ELOVED CHILDREN of the Light and friends, whether you understand it or not—if you are here for the first time—will you be kind enough to accept that which I offer you in the Power of Radiation tonight? While the Messenger is voicing My Words to you, understand that this which I give you is a tangible Current of Energy, flowing in and through your body to render you a service which words could not convey.

When from time to time We have offered to release these Currents of Energy into and through your body for a special purpose, We see and know the exact Activity, the exact condition that is produced by it. The Messenger does not see this, except in an occasional instance, but We see and know exactly what Our Currents of Energy released into your body and feeling world are doing. Therefore, We can say definitely what is accomplished at a given time. Were you to understand and give complete obedience to your Life, by continued harmony, following the requests which have been made, you would find yourselves in a position to in a short time be Master of yourselves and your world.

You have heard and read of the conditions of the Masters of India. That is REAL. Almost any human being these days can go to India and see some one of those Great Masters; but they are not Ascended Masters. Remember this condition of the release of the Cosmic Light to the earth has made it possible for hundreds to contact the Masters, if they so choose, by going to India and to certain places in the Orient; but I say to you, no
Master in this Universe can give you more than your Life can give you. No Real Master will do more than to call your attention to certain application and certain comprehension of the Law of your Life, if he is a Real Master; but the man who comes along and tells you he can make you a master for twenty-five dollars is rather stretching the Truth, and you will find plenty of people in America who tell you they can do that. I tell you they cannot! You can believe them or Me. It is not possible to confer upon another that which each one’s own application must release from his Presence of Life.

Therefore, I say to you beloved students and friends, in the beginning of This Work and the Messenger’s first visit to the Royal Teton, when I set aside the old occult laws for the earth to act no more, I knew what I was talking about; and that Fiat has gone forth and will forever remain in action upon this earth, regardless of any human opinions to the contrary.

Now then, beloved ones, understand this: you could go to India; you could contact these Masters; you could pay thousands and thousands of dollars getting there and getting back and when you got back, you would have to apply the Law if you got anywhere. You have the Law before you without a dime to-day and I am very grateful to see that so many of the students are releasing tremendous gratitude for this Mighty Truth; because you have everything that any Master can give you in this great application of the Law and it comes to you as a free Gift of Love.

All you are required to do is to make your call to the Presence of Life above you and feel that It is there. You do not have to have faith, but if you
will make your application, your faith will be boundless. In all that has been given you, if you listen to falsehood and discord and are disturbed and side-tracked by it, then the fault is yours. We cannot help you if you want to do that, but if you will stand by your Presence with firm determination and unyielding, you will have all assistance and the proof your Presence of Life will give you, will satisfy the most exacting; but you must want It more than anything in the world. You must want the Light for the Light Itself. If you are seeking the Light, beloved ones, because your pocket-book is empty, you have the whole action reversed.

Many have said: “Oh my dear, if I had the money supply, what I would do”! I wonder what you would do! Do not reverse the action of Life. In your willingness to serve Life, if you will give It obedience, Life will release into your hands all the money supply you require to go forth in the Service of the Light, and do not one of you doubt it for a second. My dear ones, you cannot look at the Presence with one eye and the conditions of the earth with the other and get results. You must keep both eyes there on your “Mighty I AM Presence” where they belong. When you have not been having the results that you require from your application, it is because your attention is divided.

This Law cannot fail to produce results, never did and never will unless you knowingly or unknowingly are allowing doubts and questionings in your application to act. Look, beloved ones, these Messengers have not had a single failure in their application. You have the same determination they have and they have rendered a service indescribable. There are thousands of people who
have been healed at one call of the Messenger’s. My dear people, it is evidence for the whole world and if people are foolish enough not to believe that, well then they are unfortunate, but it stands before the whole world. What is a human opinion against the Truth which is there in evidence?

Mankind say: “Well, show me”! Well, good heavens, haven’t they been shown? Haven’t they been shown? (applause) Therefore, beloved ones, you are going to be shown a lot more before very long, and do not forget it. This great momentum is just getting well into action now, but when another million people are pouring forth these Decrees, you will see something!

Is it not strange, mankind in limitation and distress will allow one thing or another to interfere with them, when they could take hold and release themselves at once? Doesn’t it beat the world? Think of it, that when mankind have before them the Infinite, Absolute Power to release themselves from all limiting conditions, they will listen to some twaddle of an individual who does not know a thing about it and believe the one who does not know, rather than We who do! Well, that is going to be of rather short duration.

Did you ever notice that in your Life, when something opposes you how very certain, definite and positive you get? Did you ever notice that? Well, I feel a good deal the same. If I am not greater than any human being in My Understanding and Power, then I will go back home. So watch! Mankind has asked for proof—they may get more than they want. Would you think that is possible? Well, it is.

You have acquired a very wonderful Friend, dear people, let Me assure you of that—K-17,
(applause—audience rising) and I would suggest that you hold on to Him with all you are. (applause) Now just why, dear ones? (Do you mind standing for just a few moments, while We release this Current of Energy for you, and while I am talking please accept It with all your hearts.)

In addition to what Saint Germain did this afternoon, I wish to release a Power of My Victory into your feeling world, to-night, to help you to gain self-control and release at your call a greater flow and Power of energy from your Mighty Presence of Life. This is quite possible, and I am glad to do it; but please do not question it afterwards. Just keep on accepting it until you see the full power of its out-picturing. That is the only way you can prove these things to yourself.

When We wish to give the Assistance, if tomorrow morning you say: "I think that is just so much talk," what assistance do you think you are going to get; but if you just keep on accepting, you will see the proof come forth which will satisfy you I assure you.

Why do I call your attention to this Great Friend of yours? Because His Activity is in your human octave. He moves in the tangible body constantly among mankind, and He is One of the few very Great Ones who does that and is doing it to-day. Many come forth for an hour or two hours for some service; but He moves constantly among mankind in the Tangible Body, releasing His Mighty Currents of Energy everywhere. Do not be surprised, He might move in your midst, if you invite Him.

Friends of Los Angeles, He might move in your midst! You think it is delightful to invite your friends in the physical body, do you not? Now
just think this over carefully. You are delighted to have harmonious friends come to visit you, are you not? Well, do you know These Great Ones, Myself included, are just as happy to visit you, and are far more powerful than your physical friends to render you Assistance and service. Do you realize that? (applause)

Before you sit down, I want you to determine, if you will, that you will never again think of Us as intangible and unreal. We want to render you a Service which nobody else can give. Please give Us the full opportunity. It is you who need this help. We could run along and have a good time, but what do you think is a good time to Us? What do you really think it is? There is no such good time in this whole vast world, there or here, as setting you free from human limitations. (applause) That is the greatest joy in the entire Universe.

Oh, my dear ones, I want to say just a word financially speaking. Please, if you are a little financially cramped for the moment, do not be discouraged. You might say to Me: “Those words do not supply my breakfast.” How do you know they don’t? I say to you, beloved ones, the great financial release to the Students of Light is so near to sweeping into action at your call, for heaven’s sake keep up your call!

Let us talk heart to heart for a few minutes. Beloved ones, what do you suppose your calls for your financial freedom, for your health, for the Mighty Directing Intelligence of your Presence have been doing all these months? Do you think it has been just so much talk? My dear ones, do you not realize that your call to Life is a constantly increasing, intensifying action of the
greater Power of Life, flowing into action at your point in the Universe? It has got to produce results! It is not a matter of can It, but your call is the signal to Life and It has got to do It because Life has got to answer your call. Won't you see that?

Oh, do not let yourselves once again ever feel discouraged or down-hearted that your calls have not brought the answers to all you require. I plead with you with all My Heart, do not do it. Life is acting so far greater than you have as yet realized, if you will only give It a little more chance. I do not say "time" because your Presence of Life does not require time; but It has to get you into a sufficient harmonious condition where Its Mighty River of Life will flow constantly into action. It will bring to you the supply of money and everything else you require.

My dear people! you are talking to the Greatest Intelligence in the Universe in your call to the "Mighty I AM." The greatest Energy, the greatest Activity that there is. You look to human beings and expect them to assist you and you do get assistance, do you not? Suppose you go to a banker and he hands you out a supply of money, well, how does he get it? If you did not put it there, you probably would not get it out. (applause) When you call to the Presence of Life, which is your Treasure-house, your Presence becomes your banker; and the Presence is the Governor of all the banks there are. If you continue to make your call with undivided attention, It will see that you can have an ample supply in the bank, if you choose to put it there.

Therefore, I say to you that your Presence of Life, the "Mighty I AM" is the Greatest Banker
in this Universe and holds forever the continuous supply you require; not of so much coined money, but the Governing Intelligence which enables you to harmonize with the conditions in the human octave that will bring the release of your supply through natural channels.

In using that term or giving you further explanation of it—you call these outer channels “natural channels.” That is why I used the expression, but after all the natural channel of all supply is your Presence of Life. Why wouldn’t It be, since It put you here? Why wouldn’t It, since Its Energy has given you action all these years? My dear people, is it not strange that mankind have used the Energy of Life embodiment after embodiment and never stopped to contemplate that the Supplier of Life, the “Mighty I AM Presence,” could supply them with everything else just as abundantly as It had supplied them with Life, action and energy?

Oh, won’t you understand that this Stream of Energy which flows in and gives action to your body, is the Carrier of everything your Life requires right out here? It is the carrier of the money supply; the carrier of your health; the carrier of your strength; the carrier of all you can use out here of everything It has within that Stream of Life.

When any one who assists you with money supply, with courage, strength or energy; the doctor who assists you to greater health, from whence does he get it? The Presence of Life, to whom you can go direct and get it! I say to you, my dear people, there is nothing that stands between you and the fulness of all Life holds for you, but your head. That is absolutely true! Do you know it is
your intellect which gives you unbelief; which gives you fear? Because your doubt is in your head. It is not in your heart. Then, do you not see that when mankind learn to act from the heart they will know no fear? They will know no doubts and will be able to release the Power of Life in Its Infinite Power of action.

Thank you for the comprehension that is acting within you to-night. I want you to see once and forever that your call to Life, the "Mighty I AM Presence," cannot fail to bring you the results. If it seems to, it is only because unknowingly you doubt or fear; or there is some condition acting that is still obstructing the way. If you will ask the Presence to take out whatever seems to be obstructing the way, you will find the Presence of Life will do it.

However, do not do like the lady who once wrote to the Messenger. She had been applying the Law, but had been so frightfully inharmonious and of course it could not act. She wrote the Messenger and said: "Now, if this 'Mighty I AM Presence' don't act pretty soon I will quit It." I wonder how she would ever quit her Presence of Life! Do you not see that such feeling is just pure resentment, because she would not let herself become harmonious enough to get the results?

Now dear ones, won't you please be kind enough to look yourselves square in the face this night before you sleep? Look in the mirror and look at yourself looking back at you. Talk to that one there and ask it if it does not feel ashamed of all that it has done to you through the centuries! There are many simple ways by which you can get your human self to let go and stop attempting to hold its dominion over you; and, to-night, in
releasing this energy, I am helping you to do this. I want you to see that toward whatever human qualities are still in you, you should take your determined stand that they shall act no longer.

Precious hearts, you who are so loyal in your application, only require a little greater determination to hold the harmony in your feelings so completely, that you would have the full and complete response at your call. Do not grow weary because you have not quite reached that dominion yet; but if you will continue, the Presence of Life will sweep everything aside and release Its great fulness into your use.

You are not talking to something imaginary! You are talking to the Greatest Intelligence in the Universe in your call to the Presence of Life, your "Mighty I AM Presence." It does not want to refuse you and never will, but if your feelings are too inharmonious to let the full Power and Purity of Life flow forth to render you the service and bring you the release, it is not the fault of Life. It is the lack of your Self-control. Do not blame anything but yourself. Oh, please do not blame your fellow-associates. All you have to do is harmonize yourselves, then those around you seeing your happiness and your great harmony will ere long want and determine to be like it.

So many times the students say to the Messenger: "Well, how is it that you never get ruffled up or disturbed?" Because he has learned better; because he has learned that every time he does that, he would have a lot to clean out of his own world, because the discord of the outer world would rush in. That is just the position you are in regarding your individual world to-day. Every time you get irritated or disturbed about some-
thing or somebody, you let the greater discord rush in upon you; then you have to throw it out. You know most of the time you have been throwing it out, and that is the reason your results have not been greater. Stop it coming in, then the outflow of your own Life will bring everything your heart desires.

Oh, this is Mighty Real, beloved ones. We rejoice so much that so many of you are entering into greater application and greater results. It is magnificent! Your Life will never fail you in the world, beloved ones, if you do not fail It. When I say there is not one condition in your body, there is not a condition in your world of action that you cannot quickly correct, I mean just exactly what I am saying.

My dear ones, you have not only your own application and call to Life, but you have the Presence of These Great Ones, Who offer in the kindness of Their Hearts the limitless Assistance which They can convey; and They only ask you to remain harmonious so They can give you the Assistance.

Dear ones, never get tired of Our reminding you that the Law of Life is: you have got to hold harmony in your feeling world if you want to be free, because you are going to hear it. It is the only thing in the world. The constant reminder is, that it has got to be done if you want to be free. It is so little. Life has poured forth through your innumerable bodies which you have occupied, Its constant flow of Life, Light and Energy. You have accepted It and offered not one thing back, until you came to reach this Understanding.

Unless you understand and see this, you are very apt to keep wandering around awhile longer
yet; but when you realize that you have used Life through thousands of embodiments similar to these and did not even offer back one "I thank you" to Life; then is it not time to wake up now and begin to pour back to Life gratitude and thanks for Its use?

You will say to Me: "Well, didn't Life put me here"? Now hold on to your chairs! Yes, Life did put you here a long time ago with beautiful Perfect bodies, with nothing between you and the Perfection of Life, then what got in? Your determination to go on independent of your conscious recognition and acceptance of Life. That is what got in between you and your "Mighty I AM Presence." It got more and more powerful, until you had forgotten your Source completely. Now you will have to come back to It again consciously, willingly, joyfully, or you will remain exactly where you are for a few hundred more embodiments.

I am talking to your hearts to-night, with all the Love of My Being, My dear people. I want to stir you and arouse you from that lethargy or unbelief that your Power of Life cannot release you immediately. It can do it! and if you are as determined as I am, you will have your release, and I MEAN IT. I love you enough and so do all the Great Ones to do everything in Our Power; but you will have to give certain obedience to Life in order to let Us help. That obedience is continued harmony in your feelings and your continued determined application.

Dear ones, do you understand why, when you first contact this Great Stream of Light, sometimes it does require very dynamic application to clear obstruction from your world and begin to let the
results flow forth in a constant steady stream? Well, would it be surprising when after long centuries and thousands of embodiments you have built up the human qualities and limitations? Would it be any wonder if you had to make dynamic application for a little while? It is Oh, such a little while in comparison with the thousands of years in which you were accumulating the other. Do you see that!

To-day, in a few months of dynamic application you could set yourselves wholly free, even though you had made all these mistakes of the centuries. Do you not see how Life is offering you everything on a golden platter, so to speak, and you only are required to make earnest application? It will free you! Life will free you, but you must want Freedom. You will have to make your application. As the Messengers have explained so many times, if your application has not produced the results you want, then one of two things is happening—either your application is not dynamic and continuous enough or there is some feeling or suggestion acting in your world that is obstructing the way. Only one of those two conditions could exist which would prevent Life from filling your world with every good thing you want. Find out which it is and then dismiss it.

You might say to Me: “Oh dear, I have tried to.” You tried to probably with the Intellect, but you forgot all about the feeling. Your feeling is what determines whether you are rid of the thing or not. When you have released the thing from your feelings, you are free! Do you not see, your intellect cannot hold a thing in your world, if your feeling has released it once! That is what has been the matter. The feelings hold to habits, and it
is only the intellect that wants to be rid of them. Therefore, you must find out what is acting, what is happening, if you are not getting results. Then, you will be able to clear out whatever it is and go forward quickly into the full Victory of Life.

Think! Here I stand the Victory of All Life, pleading with you; having charged My Quality of Victory into your feeling world this hour, and for some of you that has been done several times. I not having known anything but Victory for century upon century; then, do you not see if you had the full acceptance of that which I offer, you would go forth to-morrow morning victorious in everything to which you would direct your attention and call the Power of Life into action to do? I mean that!

You could go forth to-morrow morning with the full acceptance of that which I have given into your feeling world this hour and not know once a single failure in anything. That is what this means, dear hearts. That is why, to-night, I have made such a tremendous Effort to charge Victory into your feeling world and give you the explanation while doing this, which would give you the full power and feeling of mastery over yourself and over conditions which you confront.

You are the master of those conditions by the Power of your call to Life. Please try to feel this now—when you call to your Presence of Life. If you raise the flood-gates in a dam and you saw the water pour forth as you raise that gate it would be tangible, would it not? I say to you, your call to the Presence of Life raises that flood-gate and lets the Power of Life pour forth into action into your world, just as tangible as the flood-gate in the dam which let the water pour through.
That is what I want you to get to-night, if you will. Feel that Power in your call to Life, Its Mighty River flowing forth into action into your world, and then tell Me if any limitation could remain there or that you could lack for any good thing. It is not possible. Life is the Authority, the Power. Human beings assume It, that is true, but in your understanding of Life, in your call to Life, no human being—if you so decree it—will ever assume authority over you again.

Now, young folks, I am not speaking to you, because if you are not of age you should obey your parents; but I am speaking to the grown-ups. Once you feel that authority and power of Life, beloved ones, there will not be one thing ever deprive you of that which you require any longer.

I want you blessed ones here to rise in the full power of your Presence, in the full power of your application, and do not once again accept in your feelings that a single thing can obstruct your way in your call to the Presence for anything you require. I want to help you. Do not think for one second that We are just here for to-night. We are always present by Our Rays of Light. You who have become a part of Us by receiving Our Quality into your world, how could We ever be separated from you again! My dear people, this is a Mighty Truth. I was about to say: "a serious thing," but it is not serious except that you be reminded how much you are having this indescribable Assistance.

Therefore, to-night, my beloved ones, please accept It. Be dynamic, firm and determined in your application and I assure you that the time will be so short until you will see, feel and know your mastery over all conditions. Oh, it is such a
joy, so magnificent. When We see you almost at the point of Freedom, and then your feeling begins to waver, my heavens, what do you think We feel? No words can possibly describe it.

My dear ones, sometimes the conditions about you are not such that We can project a Light Ray and spur you on for the moment; but if there would ever be a thing that would create agony in Us, it would be that moment when We see you so near the mastery and Victory and then your feeling begins to waver. Oh! how I long to rush in, but your Life is the dominion there, not Me. Great as My Power is, I must abide by the direction of your own Life Stream, remember.

I think this has been referred to once or twice before, but very seldom. I want you to have it, tonight, very clear and distinct. How do you suppose it is that you are here? How do you suppose that there are any students of this Great Light? Because the Light of your own heart was strong enough to bring you here or to make you the student which you are. Since that is the Truth, then if your Life has been strong enough to do that, and It has, know then your Life saw the way to your Freedom, did it not?

Then, how do you suppose it is that I am here to-night offering this Assistance? True, you have made the call verbally, but it takes more than that. Do you quite realize that it takes more than your outer call to bring Us to your Assistance? Do you not see that the call first had to come from your own Higher Mental Body? Then, you will say to Me: "Well, if my Higher Mental Body is all Perfect, why do we need the Ascended Masters?" Because We have passed through every condition through which mankind is passing. We have ac-
quired the Victory through the conscious application of the Law, which is as you have come to know the Ascended Masters’ Instruction of the “Mighty I AM Presence.” Therefore, Our Assistance is imperative. Otherwise We would not be taking Our time, would not be taking yours in Our endeavor to give the Assistance. You do not know how greatly Our Assistance is needed to-day.

Think of it, beloved ones, your beloved Messengers for five years have pled and pled and pled with mankind. The achievement of Victory has been great, there is no question about that, but We still want it to be a thousand times greater. It is not sufficient to stop now, but go on and on, until great numbers of mankind are so anchored in the application of this Presence, that never a thing will ever daunt them again. Just as you have seen the Messengers grow into this dauntless application, so can you do the same thing.

Beloved ones, the record of the healings, the release from every conceivable condition of thousands and thousands of people in America, would be the most amazing record that mankind ever held before their eyes if it were recorded; and it would take you months to read it. That is the proof before mankind of this Great Law.

That is why in leaving with you, beloved ones, to-night, this great Infinite Power of Light, remember while the Messengers are rendering service elsewhere, We are always standing guard; always ready to answer your call when you have called to your Presence first. If greater assistance is needed, then We are always ready; and if your acceptance were complete, there would not be ten minutes stand between your call and the answer.
which would prove the Victory. Oh, that you
could understand that and Oh, for the day when
you do come to that fulness of understanding!
You will not have ten minutes stand between your
call and the release of that for which you have
called. This is what We want you to feel to-night.

The opportunity may offer when the Messen-
gers will come to you twice a year for two, three
or four days or whatever time it might be. They
are trying to arrange it. (applause—audience ris-
ing) Therefore, you see how in every way We are
trying to give you every assistance that is possible.
You have no idea what this means to you.

Think, to-day, of the immense saving that it
has been to those who have come into the under-
standing of this Great Presence of Life—to call It
forth into action for their health, for their supply
and for all the things they require. You cannot
pay somebody to do these things for you. You have
become your own master of Life and that is be-
yond any value you could put upon it.

Your Presence of Life who is the Victor over all
things, and Our Assistance, which can hold you
sustained and anchored within that Power until
you gain the full Victory of it yourself by your
application, are the things which should not be
thought of lightly. We offer this to you in the ful-
ness of all Life wishes to give.

We are leaving you with a great, great Sustain-
ing Power, beloved ones of San Diego and vicinity.
Please accept It and know that in addition to your
call, We are constantly pouring forth the sustain-
ing power that holds you steady until you gain
the Mastery yourself. Do not let yourselves get
away from that. Just keep yourselves reminded
that distance to Us makes no difference. Wherever
We are We can project a Light Ray to you and render any service instantly.

Oh, you cannot fail us! You must make your application, because if We see you are not doing it, We cannot give the help. It would be useless. If you should lean upon Us and not make the application, We would do you the greatest injury to pour forth the Power which would not give you the practice of application that means your Eternal Freedom.

You must make your maximum effort in application, then We will give you Assistance; but do not lay down on the job, because if you do We just cannot give it. If you don’t make the application We cannot come forth and carry you along. That is the thing I want you to so clearly understand. It is you who want the Victory and it is by your application that it will come; but We can give you limitless Assistance in the meantime, but We cannot carry you. Your Life Stream will not permit it.

Your Life Stream is the Authority for you, not Me. Since your Life has called to Us for This Assistance, then We must render it to the fulness of its requirement, but you outwardly would not know what that Assistance was. So you see in all that We do, We are acting in co-operation with your own Life’s call to Us first. Since you have been making the call outwardly, you naturally give Us more authority to act. That is the co-operation of the outer and Inner activity of your own Life Stream, and it is a magnificent thing.

This is why We are offering you such limitless Assistance, because you have been willing outwardly to co-operate with your Inner call to Life for Our Assistance and We will give it to the limit
your Life permits. You, of course, do not outwardly know to what extent that is, but you may be sure that We will pour it forth to the very limit We are permitted so you may more quickly gain this Mighty Victory and have the blessings of all Life holds for you.

I thank you, I love you and Bless you, beloved ones of San Diego. I trust that this Mighty Power released will be a sustaining Power which will last you throughout the year, to go forward in the Mighty Victory of Life. We add to your call for your Presence of Life to reach out Its Loving Arms and draw all into your midst to whom you can be of assistance. Oh, do not expect outer things to do that. Make your call to the Presence of Life. Its great Love, Wisdom and Power will bring the people into this Light, into this Understanding, who should be there. Do not try to get them by the hair and bring them in, because they would probably soon go out; but when the Presence of Life brings individuals they will come and remain.

Remember what the Messenger has said to you so many times: “No person in human form can look upon that Chart and ever forget it in the world.” It is impossible! That Chart represents your Reality of Life—every one’s Reality. The eyes looking upon that cause the Light of the heart to come into such action that the mind will never forget it in the world. Then what happens, when you look upon that Chart? Everything which comes before your vision makes its picture within your physical world; and that is why the Messenger has said that you cannot forget it because it is your Reality of Life. Once that picture is there within you, how could it get away?

It is the same as if you saw the Presence of this
Messenger stand visible before you, do you think you would ever forget it in the world? You are looking upon the symbol of your Great Presence. You cannot forget It. No one ever did or ever will. You are looking upon the Mightiest Focus of Life in this Universe—the Power of every human being’s Life.

When I say to you no one can forget that Chart, I mean it, because your vision knows the Truth; your heart knows the Truth; and what do you think happens? Try to feel this more often, when you look upon that Chart and feel first Its Action within your heart. It releases the Power of Light anchored within your heart from the Great Presence of Life and it floods forth into the brain and the intellect. That is why it is so powerful, beloved ones. It is why This Activity cannot be stayed in the experience of mankind. It has got to do Its work. Oh, not because you or I want it to, but because it is the activity of Life which has gone into action through human beings and will one day take Its full Dominion through every human being who wears a human form in this physical octave. It must be, because the Great Presence of Life has said: “Now, the end has come! Mankind have got to come back home where they belong”!

You remember that mankind have had free will and choice for a long time. Now the Great Source of Life to this System of Worlds has said to the earth: “You will have to wake up! You will have to emit more Light!” Why do you suppose I am here? Do you think I came forth from Our Great Planet of Complete Freedom to dwell in your earth for fun? My dear ones, please understand that I am Real! I am here for your blessing! I am here for the Blessing and Freedom of mankind; because
of the Power of Victory which I wield. If you will allow Me, I will set the Power of Victory into action in your feeling world that will one day make you the Power of Victory in which I stand to-day. That is the service I wish to render you and it is no idle thing, I assure you.

So, to-night, as the Messengers go forth, feel how great is their Love. Feel how great is Our Love for you, and there are so many here whose Love and devotion to the Light is so great. Oh, my dear ones, be dauntless in your call to Life for Its great Blessing, Its great Power, Its great Freedom. Oh, it will quickly come forth, and so far as your outer requirements are concerned, say to your Presence: "‘Mighty I AM Presence,’ put me in my own right activity of Service and see that I am abundantly supplied with all the money and all else I require." Be firm and issue that call! Then stand by it and there is not one of you who would not come into your own right activity and have the supply you require.

Oh, do not believe that conditions out here or human beings can deprive you of the money supply you require in the Service of the Light. My dear ones, do not do that once again. Do not give anything in the appearance world power to limit you longer. What does the human appearance amount to in your call to Life which will flow forth to you, harmonize your world and bring the supply you require?

Do you not see that you only have to deal with your Presence of Life? It will reach out Its Mighty Light Rays in every direction, govern all conditions acting in your world, harmonize and bring everything you require into your world for use; because you cannot have it except for use. When
you let go of those bodies you do not require these things of the physical world. If you had acquired a hundred million dollars you could not take it with you. You would not want to if you could, because in our Octave of Life there is no occasion for it.

Can you quite understand why We Who have no use for money, have no use for the things of the outer world; why We are fighting your battles for you and helping you to have it? Do you see it is only the Power of Divine Love in the name of all good which could enable us to come forth and try to give you this Assistance you need? What motive would we have if it were not good; if it were not the Power of Divine Love acting without human qualification which wants to help you to be free; which wants to help you out of this condition of limitations; that you may no longer give power to the things of the earth to bind and hold you in bondage?

May the Infinite Power of Divine Love and the Grace of the "Mighty I AM Presence" enfold you in Its Mighty Glory; clothe you in Its Armor of Light; send you forth Its Mighty Victory from tonight! I thank you.

· DECREE ·

FOR LITTLE CONDITIONS THAT CONFRONT OR TERRIFY YOU:

"You have no power! "Mighty Presence of Life, my "Mighty I AM Presence," sweep into action here! Take command, produce Your Perfection! Clear my way and take me through into Your Perfection."
GOLD

Mr. G. W. Ballard—Shrine Class
January 6, 1939

In India there are five great mountain peaks. Within one of those peaks has accumulated for hundreds of centuries a certain amount of gold during each century. There is gold enough in that one peak to a hundred times pay the debts of the world. I know this to be true.

Now then, you heard the call I made for the God of Nature and the God of Gold to come forth. I cannot give you the explanation just now, but it is a stupendous thing in reference to our financial activity and that of our vegetation and fruits.

You will see such marvels take place as you never thought possible, and if my feelings serve me right, largely will it take place within the next five years; and most all of you will live to see these things fulfilled.

Victory Said:

"Mighty I AM Presence," wipe out of my being and world instantly all doubt, fear and questioning of every kind and replace those qualities with the full acceptance, feeling and conviction of all the Ascended Ones offer for my Freedom and Victory. Blast and annihilate, cause, effect, record and memory of all obstruction to my full and immediate response to Their Assistance, and release my Eternal Freedom NOW. I thank Thee it is done.
T IS time now for all who are concerned with the home and its activities to call into your homes an individual Ray of Cosmic Light-substance to fill and surround your home with all the Power and Perfection of the Cosmic Light.

Call for an individual Golden Flame from the Great Central Sun to fill and surround your home with all Its Purity, Power and Perfection.

Give this daily acknowledgment, acceptance and visualization and you will know a peace and happiness you have never experienced. The following Decree does release the answer to your call for the home:

"Mighty I AM Presence," Great Host of Ascended Masters and all the Great Cosmic Beings of Light! project an individual Ray of Cosmic Light-Substance and a Golden Flame from the Great Central Sun into and around my home and every home on earth; and hold all in Your Purity, Harmony, Power, Protection and Perfection forever!
The hour has come to see the shining face of your “Mighty I AM Presence”! Its slender Hands point you every minute to Victory and every second is now filled with Mighty Ascended Master Miracles of Perfection forever!

If the executives of all constructive lines of business would awaken to the stupendous Power they can call forth and set into action for the protection of each other and for the correction of all abuses in the business world, through this Mighty Ascended Master Understanding of the “I AM,” not one would let the day go by without releasing these Ascended Master Light Rays into all business activities everywhere.

The time is past when anyone in the business world can have success, continue his activity, be sustained or expand his business unless he acknowledges that the Source of all Good in his world is God, his own “Mighty I AM Presence.”

The Source of Life and the Giver of all action to all form has been denied, forgotten, ridiculed,
ignored and resisted so long by the discordant feel­nings and silly selfish ideas of ignorant human intel­lects, that the Source of Life has taken a hand in the awakening of human consciousness into some kind of intelligent comprehension of the Laws of Its own existence.

Life—the “Mighty I AM Presence” and the Great Host of Ascended Masters have issued a Fiat to the earth to stop all that denies its Source or it will cease to be supplied with any more of Life’s energy and Substance.

It is because of this final decision of Life that everyone who knows this Law should make his maximum effort to correct all wrong conditions in the business world, because all constructive activities of business bless us. Let us now bless them and give them eternal Divine Justice and protection.

**TO ALL DISCORDANT CONDITIONS:**

"You have no power! I withdraw all energy, substance and directing power and pass it to the Great Presence and Ascended Ones, to cleanse, purify and return to hold that individual helpless from doing destructive things."

SAY: "That individual has no power! I withdraw all Power from him (or her) to harm any person, place, condition or thing in This Work."

USE OFTEN: "Mighty I AM Presence"! see that no person, place or condition has any power to harm, disturb or affect This Activity discordantly.
ELoved ones everywhere, it is Saint Germain's Request that all orchestral music in this Ascended Master Activity be always held to the purely symphony orchestra instrumentation.

The strings and woodwinds are qualities that are particularly adapted to assist in the healing of the mind and body. It does not mean that the other instruments do not give happiness and blessing to the individual who plays them, but for the service rendered by the Ascended Masters in the Study Groups and large classes, the symphony orchestral instruments provide the quality of tone through which the Ascended Masters can assist the people best at this time.

We always bless and thank all who have offered their services in musical assistance in any way, but the Ascended Masters require certain qualities which are best provided by symphony instrumentation.

The Goddess of Light has said:

AT THE FIRST INTIMATION OF A COLD OR CONGESTION OF ANY KIND SAY:

"Mighty I AM Presence"! dissolve cause, effect and record of this! Sweep it out forever! (Be firm about it.)

32
BLESS Precious Ones of the "I AM" School, lift your hearts every day to your own "Mighty I AM Presence" and the Ascended Masters and call forth from the Great Central Sun an individualized Pure Golden Flame. See It fold Itself around every person in the school and then around every person, place, condition and thing under this Radiation.

This is a special action which can only come forth at your individual call. It is a Cosmic Activity of the Golden Flame, but you can have an individualized focus of It if you call It forth daily for a Cosmic Service to bless all who seek and serve the Light. It brings a powerful calming, healing, peaceful action that penetrates all with those qualities in dynamic Cosmic Power.

It holds every human feeling stilled instantly, until all discord can be annihilated and the energy lifted into the command of your Higher Mental Body.
LESSSED Group Leaders, Saint Germain’s most recent request at the close of the Oakland Class, was to continue your Decrees with powerful determination to withdraw and withhold all money, energy, power, influence and supply of every kind from all destructive individuals, who have been the claws and emissaries of the black magicians.

Many who have become wholly destructive must yet be taken from the earth and its atmosphere. The Ascended Masters wish to do this at once and will, if we continue to give these calls, until all vicious discarnates and individuals are bound and taken to the Octave of Light.

Saint Germain said, the feeders, so to speak, of all destructive individuals and discarnates were the black magicians who have all now been taken from the earth and its atmosphere. You will soon see all destructive individuals collapse and the dictators of the world will be no more. Even the dictators in homes will cease their domination for that action is being withdrawn from mankind.

The following Decree should be given daily with powerful intense (not tension) determination, until the remaining destructive individuals and discarnates are completely cleared from the earth. This will also remove the cause of most vicious crime.
DECREE:

"Mighty I AM Presence," Great Host of Ascended Masters, Mighty Legions of Light, Great Angelic Host, Great Cosmic Beings and Great Cosmic Light! withdraw and withhold all money, energy, power, influence and supply of every kind from all who have been the claws or emissaries of the black magicians and discarnate entities and all wholly destructive individuals. Make them collapse completely and hold them bound, helpless and inactive, until they serve the Light forever.

· DECREES ·

"Mighty I AM Presence" and all Great Beings and Powers of Light! withdraw this instant and forever all money, energy, Power, influence and supply from every person, place, condition or thing which attempts to oppose, harm, disturb, ridicule, distort or discordantly affect this Mighty Ascended Master Instruction, Victory and Freedom for mankind.

"Mighty I AM Presence," blast, annihilate and remove from my feeling world all treachery, deceit or other qualities that may have been projected or established in my feeling world by black magicians, entities or otherwise. I call to the Great Host of Ascended Masters and Cosmic Beings to replace that with the Purity, Perfection and Stability of Truth; which not only brings an activity, but an intensification of the Truth that my heart is craving to pour forth.
LESSED Young People of America begin, to-day, to charge your being and world three times a day with the Ascended Masters' All-powerful Divine Justice in all you do. Begin to put Divine Justice into your world and all its activities by a daily charge and call because you need to build a momentum powerful enough to qualify all you do in the years ahead to bring in the Perfection of the Ascended Masters for our country and our people.

The whole future cycle depends on you to release its blessings and upon your momentum of Divine Justice to enable Divine Justice to be a controlling power in the feelings of the mass of our people.

If you are to have Divine Justice fill your business activities as you grow in outer experience, you will have to charge forth your own Life's Power and quality of Divine Justice to provide a current of energy on which Life can send Divine Justice to you from the outer avenues of business and all other channels of activity.

The same thing is true of the money supply you require to make you independent, self-reliant, honest, honorable and balanced. These qualities must become your daily activity and, as you use the Power of your own Life to charge them forth into every avenue you contact, they become the predominant vibration around you and everything that comes toward you becomes raised into those qualities of Divine Justice and limitless supply.

Gain this momentum of your permanent Victory over every physical condition now!
Precious Ones of the Light:

In regard to a letter that has been circulated in Los Angeles and vicinity concerning the disposal of the body of "I AM" Students at possible so-called death, we ask all the students to understand unmistakably that this does not come from us and to stop its circulation at once.

The Ascended Masters' Instruction and desire is that there always be a funeral service of dignity and honor to the one who has passed, with a loving blessing and call for that one's Victory of the Ascension.

Regarding the embalming, the instruction was given by the Great Divine Director in the February 1939 issue of the "Voice of the 'I AM'", page 19, concerning what needs to be done to the physical body.

Please read this letter to all the students at your group meetings, and make it unmistakably plain that the requests in the letter which is being circulated never came from us and is not what the Ascended Masters have asked the students to do, concerning the disposal of the body at so-called death.

Each individual should be left free to make his own arrangements and please do not do anything fanatical or that causes distress for the family of those who have passed on. The Law of this work is to pour out Love, blessing and kindness and call the Presence into action to govern the conditions which affect the one passing; and the Ascended Masters will take care of the rest.
Our Love enfolds you with the Ascended Masters’ Discrimination and Power of Light, to keep all harmonious and directed by Ascended Master Intelligence to maintain harmony and Perfection.

Lovingly in the Service of the Light,
THE BALLARDS

THE CHART AND FLAME IN ACTION

IT IS our very great joy and privilege to announce the production of the Chart and Violet Consuming Flame in action for the use and blessing of the students and all everywhere.

They will be made in both the large and small sizes and are transportable. The large Chart and Flame will be 30x48 inches and the small Chart and Flame will be 12x20 inches.
These will show the Light in action pouring out from the Heart of the "Mighty I AM Presence" and down the Ray of Light from the Presence into the human body.

The Violet Flame in action flows upward and gives the student the actual shade of Violet and the feeling and motion of the Flame so he can feel its power and activity much more dynamically and tangibly in his own body. The true action of the Violet Consuming Flame also registers in the observer's body through his own eyes.

These will render the most transcendent Blessing and Assistance to the student and will give him the feeling of the action of Light in his own body or around him.

The Charts will be manufactured and distributed by the Los Angeles Branch of the Saint Germain Press, Los Angeles, Calif., P.O. Box 428.

T IS our very great privilege and joy to announce the release this month of two new songs SON OF LIGHT and CALL TO LIGHT.

SON OF LIGHT was first sung and dedicated to Oakland, California. The Ascended Masters have said that every Mother who sincerely uses this song and with determination makes the call for the Ascension of her children, will not only open the door for their Ascension, but will attain her own through that call also.

All individuals who love children and young people, whether they be parents or not, can render this Mighty Service to the younger generation; and thus annihilate the effects of the destructive suggestions and activities which have been imposed upon them in the past.

Through this song gigantic and transcendent Cosmic Assistance is being offered to the people of earth in order to protect all constructive activities so they may survive into the future.

The younger generation is the most valuable asset mankind has to-day, for they are the builders of the future. We owe them all we can give for their Protection, Perfection and Victory of the Light! Let us all now do our part and help them without limit!

CALL TO LIGHT was first sung in Seattle, Washington, where Its Mighty Light, Radiation and Action started forth to bring complete Freedom and Illumination to all forever.

This Song is dedicated in Eternal Love and Blessing to the “Mighty I AM Presence” and the Goddess of Light, Whose release of the Cosmic Light is freeing mankind so rapidly from the
humanly created discord which has bound them through the centuries. This was the song She used by which She accomplished Her own Victory, Freedom and Ascension.

These Songs are available through the Saint Germain Press.

Price each $1.00 Postpaid $1.15

Victrola Records will soon be available of these two songs for daily use by the students and can be secured from the Saint Germain Press.

We wish to announce the release of a new Victor Record—Nearer Thee and Cross of Blue Flame—which may be secured through the Saint Germain Press.
