The "Voice of the I AM" is the mouth-piece through which the Ascended Masters’ Instruction can reach the students quickly, that the most powerful work possible for America and the world may be done by the students to release the greatest Light in the shortest time.

It will also contain information as to where the Accredited Messengers, Mr. and Mrs. G. W. Ballard and son, Donald, are teaching the Ascended Masters’ Instruction on the "I AM."

INFORMATION

The information given under the heading of "Young America" will be the Ascended Masters’ help to the young people for their protection and illumination, as they are the builders of the new civilization and are the channels through which the Ascended Masters will give their Light for the use of the outer world in the Golden "I AM" Age.

This magazine is not an outlet for articles from the students, but is the outpouring of the help from the Ascended Masters and has no human concepts in it.

ELOVED students and children of earth;
in bringing to you this vibratory action
to-night, hold yourselves in obedience to
the Great Law of your Life that the
Mighty Victory may charge His Life, which is
Victory, into your world.

The Radiation in this class has reached a very
Great Height. May everyone be kind enough to
accept It and call to his own “Mighty I AM Pres­
ence” to have it sustained, until the atomic struc­
ture is given time to adjust itself! Whatever
sensation you have about your head or body,
qualify it instantly with the Power of Light and
Perfection, accept nothing else; for in the releas­
ing of these Great Currents of Light and Energy
by the Power of Our Mighty Rays, mankind may
easily become Master of themselves and their
world.

Today, there has begun the greater Mastery of
the students! If everyone will give some conscious
attention each day to this Victory, accepting the
Power of his own “Mighty I AM Presence” as the
full Power, Intelligence and Action of Divine
Love, all will find themselves by the Ascension
Day of the New York Class reaching a state of
happiness and full Inner Consciousness of Do­
iminion of which they have heretofore not
experienced even a fragmentary part.

If mankind want and ask for proof, they will
find it within themselves. Those who will give
earnest attention and obedience to this slight re­
quest will find all the proof they want!

I have watched the ebb and tide of civilization
after civilization in My Ministry to earth. At last
to find even this number of mankind so ready to give their attention to Life, to Light, to Love is greatly encouraging to Us. It will one day lift them free from all the earth and the encumbrances which mankind have imposed upon it; then will it find full release; for the Light of the earth must come through the heart of man. Mankind has hidden the Light of Life by disobedience and discord. They must awaken the Light or release It by adoration and attention to the "Mighty I AM Presence," the Source of all Life.

May each one feel this to-night with Its Infinite Power and action! May each one stand ever ready and obedient in everything that is required; calling with firm determination to the Presence of Life to direct, to protect and hold all within Its Radiance so powerfully that not one thing enters, but the Presence of Perfection. Everyone of you can do this! Some day, your Life will compel you to do it! Why not enter in now with the great Assistance which is being given, for such Help has never been known in the history of earth. Stand forth the Victory of your Light NOW!

For the information of many who have been inquiring in thought or otherwise, the Ascensions which will take place in the Cave of Symbols and Chananda's Home will occur at seven o'clock in the evening, Eastern Standard time. The Ascensions in the Royal Teton at the close of the Shrine Class will take place at nine o'clock in the evening, Pacific Coast time.

In all the attention given by mankind to Higher Ideals, never has there been the fulfilling of the Words of Jesus as now. His rejoicing is very great, to find humanity's attention has again been directed to the Mighty Words which He uttered,
and He finds great joy in giving this Assistance. Will you, if your Love has been great for Jesus, feel yourself enfolded in His Luminous Presence, after you have called to your own "Mighty I AM"? Those, who have particular devotion to Him, will find great release in that respect, but I prompt you, beloved students, watch your feelings. Be prompted! Accept not one single thing, except Perfection in the things that you sense in and about your physical body and your head. As this Mighty Vibratory Action increases and intensifies, many may feel an unusual sensation about their heads and bodies; but accept It instantly as the Perfection of your Presence and let It do Its Perfect Work.

If you charge that feeling with fear you would be unfortunate, because It comes for your blessing. Accept It as such. Let your Presence govern all conditions and give you the Assistance that is required. You will find that this Active Presence and Power of Light means business! It is no longer waiting for mankind to give response; It has gone into action and the people will do well to give obedience and response to It!

Therefore, to-night through all that is being done in this room, may you go forth renewed Beings in the Light; your own Life. Could you see for one half hour the activity within the atmosphere of the room to-night, you would be transformed Beings, every one. One day, you shall see and know. Until that day, be patient and obedient to all that Life requires of you. Having so long forgotten the Source of your Life, then to remember It should be the greatest joy in the Universe; for in this re-establishing of the Divine Memory of man is the Glory of Its Freedom.
I offer Help to-night to everyone who has lacked Self-control either through health or through the governing of the feeling and its action in your feeling world. I offer you My Assistance! My Life! I came from Venus a long time ago to bless mankind and My Presence in the earth became known everywhere. The whole world knew It at that time. After a few aeons of time most of the people had forgotten My Presence. Yet, I continued on, and on, and on. Now My Ministry to the earth is being brought to a close. I too am offering My Life to you; to all humanity; for in My Life imparted to you, is the fulness of all “I AM” to-day.

It is not easy for the intellect to conceive such great Perfection, yet the feeling of every individual can and does accept It through the heart. The heart which is the Presence of all Life knows Its Own. Yet you to-day, through the attention of the intellect, until your Beloved Saint Germain brought This Understanding forth, were still believing the heart should be subjected to the intellect which only gathered its information from without. Still the heart is the direct interpreter of the Presence of Life. Therefore, when you act from your heart the fulness of all Life is brought into action naturally and perfectly; but when the intellect interrupts the action of the heart in Its Radiance, then you are in trouble.

Try to feel, try to let your Presence through your heart spread Its Mighty Radiance through your body; through your feeling world; into your outer world of activity; and let only the Glory of Life express to bring about Its Dominion. Then you will quickly understand and see the difference between the activity of your heart
and your intellect. The intellect is a magnificent servant, but your heart is the General and Commander and It commands always through the Power of Divine Love.

When you understand this and feel Its Inner Prompting through the feeling from the heart, you will respond to It. Then will quickly come, all that your heart desires.

Think of it! how long mankind have known and used the phrase—so very wonderful if understood—"As a man thinketh in his heart, so is he." It should be—"As a man feeleth in his heart, so is he," for your thought is not sufficient. Your feeling is your Power. When you know that your feeling is the Power of Light acting through your heart for all constructive things, then you will understand that within you is Its Dominion right here in your physical body. Think of it!

You have felt the limitations and privations so greatly—having given so much attention to the human form. You have been fearful lest that form does not eat; lest it does not have shelter; when here in your own "Mighty I AM Presence" is the eternal sustaining Power of all Life. This Presence, Intelligence and Power produces the vegetables; produces Life in all the food substance that you take into your body. Then to think because you do not have this substance, you are deprived and that you hunger. Rather do you hunger for Light and Love and Freedom!

When I look into the hearts of mankind and see those whose pride would not let them express the Power of Divine Love thinking that it is unmanly or unwomanly—I do not mean by that physical caressing; but I mean the Out-pouring of Divine Love through the Light Rays—one to
another. The greatest mistake of mankind to-day is to think that they must have physical contact in order to express Love. The Greatest Love in the Universe is the Divine Love in Its Out-pouring through the Light Rays from your own heart, one to another; in which only Purity and Perfection reign.

Oh, that all mankind might understand this and feel the full Glory of Its protecting Presence; for the physical structure of mankind is charged with impurities. Is it any wonder that the mass of the people are led astray by physical contact in the desire to express Love? Not that it might not be the purest and most wonderful thing; but mankind, in the confusion of the discord and distortion of the outer world to-day, misconstrues and misinterprets even the purest motives.

Therefore, if individuals will pour out their Love to each other by the projection of Light Rays to the heart of one another, the feeling world will accept the Light. Then, people will feel the Out-pouring and great Purity of purpose, which that Light Ray carries because it carries no human concepts. It carries only Glory, Purity and Perfection. Then, all will feel and be blessed by Its Presence and Its Great Activity.

We stand to-night, beloved ones, in the Glory of the ages; in the presence of the two great opposites, the Light and the shadows. Knowing that no shadow exists without energy, then to withdraw energy from all shadows compels them to disappear from the experience of mankind.

Will everyone of you for every discordant thing you have ever sent forth, call your "Mighty I AM Presence" to reach Its Hands out and withdraw all energy, all Life, from every destructive
thought, feeling and activity you have sent forth? You are the authority in your world! Remember! you have the Power in your call to the Presence, to have It reach Its Hands forth and withdraw all energy you have wrongly qualified. Then in the Power of your Presence, recharge, requalify this energy and send it forth in your world, to produce Its Perfection there.

Beloved ones, you are no longer children who are helpless; children of human creation. You are awakening into the Light of your Creator, the 'Mighty I AM,' whose Power is the Limitless Activity, the Governing Presence of the Universe as well as mankind. Charge It forth into your world and let Its Glory command every condition there into the Perfection of Life which It is. Then stand—the Master of your world in the fulness of Its Eternal Glory.

Because you have made mistakes is no reason why you should continue in them. Call on the Law of Forgiveness for all that have been yours and all mankind's included. Then feel the full Power, Mastery and Understanding that your call on the Law of Forgiveness brings to you. The charge of Light into your physical body will cleanse, purify it and set it free, even the atomic structure, until the full Force and Power of your Presence will lift the purified body into Itself. Then, you stand a smiling Presence upon the activities of the earth and all you have left behind.

Enter into the full Glory of the Great Octave of Light from which every heart came. Enter into the full Glory of the Great Group of Ascended Masters, from the Great Central Sun, as you have come to know It on earth; enter into your Divine Home, your Divine Inheritance.
Everyone is the Child of God, the "Mighty I AM," Whose Inheritance is all that Life contains; whose Blessing is all that Divine Love showers upon mankind. In adoration and attention to Life not only the Out-pouring of Love sets man free, but from the Treasure-house of the Presence comes the supply of everything that Life holds.

You think of the Treasure-house of the Presence as containing jewels and money. I say to you the Treasure-house contains every jewel of Perfection Life holds for you to release it into your world. Observe that Chart and behold the Glory which the Presence has gathered of the good which you have created through the use of Life; and know the day your attention has gained sufficient Power by being held to the Presence of Life, that good of yours will begin to release into your world. Then, you will find Life's Treasure-house has opened, carrying to you the treasures of Perfection gathered through the ages; holding it for you until the day of awakening when all individuals will stand in the Presence of all Life, Master of their worlds forever.

Call forth and accept this Power of Light! No longer allow the human with its frailties to hold its dominion over you; but charge forth hourly, if necessary, the Power of your Presence to take command of your feeling world; to hold it in obedience. Charge the points of Light in the cells of your body to expand their Light consciously, until that expansion dissolves all density and sets your body free in the Dominion of its own Light.

The Messengers have asked you repeatedly to never sleep at night, until you have called a
charge of the Mighty Energy from the Presence into and through your body and feeling world; sweeping out, sweeping out—FEEL this to-night as I draw My Hands over this form—feel those Currents sweep in, through and out at your feet! sweeping out every impurity and imperfection.

Great Powers of Light release now! sweep out! sweep out! sweep out of every human form all imperfection and impurity! Replace all imperfection by the Ascended Masters' Self-luminous Intelligent Substance that charges your body with Its Eternal Energy; with Its Mighty Purity and Perfection; with Its Limitless Energy; with Its Mighty Directing Intelligence; with Its Enfolding Presence and Power of Divine Love. This charge of Light will act within you automatically, until you find yourself becoming the harmonious expression of Divine Love and all the Glory It means in the outer manifestation.

Oh, could you see, beloved people of earth, the craving within the hearts of people for Love and kindness! The outerworld has become a seething vortex of discord, and because of that inharmony, many individuals do not receive Love even from those to whom they pour out Love. Then in discouragement, they think there is no such thing. Here in the Presence of your Life is the Out-pouring of Divine Love which would cause you to love divinely; which would cause everyone you contact to love you divinely. Its Intelligent Power of Divine Love, which is the only Real Power in the Universe, if called forth would act in and through you—all of you, your friends and associates.

The Harmony of Life, acting in the fulness of all your Presence contains, causes you to know
true happiness on earth. May you feel It now. May you call It to be sustained and ever-active within you until the fulness of your Life, your Love and the Mighty Wisdom which is from your Presence, by Its Directing Intelligence has taken Its Dominion in your mind, body and feeling world. Then It flows out into your world of action and brings Its Harmony, Peace, Rest and limitless Supply, always at hand. One day you shall reach forth your hand and receive that which Life holds for you in Its Mighty Gifts of Love. Then, mankind will sit at their tables and in adoration to the Presence find the abundance of all they require, just by asking from the heart.

Even now as you sit here and I am voicing these words, your Great Stream of Life with Its Glory flowing into your heart is the Majesty of Life! It is the Dominion of all that is expressed through the human form. If not re-qualified, It naturally would take Its Dominion of Perfect Health in the body and Perfect Command of the feeling world. Its harmonizing Activity goes out, and you find yourself moving in the Great Stream of Life—a Great Stream of Perfect Achievement and the Great Power which knows only happiness in Its action and expression among your fellowmen. Then, you enter into the Gifts of Life, the Joy, the Magnificence of all that is.

Carry this Feeling with you, beloved ones, in all Its Majesty and Power. Carry It with you and call Its Intelligent Powers into action. Thus, you will find the Beings of the Four Elements, because your Out-pouring of Divine Love is sufficient, gathering from the Four Elements into your use, the Perfection which those Elements hold for you.

Mankind stands at the door of eternal happiness
and Freedom. I invite you to enter in with Me! Enter into My Home in the Light, until you find your own! I invite you to-night! I invite every "I AM" Student in America and the world who is earnest and sincere, to come to Me in My Home, until each one has found his own and abides therein.

Did you ever have a friend who would invite you into that one's home; assure you of Perfect Eternal Harmony; and give you the Key to that Home, until you found and established your own? I offer you My Home! My Home where only Light and Happiness, Divine Love and Perfection reign; where all things bow to Me in obedience to that Victory of Life, which I AM”

I marvel that you do not yet feel the full import, the glorious import of the things you have at hand. Your song, “My Victory” what a tremendous thing. You sing and enjoy it; but in the future when you sing it, will you FEEL It is the Power of all Life speaking Its Command to you, and your physical structure is all of that? Then your song, the “Ascension.” Those marvelous words of Life, which if you were to give full response in your feeling would transform you then and there, by the Power of the Harmony in which they are uttered. Remember, that melody came from the heart of Mu, where once reigned great great Perfection. As these great melodies come forth and you know who the Great Tenor is, how your being will thrill. When He choses to reveal Himself, then will flow forth His Harmony of the Spheres.

There are many to-day, even among the “I AM” Students who have called for many years to touch the Harmony of the Spheres. I say to you
to-night, enter in and receive their Mighty Glory. There is no longer a barrier between you and the Harmonies for which your heart has reached out; because your heart through its Power of Divine Love and acceptance is the direct current and connection which brings to you your desire. It is the Harmony of the Spheres which you have craved.

You have the Voice of your “Mighty I AM Presence” with Its clarion tones, its musical range and expression. Accept It and let It act! You have the Eyes of the All-seeing Power of God, which can know no imperfection. You have the All-hearing-Ears of God. Let this Power of your Presence, which is your sight and hearing, take command now and express Perfection through your human form. Then no condition, which you might have imposed upon the human form, can longer withstand this Vibratory Action. It compels obedience to all the nerves that bring back and establish Perfect Sight and Hearing.

Then, turn to the organs of your body. Command them to assert their Dominion and refuse acceptance into the body of that which over-rules them. The organs of your body are intelligent but because you have free will, they have been compelled to accept whatever you have imposed upon them. Call your Presence to regulate your appetites! Call your Presence to regulate and select the food that should be taken into your system, for no two are alike. Charge and call forth the Dominion of Light! Command every action of the body to be the Perfection of the “Mighty I AM Presence” for that is the Life which is acting within it and releases you from the imposing power of human suggestions.
Enter in now, beloved ones! into the Victory and Dominion over human qualities! Then, as you ascend in the ever-expanding intensifying vibratory action of your body, you will find Happiness and Freedom which is the result of obedience to Life now and forever sustained.

In the fulness of the Glory of your Mighty Presence of Life, I call forth the Blessings of Life upon you. I call forth the release of the accumulation of your good as quickly as possible. May you give sufficient obedience to allow It to come forth into your use quickly. Those whose human creation has been consumed can quickly find the release of the accumulated good of the centuries—if they will call for it! You have been subject to your discordant accumulation of the centuries. Let it be dissolved in the Power of the Violet Consuming Flame! Then, turning to your Presence, allow the accumulation of all good to enter your world, and be willing and sure you are giving obedience to that which you have asked to be done.

In the Power of Life, I bless you. Call for your Freedom and Perfection now and forever sustained; and in the Presence of all Life, I thank and bless you.

"Mighty I AM Presence," Great Divine Director, Archangel Michael and Mighty Astrea! annihilate all deceit, its cause, effect, record and memory—known or unknown—in my being and world forever; and Great Cosmic Beings, Great Cosmic Light annihilate all such qualities, activities and momentum in all mankind, the earth and its atmosphere. Replace them by the Ascended Masters' Eternal Truth, Purity and Perfection.
In the great Victories of the Light that are being won, within a few hours the head of the communistic activity of the world will be executed. Seeing and knowing this was coming about, I watched for the power back of that activity; and sure enough, the black magician who had forced that man into that activity for more than twenty years in seeing his claw was to close its chapter, reached out for another, and that is his last reach. He will not trouble any more of mankind.

Now may I call your attention to how the head, the brain, of these destructive activities is simultaneously being no more. The war entity of the
world whose head was over New York, had largely to do with this communistic activity. Now the physical head and the invisible head are both removed from the earth forever. Do you not see, beloved ones, how the old time worn statement that "evil destroys itself" is really very true? Sometimes it seems a long time to wait; yet, the inevitable Law of Life is, that all destructive forces eventually destroy themselves.

I ask you to watch these unfortunate creatures who have tried to destroy the work of the Messengers and My Work. One of the worst ones in America is here in your city. Watch the reaction of their own destruction. It must return upon themselves—it is the Law of Life, so the Law will take its toll. Therefore, I trust, by Sunday I shall have still added joyful news for you.

Now, can you understand why We have drawn together this Mighty Class? It is no idle thing I assure you. It is a Power of achievement of the Light never known so far. Therefore, be patient beloved ones, to see the out-picturing of further activities—and some things in your own America that will I think amaze you.

Be of good cheer, and go on with all your earnestness in your Mighty Decrees. With all I might have said to you and the Messengers, you do not yet conceive of the fulness, the great Privilege, Blessing and Power which is yours in This Activity. Therefore, keep before you the Goal, beloved students of the Light, and remember the Mighty Cosmic Picture which was presented to the Messenger on his first visit to the Royal Teton. I tell you the way conditions look now, that Cosmic Picture may be fulfilled before seventy years.
Now, beloved ones, you have not heard Me ask one single favor have you? Not at any time. Tonight, I ask a favor of you, all of you! Won’t you be kind enough with all the firmness of your being, to hold yourselves in as absolute harmony as possible for the next three months? We expect about the first of August certain things to take place for which We want to have all the forces harmonized for action.

I trust you! I depend on you, to give Me this one request; that We may do for you and for America, what I trust will be an Eternal Victory. You who are here from other parts of the nation, please carry this on your return and ask all to cooperate with it. I would be glad, if our beloved Harry will put this in his next letter. I also request this to be put in the next magazine; for it means much to you; it means much to America.

So if you will do this, great will be My Gratitude! How I shall endeavor in ways perhaps you could not imagine to repay you for that small effort. Remember, you are in the act of the Victory of the centuries! Rejoice that you can be a part of It!

I thank you with all My Heart.

"Mighty I AM Presence"! raise up Ascended Master Friends everywhere and bring forth Your limitless Out-pouring of money, supply, food, clothing, buildings, play-grounds and equipment for the "I AM" Schools and Dormitories and everything that is needed to produce Perfection for the children! Supply ten times more than we need for their upkeep and expanding activities in this Service of the Light.
HE appointed Messengers, Group Leaders, "I AM" Students, and everyone else in this Ascended Master Activity must understand and conduct themselves, and every detail of their service to this Light, according to the Highest Ideals and Principles of the Ascended Masters' Purity, Honesty, Honor, Integrity, Divine Justice, Cleanliness, Order, Humility, Gratitude and Kindliness at all times.

Our Standard is the Ascended Masters' Perfection and not one particle less than that is acceptable or permissible for those who are receiving the great Assistance, Love, Light and Blessings which the Ascended Masters have given us all so far in this Activity.

Our gratitude for all we have received should be proved now by each one being the Fulfilment of this Wonderful Law of the "I AM" in every detail of our lives as we move among the conditions of the outer world and of our fellow-man.

Then the rest of mankind will know that they too can become all that the "I AM" Students outline, and the Ascended Masters are.

Beloved "I AM" Students under the Ascended Master, Saint Germain, the eyes of the world are upon you! Do not allow yourselves to do that which will make your fellowman lose faith in the Highest Ideals of Life — This Ascended Master Law of the "Mighty I AM Presence"; for It is the Only Way in the Universe by which anyone can be sustained in his Constructive Activities, until his momentum of energy becomes great enough to give him his Eternal Victory of the Ascension.

There is not one thing in this Ascended Masters' Instruction of the "Mighty I AM Presence" which
any sane individual cannot accept; or which is not possible of fulfilment right here and now in this physical world. Everything the Ascended Masters do and teach is the operation of a perfectly Natural Law; and all is based on the action of energy and vibration which is each one’s own life.

It is the only Source of Perfection, Freedom and Mastery that ever was or ever will be! It is as free as the air you breathe and will never bring you anything but happiness, if you will but obey Its Eternal Law and be one hundred percent loyal to your own Life.

In carrying forth this Mighty Help to mankind, we have never asked a human being for a dime! We have never asked for a student list from anyone and have not used the outer world’s methods of advertising to gain the attention of anyone or draw students to us.

Our Radio Broadcasts are the gift of the Ascended Masters, the ”I AM” Students and ourselves to our fellow-Americans that they may help to protect our Beloved Country, the United States of America.

Everyone on earth can prove this Ascended Masters’ Instruction right and none can prove it wrong. Each individual must apply this Law and in so doing is his own proof of Its Eternal Truth.

MR. AND MRS. G. W. BALLARD
It is vitally important and imperative that the "I AM" Students use the Decrees in the Decree Book and "The Voice of the 'I AM'"; as those Decrees are the Words of the Ascended Masters.

Their Decrees are the release of the Life, Energy, Thoughts, Feelings, Almighty Power and Full Victory of the Ascended Masters, right out here into conditions of the physical world.

That Release is far more important and powerful than any unascended being can at present comprehend; because the Ascended Master Words and the Consciousness which those Words convey, carry the full amount of energy required to produce Victory and Perfection wherever they are used.

An Ascended Master’s Words carry the entire Life Pattern of the Ascended Master Who dictated them. Therefore, they contain full Ascended Master Victory and Perfection, which means the Feeling that is the Victory and Perfection you require.

No human being nor all on earth can ever affect or change that Energy in any way; because the Ascended Masters’ Feeling is permanent Perfection. That is always Eternal Perfection, whether It be released in the Ascended Masters’ Octave of Life or here in the physical world.

So "I AM" Students, do not make up your own Decrees and expect to have Perfection; because you will not get it. Only the Energy from the Ascended Masters’ Octave contains the Complete Victory or Mastery of Life, through the Self-conscious attainment of the Ascension.
It is imperative for mankind to have the Radiation and Words of Perfection from the Ascended Masters' Octaves or else the people of earth will go on in their distress and limitation indefinitely.

This is the reason for Saint Germain and the other Ascended Masters bringing forth Their Mighty Understanding of the "I AM" charged with Their Radiation. Their Radiation is the Light, Life and Mastery which enables the people of earth to comprehend and apply this Mighty Law. That is the Power which enables the student to be sustained in his harmony until his Victory is complete. No one ever did or ever will attain It in any other way.

"I AM" MUSIC

T is the Ascended Masters' Request, especially Saint Germain's and the Great Tenor's that wherever there are "I AM" Choruses, the one in charge of the chorus understand very clearly: not to use any of your own outer world teaching methods in the singing.

What your former musical accomplishment or position was in the outer world is not important. What is required for the Ascended Masters' Work and which will bring forth the greatest Perfection is for each student, and the conductor of the chorus as well, to turn to his own "Mighty I AM Presence" and call It into action to sing through you and each one the full Perfection of the Ascended Masters.

The Great Tenor expects to render a tremendous Service to all the "I AM" Students and do something very wonderful with the voice of each one, when the Light reaches a certain intensity.

Any outer world training completely prevents His Assistance, because the singing teacher invariably in the feeling thinks he or she is doing or must do something to assist the "I AM" to let the tones through; when just the opposite is what is needed.
If the students and teacher will forget all methods of breathing and simply love their own "Mighty I AM Presence," they will so forget the body that the relaxation needed becomes automatic when one is feeling Love to his "Mighty I AM Presence" and sending that feeling forth on the words and tones he sings.

To simply Love the Presence and ask It to do all through you Perfectly enables the Ascended Masters to give the greatest possible Assistance; and it might interest you to know that any Ascended Master can with the wave of His Hand so relax the student and charge forth whatever quality is needed into anyone's voice that it will make him sing like the Angels or better than any human being has ever yet sung on earth.

Please give the Ascended Masters and the "Mighty I AM Presence" of each one the fullest opportunity to do what They have planned for the Perfection of the students.

The only possible assistance anyone in charge of a chorus can do is to keep all in perfect unison and watch for accuracy in notation and interpretation.

Please remember always, there is only One Perfect Musician in the whole Universe and that is your own "Mighty I AM Presence." Let It come through without the human telling someone else how. The "Mighty I AM Presence" is the how. Let It have Its own Way and see what Perfection will be the result.

The Ascended Masters have definitely and repeatedly asked ALL the "I AM" Students and singers to please sing ONLY the songs in the song book. Will you please do that so the musical pattern, through which the Ascended Masters are
pouring Their Energy, will be the same all over America and the world.

The musical part of this “I AM” Activity is not a try out ground for anyone’s musical inspiration. It is a definite Stream of the Ascended Masters’ Life Energy, wherein the melodies needed to do what They wish to do for mankind, have already been selected and are being released through our beloved Mr. G. W. Ballard and those close in the heart center of this Activity. They have been definitely attuned and prepared for this particular service.

If all will co-operate in this and give the Ascended Masters the full obedience They require, you will never have cause to regret it, of that be assured; and the greatest possible Perfection will be the result.

Every student should at night call the Presence to charge him with Its Eternal Peace, with Perfect Rest and Invincible Protection.

In the morning the first thing to do on awakening, say: “Mighty I AM Presence”! charge my mind and body with Your Mighty Directing Intelligence, with Your Invincible Protection! Pour forth Your Out-picturing of Divine Love and Harmony so powerfully through this body that everything touching its Radiance becomes like it. Prepare the way before me; harmonize all I contact and see that I do not send forth any feeling of inharmony this day. Take such command of my mind, body and feeling world that only Your Power and Intelligence act every moment.
LACE yourselves on a Cross of Blue Flame of the Ascended Masters' Divine Love. Stand in front of your Chart and say to the Presence:

"Take the last fragment of everything human out of me and place it on the Cross of Blue Flame and hold it there inactive until it is consumed, its cause, effect, record and memory annihilated forever."

Call the "Mighty I AM Presence" to enfold your entire physical body within the Higher Mental Body; and never again let you act in any way except from within your Higher Mental
Body. Then, feel yourself always moving within It.

Call directly to the Archangel Michael to strike His Sword of Blue Flame into the very heart center of every bit of discord that dares to touch our young people, cut to pieces forever everything about them which is not the Purity and Perfection of the Ascended Masters and in one Mighty Sweep annihilate its cause, effect, record and memory forever.

See the Sword of Blue Flame strike into the center of every destructive condition and with a mighty suction draw it up into the Sword of Blue Flame instantly consumed. Then see the Unfed Flame occupy that place and release Its full Perfection forever.

Beloved Daughters of Light: try to out-picture all that is beautiful, sweet, refined, pure, true and becoming in everything you do all the time; especially in the selecting of the fashions in your clothing. It is far more important to be charming, beautiful, true, honest and honorable, than it is fashionable.

Do not, the Ascended Masters plead with you, use those styles which are just queer and taken from the savages and depraved people from any part of the world. Whatever carries the consciousness and form from those depraved channels of human existence builds those conditions into your mind, feelings, body and world.

Therefore, it is Self-evident that they do not contain Ascended Master Perfection which is our Law always. Obey It and have Its Limitless Happiness and Perfection.
The hour has come to see the shining face of your "Mighty I AM Presence"! Its slender Hands point you every minute to Victory and every second is now filled with Mighty Ascended Master Miracles of Perfection forever!

MIGHTY Minute Men of Saint Germain! go forward with all the Power of Light and determination at your command. Give these Mighty Decrees which the Ascended Masters have given to be used for the correction of unjust conditions in the business world and for the protection of America.

Little do you dream how much has already been accomplished at the Inner Levels by those Mighty Decrees of the "I AM" Students. Hourly will you see the out-picturing of their fulfilment in one thing after another, until the full force of the gathered momentum needed to bring instantaneous action floods forth and sweeps everywhere, to release Its Mighty Victorious Power in our Beloved Country.
Use all the determination in your being to call forth such dynamic Power of Light that It annihilates every unjust condition in America and wipes out forever all that attempts to create discord or destruction within our borders.

The destructive individuals and forces within our land are well aware that their plans have failed; and that the fear domination which they once sought to throw over our people is broken.

Their money power is gone! Their fear power is gone! The Power of the Light of the Universe, through the release of the Great Cosmic Light and the Power in the “I AM” Decrees is charging into the minds and feelings of our people the Ascended Master Courage, Strength and Power needed to shatter their grip on outer world conditions.

Therefore, release those Decrees with a Mighty Determination that knows no opposite; and let the Ascended Masters show you what they will do for you, your loved ones, our own Beloved United States of America and her people.

Stand! Yield not an inch to discord of any kind and your Blazing Light and Power shall change conditions everywhere into the Ascended Master Miracles, Victories of Perfection all are free.

· DECREE ·

“Mighty I AM Presence” charge my entire mind, body and feeling world with the Ascended Masters’ Feeling every instant and make it impossible for any other feeling to ever act but Their Almighty Perfection, eternally Self-sustained.
ONGRATULATIONS! blessed ones of the "I AM" School, with all our Love and Power of Light, upon the presentation of the closing scenes of "The Magic Presence" and the rest of the school program, given at the Shrine Auditorium the Monday following the close of the Shrine Class. The Radiation was tremendous and an Eternal Blessing of Light to everyone there and in this city.

Now you can render yourselves, your fellow-Students, your instructors and all in your families, a tremendous service by every day qualifying all you and they do, which heretofore has been called work, with the Ascended Masters Joy and Great Privilege of releasing your Life energy in harmonious activity, by which you are gaining your own Ascension.

If you qualify everything you do as Ascended Master Joy, Victory and Ascension, soon your Power of Light will become so great nothing else can longer exist in you and your world, and you are free forever!
AM” Study Group Leaders, please make it plain to all new people that after receiving the fundamentals in the Beginners’ Group, through the activity of Its Outline, they are free to enter any of the other Study Groups, except the 100% Ones.

All students should have it made clear to them how necessary it is to read and study the books of the Saint Germain Series and “The Voice of the ‘I AM’.”

However, while they are reading and studying the books and magazines, still they can assist in the Group Activities for protecting America and correcting destructive conditions within our land, both locally and otherwise by following the Study Group Outline and giving their Decrees.

This enables each activity to keep expanding in its own natural safe way and all will receive the greatest help.

Group Leaders and all in our Study Groups, it is the Ascended Masters’ direct Request and Instruction that all under this Radiation keep the physical body and clothing clean and free from body odors; and all should be careful about keeping the breath clean and sweet.

These might seem like personal things and rules for the individual to follow; but it is absolutely essential for the body to be clean inside and out,
if the mind is to do its best work and give the
greatest opportunity to the “I AM Presence” and
the Ascended Masters to bring forth the Perfec-
tion all desire.

Perfection is Perfection and through a soiled
garment the Light and Purity of the Ascended
Masters or the “Mighty I AM Presence” does not
shine.

· DECREES ·

“Mighty I AM Presence” I call unto my Higher
Mental Body and ask You to charge Your Golden
Liquid Light into every joint in my body; and if
there be an accumulation of substance which does
not belong there, I ask you to dissolve that sub-
stance with the Liquid Golden Light and hold Thy
Perfect Healing, by the harmonious power of Thy
Light Substance in everyone of my joints.

“Mighty I AM Presence” reach out Your Hands
and withdraw all the energy I have sent out this
day that was not qualified with Ascended Master
Light, Love and Perfection. Pass it through the
Violet Consuming Flame, recharge it with the
Ascended Masters’ Light and Perfection and hold
it to serve me tomorrow in the accomplishment of
every constructive desire in my heart, and ex-
pand my accomplishment for the blessing of my
fellow-man.
ELOVED Young People of America, the Ascended Masters ask everyone of you to realize that the conventions of the outer world to-day must be obeyed and exist for a very good reason.

They were originally established to be a check on the unbridled play of the emotions. All uncontrolled feeling is an extreme danger to the individual; and the conditions, that result from lack of obedience of the feelings to the Law of Balance and Self-control, which means control by the God-Self or "Mighty I AM Presence," are always tragic in the extreme to all concerned. Mankind’s every discord and limitation in the world to-day is due to uncontrolled feeling.

Therefore, the Ascended Masters and we ask ALL under this Radiation to stop all practices of what the world calls necking, kissing and hugging those of the opposite sex who are not your own relatives.

All such liberties lead to discord, suffering and tragedy sooner or later; and such things can and should be avoided by all under this Radiation.

This Ascended Master Activity stands for all that is Pure, Perfect, Dignified, Beautiful, Balanced, Refined, Cultured and Divine. Therefore, you stand before the whole world as the examples and fulfilment of Its Perfection.
Be the Ascended Masters’ Perfection in every sense of the word, so that the rest of mankind may have a magnet of Purity and Perfection to help draw them up out of their mistaken concepts of Life and Its Activity. The Ascended Masters and we request this for your Eternal Happiness and Perfection and that of all mankind.

• WARNING •

The Ascended Masters and we have in this magazine stated before and do now again notify the public that we at no time ever have or ever shall give anyone permission to go among the students selling stock of any kind; nor to promote business ventures for any money making scheme whatsoever.

There are no money nor political schemes in nor back of this Ascended Master Educational Activity—never have been and never shall be! This Instruction of the “Mighty I AM Presence” is the True Law of Life and the Spiritual Illumination and Culture of the people.

It is brought forth in the interest of the Public Good, for the protection of America and her people. Every dollar that comes in goes back into the expansion of the Activity to bring more Light, Freedom and Perfection to more people until all mankind is free.

The Ascended Masters said in the beginning: “This Mighty Ascended Master Instruction and Light goes forward in spite of any human being or all on earth; until all mankind are free.”

The Ascended Masters never start anything They cannot finish; and They wield great enough
Power of Light to fulfil Their own Decrees. They never use a destructive force and neither do we; but They and we do know how to send back to its creator every vicious destructive thought, feeling and spoken word sent against those who want the Constructive Way of Life.

We shall use that Knowledge to protect America, those who want the Light and ourselves.

· ANOTHER THING ·

Do not believe the claims of vicious individuals and impostors who claim the precipitation of babies or children. The Ascended Masters do not teach such deception and such reports are deliberate falsehoods. Everything the Ascended Masters teach or ever have taught is the result of a perfectly natural Self-evident God Law; which everyone can apply when it is explained.

The Ascended Masters never do anything fanatical, emotional, hypnotic nor unbalanced in any way; for everything they teach and do is sound, sane, good, true, balanced, satisfactory and fine in every way, and Perfection is always the fulfilment and result of the Law They give and apply.

· DECREE ·

"Mighty I AM Presence" blaze down Your Mighty Light Rays into this condition and by the Power of the Mighty Words "I AM", I command it to be turned into a gigantic Ascended Master Miracle of Perfection.

It is Saint Germain’s and our request that the students do not make arrangements with any of the Radio Stations direct, but write us care of the Saint Germain Press.

All business arrangements must be kept uniform, honorable and paid for in advance all over the country in this Ascended Master Activity.

From the very start the Ascended Master, Saint Germain, has insisted that we make whatever application was needed to bring forth the money and conditions, which would enable all to give and get the best possible service and co-operation in the business world. This enables everyone’s feeling to be in the most harmonious powerful state, for the Ascended Masters to use and it is imperative that all do that.

The Honor of the Ascended Masters, this Activity, yourselves and ourselves is at stake; and the only right way is that which Saint Germain has brought about and with which He asks all to cooperate.

Our Radio Broadcasts are not to fill up your groups nor to advertise this Ascended Master Instruction. They are the Gift of the “I AM” Students and ourselves to the people of America that they may rise out of their fear and use the Power of Light by their own individual call to the “Mighty I AM Presence” for the protection of our land, our people and the Constructive Way of Life for all mankind.

Saint Germain, the Other Ascended Masters and we have brought this Light to the “I AM” Students for their Protection, Supply, Healing and Freedom. They have been and are getting it. The Students must now, in order to have the
fulness of their own Victory, extend the same Ascended Master Help to their fellow-Americans and all within our land who want the Constructive Way of Life.

We must all give first and the return will automatically flow back. We must all at this time do everything in our power to protect our country and help others to give the Decrees which will protect them and America too.

We have been and shall continue to give our all, until all are free and Victorious in the Light forever.

ASCENDED MASTER LIGHT

by The Great Cosmic Beings

It is our very great privilege and joy to announce the release of ASCENDED MASTER LIGHT, Volume VII of the Saint Germain Series.

It contains twenty-six Discourses all dictated by the Great Cosmic Beings, with the exception of one.

This book is tremendously charged with the Power of the Cosmic Light, by the Great Cosmic Masters whose Words it contains. Every Discourse carries its own special Radiation and Power of the Cosmic Light; and each Word is a “Cup” of the Life-energy, Light, Intelligence and Power of the Master who dictated it.

The purpose of such powerful Cosmic Radiation is to release the Qualities of the Cosmic Beings, into the feeling world and affairs of all who read this blessed book; to give protection, supply, harmony, health and Freedom to all who will accept them.

May every human being on earth read this book, accept Its Limitless Blessings and go forth free from all discord and limitation forever.

• NEW SONGS •

• Victory and The Minute Men of Saint Germain •

It is our very great privilege and joy to announce the release this month of two new songs—VICTORY and THE MINUTE MEN OF SAINT GERMAIN.

The likeness on the cover design of Victory is that of the Ascended Master Victory, Who is mentioned in Unveiled Mysteries as the Tall Master from Venus; the music being charged with His FEELING of VICTORY.

The likeness on the cover design of The Minute Men of Saint Germain is that of our Beloved Ascended Master, Saint Germain, in Golden Armor as He works with the Sword of Blue Flame at the Inner Levels. The likeness of Him is very remarkably accurate.

These songs come forth to carry tremendous Blessings to all. They are charged with the Power of Victory and Light to bring the Victory of the Light everywhere they are heard, sung or played, or the pictures contemplated.

They shall charge the “I AM” Students, America, mankind and the whole world with the Ascended Masters’ Almighty Power of Light, until the Eternal Victory of Life takes Its Dominion forever.

The music came through our beloved Virginia LaFerrera and the lyrics through our beloved Catherine Rogers. We love, bless and thank these precious ones forever for all they have done; and our beloved Vinton LaFerrera for his assistance in the arrangement of the music.
It is our very great privilege and joy to announce the release of three new pieces of music, which have come forth to carry tremendous blessing. They are charged with the Ascended Masters’ Power of healing, illumination, protection and harmony to the “I AM” Students, America, mankind and the whole world. Their power to bless shall never cease, but instead shall ever increase.

The first song is LIGHT OF MY HEART, the music and lyrics of which both came through the Beloved Messenger, Mr. G. W. Ballard, who uses the pen name of Godfré Ray King. The likeness of the figure on the cover is that of his Higher Mental Body and the Light from Its Heart is charged into the music, lyrics and picture to go forth and release Its Perfection to all who hear, sing, play or contemplate it.

The second song LOTUS MY LOVE also came through Godfré Ray King and the likeness of the figure on the cover is that of the Higher Mental Body of Lotus Ray King. The Outpouring from Its Heart charges the music, lyrics and picture to go forth to release Its Perfection to all who contact it.

The third song is THE ASCENDED MASTER YOUTH OF AMERICA, the music and lyrics of which came through Virginia LaFerrera; and which is dedicated to the Ascended Master Youth of America and the world. It is especially charged by the Ascended Masters with protection, blessings and the Power of the Light to bless all young people forever.

The musical arrangements have been made by Vinton and Virginia LaFerrera and the illustrations on the covers have all been done by Mae DaCamara.

Victrola Records have been made by Catherine Rogers and Virginia LaFerrera.

We wish to extend our love, blessings and gratitude to these blessed ones for their glorious assistance in helping them to be released for the use and blessing of the students. May the whole world sing these songs, be set free from all distress and stand eternally Victorious in the Light.
