H, Mighty Silent Sentinel! to Him our country loves,
We gaze in rapture on thy height, as all around thee moves;
Enfolding thee in pink and white, the cherry blossoms blow,
Reflecting thee like beauteous gem, abides the pool below.

Oh, Mighty Silent Sentinel! e’er guarding our bright shores
And watching o’er our Blessed Land above its open doors,
Thy glory and thine own great height forevermore doth tell
The purpose of America—Light’s Cup and Freedom’s Bell.

Oh, Mighty Silent Sentinel! brought forth by Thee—“I AM,”
A Focus of Light’s own Great Power—the Precious Unfed Flame!

Remind us often of Life’s Gifts and God’s own Loving Care,
The Mighty Source of Light—“I AM”! from whence we all have come
And Him whose Love hath set us free—our own George Washington.

ELOVED ones of the Light, out of the Great Light you came, into the Great Light you are returning. Did you notice that you are returning? Is it not a wonderful contemplation? Having entirely forgotten the Presence of all Life for so long, at last you are returning home into the Eternal Glory, the Eternal Embrace of Light, which is your own true Great Self, the "Mighty I AM."

To-night, let us completely forget everything in the world, except the Light which is in our hearts—the Light which alone comes from the Presence, the Source of all Light in the Universe. Then, you have for the time being become the fulness of that Light. As Our Precious Jesus said so long ago: "I AM' the fulness of that Great Light." That is not a recorded statement, but Jesus said it! When He came forth after receiving the Assistance from the Divine Director in which all of this Glory was revealed and made clear, one of His first statements was: "I AM' that Light; all that Light 'I AM'." All that Great Light is, you are! if you but realized it. You can be THAT right now!

Will you join Me for a moment in feeling, that RIGHT NOW you can be the fulness of that Light. As you accept the fulness of It, all else in your Life Stream and world is dissolved. It just disappears! This is why as mankind comes to know the few, just think of it the very few powerful fundamentals, you become anchored within them firmly. There is no wavering in the consciousness and feeling world. As we know all
that we call forth from Our Presence is the fulness of the Power of Light—knowing no opposite, We know We are in the call experiencing the answer. Would you like, all of you, to do that, to be that; and to experience instantaneous activity?

You know it is a long long time ago, yet, I can remember distinctly the first time I really became aware of it, and that was before I had My Freedom. You know there are certain experiences in your Life, right here in this achievement, which are outstanding and which will remain for thousands of years. They will be recalled often to your memory, because those are points of Victory in your Great call—in your great desire for freedom. They are very wonderful points of activity in your Life. Many times, you reach those points and for the moment recognize their importance. Then, as you go on, it so soon passes out of the memory.

May I remind you, to-night, of a magnificent thing? It is the transformation from your previous understanding to that which you now have, since you have come to know the Great Presence of all Life, your “Mighty I AM.” Now notice this carefully please: to-day, every earnest, honest, sincere, determined effort and every moment that you spend with your attention held to your Presence, is making an Eternal Record of your Victory. It can never be erased; because that is the Victory of the Light. It is another explanation of what the Messengers have so often said: that whatever you gain, in your acknowledgment and call to the Light, becomes a permanent thing. It is just a little more than you understand at present as being permanent; for
the reason that your understanding to-day is a continuous activity and acknowledgment. In recording and making the Eternal Record of a thing, it is vastly more powerful and far-reaching in your Life than that which you at present understand.

Therefore, to-night let us enter into the Eternal Record of your—now mark you! of your accumulated calls to the Light up to this time, taking in everyone of your sincere calls. Let us accumulate that now! Try and feel what it means to accumulate that now into action. We can! and that is what I am going to do to-night! I am going to draw into action every earnest honest, sincere call that you have ever made to the Light. We draw all that into action to-night in your Life Stream! Will you be kind enough to accept that henceforth, that as you go forth you will find a greater added power to your calls.

As the Great Divine Director never loses an opportunity these days to watch wherein the human creation of individuals can be dissolved; so will that process go on in your midst to-night; for there are many here for whom it will be done. I wish you could see with Me with your All-seeing-eye, to-night, what that has meant to the world, to your America since the beginning—since He first began that Mighty Activity. Please understand that He would never have begun that, if you had not been making sincere call to your Presence and been using the Violet Consuming Flame. He will never do that for individuals who will not use the Violet Consuming Flame. Therefore, according to the earnestness with which you call the Presence to use it, may you quickly be free.
I want to impress upon you to-night as 100% Students the importance of all that occurs in your Life. You have entered into a new world. You may seem to be moving in the same old world, but yet you are not. You really are not! You are moving in the world of Light! This is why We have asked, and more so recently, all to remember constantly that all they ask, speak to and call forth is the Power of Light which knows no opposite; and which dissolves what seems to be its opposite. Then, you enter into an anchored activity of this Light.

Try to comprehend for a moment what that means. The Activity of the Light means the full Power of the Perfection of your Life, acting at your point in the Universe. As soon as you can acknowledge and accept in your feeling that all you are calling forth is the Power of Light which knows no opposite, that moment you are entering into the fulness of the Perfection of Life. If you still find yourself tripped up once in awhile or slipping back into the old habits, just stop! call on the Law of Forgiveness and say: "'Mighty I AM Presence' You stand guard and see that I do not do that again!"

Oh beloved ones, will you please understand to-night you are not concerned about another human being in the world? You are only concerned with perfecting yourself. Oh no, there is no selfishness about that! It is a means of harmonizing yourself to the point where the Power of Light can take Its Dominion and glorify Itself by spreading Its harmony to all with whom you come in contact. This is the important thing today; and if you do not consider other individuals or personalities, you have no difficulty in holding
yourselves harmonious to the Out-flowing and Out-pouring of your Presence. This is the vital thing.

May I remind you, beloved ones, in so great a Love, in all that is being done for America; in all that is yet to be done; our Heart’s call to the earth is for harmony in the feelings of mankind; so We may be enabled to pour forth this Great Release which can only come from Our Octave. It does not exist in the human octave; therefore, it must come from Us. Now notice, carefully: We must have a certain amount of your Life Substance released. In your call to the Presence, it enables Us to amplify and release enough added Power to do and to govern the things in the human or physical octave which are required to-day.

It is why the Messengers have pled for harmony in the feeling world of all the students and mankind everywhere; because without that, you are useless so far as the requirement, the great urgent need and the great emergency of today.

Beloved ones, many of the Great Ones have at least intimated that you are facing the greatest crisis on earth. Quite true! It is not anything to be frightened about; but it should be the greatest incentive for mankind to understand their “Mighty I AM Presence” and to give the utmost assistance through maintained harmony in their feeling. This must be given to the Great Ones, Who are the solution of all that is required for the earth to-day.

Think of it, your Beloved Saint Germain, for more than two hundred years has worked incessantly—perhaps I should say served incessantly—because there is no work from Our Octave. He
has served and tried from every angle to bring about a harmonious condition of enough of mankind so the Great Ones could release this Power; but He had to wait and wait and wait! Then, through the great loving obedience of the Messengers, He was able to prompt them at various points when the Great Cosmic Light was reaching certain intensity of the earth's requirements. In certain activities of the earth, by that instant obedience, He was able to render a service which was unparalleled. Some of this ere long you will hear about. Think! they never failed. No matter what the outer requirement was, they never failed to respond to that request, even to going great distances. Therefore, as you understand the imperative need of complete harmony in the feelings, which enables the release from the Presence to do these things; then you will see how no outer things at any time have the least inclination to disturb or affect you. That is the requirement—the great need to-day.

We stand facing the greatest so-called opposition to the Light ever known in the history of the earth; because the culmination of all the centuries—thousands and thousands of centuries of mankind's accumulation—is at hand. It must be determined whether this accumulation is going to act destructively or constructively. Therefore, everyone who is out of harmony, is adding to the weight of the destructive power. Is there any of you precious ones who want to be classed on the side of the destructive qualities? If you do not maintain harmony in your feelings, then you must necessarily be considered on the destructive side. Remember! it is not a matter of your intellect. Your intellect may decide a thing, but if
your feeling is not harmonious it may easily be the opposite. It is your feeling which counts, beloved ones, in this great requirement to-day. Therefore, will each of you consider yourself as a committee of one and do not add one feather’s weight to the destructive side of Life?

Let Me try to make Myself so clear to-night, that it will forever remain active before your vision, before your attention and in your feeling world. Mankind has believed that persons, places or conditions were responsible for their inharmony. Such is not the case. There is only one cause and that is your feeling world—your own feeling world. If you respond to discord for any reason whatsoever, you are then placing yourself on the side of the destructive activity which is weighing the world down to-day. When you see this, you will no longer allow any person, place or condition to create a feeling of disturbance within you because you will know that it is just an activity of what Saint Germain terms the sinister force; which after all, is just human creation which wants to deprive you of your freedom. It is not persons, places or conditions, but it is just an activity of a destructive force which wants to hold you bound. If you have a feeling in you of disturbance, it is a prompting and should be a signal to stop everything instantly and still yourself.

Take your firm stand with the Presence and say: “Enough of that! No more shall that feeling touch my being! ‘Mighty I AM Presence,’ take it out, hold Your Dominion in my Feeling and see that these things do not occur again.” Then, you will find it so easy to govern your feeling harmoniously; but always remember it must be in-
stantly! Let it be an instantaneous prompting that anything, which is inclined to disturb you, is not from the outer world. It may have an appearance but the cause is from within. Something touched your feeling world. You have the power to call your Presence into action to prevent it and stand guard to see it does not occur.

This is the imperative need at the present now more than ever because as we near the goal and Victory of the Light—not necessarily, but do not be surprised if things wax just a little more difficult. It should be the cause for the greatest rejoicing because it gives you the opportunity to release more of the Power of the Presence. Do you see that it is not making anything more difficult? It is just a rejoicing activity which gives you an opportunity to release a greater power of the Presence into action. That is what you need.

Beloved ones, Oh do not grow weary in your application to-day. Let Me assure you to-night, there is not one here who would not be the most rejoiced of beings, if the Law of your being permitted Me suddenly to make you aware of your actual achievement through your own application. Just because you have not seen the full power out-picturing of all that you require, that does not mean that it is not being done, that it is not being achieved; because, remember, you are working from within out, not from without in. You see heretofore you have been working from without in, but you drew a lot in that you did not want. We have reversed the whole process, so that from now on the cleansing, purifying process is taking place from within out. Suddenly, when you begin to see the quick powerful, definite out-picturing of your call, you will know
that your feeling world has become cleansed and purified, so the requalification is no longer going on.

Oh dear ones, what a magnificent thing it is to come to know of the conditions that have been acting in your feeling world, of which you have been wholly unaware. Think of it! It is such a short time since you have known it was necessary to control your feelings. You have always been trying to control the thought, but the feelings ruled always. When you know it has been the feeling that caused the difficulties in your activity, you can enter into the governing of all conditions by the Power of your Presence. This makes it a permanent thing, and you cannot fail in a single instance. Therefore, you are now, right now, the Master of yourself and your world. Will you accept that RIGHT NOW and let Me help you to feel it with full power?

You are the master over yourself and the energy which flows forth. How do I mean that? By firm determination in refusing any further destructive qualification of the Great Energy of Life, as It flows forth into your world to produce Its Great Perfection there. You see by that how easily and quickly all things in your Life would be reversed. Then, you enter into the fullest Perfection and Glory of your Power of Life because that is all we are talking about.

Try to feel this now as you never did before, even though you might have heard it a thousand times. Still, do I say to-night: "You are the Victory of the Light; because that Light is in your heart. It gives you Life! It gives action to your body! Therefore, it is the Master of your body. Accept It, feel It, determine that It shall be!
Then you will have It! But stand guard constantly. Be alert beloved ones! Be so alert at the slightest intimation of some feeling of discord. Stop it right then and say: "No sir! you once had dominion; but you are fooled this time. No longer have you any place in my world! Get out! and stay out forever! The door is locked!" Notice, beloved ones, the great joyous determination. Oh, it is not a long faced condition. It is a great joyous enthusiasm in the Victory of the Light.

Think of it, beloved ones, in these physical bodies you are anchored to-day to the Greatest Power in the Universe—the Power of Light which knows no opposite! Mankind runs around down here still believing it has an opposite. Do you not see how ridiculous it is? Let us make it so ridiculous, to-night, that no longer can the feeling even dare attempt to accept anything of inharmony. It is wonderful! It is wonderful! dear ones, and after all there is nothing, no person, place or condition to blame. It is just the accumulation of mankind trying to find expression through its creators. Perhaps you were not always its creator; but the mass accumulation of all mankind wants redemption. It really wants to be redeemed by being purified. It is simply pressing forth into action; but to-day with the wondrous "I AM" Students, it finds its action annihilated.

Every destructive thing which has wanted to harrass and hold you in its dominion now becomes dissolved and consumed before the Power of this Great Presence. Notice all of this! what is it? Do you understand, beloved ones, just what is acting? It is very important! because if you get this point clear in your consciousness, you will
have a wholly different feeling toward that which is irritating or has destructive qualities. It is just charged or qualified energy. Because it has been created by mankind, it is trying to find expression again.

Then, say to it: "'Mighty I AM Presence,' through my Higher Mental Body You stand guard over my feeling world! Prompt me every time some disturbance tries to reach in and find action. Cause me to call You to use the Violet Consuming Flame and dissolve it right then." In this way, you are always two steps ahead of all destructive feelings and they will never find anything but the slightest intimation in your world; because you will have governed your feeling so completely. That is the blessing of the alert prompting.

You might say to Me: "Well, I am working all day, I get tired. I cannot always be so alert." Oh, your physical might say that; but your physical body is just the garment through which this Presence of Light is working temporarily. It can be permanently, do you see? Your Higher Mental Body which is releasing and supplying the energy to your human form never gets tired; never gets weary and It is always alert. Think of it. Do you not see how you acquire alertness? If you try to do it physically, of course you are apt to go to sleep; but if you call your Presence, which acts through your Higher Mental Body, to stand guard and keep you alert, how can you fail? It would be impossible. Then, you are always alert, because the Higher Mental Body is always on guard.

This illustration should leave of these Words. Look ?
When they began to give out this Work, great numbers began to pile up in the attendance of the classes and so many calls came for assistance of every description, that they were considerably alarmed at one time how all was to be done. Saint Germain asked them, if they remembered they each had a Higher Mental Body, and they did. Then He said: "Perhaps you are not aware that you can call your Higher Mental Body, to stand guard and answer every call which is directed to you. It first comes to you through the feeling, which the Higher Mental Body always knows, because the feeling acts first." Then He said: "Charge your Higher Mental Body to render the service." It has done this to-day.

Do you see how easy it is to handle all conditions that exist and give the assistance, because the Higher Mental Body is not limited in the Rays of Light It can project forth? It is not limited in the quantity and Power of the Life which goes through in that Ray of Light. Then, do you not see that, if the full feeling were within the individual of the Supremacy and Power of the Light Ray which went forth, there would not be one thing in your Life which would not be handled instantly?

Now remember, you might readily say to Me then: "Well how about these individuals who do not always respond"? It is because they have free will. If individuals are too much out of harmony at the time assistance is offered they do not respond immediately. For instance, it might be through extreme pain in the body, or from one or another; but the feeling world is wherein This Power knows no op-
get it. The Power of Light knows no opposite! Therefore, do you not see, even with the free will of an individual temporarily opposing through its feeling; yet that which was sent forth, will stand there like a Guarding Angel over the individual; waiting its opportunity to come in to harmonize all? Do you see how it is always enfolding you and all? I think you have not quite understood this. It is how the Power of Light is enfolding everyone when called forth into action. Many times the assistance sent forth acts in this way. The Messenger has noticed it a number of times in calling forth assistance to individuals. The pain or condition was such that they were not harmonized enough to let the help in instantly; but it stood guard and as soon as something enabled them to harmonize themselves enough, It rushed and did Its Work.

Do you not see, when you call forth the Power of Light and direct it to an objective it never fails to carry out your direction? If you understood fully how great your Power of qualification really is and called to your Higher Mental Body to sustain it; if it waited a hundred years, the fulfilment of your call would still remain there ready for action. When the individual or your feeling world was harmonious enough, your Perfection called forth would come through and manifest. You see the Power of your Presence through your call is infallible and that is what I am trying to convey into your feeling world to-night.

The Light which is anchored within your heart is the Light of the Universe, individualized by your own "Mighty I AM Presence." You are a part of It. That is why you have authority, you have the power, you have the freedom to call the
fulness of that Light into action; to harmonize, produce Its Perfection and supply in your world.

It is so magnificent. Shall I tell you beloved ones how wondrous, wondrous is the up-reaching of your hearts to-night, the acceptance of that Great Blessing which is offered in so great a Love? You are receiving It into action in the feeling world. Just let It be the most joyous memory in the days and weeks and months ahead; when every ounce of energy is needed to be released which We can amplify to render this service for America.

I may not call your attention to it, unless it is imperative; but if you knew even this hour what the accumulation over Europe would like to do, I think all real Americans would leap to their feet to-night and with all the power of their beings call the Powers of Light to give America protection. In the conditions that are to be governed, please do not individually allow your feeling to register anything concerning individuals or certain countries. It is all qualified energy of thousands of centuries, attempting to be galvanized into action for the destruction of mankind. Therefore, keep your attention off personalities! off countries! Do not even by a feeling, think they are responsible for certain things. It is not the countries. For instance, all the destructive qualities that have been generated and released over Russia. Russia itself is not to blame. That destructive force is but the accumulated qualified energy which the sinister force has seized upon and directed through individuals. This is the great mistake of mankind, in allowing the attention to be fixed upon individuals who are not responsible, except as they allow themselves to be
used. Blaming and condemning the individuals is not the solution. You might kill off two-thirds of the population and still there would be individuals out of harmony enough, to be seized upon by this accumulation of mankind and cause it again to act.

Do you not see that beloved ones? It is the accumulated discord of mankind which we should be concerned with to-day, not personalities, not conditions individually. For instance, in your cities and conditions of that kind, it is the accumulation of destructive qualities of centuries generated and created by all mankind. Therefore, we are dealing with qualified energy all the time. As we look at it in this way, we will find it much easier to keep ourselves harmonious. Then, we can call forth this Great Power of the Presence to reach out and enfold even a whole city. Who shall say to Me how great would be the help, if anyone of you to-night were to go into your room, quietly raise your hands to the Presence and say: "Mighty I AM Presence! pour forth your cleansing, purifying Radiance through me and let It embrace this city to-night"? Who of you can tell Me how far reaching and how powerful that call would become?

Remember, beloved ones, you must be much firmer in your refusal of acceptance to any appearance less than the Perfection you want. Do you see? Mankind unknowingly keeps accepting in the feelings that there is either some opposition or that there is something wrong. It keeps the feelings stirred and charged with the feeling and belief that there is something opposed to this Great Perfection they wish to call forth. It is why oftentimes your feeling world repels the very
thing you are calling forth; because the feeling being charged with discord or the refusal of acceptance of these outer things, allows the FEELING from the appearance world to act within the FEELING world of the individual. It keeps re-qualifying the glorious Energy of Life which you call forth in Its Great Perfection.

We have talked about your feeling world. Now, let us go a step further and see what it is that disturbs your feeling world. We have not said much about your ears and your tongues, have we? Well, if you voice gossip and discordant things your ears hear it. Do you not see that your ears are one of the open doorways into your feeling? We have never touched upon this before, but it is why mankind so easily accept false gossip; because that is one of the doorways into the feeling world. The main one is at your solar plexus, but your hearing is also another; and that is the reason why mankind finds it so difficult to refuse to listen to false gossip. Yet the Messengers have urged the students everywhere to stand guard over that feeling impulse because as long as you keep listening to and accepting false gossip or criticism or anything you do not want, you are constantly letting it act in your feeling world and it generates conditions which cause you to set up other causes.

It is not so intricate as it sounds, but I am sure you precious hearts are grasping to-night the need of everyone silencing such things. Do not let your tongues voice one unkind thing about a human being on this earth, if you want to be free. The time has come when this is absolutely imperative! Up to very recently you have been having time to govern these things, but no longer is that pos-
sible. Dear ones, We love you with a Love you cannot even imagine, but We love you so much that We must prompt you in the things which are bound to be your destruction, if you do not govern them.

I say to you and every earnest sincere “I AM” Student in America and the world: “If you want to avoid that which stands before you, never from this hour forth allow one unkind word to leave your lips. You are responsible”! I must say this: “You here in Washington perhaps have a little greater responsibility than other cities, because you are in the heart of the government here. You must, necessarily, because your physical bodies are here, become a greater focus of Light and harmony by which the Power of the Cosmic Beings, the Ascended Masters and the Legions of Light may pour forth Their Radiation here, to govern the conditions which mean Divine Justice to mankind. You see it is tremendous, beloved ones. Now do not get scared and run away from Washington, for you are here because you are strong enough to stand in the Light; and let Its Power flow through to do all that is required.”

Notice, you are receiving greater Radiation. This is where you have the advantage over all other cities. You see there is always a balance in all things. While your responsibility is perhaps a little greater, yet you have the accumulated call of all the students in America and the world to assist you here because you are the Heart of the government. Therefore, it far over-balances your added responsibility. Then knowing that, I am sure you will do the utmost possible to give all the assistance which We require for your protection, for your freedom, for your Ascension.
Let Me remind you to-night, that the Ascension which is the most practical thing in Life, is within the reach of hundreds in America. Those five, who were set free forever, are just the beginning of what has been told you from the beginning of the Messenger’s service. You are seeing the fulfilment of everything which has been said. If mankind is not too arrogant and stubborn, all will see it. The evidence before mankind is irrefutable, but if people are critical and vicious they do not see it and they will not see it, until they are in the throes of great distress.

The people who criticize the Messengers and criticize This Work—the Expansion of the Light, will meet such distress as no human being will ever wish to see because they are its creator. It is the action of their own Life qualified by them with destructive feelings and they cannot escape. No one can. No one can prevent it but themselves. Therefore, how unfortunate individuals are who yield to that unfortunate condition. They cannot harm the Messengers or the Work, but they will harm themselves and too late they will see it.

Therefore, beloved students, let no discordant word pass your lips in the future, that you may so quickly be free from all these conditions. Then, the Power released from your Presence will be so great, so powerful, that no one single thing will touch your world to mar its happiness, beauty and Perfection. This is what every heart craves. It is within the reach of every heart who will listen to these Words of the Ascended Master, Saint Germain, which He has made so real, definite and powerful to all. If individuals will not listen, then they must still reap the unhappiness. Therefore, We do the best We can to have mankind
understand, and of course Saint Germain’s Victory at this time is unparalleled in hundreds of thousands of years.

Therefore, let us move on, and on, and on into the full power and Victory of the Light. I thank you.

• DECREES •

"Mighty I AM Presence" and Great Host of Ascended Masters! annihilate forever out of my entire being and world ALL human feelings, qualities, desires, habits and activity — their cause, effect and record! Replace them by the Ascended Masters’ Focus of the Unfed Flame and Its Mighty Out-pouring of Their POWER OF PEACE, THEIR POWER OF LIGHT & THEIR VICTORY OF PERFECTION in everything forever. I thank Thee!

"Mighty I AM Presence"! make every cell of my body blaze forth the UNFED FLAME charged with Saint Germain’s, Jesus’, Nada’s the Great Divine Director’s Sanat Kumara’s, the Lord Maitreya’s and the Secret Love Star’s Ascended Master Consciousness, Light, Substance, Power and Activity in Its most dynamic Onrush! until It is visible to the physical sight of all who gaze upon me! Charge me forever with Their Ascended Master Eternal Youth, Beauty and Perfection! that I may stand forth a living example and the fulfilment of the Law! See that my "Mighty I AM Presence" comes through this flesh in Its Almighty Eternal Dominion. I thank Thee Thou dost always answer my every call!
REMEMBER!

T has been Saint Germain’s, Jesus’ and the other Ascended Masters’ Request from the very beginning, that whenever and wherever possible the Messengers, Students, Group Leaders and all those helping to carry and expand this Light to mankind, should come into the large ten-day classes, as often as they can. They should come at regular intervals, if possible, to keep charged with the Radiation of the Ascended Masters for the accomplishment of that which is done through them.

They do not mean that people should give up their positions and just follow around with no means of support or just trusting to any and every channel to care for them.

However, it does mean that it is imperative for those, who are giving this Light of the Ascended Masters on the “Mighty I AM Presence” to others, to come into the Radiation of the Ascended Masters focused into these ten-day classes at various points in our country; as the Radiation is given in those localities for their protection, supply and blessing.

Whenever anyone thinks he can draw as great a focus of the Ascended Masters’ Radiation as They pour out in the large ten-day classes, for certain Assistance to America and the world; then that individual has certainly not understood the Inner Action of the Ascended Masters’ Help for America and mankind en masse.

Saint Germain, Jesus and Nada entered into the Ascended State through the Assistance of the Great Cosmic Master, the Great Divine Director. We have come to this point of accomplishment and Freedom through the Radiation of our Blessed Saint Germain, Jesus and Nada.
If we were to for one moment feel that we did not need Their Radiation or further Assistance, because we have learned of the Great Divine Director’s Presence, we would simply be full of human pride and conceit. There is nothing that would shut the door tight against any further Assistance from Him and Them quicker than that; and until that feeling went down, They could not do anything to help us out of the failure.

There is not one activity on the face of the earth to-day which is one-thousandth part as important to the Life of every individual, the safety of America and all mankind as the Assistance given the students, the country and the world through these large ten-day classes held in the principle cities of our blessed land!

Those, who are carrying on the Reading Rooms, the Study Groups or any of the other activities under this Radiation, need the Radiation, Strength, Light and special Assistance from the Ascended Masters, as it is given in these ten-day classes. All who have been present at regular intervals or whenever it was at all possible, especially the large Shrine Class in Los Angeles, have had the proof of what has been done for them to make their own activity and Service to the Light easier and more powerful.

The above has nothing to do with ourselves personally, as the Messengers, or from any desire to tell anyone what he should do; but it IS the action of the Law of Life throughout the Universe.

Since it was through these large ten-day classes that this Ascended Master Light was first brought to each of you, it stands to reason that the Greater and Greater Light and Assistance to the Messengers, the Students, America, mankind and the
world, will come forth in its next most powerful Out-pouring through the door provided for that purpose; until the Ascended Masters come forth Themselves in Their Ascended Master Visible Tangible Bodies.

We thoroughly and deeply appreciate and thank each one who has felt the great loyalty and service he owed to the group or activity where he has chosen to serve; but there is not one person under this Radiation who does not need the Radiation of these large classes—especially the Shrine Class at Los Angeles, as often as he can come. Those who are near should come as often as possible to receive the charge poured out there and carry ITS sustaining Power back into his own group or activity where he is holding the Light.

· DECREES ·

"Mighty I AM Presence"! turn this food into Ascended Master Substance and fill me with Their Satisfaction and Peace eternally sustained and ever-expanding.

TO ALL DISCORDANT FEELING SAY INSTANTLY: "STOP! Get out of the way to my 'Mighty I AM Presence'! Get out of my being and world forever! 'I AM' VICTORY! 'I AM' LIGHT! 'I AM' LOVE! 'I AM' FREEDOM! 'I AM' MASTER—NOW! EVERYWHERE I MOVE FOREVER! 'I AM' THE 'MIGHTY I AM PRESENCE' IN ACTION THROUGH THIS FLESH BODY AND FROM NOW ON I OCCUPY IT COMPLETELY AND FOREVER!"

For ALL AIRPLANES:
EAR ONES, it is wonderful to love each other and have companionship, but after all—sometime, somewhere everyone of you must stand on your own two feet with your "Mighty I AM Presence." It does not mean, dear hearts, that you love others any the less; but I plead with you, do not keep reaching out to the human octave for the Presence and Power of Divine Love. It can only come from your "I AM Presence." You are Its Out-pouring! but if you try to reach to human beings for that
Divine Love which comes only from your Presence, you are going to meet disappointment of the most unhappy kind. It does not matter what your experiences have been or what they may still be, the Power and Solution lies alone within your own God Presence—your "Mighty I AM Presence."

The eyes of the world are now upon you. Unless you live the Truth and Dignity of the Ascended Masters, you will find here and there people trying to tear you and the Light to pieces. So I urge you to act with all the Dignity of the Ascended Masters in all your associations. It is the only way in the world that the proof, through manifestation, can come to the outer world of mankind. You cannot expect it to come from those who do not understand.

Do not misunderstand Me, I am not criticising anyone, but I see many things you do not. I only hope to guard and assist all into that Beauty and Wondrous Perfection which We so much want you to have.

We rejoice so extremely to see you all so happy and filled with the Radiant desire to go forward to your Victory in the Light. In being natural, being happy, you are doing the greatest thing in the world to speed your attainment.

· DECREE ·

To every disturbing thought, feeling, word, condition and activity say: "You have no power! Be thou dissolved and consumed forever! "I AM" ALL POWER! ALL ENERGY! ALL LIFE! ALL LIGHT! ALL LOVE! ALL PEACE! ALL VICTORIOUS! ALL FREE! ALL SUPREME! "I AM"! and you cease to be forever!
The hour has come to see the shining face of your "Mighty I AM Presence"! Its slender Hands point you every minute to Victory and every second is now filled with Mighty Ascended Master Miracles of Perfection forever!

• MINUTE MEN OF SAINT GERMAIN •
(Extracts from Saint Germain's Talk at Cheyenne, September 1, 1937)

HEN you find yourself suddenly confronted with some critical, irritable or disturbing condition, just hold yourself calm and steady. Say as few words as possible, and let the Radiance of your Presence harmonize things; so when you do begin to talk in a calm poised manner, it will have its effect. You know the nature of the human self, when it comes into something difficult, is to begin to chatter and talk with nervous energy. That more often undoes the thing or makes it worse than if the outer were just silent, until the Radiance of the Presence established the harmony to stop the argument, which is always resistance.
This sometimes happens with Officers on the highway. Sometimes a word of irritation would have set the whole condition into conflagration. No matter how irritated they get, if you will be calm and poised, whether you are in the wrong or not and say: “Well, I am sorry, Officer, something of this kind has occurred.” Immediately, that will let down the pressure and irritation; and let the harmony and Radiance from the Presence handle the person.

I tell you there is not a thing you confront that cannot be handled, if the individual will hold his feelings in perfect poise. It is the greatest thing in the world! In the stillness of the human speech and activity is the SILENCE! which is the Power of the Presence. I mean that practically! Not that you have to sit down in the corner somewhere and go through all kinds of manipulations to get yourself quiet; but right in your outer activity of the world, refuse to let the human speak. Just maintain a feeling that is calm and poised. It will do what no speech could do in certain conditions of irritation.

The “Mighty I AM Presence” is our way, our protection, always our defense and our safe landing and about us are ITS EVERLASTING ARMS. “Mighty I AM Presence” and Great Host of Ascended Masters! give every airplane engaged in constructive activity and all that render defense to our America a safe convoy and a happy landing!
LESSED Ones at the “I AM” School! call your own “Mighty I AM Presence” and the Great Host of Ascended Masters to take complete control and stand guard over each one of you forever to see that you never use your Life energy for anything except that which takes you closer to your Ascension and helps you to protect America right NOW!

Call directly for the Perfect inventions to come forth to release mankind from its drudgery and struggle. Call for the Perfect new materials needed in the daily Life of the people to give greater service, greater beauty and greater comfort to all.

Call forth the Perfect new methods for cleansing and purifying the homes, the buildings, the streets and all things that mankind uses in its daily activities.

Call forth the Perfect new designs for buildings, for decoration and for beautifying every channel of mankind’s activity.

Call forth the means of generating Power to do everything needed in every activity of the outer world to bless mankind with Perfect comfort, beauty, service and accomplishment; until all comes into the Perfection of the Ascended Masters’ Octave of Life.
(Extracts from Saint Germain's Talk at Cheyenne, September 1, 1937)

Now each one please notice this! A human being can revolve a certain idea or a certain activity within his consciousness, until he actually hypnotizes himself with the belief that the thing is correct; when he knows from his heart standpoint it is not. He revolves that idea until he gets a momentum built and whirling within his feeling world. Then, he really is no longer able to judge what is right and what is wrong. If We could only get mankind to instantly stop revolving any discordant idea, We could give so much more Help because that is where the danger lies and what produces such unhappy results. It is not the momentary thought or feeling of the thing which does the damage; but the continued revolving of that thing builds a power and momentum which is the destructive activity.

There come times or waves of irritation because you are tensed-up too greatly. In all activities, until you have reached the Ascended State, there should be rest periods every so often. In all such conditions, if the human self does not try to force it, your attention to the Presence and the calling of It into action will cause all outer actions to function naturally and normally. We have often used the phrase: "Balance in the human octave by Self-control the Powers that are called forth from
the Presence.” It is so imperative for this to be done.

I am trying so much to have you understand that unless you have a balanced activity through Self-control and poise within the human octave, in these Powers that you are calling forth, you are not happy, you are not comfortable.

Oh dear ones, you are making such splendid progress within you, in spite of any appearance to the contrary in the outer world. Will you believe Me when I say I know that?

Sometimes, there comes the feeling that it takes time to accomplish a thing or there is a wavering feeling—Will it do it? Will it accomplish what I need as quickly as that? This is because the human has been subject to the limitation of time; but when such a feeling comes, say: “STOP! this instant! you have no power to act in my world! This Light is All-powerful, get out of my way!” You will soon have such Mastery, such governing activity within your own power of projection that you will feel there is not a thing you could not harmonize and do.

“Mighty I AM Presence” and Great Host of Ascended Masters! under the most trying circumstances, hold me and my world always unmoved and untouched forever by any disturbance.
LESSED Young People everywhere in our land! the Beloved Lady Master, Nada, has called you the "Ascended Master Youth of America." That is a title which you should all feel honored to bear and should be very careful about protecting.

Therefore, in everything you do every moment from now on, try to remember often, that you are never doing anything to please or serve any human being, no matter what your daily duties and efforts may be. You are serving LIFE in every constructive thing you do! Since that Life is you, every bit of good that you expand is a service to yourself, for the Victory of the Ascension.

Then, truly are you the "Ascended Master Youth of America" to whom the whole world is looking for help, courage, hope, Light and Strength to win the Victory of Life. You have much to do! You are strong and Powerful in the Light of your own "Mighty I AM Presence"! or you would not have been given this responsibility and opportunities to set yourselves free by Service to the Light at this time.

The "Mighty I AM Presence" is yours! Life is yours! America is yours! The world is yours! It is your privilege to bless, to raise, to enlighten, to heal, to protect and to set free in the Service of the Light all Life that you contact. Every instant, with every thought, feeling and word, you give your Life to something. You pour your energy
into something. You send forth creation to do something.

Therefore, remember! do all for the Perfection and service of Life and you shall know what Service to the Light and the "Ascended Master Youth of America" can release for the Eternal Happiness and Freedom of all. Your Life sent forth to expand Perfection for all is the action of energy that lifts you into your own Ascension.

E wish to thank the Blessed "I AM" Study Group in Scotland for their loving gift to help the blind. It is being used to translate the "Ascended Master Discourses" into braille.

We call the "Mighty I AM Presence" and Great Host of Ascended Masters to bless without limit forever, those precious ones of Light in Scotland for their great unselfish Love expressed so sincerely.

Our Beloved Master, Saint Germain, said that during the close of our recent class in Washington, D. C., the Ray of Love and Light from the "I AM" Students in Scotland came through with definite power and blessing.

We call all the Power of Light and Love from the "Mighty I AM Presence" to flood to them Its Mightiest Blessings and our eternal Love, gratitude and assistance until their Ascension.

Ever lovingly do we enfold your Beloved Scotland in the Victory and Eternal Protection of the Light of God that never fails.

Saint Germain Press
