ALL GLORIOUS I AM PRESENCE

Thy Love is like a perfume,
“My I AM Presence Dear,”
Enfolding all Creation,
In Light so Blazing clear,
That all can see within It,
Thy Self in Cosmic Pow’r,
All thus beholding love Thee,
And serve Thee every hour!

Thy Flame is now My Mantle,
Of Love’s Protection too!
Which evermore enfolds me,
Now Thy Own Voice comes thru!
All “Glorious I AM Presence”!
In Thee I ever dwell,
In such Great Light Perfection,
No tongue can ever tell!

Within Thy Heart I listen,
And as It thru me speaks,
Thy Wisdom all controlling,
Gives Light which each one seeks;
And as Thy Love illumines,
All things where’er “I AM,”
Thy Flame’s Great Healing Presence,
Now takes Its Full Command!

Thy Glorious Sunshine Presence
Enfolds me when I call,
And gives to me God’s Freedom,
Light’s Essence raising all!
Thy Jewels of many colors,
Give their Great Powers too,
As all who know and love Thee,
Now call Thy God Flame thru!

Beloved “I AM Presence,”
Into Thy Heart I look,
And there beholding clearly,
I read Life’s Cosmic Book!
As Destiny’s Perfection
Reveals to all God’s Way,
I call forth Thy Great Victory,
To hold Eternal Sway!
All Glorious “I AM Presence,”
God’s Own Great Life in all,
In Thy Great Self abiding,
I answer mankind’s call;
Until all do behold Thee,
And in Thy Presence rest,
In God’s Great World of Action,
How greatly we are blest!

Thy Music too is sounding
In Heaven’s Cosmic Song,
Each one Its Power raises,
And God’s Great Joys prolong;
Its Purity possesses
Thru Harmony’s Great Love,
For God’s Great “I AM” Music,
Descends now from above!

All Glorious “I AM Presence,”
From out the Central Sun,
Has given us Its Heart’s Flame
To use till Victory’s won!
When all into God’s Freedom,
Have evermore returned—
Our Own Ascension’s Glory
Reveals Life’s Lessons learned!

CHANERA
UT OF YOUR earnest sincere application, Oh Precious Ones of the Light, has come great Freedom, great transformation in your bodies, in your worlds, and We rejoice exceedingly to observe this great change, which has taken place in so short a period of time. Will you rejoice with Us in a redoubled effort upon your part, in calling your “Mighty I AM Presence” into action to win your Final Victory of Eternal Freedom?

Beginning this new year, Great Cosmic Assistance is coming to your earnest efforts, which makes so much possible with so much greater speed than has been possible heretofore. In this preparation of two years, Oh beloved ones, outwardly you cannot even imagine what it has done for you. Now We enter into the Great Victory and the Great Joy of this preparation. You have been valiant and earnest, and the reward is very great.

In the Instantaneous Healings which have taken place, in the restoration of perfect sight and hearing, and the various proofs which have been given of the Power of the Presence to act instantly when called into action, there should be the greatest encouragement to every one to go forth, with a great calm firmness of determination to achieve thru the acknowledgment of each one’s “I AM Presence,” and be dauntless in It.

Refuse to listen to ignorant gossip, to anything from any one, which would momentarily turn your attention from your Presence! That is the only Intelligence with which you are concerned. So long as you allow yourself to be interrupted and interfered with by human suggestions of your own or others, just so long are you retarding that Final Achievement and Freedom of Victory.

May I say, you are no longer babes in this understanding of the “Mighty I AM Presence.” You have now accepted and taken the reins of your Dominion in your conscious application. Will you realize that, and know that any person, place or condition which attempts to disturb you or draw your attention from your Presence by any ruse whatsoever, is but attempting to interfere with your forward progress, and the expansion of your Light? Therefore, silence it! Refuse to be affected by any human opinion! Then you will go continually along ascending, and ascending, and ascending in your consciousness and in your feeling; until suddenly you will find yourselves wholly above any
one's power to touch or interfere with you, or cause you to feel any doubt or question of your Presence or your ability to apply the Law. That is the point we are at now!

Will you not accept your own Scepter of Power, take command of your world, hold yourself in obedience to the Presence, and receive Its Out-pouring, which without special effort, will flow forth into your world producing Divine Order and Perfection everywhere! You must be strong enough now, precious ones, to stand your ground against friends or enemies, so-called! Hold your Dominion in the Acknowledgment of your Presence and know no outer thing has power to affect you, your thought or feeling!

Stand serene in the acknowledgment of your Presence with Its Great Energy flowing forth and filling your world with Its Perfection. Is there anywhere in the Universe that Perfection can come from except from your own "I AM Presence"? I think not at least I have not found it! No place in the whole Universe, beloved Children of the Light, from whence you can receive Perfection, except from your own God Presence, the "Mighty I AM"! Then, why turn away from It for a single moment?

That does not mean you forget your outer activities, not in the least! In your feeling you do give attention constantly to your Presence, while your outer activity is going on. You don't have to think of your hands or feet when you move about especially. If you wish to go to a certain place, you go and your hands and your feet—the activity of your body goes on. You give no special attention to them, yet all are acting. So in your feeling of your Acknowledgment of the Presence, the Activity of the Presence goes on; so long as you do not let some human being, some condition, disturb you and take your feeling off the Presence; or put it on an outer condition, which is disturbing and retarding to you.

It is the most wonderful thing before mankind today, to know that after all the accumulation, and generation of discord and limitations, they can be Free! They can free themselves thru the Knowledge of the Presence! Why not do it?

Our Love is so great for you, precious Children of the Light, that We actually pour forth Gratitude for your attention. Will you believe that, when I say to you We really pour forth Gratitude that We have gained your attention? That is the Divine Order of things, for you have become a part of Us! Do you know that? I mean, are you fully aware of it in your feelings? That is so important!

*Property of Saint Germain Press, Inc.*
When you have entered this Mighty Radiation and in your adoration of your Presence, have reached your present attunement, then you have become a part of Us! Being a part, naturally We want that part to become perfect! Do you not see that? Don’t you see—that is independent of your own special desire or effort? This is a point which We have not given as yet, for this is independent of your own efforts! You being a part of Us, We want that which has become the part of Us, to become like the rest of Us. Then is it any wonder We pour forth gratitude to you for having given sufficient attention, which gives Us the opportunity to assist?

That is the Original Divine Order of things, and if mankind had not so wholly forgotten their Source, they could not have drawn themselves into such great limitation. Our Rejoicing is not only for your ability now to achieve; but that you have the ability to dissolve, thru the use of the Violet Consuming Flame, every limiting discordant thing which you have ever drawn about you. Won’t you believe Me tonight, when I tell you it is the most Vital Truth? You have the Power in the Acknowledgment of your Presence, to dissolve quickly by the use of the Violet Consuming Flame, every limiting, discordant thing which has ever been drawn about you!

Continue with firm determination to accomplish this, and you will find your call to the “I AM Presence” acting very quickly. Two precious ones, after Mrs. Ballard decreed yesterday, laid off their glasses this morning. It is very wonderful! Talk about your miracles of the past! Is that not as great a miracle as anything that has occurred?

Can you believe Me and understand when I say that seventy-five percent of the inefficiency in the use of your faculties, is purely human concepts? It is not original! Then don’t you see, when suddenly you can change your feeling concerning an imperfection, that imperfection must leave You? That is how instantaneous healing, socalled, comes about! Suddenly one realizes—why that is just a mistake! I don’t accept it any longer, then the organ or the faculty comes into Perfect Order again.

It is tremendous the simplicity with which you can govern your body and the conditions about you, when you understand these simplified activities. Remember these little details of the Activity and the use of this Great Law, and they will help you so tremendously in gaining your Victory.

I take this opportunity of thanking Mr. Sindelar with all My Heart for his achievement in the Victory of the “Voice of
the ‘I AM’”. It is a magnificent Victory, and if he knew how many times I have stood by his side when he needed it—when he needed energy, strength and courage—“I AM” sure he would not object to My Presence!

So We always watch over, ready to assist always those who serve the Light. The Group Leaders who have been so earnest and sincere everywhere in America, I thank you all. The earnest sincere students I thank everywhere. You who have a staunch firm determination to spread the Light, see there is not a thing in the world that can prevent it. Call your Presence to reach forth Its Hands and draw to you those whom you can bless! It is very wonderful what the Presence can do. Those who will depend upon the Presence, and wish to form Groups, to hold Great Purity and Harmony, the Presence will reach out Its Hands and draw to you all you can accommodate and more! Don’t be concerned, Oh precious ones, about each other’s Groups, except to bless them! Then your Groups will be happy and harmonious and full; but if you are resentful and jealous about other Groups, yours will disappear, you can be sure of that!

I rejoice for these blessed ones whose Love has been so great as to draw great numbers to them. That is all that has done it. The Out-pouring of Love is so great, the people love to go and feel the Glory of that Love and Happiness and Freedom. Dear ones, how many do you think an individual would have in their Group, and how long would that one have it, who went around with a long face, seldom smiling? I think the Group would diminish very rapidly. Oh precious ones, it is the Great Joy and Out-pouring of Love from the Heart, from the Presence, which draws people to you so wonderfully, and you cannot even chase them away. They just come and that is as it should be.

I tell you and plead with you, Beloved ones of the Light, all who have Groups, stop forever all discord in your Groups and toward each other. If you will do this, I promise you some of the most Transcendent Things, but I will have nothing to do where inharmony reigns! There are too many wonderful people willing to maintain Harmony in their feelings, dear hearts. I love you all, every one, but I cannot help you while inharmony is there, and when you become inharmonious, you can be sure “I AM” not there! You know “I AM” not very scarey, but I run from inharmony! Anywhere the individual is willing to control it, then I roll up My sleeves and help, but not when anyone is unwilling to hold Harmony and Self-control.

Dear hearts, We must not keep you longer tonight, but I
could just take you in My Arms, My Arms of Light, and hold you until all Freedom was yours. With your permission I shall hold your hand, until you have received Freedom! Will you let Me do that? Will you just let Me hold your hand, until you are really Free, all of you? “I AM” sometimes told that “I AM” just a little old-fashioned, but I like it. I love to be natural for that is the way God, the “Mighty I AM Presence,” intended Us to be!

How grateful “I AM” to these Beloved Messengers, who have won the Victory and proved Me—will you smile when I say this—a Truthful Being. Tonight with that Great Joy in My Heart, with that Great Love pouring forth, Oh my precious ones, you are just My Own Blessed Family whom I cuddle up close, and hold with that Great Love and Joy; and then breathe forth to the Infinite, thanks and praise for your Love and Freedom; just breathing forth thanks and praise for your Love and Freedom.

In the Fulness of that Great Light of your “Mighty I AM Presence,” I clothe you in My Love! I sustain you with My Strength and Courage! I glorify you in that Light which you have become, and I raise you by the Hand of your own “Mighty I AM Presence,” into your Eternal Freedom and Ascension! Hold that in your mind, in your feeling, a constant Mighty Power, which shall never cease until all is accomplished.

The Great Cosmic Light I call into action to sustain, to direct, to supply, to cause you to feel the Glory of your achievement, complete now; so in the Fulness of that Great Light, you move and have your being forever sustained. We thank That Great Light for the privilege, for the time in which We have arrived, where the Great Light is turning to serve mankind. How do you suppose It has been helped to come about? By your reaching to the Light firmly, fearlessly!

The Blessings of that Great Light enfold and abide with you always and lift you into Its Eternal Perfection. My Love enfolds you and blesses you forever!
BELOVED SAINT GERMAIN'S DISCOURSE

DALLAS, TEXAS

March 2, 1937

Beloved students of Texas and those visiting from other cities, we rejoice greatly for the welcome here. We know the privilege which has been yours in receiving the Radiation poured out for the expansion of your own Light; and the happiness with which your Being is charged, will remain active. It expands and expands until one day you too know the Great Freedom, the Great Privilege, which is before mankind in the Great Onrush of this Great Cosmic Light. It is pouring more and more into the Earth, making so much possible for mankind which we have not been permitted to do heretofore. The free will of mankind, until this occurred, could not at any time be interfered with. There are many today for whom time and space are really being set aside. This will make further and greater achievement possible among the students. It will release the Great Power which they are able to call forth to render this Service for mankind.

I rejoice with you blessed people of Dallas in the Activity which is just before you. Tremendous will be Its results, as you draw together and issue these Mighty Decrees. Through you will pour forth, into the mental and feeling world of mankind today, the Wondrous Work which must be done. You have been reminded many times of the importance of issuing your Decrees and consciously sending them forth in the mental and feeling world of mankind. They do a work which your outer at present could not possibly imagine.

May I remind you that there is one Intelligence, one Substance, one Energy which all mankind use? Therefore, do you not see, precious ones, when you have entered this Great Stream of Light; how you cannot again be separated from Ourselves or the Messengers; unless by your own conscious volition? You become one with that Great Stream of Light, amplified by the Great Cosmic Light which is pouring into the World, for It is determined to bring Perfection to mankind!

Up until 1929 the World and mankind were left free to a large extent to choose or not to go on in a somewhat indefinite manner, which they have done; but since 1929 they may not have that privilege. Mankind is asked by the Great Cosmic Law to choose! Now precious ones, it is not a matter of whether you have been aware of the Great Cosmic Law or what It does or can do for the Earth; but it means that the Cosmic Light, the
Great Cosmic Light is a part of you which you must come to understand, and which all mankind will come to understand! The Law, the Divine Law, the same as your Law in the physical World, is no respecter of ignorance or disobedience. The Law acts, dear hearts! That is the reason why, with you today of all mankind, having drawn yourselves into limitations, the Law acted for you according to your feeling world.

Isn't it a pity, my precious ones, that mankind could have so forgotten or did not remember the feeling world ungoverned was ruling mankind. Not knowing that its effects were the causes which it set up, mankind did not believe that individuals were responsible for what was in their world. Everyone is directly responsible either by direct creation or by accepting into each one's world something undesirable from outside!

Will you listen carefully to these few Words? Every human being, sitting in this room, or who has attended the Classes, who will do what We have asked—follow the directions in the books, apply this identical Knowledge by which We have gained Our Freedom and Ascension, with the same earnest determination We did, will have these same results! It is not a matter, precious ones, of your personal belief, but the Law acts when called into action, and that Law of Life is your "Mighty I AM Presence" which feeds your Life and beats your Hearts. It gives you the Intelligence by which you act and move about; therefore, It is all-powerful! The one who cannot accept that or utilize it must wait. There is no argument, there is no condemnation if one cannot accept it; but as I said again it is unfortunate, because the Great Law, Its Use is before you in the simple direct manner which even a small child may apply, with great earnestness and benefit as the children are doing.

When This Work was to come forth the Great Master from Venus (Mighty Victory) saw the need of the Earth, and that everything thru human concepts was being made more and more complex, more technical in its expression; so much so, that the average individual had but very little comprehension of some of the metaphysical laws, because they were only partly explained. The Great Provision and Mercy of this Law has been released to mankind, so they may have the opportunity, if they desire, to set themselves Free! It is not only for the individual to set himself and his own world Free, but it is to give the enormous—notice I use the word "enormous"—service each can render to the Earth and mankind. Why do I say "the Earth"? Because, mankind have changed the Earth with the discord which has
registered in their own feeling, and therefore, they are responsi-
ble for the condition which exists in the world today.

A government is the creation of men's minds, the minds of
all mankind, and that is why the sinister destructive qualities
so often rush forth to deprive mankind of Freedom when they
see It is at hand; but the individual who will stand firm with
his or her Presence has naught to fear in the whole world. The
Messengers have proved that so infinitely, in the attacks upon
them and This "I AM" Activity.

Precious ones, and I say this to all the students, as well as
the Messengers and the Staff! Remember vicious persons, places
and conditions have no power to act in your world or this "I AM"
Activity, except you give them power thru your feeling, which
feeds your Life into the destructive quality which is attempting
to act. I say to you beloved ones, fear not, no harm shall come
to This "I AM" Activity! Know that always, regardless of any
report which may reach your ears.

Will you not always stand steadfast for the Protection of the
Messengers and This "I AM" Activity? Never let a day pass,
that you do not issue a Mighty Decree for their Protection and
the Protection of the "I AM" Activity. Why do I ask this of
the students? We can protect them so far as that is concerned,
but the great privilege in calling for their Protection and that of
the "I AM" Activity, since you are a part of it, will bring to you
Infinite Protection for yourselves. Do you see how great and far
reaching is the Action of the Law? That is why in your Groups
when you have four or five hundred or a thousand people, issuing
these "I AM" Decrees for mankind, America and the Earth,
precious hearts, if there are eight hundred present you have
eight hundred times your own application acting for you.

I tell you this, dear hearts, and I have stressed it in almost
all the recent classes, for I want the students if possible to feel
the enormous importance of it; not that you should wish for
it especially, but it is a Law! That is why the blessed Messenger
has so often reminded you that what you ask for yourself, you
should ask for all mankind. It is a Law, because if you ask it for
all, you must have that for which you ask.

Now I want to say something which I feel quite sure will
delight you blessed people of Texas. In the cataclysm which
occurred eighty thousand years ago, or thereabouts, the southern
half of your state of Texas was under water. During that cata-
clysm the Earth changed and raised, and it was thru the Purifi-
cation of the Great Light, focused within what is now your
State of Texas, that one of the Great Civilizations came forth. It came forth about ten thousand years after the change and I was the Assisting Intelligence. It is mentioned in “Unveiled Mysteries,” and it was a co-operative activity in your state. We were in constant communication with the Ascended Masters, and that accounts for the remarks I made in Kansas City regarding My Feeling to Texas. It has ever been a very Sacred Feeling.

Now many of you have come again into your State of Texas. It is a very beautiful, a wonderfully remarkable thing, a most natural thing by the Inner Action of the Law; because where you once served, one day you come again, and I rejoice in being able to bring this Light to you. Many of you knew Me then, and do you wonder that I feel My Hand in yours as this great raising, lifting process goes on, with the earnest endeavor to hold you unto your Freedom from human limitations and then help you into your Ascension? I want you to feel, if you will, how very close you are to Us in this Activity, and how great a part you are fulfilling and will fulfill, in the Great Light which will one day flood the Earth. California is another point where great accomplishment is focused and will be attained.

Now dear ones, I call to the Great “Mighty I AM Presence” and I charge each one of you thru your Higher Mental Body to feel the Great Reality of this, and to give you the courage and strength to do whatever your Presence, thru your Higher Mental Body, prompts you to do in expanding this Light! There is no greater service on the Earth today, than the Expansion of this Light and the putting forth of these Books to every possible individual! You will remember that in the Preface of the Books of the Saint Germain Series, it is stated very plainly that correct names, dates and places of these occurrences are intentionally withheld from the world for a definite reason and purpose; and where unfortunate individuals are so depraved as to attempt to find discrepancies in those Books, forget it. Pay no attention to it, precious ones! Do not allow anything to disturb you. We are not, and those unfortunate creatures will cry for mercy for their acts! It need not disturb the “I AM” Students. It does not disturb the Messengers; but it is so unfortunate when mankind fall so low in the scale of humanity, that they try to destroy the Light. Yet that is what the sinister force, the destructive human creation has done throughout the ages, but fortunately this time, it has no power. So I want you to know that in your individual lives, precious ones.

Whatever confronts you of a destructive appearance, whether
it be in your personal life, your business, your home, your activity or whatever it may be, blessed precious ones, do not give any of those appearances power! Instead speak to the “Mighty I AM Presence” of others and say: “Mighty I AM Presence” I withdraw all power from those appearances to harm or disturb me or my world.” Then precious ones, Oh what joy will fill you and your world. When you do that, you give the “I AM Presence” Full Power to act in your world and dispose of whatever it may be, so you yourself do not accept anything of that in your world. Mankind have accepted the wrong appearance in all ages, and that is what has brought them into their present state; because they were more willing to accept a wrong appearance than the Reality.

Will you not be firm and unyielding in your call to the Presence? It cannot fail! Remember, if It seems not to be acting as quickly as you would like to have It, the reason is in your feeling world; and if you will call the Presence into action to remove any seeming obstruction in your feeling world, the result will flow forth more quickly.

I speak to you today in this practical manner, because I want you so much to go forth like a rocket into your Freedom—every one of you; because there is great loyalty, great sincerity within you. Your Heart knows this “I AM Presence,” this Light, and the Great Joy which almost every one feels when he or she first comes into contact with the Chart. That Chart gives the Reality of yourself, your Presence! Just think of the Great Joy of knowing that the Great God to which we once prayed, is an Individualized Presence to Whom you can speak as to a Loving father. It will release Its Mighty Energy and Intelligence and go forth and do for you that which is required. It is a Joy to know, that It knows no resistance nor interference; therefore, It goes forth with the Power of the Universe to fulfill your requirements! Will you keep yourselves consciously reminded of that when you begin to make application, and know and feel It cannot fail?

So today, in the Great Glory and Beauty of the Light, your Light—Notice! “your Light,” precious hearts, fills this room! This is once when I almost wish the Law of your Being would permit, that I suddenly show you the Radiance of your own Light which actually fills the room. Will you believe Me, when I tell you in the last three days, the Expansion of the Light within your Hearts and the Radiance about you are ten times what they were before? That is true and it should be of inestimable
value, courage and strength to you. Know always, my precious ones, that no earnest effort is ever lost, and that it requires your conscious call to the “I AM Presence” to use the Violet Consuming Flame, to dissolve and consume all past discordant creations. Then call your “Mighty I AM Presence” to flood you, your Being and world with Its Mighty Currents of Energy; with the Perfection which It is, to be eternally sustained.

Call your Conscious Power of qualification (feeling) and the action of your visualization, your physical sight to produce the things you require! Do you not see, precious ones, how you actually this hour hold the Scepter of Dominion in your hands to govern substance? Then the Intelligence which you call forth from the Presence to produce Its Perfection in your world acts! Those three faculties you are using every moment—your visualization, your attention and your power of qualification! When they are directed in a wholly constructive way, they will produce Absolute Perfection for you! Those are the same faculties thru which you have deprived yourselves of the Perfection which the Presence holds for you. By allowing your attention to be wholly turned from the “I AM Presence,” you held it upon the limiting discordant things of the outer world, and it compelled them to act in and for you.

This Simple Process is so wonderful, so tremendous! Just know that even though you have made mistakes, still do not condemn yourselves! We do not! Neither does the Great Presence! We say: “Oh Children of the Light arise! awaken unto the fulness of your Great Presence and thru It set yourselves and your worlds into Divine Order! Call on the Law of Forgiveness for all mistakes and ask the Presence to wipe them out for you, and It will do so!” You having created or made those mistakes, have the Authority to call the Presence into action to dispel them, so they may not act in your world. Do you not see that all Authority is in your call to the Presence to provide, to charge, to dissolve, to remove, to replace and to supply everything your Precious Hearts desire or require?

Today Our Joy is so great, and I want to thank all the precious ones who have so earnestly assisted in the Class and for all the many beautiful things that have been done. In the atmosphere of your city as it stands above you, the Great Dissolving, Perfecting Process has gone on, and It delights My Heart beyond all words to express. Do you, can you imagine what it means to Me, after two hundred years or more of My Earnest Endeavor to bring Freedom, Light, Joy and Perfection to Amer-
ica? Do you know what it means today, to find so many thousands of people who understand and are giving the assistance necessary, in their calls to their "Mighty I AM Presence," to allow that Perfection which We have so long wanted for the people of America to come forth?

My Joy is very great and My Gratitude to mankind is very great, for being able at this time to accept this simple Majestic Understanding of the "Mighty I AM Presence." So will you go forth, precious ones, knowing that the Hand of the "Mighty I Am Presence" holds yours; and on the other side We, the Ascended Masters, hold your hands so you may go forth untouched by any discord of the future—unto your Perfection thru the Blessing and Power which you may bring to others.

As the Messengers go forth, know you are not separated. It could not be. You have become a part of Our World. Will you believe that? Will you really believe, that you actually have become a part of our world which is the Octave of Light? The Light in your Hearts is the Light of Our World; Our Kingdom of Perfection! Think that in your Blessed Precious America, whom We all love so dearly, is to be the "Cup" which will carry that Perfection to the world. Think how all mankind in the Western world had no understanding or interest in the Greater Ideals of Life. They thought they had to seek India or the Orient in order to attain some of This Knowledge. Think, that Great Blessed Wondrous Master from Venus came, and issued the Command and stated the Law for the Earth, so no longer should the West have to look to the East for the Light, because That Light has been revealed in your own Blessed Precious America.

Right almost within your own Heart's midst, is that Great and Mighty Focus of Light, the Royal Teton! That Great Chamber is holding all these Great Records of the World! One day, you shall all know this from your outer standpoint. Think, precious ones, you are living in an age, in a time, when you shall enjoy such happiness, such achievement, such power, such splendor! Do not be dismayed by conditions or appearances of the outer world today, for they have no power longer!

If you could see, beloved ones, thru the Work of the "I AM" Students in the past year alone, the past twelve months, how much of the vicious activity of the sinister force has been consumed, by which they had prepared to strike at this "I AM" Activity, you would be amazed beyond all possible description! You would not be sitting here today in this Great Peace and Joy which is in your Hearts, if that had not been done. Make no
mistake about it! Those unfortunate beings in the world are making themselves claws of the sinister force! What a pity! What a pity! Stand your ground, Oh beloved Students of the Light, everywhere! Listen to no sinister thing anywhere! Hold to your “Mighty I AM Presence” and know that no outside thing has power to touch humanity, the world, yourselves or anything else that stands for the Light.

I call the Blessing of the Great Host of Ascended Masters, the Mighty Legion of Light, the Great Cosmic Beings, the Gods of the Mountains and the Great Elohim to stand guard over you; until your acceptance of your “Mighty I AM Presence” makes you strong enough to stand against a regiment of destructive forces! We call the Fulness of those Mighty Protecting, Directing Powers into action, to stand guard over the “I AM” Students of the Light; to stand guard over the “I AM” Activity; to stand guard over America and the World, until each day more and more of the destructive force which would sweep the Earth is dissipated! I ask you if you will, to join Us in this Mighty Endeavor; and forever, not only stem the tide of any destructive activity, but annihilate it all forever from the Earth.

Some of your Great Ones, who have stood for the Freedom of America and those to whom I was able to give assistance—again stand in your midst—and in This Knowledge of the “Mighty I AM Presence,” will render even Greater Service! So today with all Our Love and Gratitude for your interest, do We enfold you in Our Great Cosmic Light so you may become a Blazing Sun of Light, a Pillar of Light, moving wherever you are; pouring forth this Indescribable Radiance from your “Mighty I AM Presence”—just thru your Great Loving Kindness by allowing It to flow forth without limit to do Its Perfect Work among mankind in which you move! It is not so much that which you would speak verbally, but the Great Radiance from your “I AM Presence,” which goes forth is the thing that counts, Dear Hearts!

To the Heart within the other individual, who may be momentarily opposed to the Presence and the Light—when you pour forth This Radiance, there is no resistance! The feeling world of the individual, thru the Higher Mental Body, is much more easily reached, if you allow It to act first always! Then, when you begin to speak or discuss the Great Presence, the “Mighty I AM,” you will find the intellect much more ready to receive than otherwise would be. So constantly call forth the Presence to pour forth Its Mighty Radiance in and thru you,
and out in your world and environment; to do Its Perfect Work! I remind you, thru your qualification you can charge It to do its Perfect Work.

In the Fulness of that Light which beats your Hearts, I call the Great Light to expand, and expand, and expand, until your whole world becomes a Blazing Light of Its Radiance, drawing you into your Ascension, forever free from all earthly creations and limitations! In the Great Joy which then fills your Hearts, you return to serve mankind and those who follow on. In the Greatness of that Light which you have become, you know It is forever sustained. I thank you.

“I AM” SANCTUARIES AND STUDY GROUPS

Beloved “I AM” Students everywhere, it has been our Beloved Master Saint Germain’s Request from the beginning that the money coming into any “I AM” Sanctuary or Study Group, be considered a Sacred Trust from the “Beloved Mighty I AM Presence” and the Ascended Masters, to be used for the upkeep of the “I AM” Sanctuaries and Study Groups under Beloved Saint Germain’s Radiation.

He has never permitted the borrowing of the “I AM” Sanctuary Funds by any individual or groups for any reason whatsoever!

If the “I AM” Students will give God-Obedience and apply the Law of the “Beloved Mighty I AM Presence,” as the Ascended Masters have instructed—all will come into Divine Order harmoniously and permanently. An abundance of every good thing will come for every requirement that fulfills the Beloved Ascended Masters’ Divine Plan, the Ascended Masters’ Way.
If any mistakes have occurred concerning this, will you all please correct them at once, that your own worlds may be filled with every good thing and the Ascended Masters’ Divine Plan fulfilled, Their Way, come forth in Full Eternal Victory to give Its Blessing to all.

IN ETERNAL ASCENDED MASTER OBEDIENCE TO THE INVINCIBLE HONOR FLAME OF GOD’S HEART, “I AM”

“I AM” ANGEL BELLS

It is our great privilege to announce the release of “I AM” Angel Bells, which is a tribute of Love and Adoration to the Great Angelic Host—especially to that Great Group of Cosmic Angels who control the Great Cosmic Activity of God’s Freedom to this Earth; and the Great Cosmic Bells of God’s Eternal Invincible Freedom in the Electronic Belts around our Physical Sun and the Great Central Sun! Only from those Great God Beings and Cosmic Heights of God’s Perfection, can come God’s Freedom to mankind and the Earth!

The Music and Lyrics of “I AM” Angel Bells is released to help each person realize the Great God Help all can have at all times, to bring more Divine Illumined Obedience into the feelings of mankind and more conscious co-operation between them and the Great Angelic Host, that all may be Free in the Ascension as soon as possible.

The Picture on the cover is the work and gift of our Beloved May DaCamara. The arrangement and collaboration of the musical production was made by our Beloved Frederick Landwehr. We thank and bless both of these blessed ones for their loving selfless service in preparing this song to come forth.

The call to the Seven Mighty Elohim is played on our Twenty-five Bell Carillon every fifteen minutes, to carry Their Love and Blessing to the Earth forever.

May all who hear, play or sing “I AM” ANGEL BELLS or contemplate the picture on the cover, feel and receive Instantaneous Help and the Out-pouring of God’s Freedom which all really desire.
