The "Voice of the I AM" is the mouth-piece through which the Ascended Masters' Instruction can reach the students quickly, that the most powerful work possible for America and the world may be done by the students to release the greatest Light in the shortest time.

It will also contain information as to where the Accredited Messengers, Mr. and Mrs. G. W. Ballard and son, Donald, are teaching the Ascended Masters' Instruction on the "I AM."

INFORMATION

The information given under the heading of "Young America" will be the Ascended Masters' help to the young people for their protection and illumination, as they are the builders of the new civilization and are the channels through which the Ascended Masters will give their Light for the use of the outer world in the Golden "I AM" Age.

This magazine is not an outlet for articles from the students, but is the outpouring of the help from the Ascended Masters and has no human concepts in it.

THE SINDELAR STUDIOS
2600 South Hoover Street Los Angeles, California
HANK you very much Children of the Light. Won't you be seated? During the remainder of My Talk to you, remain as quiet and comfortable as possible, for the Service that I wish to render thru you and for you.

You who have not known or seen something of It, can scarcely imagine what a powerful intensity of Light can mean and do. In the activity of your foundries, you have a slight idea. The white heat of your furnaces in the human quality of action is a melting and consuming power which re-establishes a certain electronic action within the substance; yet in the action of the Cosmic Light there is an Intensity quite as powerful but tempered according to the requirement of the individual. Of course We never allow a greater Intensity than the individual is prepared to withstand.

You must have observed the vast changes in a few years in all the methods of activity which have been used throughout hundreds of thousands of centuries. Eighty years ago, it would have been as impossible to render the Service which I am rendering here to-day as it would be for any one of you to sprout wings and fly. It could not have been done. Children of the Light will you not observe that some vast change must have taken place in the vibratory action of this earth and you?

I see the beloved students wondering how much progress they have made, not seeing much outer manifestation of it, yet they wonder sincerely and deeply. Children of Light! did you
observe from the Inner Standpoint, you could never have such a feeling in the world. You would but rejoice in whatever the great Wisdom of your Life Stream was providing to set you free.

My dear people, this is not idle talk. It is no idle thing. This is a dynamic intense Service being rendered and the new Dispensation for the Freedom of the sincere students of the Light in America, I tell you again, is no idle thing. It is just too bad for you who do not believe it because you will deprive yourself of the great Blessing and Privilege which you might experience.

When We tell you something and give you Our Promptings that a thing can be done, you may be sure that We know it can be done and We do not ask any human being’s opinion about it; but when We ask so little obedience to your Life should there be anyone in the world who would not be willing to give it?

Sometimes as I move among the student body—however, I do not do it often—I see what they could actually do by their intense call for the “I AM Presence” to use the Violet Consuming Flame constantly. Then I see how sometimes individuals allow their attention to be drawn on to things of the outer world and they do not set into action the full intensity of that which they might use—just delaying, prolonging and possibly passing up the opportunity We are offering with so great a Love. Yet We have the Power and We are the Authority in offering them their Freedom in this embodiment.

My dear people, there are some who say: “Why this does not apply to me. I do not need the Violet Consuming Flame. I am not afraid of red and
O 'I AM' with you always,"
Is My Promise true;
The Way I have opened
I point It to you!
My Help "I AM" pouring,
Do now your own part;
Oh, call unto your Presence,
Feel It now in your heart!

"Lo 'I AM' with you always,"
Those Words long ago,
Rang out o'er the ethers
To let mankind know
My Love and My Vict'ry
That each must attain;
For Cosmic Light in Its Splendor
Shall now rule earth's domain.

"Lo 'I AM' with you always,"
Because We are One;
God Beings of Life's Flame
Come forth from the Sun.
Then will you believe Me
When I call to you?
"I AM" Light's Full Perfection
Be ye all Perfect too!

"Lo 'I AM' with you always,"
Your Brother of Light;
Arise! Be Victor'ous!
It is your birthright:
You too are a Being
From out God's own Heart;
"I AM" Life's Mighty Power—
And we never can part.

"Lo 'I AM' with you always,"
In all that you do,
When it is constructive
You are Myself too;
So feel now My Nearness,
My Presence so bright,
I enfold you each hour
In My Great Cosmic Might.

"Lo 'I AM' with you always,"
I now make the Call—
"Come! Great Cosmic Powers
Give Help that frees all!
Descend! Let Thy Blue Flame
Sweep earth thru and thru!"
Our Great Sun sends Its answer
My own Heart's Call for you!

black.” You might not be afraid of a tiger that would tear you to pieces either. What do you think, Children of the Light, has torn mankind asunder during these hundreds of thousands of centuries? Of course the beginning is their own discord but when they come into a certain amount of discord, it will force them into every other vibratory action corresponding with it.

Black represents death, red intense anger and when you are discordant, you will want to be in the radiation of those things and the poor unfortunate people in the social world think they can go on using those things and not reap the results. What a pity! My dear ones, when We who are powerful Perfect Beings look upon the social world, the arrogant pride that is there, We think Oh when will they awaken? I am not speaking of all of them, but there are some whose arrogance is so great. They would not condescend to come to one of these meetings because some of their social set might see them. I come, a wholly Magnificent Pure Being who has throughout the centuries been the Governor of the Life Stream of mankind. Yet when I am so admitted, I come to give you Assistance. The Great Goddess of Purity has come from within the Great Silence to render Her Purifying Service for mankind and puny human beings in their false pride and arrogance say: “Oh, I could not afford to give attention to supposed Ascended Beings or even the ‘Mighty I AM Presence,’ I am not quite sure about that.” What childish foolishness! One day, Life says to them: “Now you have reached the end of your span, what are you going to do? You have lost your opportunities.”
Every human being in embodiment at this time, is at the dividing of the ways, beloved people. Individuals are not going to have more embodiments in which to decide. They are going to decide right now within the next few months! You think We do not know you! You think We do not know the Law which is governing this earth and every human being in existence when We have to be Obedient to that Law in order to apply Its Invincible Powers.

You do not want to give obedience to a few little things, but We give Obedience to the Great Cosmic Demands and Commands. The Centralized Focus of all the Vast Intelligence and Radiance to this system of worlds is no myth, dear people; and It is looking upon this earth for the first time in long long ages. The last time It looked upon this earth It said: "Mankind looks to be absolutely helpless! The density is so great what could We longer do, when they refuse to acknowledge or try to find out anything beyond their human forms?"

Then so much investigation came later—quite recently—within eighty years and by the accumulation of the discordant forces of man, so many people were led into the psychic or so-called astral world and the connections there have held many bound for two, three and four embodiments. More people have been cut free from the psychic world in these five years than in fifty centuries previously. What is the psychic? Mankind’s destructive vicious accumulation.

My dear people, when We tell you that very vicious destructive individuals releasing an intense feeling of anger, hatred and those qualities
which are destructive, create thought forms as powerful or more so than their own physical bodies, We mean it. That is what mankind is contending with. That is why some individuals seem to have such temporarily powerful force. They used to send thought forms to try to destroy others but they cannot do it to-day.

Some of the individuals who were dismissed from this Staff had some of the most destructive thought creations We have ever witnessed. Knowing this, We drew them into the Heart Center of Light to try to consume their vicious creations before they could find action in the outer world; but the disobedience and intrigue, as they thought behind the backs of the Messengers, prevented it—and yet two of them could have been released completely from it within a few days.

Mankind must understand these Laws if they are going to be protected from the conditions which they have generated. One individual thought she was an angel incarnate. Well that was a purely destructive force which was making her feel that.

This is why, dear people, when We offer such vast Assistance, everything We do is as tangible as your own hand. We do not deal with anything but tangible Substance and Energy and when I ask you to sit quiet while I talk to you so I might render this Service, do you think I am dealing with anything hazy? I am dealing with a Substance and Energy that is flowing into your feeling world which will give you a release to-day that you never experienced in your life if you care to accept It; but if there is any doubt in you, do not expect to feel a Manifestation of It, be-
cause I will not touch anyone's feeling world where there is doubt.

Mankind has had the opportunity. These Beloved Messengers who offer such great Divine Love, kindness, limitless patience and energy try to help humanity to the understanding of the Greatest Laws which are known in the Universe of the "Mighty I AM Presence." These Laws explain how to draw that limitless energy into action in the human octave. It is the greatest service that could be rendered upon this earth! Then vicious individuals, wholly depraved, want to destroy them.

Again I repeat, dear people, you are living in a wholly different period than the activity of eighty years ago. The Light is taking Its Dominion in human beings and in your beloved America. Whatever you go thru, you will find, out of it will come the Supreme Dominion of the Light. We would like to see you have It without conflagration, without terrific cataclysmic action.

Shall I tell you something which will sound to you quite incredible? When the Messengers were in New York the last time, when such frightful viciousness and falsehood was spread by those within the Staff and that began to reach out in the city—do you understand that it took Our Firm Absolute Command to protect the city! New York has been in great danger for many years! People who oppose this Light with great viciousness should be silenced above all people upon this earth! The spies of foreign nations are not a comparison to that force released, because those who have contacted this Great Light have turned to try to destroy It. Whatever effect they
have upon other individuals is the supreme pen-
alty which they will pay
When We have repeated this several times to
the student body, why will the students not see
it and no longer yield to vicious stories and
falsehoods spread concerning the Messengers and
this Light or Our Reality? If you want to do
those things it is quite your own affair, but
when you see the penalty and you are paying it,
remember My Words! Soon We shall cease to
prompt, but the great earnest sincerity of the
people who are in this audience to-day is a glo­
rious thing. They are glorious Beings of Light
from all parts of the East and Middle West. Think
of it dear people! How privileged you are to
understand that We are Real to the extent that
no one could ever change it.
Then call forth to your "I AM Presence" and
to Us, for the Great Perfection which We are.
Every particle of Substance released by Us or
from Us is that Substance which cannot be re-
qualified by human beings. That Substance which
I charge into your feeling world, you cannot re-
qualify. We are giving you this Assistance because
of the emergencies before you. If We can cause
those appearances to completely dissolve, then
We are very happy. You may be sure, We will
do all within Our Power according to the Sub-
stance released by the student body of America.
I cannot tell you how much It requires, until
We are at the point and see what the intensity
of that is which We must use. Since you are only
required to furnish or supply one-third it ought
to be quite easy, and would be if you but realized
it. We must supply two-thirds and in the re-
moval of the substance and entities in the cities
where We have been, it has been of tremendous assistance to that achievement which We hope will come within a short time.

The Dispensation which your Beloved Master Jesus asked for has still not been released; but We fully believe It will be, for I have not known His Request to remain unanswered. Now when I use this term, do not misunderstand Me. You of the Eastern part of these United States have a great responsibility and I mean by that, not that you are responsible to the rest of the people, but in your understanding of this Light, let Me offer a suggestion—that you call to your "Mighty I AM Presence" to release thru your Higher Mental Body whatever intensity of Substance is required, to allow you to make up for the lack of numbers in the intensity needed to supply this.

That will not cause any tension of the physical, and you must watch that it does not because it is the Activity of your Presence at your call and should give you greater ease and confidence instead of any tension. I know a great many have become so tremendously in earnest for the protection of America that they do sometimes get in a slight tension. Watch out and do not do that, for you will obstruct your way and sometimes much of what you would otherwise do.

All these things are as practical as your mechanics. They are powerful, because this Power is the Light that knows no opposite. When you project your Light Rays into the City of Washington, D. C., New York City, Chicago or any city for that matter—those three especially—do not attempt it unless you get the feeling of the Almighty Power of your Presence, acting thru those Light Rays and that it is sustained when
it is set into action. When you call again, you do not re-establish that, but you cause a greater intensity to act thru it. Every time you call, you are adding and adding and adding to that great impulse, that great intensity until it becomes such a volume of action, it is like a dam breaking and a great flow of water rushes forth. This is the River of Life.

Think of it! You dam up water in your land for irrigation and for power use; but Oh my dear people, how much more do you dam up the Energy of Life by the qualities which act within your feelings, instead of allowing It to flow out and perform Its Magnificent Majestic Service in your world of action? Doubt is the greatest obstruction in the way of mankind. It stifles the flow of Life.

It is not a pleasant thing to watch, but you can take any human being with very intense doubt and watch that one three years and see what happens. It is a terrifically destroying action of energy. While it is not in the same manner, it is almost as powerful as anger and hatred in its destructive power because when anger and hatred are acting mankind suspects it, suspects the motive but when doubt is acting, it spreads its radiation over mankind and they do not know what is acting. Therefore, many times they are helpless before that doubtful radiation which goes forth.

An individual told the Messenger the other day in receiving a book from another that suddenly the most terrific doubt seized him. Well that could only be because the doubt of the individual had been charged into the book. So please understand that! Do you understand why some
two years or more ago, when I saw what was taking place among the students, I offered the suggestion that when Nada joined Her Release of Energy in the autographing, that people refrain from loaning those books? Don't you see why? The Substance with which a book is charged can be heavily charged with the feeling of an individual. However, this to which I was referring was not one of the books of the Saint Germain Series and is a wholly different thing; but I am drawing the illustration to make you cautious and careful of what you do because you can avoid so much that you would otherwise draw upon yourselves which you will have to handle and why keep on the everlasting handling of problems! Why not arise into the full acceptance of your Higher Mental Body and let It handle the whole situation and you be at peace?

Oh, my dear ones, once you discover you can do this, your joy will know no bounds. Is it not your Higher Mental Body that does everything anyhow? If It can operate the organs of your body, supply Life, Intelligence and energy to your human form, then It must be very powerful. You do everything, unknowingly, to thwart Its Action—the kinds of food you take, the kinds of feeling you have and the kinds of environment you rush into—all those your Higher Mental Body must handle. Sometimes you get into terrific vibratory action and a great wail goes up. Well the Higher Mental Body does not lead you into it but mankind does often rush in where angels fear to tread. That is just an expression because angels fear nothing, but it is quite apropos when it comes to expressing some of these things.
In your application you must remember these things. If you do what the Messengers have told you in this class, you will never have any difficulty in getting immediate response to your application. Please, dear students, do not write, record or even talk about your troubles. Of course, I quite understand people who have just recently come into this Light, have not had the full explanation and do not understand all this. Just say to the Messengers, you need help and if it is something specific tell them what it is in one sentence or two but do not cover ten pages describing your troubles, because you are making a record which you little know what it does to you.

An individual just recently was so extremely excited to get to the Messengers to tell them about all of his troubles. Well people cannot get to them to do that. Your Higher Mental Body is the One who must bring the remedy. It knows all about your troubles, but It does not accept them into Its World. So you need not tell anyone else, since It already knows about them.

Dear ones, blessed students, I plead with you—as you value your progress and Ascension under the new Dispensation, do not get together and discuss discordant things; and above all things something critical concerning this Light or the Messengers. If you do, you had better a thousand times walk out and forget this Light. You do not know what that builds for you. These Messengers are pure, magnificent Beings and they are the greatest blessing to you that you will ever find upon this earth and do not forget that. No matter what some vicious individual says, it does not change the Truth a particle. If anything
vicious individuals say was true, do you think for one minute I would be here to-day flashing these Words to the Messenger for your Blessing and Benefit? Do you realize that their atmosphere has to be pure and clean for Us to associate with them? Because they are positive and firm in the guardianship of this Light, do not misunderstand their firmness.

One unfortunate individual sent the Messengers a note because they were ridiculing the vicious reporters and said: "Oh, are you not criticizing those unfortunate individuals"? My dear people, how ridiculous! Understand once and forever these Messengers do not criticize, condemn or make any mistakes! No person in the human form can tell them how to direct this work. Saint Germain is the Director of this and whether you believe it or not, He still is.

Therefore, I want you this afternoon to understand these things, that you may have the information before you direct from Myself. I am pouring this Radiance into your feeling world that you may be free, if you choose to follow the simple Things which I have said.

You do not see physically the intensity of this Light drawn here, but your etheric body sees it only too clearly. The readiness and assistance willingly given by the etheric bodies of the majority of you while I have been talking to you, makes Me feel highly gratified. Therefore, it makes Me feel that My Visit to you to-day is not in vain.

We are offering this Assistance which We alone can give and leave mankind to accept it to whatever degree that they can or reject it. Let Me try to make it clear to you. If someone with
Full Wisdom and Power would take one of you from the audience, stand you here and say: "Now I give you by the Power of Life your Complete Freedom from every condition of this earth! If you will call to your 'Mighty I AM Presence,' since you are free, It will give you your Ascension here before these people." If you refused to make that call, you would hardly ascend would you?

That is exactly the position in which mankind stands to-day. We can do to the utmost of Our Ability, but if mankind fail to give the response to the few simple things We ask, how can We set them free? Largely it is your earnest, sincere, determined call which We need. We ask very little besides that. Of course We do ask harmony in your feelings but outside of that, We are dependent upon your earnest sincere calls to cause you to do the things required or Us to give you the Assistance which will guarantee your Freedom under the new Dispensation.

That is no myth. There are some who have already found that true and many others will find it to be so. These are Mighty Activities, I am talking to you about this afternoon. In this simplicity, I am trying with the Substance which is flowing, to charge and clothe you with these things that will anchor you firmly within the Light of your "I AM Presence" and guard you against human suggestions.

Oh my dear people, if you saw with your physical sight the seething vortex of human suggestions in which you must move while remaining here in the physical octave, I tell you it would be positively terrifying. I say that in order to try to help you try to feel the necessity of call-
ing your Presence to establish the Invincible Tube of Light about yourselves. That is not just an idea. It is Self-luminous Intelligent Substance which your Presence will set into action and make Invincible around you, if you will remain harmonious within it.

These are things that are imperative at this time. If you do not listen to this many of you are going to fail. I offer a suggestion to those whose homes are here. I plead with you, beloved students, let not one critical word of each other or your leaders go forth after to-day. If you cannot pour forth blessings, be silent. Then you will not obstruct your way of Freedom or someone’s else.

I have not ventured to say this before, but dear people, do you realize that one who viciously and wilfully causes someone to turn from this Light, does one of the most tragic things that a human being can do at this time? If the life of an individual is taken it is just the removal from the body; but the doubts through wilful viciousness which are placed in the minds of earnest sincere individuals, might last them through two or three embodiments and you would be responsible for it, if you cause someone to doubt or turn from this Light. I do not think there is any human being who wants to take that responsibility. You may believe Me or not, but you will find it is True.

So in bringing to you to-day this powerful release, may the Light within you give you full Freedom. I call to your Higher Mental Bodies to see that you do and can give the full acceptance to this Substance, which the Higher Mental Body knows I am setting into action for your use, blessing and benefit and to see that It acts and is sustained regardless of your human qualities.
That is a great deal to ask, but "I AM" asking it to-day, for I want a certain number of people in America, for a reason which I cannot tell you, to go forth from this embodiment into their Ascension. If I were to go into detail of the reason why, I could talk to you from now until twelve o'clock to-night and you would not even know you were sitting on those chairs.

Life is so vital! Life is so magnificent! It is ready to give Itself to you with such little obedience as It asks. Try to feel, dear blessed ones, that there is not a person, place nor condition in this Universe that can reach, harm you or touch you with any vicious force sent out. Try to feel that with the definite Power and Authority of your Higher Mental Body which pours Its Radiance out to prevent it. To you students of the Light, it is very important.

As I leave you in this very great Radiance, will you go forth from this auditorium as quietly as possible; and while you are at your dinner, silently keep accepting the Great Blessing which is yours. Just think of It as a Blessing and the rest will take place. Hold that sustained until you return to-night and let the Great One who will talk to you, render the Service which will be the closing of this Mighty Radiance here.

Precious people, the closing of these classes on Ascension Day is like the finishing of a great and mighty symphony because you are part of It and the Light within your heart is calling and calling. Its Radiance raises and mingles together in the great call of those who are here, for release and Freedom from human conditions. It is a magnificent thing to behold and seeing it clearly to-day, I thank you for being able to release as
much sincerity, as much determination and the wonderful out-pouring of Divine Love which you hold for the Messengers and Ourselves. It makes everything possible and may you feel It and hold It sustained until the close of the evening! I thank you.

· GEMS OF LIGHT ·

“Whatever reports are brought to you in the work of the future, be wholly unconcerned, except to say to those appearances, whether it be person, place or condition: ‘You have no power’! then dismiss it from your mind. I would not revolve and discuss too much reports that come. Once you REALLY UNDERSTAND this and the Power each one of you has to say to all appearances, whether it is concerning yourself or someone else: ‘You have no power’! and once you fully realize the power that is in those Words, you will have no difficulty in dismissing the appearance and freeing yourself from further contemplation of it.” (Saint Germain)

“I wish so much to have you arrive at a point where you free yourselves from a feeling of the need to discuss a thing any more than understand that which needs to be done and then forget it.” (Saint Germain)

“Beloved ones, won’t you always feel that the outer things are really of secondary importance? It is the Inner Powers and Activities that should be given first consideration, then all outer activities will naturally come into their perfect order of activity.” (Saint Germain)
Following is the correct way to issue the SIX OPENING DECREES, as given in No. 82—Loose-leaf Decree sheets: Repeat three times.

   Mighty Cosmic Light! Come forth and claim Your Own NOW!
   Mighty Cosmic Light! Come forth and take Your Toll NOW!

MR. AND MRS. G. W. BALLARD
MIGHTY ASTREA’S DISCOURSE
Cleveland Class—October 22, 1939

HANK you, beloved Children of the Light. In My Presence with you, to-night, may I convey to you Information that will make you rejoice very much? Won’t you be seated and kindly remain seated, no matter what I say; for I probably will say some things which in your great enthusiasm will make you want to show your great gratitude. With quiet in your human forms, all that is expected to be done will be achieved.

Before I begin I want to tell you of the Mighty Oromasis, Prince of the Fiery Element. You have not understood the forces of the Four Elements of which you are a part—earth, air, fire and water. Each one of those Elements is peopled by its own kind. The mass of mankind do not believe that, but unless this interception had been arrived at, let Me tell you, you would have felt Them readily enough.

The Four Elements are determined to accept no more of man’s discord imposed upon them. Since Oromasis is the Prince of the Highest Element, the Consuming Power, He will walk to and fro thru this auditorium to-night. Do not be disturbed by any sensation you might feel and please do not let anyone think he or she is going to faint.

This Great Activity by Oromasis will be a cleansing, purifying and releasing of the destructive substance from the brain because mankind have charged the brain structure with a dense substance thru the use of tobacco, intoxicating drinks and from various other reasons. This will give you a clearness of comprehension and a Se-
lective Intelligence—I mean for actual use, which I am sure will delight every one of you who is sincere.

Oromasis has been able to use His Influence in harmonizing these Four Elements for the first time in the history of this earth. They are ready to co-operate at His Suggestion and give mankind a little more time. You, beloved students, who are so very devoted and sincere, have no idea—as you have poured forth your great Love to the "Mighty I AM Presence" and the Ascended Host, how that has gone forth into the Four Elements. It has brought you to the attention of those to whom it has gone and your Love has given Them the greatest encouragement in the world, to feel that there still is a possibility that mankind will wake up and come into conditions of Purity and Perfection. If mankind can be released from discord, it will enable the inhabitants of the Four Elements to once again pour forth Their Harmony and Perfection in the Element to which They belong.

Do you know that when this purification is completed, there will be no such thing as storms and there will be no such thing as destructive fires? I call your attention to the conditions which have existed in the West where out of pure viciousness, a great many acres of magnificent timber have been burned. Had this purity and harmony been established before that happened, it could not have occurred. The purification has not been completed yet, but it has been started and We see no reason why with the Assistance of Oromasis and Myself, it will not be done.

Another activity which pleases Them very much is the removal of discarnate entities, for so
many have already been removed from the earth. It is the discarnate entities which form the psychic or astral world where so many destructive forces have been released upon mankind. To completely consume the psychic or astral world to Me is one of the greatest needs of the people of earth to-day. I am here, to-night, to call your attention to the fact that I will continue to move upon this earth and in its atmosphere at least until the end of January; to give what Assistance I can in releasing mankind from the pressure of discordant elements and the discarnates who prod mankind on to do very vicious things. Many would not do such things if released from their influence.

Therefore, My Special Work is to seek out the various cities and cause all entities to be removed wherever possible. Do you quite understand, beloved students, that in the cities where there are large Groups, for instance as your city here and in Detroit, the students have made it possible to do this by their calls? Where there are only a few in a city, the volume of substance and energy released is not sufficient and We must wait.

One of the most vital elements of this activity to be governed just now is New York City and We trust before the end of the Philadelphia Class, to have removed every discarnate entity from New York City. You have no idea what that means to America and the world.

Saint Germain has asked, if I would come and move through the atmosphere of earth and give this Assistance which is so imperative at this time. You will find in the cities where this has been done, great will be the change not only in
the atmosphere, but in the feeling world of individuals.

My Activity to-night is to release a certain Element which I may not describe to you. It will be the Guard of every sincere "I AM" Student in America and the world. To Us, you must understand there is no time nor space. Distance makes no difference to Us, but this service must be rendered. If the student body everywhere will accept this, they will find a great release from pressure, suggestions and various activities, which have disturbed them greatly and most of all they will find most complete rest when opportunity affords.

I ask you to silently answer what I am going to say. In the number in this audience to-night, how many sleep like a child? Very few and yet you should. Every one when that one's head strikes the pillow, should rest like a care-free child and when you gain the Real confidence in your Presence, you will find no difficulty in doing this.

Mankind have been trained Oh, so tremendously, in accepting the things of the outer world and believing that they must submit to conditions which cause them ill health, restlessness, irritation and disturbance; and of course when you cannot rest perfectly, you will sooner or later become irritable and disturbed because there is not enough Light acting within your body to hold the balance of the forces there.

How many are there in this room, to-night, who could tell Me what the balancing of the force in the human form is and what it means? Dear people, if you had observed from Our Standpoint, the activity of mankind before your Beloved
Saint Germain brought this marvelous Instruction forth, you would have seen the most distressing condition ever witnessed. Mankind was fast coming into that condition and that is why the agitators from foreign lands gained such a sweep within your beloved America because at that time, mankind was restless and the forces within them were not in any wise balanced. Therefore, they accepted suggestions and swung just like that. (Motion of hand)

You will observe the vast change which had to take place in the feeling world of mankind, in the Great Truth that the Goddess of Justice is no longer blind-folded. Who do you think placed that blind-fold there? The human concepts of mankind who were afraid of Divine Justice. Now in the great call which has gone forth, mankind no longer fear that, but want it. Ere long, they will want the Goddess of Purity just as much as they want the Goddess of Justice to-day—when the pressure is taken off mankind from all directions.

Observe! the hearts of mankind are always good, but when the feeling world begins to act below the heart at the solar plexus, the people are subject to every discordant destructive suggestion they contact. That is why the Beloved Nada gave you Her Magnificent Activity, so simple and yet so powerful. Perhaps there are many who do not know of it. Her Instruction was: "Whenever irritation starts, draw in the diaphragm and raise it. With that physical activity, it is just as though you closed the door to the discord of the outer world; for beloved Children of the Light, this is the only place you can receive discord into your world (solar plexus). You can-
not receive it here (heart) and never did; but the door to your feeling world, which is the solar plexus, is that through which discord comes into your world."

Now this simple Activity with a little practice will enable you to shut out the discord. It is not comfortable at first, if you are not used to it, but after awhile, it becomes a great pleasure and advantage. You notice, We very seldom mention any physical exercise because so many such things in the outer world have been called to your attention which are very harmful; but this Activity is a great great protection to your feeling world at any time you want to shut out the feeling of disturbance or discord.

In regard to the activity of the substance released from mankind, I want you to see just as a slight illustration, all that it has meant. If you have been in London or any place where there is dense fog, you will understand what I mean; because the fog holds close to the surface of the earth or low in the atmosphere. That is what has happened when mankind's destructive forces have been released into the atmosphere. It makes a belt around the earth, the only place it can stay. It has to gravitate into its own element and fortunately for mankind, Life has so provided; but there has been the constant release of it back upon mankind for they created it and every time they become discordant, they connected with it and released some of its power back upon themselves again. That is why I am here to-night.

In My Movements in the atmosphere of earth I shall endeavor to remove the last of this substance from the so-called astral or psychic world and that will mean all discarnates who have been
there will be removed forever from the earth and its atmosphere. What a pity mankind could not have understood this centuries gone instead of building more and more and more.

Beloved friends who may not be aware of this Great Light as the students are, let Me explain. Individuals who pass from the physical body and who have lived a normal and good life, do not remain in the atmosphere of earth. They go into the Octave of Light, into the Higher Mental Body where they function during the digestive period to assimilate the experiences of earth, until they return again — but that is not all! There are those who have been so vicious upon this earth that they cannot leave the earth's atmosphere. They are those who form and live in the astral or psychic world. That term means the accumulation of mankind's destructive energy, which has been released and those who cannot leave the earth must remain in that. It is one place which I plead with you never ask to see or to know. The Messenger had to go into those elements in order to be able to guard and to instruct you, but never seek to go there!

Another point I wish to make very clear to you is, that there are no gradations of the astral world. It is one element which is wholly destructive, for there is no good in it. I know because I AM Authority for the removal of discarnates from this earth. Before your Beloved Saint Germain brought This Instruction forth, I had been approached many times and I said: "There is no use. Something must be done for mankind before this Assistance can be given" and lo and behold it came. Never will this earth, until every human being has made the Ascension, know the gratitude
they owe to this Magnificent Being of Light.
(Saint Germain) He has rendered a Service that
never has been or never will be upon this earth
again. You can imagine His Determination, when
He tried for several centuries in the face of re­
ppeated failures, to get enough attention of man­
kind to allow Him to render this Service but at
last it came. You who are here in America have
returned to the beginning, the starting place of
humanity's advent upon this earth.

If you are lost in the forest and begin to walk
you will return to your starting point almost
without exception. Mankind has been lost in the
forest of their own creation and have come back
to the starting point so they may arise into the
Glory of their Eternal Freedom. You could not
possibly comprehend all that has already been
done, although the various things to which your
attention has been called are but a few of all the
things which have been done for mankind, Amer­
ica and this earth.

Yet those who are filled with doubt and un­
belief, laugh at the idea of Our Reality and the
Service which has been rendered. What a pity,
since no force is ever used in this Universe by Us
but Life. We are the Perfection of Life! You are
on your way to your Goal and one day will stand
in the Octave of Light with Us—free Beings,
Masters of Substance and Energy. It ought to be
Goal enough for the utmost of anyone's attention
to be given; and is worth all that is within each
one's power to-day to give in obedience to Life.

We can do a great deal, but We cannot do all.
Certain things you have to do but We are ren­
dering a Service that makes so much easier every­
ting Life requires you to do. It is not as it was
sixty years ago, for the vast change which has taken place in twenty years in your land, is unparalleled in the history of the earth.

To-day, when all these things are suddenly rising and showing opposition to your power, to your Freedom, your happiness and your supply, it is the last throe of human destructive force. As you understand this, you will release yourself by your call to the "Mighty I AM Presence"—your Presence of Life with such earnestness.

If you remembered only two things and you were dynamic enough with them, you could be free: "Where your attention is there you are," and "What your attention is upon you become." This is the simplest thing in Life, but the Greatest Power known to man. What you determine to hold your attention upon, you will become because there is nothing in the Universe to prevent it.

Think it over, beloved ones, and see what assistance and blessing you can give to Life. The glorious opportunity that stands before you, you will never have again; but remember Children of the Light, there are innumerable special Activities given at this time, to try to throw the balance on the side of good; to hold in abeyance the destructive forces until they can be dissolved and consumed. That is your privilege, if you wish to do it; but if enough is not given, then you must go thru the throes of distressing cataclysmic activity. After all Nature's cataclysmic activities are much preferable to human cataclysm or destruction by war.

Have good courage my dear ones. In spite of all appearances of the world to-day, I say to you with authority: "War shall cease from the world
and mankind shall go free! Dictators shall cease from this world and the most subtle attempt has been made through the pretense of blessing to start a dictatorship in America. If that starts in one of your states, heaven help you.”

Therefore, to-night, will you be kind enough to give Me your attention at least once each day, that I may render this Service to the earth for you and your fellow-man which no one else can render? It is why you have wondered many times, why the different Great Beings come to earth. Well, why wouldn’t They? It is impossible for mankind to free themselves by their own volition or of their own efforts. Then they must have Help and the more advanced of Life wants to reach back and help those who temporarily are helpless against the forces which they have generated or created.

Therefore, to-night, in the glory of this Great Opportunity which is yours will you stand firm and unyielding in the Glory of that Light? Oh, I prompt you, if you listen to human opinions of those who know nothing about this Great Law which We describe to you and which you can operate, you will fail utterly! Mankind is not compelled to longer live in the frightful discord which they have believed they must yield to in the past.

Every human being is authority in his own world! Man or woman is no longer a chattel to each other, but the Life Stream of each one says: “Now We must act! Now We must call! Now We must have released the Purity and Perfection of Life into this Life Stream and into Its Focus in the human octave to have this cleared forever from the Life Stream of each one.”

32
Life is acting now dear people! It is not any human's opinion, but the Law of your own Life and if the beloved ones in America would listen carefully to these Beloved Messengers as they give forth this Law to you with so great a Love, you would be beings of Absolute Freedom; but if you doubt or question their Authority, their Truthfulness, their Understanding, then you have shut the door to the Blessings which they offer so kindly. Will you not remember this?

It is not these Messengers, they are but conveying the Laws of Life which your Great Benefactor has brought forth. We have assisted to a small degree, but He took the initiative, then We followed. Remember, only two believed with Him under the conditions of mankind seven years ago, that it was possible for anybody to be raised up in America strong enough to hold this Light until mankind could understand; but it has been wonderful, tremendous, beyond the fondest expectation, even the imagination of even Ourselves; for no one, not even the Ascended Beings, the Perfect Beings, can tell what the energy of mankind is going to do, until it acts.

These great calls, these Mighty Decrees which you send forth, are rendering a service to this earth unparalleled beyond anyone's fondest concept. May you feel that and may the Glory of Its Light enfold you and lift you every one into your Ascension, before or at the close of this embodiment. I thank you.
CHRISTMAS

This year Christmas means more than it ever has at any time up to the present because Jesus at present is calling for the Dispensation which releases the "Light as of a Thousand Suns," to be poured out everywhere until all destructive activity is consumed from mankind and the earth forever.

It is our very great privilege, joy and opportunity to make this call with Him during the time of His Own increased Out-pouring to the earth during the Seven Sacred Weeks.

Let us all give Jesus such attention, adoration and Gratitude daily until January 18th, 1940 that the Dispensation for which He is calling will release this Mighty Victory of Light in Its Cosmic Power, before war can be focused into America or imposed upon her people.

Since Jesus at this time of the year, always intensifies His Own Out-pouring of Light to the earth—from Thanksgiving November 30, until January 18th—It is being qualified and charged
this time by His Cosmic Call to the Great Central Sun.

This Dispensation will dissolve all human selfishness and discord from mankind, the earth and its atmosphere forever.

Three million “I AM” Students are calling for this same Dispensation to consume and annihilate all mankind’s destruction from this earth forever. It is the first time in the history of mankind that enough people from this world have made the call for the Freedom of all humanity using the Great Creative Word “I AM” in the Full Authority of Life as the Ascended Masters do.

This Call is what the Great Cosmic Beings of Light have waited for throughout the centuries, which enables Them to release the Power necessary to purify mankind and the earth. So to-day and every day let us each one, continue to make this call until the Cosmic Law releases whatever Action of Light is required to bring this Eternal Freedom to mankind.

This is truly the most wonderful Christmas the people of earth have ever had the privilege of experiencing and let each of us make the most of the opportunity to bring the Victory of this Light everywhere in the world quickly.

This Christmas with the Greatest Love, Gratitude, thanks and praise to the “Mighty I AM Presence,” the Great Host of Ascended Masters and the Angelic Host, all Great Beings of Light and you—ever sustained under This Radiation, we clothe you in every Blessing and Power of Light at our command.

Eternally yours in the Light,

MR. AND MRS. G. W. BALLARD

NOTIFICATION CONCERNING GIFTS

As we have given published notice before in this magazine, so do we now again notify all who give to this Ascended Master Activity of the "I AM," that we accept only gifts which are free from entanglements of any kind, and only on the condition that they are not to be returned.

What comes into This Service of the Light must be a glad free Gift of Love which is permanent. We do not accept anything under any other condition.

MR. AND MRS. G. W. BALLARD
NEW MUSIC

T is our great privilege and joy to announce the release of two new songs by Godfré Ray King (Mr. G. W. Ballard) "Nada Our Love" and "I AM" Come, the lyrics of the latter by Chanera. They are charged with tremendous Power of Light and bring dynamic Blessings and Power from Nada and Jesus direct.

During the Seven Sacred Weeks beginning with November 30th—Thanksgiving Day—until January 18th, we ask the "I AM" Students to use these two songs as much as possible because of Jesus' more intensified Out-pouring during this time, when the attention of most of mankind is upon Him; also because of the Dispensation from the Great Central Sun for which He has been calling.

If the students will call to the Great Central Sun to give Jesus this Dispensation and use these songs, as a means of attunement and release of His Power and Victory of Light, they will render a tremendous service to America, themselves and the world.

NADA OUR LOVE

NADA OUR LOVE is dedicated in Eternal Love, Gratitude and Blessing to the "Mighty I AM Presence" and the Beloved Ascended Lady Master Nada, whose Blessing to the earth is so transcendent, Real and magnificent beyond description.

May the Great Cosmic Light expand Her Power thru this song, until It brings the Victory of the Light everywhere on earth forever.
It was first sung in Chicago and is dedicated to that City because it is the permanent atom in the heart of the world and America is that heart.

May our Beloved Nada bless the City of Chicago, until it becomes an Alabaster City of Light, within which stands the “I AM” Temple of Light with the Glorious Unfed Flame blazing forth Its Perfecting Balancing Power to raise every human being into the Ascension.

May all the Ascended Masters’ Power of Light, Love and Wisdom fill Chicago with the Victory of Light so dazzling, as to bring forth Its full Perfection quickly.

May this song be sung throughout the world and everyone who uses it receive his own individual Freedom and Victory of the Light instantly.

· “I AM” COME! ·

“I AM” COME has been brought forth as a Magnet of Jesus’ Power of Light. It is a Focus of our acceptance of Jesus’ return in His Visible, Tangible, Ascended Master Body.

Every time it is sung, played, heard or the picture contemplated, each individual’s energy gathers into a Focus of Light, Love and Power that becomes the Magnet of attraction which draws Him again into close personal association with those who accept His Tangible Presence here on earth with us NOW!

Jesus has come many times in the last two thousand years in His Tangible Ascended Master Body to individuals who called to Him for help. He will always come even now to those who will purify themselves and make the condition necessary for Him to come! He said: “Lo ‘I AM’ with you al-
ways”! He told the Truth! He can and will come to everyone who will provide the right condition to attract Him.

Jesus the Christ has stood in our own home many times in His Visible Tangible Ascended Master Body. He has held us in His Arms. We have kissed His Hands. He is Real! No power nor human being on earth can ever change that Truth and Reality which we know to be from actual personal physical experience. We stand by It for all Eternity, because IT IS TRUE.

His Voice spoke the Words of this song. They are His Answer to our hearts’ call for His Presence. They describe His Activity of coming thru the atmosphere of earth and that which He is doing NOW, for the Freedom of mankind.

May everyone feel the Truth of these Words and have the full Blessing which they bring.

“I AM” Come was first sung in Los Angeles and is dedicated to that city where once again the Power and Victory of the “Light of God that never fails” shall come forth in Its Fulness and make it an Alabaster City of Light, to which the Ascended Masters and the Angelic Host will once again come forth tangible to the physical senses of mankind. Unto that end, do we use this song for the Freedom of all.

“I AM” Come has been made in a Victor Record by the trio of Voice, Harp and Novachord.
