The "Voice of the I AM" is the mouth-piece through which the Ascended Masters' Instruction can reach the students quickly, that the most powerful work possible for America and the world may be done by the students to release the greatest Light in the shortest time.

INFORMATION

The information given under the heading of "Young America" will be the Ascended Masters' help to the young people for their protection and illumination, as they are the builders of the new civilization and are the channels through which the Ascended Masters will give their Light for the use of the outer world in the Golden "I AM" Age.

This magazine is not an outlet for articles from the students, but is the outpouring of the help from the Ascended Masters and has no human concepts in it.

In Majesty so transcendent,
Thou dost dwell there in Peace above,
Perfecting our world forever,
Revealing Thy Great Cosmic Love;
Thy Mantle all bright and enfolding
Wraps us in Thy Substance of Light,
Clothes us in Thy Luminous Pres’nce,
Invincible unto Thy Height.

Master Thou art—all commanding,
“’The Presence’”—“’The Glorious ‘I AM’ ’”—
Director of Cosmic Light Rays,
Great Lord of the Unfed Flame!
Oh, raise us to Thy Full Glory,
Ascended in Vict’ry and Light,
Filling earth with God’s Great Power
God’s Justice—God’s Freedom—God’s Might!

—Chanera
Very time one issues an Ascended Master "I AM" Decree, the Light from the Heart of the individual’s Electronic Body (the Upper Figure in the Chart) releases instantly, intensifying and expanding the Ray of Light which flows from the Heart of the Presence into the heart of the flesh body (the lower figure).

Thru the individual’s continued application, greater and greater Pressure of Light, which means greater Perfection, is released by the “Mighty I AM Presence,” into, thru and around the physical body. That is the ONLY WAY by which one gains a momentum in the use of the Power of Light to produce greater and more instantaneous action in the fulfilment of one’s Decrees.

When the individual calls to his or her own "Mighty I AM Presence" the Light in that one’s own Life Stream expands and intensifies (the Ray of Light entering the head of the lower figure); but when the individual calls to the Ascended Masters for Assistance, Their Perfection—which is always eternally sustained—pours into the mind, body and feeling world of that one thru the Golden Ray enfolding the White Ray.

Their Consciousness, Light, Substance and Energy are absorbed exactly as the Sun’s Rays are absorbed by the plant life of our earth. That is the Power of Radiation which They pour constantly to all who will accept and absorb It.

The Light Rays from each one’s own "Mighty I AM Presence" (the Upper Figure) are Its Radiation and Life in the physical body. Life is the
Supreme Authority of the Universe. It unfolds Its Patterns of Perfection thru substance and form. Life plants the seed containing the Pattern of Perfection into the substance of earth and by pouring into it from outside of itself the Greater Power of Life, which is the Light from our physical sun, the pattern is unfolded and drawn up as the plant. That is its next octave of existence. Just so within the human being there is placed the Pattern of Perfection from the Great Central Sun of this System of Worlds. That Pattern is always Perfection and is placed within the substance of a physical body. In order to draw forth and fulfill the individual's Perfection which is the Ascension, each one must have the Radiation from the Ascended Masters to enfold his or her entire mind, body and feeling world.

The Assistance of the Ascended Masters must be given the individual thru the Ray of his own Life, which pours into the physical body from the "Mighty I AM Presence." They enfold the individual's Life Stream in the Eternally Sustained Perfection of Their own Life Streams. That is Light-Substance from Their Octave of Life.

This is why no one can be freed from the limitations, problems and imperfection of his physical existence without understanding what and where the "Mighty I AM Presence" is. The individual must know THAT, before he can be free and he must also call unto his Presence and the Ascended Masters; because Their enfolding Light Rays are the Power which draws the individual's Life and Its Activities up into the Perfection of the next Octave of existence.

When one calls forth the greater Perfection of his own "I AM Presence" to assist someone else, a Light Ray goes forth from his own Electronic
Body and pours continually, until the Perfection he desires is expressed.

The Light Rays coming into the physical body expand the Perfection from within out. The Light Rays which go out from the Electronic Body to assist others also condense a certain amount of Their Light-Substance around the physical body to hold Perfection there also. That is why one cannot call forth the Power of Light from his own "I AM Presence" to help others without producing a large portion of that same good in his own world.

These two actions of Life and Light are always required to raise every human being into the greater Perfection of Life where he or she becomes the wholly Divine Being—the Ascended Master.

The Circle of Colors around the upper figure in the Chart, are the Special Qualities which the "Mighty I AM Presence" uses to produce those Qualities of Perfection in the physical world, as well as in Its World of expanding Perfection at Cosmic Levels of Creation.

If one issues an Ascended Master "I AM" Decree to enfold a person or condition in Divine Love and Compassion, a Ray of White Light clothed in an outer Radiance of Pink Light flashes forth instantly from the head, heart and hand of that one's Electronic Body (the Upper Figure in the Chart). It goes directly to where the individual sends It and keeps pouring without limit, until the Decree is completely fulfilled.

If the person to whom this help is directed is too disturbed or discordant to accept the instantaneous fulfilment, the fully Perfected condition waits outside the aura of that one, until the energy of his emotional body becomes still and
harmonious enough to let the Perfection desired enter into the individual and bring its blessing.

The very important thing to remember is that when you issue an Ascended Master “I AM” Decree, the Light Ray which goes forth from your own Electronic Body, instantly becomes enfolded by and qualified with the Ascended Masters’ Consciousness and Feeling of the Perfection desired. That holds all the substance and energy in the condition in a rate of vibration which no human discord nor resistance can ever change.

Therefore the Light becomes the eternally sustained Perfection of the Ascended Masters. In this way everything anyone does in the use of this Ascended Master Instruction of the “I AM,” is always a perfect accomplishment because the Quality of Perfection is eternally sustained, but the quantity is constantly expanding.

So as the student sends forth his Ascended Master “I AM” Decrees, he should always visualize and feel the Upper Figure in the Chart, which represents his own Electronic Body, sending forth the Light Rays, enfolded in the Ascended Masters’ Perfection and fulfilling his call instantly.

If one requires supply of any kind, including money, he should see a Ray of Golden Light enfolded in bright green go forth from his own Electronic Body, calling to the Ascended Masters to qualify it with Their Eternally sustained and ever-expanding supply which can only be used constructively.

This is why the constant use of the Chart brings such great Perfection and holds it eternally sustained; because when you look upon that Chart, you are visualizing Perfection and absorbing It into your feeling every moment you accept Its Presence.
ELOVED ones of the Light, in conveying to you to-day something of the Great Law and your part of It, try to understand that the Law of Life excuses no one, no matter what the cause may be. If an individual is not wholly responsible, then the responsibility of course is less, but if one willingly does a thing, then that one is wholly responsible for it.

Before proceeding, I wish to say something to the blessed ones of Cincinnati and Columbus, Ohio: “The discarnate entities have been removed from both cities within the city limits.” Cincinnati has been calling for a long time and We shall certainly call blessings upon the city of Columbus which has made possible the return of the answers from many of the students in regard to the vicious conditions that have been generated.

It requires patience, beloved students, to allow the Great Law of Life to act to produce the return currents, but such is the Law. You cannot send out something without its return. Every
vicious individual who sends out falsehood and tries to tear others to pieces, must be torn to pieces by his own viciousness.

We have just recently received a Dispensation—I have received this Myself—wherein it gives Me a certain Freedom to act upon vicious individuals and I shall use that to the fullest of My Power and Ability. So rest at peace, beloved students. This attempted viciousness will soon disappear.

These beloved Messengers who never harmed a fly have been set upon by such depraved creatures as put forth these articles. Those individuals will yet understand, they are dealing with a Power of Light with which they cannot cope. They have made many sneering remarks but they may yet see them fulfilled.

This world, this sphere of earth has had a long fierce struggle. I have been a part of that struggle. I have gone thru what no other Being upon this earth ever went thru! Therefore, can you imagine My Determination to free the earth forever from human discord and viciousness?

To think of the many wonderful people in our government and in our industries who even yet hesitate to assert themselves! You remember your Beloved Saint Germain fired the men in signing the Declaration of Independence. In the Dispensation which is given Me, one of the things is to fire these fine men and women of America into an activity that will do things for America which alone comes thru that. I know how to reach these people.

You need not be surprised if you hear of appearing here and there all over America, because if necessary We shall not hesitate to do
to win the Victory We must win. We are determined that the vicious forces in America which already know they have failed, shall feel their failure in its fulness.

Do you not see this, beloved students? The pity of it is, many do not believe Us. Oh, if you saw as We do the treachery and deceit which is going on—even sometimes among those claiming to be students. Why will people do these things? Why will people intrude themselves into something in which they have no belief nor acceptance? But every one of these people will be weeded out. I ask you to watch and observe it.

Saint Germain has told you this for some two years that there is no person going to remain in this Activity claiming to be a student, who is not a Real student. I warn you, beloved ladies and gentlemen, a person who continues to use intoxicants, tobacco and all those things which bring depravity upon mankind, is not a student and never will be so long as they continue that.

Now don’t kid yourself—pardon the expression—into believing that We do not know; that your Life Stream does not know. How can people be so foolish? Your Higher Mental Body knows every thought, feeling and motive which ever passed thru your feeling world and so do We. Then why try to go on deceiving Life or your fellow-man? There are those in this room to-day who are trying to do it, but they alone must pay the penalty.

Dear people, We are offering the Greatest Gifts of Life. I am speaking wholly outside of your call to Life. We are offering the Greatest Gifts of Life to you. Can you do anything for Us, except to pour your Love and Blessings to Us? We
have everything, and yet, We are willing to come into your human octave in the vibratory actions that are here. Do you understand, dear people, what it means—a Pure Being coming into the octave of earth? We must clothe Ourselves in Invincible Armor to shut out the vibratory action while We move here. Sometimes, it is like a Garment of Light, sometimes it is like a Shield of Armor, according to the requirement in which We move. But if you do not believe Us, what are you to believe in the world? You do not believe each other, at least most of mankind do not. If you cannot believe something that is Greater Wisdom than you, how are you going to be lifted out of the conditions in which you exist?

This Truth and Law are just as practical as your schools of to-day. The little children go and are trained until their graduation. We are Those who have gone on and are Free. We do wield this Power and poor foolish imbeciles say: “Well if You wield this Power why don’t you use it?” Never in their ignorance stopping to think that the Law of Life from the lowest to the highest must be complied with. Their ignorance could not see that, but you can be sure We never fail to co-operate with the Law of Life and Its requirements. The whole scheme of Life would be upset were We not to do that. Life does not permit disobedience anywhere in the Universe without penalty.

Now remember, these classes are being closed to give you the Greatest Blessings ever given mankind on the face of this earth. I ask you in the honor of your own Life Stream and that of your Higher Mental Body, if your motive is not clean, right and sincere toward this Light, to
withdraw from this Activity! Once We pleaded for mankind to study, apply and understand this Law. We do this no more! Mankind has had the opportunity for five years and now if they will not study, apply and understand, the very repellent force of their own Life Stream will throw them out of this Light. We know who is sincere and who is not. Watch the activity of these classes as they are continued closed; and you will see how the repellent forces of a destructive individual coming into a class room like this, will not let such an individual to remain twenty minutes.

Therefore, dear people when Life offers you, when We offer you the Greatest Gifts of Life and almost plead with you to accept them, be honest with Life! Let your motives be right! I know what mankind's habits have been for centuries and that is why We have been so patient. The whole activity of mankind has been to try to deceive each other in business and in social affairs. God alone knows as We watch the social world, the terrible seething vortex of treachery and deception. What a pity (is it not?) that mankind have forgotten that each human being should be a God Being and the Light that beats each heart and gives each one Life, is the God Being within the human form.

How can anybody doubt this Great Light when the evidence is before every human being? The intelligence, Light and energy that beats each one's heart is acting there thru every human being. When Life withdraws from a very active form which a few minutes before was so buoyant, the body lies there as absolutely helpless as an infant—more so when Life withdraws
—then Life was the Intelligence and Power acting within the body. How can human beings fail to see this, when it is before them constantly? How mankind dislikes to face the Great Great Truth! How they dislike to turn, face themselves and see what they have done that is wrong! But only by doing so can you correct your mistakes.

Do you know why your Beloved Saint Germain and We love these Messengers so much? Because from the beginning they have, without Our asking, turned daily and faced themselves. They have asked the Power of Light to take out of them every human impulse. That is why they hold the position they do to-day. You have not seen behind the scenes, dear people, you do not know what these Beloved Messengers have gone thru to carry on for your Freedom, for your happiness and for your supply. You will never know until your Ascension; but they have been brave and strong. Now that the beloved student body thruout America are ready to leap to their rescue and defense, then will Life become more joyous and give them Greater Freedom.

Remember, my dear beloved students, Saint Germain searched this earth for more than one hundred years for someone who would be strong enough to carry this Light and at times He almost gave up, thinking that there was no use to search further. Then, one day, when He remembered His Children of the long ago and looking into the Life Stream saw the strength which was there, He said: “We shall try it out,” and it has been far more successful than He could have anticipated at its inception.

During the past hundred years, after the establishing of the Freedom of America and He
saw the greater, greater and greater strength ac-
cumulating, suddenly He saw the time was ready
to try it out. It has not been in vain. To have
achieved this in the few short years is a miracle
of the ages, dear people; and remember for five
years these precious Messengers held their own
defense and asked no one’s assistance. You will
notice that during that time not a single thing
happened of any appreciable disturbance.

Now your future, beloved students, depends
upon your honesty to Life, your Purity to Life!
Do you understand that in the coming forth of
the Goddess of Purity, you could as easily almost
as breathing have every impure desire taken out
of you, your mental and feeling world and it
would be forgotten? However, please do not feel
that you can just go on with your old human
habits of centuries upon centuries standing and
expect to gain your Freedom. Life is looking
everyone in the face to determine each one’s
strength and what every person is going to do
now, so that Life may give everyone his or her
Freedom.

Your Ascension is offered you at the close of
this embodiment, absolutely certain and definite,
if you comply with the little We require. Is there
a human being on this earth who would not want
that, after you have lived hundreds and thou-
sands of lives in privation and distress?

Recently, I heard two students say: “Well
anyhow, we do not retain the memory of those
lives of privation, we lived before.” Don’t be
too sure of that. I would never make that remark
again, for Life may suddenly turn loose and re-
veal those embodiments to you. Do not play with
Life! Do not defy Life, my dear people!
Since the Mighty Victory came to the Royal Teton, everything upon this earth is undergoing terrific change, with a Speed and Power incredible. I would not even attempt to describe it to you. So many Cosmic Activities have already occurred in the sky and yet people pass them by as just a passing thing. If you are not grateful for the small things, how can you expect the greater!

There have been innumerable Cosmic Activities in the sky within the past year. When the Messengers were in the Auditorium Theatre in Chicago, a white cross lay over the Auditorium for more than two hours and most of the body of students saw it. The Messengers have a picture of it. That had to be substance to produce a picture. The Messengers do not know it to this minute, but certain things were planned then, which the Cosmic Light hovering over the building prevented.

Beloved ones, you can have the Glory and Invincible Protection of the Cosmic Light and These Great Ones, for the little that Life asks you to give in obedience—just your sincere devotion to your Presence and harmony maintained in your feelings. So very little to ask for all the Great Gifts that Life will give you! I could not enumerate them, but these are Activities which are yours, ready to pour forth into your Life, use and world of action; but if you will not believe, if you will not accept them as yours, how can you have them?

We are so very grateful to the management of this building and the student body who have been here, for the service that has been rendered for your government during these days. It will
be even more intensified in the coming ten day class here.

Do not talk about these classes outside, dear people. Spies are everywhere and in the future there will be no outer notice of when or where the classes are to be held. After all, We are in a position to control conditions when We choose to do so; and more and more there will be Ascended Master Friends raised up everywhere to bless you and these Beloved Messengers.

Remember, beloved students, many of you have not heard this, but thru the call to this Beloved Messenger alone, (Mr. G. W. Ballard) over twenty thousand instantaneous healings have been achieved by his calls in five years. There is no such other record upon the earth as this, and yet there are people who want to destroy him. Do you not see the difference my dear people between Reality—this Great Wise Truth—and the falsity and viciousness of mankind? These are conditions now that must be met and are being handled. We are gaining more and more Authority in the conditions of earth and for the student body every week and We shall assert this Authority to the fullest extent as it is granted.

Therefore, in your own individual application, be earnest, honest and sincere, dear people, as if your very Life depended upon it. Do not try to deceive each other. Do not try to deceive Life. Do not feel you can do something under cover that is not known. Such a thing is impossible. You might hide it temporarily from your fellow-man, but not from Us nor your Higher Mental Body. As you feel that and determine to cancel deceit forever from your feeling world, your joy and happiness will grow in leaps and bounds
and you will see that you never really experienced the fulness of happiness, until that deceitful feeling had left your feeling world.

If spies and people come to you for information, it does not mean you have to tell them all you know. If you know there are people asking what they should not, tell them it is none of their business. Oh, do not hesitate, dear people. Some of the false training that has made people hesitate to assert their dominion, in order to hold harmony in their world is outrageous. Dear people, do not hesitate to use the Great Law to produce these results. You have struggled thru thousands of centuries and now your opportunity for Freedom is here. Will you enter in and do the little that is required that you may enter into Freedom and the door of discord and limitation close behind you forever? I thank you.

· GEMS OF LIGHT ·

"We have come to the time when the individual who will be dynamically positive in the application of this Law and let people know that you know exactly what you are doing and that there is nothing can interfere with it, will absolutely wipe out of existence all human resistance.” (K-17)

“You have seen in the work of the Messengers wherever that Great Positive Force has gone forth, the human quality was wiped out which would have become disturbing or destructive.” (K-17)
ELOVED Students of the Light, even though We pass thru some trying experiences, still We are happy; still We are victorious, as you will presently see.

I can only briefly touch, to-night, upon the many achievements in Europe and here during these past few weeks. You would think probably that in the experiences at home, We should remain at home, but after all the world is Our Home—the world is your home really. In your knowledge
of the “Mighty I AM,” you no longer are an individual serving one, but serving all in the great calls to Light.

Children of the Light, while this has been said so many times, I repeat it again to-night because I want you to feel all it means to you and the encouragement and strength which it is in your application and in your Group Work. If you stop to contemplate what it means to send forth a Force of Light, a Pressure of Light which is non-resistant, if you please, into the mental and feeling world of mankind, you will see how tremendous is your Power to hold the Victory of the Light everywhere. Only We can possibly observe the effect upon people whom It touches.

For instance, just to give you a brief idea. The Groups of students in Germany that are really very wonderful, have been accepting the calls of a million people in America, for the solving of the conditions which exist there. A nucleus of Power, a Focus of Light, enables this Light to establish Itself and then spread. Those people are issuing the Decrees the same as you are. Therefore, that Power and Pressure of Light is going forth into the mental and feeling world of mankind. Its far reaching Power, my dear people, is indescribable.

Your far reaching Power of Light here in America in the mental and feeling world of mankind is indescribable. It is unnecessary, but I could give you the exact figures of exactly what it has done in these five years.

You must remember that only as mankind in the outer mind come to know a thing and then become resistant to it, is there resistance in the feeling world of individuals. If the outer knows
nothing about it, there is no resistance because the Inner wants Perfection of every description. You see the Higher Mental Body of every individual wants Perfection the same as you do but because the outer being is so imbued and charged with the affairs of the outer human creation, it does not admit the resistance is there, until some day some tragic thing occurs. Then the Light breaks thru that and temporarily, sometimes permanently, the Light re-establishes Itself.

You, to-day, have this very great privilege and if you are just patient, you will find We are quite able to cope with conditions, not always as you would like to have Us do perhaps, but nevertheless, We must use a Power of Light that is permanent. You know to force a thing is not quite the permanent way to handle conditions, although I do not wonder that mankind seem to feel sometimes it is quite justifiable. However, after all, when you are dealing with the Law of Life, you must abide within It.

I do say this to every Group Leader and those in every Sanctuary and Reading Room in the land—especially the Sanctuaries and Reading Rooms: "You must take a more positive stand, release a force in those places and throw out people who get nosey. There is no law in this land that allows anybody to come into your place and snoop around." I can use your language quite as well as you, but I want you to see and understand exactly what that means.

Do you know that our blessed Frances Ekey has been the first one among the student body to expose the spies and treachery in their midst? That is the signal for what will be done throughout America. You must not feel afraid of those peo-
ple! Every one of those individuals is a coward at heart and if such people see you are not afraid of them, they will get out of reach fast enough. These are conditions which for a little time now, must be met by a Very Positive Force.

You just wait, beloved ones, until these classes have been closed for six months or a year. If you do not see a scrambling in the outer world, then I will miss My guess. Many in the outer world actually thought that you and the Messengers had to have these people. Well, We happen to have Dispensations instead. We are resourceful—you might have noticed it.

In Europe, I was known as one of the Greatest Diplomats. I hope I have not lost My Diplomacy. (applause) The people in America at one time or another might have doubted My Reality but the people of Europe know very well I am Real! There are hundreds, if you knew who they were, to whom you could go and mention My Name and they would bow on their knees, because I have served them, because I have protected them from drastic things. Everything, dear people, depends upon that which is within the Life Stream of individuals. I mean by that of course, people who do not understand about the Consuming Flame, could not be expected to have anything consumed, because there would be no way of doing it.

I say to you dear students—I notice the Messenger called your attention to it—if you believe for one minute that you do not need to use that Violet Consuming Flame, you will wake up one day to great unhappiness and distress in your world. When you have touched this Light, dear people, you cannot take part of It—you have got
to have the Whole of the Law or none. When We in Our Great Gifts of Light and kindness, tell you what We know is the absolutely positive imperative need as to what is to be done and then you do not believe Us, you will find you have made a mistake. There is not one human being living in embodiment to-day who does not need the Violet Consuming Flame more than any one thing in the world, aside from the knowledge of his or her own “Mighty I AM Presence,” because you have got to have dissolved this accumulation thru embodiments of hundreds and thousands of centuries.

Lesson 7. Dear people, now please listen: when We have offered you the Gift of your Ascension by a little obedience, if you doubt that for one second, please do not remain in this Light or under this Activity. Do you think for one minute that We would raise your hopes to something We did not know could be attained? To do such a thing would be the most vicious thing on earth and We do not happen to be that kind of people. When We tell you something, We mean every Word We say; and if you can believe It and accept It in your feelings, you will have the Blessing.

Almost the entire number in this room, to-night, if they would give this little obedience We ask, could have their Ascension at the close of this embodiment. My dear people, won’t you awaken and see what that means? The Ascension is as practical as your gasoline engine, because it is the Law of Life. You could not accomplish It physically in a million years but your call to your “I AM Presence” in the Activity of your Higher Mental Body, can raise you and draw
you into your Ascension—but be practical in the process to-day. Go on about your regular business activities. There are dozens and dozens of times, for the moment during the day, when you are not speaking to someone when you can send the call: "‘Mighty I AM Presence’ charge My Higher Mental Body to raise me into the Ascension in this embodiment." My dear people, those constant calls can be going forth throughout the day silently. Your Higher Mental Body hears everything and with the strength and substance which would go forth from you in that call, you would quickly bring about your release.

I do not think it is just wise to give you the details to-night, but We have secured a Dispensation for certain parts of Europe, in which We can render tremendous Service to the people there who are really good and loyal people. Oh, do not think, my dear people, that all the people of Germany are Nazis. There are many wonderful people there. There are many wonderful Germans in America, but there are some who are not so wonderful. They are comparatively few in comparison to the great number who are wonderful and even with some of those it is not always their fault. Sometimes, they are forced into destructive conditions. Only within a few days, information has been conveyed to them to be on guard and accept no more of the dictations of the gestapo of Germany.

If you only knew how that vicious activity once, not so long ago, held sway in America, you would not believe it possible, unless you saw with your own eyes; but these are conditions that it was largely up to Us to tear out by the roots and it is being done with a steady, sure, powerful Pressure of Light.
Therefore, be wise, dear students in the future. We have done for the present what We can do, so far as reaching the people in the outer, the public, is concerned. When We begin again, We will have reversed the currents which were dragging in the wrong kind of people. The great achievement of five years thru these humble Messengers and your wonderful assistance, is unparalleled in the history of the earth. One day, I shall take you and show you the exact records of all that has been done and what this achievement of five years has been. We sometimes mention it, but my dear people, it is only a fragment of what is actually being done.

We have a means recently established by which We can reach people, certain people, at any time. This I have been endeavoring to do for almost sixty years—at last it is accomplished! This will help tremendously in the regulation of things and in the raising up of Ascended Master Friends which you have been calling for as defenders of this Light.

The puny minds who have been unkind to this Light do not know that the government has watched this Activity from the beginning and knows that there is not one harmful thing in it; but only Great Good, Great Blessings, to America and great blessings to the people who will apply this Truth. K-17 saw to it that this was done.

Therefore, in all that must be met (and really there is very little in the future) use wisdom! Rejoice in your Victory of the Light in the knowledge of your Great Presence of Life; for unless you have tested out individuals and find them to be really sincere, give them no information whatsoever. If you, as students and Group Leaders,
will take this stand as the Messengers suggest to you, just say: "If you want to find out about this Great Light, read those books, and when you have read them many times come back if you like, and I will talk to you." Compel them to read those books.

Really, beloved students, you can never so wisely spend extra moments you have as to read a few pages of those books. It will keep you in attunement, in touch with Those Great Powers of Light. My dear people, every Dictation is Real! Every Dictation is by the Individual whose Name is attached, and you draw from that Individual His or Her Power of Light and Special Qualities whatever they may be, when you are reading them. You are doing exactly as you would to your school teacher. Your teacher says: "This is the rule for the problems you have here." You do not say about your teacher that "He is crazy," because you would never solve your problems. You say: "He knows, he has proven them." You go ahead and use his rules and they solve your problems.

So with man to-day. You may know the Greatest Laws in the Universe, but without your own application of Them, you will never prove Them in the world. Mankind is at the point where they must prove these things for themselves. It is wonderful to do Us the honor to listen to Us, but it is far more wonderful and honorable to Life to apply the Law and prove It to yourselves conclusively.

My dear ones, let Me say again that there is not one of you who cannot successfully apply this Law if you will first stop and still yourself and ask the Higher Mental Body to dissolve the hu-
man qualities—doubts, fears or whatever human obstruction is there. Sometimes, you get excited and rush into your application and accomplish nothing at all. It is in the stillness that your Great Life Stream can pour Its Power of Harmonizing Activity forth to render the service.

Really, dear people, will you please whenever something suddenly confronts you, if necessary take time enough to go by yourselves for ten minutes and still yourselves. Call the Powers of your “Mighty I AM Presence,” your Life Stream into action to move before you, to harmonize, to control and to solve that condition. You will find It will do it, but you cannot do it if you go into it with agitation and disturbance. That is why many have not had the successful application they would like, but the Law is the same. The Law does not change for anyone. You MUST ABIDE IN THE LAW to have Its Great Results.

Therefore, to-night I would like you to hear Me say it, because it is true, that I consider this one of the most successful classes to the Powers of Light that We have experienced. (applause) You remember in taking moving pictures, if you have observed they often are compelled to shift locations. Well, We decided it was wiser to shift locations and out of it has come greater good than We could have really expected at the moment Ourselves. Again, I give thanks to the blessed management of this building. I want everyone who has come forth with such great loyalty and assistance to the Messengers to know that I shall endeavor to bless them as never mankind was blessed.

I was talking yesterday with the Goddess of Light and Nada. We were referring to some con-
ditions upon earth and I said: "Will not those blessed people one day rejoice, when they are free from having to think about money?" If you have a lot of money, it takes a lot of energy to take care of it; and if you don't have any, you are using a lot of energy in wanting to have it. So after all there comes a balance. If you really know that your "I AM Presence" is your Treasure-house (and my dear ones, never was anything in the whole wide world so true as that) then you must be supplied. Of course your Presence does not hold coined gold to release, although We could produce plenty of it and the greatest technicians in the world could not tell the difference. (applause)

In Europe for more than one hundred years, I precipitated gold wherever I moved and used it, but you must be wise in doing that. We have the numbers, We have the record of all the gold coin in each country and of all the money that has been destroyed. Therefore, when we utilize this privilege, of course We balance with the Treasury of the Nations where We are. After all, could We be expected to live under human laws, when We have risen above them? Isn't coined money man's creation, to see if some one cannot get more than the other? Isn't the exchange of the world but man's creation? A few years ago, the marks went down until millions and millions of dollars were lost, because some individual said it should be so.

Money has been gathered from dozens of avenues over America to be sent to Germany and the Nazis; but I have My Eye on every bit of it (applause) and if I cannot prevent it otherwise, I can change and shift its location.

28
Some day, when I become a Moving Picture Director, I shall show you what can be produced. Already I have plans that mankind may see in action the circulation of the blood thru the body and the circulation of the nerve fluid thru the body. When individuals stand before this to which I refer the reflection before them will show any spot or circulation within the body. You will see it and you will be able by that which We shall give you, to dissolve any imperfection instantly. It is not exactly a mirror, but a means of help by observing its activities and applying the Laws, without allowing accumulation of long standing to gather.

You see, dear people, the reason so many things occur in the disturbance of mankind's bodies is because so much accumulates in the feeling world before people have discovered it. They do not know it is there until it begins to out-picture thru the body. Then, sometimes in order to use wisdom, it takes a little time to dissolve and cause it to disappear without doing it too rapidly. Of course with Us, when We do a thing We can do it with the sweep of Our Hands, which you could not do; but after all We are the Law upon whatever We act and will you please see this and accept it to-night?

As you observe in the Chart, the Golden Radiance enfolding your own Life Stream, thru which We pour into your world Our Substance and Qualities, do you not see—provided you believe in Us, feel Our Reality and make the call to Us, after you have called to your Presence—that We can give you Assistance, at first, which you will not get from your Presence, because of
your lack of confidence? That is why the world needs Us so much to-day. That is why the student body needs Us so much to-day. We can do for you what you cannot possibly do for yourselves and that is your only salvation, dear people. With Our Assistance, you gain a far greater intensity from your calls to your own Life Stream. Yet We are One with your "Mighty I AM Presence."

An Ascended Being is the Law of Life, just the same as your own "Mighty I AM Presence," only We have carried the Purified Substance of earth into Our Octave which enables Us to act in all capacities, either in the Octave of Light or here. That is why We are able to supply things and do things that mankind cannot as yet do for themselves. Now, you are all coming to the time when you will be able to do these things and call them forth.

I want very much as soon as possible to show you a little something of precipitation. I want an audience like this to see come out of the atmosphere that which remains a physical substance, or at least a tangible substance—it would not be physical, because it would be wholly pure, but it would be a tangible substance.

In these closed classes—I cannot tell you when this might be done, but abide in Our Wisdom as to such time as it might be. I want this for YOU, not for the public! Really, dear people, if some such thing occurs, I trust every human being on his or her honor never to say a word outside of the class room about it. You would be beset by thousands of humans beings just out of curiosity; and if you do not listen to Me, you will see too late. Enjoy these things. In the Retreats of
India where these things are so often done, it is a most sacred thing. No one ever speaks of it outside of these walls, if it be a banquet or whatever it may be. Now, you must feel the same. You must feel this Great Law is sacred and not to be talked about. If a Manifestation occurs small or great, you must consider it the most sacred thing in your Life and not talk about it.

You know the American people are very talkative. They have never thought it necessary to curb themselves by self-control; while the people of the East, the Orient, have been taught the opposite—silence. Now there must come a balance. The Orient should have just a little more talk and the Americans should have just a little more silence; then you will find a great great blessing pour out upon you.

Now, dear ones, We want to do these things for you, but We cannot over-step the Laws of Life and you can be sure you will not have to ask Us the second time, when that moment arrives. It is Our Intent and has been from the beginning that when We do begin to appear tangibly to you, that We may continue to do this and to act among you to become the Law for the student body—and when We do that, I assure you there will be no Peglers or Millers. (applause) They are just passing shadows and the student body is keeping them quite busy now. May the students continue, until they show the world their stand for the Greatest Light that has ever been known to man.

I love you, I thank you and I bless you, precious Children of the Light. May the Glory of your Light expand and may Our Courage pour into your world with the Strength and Power
to hold you in the Dominion of that Light until you win your full Victory and Ascension!

I say again, your Ascension with the little obedience asked is assured and is as practical as anything in your mechanical world. Your calls set the Powers of your Life Stream into action to bring that Raising Power which cleanses, purifies and lifts you one day into your Freedom. Feel this! Do not think it is unusual. If you do, you just delay the opportunity. It is not a thing unusual, because Life is the most practical Activity in the entire Universe. Life has produced your mechanics and everything that is in your world of mechanics to-day. Life is the Intelligence, the Mighty Focus and Purity of Life in the "Mighty I AM Presence"; and the Higher Mental Body and the Ascended Beings are without limit.

Therefore, to-night, will you accept Our Blessings, every one of the Ascended Masters, the Cosmic Beings, the Legions of Light and the Cosmic Light, to hold you in Their Mighty Embrace of Light, until the fulness of your Victory in your Ascension is achieved? Remember, everything We can do to be of Assistance comes without asking. All We require to see and know is that you are truly sincere; that you are making your utmost application, then everything will be done to give you Our Assistance. We are not limited in any manner whatsoever.

Take Our Blessings, take Our Word to release from your Treasure-house the money supply you require until that day when you no longer require it; when you move and hold your hand to the Light and receive Its Gifts upon the instant. I thank you.
MERICA! "Land of the Light of God,"
Great Heart of all things Divine,
Arise in the Strength of Great Hercules,
And shatter all chains that bind!

Thou art the Heart of the "Light of the World,"
God’s Cup of Life’s Holy Light,
Guard well Thy Trust for the children of earth!
Be strong in all that is RIGHT!

Let the "Mighty I AM"—Its Blazing Pow’r
Hold Victory evermore,
Let Its Glorious Love and Unfed Flame
Guard constantly Thy Great Door!

George Washington, Lo, has ascended now,
And He guards Thee as of old,
The Freedom He brought thru our Flag shall wave
Forever in Love untold.

America! Land of the "Great I AM,"
Our Country—our own Blest Home
The Ascended Master Nation of earth—
THY ASCENSION TOO HAS COME!

—Chanera
“Give all power to your ‘Mighty I AM Presence’ and see that nothing gets between you and Its Perfection. It is the most vital thing in any Life.” (K-17)

“To-day, in the treachery that exists in the legal interpretation of the laws there is not a thing that really could be permanently protected, except from the Inner Call to the ‘Mighty I AM Presence.’ Your call would cause the Presence to act thru a legal form or activity to produce protection for you. That is all the protection anyone has to-day. The distortion of the legal activity of the outer world is so great—I mean that legal channels will not protect you, without your call to the ‘I AM Presence’ to act thruout the legal quality and action. (That should be known by the students.)” (K-17)

“Human qualities have no power before the Power of Light. If you once get the full conviction that all you call forth is the Substance and Power of Light which knows not one single resistance to human qualities and human qualities have not a particle of resistance to It, then you know This Light goes into action and all human substance and qualities dissolve before It. I tell you my dear ones, if you only get the full conviction of that, you are Master of every condition by the Power and Substance of Light. You can do it by the demand TO HAVE THE FULL FEELING AND CONVICTION that to this Light Substance which you call forth there is no resistance. Therefore, It goes into action to a given objective at your call and does what you require. Therefore, that is the end of it.” (K-17)

ANNOUNCEMENT No. 2

We are happy to announce the release of all songs now used and authorized by us in all our classes, those of the Appointed Messengers and Volunteer Advanced Workers, also "I AM" Study Groups, in Loose-leaf form to fit the Special Decree Binders.

This Group of songs contains all of Mr. G. W. Ballard's songs which have been released to date. It is well that all "I AM" Groups secure and use these because of the vibratory action they release; also the Assistance Daddy Ballard can now release thru them from His Ascended Master Octave.

These Loose-leaf songs may be secured from the Saint Germain Press, P.O. Box 1133, Chicago, Illinois, for 1c per page or 2c per leaf, same as the Loose-leaf Decrees.

We also have a quantity of the original Song Books (both new and slightly used) formerly used by us. These do not contain the complete list of songs, but will be of assistance in Beginners' Groups where individuals do not have the Loose-leaf Songs.

NEW MUSIC

IT is our great privilege and joy to announce the release of two new songs by Godfré Ray King (Mr. G. W. Ballard) "Nada Our Love" and "I AM" Come, the lyrics of the latter by Chanera. They are charged with tremendous Power of Light and bring dynamic Blessings and Power from Nada and Jesus direct.

During the Seven Sacred Weeks beginning with November 30th—Thanksgiving Day—until January 18th, we ask the "I AM" Students to use these two songs as much as possible because of Jesus’ more intensified Out-pouring during this time, when the attention of most of mankind is upon Him; also because of the Dispensation from the Great Central Sun for which He has been calling.

If the students will call to the Great Central Sun to give Jesus this Dispensation and use these songs, as a means of attunement and release of His Power and Victory of Light, they will render a tremendous service to America, themselves and the world.

NADA OUR LOVE

NADA OUR LOVE is dedicated in Eternal Love, Gratitude and Blessing to the "Mighty I AM Presence" and the Beloved Ascended Lady Master Nada, whose Blessing to the earth is so transcendent, Real and magnificent beyond description.

May the Great Cosmic Light expand Her Power thru this song, until It brings the Victory of the Light everywhere on earth forever.
It was first sung in Chicago and is dedicated to that City because it is the permanent atom in the heart of the world and America is that heart.

May our Beloved Nada bless the City of Chicago, until it becomes an Alabaster City of Light, within which stands the "I AM" Temple of Light with the Glorious Unfed Flame blazing forth Its Perfecting Balancing Power to raise every human being into the Ascension.

May all the Ascended Masters' Power of Light, Love and Wisdom fill Chicago with the Victory of Light so dazzling, as to bring forth Its full Perfection quickly.

May this song be sung throughout the world and everyone who uses it receive his own individual Freedom and Victory of the Light instantly.

"I AM" COME!

"I AM" COME has been brought forth as a Magnet of Jesus' Power of Light. It is a Focus of our acceptance of Jesus' return in His Visible, Tangible, Ascended Master Body.

Every time it is sung, played, heard or the picture contemplated, each individual's energy gathers into a Focus of Light, Love and Power that becomes the Magnet of attraction which draws Him again into close personal association with those who accept His Tangible Presence here on earth with us NOW!

Jesus has come many times in the last two thousand years in His Tangible Ascended Master Body to individuals who called to Him for help. He will always come even now to those who will purify themselves and make the condition necessary for Him to come! He said: "Lo 'I AM' with you al-
He told the Truth! He can and will come to everyone who will provide the right condition to attract Him.

Jesus the Christ has stood in our own home many times in His Visible Tangible Ascended Master Body. He has held us in His Arms. We have kissed His Hands. He is Real! No power nor human being on earth can ever change that Truth and Reality which we know to be from actual personal physical experience. We stand by It for all Eternity, because IT IS TRUE.

His Voice spoke the Words of this song. They are His Answer to our hearts’ call for His Presence. They describe His Activity of coming thru the atmosphere of earth and that which He is doing NOW, for the Freedom of mankind.

May everyone feel the Truth of these Words and have the full Blessing which they bring.

"I AM" Come was first sung in Los Angeles and is dedicated to that city where once again the Power and Victory of the "Light of God that never fails" shall come forth in Its Fulness and make it an Alabaster City of Light, to which the Ascended Masters and the Angelic Host will once again come forth tangible to the physical senses of mankind. Unto that end, do we use this song for the Freedom of all.

"I AM" Come has been made in a Victor Record by the trio of Voice, Harp and Novachord.

1. Our Loose-Leaf Binder and Decrees

It is our privilege and we are very grateful to announce the release of a Loose-leaf Binder for Special Decrees as they come forth from time to time. It is made in extra heavy green cloth to match the SAINT GERMAIN SERIES and stamped in pure gold-leaf.

As new songs come forth the lyrics will be printed to fit this Loose-leaf Binder also. (Three will soon be released.)

This fills a long felt requirement of the whole student body and will make unnecessary any mimeographing or copying of Decrees by the Group Leaders or students. The Decrees will be copyrighted so no mistakes can occur, and we ask everyone to respect Saint Germain’s Copyright in
order to keep all accurate and True to His Decrees for Perfection.

The Loose-leaf Binders will be released about the last week in November and are for sale by the Saint Germain Press. (We will soon release sixteen pages (8 leaves) of new Decrees.) Ten (10) Pages of these Decrees is the smallest order we fill. Binder Price $1.25 ___________________Postpaid $1.40
