

A REVELATION IN RHYTHMIC BREATHING

You've probably read books and essays galore on the subject of breathing.

But it's safe to say you've never read anything like the notable series of articles by Ellen Adella Fletcher on *The Law of the Rhythmic Breath*, beginning in December *Nautilus*.

These articles present in a scientific way many deep occult truths that have a direct and practical bearing upon the physical health and well-being of every one.

These teachings involve a knowledge of the Law of Vibrations, or the basic law of the universe, and contain much that has heretofore been held as "secret" and "hidden."

You will not be able to find elsewhere in print the valuable scientific information about "Rhythmic Breathing" contained in this wonderful series of articles.

DO NOT FAIL TO READ THEM.

The first article in the series is entitled "Breath is Life." The second will be called "The Master-Key of Creation," to be followed by "How to Find the Master-Key," and "How to Use the Master-Key." Then will come articles upon "Color in the Visible and Invisible World," "Sequence of Numbers," etc., etc.

Miss Fletcher is an educated woman and a writer of note. She has studied deeply the science of Rhythmic Breathing as practiced by the Hindus of India and experimented widely on her own account. She is without doubt better qualified than any other American writer to speak with authority upon this subject.

Her style is lucid, logical and thorough. She writes in an intensely interesting manner and with wonderful enthusiasm for her subject.

Here is what the author of "The Law of the Rhythmic Breath" writes to the editor of *Nautilus* concerning this series of articles:

"In this country all knowledge of the law of breath is confined to the East Indian teachers, their students, and to Theosophists. I KNOW that with all these there is extreme reluctance to make the knowledge public, while for my own part I have felt its further guarding as an error as great as to deprive people of the light of the sun."

"The matter is of stupendous importance, not alone to your regular readers who are striving to overcome physical weakness and to master the secrets of successful and happy living, but also to all scientists to whom it discloses the basic laws of the universe as well as all life."

And she verifies her statements by scientific data, as well as personal experience and discovery. She writes thus:

"You will, I think, agree with me that in presenting facts of so revolutionary a character it was best to verify them with proved scientific data where possible, and I have been most fortunate in the matter I have collected."

Readers of SUGGESTION who are ever quick to recognize new truths scientifically presented will be particularly interested in this remarkable series of articles.

Each number of *The Nautilus* also contains a beautiful new poem by ELLA WHEELER WILCOX and articles by the editor, ELIZABETH TOWNE.

Send 50 cents for a year's subscription now, so as to get the first of Miss Fletcher's articles. Or send 10 cents for four months' trial subscription. Address the Editor, Elizabeth Towne, Dept. 17, Holyoke, Mass.

SYLMAR OLIVE OIL

**DIRECT FROM
THE RANCH IN CALIFORNIA**

Sylmar Olive Oil was awarded the Grand Prize (highest award) at the St. Louis World's Fair in competition with all other olive oils. It is the natural oil of olives, to which nothing has been added, nor anything taken away; guaranteed pure. It will keep longer than any other oil without turning rancid. We own the ranch, the trees and the mill. We produce this oil under the most favorable conditions from the finest ripe olives grown.

Sylmar Olive Oil retains all the rich, fruity flavor of ripe California olives and is most palatable. Sylmar Olive Oil is absolutely the finest article of its kind that can be produced, and can be purchased with the confidence that every bottle will stand the most rigid chemical analysis and be proven absolutely free from adulterations.

A PRACTICAL COURSE IN SELF-DIAGNOSIS AND SELF-HEALING BY MEANS OF

(By H. E. LANE, M. D.)

"THE DIAGNOSIS FROM THE EYE" is a most remarkable book, the result of years of careful observation and research. It deals with one of the *most important and far-reaching discoveries* in the science of healing; with the fact, that the *iris of the eye* is a mirror of mind and body and *discloses the inner condition of man*.

It gives absolute proof that the condition of every part and organ of the body is reflected in corresponding parts of the iris of the eye, that every constitutional and congenital taint and lesion, every artificially cured (suppressed) disease, every poisonous drug, every acute or chronic inflammation, every loss of substance, shows itself by unmistakable signs, which enable every one to make a reliable diagnosis of his physical condition after a careful study of the book.

The work is written in plain and popular language and profusely illustrated; it fully confirms the teachings of "Nature Cure," giving practical advice for the treatment of the most frequent diseases, accidents, injuries, blood poisonings, etc.; it is a true and precious counsel, which should have a place in every home.

"The book is the work of a most intelligent mind, one intent on the acquisition of truth and untiring in its search therefor. It is a wonderfully interesting piece of writing, put into a shape admirably adapted to making the subject clear to all who read."—*BOSTON IDEAS*.

**20 Beautiful Volumes
41 Popular Biographies**

Sensational Clearance Sale

WE are closing out, at about the cost of the sheets, a few slightly-rubbed sets of the "Makers of American History," a library of popular biography which contains more interesting and instructive reading than any other work of its kind ever published.

In these 20 large and beautiful volumes will be found the life-stories of forty-one great Americans—men who moulded the history of the Nation. Each biography is a complete story in itself, written by some eminent authority, such as John S. C. Abbott, Captain Mahan, General Wilson, Professor Sparks, Fitzhugh Lee, and others equally well known. The narrative of American history from the earliest times down through the 19th Century is interwoven in these lives. Every hero and patriot is written about, not in the usual dry and technical form so common to biography, but in a simple, fascinating style that will appeal to all who enjoy good, wholesome reading.

American Heroes and Patriots

To read these volumes is to be grandly entertained, and at the same time to come into intimate contact with the great heroic characters in American History. The lives and deeds of our National heroes and patriots enrich and illumine History as nothing else can do. This is the only work which covers the whole field and is at the same time of distinguished authorship. For an hour's pleasant reading or serious study no other work will compare with it. There is not a dull page in the entire 20 volumes, which are beautifully printed bound in cloth, and illustrated with portraits.

Slightly Rubbed Sets

We have on hand a few sets of this splendid library which have become slightly rubbed from handling in our stock room. For all practical purposes they are as good as new; in fact, an expert could hardly tell the difference. Ordinarily we would simply re-bind them and sell them at the regular price, \$40, but the lot is so small we have decided to close them out for 50 cents down, and \$1.00 a month for 15 months—a total of \$15.50 for 20 fine, large, handsome volumes, which usually sell at \$40. Our clearance price represents merely about the actual cost of printing and binding.

FREE---for 5 Days

We will send you the complete set, 20 beautiful volumes, for five days' examination, if you mail the accompanying coupon promptly. Note our liberal offer. We prepay all express charges. You run no risk whatever. The regular price of the work is \$40.00; we offer these few slightly rubbed sets at \$15.50; payable \$1.00 a month.

HAIR

Guarantee Backed by the Bank.

THE EVANS VACUUM CAP is simply a mechanical means of obtaining a free and normal circulation of blood in the scalp, and the blood contains the only properties that can maintain life in the hair and induce it to grow.

If the Evans Vacuum Cap gives the scalp a healthy glow and produces a pleasant, tingling sensation, then the normal condition of the scalp can be restored, and three or four minutes use of the Cap each day thereafter will, within a reasonable time, develop a natural and permanent growth of hair. If, however, the scalp remains white and lifeless after

the Cap is removed, then the case would be a hopeless one regardless of all the infallible hair restorers advertised. The Vacuum Method is what might be described as a vigorous massage without the rubbing, and there are no drugs or irritants employed. The Cap is furnished on trial and under guarantee issued by the Jefferson Bank of Saint Louis, and any bank or banker will testify as to the validity of this guarantee. We have no agents, and no one is authorized to sell, offer for sale or receive money for the Evans Vacuum Cap—all orders come through the Jefferson Bank. Let us send you a book which explains the possibilities of the invention, and also evidence of the results it has achieved. This book is sent free on request and we prepay postage in full.

THE NEW AND PERFECT WAY

Whatever is sufficient to build a human body is sufficient to keep it in repair

drugs or medicines. They are the most vital of foods. We prepare them as nature requires them to be prepared to enter the cells. Crude preparations go no farther than the alimentary canal. They are all manner of diseases. If you wish to know all about them, send for our literature. We have one booklet showing their application in General diseases; one on their use in Private Diseases; one on their special use in Varicocoele, varicose and weakened veins; one on the Diseases of Women, and a number of leaflets, reprints of articles written by the founder of the system and published in magazines. All these are free on request. They are worth reading. They point the road to true health. If you are sick or ailing, you need them. Our Canadian Laboratory is now open for business.

Your body was built through the action of the tissue salts, which molded, converted, reduced and assimilated the material furnished by the blood of the mother. Your body can only be repaired by the tissue salts. They alone have the power to choose, select and prepare the material for new tissues and to eliminate the debris from the old. They tear down the worn-out cells and build the new. If a foreign element is introduced by contagion, exposure, bad habits, or the willful act of an individual, it is attacked, repelled and expelled through the forces generated by the tissue salts. There is no other way. All of the activities of the body depend upon the tissue salts. It is through them that life is manifested. Therefore, if the supply of tissue salts in your body is sufficient you are well; and if there is a lack of one or more, you are sick in that degree, as the life action is thereby restricted. A cure depends upon restoring the equilibrium.

The Ensign remedies are composed of combinations of twenty-nine tissue salts. They are not

LIBRARY OF SCIENCE FOR THE WORKERS.

1. **THE EVOLUTION OF MAN.** By Prof. Wilhelm Boelsche of Berlin, translated by Ernest Untermann, Ph. D. A clear, strong, simple summary not only of Darwin but of the work of a generation of scientists along the lines Darwin opened up. Boelsche shows that the "missing links" have been found, and he gives pictures of them. University men will find new facts in the book, while bright children of fifteen will find it easy reading. Cloth, illustrated, 50 cents postpaid.
2. **GERMS OF MIND IN PLANTS.** By R. H. Francé, translated by A. M. Simons. Botany has radically changed within the last few years from a catalog of Latin names to a study of the life of plants, and this study has brought to light some startling information, which our author has presented most delightfully. He shows that plants receive impressions from the outside world, and act on these impressions for their own advantage, just as people do. Cloth, illustrated, 50 cents postpaid.
3. **THE END OF THE WORLD.** By Dr. Wilhelm Meyer, translated by Margaret Wagner. Worlds and suns, like plants and people, have their birth, growth, maturity, reproduction, old age and death. This is illustrated by Dr. Meyer with a wealth of facts that are wholly new to the general reader, and represent the latest achievements of science in astronomy and geology. Cloth, illustrated, 50 cents postpaid.
4. **SCIENCE AND REVOLUTION.** By Ernest Untermann. This is an original work by an American scholar of German birth, trained in the University of Berlin, who has for many years made a special study of scientific thought in its bearing on social problems. He traces the development of the theory of evolution from the dawn of literature to the present, and shows how it has always been opposed by the privileged classes and their hirelings in the interest of some form of theology or mysticism. Cloth, 194 pages, 50 cents postpaid.

Any of these volumes will be mailed promptly on receipt of price. Other volumes in preparation.

- Because**—It is unknown to the Old Schools, **therefore a new science.**
- Because**—It deals with the causes of distress and ill health.
- Because**—It is the most important of all sciences.
- Because**—We teach our students how to permanently remove the cause of strain on the nervous system, which in turn removes the cause of 85 per cent. of all human suffering.
- Because**—Our students accomplish the above by use of glasses, fitted by our methods and by **scientific common sense** advice to their patients, teaching them how to live and care for themselves.

Medical Talk For The Home

MEDICAL TALK is the only magazine of its kind in the world. It has a greater circulation among non-professional readers than any other medical journal. It also has the largest circulation among that class of physicians known as liberal, or unethical, of any medical journal. It tries to deal fairly with all schools of medicine without favoring any of them.

What Medical Talk Advocates.

- Absolute Freedom for all schools of medicine.
- Fresh air and sunlight for chronic diseases.
- The right of physicians to do honest advertising.
- The right of every patient to know what medicine he is taking.
- The duty of every physician to prevent disease as well as to prescribe remedies.
- The right of every person to choose his own physician.
- The equal validity of all diplomas issued by legally chartered colleges.
- The growing confidence in mental power to heal diseases.
- An increasing distrust of the healing power of drugs.
- Cremation as the best means of disposing dead bodies.

What Medical Talk Opposes

- The idea that consumption is contagious.
- The tyranny of health boards.
- The rise and progress of medical legislation.
- The medical trusts governed by a code of medical ethics.
- Killing of innocent creatures by the sportsman.
- Torture of animals in the name of medical science.
- Compulsory vaccination.
- Reckless and needless surgery.
- The use of coal-tar preparations and other narcotics.
- Keeping the masses ignorant concerning diseases and medicine.
- Denying patients food they desire.
- Covering up the crime of those who hold diplomas.

Medical Talk reaches fifty thousand homes with plain practical information as to what is going on in the medical world.

In order to know exactly what **Medical Talk** is you should have a copy of it. A sample copy will be sent for 10 cents. Address,

Gray or Faded Hair or Beard

Can now be restored to its natural color by taking medicine internally (10 to 20 drops, 3 times a day) that supplies the blood with this particular coloring matter. I discovered this fact some years ago while giving this medicine to a lady 63 years old, whose hair was **White**. She was greatly surprised (but no more so than I was) to see her hair gradually getting darker and it became a **Nice, Glossy Black**, with not a gray hair on her head. I do not understand what causes the change in color, unless, as stated above, the medicine furnishes the blood with some certain coloring matter that nature has failed to supply. I have this formula printed and will send to anyone for only \$2.50 and will refund your money if it fails to restore the color as it was when young. It is harmless. Can get it in any drug store. I have sold this formula to hundreds and have not been asked to refund the money by to exceed half a dozen. The same medicine will prevent hair from ever turning gray. Address

The Simplex Spirometer

People often remark that they need a change of air. What they need is less a change of air than a change in their manner of using the air. Few people breathe correctly. Most people in breathing use but a small portion of the lungs. A recent investigator makes the startling statement that in an examination covering several thousands of cases he found less than one per cent. of people who breathe correctly.

PILES AND CONSTIPATION

Quickly and **Permanently Cured** by the use of Dr. Young's Dilators. This treatment is no experiment; it has been successfully used in thousands of cases, many of them desperate ones on account of the long continued use of cathartic candies, liver pills, and laxative nostrums, and it **never fails** to give prompt and lasting relief. The philosophy of rectal dilation as a means of curing disease is based on the power that nature has given the rectum, with its sphincter muscles, in controlling the energies of the body. Scientific and practical, it simply cannot fail, as it accomplishes just what is absolutely necessary for a permanent cure. The dilators can be used by any one with perfect safety and can only do good in any case. Don't continue the use of liver pills and nostrums. Every dose does harm and further weakens the system. **Young's Dilators** restore the circulation and

health. Our book explains it. Call or send for a free copy. We sell the dilators under a guarantee to be satisfactory or refund your money. Price, per set \$3.00. Sold by leading druggists and surgical instrument dealers.

OUR FREE BOOK explains how Dilators will cure Piles, Constipation, Hemorrhoids, Strains, and other diseases due to defective elimination and poor circulation of the blood. Worth one hundred dollars to anyone afflicted. Send for it today.

PARKYN

Dr. Parkyn's mail course in Suggestive Therapeutics consists of 42 lessons, and although originally issued in pamphlet form and sold for \$25.00, the lessons are now illustrated and handsomely bound in one large royal octavo book of 400 pages, the price being within the reach of all.

Dr. Parkyn's mail course is the result of his fourteen years' practical experience in treating mental and physical troubles by suggestion and rational hygiene. It is very practical and goes thoroughly into the operations of the law of suggestion as applied in health and to sickness. It tells exactly how to proceed to relieve different classes of mental and physical ailments in one's self and in others, and it gives, also, a clear insight into many remarkable psychic phenomena. It is different in theory and practice from anything published along advanced thought lines and tells the whys and wherefores of things. It is the result of observation and practical experiences, gleaned from the treatment of over 11,000 patients, treated in private and clinic at THE CHICAGO SCHOOL OF PSYCHOLOGY, and was written especially for students who could not come to Chicago to take the personal course at the school.

If you are interested in the field work and thought covered by SUGGESTION you can not afford to be without a copy of this course.

It has been indorsed by the conservative medical press and by students, thinkers in every walk of life.

The Bensonizer Cures Consumption WITHOUT DRUGS

Also Cures Chronic Cases of
Bronchitis, Asthma, Catarrh

64-Page Book Free

THE Bensonizer is a small, medical apparatus which, complete, weighs about six pounds. This apparatus transposes into dry air-like vapor certain healing and antiseptic oils. This vapor is germicidal as well as soothing and healing in its effect upon the mucous membranes and lung tissue. The Bensonizer treatment is in no sense a patent medicine. It is designed for treatment of the diseases of the air passages exclusively, and different inhalants are used for each disease, the vapor in each case being peculiarly effective in treating the disease for which it is intended.

Some truly remarkable cures have been made by the Bensonizer, this being especially true in tuberculosis, or Consumption—sufferers having been cured after their doctors stated they could live but a few months.

The Bensonizer often effects a cure where climatic change affords but little relief, and grateful advocates of the treatment can now be found in any part of the country. Names will be cheerfully furnished on request. The price is moderate and terms are made to suit everybody. Let us send you proof of the merits of the Bensonizer. It will interest you.

You owe it to yourself to look into this remarkable treatment. Our illustrated book will be sent you free on request. In writing state nature of your disease.

A Revelation in Rhythmic Breathing

You may have read books and essays galore on the subject of breathing.

But it's safe to say that you never read anything like "The Law of the Rhythmic Breath" the notable series of articles by Ella Adelia Fletcher, beginning in December Nautilus.

These articles present, in a scientific way, many deep, occult truths that have a direct practical bearing on the physical health and well-being of every one.

These teachings involve a knowledge of the Law of Vibrations, or the basic law of the universe.

The first article in the series is entitled "Breath is Life." The second will be "The Master Key of Creation," to be followed by "How to Find the Master-Key," "How to Use the Master-Key," etc., etc.

The separate articles all relate directly to the one great subject, "The Law of the Rhythmic Breath."

Do Not Fail to Read These Articles

They present to you the opportunity of a lifetime.

Why You Should Become Acquainted
With the Profession of

OPHTHALMOLOGY

- Because**—We do not mean optics, medicine or surgery.
- Because**—It is unknown to the Old Schools, **therefore a new science.**
- Because**—It deals with the causes of distress and ill health.
- Because**—It is the most important of all sciences.
- Because**—We teach our students how to permanently remove the cause of strain on the nervous system, which in turn removes the cause of 85 per cent. of all human suffering.
- Because**—Our students accomplish the above by use of glasses, fitted by our methods and by **scientific common sense** advice to their patients, teaching them how to live and care for themselves.

**KRAMER'S \$5.00
Book Reduced to
\$1.25
While They Last.**

THE price of "Kramer's Book of Trade Secrets" has been reduced from \$5.00 to \$1.25 while they last. Order at once while you can get the book. It's a spring tonic for any business. Did "go" into every state and Canada since April, 1905. "It" makes business "go" and brings in the "dollar" to "you." Endorsed by all manufacturers.

THERE IS ONLY ONE KRAMER'S BOOK

"Kramer's Book of Trade Secrets" was written by Adolph Kramer, analytical chemist, assisted by other experts. Mr. Kramer was educated in Germany's most noted Technical schools and was for over 30 years connected with large manufacturing concerns in Germany and the U. S. It is the most complete thing ever written on flavoring extracts, giving formulas that have never been published, costing from 30c per gallon and wholesaling for \$3.50 per gallon up. It contains hundreds of other formulas which never have appeared in print, where the cost has ranged for each formula to sets of formulas, from \$5.00 to \$100.00. Every person who is out of employment can make more out of this book than a person in ordinary business can on a capital of \$10,000.

"Kramer on Ice Cream" is a booklet which has just been issued telling how to make a prime Ice Cream for 10c a gallon, absolutely pure and will pass in any food law state, besides giving a number of other formulas and information. Can't tell all about it here. Regular price \$2.50, now \$1.00 or both books \$2.00. Act quick.

Physical Immortality

From a Scientific Basis

By ... Dr. Leon Elbert Landone

No opinion, no theory, no mental assumption, just scientific facts. A series of articles appearing in **NEW THOUGHT**. The subject will be treated in the following subdivisions:—

- I. Scientific Basis for Physical Immortality.
- II. Huxley's Experiments. Multiplication of Cells. Elmer Gates' Experiment in Rebuilding Tissue.
- III. Life Energy Inherited, Becomes Exhausted and then Death Occurs.
- IV. Embodiment in Brain Centers of Additional Energy from the Universe.
- V. The Straight or Mental Vibration, the Wave or Love Vibration, the Spiral or Spiritual Vibration.
- VI. Cell Processes. Life and Death. Immortality!

NEW THOUGHT is the broadest, most progressive advanced thought magazine in the United States. It does not stick in the furrow of last year's New Thought—it gives you really the newest thought, the most advanced theories, an opportunity to compare and examine the different methods of applying or investigating the *Power and the Possibilities of the Mind*. It is constantly adding the most advanced thinkers to its staff, and after considerable negotiation has secured Dr. Leon Elbert Landone, under a year's contract, to present in the magazine the result of his trained scientific research, extending over many years. The first series of articles (under the title given above) will begin in the February number.

Whatever is sufficient to build a human body is sufficient to keep it in repair

drugs or medicines. They are the most vital of foods. We prepare them as nature requires them to be prepared to enter the cells. Crude preparations go no farther than the alimentary canal. They cure all manner of diseases. If you wish to know all about them, send for our literature. We have one booklet showing their application in General diseases; one on their use in Private Diseases; one on their special use in Varicose, varicose and weakened veins; one on the Diseases of Women, and a number of leaflets, reprints of articles written by the founder of the system and published in magazines. All these are free on request. They are worth reading. They point the road to true health. If you are sick or ailing, you need them. Our Canadian Laboratory is now open for business.

Your body was built through the action of the tissue salts, which molded, converted, reduced and assimilated the material furnished by the blood of the mother. Your body can only be repaired by the tissue salts. They alone have the power to choose, select and prepare the material for new tissues and to eliminate the debris from the old. They tear down the worn-out cells and build the new. If a foreign element is introduced by contagion, exposure, bad habits, or the wilful act of an individual, it is attacked, repelled and expelled through the forces generated by the tissue salts. There is no other way. All of the activities of the body depend upon the tissue salts. It is through them that life is manifested. Therefore, if the supply of tissue salts in your body is sufficient you are well; and if there is a lack of one or more, you are sick in that degree, as the life action is thereby restricted. A cure depends upon restoring the equilibrium.

The Ensign remedies are composed of combinations of twenty-nine tissue salts. They are not

These books are being introduced as regular studies in some colleges. Judge J. M. Dr. Yates, of Cincinnati, says: "I am convinced that you have the best work on the subjects taught, and I am familiar with most all writers on these and kindred subjects." I. LIBRARY OF SCIENCE FOR THE WORKERS.

1. **THE EVOLUTION OF MAN.** By Prof. Wilhelm Boelsche of Berlin, translated by Ernest Untermann, Ph. D. A clear, strong, simple summary not only of Darwin but of the work of a generation of scientists along the lines Darwin opened up. Boelsche shows that the "missing links" have been found, and he gives pictures of them. University men will find new facts in the book, while bright children of fifteen will find it easy reading. Cloth, illustrated, 50 cents postpaid.
2. **GERMS OF MIND IN PLANTS.** By R. H. Francé, translated by A. M. Simons. Botany has radically changed within the last few years from a catalog of Latin names to a study of the life of plants, and this study has brought to light some startling information, which our author has presented most delightfully. He shows that plants receive impressions from the outside world, and act on these impressions for their own advantage, just as people do. Cloth, illustrated, 50 cents postpaid.
3. **THE END OF THE WORLD.** By Dr. Wilhelm Meyer, translated by Margaret Wagner. Worlds and suns, like plants and people, have their birth, growth, maturity, reproduction, old age and death. This is illustrated by Dr. Meyer with a wealth of facts that are wholly new to the general reader, and represent the latest achievements of science in astronomy and geology. Cloth, illustrated, 50 cents postpaid.
4. **SCIENCE AND REVOLUTION.** By Ernest Untermann. This is an original work by an American scholar of German birth, trained in the University of Berlin, who has for many years made a special study of scientific thought in its bearing on social problems. He traces the development of the theory of evolution from the dawn of literature to the present, and shows how it has always been opposed by the privileged classes and their hirelings in the interest of some form of theology or mysticism. Cloth, 194 pages, 50 cents postpaid.

Gray or Faded Hair or Beard

Can now be restored to its natural color by taking medicine internally (10 to 20 drops, 3 times a day) that supplies the blood with this particular coloring matter. I discovered this fact some years ago while giving this medicine to a lady 63 years old, whose hair was **White**. She was greatly surprised (but no more so than I was) to see her hair gradually getting darker and it became a **Nice, Glossy Black**, with not a gray hair on her head. I do not understand what causes the change in color, unless, as stated above, the medicine furnishes the blood with some certain coloring matter that nature has failed to supply. I have this formula printed and will send to anyone for only \$2.50 and will refund your money if it fails to restore the color as it was when young. It is harmless. Can get it in any drug store. I have sold this formula to hundreds and have not been asked to refund the money by to exceed half a dozen. The same medicine will prevent hair from ever turning gray. Address

Dear Lord, kind Lord,
Gracious Lord, I pray
Thou wilt look on all I love
Tenderly to-day!
Weed their hearts of weariness,
Scatter every care
Down a wake of angel-wings

Bring unto the sorrowing
All release from pain,
Let the lips of laughter
Overflow again.

Oh, divide, I pray,

That is mine to-day!

Medical Talk For The Home

MEDICAL TALK is the only magazine of its kind in the world. It has a greater circulation among non-professional readers than any other medical journal. It also has the largest circulation among that class of physicians known as liberal, or unethical, of any medical journal. It tries to deal fairly with all schools of medicine without favoring any of them.

What Medical Talk Advocates.

- Absolute Freedom for all schools of medicine.
- Fresh air and sunlight for chronic diseases.
- The right of physicians to do honest advertising.
- The right of every patient to know what medicine he is taking.
- The duty of every physician to prevent disease as well as to prescribe remedies.
- The right of every person to choose his own physician.
- The equal validity of all diplomas issued by legally chartered colleges.
- The growing confidence in mental power to heal diseases.
- An increasing distrust of the healing power of drugs.
- Cremation as the best means of disposing dead bodies.

What Medical Talk Opposes

- The idea that consumption is contagious.
- The tyranny of health boards.
- The rise and progress of medical legislation.
- The medical trusts governed by a code of medical ethics.
- Killing of innocent creatures by the sportsman.
- Torture of animals in the name of medical science.
- Compulsory vaccination.
- Reckless and needless surgery.
- The use of coal-tar preparations and other narcotics.
- Keeping the masses ignorant concerning diseases and medicine.
- Denying patients food they desire.
- Covering up the crime of those who hold diplomas.

Medical Talk reaches fifty thousand homes with plain practical information as to what is going on in the medical world.

In order to know exactly what **Medical Talk** is you should have a copy of it. A sample copy will be sent for 10 cents. Address,

Why Teeth Decay

IN THIS connection may also be mentioned the constantly increasing decay of the teeth; and while in olden times dentists were unknown, today they are found in numbers, even in the smallest towns. If we look for a cause we observe that in olden times people had a far coarser diet, of very plain constituents and preparation, while in these days cooking has changed remarkably, so that blandness and richness is preferred.

This is the cause of the decay of the teeth, for rough food will keep the enamel of the teeth clean by abundant friction during the process of chewing, and the simple constituents of plain food are not apt to injure or destroy the enamel. But now just the opposite course prevails, and were it not for the dentists who at once fill cavities and thereby preserve the teeth, people would soon be toothless. Such a condition would finally result in a revolution in cooking, in order to provide such food as would need no chewing; and then the decaying process would still more increase, until no dentist would be able to rectify the evil except by providing full sets of artificial teeth, a very poor substitute for good, natural teeth.

Foods for the purpose of preserving teeth are the various kinds of vegetables, fruits, bran, grits, or rolled whole wheat, graham bread, etc., which are also admirable aids to good digestion.—*From Health and Disease by Dr. C. G. R. Moutoux, Oakland, Cal.*

FACE TO FACE

W. Augustus Pratt, B.S., M.D.

With your face in a
looking glass.

Carefully study your face, and for once in your life try
to realize how you look to others.

"See yourself as others see you"

First Impression is Strongest.

QUESTION NO. 1—Are you beginning to look old, passe and wrinkled, or unpleasant to others?

QUESTION NO. 2—Have you loose, flabby skin, bags or wrinkles over, under or around your eyes? If you have, know that these telltale marks can be removed.

QUESTION NO. 3—Have you baggy hollows in your cheeks, around your eyes? If you have, know that the hollow eyes can be made youthful in appearance and your cheeks plump and rosy.

QUESTION NO. 4—Have you hard, deep exaggerated expression lines running from each side of your nose down to or around each corner of your mouth?

QUESTION NO. 5—Have your cheeks fallen or begun to hang down "dog chop fashion"? If so, know that the cheeks can be lifted up where they belong, taking the slack out of the neck and from around the chin.

QUESTION NO. 6—Have you a weak or receding chin, has your chin and neck lost its graceful shape of youth? Has it become flabby, baggy, unsightly or repulsive to look upon? If it has, by the "IMMEDIATE PROCESS" you can reduce the bulkiness and remove the superfluous skin.

QUESTION NO. 7—Have you the telltale marks of the "CROSS PATCH," ugly frown lines, running perpendicularly between your brow, which makes you appear as if you were grouchy all the time?

QUESTION NO. 8—Are your ears unshapely, too large, protruding or over conspicuous? If they are, have them set in and shaped.

QUESTION NO. 9—Are the nostrils "too big," irregular or unpleasant in appearance? If they are, they can be made smaller and natural.

EVERY DEFECT OF FACE CORRECTED.

Dr. Pratt, with his knowledge, skill and experience, can positively overcome every disfigurement which the human flesh is heir to. It matters not to him whether the defect is due to birth, accident, illness, dissipation or habit, there is no blemish which he cannot remove, usually in one visit. Pockmarks, birthmarks, tattoo marks, powder marks, coarse pores, blackheads, blotches, scars, superfluous hair, moles, warty growths, and all other defects or disfigurements are made to respond to his treatment.

DO NOT GO ANOTHER DAY WITH ANYTHING ABOUT YOUR FACE which may be repulsive or unpleasant to others. You need every possible advantage in your favor and the older you become the more you need the prestige of a pleasing face to make the most out of life. It matters not whether your aspiration be towards public life, domestic life; whether you aspire to business or social success, "good looks" will be the strongest card in your favor. Be sure and have it ready to play when the opportunity offers. Do not wait until the game of life is finished and then regret "what might have been."

NO CHARGE FOR CONSULTATION.

WORLD FAMOUS FACE SPECIALIST.

Originator and inventor of the marvelous "IMMEDIATE PROCESS."

DEAFNESS and CATARRH

CURABLE BY NO MEANS UNTIL ACTINA WAS DISCOVERED

The human Ear is an organ the interior of which the physicians have never been able to get at, hence their inability to remove the cause of deafness.

CAUSES OF DEAFNESS

NINETY-FIVE PER CENT of deafness brought to our attention is the result of chronic catarrh of the throat and middle ear. The air passages become clogged by catarrhal deposits, stopping the action of the vibratory bones (hammer, anvil and stirrup). Until these deposits are removed a cure is impossible. The inner ear cannot be reached by probing or spraying, hence the inability of aurists or physicians to cure. **EAR DRUMS** are worse than useless. It is folly, therefore, for deaf persons to hope for a cure by the old methods of the aurists and physicians, and instead of wasting time and money on methods that never have cured **DEAFNESS** or **CATARRH**, they should awake to the time and apply the scientific cure.

That there is a scientific cure for deafness and catarrh is demonstrated every day by the use of **ACTINA**. The vapor currents generated in the **ACTINA** pass through the Eustachian tubes into the middle ear, removing the catarrhal obstructions as it passes through the tubes and loosens up the bones (hammer, anvil and stirrup) in the inner ear, making them respond to the slightest vibration of sound.

RINGING NOISES IN THE HEAD

ACTINA has never failed to cure this distressing symptom. The vapor current passes quickly and freely through the Eustachian tube, removing the catarrhal substances that obstruct the easy exit of the wave sounds. We have known people troubled with this symptom for years to be completely cured in only three weeks' use of the **ACTINA**.

As deafness and ringing noises are caused from catarrh, the hearing cannot be restored and noises stopped till the catarrh is cured, and as catarrh cannot exist under the use of **ACTINA**, no person need be deaf or have ringing noises in the head if they will use **ACTINA** properly.

ACTINA also cures La Grippe, Asthma, Bronchitis, Sore Throat, Weak Lungs, Colds and Headache, all of which are directly or indirectly due to catarrh. **ACTINA IS SENT ON TRIAL POSTPAID.** Write us about your case. We give advice **FREE**, and positive **PROOF OF CURES**. A **VALUABLE BOOK FREE**—Prof. Wilson's Treatise on Disease—a book that will instruct and interest you. Send for it.

Editor SUGGESTION

The Simplex Spirometer

People often remark that they need a change of air. What they need is less a change of air than a change in their manner of using the air. Few people breathe correctly. Most people in breathing use but a small portion of the lungs. A recent investigator makes the startling statement that in an examination covering several thousands of cases he found less than one per cent. of people who breathe correctly.

Strong Lungs Readily Acquired by Practicing with the Simplex Spirometer

Compels deep, healthful and correct breathing and brings permanent health and tone to the lungs, throat and voice.

If you need more health, strength, vim and power for your work send for our 16-page illustrated pamphlet, "The Science of Breathing," and full particulars about Simplex Spirometer. AUTO-SUGGESTION,

What It is and How to Use It for Health, Happiness and Success

By Herbert A. Parkyn, M.D., C. M., 192 pp., cloth and gold;
handsomely printed on heavy paper. A book for thinkers.

This is one of the most helpful, practical books of the age. It deals in facts, not theories; it is plain, simple, concise, practical and tells how to use inherent psychic powers to bring results.

Contents.

Auto-suggestion. What it is and how it operates.
Auto-suggestion. Its effects and how to employ it to overcome physical troubles.
Auto-suggestion. How to employ it to overcome mental troubles.
Influence of early auto-suggestions for the forming of character.
Auto-suggestion for the formation of habits.
The cultivation of optimism through auto-suggestion.
Auto-suggestion and personal magnetism.
Auto-suggestion for developing concentration.
The achievement of success through auto-suggestion.
Auto-suggestion and success.
Auto-suggestion and breathing exercises.
Auto-suggestion. Its influence on health in the winter.
Auto-suggestion. The diagnosis and treatment of a typical case of chronic physical suffering.
Auto-suggestion. The basis of healing, how psychic pictures are made realities by auto-suggestions.

What Is Auto-Suggestion?

The study of auto-suggestion is one of the most fascinating that confronts the student of psychology; and the subject is not only fascinating but very important, for it deals with the basic elements of health, happiness and success.

In the book, "*Auto-Suggestion; what it is and how to use it for health, happiness and success*," by Herbert A. Parkyn, M.D., editor of SUGGESTION, the new psychology magazine, we have clearly presented the real elements of life; we have presented in the simplest manner an explanation of the forces of mentality which make or mar; we have the key note of right living and right thinking.

This book tells how to do things; it tells how to break a bad habit; how to form at will desirable habits. It tells how to strengthen the mental powers, and how to gain and preserve health. It explains the mystery of absent healing, success circles, Christian Science, relic cures, faith cures and all the various forms of healing found in various religious sects, etc.

For the student, the thinker, the business man, the parent, the teacher, the preacher and the doctor the book is of the greatest value. Let a young man learn of the laws explained in this book and he need not fear failure, or sickness, or the ills and woes of life. The book tells how to build anew the temple of hope; how to be courageous, firm, optimistic, determined—in a word, how to conquer self and the world.

How to Get a Copy.

The book will be given as a premium to any subscriber sending in a new paid in advance subscription to SUGGESTION. New subscribers and old subscribers renewing obtain a copy by sending 25 cents additional. The book will not be sold separately at 25 cents.

Read **The Law of Psychic Phenomena** and you will understand all about occultism, witch doctors, subjective visions, and the mysterious happenings of the ages. **THE LAW OF PSYCHIC PHENOMENA** throws light on the mysterious realms of the psychic world, and clearly shows the basic law of human consciousness, clear, simple, and to the point. Any one can understand the book; written in lucid English; it is the standard text book on the New Psychology; nearly 100,000 copies have been sold.

All Seekers after psychological truth should read this book; it points the way, and makes your path clear. It gives a working hypothesis to explain all psychical manifestations of whatever nature. Are You Sure You Are Ready?

IN THE whirl of modern thought there are many old saws that seem to be losing their grip. One of these concerns that "tide in the affairs of men" which we call opportunity. We have certainly outgrown the fancy that opportunity knocks but once at every man's door. We prefer to believe that it calls on us in one form or another every day. The vital point now is to be ready to grasp it at any moment. Hence **readiness** is the idea of most importance in the business world. This means a complete training in scientific methods. The old slipshod ways and haphazard knowledge are out of date. From the clerk at the counter to the head of a great firm all find the need of science and system. No other proficiency counts in the rush and rivalry of modern commerce.

As the pioneer institution for teaching Business Science, by easy correspondence methods, The Sheldon School (1663) The Republic, Chicago, has won celebrity all over the land. The most opulent industrial and trading firms are urging their salespeople to take the instruction. To the worker it means growth in proficiency and earnings as well as in the development of a rich personality. To the manager and proprietor it stands for better system, stronger grasp of affairs and a sure and progressive increase of profits. Over 14,000 students are now on the rolls of The Sheldon School and the cry is "still they come." Send for free literature.

THE Bensonizer is a small, medical apparatus which, complete, weighs about six pounds. This apparatus transposes into dry air-like vapor certain healing and antiseptic oils. This vapor is germicidal as well as soothing and healing in its effect upon the mucous membranes and lung tissue. The Bensonizer treatment is in no sense a patent medicine. It is designed for treatment of the diseases of the air passages exclusively, and different inhalants are used for each disease, the vapor in each case being peculiarly effective in treating the disease for which it is intended.

Some truly remarkable cures have been made by the Bensonizer, this being especially true in tuberculosis, or Consumption—sufferers having been cured after their doctors stated they could live but a few months.

The Bensonizer often effects a cure where climatic change affords but little relief, and grateful advocates of the treatment can now be found in any part of the country. Names will be cheerfully furnished on request. The price is moderate and terms are made to suit everybody. Let us send you proof of the merits of the Bensonizer. It will interest you.

You owe it to yourself to look into this remarkable treatment. Our illustrated book will be sent you free on request. In writing state nature of your disease.

AN OPEN LETTER

By the Author of The Power-Book Library

FRANK C. HADDOCK, Ph. D.

To Sane, Ambitious People: I have built a business from a dream to a reality. Materials: An ideal, some scientific thinking and a trained and persistent will. I began with blank paper, and have **created**—not theories on hypnotism, nor a fantastic correspondence school of occultism (which seems to hurt life rather than to help life), but plain books, every page of which hugs the practical plane for the evolution of your will, your entire personality, and a magnetic address and power absolutely real and money-getting in your own life and career. In proof I will submit a few of many commendations received. I have never lied in my advertisements or circulars. To any person requesting, the source and address of any or all these commendations will be given. You can rely on them perfectly.

Commendations

"I never spent money better in my life." "I never had a book in my hands equal to it." "I have lifted myself out of a savage lethargy of despair and gloom into a manhood of industry, energy and reality." "I have seen your teaching put to the severest test of having to create a will, and that it succeeded is proof not only of your methods, but that truth is on the throne with law."

Opposed to Occultism

I have nothing to do with the occult "sciences." This writing is induced by the fact that the country is flooded with "systems" crude, foolish and wasteful to buy. You want to keep level-headed. You need to know what yourself is, and how to handle yourself. These are the aims of the Power-Book Library. My clients are sane, educated people who voluntarily declare for the dignity and solid, practical worth of the Power-books. They are enthusiastic beyond my expectations. The books are plain, practical, scientific manuals—companion-instructors—in the evolution of common sense personal, business and professional success. Not beautiful theories about success, but practice-books **for** success. They will unfold your personality for actual life-success and financial success if you will put into them reasonable effort, no matter who you are nor what your business may be.

Sincerely yours,

FRANK C. HADDOCK.

Be assured: these books are veritable mines and will yield values so long as you delve in them. "**Power of Will**," 5½x8; 431 p. p., \$5.00. "**Power for Success**," 6¼x9¾, \$10.00. "**Will in Salesmanship**," 5x7, 44 p. p., \$1.50. The three in one order, \$13.00. The first two, \$12.00. **Small Circulars Free.** "**Practical Philosophy**," a prospectus with essay, illustrated, ten cents.

How to Raise HIGH GRADE Brains and Minds

One of the Many New Subjects
Treated of in My Book Called

Autology and Autopathy
(Study Thyself) (Cure Thyself)

This new book chats with you about your ownself in ways that are unique and interesting, and it tells you things that you'd like to know about staying well and getting well; about "raising" high-grade brains and minds as well as first-class livers and bile, or kidneys and urine, or stomachs and juices, etc.

It contains a brand and a tang of more advanced, reliable, sensible, helpful and personally utilizable information and advice than you can get elsewhere about *How to Study Yourself* and *How to Cure Yourself* and *How to Uplift Yourself*—body, mind and all. Every page of it is devoted to clear explanations and minute personal advice that vitally concern you during your hours of waking and sleeping, of working and resting, of eating and digesting, of thinking and pleasuring; advice which is so very "individual" and "personal" and "special" that you can use each item of it as you can a pin or a comb. In a word, my book does not set forth a bit of knowledge or advice that you can't use for your own purposes and good, as well as for others'—including babes yet unborn. To illustrate:

Suppose you are sick or you are well and you want to know the names and amounts and proportions and mixtures of the different foods and liquids and vegetables and fruits that you must eat in order to get well or to stay well—or in order to develop your mind and brain or your child's; or to improve or restore any impaired or fagged out function or tissue—or, what's more, if you want to know which foods and mixtures are incompatible with mentality and morality; well, if you want to know those things and hundreds like them, just read my book. It unfolds and spreads all these subjects before your eyes in a way and light that have never been thought of or utilized before by any one else. It actually turns every thought and function, every food and drink, every piece of advice and information, every fluid or juice or slime, every action of your mind—from head to foot, from marrow to skin—inside out, in a way that's as clear as day; in a way that your brain cannot fail to grasp and utilize in order to repair or renew or restore or improve your whole self or any parts of yourself to their youthful, useful and healthful state of well-being, well-feeling, well-looking and well-behaving. That's saying much, I know—yet it doesn't come up to what others write. I quote from two letters, the unsolicited originals of which I have before me. Names and addresses sent on request.

One writes: "The adoption of Autology and Autopathy has added years of happiness and usefulness to my life. [This man is over 60 and a physician.] I have not felt so well in years. I never more have an ache nor pain. I sleep like a top. I scarcely know what fatigue is and I can't remember the time when I felt the cold as little as I do now. I believe I could strip and go outdoors and not take cold. In many respects I am reminded of my boyhood days. Millions would not induce me to go back to the indiscriminate and hodge-podge way of living. You deserve a monument, doctor, and I believe you will be gratefully remembered by many people."

Another writes: "Your book, 'Autology and Autopathy,' I have just finished reading with the greatest interest and profit. I must acknowledge that the book contains more useful substance than any other work of its kind. You have written the various topics of the book intensely instructive, practical and entertaining. Indeed, you have made the anatomical, physiological, pathological, dietary and curative knowledge and facts as much interesting and fascinating as any historical novel. Its influence is not only enlightening but highly refining. It is the most capital book for every family, for every single person that I know of. Once familiar with its important subject concerning *how to study oneself* and *how to cure oneself*, and it will at once become

Everybody's "Family Physician,"

for that is just what the book is in the full sense of that expression and meaning."

MY SPECIAL PROPOSITION—The book is full cloth bound in "vellum de luxe," printed on finest of eggshell paper, with gold on side and back—a beautiful book *outside* and the most valuable of books *inside*—and yet will be sent postpaid

FOR TWO DOLLARS

Your money back if its "health" and brain value is not greater than money can figure up. **FREE**—If you don't feel like sending two dollars on the foregoing "say so," I'll send you absolutely free a very neat and valuable little book that will give you a good insight into "Autology and Autopathy." A REVELATION IN RHYTHMIC BREATHING

You've probably read books and essays galore on the subject of breathing.

But it's safe to say you've never read anything like the notable series of articles by ELLAN Adelia Fletcher on *The Law of the Rhythmic Breath*, beginning in December *Nautilus*.

These articles present in a scientific way many deep occult truths that have a direct and practical bearing upon the physical health and well-being of every one.

These teachings involve a knowledge of the Law of Vibrations, or the basic law of the universe, and contain much that has heretofore been held as "secret" and "hidden."

You will not be able to find elsewhere in print the valuable scientific information about "Rhythmic Breathing" contained in this wonderful series of articles.

DO NOT FAIL TO READ THEM.

The first article in the series is entitled "Breath is Life." The second will be called "The Master-Key of Creation," to be followed by "How to Find the Master-Key," and "How to Use the Master-Key." Then will come articles upon "Color in the Visible and Invisible World," "Sequence of Numbers," etc., etc.

Miss Fletcher is an educated woman and a writer of note. She has studied deeply the science of Rhythmic Breathing as practiced by the Hindus of India and experimented widely on her own account. She is without doubt better qualified than any other American writer to speak with authority upon this subject.

Her style is lucid, logical and thorough. She writes in an intensely interesting manner and with wonderful enthusiasm for her subject.

Here is what the author of "The Law of the Rhythmic Breath" writes to the editor of *Nautilus* concerning this series of articles:

"In this country all knowledge of the law of breath is confined to the East Indian teachers, their students, and to Theosophists. I KNOW that with all these there is extreme reluctance to make the knowledge public, while for my own part I have felt its further guarding as an error as great as to deprive people of the light of the sun."

"The matter is of stupendous importance, not alone to your regular readers who are striving to overcome physical weakness and to master the secrets of successful and happy living, but also to all scientists to whom it discloses the basic laws of the universe as well as all life."

And she verifies her statements by scientific data, as well as personal experience and discovery. She writes thus:

"You will, I think, agree with me that in presenting facts of so revolutionary a character it was best to verify them with proved scientific data where possible, and I have been most fortunate in the matter I have collected."

Readers of SUGGESTION who are ever quick to recognize new truths scientifically presented will be particularly interested in this remarkable series of articles.

Each number of *The Nautilus* also contains a beautiful new poem by ELLA WHEELER WILCOX and articles by the editor, ELIZABETH TOWNE.

Send 50 cents for a year's subscription now, so as to get the first of Miss Fletcher's articles. Or send 10 cents for four months' trial subscription. Address the Editor, Elizabeth Towne, Dept. 17, Holyoke, Mass.

Throw Away Your GLASSES

Eyelin

Is an eye-food and Sight-Rejuvenator, put up as an ointment and used on the outside of the eyelids whose blood vessels absorb it. Absolutely harmless, contains no atropine, no cocaine, no mercury or other injurious drugs. Efficacious at any age and in all forms of failing or defective eyes, or sight troubles. Thousands write of it like this:

"Dec. 3, 1905. I wore glasses nine years but threw them away after using half a box of Eyelin. My wife who had worn glasses since a little girl and could scarcely see across the room without them, has also discarded them. All this has been done with one box, which is not quite used up. H. G. Sumner, Passaic, N. J." And that box costs only \$1.00 with full instructions and a 192-page book which contains more good sense and helpful advice about your eyes and sight and other organs and functions than all the world's oculists or specialists could give you. Your money back if not satisfactory.

Eyelin cures weak, dim, painful, watery, strained, blurred and headachy eyes; astigmatism, short-sight, far-sight and other sight troubles; granulations, floating spots, films and scums; also opacities and cataracts in many cases; and throws away glasses in old and young.

OUR SPECIAL PROPOSITION. Send us \$1.00 and we'll mail to you (in plain wrapper) a full-sized package of Eyelin (enough to cure most cases) with full instructions and the 192-page book. Or write to us and we will send you advice, testimonials and the 192-page book absolutely free, so you can see for yourself that Eyelin is right, and so are we. **THE EYELIN CO., 1401 Washington Blvd., CHICAGO, ILL.**

RAW FOOD

NATURE'S ROAD TO PERFECT HEALTH

All disease is the result of disobedience of nature's laws. It is a crime against nature to eat the foods she provides in any other condition than that in which she provides them. Nature does not err.

No one can improve upon nature, yet that's what man attempts to do when he subjects his food to the heat of fire, destroying its vitality and changing its chemical constituents. The products of mother earth, given us for sustenance, are uncooked save by the heat of the sun—the source of all energy. The sun is PRODUCTIVE of life—fire is DESTRUCTIVE of life.

COOKING DESTROYS THE LIFE CELLS IN FOOD
the cells which make and sustain life in man. A burned acorn never grew an oak. Did it ever occur to you what of all animals man is the shortest lived in proportion to the period required to reach adult age. In the lower animal world health is good as a rule—ill health the exception. The reverse is true of man.

There Can be no Cure With- out Nature's Consent

Put a stop to all this suffering and misery by living in harmony with nature. Adopt a properly selected raw food diet. The diet alone is sufficient in most cases to cure every disease and to strengthen and build up the entire system. By getting rid of waste material which clogs up the human mechanism, it permits all organs and parts to work naturally and harmoniously. And where there is normal action of every organ there is perfect health. Germs cannot exist in such an organism. The body becomes disease proof.

One Month's Supply of Raw Foods for \$5. Guaranteed to Cure Any Case of Stomach Trouble

For seven years I have lived on an exclusive diet of raw foods. My health is absolutely perfect—in all these 7 years I have not had an ache or pain.

Social obligations may prevent you from adopting an exclusive raw food diet, but by confining yourself to raw foods for two weeks at a time you can purify your system and put it in such perfect condition that it can easily withstand an occasional return to cooked food without noticeably bad results.

Write for my information blank, fill out and return with \$5 and I will send a sufficient quantity of carefully selected and assorted raw foods—cereals, fruits and nuts—to last 30 days. The foods will be selected to meet your special requirements as indicated by information blank. If, after you have used these foods for 30 days as per directions I furnish you, you can honestly say you are not benefited, you have but to so advise me and I will refund your money, less transportation charges. If you have never tried my famous MASCERATED WHEAT send \$1.00 for 30 days supply, prepaid east of Rockies, \$1.50 west. Write for descriptive literature and information blank. Make the start toward perfect health today.

drugs or medicines. They are the most vital of foods. We prepare them as nature requires them to be prepared to enter the cells. Crude preparations go no farther than the alimentary canal. They cure all manner of diseases. If you wish to know all about them, send for our literature. We have one booklet showing their application in General diseases; one on their use in Private Diseases; one on their special use in Varicocoe, varicose and weakened veins; one on the Diseases of Women, and a number of leaflets, reprints of articles written by the founder of the system and published in magazines. All these are free on request. They are worth reading. They point the road to true health. If you are sick or ailing, you need them. Our Canadian Laboratory is now open for business.

Your body was built through the action of the tissue salts, which molded, converted, reduced and assimilated the material furnished by the blood of the mother. Your body can only be repaired by the tissue salts. They alone have the power to choose, select and prepare the material for new tissues and to eliminate the debris from the old. They tear down the worn-out cells and build the new. If a foreign element is introduced by contagion, exposure, bad habits, or the wilful act of an individual, it is attacked, repelled and expelled through the forces generated by the tissue salts. There is no other way. All of the activities of the body depend upon the tissue salts. It is through them that life is manifested. Therefore, if the supply of tissue salts in your body is sufficient you are well; and if there is a lack of one or more, you are sick in that degree, as the life action is thereby restricted. A cure depends upon restoring the equilibrium.

These books are being introduced as regular studies in some colleges. Judge J. M. Dr. Yates, of Cincinnati, says: "I am convinced that you have the best work on the subjects taught, and I am familiar with most all writers on these and kindred subjects." I. I Can Make You Well, Strong and Beautiful

EVERY WOMAN should preserve her health, strength, beauty, poise and, with these, her happiness. It is my success in treating nearly 18,000 women and my knowledge of what my work has done for them that makes me know I can do as much for you.

Let me give you a perfectly balanced organism. Let me direct your breathing, your exercise, your diet; let me give you a perfect blood supply and circulation; a nervous system in harmony with itself and the rest of your body, each nerve center properly directing the organ it controls. The resultant strong vitality will enable you to resist disease, and I will make you what you were intended to be—strong, happy, graceful, beautiful—loving and beloved, with a mental calm, which is life power and true beauty, making your life a satisfaction to yourself, making you the delight and admiration of your friends.

Only 15 Minutes a Day Give me 15 minutes of your time each day, in your own home, by following my simple directions. Just a little care is all you need to make you the ideal woman of your type. Do not say it is impossible, that nature has not given you the first requirements of health and beauty—I know it is possible; I have accomplished it for thousands.

Drugs are Dangerous

I use no drugs. I never treat a pupil I cannot help. If I cannot help you, I will tell you so.

I Keep Women Young Do you think "True Motherhood" means devotion of mother to her family and neglect of herself?

True?—No, the true mother is true to her sacred duty of preserving and protecting herself, that she may be of greatest service to her family. The mother needs health, strength and lightness of heart that she may be a true wife—the delight of her husband, his joy, rest, social help and inspiration, not a slaving, suffering dead-weight for his pity. The true mother keeps well, beautiful and young, that she may enjoy the confidence and admiration of her children and be their guide and welcome councillor.

If you could sit beside me, at my desk, I could, if I would, show you, daily, hundreds of letters from pupils I have helped. I never violate a confidence, never show a letter without permission, but here are a few snapshots from one morning's mail.

I wish every nervous teacher could know what benefit is to be derived from your physical culture. I have lost 18 pounds, and was never better. I look ten years younger. My constipation and biliousness are entirely relieved. Just think how I have gained, since I began with you, from 112 to 137½ lbs. in one year. My catarrh and lungs are much better and my body, which was a bony, crooked structure, is actually beginning to look like your picture of correct poise. My head is steady, the confused feeling having passed away. It is the best spent money ever used for myself. Just think, Miss Cocroft, before I took up your work I could not eat anything without the greatest distress, and now I think I could DIGEST TACKS, I am so happy.

How to Stand and Walk Remember, I give you personal instruction, after careful study of your symptoms and condition. When you request details about my lessons, I send you my general book free. This outlines my methods, and gives you many valuable health hints. With this book I will send, also free, my lesson on Poise, which teaches you how to stand and walk.

Personal Instruction Besides the Book and free lesson, in answer to your first inquiry, is included my personal examination of your symptoms and my first advice to you. Write me fully about your case, also letting me know your faults of figure, etc. I will then make a personal study of your case and will let you know whether I can help you or not. Your letter will be held in strict confidence.

I never publish letters without special permission, though I can send you hundreds of testimonials from women I have helped, who are only too glad to have me show their letters.

Sure Cure for Rupture

New Scientific Appliance, Always a Perfect Fit—Adjustable to Any Size Person—Easy, Comfortable, Never Slips—Costs Less Than Many Common Trusses—Made for Men, Women or Children.

I Send It On Approval—You Wear It—If You Are Not Satisfied, I Refund Your Money Without a Question.

I have invented a rupture appliance that I can safely say, by 30 years' experience in the rupture business, is the only one that will absolutely hold the rupture and never slip and yet is cool, comfortable, conforms to every movement of the body without chafing or hurting and costs less than many ordinary trusses. I have put the price so

James Britton, Bethlehem, Pa.
Cured of Rupture by C. E. Brooks.

low that any person, rich or poor, can buy, and I absolutely guarantee it. I make it to your order—send it to you—you wear it, and if it doesn't satisfy you send it back to me and I will refund your money without question. That is the fairest proposition ever made by a rupture specialist. The banks or the postmaster here in Marshall will tell you that is the way I do business—always absolutely on the square.

Here is what Mr. Jas. Britton, a prominent manufacturer of Bethlehem, Pa., writes:

"C. E. Brooks, Esq. Dear Sir:—I have been ruptured six years and have always had trouble with it till I got your appliance. It is very easy to wear, fits neat and snug, and is not in the way at any time, day or night. In fact, at times I did not know I had it on. It just adapted itself to the shape of the body and clung to the spot no matter what position I was in.

"It would be a veritable God-send to the unfortunate who suffer from rupture if all could procure the Brooks Rupture Appliance and wear it. They certainly would never regret it.

FOR THE DEAF

Ear-drums, trumpets, speaking tubes and such old-fashioned things are no longer necessary. The modern scientific hearing device is an electrical instrument, called the "AUROPHONE."

Aural specialists, physicians and hundreds of men and women who are using it, and who promptly discarded the old devices, recommend it publicly to all who are hard of hearing. With it deaf people hear clearly and distinctly any spoken word or sound at lecture, sermon, play or in conversation, and without straining or embarrassment. It exercises the nerves and muscles of the ear so that in many cases hearing is eventually restored. It is so small that the transmitter fits into an ordinary vest pocket or waist, and yet can be scientifically graded to meet any peculiarity of hearing.

To those who are hard of hearing, and to physicians who wish to investigate the "Aurophone," a cordial invitation is extended to visit the Chicago office, where a well-known aurist is at your command. Mr. Mears is also present. We allow you to use the "Aurophone" in our office and give it a thorough test, graded to suit your case. Those who cannot call in person should write for illustrated booklet, history blank, etc. We send them free. Call or address, THE MEARS EAR PHONE CO., 814 Stewart Building, 92 State St., Chicago.

PROF. J. G. LEONARD

The Power To Control

THE "Power to Control" is a remarkable book by Prof. J. G. Leonard, for twenty years well known as an authority on psychic and psychometrical matters. This book is written for those who earnestly wish to strengthen their psychic powers and to develop personal magnetism. Prof. Leonard tells just how to do these things.

He uses plain, explicit language, and his directions are plain, pointed, and may be followed by any one of ordinary intelligence.

Power to Control

is a positive book; it is not speculative nor mysterious nor shadowy;

IT TELLS THINGS

It tells how to concentrate; how to strengthen the will; how to develop psychic powers; how to train the subjective faculties; how to achieve mastery; how to become master of your fate.

The directions given for acquiring power to control and for influencing others are based on true psychologic principles; the book is full of short, terse epigrammatical sentences full of deepest meaning.

"The mind is the man, and the will is the man's executor. Mind is the master and the body is the servant of the mind."

Among the subjects discussed are the following:

Will and Thought	Mental Energy	Will Power
Trinity of Nerve Forces	The Subjective Mind	The Science of Control
Thought is Force, a Vibration		Power of Suggestion
Personal Magnetism	Application of Personal Magnetism	Example

The importance of psychic study and research is acknowledged by the world's greatest thinkers, among whom may be mentioned such well-known scientists, authors and editors as Isaac K. Funk, LL.D., editor of the Standard Dictionary; Professor Hyslop of Yale; Professor James, Professor of Psychology, Harvard; Robert Ingersoll, Henry Ward Beecher, Dr. Lyman Abbott, Rev. J. Minot Savage, Ralph Waldo Emerson, Hon. W. T. Stead, editor of the English Review of Reviews; Right Hon. William Ewart Gladstone; Sir William Crookes, and many others.

Gray or Faded Hair or Beard

Can now be restored to its natural color by taking medicine internally (10 to 20 drops, 3 times a day) that supplies the blood with this particular coloring matter. I discovered this fact some years ago while giving this medicine to a lady 63 years old, whose hair was white. She was greatly surprised (but no more so than I was) to see her hair gradually getting darker and it became a Nice Glossy Black, with not a gray hair on her head. I do not understand what causes the change in color, unless, as stated above, the medicine furnishes the blood with some certain coloring matter that nature has failed to supply. I have this formula printed and will send to anyone for only \$2.50 and will refund your money if it fails to restore the color as it was when young. It is harmless. Can get it in any drug store. I have sold this formula to hundreds and have not been asked to refund the money by to exceed half a dozen. The same medicine will prevent hair from ever turning gray. Address

FACE TO FACE

W. Augustus Pratt, B.S., M.D.

With your face in a
looking glass.

Carefully study your face, and for once in your life try
to realize how you look to others.

"See yourself as others see you"

First Impression is Strongest.

QUESTION NO. 1—Are you beginning to look old, passe and wrinkled, or unpleasant to others?

QUESTION NO. 2—Have you loose, flabby skin, bags or wrinkles over, under or around your eyes? If you have, know that these telltale marks can be removed.

QUESTION NO. 3—Have you haggard hollows in your cheeks, around your eyes? If you have, know that the hollow eyes can be made youthful in appearance and your cheeks plump and rosy.

QUESTION NO. 4—Have you hard, deep exaggerated expression lines running from each side of your nose down to or around each corner of your mouth?

QUESTION NO. 5—Have your cheeks fallen or begun to hang down "dog chop fashion?" If so, know that the cheeks can be lifted up where they belong, taking the slack out of the neck and from around the chin.

QUESTION NO. 6—Have you a weak or receding chin, has your chin and neck lost its graceful shape of youth? Has it become flabby, baggy, unsightly or repulsive to look upon? If it has, by the "IMMEDIATE PROCESS" you can reduce the bulkiness and remove the superfluous skin.

QUESTION NO. 7—Have you the telltale marks of the "CROSS PATCH," ugly frown lines, running perpendicularly between your brow, which makes you appear as if you were grouchy all the time?

QUESTION NO. 8—Are your ears unshapely, too large, protruding or over conspicuous? If they are, have them set in and shaped.

QUESTION NO. 9—Are the nostrils "too big," irregular or unpleasant in appearance? If they are, they can be made smaller and natural.

EVERY DEFECT OF FACE CORRECTED.

Dr. Pratt, with his knowledge, skill and experience, can positively overcome every disfigurement which the human flesh is heir to. It matters not to him whether the defect is due to birth, accident, illness, dissipation or habit, there is no blemish which he cannot remove, usually in one visit. Pockmarks, birthmarks, tattoo marks, powder marks, coarse pores, blackheads, blotches, scars, superfluous hair, moles, warty growths, and all other defects or disfigurements are made to respond to his treatment.

DO NOT GO ANOTHER DAY WITH ANYTHING ABOUT YOUR FACE which may be repulsive or unpleasant to others. You need every possible advantage in your favor and the older you become the more you need the prestige of a pleasing face to make the most out of life. It matters not whether your aspiration be towards public life, domestic life; whether you aspire to business or social success, "good looks" will be the strongest card in your favor. Be sure and have it ready to play when the opportunity offers. Do not wait until the game of life is finished and then regret "what might have been."

NO CHARGE FOR CONSULTATION.

WORLD FAMOUS FACE SPECIALIST.

DEAFNESS AND CATARRH

Cured by "ACTINA"

The human Ear is an organ, the interior of which specialists have never been able to get at, hence their inability to remove the cause of deafness.

Causes of Deafness

NINETY-FIVE PER CENT of deafness cases brought to our attention are the result of chronic catarrh of the throat and middle ear. The air passages become clogged by catarrhal deposits, stopping the action of the vibratory bones (hammer, anvil and stirrup). Until these deposits are removed a cure is impossible. The inner ear cannot be reached by probing or spraying; therefore cures cannot be effected in that manner. **EAR DRUMS** never cure deafness. It is folly, therefore, for deaf persons to hope for a cure by the old methods of the aurists and physicians, and instead of wasting time and money on methods that never have cured **DEAFNESS OR CATARRH**, they should awake to the time and apply the scientific cure. That there is a cure for deafness and catarrh is demonstrated every day by the use of **ACTINA**. The vapor currents generated in the **ACTINA** pass through the Eustachian tubes into the middle ear, removing the catarrhal obstructions as they pass through the tubes and loosen up the bones (hammer, anvil and stirrup) in the inner ear, making them respond to the slightest vibration of sound.

RINGING NOISES IN THE HEAD. **ACTINA** is very successful in curing this distressing symptom. The vapor currents pass quickly and freely through the Eustachian tube removing the

catarrhal substances that obstruct the easy exit of the wave sounds. We have known people troubled with this symptom for years to be completely cured in a few weeks by use of the **ACTINA**.

As deafness and ringing noises are caused from Catarrh, hearing cannot be restored and noises stopped till the catarrh is cured, and as catarrh is curable by **ACTINA**, no person need be deaf or have ringing noises in the head if they will use **ACTINA** properly.

ACTINA also cures La Grippe, Asthma, Bronchitis, Sore Throat, Weak Lungs, Colds, Headache and all other troubles that are directly or indirectly due to catarrh.

HAVE YOU PERSONAL MAGNETISM?

At an expense of Fifteen Hundred Dollars Dr. David H. Reeder, President of the Home Health Club, has been engaged to write a series of 36 articles or lessons on Dynamic or Personal Magnetism for the Woman's World.

Dr. Reeder is the ablest as well as the most practical and reliable teacher of Personal Magnetism in America.

He has been the first to occupy a chair devoted exclusively to that art in any college, having acceptably filled that position at Shaftesbury College, Baltimore, Maryland.

Personal Magnetism as taught in those practical, helpful lessons which appear monthly in the Woman's World will teach you

- HOW TO BECOME POPULAR.
- HOW TO SECURE GREATER LIFE FORCE.
- HOW TO INFLUENCE OTHERS.
- HOW TO CONTROL YOURSELF.
- HOW TO INCREASE YOUR ENJOYMENTS OF LIFE A THOUSAND FOLD.
- HOW TO DEVELOP GREATNESS WITHIN YOURSELF.
- HOW TO BECOME A PRONOUNCED SUCCESS IN LIFE, MENTALLY, MORALLY AND FINANCIALLY.
- HOW TO TURN YOUR POSSIBILITIES INTO POWERS AND REALITIES.

HOW TO MAKE THE BEST USE OF PERSONAL MAGNETISM.

HOW TO ACCOMPLISH ANY OBJECT IN LIFE THAT IS EARNESTLY DESIRED.

All men and women should study these practical lessons on Magnetism and become familiar with the power and how it is used.

It means personal protection because if ignorant of these things, a magnetic man or woman has you at their mercy and you will submit to their will in spite of your conviction that you ought not to do so.

Personal Magnetism will enable a lawyer to win his cases because he will be able to secure the truth from every witness. He will have greater influence with the jury and be able to present his case more clearly.

THE MAGNETIC PUBLIC SPEAKER or lecturer is never tiresome or dull.

THE MAGNETIC CLERGYMAN does not have to talk to great rows of empty pews. His church will be well filled and his salary will always be promptly and cheerfully paid.

THE MAGNETIC DOCTOR will find that the remedies he prescribes seldom fail; he has the complete confidence of his patients.

THE MAGNETIC WOMAN can make her own selection of a husband and will never be called into a divorce court.

THE MAGNETIC MAN can easily win the woman of his choice, be she rich or poor.

THE MAGNETIC SURGEON OR DENTIST secures steadiness or nerves which adds greatly to their skill and ability.

THE MAGNETIC BUSINESS MAN never hesitates, he can decide instantly and correctly, questions involving the expenditure or investment of thousands of dollars and he rapidly rises to positions of wealth and power.

If all humanity should study Dr. Reeder's lesson on Dynamic Magnetism, the sum of human happiness would be increased and the entire human race would advance by great strides in development. There would be no more war and no need for great armies and navies. A police system would be as unnecessary and useless as a poodle dog in a modern bank vault.

Dr. Reeder's lessons on Dynamic Magnetism are in 36 chapters, which will appear monthly in the Woman's World, during the next three years. Send 50 cents to-day for a three years subscription to Woman's World and secure the great and lasting benefits to be derived from the study of these articles on Dynamic Magnetism. Woman's World, which is printed in three colors, is alone worth more than 50 cents for three years and, in conjunction with Dr. Reeder's articles on Dynamic Magnetism, it is invaluable. Subscribe to-day. Lessons which have already appeared will be furnished all new subscribers. Address

The Sun Center of the Human Body, or the Solar Plexus

The Solar Plexus consists of a delicate network of nerves, located directly back of the stomach.

The Hindoos of India say that the soul functions through this center. However that may be, the Solar Plexus is intimately connected with the health and welfare of every human being.

Very few people have a perfect sense of freedom at the Solar Center. There is often a sense of oppression, constriction or inertness there. This center is also the seat of much nervousness and fear.

Elizabeth Towne, Editor of *The Nautilus*, is the author of a very unique and original booklet called "Just How to Wake the Solar Plexus."

This book teaches that the Solar Plexus is a natural center or storehouse of energy and life.

When the center is in a normal condition it radiates Life, Health and Strength to the whole body, just as the sun radiates warmth and life to the vast systems of the world of which it is the center.

This book tells how, by deep breathing, assuming the correct mental attitude, etc., the Solar Plexus may be awakened to fuller life and normal activity. It gives deep breathing exercises of great value.

This book will help to outgrow fear, anger, hate, worry, etc., and develop concentration, thus promoting greater mental strength, steady nerves and a condition of mental and physical poise.

Many physicians endorse the book and hundreds of people have gained a greater degree of health and happiness through practicing the teachings contained in this marvelous little work.

ELLA WHEELER WILCOX, the most famous women author in America, says of this book: "It contains a fortune in value if you practice the simple exercises given."

ALBERT D. LEECH, M. D., says: "To any one who desires self-mastery it furnishes not only the key, but explicit method."

MRS. BLANCHE C. MARTIN, an instructor at Lasell Seminary, Auburndale, Mass. (one of the foremost educational institutions in the country), says: "I have used your little booklet, 'Just How to Wake the Solar Plexus,' in my classes at Lasell as a text-book on thinking and breathing, and the pupils look upon it as a kind of revelation and they put it into practice, too, and send the little booklet to sick friends or parent."

"JUST HOW TO WAKE THE SOLAR PLEXUS" is complete in itself, and is not an introduction to or advertisement of a larger work, it contains in itself the full teachings of the author upon the subject of the SOLAR PLEXUS.

Over 25,000 copies of this book have been sold in all parts of the civilized world. It has also been published abroad and large quantities disposed of.

The price of the book is ONLY 25 CENTS. Send for a copy NOW. Address

AUTO-SUGGESTION,

What It is and How to Use It for Health, Happiness and Success

By Herbert A. Parkyn, M.D., C. M., 192 pp., cloth and gold;

Contents.

Auto-suggestion. What it is and how it operates.
Auto-suggestion. Its effects and how to employ it to overcome physical troubles.
Auto-suggestion. How to employ it to overcome mental troubles.

Auto-suggestion. The basis of healing, how psychic pictures are made realities by auto-suggestions.

What Is Auto-Suggestion?

The study of auto-suggestion is one of the most fascinating that confronts the student of psychology; and the subject is not only fascinating but very important, for it deals with the basic elements of health, happiness and success.

In the book, "*Auto-Suggestion; what it is and how to use it for health, happiness and success*," by Herbert A. Parkyn, M.D., editor of *SUGGESTION*, the new psychology magazine, we have clearly presented the real elements of life; we have presented in the simplest manner an explanation of the forces of mentality which make or mar; we have the key note of right living and right thinking.

This book tells how to do things; it tells how to break a bad habit; how to form at will desirable habits. It tells how to strengthen the mental powers, and how to gain and preserve health. It explains the mystery of absent healing, success circles, Christian Science, relic cures, faith cures and all the various forms of healing found in various religious sects, etc.

For the student, the thinker, the business man, the parent, the teacher, the preacher and the doctor the book is of the greatest value. Let a young man learn of the laws explained in this book and he need not fear failure, or sickness, or the ills and woes of life. The book tells how to build anew the temple of hope; how to be courageous, firm, optimistic, determined—in a word, how to conquer self and the world.

How to Get a Copy.

The book will be given as a premium to any subscriber sending in a new paid in advance subscription to *SUGGESTION*. New subscribers and old subscribers renewing obtain a copy by sending 25 cents additional. The book will not be sold separately at 25 cents.

Any one can understand the book; written in lucid English; it is the standard text book on the New Psychology; nearly 100,000 copies have been sold.

All Seekers after psychological truth should read this book; it points the way, and makes your path clear. It gives a working hypothesis to explain all psychical manifestations of whatever nature. S AND CONSTIPATION

Quickly . . . **permanently Cured** by the use of Dr. Young's Dilators. This treatment is no experiment; it has been successfully used in thousands of cases, many of them desperate ones on account of the long continued use of cathartic candles, liver pills, and laxative nostrums, and it **never fails** to give prompt and lasting relief. The philosophy of rectal dilation as a means of curing disease is based on the power that nature has given the rectum, with its sphincter muscles, in controlling the energies of the body. Scientific and practical, it simply cannot fail, as it accomplishes just what is absolutely necessary for a permanent cure. The dilators can be used by any one with perfect safety and can only do good in any case. Don't continue the use of liver pills and nostrums. Every dose does harm and further weakens the system. **Young's Dilators** restore the circulation and

health. Our book explains it. Call or send for a free copy. We sell the dilators under a guarantee to be satisfactory or refund your money. Price, per set \$3.00. Sold by leading druggists and surgical instrument dealers.

OUR FREE BOOK explains how Dilators will cure Piles, Constipation, Dyspepsia, Eczema, and other diseases due to defective elimination and poor circulation of the blood. Worth one hundred dollars to anyone afflicted. Send for it today. F. E. YOUNG & Co., 44 Michigan Ave., Chicago.

The Magic of Persuasion

Q This is the great need of modern business and social life. Either as doctor or lawyer, statesman or merchant, you can best promote your aims as a master of the fine art of persuasion. You can't even sell your own services, in any field of effort, as well as the "other fellow" who surpasses you on this line.

Q The world is waking up to the fact that here is a new science to be learned and applied. It is a matter of right education in law and principle, in methods and expression, and of personality molded to a winning standard. Development on this basis is as needful to the head of a firm or corporation as it is to every salesman in his force. You cannot drive a business machine to its best performance unless every cog in every wheel supplies its note to the general harmony.

Q That is why the course of The Sheldon School is enlisting the favor of business men throughout the land. It takes the raw material of manhood, or womanhood and shapes it by correspondence teaching into high character and healthfulness, and to the diligence, earnestness and loyalty that are sure to "make good" in the face of all hindrances. Over 14,000 students have now enrolled and the great mercantile firms are wheeling their people into line as a measure of self-interest, profit and success. The modern business man must grasp the situation even if he but wishes to "hold his own." Write for our free literature and see what we can do for you—whether employer or employe, veteran or beginner.

The Bensonizer Cures Consumption WITHOUT DRUGS

**Also Cures Chronic Cases of
Bronchitis, Asthma, Catarrh**

64-Page Book Free

THE Bensonizer is a small, medical apparatus which, complete, weighs about six pounds. This apparatus transposes into dry air-like vapor certain healing and antiseptic oils. This vapor is germicidal as well as soothing and healing in its effect upon the mucous membranes and lung tissue. The Bensonizer treatment is in no sense a patent medicine. It is designed for treatment of the diseases of the air passages exclusively, and different inhalants are used for each disease, the vapor in each case being peculiarly effective in treating the disease for which it is intended.

Some truly remarkable cures have been made by the Bensonizer, this being especially true in tuberculosis, or Consumption—sufferers having been cured after their doctors stated they could live but a few months.

The Bensonizer often effects a cure where climatic change affords but little relief, and grateful advocates of the treatment can now be found in any part of the country. Names will be cheerfully furnished on request. The price is moderate and terms are made to suit everybody. Let us send you proof of the merits of the Bensonizer. It will interest you.

You owe it to yourself to look into this remarkable treatment. Our illustrated book will be sent you free on request. In writing state nature of your disease.

The Scientific reason for new hair growth by the EVANS VACUUM CAP method, is simply in that the exhaust of air brings a full supply of blood to the scalp, which acts like a rhythmical massage. You can tell from using the Cap a reasonable length of time, what your result is going to be; if you experience the tingling, freshening sensation of renewed circulation and a healthy, ruddy tinge shows on the scalp surface, it is proof positive and scientific evidence that nature is still able to do her work in the production of hair growth, and the Cap will restore your hair.

The EVANS VACUUM CAP method is

endorsed by scientists generally, and is guaranteed to produce a growth of hair to your satisfaction or your money will be refunded by the Jefferson Bank of St. Louis. If you want to speak and sing artistically, get something to speak and sing with.

Results attainable are positive, accurate and rapid, and the student is quite independent of the teacher. "Voice Placing" has been sent (post paid for \$1.00) to many parts of the civilized world, not only in the United States and Canada, but England, France, Australia, South Africa and India.

In order to reach the masses, the course is placed at the extremely low cost of \$10; \$9 to those who have purchased the book.

THE FAMOUS INTERNATIONAL SHAKESPEARE AT PRACTICALLY YOUR OWN PRICE

In taking inventory, we find a few sets of the "International Shakespeare," 13 library volumes, which have become slightly rubbed from handling in our stock room; not enough to impair their real value, but sufficiently to prevent their shipment as perfect stock at the regular subscription price, \$39 a set. Rather than rebind such a small lot, we have decided to close them out for 50 cents down and \$1.00 a month for 12 months. This price, \$12.50, represents but little more than actual cost of the sheets; and the sets are practically as good as new; in fact some of them have never been removed from the boxes. This is a rare opportunity for those who desire a beautiful and serviceable edition of Shakespeare's works.

BEST EDITION EVER PUBLISHED

This edition of Shakespeare's works is the newest and by far the most satisfactory now before the American public. It is complete in 13 volumes, library size—7½x5½ inches, containing over 7,000 pages, with 400 illustrations, many of which are beautiful full-page plates in colors. We commend it to all who desire a good library edition at a moderate price. It contains the following unique and exclusive features, which are absolutely essential to a proper understanding of Shakespeare's plays:

Topical Index: By means of which the reader can find any desired passage in the plays and poems.

Critical Comments explaining the plays and characters; selected from the writings of eminent Shakespearian scholars.

Glossaries following each Play, so that you do not have to turn to a separate volume to find the meaning of every obscure word.

Two Sets of Notes: Explanatory notes for the general reader and critical notes for the student or scholar.

Arguments, giving a full story of each play in interesting, readable prose.

Study Methods, consisting of study questions and suggestions,—a complete college course of Shakespearian study.

Life of Shakespeare by Dr. Israel Gollancz, with critical essays by Hagehot, Stephen and other distinguished Shakespearian scholars and critics.

Gray or Faded Hair or Beard

Can now be restored to its natural color by taking medicine internally (10 to 20 drops, 3 times a day) that supplies the blood with this particular coloring matter. I discovered this fact some years ago while giving this medicine to a lady 63 years old, whose hair was **White**. She was greatly surprised (but no more so than I was) to see her hair gradually getting darker and it became a **Nice, Glossy Black**, with not a gray hair on her head. I do not understand what causes the change in color, unless, as stated above, the medicine furnishes the blood with some certain coloring matter that nature has failed to supply. I have this formula printed and will send to anyone for only \$2.50 and will refund your money if it fails to restore the color as it was when young. It is harmless. Can get it in any drug store. I have sold this formula to hundreds and have not been asked to refund the money by to exceed half a dozen. The same medicine will prevent hair from ever turning gray. Address

STOP FORGETTING THE KEY TO SUCCESS

IS THE DICKSON SCHOOL OF MEMORY'S CORRESPONDENCE COURSE

THE Art of Memory reduced to a science, so that the ordinary brain is capable of retaining facts as easily as the more gifted. My method will enable you to accomplish more in a week than the hard-working man who does not THINK, will be able to do in a month, thus saving time and doubling your income. Poor memory is simply a lack of knowing HOW to think. The Dickson Method supplies that want, teaches you to think, to remember, to concentrate your mind, to converse fluently, to recall instantly faces, names, business details, books, studies, etc. No cumbersome and wearying method to memorize, requiring a strong memory to begin with. Simple, easy and sure to bring satisfactory results.

SLIPS of memory often mean the sacrifice of success, happiness, and even life itself. Master your mind, compel it to respond clearly, accurately, instantly. By my method you can convert a treacherous memory into a reliable one. Its study will give you perfect mind control and mental poise. Requires but a few minutes each day and richly repays the time invested. No matter what your life work is, a study of this method will make you more successful. A good memory saves time and money. Thousands of testimonials from men and women in every walk in life have been received from all over the world, stating that the writers owe their success to it.

EYE-GLASSES NOT NECESSARY

**Eye Sight Can Be Strengthened,
and Most Forms of Diseased Eyes Cured Without
Cutting or Drugging.**

That the eyes can be strengthened so that eye-glasses can be dispensed with in the great majority of cases has been proven beyond a doubt by the testimony of hundreds of people who have publicly claimed that they have been cured by that wonderful little instrument called "Actina." "Actina" also cures granulated lids, Iritis, &c., also removes Cataracts and Pterygiums, without cutting or drugging. Over seventy-five thousand Actinas have been sold, therefore it is not an experiment, but an absolute fact. The following letters are but samples of those that are received daily:—

Mrs. M. E. Champney, 242 West 135th St., New York City writes:—"The 'Actina' cured me of Iritis, after the doctors said there was no cure outside an operation. I have been entirely well for over four months, can see to read and sew as well as before. I can honestly recommend 'Actina' for all afflictions of the eye."

Emily Knapp, 920 Galena St., Milwaukee, Wis., writes:—"The 'Actina' I purchased from you a year

ago saved my brother's eyesight. My brother was near sighted, wore number five and six glasses, and now he can go to school and do all his work and study without glasses."

E. R. Holdbrook, Deputy County Clerk, Fairfax, Va., writes:—"Actina" has cured my eyes so that I can do without glasses. I very seldom have headache now, and can study up to eleven o'clock after a hard day's work at the office."

"Actina" can be used by old and young with perfect safety. It is impossible to do harm with it. Every member of the family can use the one "Actina" for any form of disease of the Eye, Ear, Throat or Head. "Actina" will last for years, and is always ready for use. It will be sent on trial postpaid.

If you will send your name and address you will receive absolutely FREE a valuable book, Professor Wilson's Treatise on the Eye and on Diseases in General. You can rest assured that your eyes can be cured, no matter how many failures you have experienced. Address

The Secret of Mental Healing

has long been a disputed point. Magnetism, Faith, Magic—these and many other solutions have been brought forward in explanation. However it has remained for Rev. J. H. Sowerby of Canton, Ill., to say the final word by clearly demonstrating that this and other Psychic Phenomena are but manifestations of the Human Spirit.

Rev. Sowerby, who has earned an enviable reputation as a Chautauqua lecturer along these lines, has just completed and published a book, "Psychic Phenomena in the Light of the Bible," which bids fair to revolutionize current thought upon these subjects. The book is logical and scientific. Unlike other systems it contains no word at variance with Evangelical Christianity. Endorsed by leading thinkers in religious circles. Teaches you how to use the divine within you for the healing of disease. Many wonderful cures have been secured through its agency. We have a neat little booklet which will give you an idea of this unique system of philosophy. A postal will secure you a copy.

FACE TO FACE

W. Augustus Pratt, B.S., M.D.

With your face in a
looking glass.

Carefully study your face, and for once in your life try
to realize how you look to others.

"See yourself as others see you"

First Impression is Strongest.

QUESTION NO. 1.—Are you beginning to look old, passe and wrinkled, or unpleasant to others?

QUESTION NO. 2.—Have you loose, flabby skin, bags or wrinkles over, under or around your eyes? If you have, know that these telltale marks can be removed.

QUESTION NO. 3.—Have you haggard hollows in your cheeks, around your eyes? If you have, know that the hollow eyes can be made youthful in appearance and your cheeks plump and rosy.

QUESTION NO. 4.—Have you hard, deep exaggerated expression lines running from each side of your nose down to or around each corner of your mouth?

QUESTION NO. 5.—Have your cheeks fallen or begun to hang down "dog chop fashion?" If so, know that the cheeks can be lifted up where they belong, taking the slack out of the neck and from around the chin.

QUESTION NO. 6.—Have you a weak or receding chin, has your chin and neck lost its graceful shape of youth? Has it become flabby, baggy, unsightly or repulsive to look upon? If it has, by the "IMMEDIATE PROCESS" you can reduce the bulkiness and remove the superfluous skin.

QUESTION NO. 7.—Have you the telltale marks of the "CROSS PATCH," ugly frown lines, running perpendicularly between your brow, which makes you appear as if you were grouchy all the time?

QUESTION NO. 8.—Are your ears unshapely, too large, protruding or over conspicuous? If they are, have them set in and shaped.

QUESTION NO. 9.—Are the nostrils "too big," irregular or unpleasant in appearance? If they are, they can be made smaller and natural.

EVERY DEFECT OF FACE CORRECTED.

Dr. Pratt, with his knowledge, skill and experience, can positively overcome every disfigurement which the human flesh is heir to. It matters not to him whether the defect is due to birth, accident, illness, dissipation or habit, there is no blemish which he cannot remove, usually in one visit. Pockmarks, birthmarks, tattoo marks, powder marks, coarse pores, blackheads, blotches, scars, superfluous hair, moles, warty growths, and all other defects or disfigurements are made to respond to his treatment.

DO NOT GO ANOTHER DAY WITH ANYTHING ABOUT YOUR FACE which may be repulsive or unpleasant to others. You need every possible advantage in your favor and the older you become the more you need the prestige of a pleasing face to make the most out of life. It matters not whether your aspiration be towards public life, domestic life; whether you aspire to business or social success, "good looks" will be the strongest card in your favor. Be sure and have it ready to play when the opportunity offers. Do not wait until the game of life is finished and then regret "what might have been."

NO CHARGE FOR CONSULTATION.

WORLD FAMOUS FACE SPECIALIST.

THE NEW AND PERFECT WAY

Whatever is sufficient to build a human body is sufficient to keep it in repair

drugs or medicines. They are the most vital of foods. We prepare them as nature requires them to be prepared to enter the cells. Crude preparations go no farther than the alimentary canal. They cure all manner of diseases. If you wish to know all about them, send for our literature. We have one booklet showing their application in General diseases; one on their use in Private Diseases; one on their special use in Varicocoele, varicose and weakened veins; one on the Diseases of Women, and a number of leaflets, reprints of articles written by the founder of the system and published in magazines. All these are free on request. They are worth reading. They point the road to true health. If you are sick or ailing, you need them. Our Canadian Laboratory is now open for business.

Your body was built through the action of the tissue salts, which molded, converted, reduced and assimilated the material furnished by the blood of the mother. Your body can only be repaired by the tissue salts. They alone have the power to choose, select and prepare the material for new tissues and to eliminate the debris from the old. They tear down the wornout cells and build the new. If a foreign element is introduced by contagion, exposure, bad habits, or the wilful act of an individual, it is attacked, repelled and expelled through the forces generated by the tissue salts. There is no other way. All of the activities of the body depend upon the tissue salts. It is through them that life is manifested. Therefore, if the supply of tissue salts in your body is sufficient you are well; and if there is a lack of one or more, you are sick in that degree, as the life action is thereby restricted. A cure depends upon restoring the equilibrium.

The Ensign remedies are composed of combinations of twenty-nine tissue salts. They are not

LIBRARY OF SCIENCE FOR THE WORKERS.

1. **THE EVOLUTION OF MAN.** By Prof. Wilhelm Boelsche of Berlin, translated by Ernest Untermann, Ph. D. A clear, strong, simple summary not only of Darwin but of the work of a generation of scientists along the lines Darwin opened up. Boelsche shows that the "missing links" have been found, and he gives pictures of them. University men will find new facts in the book, while bright children of fifteen will find it easy reading. Cloth, illustrated, 50 cents postpaid.
2. **GERMS OF MIND IN PLANTS.** By R. H. Francé, translated by A. M. Simons. Botany has radically changed within the last few years from a catalog of Latin names to a study of the life of plants, and this study has brought to light some startling information, which our author has presented most delightfully. He shows that plants receive impressions from the outside world, and act on these impressions for their own advantage, just as people do. Cloth, illustrated, 50 cents postpaid.
3. **THE END OF THE WORLD.** By Dr. Wilhelm Meyer, translated by Margaret Wagner. Worlds and suns, like plants and people, have their birth, growth, maturity, reproduction, old age and death. This is illustrated by Dr. Meyer with a wealth of facts that are wholly new to the general reader, and represent the latest achievements of science in astronomy and geology. Cloth, illustrated, 50 cents postpaid.
4. **SCIENCE AND REVOLUTION.** By Ernest Untermann. This is an original work by an American scholar of German birth, trained in the University of Berlin, who has for many years made a special study of scientific thought in its bearing on social problems. He traces the development of the theory of evolution from the dawn of literature to the present, and shows how it has always been opposed by the privileged classes and their hirelings in the interest of some form of theology or mysticism. Cloth, 194 pages, 50 cents postpaid.

Cured of Rupture by C. E. Brooks.

hard lumpy pads and yet it holds the rupture safely and firmly without pain or inconvenience. I have put the price so low that any person, rich or poor, can buy, and I absolutely guarantee it.

I make it to your order—send it to you—you wear it, and if it doesn't satisfy you send it back to me and I will refund your money without question.

That is the fairest proposition ever made by a rupture specialist. The banks or the postmaster here in Marshall will tell you that is the way I do business—always absolutely on the square.

Here is what Mr. Jas. Britton, a prominent manufacturer of Bethlehem, Pa., writes:

"C. E. Brooks, Esq. Dear Sir:—I have been ruptured six years and have always had trouble with it till I got your appliance. It is very easy to wear, fits neat and snug, and is not in the way at any time, day or night. In fact, at times I did not know I had it on. It just adapted itself to the shape of the body and clung to the spot no matter what position I was in.

"It would be a veritable God-send to the unfortunate who suffer from rupture if all could procure the Brooks Rupture Appliance and wear it. They certainly would never regret it.

"My rupture is all healed up and nothing ever did it but your appliance. JAS. BRITTON."

If you have tried most everything else, come to me. Where others fail is where I have my greatest success.

Write me today and I will send you my book on Rupture and its Cure, showing my appliance and giving you prices and names of people who have tried it and been cured. It is instant relief when all others fail. Remember I have no sales, no harness, no lies. Just a straight business deal at a reasonable price.

William Walker Atkinson

1713 KANE STREET
LOS ANGELES, CALIF.

March 15, 1906.

Dear Friend:-

I want to tell you about my new book--my latest and best book. It is called:

"DYNAMIC THOUGHT;
or THE LAW OF VIBRANT ENERGY"

which name exactly fits the subject of the book. "Dynamic," you know, means "possessing Power and Energy," and that is just what this book teaches:- the existence and fact of Energized, Powerful Thought. It shows "why" Thought is a Drawing, Influencing, Attractive and Dominant Force of Nature, and proves its existence and laws by the latest discoveries and facts of Modern Science. It shows that Thought is a Radiant Power and Energy, and that its properties are explainable by perfect natural and scientific laws. This and many other things it teaches and proves.

I believe that this book is bound to create a sensation in the world of Advanced Thought, and that it will mark an era in the study of Mental Power. I don't mind saying that I consider this a mighty good book--even though I did write it myself. It is the book that you have been waiting for--and now here it is. It is entirely different from anything else ever written on the subject, and presents the matter from a new view-point.

The book is cloth-bound, and sells for ONE DOLLAR (postpaid). Drop me a line, and I will send you a full description and synopsis. Write NOW, before you forget it.

Yours fraternally,

WILLIAM WALKER ATKINSON.

STOP! A REVELATION

*A book has just been written,
entitled*

"Strands of Gold"

OR

"From Darkness Into Light"

By **ALBERT O. FRIEDRICHS.**

It is a Poetical Work on a religious order, combined with **NEW THOUGHT**.

For years the writer has made a systematic study of **MENTAL SCIENCE**; but he derived little benefit, and in a maze he was in despair of ever attaining success, when, as if by a miracle, the things that were so perplexing were so revealed to him that he could not help but cry out in wonder: "*O, God; how mighty and full of wisdom Thou art!*" The book is replete in every detail, ending with a vivid description of "**SOUL LIFE**," giving the reader a clear conception of the inseparable union which exists between the **INFINITE** and the **FINITE** being.

The book will teach you how to attain the *loftiest success* and the highest degree of Mental, Moral and Physical perfection.

Price of book (cloth binding) \$1.00 Postpaid.

A PRACTICAL COURSE IN SELF-DIAGNOSIS AND SELF-HEALING BY MEANS OF

(By H. E. LANE, M. D.)

"THE DIAGNOSIS FROM THE EYE" is a most remarkable book, the result of years of careful observation and research. It deals with one of the *most important and far-reaching discoveries* in the science of healing; with the fact, that the *iris of the eye* is a mirror of mind and body and *discloses the inner condition of man*.

It gives absolute proof that the condition of every part and organ of the body is reflected in corresponding parts of the iris of the eye, that every constitutional and congenital taint and lesion, every artificially cured (suppressed) disease, every poisonous drug, every acute or chronic inflammation, every loss of substance, shows itself by unmistakable signs, which enable every one to make a reliable diagnosis of his physical condition after a careful study of the book.

The work is written in plain and popular language and profusely illustrated; it fully confirms the teachings of "Nature Cure," giving practical advice for the treatment of the most frequent diseases, accidents, injuries, blood poisonings, etc.; it is a true and precious counsel, which should have a place in every home.

"The book is the work of a most intelligent mind, one intent on the acquisition of truth and untiring in its search therefor. It is a wonderfully interesting piece of writing, put into a shape admirably adapted to making the subject clear to all who read."—BOSTON IDEAS.

UNCOOKED FOODS

Intestinal Gas, Nervousness. Mental Depressoon, Constipation and every form of stomach and intestinal trouble can be permanently cured by my system of combining uncooked foods. Curing disease and arresting advancing age is merely a process of constructing tissue as fast or faster than it is being destroyed. Absolutely nothing can do this except natural food, but it must be balanced and combined scientifically. This I can do. It has been my special study for more than ten years.

"Results From Eating," a wonderful little book, will be sent free. Edition limited. Write for it today.

Send \$1.00 for my new book "Uncooked Foods," elegantly bound in cloth and gold, sent postpaid; this is the most advanced work ever written on the food question.

This book is my protest against the crowning crime of this age, viz:

The Crime of Adulterating Food.

It is my literary legacy to my fellow man. I manufacture the only full and scientific line of uncooked foods ever put on the American market.

The Simplex Spirometer

People often remark that they need a change of air. What they need is less a change of air than a change in their manner of using the air. Few people breathe correctly. Most people in breathing use but a small portion of the lungs. A recent investigator makes the startling statement that in an examination covering several thousands of cases he found less than one per cent. of people who breathe correctly.

Strong Lungs Readily Acquired by Practicing with the Simplex Spirometer

These books are being introduced as regular studies in some colleges. Judge J. M. L., of Maine, says: "The whole Truth of Life is well expressed in them," and that "at the age of 71, I have built myself all over by observing their teachings." Dr. Yates, of Cincinnati, says: "I am convinced that you have the best work on the subjects taught, and I am familiar with most all writers on these and kindred subjects." I. Donnelly said: "I would gladly give \$100 for the set if I could not get them for less." The verdict of nearly all who receive them is equally enthusiastic. Over a quarter of a million copies have been sold within the past year. Note the following

SPECIAL OFFER:

If ordered immediately, I will send the entire set, prepaid, to any address on receipt of only \$1.00. If you recognize their value and keep them, send balance of \$11.00. Should you wish to pay for them in monthly payments, send \$1.00 a month for twelve months. In case you do not wish to retain the entire set, keep out any four books as payment for the \$1.00 sent, and return the rest at my expense. These books will help you all your life. I have implicit faith in them. Your intuitions will tell you so. I know of no study that can be made more profitable than to thus study yourself. Send to

Send for our free booklet that will tell you the how and why.

LAMBERT SNYDER CO., Dept. 15 A, 10 West 22d Street, NEW YORK, N. Y.

A few of the many reasons why you should use our Vibrator.

(1) In cases of indigestion, our Vibrator forces the food to digest, thereby stopping the food from fermenting and forming a gas.

(2) Uric acid centralizing at one point causes rheumatism. Vibration scatters the uric acid and by increasing the circulation, drives it out through the pores.

(3) If you are deaf, the Vibrator will stimulate the outer and inner mechanism of the ear and cure in many cases.

(4) If you have poor circulation, the Vibrator will increase your circulation and make you feel a warm glow all over your body.

(5) If you have locomotor ataxia or paralysis, the Vibrator is the only relief. It will stimulate the nerves. Vibration to-day, for these two ailments, is recognized as the best treatment by the leading specialists.

(6) In case of sudden pain of any kind of any member of the family, at night, the Vibrator is always ready to apply. No charging or mixing of medicine.

(7) If you want a good exerciser, use the Vibrator. You exercise to circulate the blood, and by outdoor exercise, you have to spend your energy. By exercising with the Vibrator, you save your energy and get your exercise sitting in your chair by using on different parts of the body.

(8) If you have lung trouble, use the Vibrator, as vibration on the lungs forces the blood through the dead cells and does wonderful work in all cases of consumption and lung troubles.

(9) No matter what pains and aches you have that are caused by congestion, (and nearly all are caused by congestion) the Vibrator will cure them.

GENTLEMEN:—I am in my seventy-fifth year, and for the last ten years I have been full of pains and aches, and had indigestion fearfully bad. My food would generate gas, which would rise up and press on my heart with an ache like sticking a knife in it, and my arm, well, it would become almost paralyzed, and when I went for a walk I would have to stop every few minutes. I was in so much pain I could not go along. I thought I would try dieting, and entered the Boston City Hospital in 1898. Stayed there two weeks on a strictly milk diet, and my discharge reads conditions relieved, to cure. Then I tried patent medicines, took every kind advertised, result no benefit.

I have not had my Vibrator three weeks yet, but it has made a new man of me. One day last week I walked three hours and came home feeling fine. I have also been troubled with insomnia, had to take medicine every night before going to bed to make me sleep. Have told the nurse that I did not want any more medicine, as the Vibrator was making a new man of me in more ways than one.

Respectfully yours,
E. D. RICH, 133 West Springfield St., Boston, Mass

PILES AND CONSTIPATION

Quickly and Permanently Cured by the use of Dr. Young's Dilators. This treatment is no experiment; it has been successfully used in thousands of cases, many of them desperate ones on account of the long continued use of cathartic candies, liver pills, and laxative nostrums, and it

never fails to give prompt and lasting relief. The philosophy of rectal dilation as a means of curing disease is based on the power that nature has given the rectum, with its sphincter muscles, in controlling the energies of the body. Scientific and practical, it simply cannot fail, as it accomplishes just what is absolutely necessary for a permanent cure. The dilators can be used by any one with perfect safety and can only do good in any case. Don't continue the use of liver pills and nostrums. Every dose does harm and further weakens the system. **Young's Dilators** restore the circulation and

health. Our book explains it. Call or send for a free copy. We sell the dilators under a **guarantee** to be satisfactory or refund your money. Price, per set \$3.00. Sold by leading druggists and surgical instrument dealers.

OUR FREE BOOK explains how Dilators will cure Piles, Constipation, Dyspepsia, Eczema, and other diseases due to defective elimination and poor circulation of the blood. Worth one hundred dollars to anyone afflicted. **Send for it today.**

The Sun Center of the Human Body, or the Solar Plexus

The Solar Plexus consists of a delicate network of nerves, located directly back of the stomach.

The Hindoos of India say that the soul functions through this center. However that may be, the Solar Plexus is intimately connected with the health and welfare of every human being.

Very few people have a perfect sense of freedom at the Solar Center. There is often a sense of oppression, constriction or inertness there. This center is also the seat of much nervousness and fear.

Elizabeth Towne, Editor of *The Nautilus*, is the author of a very unique and original booklet called "Just How to Wake the Solar Plexus."

This book teaches that the Solar Plexus is a natural center or storehouse of energy and life.

When the center is in a normal condition it radiates Life, Health and Strength to the whole body, just as the sun radiates warmth and life to the vast systems of the world of which it is the center.

This book tells how, by deep breathing, assuming the correct mental attitude, etc., the Solar Plexus may be awakened and freed to fuller life and normal activity. It gives deep breathing exercises of great value.

This book will help to outgrow fear, anger, hate, worry, etc., and develop concentration, thus promoting greater mental strength, steady nerves and a condition of mental and physical poise.

Many physicians endorse the book and hundreds of people have gained a greater degree of health and happiness through practicing the teachings contained in this marvelous little work.

ELLA WHEELER WILCOX, the most famous women author in America, says of this book: "It contains a fortune in value if you practice the simple exercises given."

ALBERT D. LEECH, M. D., says: "To any one who desires self-mastery it furnishes not only the key, but explicit method."

MRS. BLANCHE C. MARTIN, an instructor at Lasell Seminary, Auburndale, Mass. (one of the foremost educational institutions in the country), says: "I have used your little booklet, 'Just How to Wake the Solar Plexus,' in my classes at Lasell as a text-book on thinking and breathing, and the pupils look upon it as a kind of revelation and they put it into practice, too, and send the little booklet to sick friends or parent."

"JUST HOW TO WAKE THE SOLAR PLEXUS" is complete in itself, and is not an introduction to or advertisement of a larger work, it contains in itself the full teachings of the author upon the subject of the SOLAR PLEXUS.

Over 25,000 copies of this booklet have been sold in all parts of the civilized world. It has also been published abroad and large quantities disposed of.

The price of the booklet is ONLY 25 CENTS. Send for a copy NOW. Address

The Bensonizer Cures Consumption WITHOUT DRUGS

Also Cures Chronic Cases of Bronchitis, Asthma, Catarrh

64-Page Book Free

THE Bensonizer is a small, medical apparatus which, complete, weighs about six pounds. This apparatus transposes into dry air-like vapor certain healing and antiseptic oils. This vapor is germicidal as well as soothing and healing in its effect upon the mucous membranes and lung tissue. The Bensonizer treatment is in no sense a patent medicine. It is designed for treatment of the diseases of the air passages exclusively, and different inhalants are used for each disease, the vapor in each case being peculiarly effective in treating the disease for which it is intended.

Some truly remarkable cures have been made by the Bensonizer, this being especially true in tuberculosis, or Consumption—sufferers having been cured after their doctors stated they could live but a few months.

The Bensonizer often effects a cure where climatic change affords but little relief, and grateful advocates of the treatment can now be found in any part of the country. Names will be cheerfully furnished on request. The price is moderate and terms are made to suit everybody. Let us send you proof of the merits of the Bensonizer. It will interest you.

You owe it to yourself to look into this remarkable treatment. Our illustrated book will be sent you free on request. In writing state nature of your disease.

AUTO-SUGGESTION,

What It is and How to Use It for Health, Happiness and Success

By Herbert A. Parkyn, M.D., C. M., 192 pp., cloth and gold;
handsomely printed on heavy paper. A book for thinkers.

This is one of the most helpful, practical books of the age. It deals in facts, not theories; it is plain, simple, concise, practical and tells how to use inherent psychic powers to bring results.

Contents.

Auto-suggestion. What it is and how it operates.
Auto-suggestion. Its effects and how to employ it to overcome physical troubles.
Auto-suggestion. How to employ it to overcome mental troubles.
Influence of early auto-suggestions for the forming of character.
Auto-suggestion for the formation of habits.
The cultivation of optimism through auto-suggestion.
Auto-suggestion and personal magnetism.
Auto-suggestion for developing concentration.
The achievement of success through auto-suggestion.
Auto-suggestion and success.
Auto-suggestion and breathing exercises.
Auto-suggestion. Its influence on health in the winter.
Auto-suggestion. The diagnosis and treatment of a typical case of chronic physical suffering.
Auto-suggestion. The basis of healing, how psychic pictures are made realities by auto-suggestions.

What Is Auto-Suggestion?

The study of auto-suggestion is one of the most fascinating that confronts the student of psychology; and the subject is not only fascinating but very important, for it deals with the basic elements of health, happiness and success.

In the book, "*Auto-Suggestion; what it is and how to use it for health, happiness and success*," by Herbert A. Parkyn, M.D., editor of *SUGGESTION*, the new psychology magazine, we have clearly presented the real elements of life; we have presented in the simplest manner an explanation of the forces of mentality which make or mar; we have the key note of right living and right thinking.

This book tells how to do things; it tells how to break a bad habit; how to form at will desirable habits. It tells how to strengthen the mental powers, and how to gain and preserve health. It explains the mystery of absent healing, success circles, Christian Science, relic cures, faith cures and all the various forms of healing found in various religious sects, etc.

For the student, the thinker, the business man, the parent, the teacher, the preacher and the doctor the book is of the greatest value. Let a young man learn of the laws explained in this book and he need not fear failure, or sickness, or the ills and woes of life. The book tells how to build anew the temple of hope; how to be courageous, firm, optimistic, determined—in a word, how to conquer self and the world.

"HOW TO REMEMBER"

THE Art of Memory reduced to a science, so that the ordinary brain is capable of retaining facts as easily as the more gifted.

My method will enable you to accomplish more in a week than the hard-working man who does not THINK will be able to do in a month, thus saving time and doubling your income. Poor memory is simply a lack of knowing HOW to think.

The Dickson Method supplies that want, teaches you to think, to remember, to concentrate your mind, to converse fluently, to recall instantly faces, names, business details, books, studies, etc.

No cumbersome and wearying method to memorize, requiring a strong memory to begin with. Simple, easy, and sure to bring satisfactory results.

SLIPS of memory often mean the sacrifice of success, happiness and even life itself. Master your mind, compel it to respond clearly, accurately, instantly.

By my method you can convert a treacherous memory into a reliable one. Its study will give you perfect mind control and mental poise. Requires but a few minutes each day and richly repays the time invested.

No matter what your life work is, a study of this method will make you more successful. A good memory saves time and money.

Thousands of testimonials from men and women in every walk in life have been received from all over the world, stating that the writers owe their success to it.

THE ENSIGN REMEDIES

are the identical food elements as they appear just before being absorbed into the system. Text books on Physiology call these elements tissue salts, brain, nerve, muscle, stomach, etc., each one is rebuilt mainly by a chemically different tissue salt.

Disease never appears until after the vital forces fail to furnish the kind of tissue salts needed for rebuilding some organ of the body. Normal conditions and functions will be resumed as soon as the needed nourishment is forthcoming.

Disease is a negative quantity the same as darkness. Disease vanishes before tissue salts the same as darkness vanished before light.

The Ensign Remedies or Physiological Foods are tissue salts—and nothing more.

A LADY FROM AUBURN, N. Y. WRITES:

"I had seen your advertisement each month for over a year, but set it down as the usual fraud until I was desperate. My lack of faith cost me a year of almost constant suffering—a year wasted because I was not fair enough to even let you talk to me through your booklets. But I know now. You have no idea how your remedies have benefited me."

Many have written in the same strain and each spreads the good news to suffering and discouraged friends.

Our literature tells you the actual truth and helps you to get on the right track for health. It tells you just what each diseased organ needs and how to supply the need. We sell forty Remedies, covering all the most prevalent ailments and acute attacks for 25c each. We make a great many other Remedies for extraordinary ailments, like tumors, scrofulosis, tuberculosis, sex diseases, goitre, arterial and venous degeneracy, nervous prostration, brain lag, atrophy, emaciation, indurations, cancer, erysipelas, obesity, dropsy, paralysis, locomotor ataxia, meningitis, epilepsy, arteric-sclerosis (the cause of old age) hydrocephalus, ulcers and all diseases to which flesh is heir, for a uniform price of \$1.00 per vial. If you are suffering and can't wait, send us 25c or more and a statement of your condition, telling just how you feel, and we will return a remedy or remedies for your case.

Hundreds are cured without further cost—the booklets tell why. There is always hope in the Ensign Remedies, no matter how desperate the conditions. The cost is slight—no harm can possibly result from their use. DEAFNESS CURED BY "ACTINA"

95%

of all cases of deafness brought to our attention is the result of chronic catarrh of the throat and middle ear. The ear passages become clogged by catarrhal deposits, stopping the action of the vibratory bones. Until these deposits are removed a cure is impossible. The inner ear cannot be reached by probing or spraying, hence the inability of most specialists to cure. Ear drums never cure deafness. That there is a scientific cure for most forms of deafness and catarrh is demonstrated every day by the use of "Actina." The vapor current generated in the "Actina" passes thru the Eustachian tubes into the middle ear, removing the catarrhal obstructions as it passes thru the tubes, and loosens up the bones (hammer, anvil and stirrup) in the inner ear, making them respond to the slightest vibration of sound. "Actina" has seldom failed to cure ringing noises in the head. We have known people troubled with this distressing symptom for years to be completely cured in only a few weeks' use of "Actina."

"ACTINA" ALSO CURES ASTHMA, BRONCHITIS, SORE THROAT, WEAK LUNGS, COLDS AND HEADACHE

and all other ailments that are directly or indirectly due to catarrh. "Actina" is sent on trial postpaid. Write us about your case. We give advice free, and positive proof of cures. A valuable book—Professor Wilson's 100-page Dictionary of Disease free. Address

NEW YORK & LONDON ELECTRIC ASSOCIATION
DEPT. 206 V, 929 WALNUT ST., KANSAS CITY, MO.

When writing to advertisers please mention SUGGESTION.

CAN'T YOU HEAR WELL?

THIS WILL AID YOU TO HEAR CLEARLY

Electricity has won another victory: this time in behalf of the deaf. It is possible now for those who are hard of hearing, as well as those who are almost totally deaf, to hear conversation, sermons, lectures, plays—in fact, any audible sound—as clearly and as accurately as any person with perfect hearing.

What makes this possible is the invention of a marvelous little electrical instrument, the transmitter of which takes up no more room than the width of an ordinary vest pocket, and is, therefore, almost invisible.

It is called "The Aurophone"—a name that explains it well—because it is a miniature electric telephone (batteries and all) for the ear, and makes deaf people hear perfectly.

No matter what caused your deafness, or how little or how much you are affected, if you are not totally deaf—if you can still hear a revolver shot or the clap of thunder—"The Aurophone" will make you hear conversation spoken at any average distance in an ordinary tone, without straining, embarrassment or that look of preoccupation which most deaf people acquire.

"The Aurophone" is the latest and best of hearing devices—electrical perfection. Its points of advantage over all other hearing instruments are numerous, and when you have tried it, which we ask you to do, you will no longer think of wearing an "ear-drum," a "trumpet," a "conversation tube" or any other complicated and dangerous device that fits into the ear. "The Aurophone" not only enables you to hear perfectly, but it has the effect of exercising the ear, and in time improves the hearing so that one no longer needs a device of any kind.

All who are troubled with inipient deafness—who hear badly—are invited to call at our Chicago office and test the instrument personally. It can be accurately graded, and thus is adapted to all degrees of hearing. We will grade an instrument for your requirements, and you need not purchase it if it does not come up to your expectations. There can be no deception about an instrument like "The Aurophone"—it either does or does not enable you to hear, and since you try it on yourself you take no one's word but your own.

We would prefer to have people interested in "The Aurophone" call in person, but if that is inconvenient be sure to write for illustrated booklet, History Blank, etc., which are gladly sent anywhere without charge. By a plan that has proved successful we are enabled to grade "The Aurophone" to meet the requirements of persons at a distance, whom we do not see. Be sure to write us about this.

Most physicians have been made familiar with the merits of "The Aurophone" and have graciously recommended it to their afflicted patients, but, if there be a physician, and especially an aural specialist, in Chicago or vicinity, who is unfamiliar with "The Aurophone" we should be pleased to make a demonstration at the doctor's office with any patient he selects.

If you are looking for something to make you hear, you have found it in "The Aurophone." Call and see it or write us to-day, 814 Stewart Bldg.

"STRANDS OF GOLD"

"From Darkness Into Light"

By ALBERT O. FRIEDRICHS.

It is a Poetical Work on a religious order, combined with NEW THOUGHT.

For years the writer has made a systematic study of MENTAL SCIENCE; but he derived little benefit, and in a maze he was in despair of ever attaining success, when, as if by a miracle, the things that were so perplexing were so revealed to him that he could not help but to cry out in wonder: "O, God; how mighty and full of wisdom Thou art!" The book is replete in every detail, ending with a vivid description of "SOUL LIFE," giving the reader a clear conception of the inseparable union which exists between the INFINITE and the FINITE being.

The book will teach you how to attain the loftiest success and the highest degree of Mental, Moral and Physical perfection.

A Practical Invention That Develops Hair Growth

We have always maintained that if there were something that would really induce the hair to grow, its virtues would first be satisfactorily proved in each individual case before any money is paid to the manufacturer.

It is simply an artificial means of obtaining a free and active circulation in the scalp, without rubbing or irritation, and there are no drugs or lotions employed.

The Cap is used three or four minutes each day, and it only requires about ten days to get the scalp loose and pliable, which condition is absolutely essential to the life and growth of the hair. The hair cannot thrive in a tight and congested scalp.

We have demonstrated beyond all question that in cases where the life-principle is not destroyed a reasonable use of our invention, **THE EVANS VACUUM CAP** will develop a natural and permanent growth of hair, and we show our confidence by supplying this apparatus on a **sixty day trial** and wholly at our risk. We would not have you infer from this that a complete restoration of the hair can be obtained within sixty days, but our experience shows that ample benefits usually accrue within this time to fully satisfy one as to the efficiency and practicability of this method.

The effects produced by the vacuum are pleasant and exhilarating. It gives the scalp a healthy glow and produces a delightful tingling sensation, which denotes the presence of new life in the scalp, and which cannot be obtained by any other means. Channels which have been practically dormant for years are opened, and all follicle life is stimulated and revived to activity, and by supplying the hair roots with nutrition each day, in this way the weak, colorless hair is in time developed to its natural size and strength.

OUR GUARANTEE:

We will send you an EVANS VACUUM CAP by prepaid express, and will allow you sixty days to prove its virtue. As evidence of your good faith we simply ask that you deposit the price of the Cap with the Jefferson Bank, St. Louis, where it will remain during the trial period, pending the results of your experiment. This deposit is made subject to your own order, and therefore, should you not be satisfied with the benefits derived you can of course instruct the Bank to return your money, which they will do promptly, and without question or comment.

Let us send you our book which describes and illustrates this appliance. Even if you are not in need of it, we know you will be interested in the invention, and what it has accomplished. The book is sent free on request.

CARTHAGE, ILL., January 22, 1906.

THE ENK PREPARATIONS CO., UNION CITY, IND.

GENTLEMEN:—I write to you because I feel it my duty to tell you what wonderful results your treatment has produced in my family.

My son has recovered from a very serious illness in the form of some spinal trouble, which several doctors pronounced Locomotor Ataxia and gave me no hopes of any cure. He could not walk—could not even stand alone. His limbs would not support his weight on them, and no feeling in his feet. Now he is attending Business College and can walk as well as he ever could.

My daughter suffered with every symptom of quick consumption—night sweats, chills, fevers, a very bad cough and so weak that she could hardly walk. In June she weighed 109 pounds; in December she weighed 147 pounds and looked the picture of health after taking your remedies for Tuberculosis. She is now doing her work and taking care of two children.

I have used many other of your remedies, and my neighbors considered it almost a miracle to think both my children recovered when they thought there was no help for either of them, and several of them have come to me and wanted the address of my doctor, which I cheerfully gave.

I want to thank you for your kind and honorable treatment, and wishing you success, I am,

(Box No. 444.)

Yours truly,

MRS. R. A. PRUETT.

A prominent physician reports: "Your remedy No. 45 effected a cure of a mastoid abscess of several weeks' standing. I suffered from every symptom, but took No. 45 and now all the pain and swelling has disappeared."

"Your preparation No. 16 (Falling of the Womb) has produced a most remarkable result under my observation. The womb now retains its normal position and the patient is feeling better in every way," writes another.

Another lady writes: "Last week you mailed your No. 16 for pelvic weakness, and before I had taken any more than three or four doses that pain from which I had suffered so long (in the region of the ovaries) had left me, also that bearing down sensation. Your remedies have done more for me than any treatment I have taken in the past twenty years."

The above commendations come direct from the hearts of our grateful patients and we have hundreds like them. If any further evidence were needed that the Enk Preparations Co.'s Drugless Remedies will cure the most aggravated and hopeless diseases it will be found in a trial treatment.

Don't argue. Don't theorize. TRY THEM.

FREE.—A full sized vial of any one of the following 25c remedies will be sent to any address for 10c (the cost of mailing and packing).

Throw Away Your GLASSES

Is an eye-food and Sight-Rejuvenator, put up as an ointment and used on the outside of the eyelids whose blood vessels absorb it. Absolutely harmless, contains no atropine, no cocaine, no mercury or other injurious drugs. Efficacious at any age and in all forms of failing or defective eyes, or sight troubles. Thousands write of it like this:

"Dec. 3, 1906. I wore glasses nine years but threw them away after using half a box of Eyelin. My wife who had worn glasses since a little girl and could scarcely see across the room without them, has also discarded them. All this has been done with one box, which is not quite used up. H. G. Sumner, Passaic, N. J." And that box costs only \$1.00 with full instructions and a 192-page book which contains more good sense and helpful advice about your eyes and sight and other organs and functions than all the world's oculists or specialists could give you. Your money back if not satisfactory.

Eyelin cures weak, dim, painful, watery, strained, blurred and headachy eyes; astigmatism, shortsight, farsight and other sight troubles; granulations, sooting spots, films and scums; also opacities and cataracts in many cases; and throws away glasses in old and young.

OUR SPECIAL PROPOSITION. Send us \$1.00 and we'll mail to you (in plain wrapper) a full-sized package of Eyelin (enough to cure most cases) with full instructions and the 192-page book. Or write to us and we will send you advice, testimonials and the 192-page book absolutely free, so you can see for yourself that Eyelin is right, and so are we. THERE IS ONLY ONE KRAMER'S BOOK

"Kramer's Book of Trade Secrets" was written by Adolph Kramer, analytical chemist, assisted by other experts. Mr Kramer was educated in Germany's most noted Technical schools and was for over 30 years connected with large manufacturing concerns in Germany and the U. S. It is the most complete thing ever written on flavoring extracts, giving formulas that have never been published, costing from 30c per gallon and wholesaling for \$3.50 per gallon up. It contains hundreds of other formulas which never have appeared in print, where the cost has ranged for each formula to sets of formulas, from \$5.00 to \$100.00. Every person who is out of employment can make more out of this book than a person in ordinary business can on a capital of \$10.00.

"Kramer on Ice Cream" is a booklet which has just been issued telling how to make a prime Ice Cream for 10c a gallon, absolutely pure and will pass in any food law state, besides giving a number of other formulas and information. Can't tell all about it here. Regular price \$2.50, now \$1.00 or both books \$2.00. Act quick.

A PRACTICAL COURSE IN SELF-DIAGNOSIS AND SELF-HEALING BY MEANS OF

(By H. E. LANE, M. D.)

"THE DIAGNOSIS FROM THE EYE" is a most remarkable book, the result of years of careful observation and research. It deals with one of the *most important and far-reaching discoveries* in the science of healing; with the fact, that the *iris of the eye* is a mirror of mind and body and *discloses the inner condition of man*.

It gives absolute proof that the condition of every part and organ of the body is reflected in corresponding parts of the iris of the eye, that every constitutional and congenital taint and lesion, every artificially cured (suppressed) disease, every poisonous drug, every acute or chronic inflammation, every loss of substance, shows itself by unmistakable signs, which enable every one to make a reliable diagnosis of his physical condition after a careful study of the book.

The work is written in plain and popular language and profusely illustrated; it fully confirms the teachings of "Nature Cure," giving practical advice for the treatment of the most frequent diseases, accidents, injuries, blood poisonings, etc.; it is a true and precious counsel, which should have a place in every home.

"The book is the work of a most intelligent mind, one intent on the acquisition of truth and untiring in its search therefor. It is a wonderfully interesting piece of writing, put into a shape admirably adapted to making the subject clear to all who read."—*"BOSTON IDEAS."*

NINTH LESSON: Dynamics—Expression;—Rhythm, Accent, Phrasing and Interpretation.

TENTH LESSON: An Expose of "Abdominal breathing" and other superfluous calisthenics in connection with the art of singing.

REMARKS

NOTE:—This Correspondence Course is not the growth of a moment. It is the result of a demand, through the sale of "Voice Placing" (by Carl Young), from those whose environment precludes personal supervision. It has been written for all who want to learn to sing, and for all those who desire to teach others how.

It will be found valuable even for reference. Every phase and character of the human voice will be treated in a comprehensive manner physically, psycho-physically and Meta-physically.

If you want to speak and sing artistically, get something to speak and sing with.

Results attainable are positive, accurate and rapid, and the student is quite independent of the teacher.

"Voice Placing" has been sent (post paid for \$1.00) to many parts of the civilized world, not only in the United States and Canada, but England, France, Australia, South Africa and India.

In order to reach the masses, the course is placed at the extremely low cost of \$10; \$9 to those who have purchased the book.

Motto: Spread the truth and not the price.

Send for application blank and further particulars. Studio always open in summer.

Gray or Faded Hair or Beard

Can now be restored to its natural color by taking medicine internally (10 to 20 drops, 3 times a day) that supplies the blood with this particular coloring matter. I discovered this fact some years ago while giving this medicine to a lady 63 years old, whose hair was **White**. She was greatly surprised (but no more so than I was) to see her hair gradually getting darker and it became a **Nice, Glossy Black**, with not a gray hair on her head. I do not understand what causes the change in color, unless, as stated above, the medicine furnishes the blood with some certain coloring matter that nature has failed to supply. I have this formula printed and will send to anyone for only \$2.50 and will refund your money if it fails to restore the color as it was when young. It is harmless. Can get it in any drug store. I have sold this formula to hundreds and have not been asked to refund the money by to exceed half a dozen. The same medicine will prevent hair from ever turning gray. Address

Osteopathy in a Nut Shell

The new edition of Dr. Goetz's "**Manual of Osteopathy**" revised and enlarged is just out. Tells you how to treat all diseases successfully, **WITHOUT DRUGS**, by a series of manipulations (not massage) with the accessories of Diet, Baths and Exercise.

It is the only book of its kind on the market which gives an illustration for each movement or manipulation necessary to bring cure success.

Osteopathy is not new, but most people who do know of it have not had the opportunity of procuring a book on the subject, with illustrations and instructions simply written that anyone without previous study can apply.

THIS IS YOUR CHANCE

Readers of this journal will find this an excellent work and goes hand in hand with the theories laid down by "Suggestion," namely: **THE ONLY NATURAL WAY.**

HOW to cure oneself without consulting anybody—
HOW TO RAISE THE SOUNDEST BRAINS AND

I Can Make You Well, Strong and Beautiful

EVERY WOMAN should preserve her health, strength, beauty, poise and, with these, her happiness. It is my success in treating nearly 18,000 women and my knowledge of what my work has done for them that makes me know I can do as much for you.

Let me give you a perfectly balanced organism. Let me direct your breathing, your exercise, your diet; let me give you a perfect blood supply and circulation; a nervous system in harmony with itself and the rest of your body, each nerve center properly directing the organ it controls. The resultant strong vitality will enable you to resist disease, and I will make you what you were intended to be—strong, happy, graceful, beautiful—loving and beloved, with a mental calm, which is life power and true beauty, making your life a satisfaction to yourself, making you the delight and admiration of your friends.

Only 15 Minutes a Day

Just a little care is all you need to make you the ideal woman of your type. Do not say it is impossible, that nature has not given you the first requirements of health and beauty—I know it is possible; I have accomplished it for thousands.

Drugs are Dangerous

I use no drugs. I never treat a pupil I cannot help. If I cannot help you, I will tell you so.

I Keep Women Young

Do you think "True Motherhood" means devotion of mother to her family and neglect of herself? True?—No, the true mother is true to her sacred duty of preserving and protecting herself, that she may be of greatest service to her family. The mother needs health, strength and lightness of heart that she may be a true wife—the delight of her husband, his joy, rest, social help and inspiration, not a slaving, suffering dead-weight for his pity. The true mother keeps well, beautiful and young, that she may enjoy the confidence and admiration of her children and be their guide and welcome councillor.

If you could sit beside me, at my desk, I could, if I would, show you, daily, hundreds of letters from pupils I have helped. I never violate a confidence, never show a letter without permission, but here are a few matches from one morning's mail:

I wish every nervous teacher could know what benefit it to be derived from your physical culture. I have lost 72 pounds, and was never better. I look ten years younger.

My constipation and biliousness are entirely relieved.

Just think how I have gained, since I began with you, from 112 to 137½ lbs. in one year.

My catarrh and lungs are much better and my body, which was a bony, crooked structure, is actually beginning to look like your picture of correct poise.

My head is steady, the confused feeling having passed away. It is the best spent money ever used for myself.

Just think, Miss Cocroft, before I took up your work I could not eat anything without the greatest distress, and now I think I could DIGEST TACKS, I am so happy.

How to Stand and Walk Remember, I give you personal instruction, after careful study of your symptoms and condition. When you request details about my lessons, I send you my general book free. This outlines my methods, and gives you many valuable health hints. With this book I will send, also free, my lesson on Poise, which teaches you how to stand and walk.

Personal Instruction Besides the Book and free lesson, in answer to your first inquiry, is included my personal examination of your symptoms and my first advice to you. Write me fully about your case, also letting me know your faults of figure, etc. I will then make a personal study of your case and will let you know whether I can help you or not. Your letter will be held in strict confidence.

I never publish letters without special permission, though I can send you hundreds of testimonials from women I have helped, who are only too glad to have me show their letters.

LYVOLA RIPE OLIVES

A fruit food without a parallel; appetizing, nutritious, healthful. They build sound flesh and rich red blood. A pound of their delicious nutty fruit-meat equals in food value three pounds of animal flesh. In Lyvolas every oil cell is fully developed and intact. They reach your table an absolutely pure food, rich in life-giving olive oil disguised by nature to please the palate and charm the eye. They are simply delicious—nothing else tastes like them. They delight the epicure. They are a boon to the constipated, the rheumatic, the dyspeptic, the anaemic, and the poor in flesh. They are not the green olive nor the ripe olive you may have eaten; they are totally different and infinitely better. Send us \$2.25 for four full quarts by express, charges prepaid, or \$10.75 for a case (24 quarts) by freight, prepaid. If you know what ripe olives are, we'll take the case back and pay the freight, if they are not the best you ever ate.

Dr Deimel Underwear

THE skin, with its millions of pores throwing out excretions, should be kept in a state of healthy cleanliness.

Many people wear wool and are continually wrapped in a wet pack. Being closely woven, it steams, clogs, irritates and smothers the skin, making it very tender and sensitive.

The body garment should be cleanly, to say the least. It should stand washing in boiling water, so as to free it from impurities and disease germs.

The Dr. Deimel Underwear does this and much more. Those wearing it have skins to be proud of and enjoy freedom from colds, catarrh and rheumatism.

How about wool and those who wear it?

FOOD WILL CURE

All systems of exercising and breathing are merely methods of distributing and purifying the blood. They are of no value until the blood is first made.

If you select the right kinds and combinations of food the blood will be pure to start with. This will give you increased vitality which will demand exercise: it will give you an appetite for your exercise, the same as your food. This will force deep and increased respiration, and the three great laws, viz:--

Eating.....making blood
Exercising.....distributing blood and
Breathing.....purifying blood

will be fulfilled, and the elimination of disease and the building of perfect health, will be the inevitable result. THIS IS WHAT MY SYSTEM OF DIET INSTRUCTIONS ACCOMPLISH. They cannot fail if obeyed.

I am not a doctor, but a food specialist. I study foods that give life, not drugs that take life.

The wrong combinations of food will make inferior blood, bone brain, the same as any other poor material will make an inferior product. This is a law not a theory.

My pupils grow into rugged health because I teach them Nature's first and greatest law, viz: The science of selecting and combining Nature's building material.

I have revised and enlarged my new book "Uncooked Foods and how to Use them." It contains 300 pages, elegantly bound in cloth and gold sent postpaid for \$1.00. This work was written after 10 years of practical experimenting.

You are especially invited to pay me a personal call at my new office and food store, 7 W. 41st St., N. Y.

RAW FOOD

NATURE'S ROAD TO PERFECT HEALTH

All disease is the result of disobedience of nature's laws. It is a crime against nature to eat the foods she provides in any other condition than that in which she provides them. Nature does not err.

No one can improve upon nature, yet that's what man attempts to do when he subjects his food to the heat of fire, destroying its vitality and changing its chemical constituents. The products of mother earth, given us for sustenance, are uncooked save by the heat of the sun—the source of all energy. The sun is **PRODUCTIVE** of life—fire is **DESTRUCTIVE** of life.

COOKING DESTROYS THE LIFE CELLS IN FOOD

The cells which make and sustain life in man. A burned acorn never grew an oak. Did it ever occur to you that of all animals man is the shortest lived in proportion to the period required to reach adult age. In the lower animal world health is good as a rule—all health the exception. The reverse is true of man.

There Can be no Cure Without Nature's Consent

Put a stop to all this suffering and misery by living in harmony with nature. Adopt a properly selected raw food diet. The diet alone is sufficient in most cases to cure every disease and to strengthen and build up the entire system. By getting rid of waste material which clogs up the human mechanism, it permits all organs and parts to work naturally and harmoniously. And where there is normal action of every organ there is perfect health. Germs cannot exist in such an organism. The body becomes disease proof.

One Month's Supply of Raw Foods for \$5. Guaranteed to Cure Any Case of Stomach Trouble

For 7 seven years I have lived on an exclusive diet of raw foods. My health is absolutely perfect—in all these 7 years I have not had an ache or pain.

Social obligations may prevent you from adopting an exclusive raw food diet, but by confining yourself to raw foods for two weeks at a time you can purify your system and put it in such perfect condition that it can easily withstand an occasional return to cooked food without noticeably bad results.

Write for my information blank, fill out and return with \$5 and I will send a sufficient quantity of carefully selected and assorted raw foods—cereals, fruits and nuts—to last 30 days. The foods will be selected to meet your special requirements as indicated by information blank.

If, after you have used these foods for 30 days as per directions I furnish you; you can honestly say you are not benefited, you have but to so advise me and I will refund your money, less transportation charges. If you have ever tried my famous **MALICATED WHEAT**—send \$1.00 for 30 days supply, prepaid east of Rockies, \$1.50 west. Write for descriptive literature and information blank. Make the start toward perfect health today.

Stop that Pain

The Lambert Snyder Health Vibrator

CONQUERS PAIN

THE MOST BENEFICENT INVENTION OF THE AGE

There is only one disease—CONGESTION.

There is only one cure—CIRCULATION.

Instant relief from Rheumatism, Deafness, Indigestion, Poor Circulation, or any PAINS or ACHES. In cases of Paralysis, Locomotor Ataxia, Lumbago, Weak Eyes, Hay Fever, Obesity, Insomnia, Loss of Voice, Neurasthenia, Brain Fog, Vertigo, Headache, Constipation, and Torpid Liver, our Vibrator does marvelous work—and it is a good exerciser.

Don't Wait. Don't Suffer. Get a VIBRATOR and GET RELIEF.

The Lambert Snyder Health Vibrator is the only hand vibrator in the world that gives direct true vibration. We are receiving daily unsolicited testimonials from all parts of the country. You can use it yourself, and it is always ready and will last for years. Used and endorsed by physicians everywhere.

NO DRUGS. NO PLASTERS. NO ELECTRICITY.
Give Your Stomach a Vacation
from Drugs and Medicines.

A Few of the Many Reasons why You Should Use Our Vibrator.

In cases of indigestion, our Vibrator forces food to digest, thereby stopping the food from fermenting and forming a gas.

Uric acid centralizing at one point causes rheumatism. Vibration scatters the uric acid and by increasing the circulation, drives it out through the pores.

If you are deaf, the Vibrator will stimulate the outer and inner mechanism of the ear and cure in many cases.

If you have poor circulation, the Vibrator will increase your circulation and make you feel a warm glow all over your body.

If you have locomotor ataxia or paralysis the Vibrator is the only relief. It will stimulate the nerves. Vibration to-day, for these two ailments, is recognized as the best treatment by leading specialists.

In case of sudden pain of any kind of any member of the family, at night, the Vibrator is always ready to apply. No charging or mixing of medicine.

If you have lung trouble, use the Vibrator, as vibration on the lungs forces the blood through the dead cells and does wonderful work in all cases of consumption and lung troubles.

No matter what pains and aches you have that are caused by congestion (and nearly all are caused by congestion), the Vibrator will cure them.

For a limited time we will sell our \$5.00 Vibrator at \$2.00, prepaid to any part of the United States on receipt of \$2.35.

Send for Our Free Booklet that will tell you How and Why.

HAIR

Guaranteed
BY THE USE OF
EVANS VACUUM CAP
Guarantee Backed by a Bank

Repeated announcements in this magazine, and in all the leading magazines in the United States, for months and years past, have been published simply to explain in a simple, understandable way, what the Evans Vacuum Cap is.

The Evans Vacuum Cap is a simple, scientific mechanism which does for the scalp and the hair what massage does for the weakened body. The dormant hair cells can only be revived when you restore the natural, refreshing blood circulation to the roots of the hair.

The Evans Vacuum Cap creates a vacuum over the scalp surface which compels the blood to come up into the hair soil. The result of this is to feed the hair by Nature's process, and not artificially. Just as long as there is one iota of hair life in your scalp the Evans Vacuum Cap will make hair grow, and you yourself can tell from a reasonable use, whether or not the Evans Vacuum Cap will restore your hair.

If the scalp responds to the rhythmic action of the vacuum and you feel a tingling sensation of renewed circulation, it is proof positive and a scientific evidence that Nature is still able to do her work in the production of hair growth.

Now, note that we guarantee the Evans Vacuum Cap and that our guarantee is backed by the bank.

The Evans Vacuum Cap is furnished on trial and under positive guarantee of the Jefferson Bank of St. Louis, and any bank or banker will testify as to the validity of this guarantee. We have no agents and no one is authorized to sell, offer for sale, or receive money for the Evans Vacuum Cap—all orders must come thru the Jefferson Bank.

We will send you a book which explains the possibilities of the invention and gives full evidence of the results it has achieved. This book sent free on request; we prepay the postage in full. Address:

THE ENK PREPARATIONS CO., UNION CITY, IND.

GENTLEMEN:—I write to you because I feel it my duty to tell you what wonderful results your treatment has produced in my family.

My son has recovered from a very serious illness in the form of some spinal trouble, which several doctors pronounced Locomotor Ataxia and gave me no hopes of any cure. He could not walk—could not even stand alone. His limbs would not support his weight on them, and no feeling in his feet. Now he is attending Business College and can walk as well as he ever could.

My daughter suffered with every symptom of quick consumption—night sweats, chills, fevers, a very bad cough and so weak that she could hardly walk. In June she weighed 109 pounds; in December she weighed 147 pounds and looked the picture of health after taking your remedies for Tuberculosis. She is now doing her work and taking care of two children.

I have used many other of your remedies, and my neighbors considered it almost a miracle to think both my children recovered when they thought there was no help for either of them, and several of them have come to me and wanted the address of my doctor, which I cheerfully gave.

I want to thank you for your kind and honorable treatment, and wishing you success, I am,
(Box No. 444.) Yours truly, MRS. R. A. PRUETT.

A prominent physician reports: "Your remedy No. 45 effected a cure of a mastoid abscess of several weeks' standing. I suffered from every symptom, but took No. 45 and now all the pain and swelling has disappeared."

"Your preparation No. 16 (Falling of the Womb) has produced a most remarkable result under my observation. The womb now retains its normal position and the patient is feeling better in every way," writes another.

Another lady writes: "Last week you mailed your No. 16 for pelvic weakness, and before I had taken any more than three or four doses that pain from which I had suffered so long (in the region of the ovaries) had left me, also that bearing down sensation. Your remedies have done more for me than any treatment I have taken in the past twenty years."

The above commendations come direct from the hearts of our grateful patients and we have hundreds like them. If any further evidence were needed that the Enk Preparations Co.'s Drugless Remedies will cure the most aggravated and hopeless diseases it will be found in a trial treatment.

Don't argue. Don't theorize. TRY THEM.

A TRUE PROFESSION NATURAL DOCTOR

The National School of Manual, Physical, and Suggestive Therapeutics is just what its name implies; it educates you to become a natural doctor, not a doper or fooler. (Incorporated under the state laws of Ohio, 1903; title conferred Natural Doctor.)

MANUAL THERAPEUTICS are taught in a practical manner—our students are capable of doing better work in this field than those who have studied Osteopathy, Swedish movements, or massage—Nature's way.

PHYSICAL THERAPEUTICS are taught, giving our students a clear logical understanding relative to the application of Nature's laws in curing all diseases.—New Teachings.

SUGGESTIVE THERAPEUTICS are practically taught; all past methods ignored. Our experience has demonstrated this scientific fact. All patients can be educated to the Law of Impression without opposition, and results are being obtained that surpass all past experiences, namely, those derived from Hypnotism, Mesmerism, Clairvoyance, psychic or occult methods.

Either of the booklets, New Thought or Humanity's Redemption, or Power that Makes Destiny will be sent you if 4 cents in 2 stamps is included with the request—otherwise no book. Address,

The National School of Manual, Physical, and Suggestive Therapeutics,
1383 Cedar Ave., Cleveland, Ohio.

The Natural Way to Get Well

IS BY NOURISHING THE DISEASED PARTS, NOT BY DRUGGING

THE ENSIGN REMEDIES

are the identical food elements as they appear just before being absorbed into the system. Text books on Physiology call these elements tissue salts, brain, nerve, muscle, stomach, etc., each one is rebuilt mainly by a chemically different tissue salt.

Disease never appears until after the vital forces fail to furnish the kind of tissue needed for rebuilding some organ of the body. Normal conditions and functions will be resumed as soon as the needed nourishment is forthcoming.

Disease is a negative quantity the same as darkness. Disease vanishes before tissue salts the same as darkness vanished before light.

The Ensign Remedies or Physiological Foods are tissue salts—and nothing more.

A LADY FROM AUBURN, N. Y. WRITES:

"I had seen your advertisement each month for over a year, but set it down as the usual fraud until I was desperate. My lack of faith cost me a year of almost constant suffering—a year wasted because I was not fair enough to even let you talk to me through your booklets. But I know now. You have no idea how your remedies have benefited me."

Many have written in the same strain and each spreads the good news to suffering and discouraged friends.

OUR BOOKLETS TELL

you just what you want to know. Any of them sent free on request in a plain sealed envelope. They treat on General Diseases, Woman's Diseases, Private Diseases, Varicocelle and Varicose Veins.

Our literature tells you the actual truth and helps you to get on the right track for health. It tells you just what each diseased organ needs and how to supply the need. We sell forty Remedies, covering all the most prevalent ailments and acute attacks for 25c each. We make a great many other Remedies for extraordinary ailments, like tumors, scrofulosis, tuberculosis, sex diseases, goitre, arterial and venous degeneracy, nervous prostration, brain fag, atrophy, emaciation, indurations, cancer, erysipelas, obesity, dropsy, paralysis, locomotor ataxia, meningitis, epilepsy, arterio-sclerosis (the cause of old age) hydrocephalus, ulcers and all diseases to which flesh is heir, for a uniform price of \$1.00 per vial. If you are suffering and can't wait, send us 25c or more and a statement of your condition, telling just how you feel, and we will return a remedy or remedies for your case.

Hundreds are cured without further cost—the booklets tell why. There is always hope in the Ensign Remedies, no matter how desperate the conditions. The cost is slight—no harm can possibly result from their use. Our discovery is yet little known and our patients are people who ignore precedent when reason speaks—persons known as independent thinkers.

A PRACTICAL COURSE IN SELF-DIAGNOSIS AND SELF-HEALING BY MEANS OF

(By H. E. LANE, M. D.)

"THE DIAGNOSIS FROM THE EYE" is a most remarkable book, the result of years of careful observation and research. It deals with one of the *most important and far-reaching discoveries* in the science of healing; with the fact, that the *iris of the eye* is a mirror of mind and body and *discloses the inner condition of man*.

It gives absolute proof that the condition of every part and organ of the body is reflected in corresponding parts of the iris of the eye, that every constitutional and congenital taint and lesion, every artificially cured (suppressed) disease, every poisonous drug, every acute or chronic inflammation, every loss of substance, shows itself by unmistakable signs, which enable every one to make a reliable diagnosis of his physical condition after a careful study of the book.

The work is written in plain and popular language and profusely illustrated; it fully confirms the teachings of "Nature Cure," giving practical advice for the treatment of the most frequent diseases, accidents, injuries, blood poisonings, etc.; it is a true and precious counsel, which should have a place in every home.

"The book is the work of a most intelligent mind, one intent on the acquisition of truth and untiring in its search therefor. It is a wonderfully interesting piece of writing, put into a shape admirably adapted to making the subject clear to all who read."—BOSTON IDEAS.

Electricity is Nature's Greatest Tonic

But to get the best results from electrical treatment you must have the right kind of an instrument and apply it properly. Our batteries are constructed from the best materials by expert mechanics. They are operated by dry cells, always ready for use, are very compact and durable and do not get out of order. They are used and recommended by hundreds of physicians. With each one of our batteries we send gratis a copy of "Suggestions and Directions for Treating Disease with Faradic Currents of Electricity," by J. J. Mackey, M. D. This little book gives full and explicit instructions for using the batteries at home. Paralysis, Rheumatism, Lumbago, Nervousness, etc., readily yield to the currents of electricity generated by our batteries applied under Dr. Mackey's methods.

ELECTRIC MASSAGE

Electric massage restores tone to flabby skin, removes wrinkles and fills up hollow spots. The beneficial effects of the electrical currents on nutrition will cause thin persons to increase in weight very rapidly.

A mild current of faradic electricity, applied to the scalp will remove dandruff, keep the scalp healthy and clean and promote the growth of the hair. It will very often instantly relieve nervous headache.
