

THE SUNNA DAGOR MESSAGE

From the Study of Brown Landone

In the last 119 days, there has been a greater drawing together of all the White Power of all earth, than in the last 1787 years!

Thousands ask, — "What is the meaning of Sunna Dagor?" SUNNA DAGOR is found in our own beautiful Anglo-Saxon! It means "The Glorious Uplift of Life of the Sun at Dawn!" Hence, it is not an ancient Hindu or Sanskrit word.

SIXTEENTH YEAR — IV

BECAUSE OF THE INTIMACY OF FRIENDS IN BROTHERHOOD NOW, DR. LANDONE IS OFTEN REFERRED TO AS "BL" IN THIS MESSAGE.

THE 'NINTH' — AGAIN COMES TRUE!

Another fateful '9th' day of 1940!

Has Hitler chosen 9th days of months?

Has he some secret knowledge of those dates, indicated 4821 years ago in the ancient temples?

You remember, in the Sunna Dagor issued MAY 12, 1940, BL foretold that the Teleois of the Great Pyramid revealed that ON JULY 9th, other great events would take place.

Now they have come TRUE!

JULY 9: At Vichy France, in the domed Casino, the Chamber of Deputies of France voted the END of the Third French Republic; and initiated a NEW Totalitarian France! As a change away from democracy, this is the greatest political change of a 1000 years in Europe!

JULY 9: Sweden conceded military rights to Germany, to use Swedish territory — important in itself as a reversal of policy of 231 years! But more than that, it completed the conquest of continental Europe — from the Arctic to the Mediterranean, from Rumania to France — under the dominion of one man. It also completed Germany's control of the Atlantic coast line of continental Europe — all the way from Norway's Arctic tip to Spain — most tremendous change of coast line control in 3000 years — All gained in 90 days, between two 9ths — April 9 to July 9!

Both 9th dates, indicated in the Great Pyramid 4821 years ago, were revealed by BL months before the events happened.

As we look forward, we see fulfillment of the prophecy of December 5th, 1939 — supported on that date by the hint of Japanese Ambassador in Rome, that soon Japan and Italy and Russia and Germany will unite, as a cooperating unified power to control Europe, Asia and Africa!

And we prophesy here, that — on this North American continent — we shall soon see a UNITY of the powers of the world consecrated to the freedom of man. But no matter what the present political hopes, we do NOT see South America intentionally active as a factor of this freedom.

We need guidance now. The Teleois dates have been proven. EVERY date of important events of thirteen months has been foretold!

LITTLE KIDDIE — SANER THAN OFFICIAL WASHINGTON

BL's little chum — five year old Little Kiddie — you remember — the one who loves to stay up at night — the one who stayed up with BL until 3:00 in the morning last Christmas, and even then didn't want to go to bed!

The other evening — with his arm around BL and talking only of ice cream, he changed on the instant, looked up seriously, and said, — "Hitler wouldn't dare to fight America, anyway".

That's common sense — not found in Washington.

AND HE READS, WITHOUT READING!

The war is never discussed in his presence; and he can NOT yet read even sentences of small words in kindergarten Primers.

YET he takes a NEWSPAPER, quietly studies a page, then makes comments on the political and war events of the day.

Looking up from a newspaper the other day, he said,—"I wish they'd settle the war, so one side or the other would win— then they'd stop killing."

By some mystic sense he knows the meaning of a printed page, without being able to read a word.

BL has information of thousands of such souls — new souls are now coming to earth — giving evidence of the new age being born.

I wing my way up to stars
The gigantic stars of heaven.
To stars, to stars,
To find there the peace of heaven.

"If you are in the habit of saying, — "IT just fell off the table, and broke", you ultimately kill your own power. If you change to saying, — "I broke it, when I knocked it off from the table", it will make you the power supreme in your life." — from 'What to Do in These Years'.

NEW CONTINENT RISING OUT OF THE SEAS OF WAR

Many thousand souls — tragically torn by world events — have been asking BL: Will Hitler or England win? And what will happen at the end of the war?

With hearts so torn, BL has felt he had to take time to answer such letters, to bring some assurance of hope to such souls. But now they're so many, he cannot answer all of them.

So he has written "The Message of the Vision of This War — The New Continent Rising Out of the Seas of War".

Seven waves of change — what was, and is, and will be! The climax comes soon — a New Continent of New Human Values!

This vision tells what IS really being decided in the world war today — deeper movements transforming the world; and it steadies our souls to know that, in spite of world convulsions, a New Continent of New Human Values IS being born; and that all things are working together for good for them, who love God — that is, for those who love Love!

To give help to the greatest number, this "Message of the Vision of the War", is only 24 cents. (Five copies—with four for your friends, \$1.)

THIRTEEN MONTHS OF FORETOLD DATES AND EVERY ONE COMES TRUE

EVERY DATE announced by Dr. Landone, as revealed by the Teleois, has — month by month — come true as a great event.

In "Teleois of May 9th" and in May "Sunna Dagor," the JUNE dates announced were June 4, 9, 10, 13, 25, 27! And these prophecies, were FULL-FILLED by important events.

JUNE 4: Last of British expeditionary forces in Flanders, taken to England — greatest retreat in history.

JUNE 9-10: Italy at war — Italians in France.

JUNE 13: German army enters Paris, placing guards inside the gates, just before midnight.

JUNE 25: Armistice, Germany-Italy-France, becomes effective.

JUNE 25: League of Nations' officials to resign.

JUNE 27: Russians in Rumania, announced next morning.

EVERY PROPHESED JUNE DATE HAS COME TRUE!

THE JULY DATES, prophesied in May, were JULY 9, 10, 17 and 31.

JULY 9-10: See record page one; also Duke of Windsor appointed Governor of a tiny part of

earth's greatest Empire of which he was once Emperor.

JULY 17: Spain declares she must regain Gibraltar.

JULY 31: To the USA, the most significant event of the war—Konoye of Japan announces totalitarian government, and declaration of Greater East Asia — to be composed of Japan, China, Siam, Indo-China, Burma, and ALL Dutch East Indies.

While no prophetic claim is made by BL, YET the Teleois dates DO reveal that every date, built into all Great Temples of every civilization, are coming true. So WE NOW HAVE EVIDENCE that Teleois, dates revealed in the "Prophecies of Melchi-Zedek", are coming true.

We are human, and our interpretation of the mathematics of the Teleois is a human interpretation. Yet we feel that the dates revealed for the future, will also come true!

DATES FOR NEXT FEW MONTHS — WATCH FOR THEM:

AUGUST 4, 5, 9, 20, 21, 26, 1940. *Hot weather*
SEPTEMBER 9, 10, 12, 21, 1940. *Dry! School begins*
OCTOBER 9, 11, 12, 26, 28, 1940. *Ducks are flying*
NOVEMBER 4, 9, 12, 29, 1940. *Turkey month*

NOW, after 13 months of fulfillment of dates, we shall go further. Beginning with the next issue, we shall try to indicate the nature and quality of great events of the future.

95% of the world is so surprised by what has happened, that we can scarcely believe it. It wants to know of the future! In these days, we need clear guidance! *So go & pay your money for piffle*

SCIENCE REVOLUTIONIZES ALL THINGS

Thousands of years, and still our grandmothers never knew of fine white flour! Roller mill process was **not even invented until 1879**. And vitamins were never heard of, until 36 years ago; and auxinons were known only 7 years ago.

In 1903, Dr. Landone returned from Europe, thrilled with the vision of the possible new discovery of vitamins.

At that time, the only known food factors were starches, sugars, proteins and fats. **All the rest just ASHES!**

And those ashes! They were the burnt residue minerals in foods — one of the most vital factors in foods, but Scientists then thought they were of no value, at all.

Since 1907, food science has leaped ahead! Late discoveries are catalytic food factors, which **multiply** energy even a million times! And now we know **lecithins and auxinons**.

For years many different menus of foods and foods!

BUT NOW FOR THE FIRST TIME, in Landone's **Menus for 31 Days**, we have a combined balance of **ALL** food substances necessary — both material foods, and the **miracle workers** — **vitamins, minerals, cholesterol, chlorophyll, enzymes, and amino-acids, AND LECITHINS and AUXINONS!**

THESE are the **ONLY** Menus of this kind, thousands have been waiting for menus of meals **easily prepared**, including **ALL** vital factors.

An **AMAZING HELP**, and **very easy to use**.

No worrying about exact amounts, yet providing **ALL** the foods needed by human body.

No fussing over preparation of meals; and the foods are **not costly**.

And the meals suggested are not faddish at all!

Every day brings letters: "I feel new energy; new vitality; new feeling of youthfulness".

We would have a transformed nation, if these Landone Menus could be put into use in every home in the land.

These Menus are issued in **BOOKLET** form of 27 pages — Use of the Menus; General Instructions; 93 Menus for 31 days; 61 Pertinent Answers to Questions.

Neither England nor America can save itself by the sword alone. But when ten million of us link-up in brotherhood as a **channel** for higher power, the world can be transformed.

"Since man **already** has amazing means of producing even more than all he needs, why **FUSS** anymore about things! The lack we suffer today, is working hind-end-to, and **not getting** what we have." — from "What to Do in These Years."

GUIDANCE OF MYSTICS? YES!

Many friends ask, — "Do you truly believe, Dr. Landone, that we **can** be guided today by mystic wise men? Are they more certain in their guidance, than our national and world leaders?"

And BL replies: "Since the result of human guidance is so terrible that it is destroying man on earth, I myself look to higher guidance.

"And IF I did not know that we are being guided by something higher than human wisdom, I am not certain I would want to continue living on this earth at the present time.

"Nevertheless, I want more than hope; I want certainty!

"And I KNOW", writes BL, "that there **IS** something higher; I **KNOW** because I commune with it, and **SEE** the actual evidence of what it is doing now.

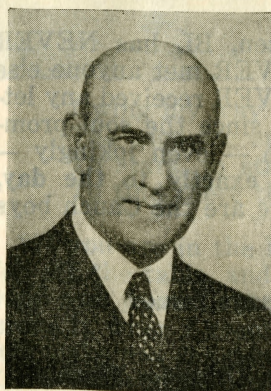

"I see the powers gathering for a great final victory, as clearly as in 1914, when I — and thousands of others — agnostics as well as believers — saw the White Hosts a-wing above the armies out from Paris!"

Today, we again need their help, for we can no longer depend on human wisdom.

The greatest **human** minds have not been wise enough even to distribute the amazing abundance all around us, justly enough to prevent millions from being in dire want; and the highest human wisdom — although planning for peace — **HAS LED** us to the most terrible and horrible war of all man's thousands of years on earth.

"I have seen a sweet patient mother suffer terribly", added BL, "to give birth to a child, who in manhood became a great inspired leader to thousands; so also today, with all world suffering, **I see a new continent of human values, being born!"**

All is divinely guided by the great spiritual powers of wise men. Nothing but brotherhood will save us. And we can not attain brotherhood without the higher guidance. All is ready, except man. When man changes from **mind** selfishness, to brotherhood love, war will cease and all life on earth shall be transformed. When each of us lines up in tune with the higher powers, such a change can come in the twinkling of a star. And this hour, the great White Powers **ARE** on the march! A new continent of human values is rising out of the seas of war. Joy to the world!

Thousands of new owners of BL's book, "**Prophecies of Melchizedek**", — want to know what BL looks like at his advanced age! So we print this photograph again, for them.

It is as it is, — **NO** elaborate retouching. Taken 13 months ago — proof of continued vitality and youthfulness.

BL'S DREAM APPOINTMENT — AFTER EIGHTEEN YEARS

The morning of July 22, BL woke up, after dreaming the following: He dreamed he was at an old stone home on a hill. A winding road through a wood, half a mile or more, led up to the home. BL, out on the porch, heard an old automobile chugging up the road.

When car reached the porch, three happy faced — middle-aged men — jumped out, rushed to BL, and said, — “See, we have not forgotten! We are here”!

BL felt at a loss; he could NOT remember them at all; yet one of them, face radiant with joy, hung on to BL's hand, and added, — “Don't you remember? We are the Cauch boys. This is 18 years to the day! You promised me when I was 18 years old, that we would meet again today! This is my 36th birthday — don't you remember”?

Still in his dream, BL could NOT remember!

Then BL awoke, and still there was NO flicker of memory of any Cauch boys. But when fully awake, he began remembering where he had been in mid-summer, 1922. On Bastille Day that year — July 14th, the birthday of his nephew — BL and the nephew had motored to northwest Connecticut, to visit the family of General Bowen, for two weeks!

So BL knew that he must have been in northwest Connecticut July 22, 1922. Then he remembered that one day the Bowen family took him and some guests to a lake some five or six miles away, for a day of bathing and an evening supper on the beach. Next BL remembered three brothers in the party — boys about a year apart in their ages, whom BL had NOT met before. He remembered one particularly, — he looked skinny in his bathing suit.

He remembered the name ‘Cauch’, because when one of the girls was smoothing out a pile of sand, someone said it looked like a couch; and the girl replied, — “Yes, a couch for a Cauch”. And the thin young fellow had said, — “Then it's for me; I'm pretending this picnic is my birthday party; I'm 18 years old today”. After a second's silence he added, — “I wonder if we'll all ever meet again”.

To this, BL jokingly remarked, “Certainly we shall — we'll meet again when you are exactly twice as old as you are today”. That was 18 years ago, July 22, 1922.

In the 18 years since then, BL has NEVER heard from those boys; NEVER met anyone else who spoke of them; and NEVER received any letter mentioning them. Yet, since the soul promise to meet again was given — even jokingly — the DREAM came to BL, exactly to the day, eighteen years later! Where are the Cauch boys — now men — today?
