why I like you and the book as well. Perhaps I have never expressed the same things as well as you, but I may.

From HON. GEORGE D. MEIKLEJOHN, Late Assistant Secretary of War :

*Dear Mr. Wilson:*—I have to acknowledge copy of "Paths to Power." It should be read by every man, woman and child. You have blazed the pathway that leads to a realm where nature's forces can be harnessed by her children. scientifically trains the Natural Memory. Requires only a few minutes time each day, and is so simple a child can understand it. It is entirely original and of such absorbing interest that the pupil finds the half hour daily study a real pleasure. Our pupils range in age from 15 to 85 years. It is hard to conceive of any man or woman in any profession, business, trade or calling who could not receive permanent benefit of almost inestimable value from a course of training under The Pelman System. ## Motzorongo Plantation Co. MEXICO

[Photo by the Editor of SUGGESTION.]

**Machinery for crushing the juice from the sugar cane. These crushers are situated in the "cane shed" of the Motzorongo \$300,000 sugar mill.**

The Motzorongo plantation is situated in Motzorongo, State of Vera Cruz, Mexico, on the Vera Cruz & Pacific Ry., which maintains two stations on the property. It comprises over 165,000 acres of tropical lands and is already equipped with buildings, sugar mill and has thousands of acres under cultivation and in pastures.

There are six hundred acres planted to sugar cane and the mill is already turning out sugar by

the carload, which is being turned into dividend money for the stockholders.

Sugar cane in Mexico yields a net profit of over \$200 per acre and the sugar business alone will pay handsome dividends to Motzorongo stockholders, but big earnings will come also from fattening cattle, stock raising, real estate, timber, corn, oranges, bananas, etc.

Motzorongo stock was taken off the market two months ago, but the directors have decided to sell another block of shares at \$12.50 per share, for the express purposes of increasing the daily capacity of the sugar mill by adding some extra machinery for next cane season, and thereby increasing the dividend earning capacity of the plantation.

This is an opportunity for conservative investors; every statement of the company can be positively verified.

Write for handsomely illustrated prospectus of the company giving scores of photographs taken on the plantation and detailed information about the estate and tropical agriculture in general.

The editor of this magazine has visited the plantation several times. He is personally acquainted with the details of the company, and will vouch for the truth of the above statements.

OPHTHALMOLOGY AN ENTICING FIELD FOR BOTH SEXES. YOU CAN LEARN  
ALL ABOUT IT THROUGH A CORRESPONDENCE COURSE

**A** SCIENTIFIC knowledge of the Eye, the detection and correction of defective vision, and properly fitting spectacles, is a profession in its infancy, but one that affords the most enjoyable, profitable and at once the most fascinating employment. Considering the extremely delicate structure of the visual organs, it is natural that anything that affects the eye, such as eye-strain, should result injuriously in nervous complications of a serious nature, but only a few are aware (we speak of the average Optician) of the extent of these troubles and of the fact that eye strain is directly responsible for such maladies as headaches, neuralgia, loss of memory, irritability, melancholia, hysteria, dullness in children, indigestion, insomnia, cross-eyes, etc. When these

diseases are present they are usually elaborately doctored with the appropriate medicines, without success, when the proper remedy is the SIMPLEST IN THE WORLD, viz.—a pair of spectacles properly adjusted to the individual need. If (and it is frequently the case) eye-strain is the cause of nervous affections, all the medicine on earth would not do the slightest good, while scientifically fitted glasses will give immediate relief. Nearly nine cases out of every ten suffering with headaches, neuralgia or granular lids are caused by eye-strain, and can easily be cured with the proper spectacles or eye glasses. YOU CAN BECOME EXPERT IN THE ART OF FITTING GLASSES IN FROM THIRTY DAYS TO TWO MONTHS by taking our CORRESPONDENCE COURSE. The tuition fee is very reasonable and terms to suit your convenience. OUR STUDENTS

NEED NO BOOKS. Our lessons cover the whole field. HUNDREDS OF WELL-KNOWN OPHTHALMOLOGISTS OF GREAT FAME ARE GRADUATES OF THE GOLDEN CROSS. Our graduates need not pay cash for their optical appliances. When ready to begin the practice, the Golden Cross College has an arrangement with a wholesale optical house to furnish its graduates with all the necessary appliances and on very liberal time and terms.

### OUR DIPLOMAS

Every graduate receives two handsomely engraved diplomas, one conferring the degree of "Fellow in Ophthalmology," the other "Doctor of Optics."

Remember that all who take our correspondence course are entitled to attend our local clinics at any future time that they find it convenient to come to Chicago. The one fee pays for both correspondent and attendant courses, and in fact a lifetime member and scholarship. In writing for prospectus mention this ad. and you will be entitled to special terms and a valuable optical lesson free.

# THE LAW OF MENTAL MEDICINE

THE LAW OF MENTAL MEDICINE, by Thomson J. Hudson, LL. D., author of "The Law of Psychic Phenomena," is an epoch-making book. It shows how the Law of Suggestion underlies *all* forms of healing—faith cure, relic cures, miracles, mental science cures, Christian Science cures, absent treatment, magnetic cures, psychic cures, Divine healing, etc., etc. The Law of Suggestion is the great basic law of human experience, thought and action. Its most important field relates to health, hygiene and healing. All miraculous cures from relic cures to patent medicine cures depend solely upon the Law of Suggestion.

It has been applied ignorantly and blindly, and yet marvelous results have been achieved; what will be the result when intelligently understood and intelligently applied? Dr. Hudson shows the way. There is no mystery about wonderful drugless cures; the art of healing is now on a scientific basis, and every one can be informed regarding one of the most important laws of human existence.

Readers of THE LAW OF MENTAL MEDICINE will be in a position to combat all delusions regarding healing; they will understand why drugs cure; why shrines cure; why liver pills cure; why vile patent medicines sometimes cure—but they will learn that all these things are but a

means of conveying a suggestion—the subconscious mind does the rest.

We want 1,000 new subscribers by March 1st, and have secured an option on 1,000 copies of *THE LAW OF MENTAL MEDICINE*; we propose to give these books away to the first 1,000 persons who comply with the following conditions:

New subscribers who remit \$1.50 will receive *SUGGESTION* one year, and a copy of *THE LAW OF MENTAL MEDICINE* postpaid; foreign, \$1.75.

Old subscribers who remit \$1.75 will receive *SUGGESTION* one year and a copy of *THE LAW OF MENTAL MEDICINE*; foreign, \$2.00.

Those who remit \$2.00 for a renewal and a new subscription or two new subscriptions will receive *THE LAW OF MENTAL MEDICINE*, postpaid; foreign, \$2.50.

Every student of the New Psychology, every one interested in psychic research, every one believing in drugless healing needs this book; it is a book for the advanced thinker; for every one who would have health, or who would assist others in the way of health.

Any 50-cent publication devoted to advanced thought or health may be included on the above offer by adding 25 cents; any dollar publication by adding 50 cents.

The price of *THE LAW OF MENTAL MEDICINE* is \$1.30 postpaid; cloth, 281 pages.

### Gray or Faded Hair or Beard

Can now be restored to its natural color by taking medicine internally (10 to 20 drops, 8 times a day) that supplies the blood with this particular coloring matter. I discovered this fact some years ago while giving this medicine to a lady 63 years old, whose hair was **White**. She was greatly surprised (but no more so than I was) to see her hair gradually getting darker and it became a **Nice, Glossy Black**, with not a gray hair on her head. I do not understand what causes the change in color, unless, as stated above, the medicine furnishes the blood with some certain coloring matter that nature has failed to supply. I have this formula printed and will send to anyone for only \$2.50 and will refund your money if it fails to restore the color as it was when young. It is harmless. Can get it in any drug store. I have sold this formula to hundreds and have not been asked to refund the money by a single one of a dozen. The same medicine will prevent hair from ever turning gray. Address

## The Ensign Remedies

are the only remedies using the twenty-nine tissue salts (Ensign), as they are our own discoveries. The twelve tissue salts of Schuessler are used by some physicians in all parts of the world, and they have made many brilliant cures and more failures. The cures, because the twelve tissue salts are necessary elements of the human body, and whenever one or more are lacking, producing abnormal or disease states, then the supplying of such need must result in cures, for the cause of disease no longer exists. The failures because the twelve tissue salts are only a part of the elements of the body, and whenever a need for some other element exists, the twelve cannot supply it. Give Nature the material, in usable form, and she cures.

Even with twenty-nine salts we have not all of them. Some persistently elude us. One of these days we shall set them in their places in the human body and the system will be perfect. As it is, we have the main elements, and have brought very near to perfection a system correct in theory, but in a very imperfect state.

We have demonstrated that all diseases are curable. There may be cases past the point of reaction, but where there is life there is hope in the use of the Ensign Remedies. We furnish Remedies for the cure of all diseases. We list fifty-one, for the convenience of the public and dealers, but if your disease is not in the list write us fully, giving a detailed history of your trouble, when it started, what acute attack you may have had prior to the commencement, a list of the ailments you have had with the treatment used. Then the present symptoms, your age, bodily state, occupation. Give all peculiar sensations. If the mind is affected, state it. We will send you the tissue salts needed. The price of unlisted Remedies is uniformly \$1.00.

All Remedies are put up in small granules, the vial containing about sixty doses, and can be carried in the vest pocket or purse. All salts are tasteless, odorless, colorless, and the granules are to be allowed to dissolve slowly in the mouth.

Three booklets, "General Diseases," "Private Diseases," "Women's Diseases," free. A postal gets them.

Our theory of the cure of disease is the re-establishment of natural conditions; to enable Nature to perform her perfect work; not to force or compel her to work according to our ideas or fancies. The symptoms of disease inform us what elements are lacking or in excess. We challenge the world to equal these preparations in practical results. A NEW BOOK BY  
THE LATE DR. HUDSON

*The Evolution  
of the Soul  
and Other Essays*

By THOMSON J. HUDSON, LL. D.

After the death of Dr. Hudson in 1903, enough material was found among his papers for one more book from his bold and original pen. It consists of a number of lectures delivered at various times, and all dealing with the subject on which he is now an acknowledged authority. This collection of scattered papers supplements most admirably his previous books—particularly "The Law of Mental Medicine" and "The Law of Psychic Phenomena," and will, in a way, help to complete the work most deplorably interrupted by his untimely death. To say that these essays are in Dr. Hudson's characteristic and illuminating style is all that is needed to convince his thousands of admirers that this posthumous volume is one of the most absorbing interest. The addition of a portrait and biographical sketch will also be much appreciated.

Certificate of  
 Deposit, No. 445

This Certifies that, The World's Fair Contest Company, incorporated, has this day deposited with this Company \$75,000.00 in gold, for the payment of the awards in its contest on the total paid attendance at the Louisiana Purchase Exposition, 1904, and that said deposit is held in trust by this Company to be paid by it to such successful contestants, as the Committee on awards may direct.

Missouri Trust Company of St. Louis,

By *J. A. Stanley*  
 Treasurer.

As soon as this notice is read, we will begin to receive large orders for certificates from all over the country. Every one interested will wish to have their orders reach us before the limited number of certificates is exhausted. It is therefore to your interest to make your purchase TO-DAY.

**WE DO NOT ASK YOU TO ESTIMATE NOW.** We will simply sell you the certificates with duplicate coupons attached, and allow you the privilege of filling in your own estimates on the certificates and coupons whenever you are ready, and of sending in the coupons to us on the very last day of the contest if you wish. That is, you do not have to make your estimate NOW, but you can buy your certificates NOW, and hold them yourself up to the last day of the contest, when you will know what the total attendance is up to that date, then fill in your estimates and send the coupons to us just so they are mailed to us from your postoffice not later than October 15, 1904, the date on which the contest closes. The

WORLD'S FAIR opens April 30, 1904, and closes December 1, 1904, showing that the closing date of

## ADVERTISEMENTS.

the contest is at least six weeks prior to the closing date of the Fair, insuring absolute fairness to every participant in the contest.

**WE WILL DATE YOUR CERTIFICATES ON THE DAY YOU BUY THEM,** and you do not have to fill them in until the last day of the contest, if you wish. This will also give you chances in the extra prize money to be paid for the earliest estimates, and each certificate will be considered in the awarding according to the date on which it was purchased. So that by buying your certificates now, and filling them in after you have learned the average attendance up to the closing date of the contest, you have even greater chances than those who buy their certificates and have us fill them in at the time bought.

**BIG MONEY MAY BE MADE BY BUYING NOW.** The fact that the sale of certificates will be limited gives a decided advantage to those who send in their money NOW. The many early orders we will receive for large quantities of certificates will undoubtedly exhaust the supply long before the contest closes. Those who put off the matter until too late, and who are not fortunate enough to get their certificates in time, will be regretting and anxious to pay a handsome price for them after the Fair opens, so that you will probably be able to sell only a small number of the certificates you hold at a price that will cover the original cost of the entire quantity to you, thereby allowing you to make your own estimates **ABSOLUTELY FREE OF COST.**

**THERE WILL BE A GREAT DEMAND FOR CERTIFICATES** before the contest closes. Never before were such great prizes offered in any contest, and the purpose for which this contest was originated, the advertising of the great **WORLD'S FAIR**, appeals to every man, woman and child in the world. Every one who reads about these great prizes offered for a purpose of such universal good will be interested, and a little later on when the Fair is in progress and the people in general are enthused by the magnitude of the enterprise, the demand for certificates will eclipse anything ever before known in the way of contests. So that those who buy certificates now, not only for their own estimates, but as an investment also, will undoubtedly occupy a commanding position over their less fortunate neighbor, who carelessly let this opportunity pass unheeded. We strongly advise you to take advantage of this offer **AT ONCE**, buy your certificates in quantities, at once, and hold them as long as you please, even up to the last day that the contest is open, if you wish. There was never a contest operated in such a strictly high class, honorable manner as this one. The foremost bankers and merchants in the city of St. Louis are on the Committee of Awards, men whose honesty cannot be questioned, and one of the greatest banks of the United States holds the \$75,000.00 in gold, to be paid only to the successful contestants.

**HOW THE CONTEST WILL BE DECIDED.** The Official Record of the Secretary of the World's Fair showing the total paid attendance will determine who are entitled to the prizes, and the awards will be made by a committee of prominent Judges. Prizes will be paid in cash immediately after. If more than one estimate is correct, the prize will be equally divided.

**CERTIFICATES AND HOW TO GET THEM.** One certificate will be sent for 25 cents. Five certificates for \$1.00. You can buy as many Certificates as you wish. Bear in mind—you must send in your money for same before we can send you certificates. Remember, we send you the blank certificates on the day your remittances are received and you do not have to fill in your estimates until the last day of the contest. You will then have the average daily attendance up to that date and are enabled to more intelligently base your estimates.

**A GOOD INVESTMENT—BETTER THAN STOCKS AND BONDS.** We are receiving from shrewd business men from the large trading centers, monthly orders for certificates, they claiming that the investment is safer and the possibility of large gain greater than investments in bonds, life insurance, or any of the speculative stocks offered on the Boards of Trade in the various Commercial Centers. Most of them purchase certificates systematically, that is, send in every month for from One to Five Dollars worth. Almost every one can economize a few cents a day and the funds thus saved can be invested in certificates, and with a hundred or more certificates in your possession, you are likely to wake up some morning and find yourself the lucky possessor of an independent fortune.

It is to your interest to write us at once for further particulars. Those who send in their remittances first are those who will have the greatest advantages. If you put it off the supply may be exhausted and you will be too late to get even one certificate without paying an unreasonable price for it. Even if you do not wish to purchase now, write us for further particulars anyhow. We know you will be interested.

# ORANGE MANNA

**Fruit & Grain—No Drugs**  
**A NATURAL CURE FOR**

**Constipation**  
**Indigestion**

*and all disorders*  
*of the STOMACH*  
*and BOWELS*

**V**ITAL force or cell energy is the only true elixir. All diseases are caused by deficiency of vital force. There is but one law of cure and that is to simply increase the vital force, the strength, and this is made from food by the aid of oxygen, exercise, sleep and sunshine, and in no other way. **MEDICINES DESTROY IT.** Look through the materia medica for a single remedy which will increase the strength that is not a food. **ORANGE MANNA** does it because it makes you eat and digest more food. It creates a natural appetite. You crave more food because your body demands it. The more food the more strength or healing power, and **STRENGTH IS HEALTH.**

We make oath to the fact that **ORANGE MANNA** contains no drugs—it being a scientifically prepared combination of fruit and grain calculated to give a strong and healthy action of the digestive system. The principle of **ORANGE MANNA** is "Cell Irritation" or "Cell Antagonism" and while it has been thoroughly demonstrated that this principle is the basis upon which rests the scheme of action of the digestive organs, still, **ORANGE MANNA** is the only remedy ever placed before the public which adheres to that principle and which is, therefore, a true follower of the laws of Nature. Nature never intended that a man should fill himself with drugs and so force the organs of his body to do their work, but that he should take care of what was given him by means of eating proper foods and by right living. **ORANGE MANNA** is a food of highly concentrated strength and is so prepared as to be readily assimilated by the body. It creates, first, a natural appetite. From the food that is eaten it creates "Cell Energy" and from "Cell Energy," "Vital Force". A person with plenty of Vital Force has Health and Strength and can laugh at disease. We would say, further, that **ORANGE MANNA** first strengthens the stomach and bowels and then in a natural way continues the strengthening process throughout the entire body. It enables a man to enjoy a good meal; it quiets his nerves and makes within him good, rich, red blood.

We have sold **ORANGE MANNA** for so many years; have cured so many people with it and have such faith in its good qualities, that we agree to **CURE** Constipation, Indigestion and all disorders of the stomach and bowels or refund the money paid us. We have also proven it to be invaluable in all wasting diseases such as Consumption.

We do not believe, however, that anything we can tell you will make you a friend of **ORANGE MANNA** nearly so quickly as for you to try it for yourself. To this end we make this offer:

To any person whose name is not already on our books and who will send us ten cents in stamps to help pay postage, we will send a week's treatment of **ORANGE MANNA** **Absolutely Free**. Or, if you do not care to send **MANNA** . . . postage for the week's treatment, we will send you a sample and booklet upon receipt of your address.
