The "Voice of the I AM" is the mouth-piece through which the Ascended Masters' Instruction can reach the students quickly, that the most powerful work possible for America and the world may be done by the students to release the greatest Light in the shortest time.

It will also contain information as to where the Accredited Messengers, Mr. and Mrs. G. W. Ballard and son, Donald, are teaching the Ascended Masters' Instruction on the "I AM."

INFORMATION

The information given under the heading of "Young America" will be the Ascended Masters' help to the young people for their protection and illumination, as they are the builders of the new civilization and are the channels through which the Ascended Masters will give their Light for the use of the outer world in the Golden "I AM" Age.

This magazine is not an outlet for articles from the students, but is the outpouring of the help from the Ascended Masters and has no human concepts in it.

THE MAGIC PRESENCE

UNVEILED MYSTERIES
ELOVED Children of the Light, I want you to see and feel the Reward which Life has chosen to give to certain individuals whose Stream of Life permits. In all ages past, the Ascension could only be made by taking the purified physical body into the Higher Mental Body, as the Messenger has explained to you. Through the Intercession of the Goddess of Light, the Goddess of Liberty and the Mighty Victory, Who went to Sanat Kumara, a Gift of Love is being offered to the mankind of earth.

It means this: There will be certain ones among the students for whom at the time of passing, not otherwise being able to complete the Ascension in this embodiment, the Purified Essence of the physical body will be drawn into the etheric body. In this way, they will be permitted to make the Ascension while the outer structure, the discord of the human form remains here. That Assistance is the most Magnificent Thing ever offered to mankind by Life.

Betty, be sure those Words are absolutely accurate, as I wish this to go forth in the magazine. Please, dear students, do not any one of you repeat those Words unless you have them verbatim as I have given them here. Let no mistake be made about this! When any one of the students throughout America or the world has been permitted to make the Ascension, at their Ascension, so-called, I will inform you; and do not accept that as accomplished unless I do inform you. I do not want any mistake to go forth concerning this! It is very vital! It is a tremendous thing! That is what Life is offering you for your earnest determined sincerity and obedience to Life.
This Assistance will make it possible for thousands and thousands in America and the world to be set free from the earth forever, who would otherwise require another embodiment. In all the experiences of the ages, Sanat Kumara told Us Himself, that never had such a thing been permitted by Life. I say to the beloved students of America, see how great is the Gift of Life! I pity those who have turned aside from this Pathway of Light, some who could have had this blessing. Oh, the pity of it! By listening to foolish false gossip, it has turned them aside. They have withdrawn from this great opportunity, when the door was open almost before them.

This is what the Messenger was feeling, for he was out with Us, both he and Lotus, and he retained just the feeling and not the memory of the discussion. I want you to know this, my dear ones. Do you realize what it means to you, to have one in the human octave through whom I can give you clearly and accurately these Mighty Truths? Do you realize what that means to mankind? Then, vicious insane individuals criticize, doubt or condemn him. Do you not see? I do not wonder that the loyal students all over the world arise as one, when some harm threatens him; and still more firmly will mankind arise in the future.

These two whom I love so much, who have given such implicit obedience, are as humble as humbleness can be before the Presence of Life; before Me and before the Great Host of Light. That has made all this possible. Without them mankind would have been in the most seething vortex of war right in your midst to-day. Your Capital would not be here to-day! Believe this or not, beloved people! I know what I am talking
about; and the foolishness of mankind who do not believe this, would have had the opportunity to see that destruction, but for the loyalty of these beloved students all over America and the world whose hearts have been so good. They have been dauntless and with limitless energy have issued these Mighty Decrees almost for four years; three years with great intensity. This is just one of your Rewards which Life is offering.

I say to you, beloved ones, have good courage. To you who have had a struggle financially, if you will only allow Me, if you will only make your earnest determined application; I assure you that all obstruction will be removed from your pathway; so the Treasure-house of your Presence may open Its doors with a constant Out-pouring into your use. It does not make any difference to Me whether you see from the human standpoint or not, the slightest opportunity, the slightest means of bringing it about; your Life has thousands of doors which It can open to you, of which you know nothing in the outer.

I want you to have this encouragement, but remember the “I AM Presence” cannot open Its Treasure-house to you if you doubt Its Ability to do so; if you will not make sufficient application; or if you will not steady yourself and refuse acceptance to these appearances of limitations. Say to those appearances with determination and dynamic feeling: “You have no power! You cannot longer act within my world”! Take that stand! Then, accept your call to the Presence as all-powerful, as the Presence of Life calling to Itself to release from Its Treasure-house all It requires, all you require. After all, is it not the requirement of Life acting through your human form instead of your outer requirement?
You many times get so agitated and so positive in the feeling of the appearance of limitation, that the other cannot take its place. In all appearances of less than Perfection, you should still yourself. Then, say to that appearance: "You have no power"! Mean it with all your feeling. That is how you can stop such appearances from action in your world, until you can have the chance to call the "Mighty I AM Presence" into action to restore the fulness of Life, which is the abundance of every good thing.

If you allowed the Stream of Life to flow into your body from your Presence untouched by any human qualification, you would have abundance of every good thing inside of ten days. Be of good cheer! We are getting at this more and more firmly and more and more positive; until that day when you hold within you a positive certainty in your call to the Presence. Then, not one thing of your own human creation or anybody’s else will dare attempt to touch you or make you longer feel limitation.

For other things which We wish to accomplish in this class, I am calling this to your attention to-day. I trust New York will rejoice with us again to-day. Since yesterday three hundred thirty-two thousand discarnates were removed from the environs of New York City. (applause — audience standing)

I marvel that all in the room do not feel the need of exercise; however, to you who do appreciate My Presence, I thank you. I thank you very kindly. Won’t you be seated? I say to you very kindly, you who are in this room who refused to rise to My Presence lost a very great Blessing and Opportunity. This is not the Messenger talking to
you, much as you might believe it was. I am sorry for you. Beloved ones, one day when mankind find out We are so very Real, how disappointed they will be that they did not realize it sooner. Mankind every hour of their lives are being given opportunities which they do not see or even feel. The condition which binds them is within them, not with Us.

I ask you to watch, beloved students, in your blessed great sincerity, watch those who have criticized and condemned the Messengers and This Work! Just watch them and see what happens! That thing shall cease from our America. (applause—audience standing) I see almost everybody had the strength to get up this time. (applause) If a bomb were thrown into this room, I am sure you would all have plenty of action.

Beloved ones, I say again to you, in your Love and devotion poured out to the Messengers, it is a joyful means of releasing substance from the human octave, which We require. In the momentum gained since the Messengers entered into the previous Shrine Class, it has been amazing how the Love has increased and released. Remember, your Divine Love is Self-luminous Intelligent Substance. While you are standing—it will not do you any harm, dear ones, so please understand this—you release from your "Mighty I AM Presence" the Light-substance of Divine Love which We require. I am sure, quite sure, few of you have yet understood what We mean, when the Messengers and We have mentioned that it was necessary to release the Substance from your human octave.

Well what do you suppose that Substance is? Not a substance that is controlled by discord, surely you do not believe that. Your Divine Love
which is poured forth is Self-luminous Intelligent Substance.

My dear ones, if the Messengers had not called forth by pouring first the Great Power of Divine Love to you and released the Love that is within you, We could not have had this Substance to do the things We have done already. Then, it is the Power of Divine Love, Self-luminous Intelligent Substance, that goes forth from you which We require to do these Mighty Works that have been done. Thank you so much, and won’t you be seated?

Beloved students, every one of you at least once a day, hold in your memory these words that I have uttered concerning the Ascension. As soon as the Messengers can, they will put this in the magazine so all can have it. I say again, do not quote These Words until you have them in the magazine, so you quote them exactly. With your attention upon this, great, very great will be the Blessing to many many people.

I told the Messengers in the very early Dictations and in some private conversations after the Dictations, that from time to time there would come forth, as the people were ready, more and more Powerful Activities of the Light from the Great Inner Octaves. I use the word "Inner" in this instance, because it signifies the activity and energy heretofore uncalled for by mankind.

I am trusting that at some time in one of the great classes, We may be able to draw before you, here, by Our own effort a Cosmic Screen; and show you some of the Inner activities that have taken place and the position the Messengers stand in the world to-day. That of course must necessarily depend upon the expansion of the Light
within the students; or in the body of students who happened to be together at that time; but We are planning many of those things which will delight you. It will not keep you from having to make your own application by any means, but it would be very satisfactory and very encouraging. Until those things come about, will you not have full confidence in your Great Presence of Life, your own “Mighty I AM Presence,” which helps these things to come about?

We want to give you the Evidence that the feeling world of mankind is anxious to have, but We must abide within the action of the Law. We cannot go contrary to the Law of your own Life. We cannot do it! Therefore, as you realize this and see the necessity, then with a great, very great, calmness you will proceed to call the Powers of Light from your Presence into action through your body; into your feeling world and out into your world. In that Great Serenity, there will not be one slightest concern as to manifestation. There will just be the joy of the greater Out-pouring from the Presence, your “Mighty I AM.” Then, there will come the great action of Life in and through you.

I know, Oh quite well do I know, when the pressure of outer things seems very great, it is not easy to give your attention to the Presence just because you love It; just because you want more of the Presence in your body and around you; but that is the Secret of all things. It is to want the Presence, the fulness of It first, then all manifestations must take place through It; because It is the governing Intelligence of all that ever will occur in your Life.
I am speaking now directly to the students who have had some time to understand and apply this Law. Please, the first thing you do in your application for whatever reason, just love and adore the Presence. Just want Its Pure, Perfect, Self-luminous Intelligent Substance to fill your mind, body, feeling world and your world of action. Then, I should not be surprised, if you would not have very much more powerful answers to your calls.

Thank you so much, beloved ones. (applause) Precious, beloved students, I am just going to say a few Words to try to convey to you how great is the Love of the Great Ones of Light; and I mean by that the Ascended Masters, the Legion of Light and the Cosmic Beings, because They have found such loyalty and sincerity within you in reaching to the Light, in reaching for your Freedom.

When I began This Instruction, few believed that it was possible in the present condition of mankind, for enough people to make the call to even have the Self-control that you have to-day; but I was determined in the final effort to save mankind to try it out. If it had failed, then I should never have tried again; but since it did not fail, it has been beyond the fondest imagination of anyone. When I first conceived and tried it out through a few; and I saw what was accomplished in the mental and feeling world of mankind by the issuing of these Mighty Decrees; I began to realize this was a means of achievement that had never been tried in the human octave before. That is why such great achievement has been possible.

I speak of the following because the greater
number of people are out there; since the Messengers' arrival in Oakland, California, on their way east, in Seattle, Chicago and here, the Power and the Substance released from those Groups in the west has been the most transcendent thing We have ever witnessed from the human octave. (applause) These Groups in the east, though less in numbers have been just as marvelous according to the numbers as those in the west. (applause) If you knew what that means to yourselves, your fellow students all over America and to the people who might not even believe this yet, you would be delighted. It is just beyond description. I would not Myself try to describe it to you. Once you get the full feeling of what This Ascended Master Instruction is doing in the mental and feeling world of mankind, then you will begin to feel how important your Service has been.

I know how important it is and My Love goes out and enfolds everyone of you every hour of the day; when I see the sincerity and the staunchness of the students in the face of all the vicious falsehoods which have been spread. It takes strength to stand against that, there is no question about it; but the Light in you is your strength always. That is why the Messenger this time here has tried to guard you so powerfully, in refusing acceptance to foolish gossip or listening to it. As quick as you refuse to listen to it from any human being, you will have happiness you never dreamed was yours and immediately.

I happened to be present back stage here the other day, when an individual asked the question: "Well, if we are not to listen to discordant discussions how are we to know or to convey what
is to be done in application”? My dear ones, you will hear plenty in spite of all you can do without seeking every means of information. Do not be concerned about the opportunity to know of the discordant things, because there will be plenty of opportunity for that; but to feel that you must listen to every discordant thing, in order to know what is to be done will eventually invite and fill your world with just the things you do not want.

There is a very great discrimination required in the use of these Laws. Your Higher Mental Body is your Discriminating Intelligence, if you will just call It into action. I do not mean call directly to your Higher Mental Body, but to your Presence for discrimination, then your Higher Mental Body will produce and cause it to act through you. Oh, so much is for your use, if you will only remind yourselves of its need. Some of these things sound so very simple and unimportant, but Oh, what they mean in your Life and application. So, do not pass over anything as unimportant.

Do you know and realize that the Saint Germain Series of Books is the most condensed Information ever given to mankind on the face of this earth? Therefore, I do not consider it too much effort to read, and read, and read them, until you make the Information and the Instruction which is there part of yourself. I am sure you will not either consider it too much effort. (applause)

I am going to say something to you, I have not said even to the Messengers and I am sure they will rejoice quite as well as yourselves. Those Volumes which you have bound here for your use, in Our Octave are bound in covers of Jewels. (applause)
The cover of ASCENDED MASTER LIGHT is made of Jewels, each one perhaps more magnificent than this one. (pointing to Mr. Ballard's ring) That is how We prize the Information that is there; (applause) and one day, you will find Those Books the Stairway to your Freedom—clear as crystal. It is made of Crystal Steps leading you into your Eternal Freedom.

I thank you so much and appreciate your great Love and kindness, that I was able in person to bring this to you to-day. You know you have an enjoyable time with each other here, so I am going to relate what happened to-day. I insisted that somebody else bring to you this Information and nobody would do it. (applause) So I found disobedience (not human however) even among Ourselves, but They insisted that I convey it to you Myself. (applause) I thank you very much.

Now dear ones, I have not said anything about what has been going on in the room since I am talking to you; but just accept all that is there. I tell you, beloved ones, the vibratory action is coming to a point in these classes where We can do so many wonderful things. They are not yet out-pictured to you, quite true, but yet you will see them.

I never dreamed in the beginning of This Work, that I would have such Mighty Powers and such Mighty Friends who have come of Their own volition to My Assistance. (applause) In your call, in your Mighty Decrees for Ascended Master Friends to be raised up everywhere, please keep it up. (applause) It is one of the mighty things in your application.

I thank you and bless you forever. (applause)
CHRISTMAS, of all seasons of the year, is the most glorious opportunity to come close into the Arms and Heart of Jesus Himself.

When the rest of mankind’s attention is on Him, it is our very great opportunity to call the “Mighty I AM Presence,” the Ascended Masters and Jesus to hold eternally sustained the recognition which the people give Him; and to charge them with the feeling of willingness to love Him and bless their fellow-men.

Christmas means so much to us all and it is so important to mankind individually and en masse. Each of us should be so grateful that there is a way by which we can call forth into action, all that He did and help others to do it also.

The Great Opportunity of Christmas is to be able to be with Jesus in His Own Octave of Life; and help minister with Him to those who are calling for assistance. Every night, we can join Him in His World and some day all our hearts
desire to do in the Service of the Light shall be made manifest to all.

Jesus represents an entirely New Day or Period of time for the earth and to each individual. Soon, the way will open for the Great Ascended Masters who are abiding in the Octave of Light, to take possession of Their own; and bring forth the Victory of this New Day.

Blessed, Blessed Beloved Saint Germain, charge every human being with the desire for obedience to the Light; and may we charge all with the Ascended Masters' Light this Christmas tide and forever.

We, who know the REALITY of Jesus and other Ascended Masters, can focus His Almighty Power and Victory of the Light in, through and around every human being we contact; by visualizing His Luminous Presence raising every physical body we gaze upon into His Own Pure White-Fire Body.

To enfold every person, place, condition and thing in His Mighty Blazing Presence of Light, will bring Blessings, Assistance and Perfection unbelievable to every one who will try it out.

At Christmas time especially, because of the greater intensity of the Light, which He pours to all mankind, even the slightest recognition and acceptance of Him is amplified far beyond our slightest concept, to accomplish all possible.

Therefore, it is the greatest privilege and joy to know this Ascended Master Action of the Law, co-operate with Him consciously and to help do what He desires to do for all. May everyone know the thrill of lovingly doing all possible to bring forth all His Mighty Victories of the Light into full outer manifestation.
ELOVED Daughters of the Light, it is your very great privilege and opportunity to form the habit of blessing and charging everything you do, especially in your connection with the home, with some very definite quality that you know needs releasing.

In serving the food, you can and should call the "Mighty I AM Presence" and the Ascended Masters to charge it with all the Perfection of the Ascended Masters' Octave of Life; to command it to produce absolute Perfection in the mind and body of everyone who eats it; to command that there shall never be a shortage of food.
for you, your loved ones or anyone in the whole world; to feel that every meal is an Ascended Masters’ Banquet of thanksgiving and the reminder to call forth Life’s limitless Gifts of Perfection to all forever; and to call forth the Power of Precipitation as the Perfect means of supplying all that is required.

Everyone can do the same thing in regard to their clothing or the clothing of others. Call the “Mighty I AM Presence” and the Ascended Masters to charge everyone’s clothing with absolute spotlessness and immaculate cleanliness; charge it with limitless strength, beauty and Perfection at all times.

We can qualify every home as an Ascended Master Home of Light, a Temple of the Great Silence and an Altar of Security to all who seek and serve the Light forever!

Charge everyone within the home as the Ascended Master Being you desire each one to be and fill the home with Ascended Master Friends at all times. One can do this silently or audibly as circumstances permit.

Every home should be charged into a Temple of such Happiness that no other condition could ever come within it or touch it.

The beds in the home can be so charged with the Violet Consuming Flame that everyone rests in Perfect Peace at all times.

Every chair in the home can be charged with the Power of the Atomic Accelerator to harmonize, purify, heal, illumine and perfect the mind and body of everyone who sits in it.

The home can also be charged as a Holy Grail of Liquid Light to fill everyone with Perfection who enters its doors.
There is almost no limit as to what everyone within the home can do to produce Perfection and Blessing for all. Let us, the Daughters of Light, set into action the Force that definitely protects and perfects every home in America and the world; so through the home the greater purity and Perfection of Light may raise the whole.

BLAZE THE VICTORY OF LIGHT TO AND THROUGH OUR PEOPLE EVERYWHERE FOREVER!
The hour has come to see the shining face of your "Mighty I AM Presence"! Its slender Hands point you every minute to Victory and every second is now filled with Mighty Ascended Master Miracles of Perfection forever!

(Excerpts taken from Saint Germain’s Dictation to the Minute Men of Washington, D.C. Nov. 6, 1938.)

No place on the face of the earth is there within the feeling of mankind what is in America today. It always has been for that matter. When something threatens our country, even people who have disagreed and almost hated each other, will rise as one in defense of our America, and you can depend on it.

In these Decrees that you are sending forth, gentlemen, it is the mightiest service that mankind has ever rendered; because you are acting directly upon the feeling world of mankind. You do not see that. You think a group of you are sending out these Decrees. You do not see the ul-
timate action of it, but I do. I know exactly where that energy goes and what it produces in the feeling world of mankind. Therefore, there is no power today in the present outer activity, which is as powerful as sending forth these Decrees by the great body of students. Six hundred thousand who are now doing it in America will hold the balance, until enough momentum can be gained; and control even individuals by those Decrees, so it will cause them to do the honorable, just and right thing.

This Power needs to be directed into your government today, for there is such treachery going on that mankind must arise and by these Decrees call forth the Inner Power of protection; because the Power of the Cosmic Light, the Power of the Ascended Masters and the Cosmic Beings must be released. If you do not quite understand this, please remember that They are Real and They are the only Saviors of mankind today. Mankind is not strong enough, even with what has been gained today, to yet hold the balance for the protection of America.

This will be conveyed to the Groups of Minute Men all over America. Call directly for the projection of the Light Rays by the Ascended Masters and the Cosmic Beings into your government, to produce Divine Order and Divine Justice and bring about the Perfect, permanent remedy for conditions. It is quite imperative at this time.

Individuals respond to destructive forces without knowing it and some respond because they want to. That is neither here or there; but to call forth the Power of Light to govern the feeling world of mankind, will bring Divine Order and
Divine Justice into the government, which is all that will be and is required.

You cannot take destructive intent or force out of the intellect. If there be an intent, if there be a desire in the feeling to commit wrong, it will act unless something stops it; but the intellect can desire without the feeling responding to it. Then it is only a temporary thing. In the conditions that are to be adjusted to-day a great part of their activity is yet in the intellect. It has not entered deep into the feeling. That is the thing which gives Me great encouragement. That is why these Decrees will prevent the intellect desire from entering into the feeling world, which makes it a positive force in action.

Therefore, in your Decree work you can annul a great deal of the conditions which have an appearance, because the activity as yet is only in the intellect. That is why I expect to accomplish so much in the next few months. The more We can remove from the invisible that which influences mankind in destructive activities, of course the more quickly will mankind respond.

In your assistance, remember you stand as one in authority for all mankind in your call to the Presence of Light, to project Its Mighty Light Rays into any condition; whether it be individual, city, state or government, to produce Its Perfection and hold Its Dominion there.

As you call forth the Light Rays, either from the Royal Teton, from the Retreat in Arabia, from the Cosmic Beings, the Ascended Masters or from the students to project their Mighty Light Rays into the activities of your government; It is all a Substance of Light that no human quality can
change. It simply goes into action. Now, suppose you are causing to be placed or focused one of those Light Rays upon an office in your government. That Light would remain in action there, until the service for which you had called it was accomplished. Try to feel this, gentlemen, because It is an Almighty action.

You might think, as a humble individual: “how could I have the authority”? Well, you have the authority of Life, which is beating your heart; your physical position has nothing to do with it. If you have the desire to call forth loyalty and protection for America, you have all the Authority of Life to act within your heart; which gives you the authority to make the call to the Presence of Life, the “Mighty I AM Presence” and to all the Powers of Light. You have the authority to project Its Light Rays into a given objective and hold them there, until the Power of Light dissolves all else and replaces it by Perfection, Divine Order and Divine Justice. That is the authority that every human being has, and there is no authority outside of it! There is no authority which can say you shall not do a certain activity for the protection of yourself and America.

“Mighty I AM Presence” and Great Host of Ascended Masters! take complete possession of me and my world this day and forever! Make it impossible for any person, place, condition or thing to ever deceive, influence, irritate or disturb me again! See that I never feel anything less than Your Great Cosmic Power of Divine Love, Eternal Mastery and Peace!
THE years spent in the "I AM" School shall be such a remembrance of joy, of accomplishment, of Victory and of Freedom, that they stand out forever as a Great Beacon of Happiness and such an anchor of Light that no one will ever want to forget his "I AM" school Life.

Part of the training in every school is to give each one an opportunity to become master of himself so that he is always comfortable, natural and at ease yet calm, dignified and Self-controlled whenever he needs to express himself before his classmates and teachers.

Beloved ones, every "I AM" School should be a Temple of Light and Happiness of the Ascended Masters’ Instruction to help every one to do that which expands his own Light and releases Its Blessings to his fellow-man.

Every child in every "I AM" School should at least once a day face an audience of his classmates and teacher; and call his own "Mighty I AM Presence" and the Ascended Masters to pour some definite Blessing to his audience, to all in the school and to America.

Every human being should become so much at ease, so natural and so comfortable before any
audience or group of people, that at any moment he can lead his fellow-students to do something which will bless all.

The “Mighty I AM Presence” and the Ascended Masters cannot release Their fullest Help, if fear, embarrassment, nervousness or any feeling of inferiority has control of the energy in his feeling.

The “I AM” Schools are and should always be the greatest enjoyment in the growing activity of every child and young person.

Every moment of every day in every “I AM” School should be a constant service to Life in the great Harmony and Consciousness of the Ascended Masters and the constant use of Their Light Rays.

“Mighty I AM Presence,” Great Host of Ascended Masters, Mighty Legion of Light, Great Angelic Host, Great Cosmic Beings and Great Cosmic Light! ANNIHILATE! ANNIHILATE! ANNIHILATE! THE CAUSE, EFFECT, RECORD AND MEMORY OF ALL EXCESS TAXATION IN OUR UNITED STATES OF AMERICA FOR ALL TIME! DO IT THIS VERY MOMENT and instantly make helpless every human being and group of them who attempt to any longer impose that fiendish destruction upon our people! STOP THAT DESTRUCTION FROM WITHIN OUR LAND AND ITS PEOPLE FOREVER; AND USE WHATEVER POWER OF THE BLUE LIGHTNING IS NEEDED TO DO IT THIS VERY INSTANT! SET OUR PEOPLE FREE, ETERNALLY FREE IN THE SUPREME POWER OF THY ALMIGHTY LIGHT!
HIS Activity is more than a beautiful philosophy for someone to use just to get a healing or prosperity treatment, or to pull someone out of problems and difficulties.

The Ascended Masters have brought forth this Knowledge of the "I AM" as a Great Altar of Safety. It is the Focus and Power of all the Light in the Universe, which means the constructive forces. It is an Altar of Protection for all who will turn to the Constructive Way of Life, accept It, apply the Law and gain their own Freedom. Therefore, those whose Light is not bright enough within themselves and strong enough to recognize the Truth from without and hold to the application of this Law, will naturally accuse us of everything in the world we never thought of; and since you who have been strong enough to hold to your "Mighty I AM Presence," release Its Light and bring yourself to this point, will probably be included also.

We have all been through the mill before and there is no use getting excited. When people criticize you, us or the Ascended Masters' Law, turn instantly to them and say: "Have you given as much good to mankind, America and the world in four years, never asking a dime for anything? Can
you hold your peace to the degree that the students under the ‘I AM’ Radiation have been doing”? The organizations that are condemning us accuse us of doing everything we have not done; and they say everything except the Truth. When those people will give their fellow-man as much good as has been given through this Radiation they will never say a word against It.

They have accused us of dominating our fellow-man. You know what I am going to say now is true, and these are statements you will need to make in order to definitely consume that which is not true.

We have never dominated anybody and we never shall!

We never intrude on anyone’s free will! That is against the Law of Life, of the Ascended Masters and of ourselves. There is nothing hypnotic in this Ascended Masters’ Instruction. There is nothing psychic or spiritualistic about It in any way! There is nothing hidden or occult about it! There is nothing emotional nor fanatical about it! This Ascended Master Instruction is not an ism or cult; It is the Education of Life, and It is based on the Law of Energy and Vibration.

We have never asked obedience to ourselves! Can our critics say as much? We have never asked human beings to do anything but obey the Law of their own Life, which is Harmony, Purity and Balance; and be loyal one hundred percent to the highest ideals of Life; and that means their own Life! We have only asked each human being to be loyal to his own Life, God in Action, which beats his own heart.

There are many things our critics do not know about the Ascended Masters; so their own ignor-
ance might have a great deal to do with their opinion about This “I AM Activity.” It is just possible their own ignorance of the Laws of Life and of the Ascended Masters is what they see as mistakes, for the Ascended Masters never make any mistakes!

We never have and never shall get mixed up with politics; but we do call forth Purity, Perfection and the Victory of the Light into all political activities for the benefit of all mankind. Have they done as much?

When we plead for obedience, it is to the Law of Harmony that you may be healed and free. We only ask people to be loyal to every constructive principle in the Universe, the highest ideals of Life, the Purity, Perfection and Victory of Jesus; and to all the Ascended Masters through Their Ascended Master Understanding of the Words “I AM.”

We have never opposed Law and Order in the democracy, but on the contrary have asked all students to obey and give blessing and protection to all policemen, firemen, aviators, public servants and help maintain Law and Order.

We and the “I AM” Students have obeyed Jesus more in four years than any other outer world activity. We have healed countless numbers in four years and enabled the people to heal themselves and others, and have never asked for a dime. By the calls and Decrees of the “I AM” Students and the Ascended Masters’ Light Rays, war has been kept out of America for the past three years. Have our critics done as much?

The “I AM” Students have had four years of application of This Law and everyone who has sincerely applied it is today cleaner, happier, more
harmonious, healthier, more prosperous, younger, more beautiful. They are better, stronger, more loyal American citizens and better human beings. They are free from a great deal of their former distress. They are more satisfactory individuals for everyone else in the world to deal with than they were four years ago. Have our critics improved themselves as much?

The "I AM" Students love Jesus enough to believe that He told the Truth, when He said: "Do what I have done and even greater things." The "I AM" Students are doing more of the things that Jesus did than the outer world, for they ARE the out-picturing of more of His Perfection.

We never ask anyone to believe us, but have asked all to prove us, and prove the Truth of this Law themselves. We never have and never shall tell anyone in the world anything but the Truth!

This Ascended Master Instruction of the "I AM" is the Eternal Law of energy and vibration, which is your Life, and no one can prove It wrong. Everyone can prove It right and must some day understand It.

Who of those who have criticized the Ascended Masters or "I AM" Students have done as much for mankind in America in four years as This Activity? The "I AM" Students themselves are the living proof and fulfilment of the Truth which this Law is.

Mankind from now on must fulfill their own words or be exposed by the Law of their own Life. Now, let them take it! Those who prattle about Jesus had better do what He did or they will have to face the reaction of their own disobedience and ignorance. The "I AM" Students and ourselves are no more self-deceived, than you are when you turn on the electric light, the radio or the tele-
phone. The Ascended Masters' Instruction is based on exactly the same Law, and no one can deny it. Because our critics and others have not yet seen the Ascended Masters does not prove they do not exist or are not Real and Perfect! They are in the Universe. They are giving Protection to America and doing nicely. Their Presence, Light and Power shall continue to consume human ignorance and destruction until all are free, including our critics.

The Ascended Masters teach all the "I AM" Students to be honest and honorable in all their dealings with all mankind and Mr. Ballard has said: "Is anyone so depraved as to think that I would stand before three-quarters of a million people and lie to them about the most divinely sacred thing in the Universe—Life"?

We have never asked for a dime or student's list. We have given all and asked nothing in return. We have offered help and protection to all as free as the air they breathe. Have those who criticize this Activity done as much? All the Ascended Masters and ourselves have ever asked is for everyone to be honest, honorable, sane, balanced, sensible, clean, happy, beautiful, youthful and Perfect, until we enter into the Ascension.

Mr. Ballard has said: "Let no human being dare stand before me and say that I do not tell the Truth about This Law, or that I am self-deceived"!

Beloved ones, from now on, you the "I AM" Students have more and will continue to have more of the good things of Life than the rest of the world; because you are making the application and the Law is fulfilling your calls. So, as you stand before the rest of the world, remember you are at the apex and have the possession of what
the rest of the world wants, so do your work of protection!

Go on and blaze more, and more, and more of that Power of Light forth, until all realize you are Invincible; you are Invulnerable to everything but Ascended Master Perfection; and ultimately they will become really convinced that this Ascended Master Instruction is the Law and you are obeying It. That is what produces results. Later on, as the viciousness released into the atmosphere by mankind is consumed, these individuals will awaken and come around to have some of the good things too; but do not let your sympathy throw you off the track then. Such people do not become angels in a minute. Be kind at all times, but be firm and inflexible; and give no quarter to anything but obedience to the Law; and you will do those people the greatest good in the world.

You will contact many, use great discrimination and be on guard. There are two types—those whose Light is bright and those who are seeking the explanation of Life. When they see you, they see your happiness and Radiation and they will want it also. Do not be deceived, when once an individual has been vicious, let him prove to you he has changed before you accept him again into your association. Make such an one prove at least over a period of six months or a year that he really is obeying the Law, and do not be deceived by anyone.

This Ascended Master Activity of the "I AM" is a Mighty Power and Victory of Light! All that is not constructive shall give way before the Onrush of this Ascended Master Perfection of the Cosmic Light and none can stop it!

Therefore, stand true to the Light and the Light protects Its Own.
BLESS young people of America, do not accept under any circumstances any suggestion from the outer world, which would tempt you to lower your moral standard of conduct, which is the Purity of the Ascended Masters at all times.

Remember for century after century you have come into physical embodiment, married, raised a family and passed out through so-called death. In none of those former centuries did you touch the opportunity for the complete Freedom and Victory of the Ascension because you had not yet been given the Ascended Masters’ Help in the knowledge of your “Mighty I AM Presence,” which would enable you to attain the final Victory.

Now the Door into the Ascended Masters’ Octave of Life is wide open before you, if you are through serving the outer world and your own desire to have your own way. Do you realize that through the centuries, it is because you wanted your own way, that you do not have God’s Way of Perfection in your mind, body and world to-day? Your own way of feeling is the limitation and distress which binds you in the imperfection of your world.

Then it is time to be free from all human desires to have your own way. Instead, hold only one desire in your world and that is for the fullness of the Presence and Its Way of Perfection. Nothing else will ever bring you permanent Happiness nor Freedom.
It is our very great privilege and joy to
announce the release this month of two
new songs which have come forth to
do tremendous things to bless and free
mankind.

Each of these two songs gives a very special
service and shall never cease in the expansion of
the Light they bring to mankind.

The music and lyrics both came through our
Beloved Messenger, Mr. G. W. Ballard, who uses
the pen name of Godfré Ray King.

"Son of Light" has been brought forth by the
Ascended Masters and charged with Their Al­
mighty Power of Light and Obedience, to enable
greater Protection, Illumination and Perfection
to come forth in and through every child and
young person, to raise each one into the full Vic­
tory of the Ascension.

The Ascended Masters have said, that if par­
ents and especially Mothers, will sing, play and
listen to this song directing its energy to their
own children and to those under their care or
whom they love; through it, the Ascended Mas­
ters can give the Assistance needed to lift those
to whom it is directed into greater obedience,
Victory and Perfection of the Light; and even
into the final attainment of the Ascension, when
the definite call for that is made.

The Ascended Masters have said that every
Mother who sincerely uses this song and makes
the call for the Ascension of her children, will
not only open the door for their Ascension, but
will attain her own through that call also.

All individuals who love children and young
people, whether they be parents or not, can
render this Mighty Service to the younger gen-
eration and thus annihilate the effects of the destructive suggestions and activities which have been imposed upon them in the past.

Through this song gigantic and transcendent Cosmic Assistance is being offered to the people of earth in order to protect all constructive activities so they may survive in the future.

The Likeness of the figure on the cover is that of the Higher Mental Body of Donald Ray King (Donald E. Ballard). The music, lyrics and picture have been charged with the Light from Its Heart and the Ascended Master Power; to make all children and young people the Ascended Master Youth of America and the world.

CALL TO LIGHT

The “Call to Light” has been given by the Goddess of Light. The music and lyrics of the “Call to Light” were given to our Beloved Messenger, Mr. G. W. Ballard, direct by the Blessed Ascended Lady Master known as the Goddess of Light. It was the song She used and the Call She made which released Her from a most tragic condition, that had been imposed upon Her by the vicious forces which were trying to destroy the people She governed.

This intense Call for the Power of Light to give ETERNAL FREEDOM has been brought forth again into the outer world, that all who use It may also have their ETERNAL RELEASE from the binding chains of discord and destruction.

It has been especially charged with the Power of the Cosmic Light and the Ascended Masters’ Victory of Life to do for all who use It exactly what It did for the Goddess of Light.

May all who sincerely desire to be released from the discord and limitations of earth use It
with a definite determined call for their complete and unconditional Freedom and the Victory of the Light of God that never fails.

Within It is the Power to give that Mighty Perfection! The Ascended Masters have definitely charged It with the Full Power of the Cosmic Light required to give complete release to all who are determined to have the Ascended Masters' Instruction, Happiness, Perfection and Freedom forever!

The Likeness of the Figure on the cover is that of the Blessed Cosmic Being, known as the Goddess of Light. She has been given that Name because of Her very great Light and Power to annihilate the destructive forces which have constantly beset mankind, when they have tried to hold to the Constructive Way of Life.

Through this piece of music, will flow at all times the Power and Light which She wields, to help set everyone free who will use It with sincerity and determination. It is a most Powerful Call to the Heart Center of Creation; and automatically compels the release of whatever Ascended Master Assistance is necessary to accomplish the Victory quickly.

The musical arrangements have been made by Vinton and Virginia LaFerrera and the illustrations on the covers have all been done by Mae DaCamara.

Victrola Records will be made by Catherine Rogers and Virginia LaFerrera very soon.

We wish to extend our Love, blessings and gratitude to these blessed ones for their glorious assistance in helping these songs to be released for the use and blessing of the students. May the whole world sing these songs, be set free from all distress and stand eternally Victorious in the Light.

NEW SONGS

Victory and The Minute Men of Saint Germain

It is our very great privilege and joy to announce the release this month of two new songs—VICTORY and THE MINUTE MEN OF SAINT GERMAIN.

The likeness on the cover design of Victory is that of the Ascended Master Victory, Who is mentioned in Unveiled Mysteries as the Tall Master from Venus; the music being charged with His FEELING of VICTORY.

The likeness on the cover design of The Minute Men of Saint Germain is that of our Beloved Ascended Master, Saint Germain, in Golden Armor as He works with the Sword of Blue Flame at the Inner Levels. The likeness of Him is very remarkably accurate.

These songs come forth to carry tremendous Blessings to all. They are charged with the Power of Victory and Light to bring the Victory of the Light everywhere they are heard, sung or played, or the pictures contemplated.

They shall charge the ‘I AM’ Students, America, mankind and the whole world with the Ascended Masters’ Almighty Power of Light, until the Eternal Victory of Life takes Its Dominion forever.

The music came through our beloved Virginia LaFerrera and the lyrics through our beloved Catherine Rogers. We love, bless and thank these precious ones forever for all they have done; and our beloved Vinton LaFerrera for his assistance in the arrangement of the music.

**NEW SONGS**

Rainbow Rays and Rose of Light

Tis our very great privilege and joy to announce the release this month of two new songs RAINBOW RAYS and ROSE OF LIGHT.

RAINBOW RAYS was first sung at the New York Class, where the Mighty Light and Action of the Rainbow Rays started forth; to release Its Perfect Balancing Activity of the Cosmic Light; to bring Perfection everywhere. The song was dedicated to the City of New York and carries a Powerful vibratory Action and Balancing Power to bless that city forever.

ROSE OF LIGHT was first sung and dedicated to the City of Los Angeles at the last Shrine Class. This song very definitely represents the unfolding Perfection of the “Mighty I AM Presence,” which is the Life within the heart of every human being, and goes forth with a special Blessing to the City of Los Angeles.

These songs both came forth through our Beloved Mr. G. W. Ballard, both lyrics and music and carry tremendous healing Power and Blessings to all. They are charged with the Power of Light to bring Perfection to all who sing or contemplate them.
