The "Voice of the I AM" is the mouth-piece through which the Ascended Masters' Instruction can reach the students quickly, that the most powerful work possible for America and the world may be done by the students to release the greatest Light in the shortest time.

INFORMATION

The information given under the heading of "Young America" will be the Ascended Masters' help to the young people for their protection and illumination, as they are the builders of the new civilization and are the channels through which the Ascended Masters will give their Light for the use of the outer world in the Golden "I AM" Age.

This magazine is not an outlet for articles from the students, but is the outpouring of the help from the Ascended Masters and has no human concepts in it.

EASTER'S COSMIC DAWN

GREAT Cosmic Light in Thy descent
To this Thy world below,
Illumine all Thy Children here
All Freedom now bestow!
Send forth Thy Rays of Living-Fire,
Thy Great Light Path blaze thru,
Consume all that is less than Thee,
Command Perfection too!

Great Light from out the Central Sun,
Clothe us in Substance Real,
Enfold all in Thy Love Supreme,
Make us Thy Presence feel!
Thou art the “Blessed Great I AM,”
The Flame of Life and Light;
Thou art the Victor all serene
In Thy full Glorious Might!

On Eastern Morn Thy Gift to earth,
Descended blessing all,
Absorbed by man whom Thou dost love
And to Thy Heart doth call!
Encircling earth and ent’ring in,
Thy Light doth ever stream!
Great Cosmic Power! flood the earth,
Show all Life’s Way Supreme!

THRU the arm of this Messenger I pour My Love and Gratitude to your beloved Lotus, for in that day when I prepared her for This Work, this Service which is now being rendered, I knew then her great strength, her great purity, her invincible courage; and may you ever remember her as the symbol of Life's Great Dominion, the Glory and Victory of Life.

I thank you, beloved Lotus, for your service rendered and all that will yet be done. Place your face to the "Mighty I AM Presence" and go forward Its Victory of Light. Worry not! Be concerned not about what mankind may say or do, but remember We love you and shall one day draw you to Our Hearts forever—free in the magnificent glory of your service rendered to mankind throughout the centuries.

I thank you and bless you, may happiness abide within you forever and may naught touch your
world again to mar that happiness. I thank you and bless you.

LOTUS

If there is some way by which the Great Law will permit my Life Stream to do that which prevents war in America, will you let me do it that our people may not know the distress of the rest of the world? If there is some way, will you open it?

MAHA CHOHAN:
I shall do everything possible. Your request shall be remembered in the coming months. Your great loyal heart seeks so earnestly the Freedom of mankind. May the entire mass of mankind awaken to what you mean to them and give the obedience to Life which is required. Thank you! Thank you!

Beloved students, great is My Privilege, to-day in being able to render this Service and I ask you to silently while I am talking to you, call on the Law of Forgiveness for all your mistakes and the mistakes of all mankind. Let us take that one attitude of feeling and consciousness for this Service which I wish to render to-day—and that is TO REMOVE FOREVER FROM EACH ONE ALL DOUBT AND FEAR. Then when this is done, I shall expect your outer determination to refuse acceptance as you move among mankind of anyone’s else doubt or fear. I am acting upon your individual worlds to-day, upon your feeling world and rendering this service.

This shall go to every student in America and the world who is honest and sincere to the Light. I have prepared you since the beginning of this class for this and it is one of the reasons I am here. There are so many lovely, very loyal people who want This Light so sincerely but they
will insist upon listening to disintegrating conversations, concerning the Messengers or concerning the Great Law which your Saint Germain has brought forth. Now if you do this, you are defeating your own purpose.

Now, once again I am trying to-day to help you and, no matter what I say, please remain quiet that this Current of Light and Energy may render this Service. I shall explain to you quite simply how it is done. The Currents which I release, that have been drawn here for this purpose, I release thru your feeling world TO DISSOLVE THE CAUSE, EFFECT AND RECORD OF YOUR ACCUMULATION OF DOUBT AND FEAR.

You will observe how immediately when this Messenger began the experiences with Saint Germain, all the fear that had beset him all this lifetime vanished. Well, I am here to render exactly that same Service to you in the comfort of your city, although you seem to think it is warm. Would you not like, all of you, to be aware that you are the governor of everything which touches your world where there would be neither heat nor cold nor any extreme, but where you could live in the Perfect Balance of Life?

If you will allow Me to remove the doubts and fears from your feeling world this hour, then you will live in the Perfect Balance of Life. What threw you out of balance? Doubts and fears! Who can tell Me where doubt comes from? Why was it not called something else? Do you know it is one thing, one quality, which can be projected into your world more easily than any other quality that exists.

Shall I explain to you the origin of the word "doubt"? Forgetfulness! Because you have for-
gotten your Source so long, the “Mighty I AM,” you came to believe that It did not exist. Then, since the doubt that has accumulated, either you yourself or someone must assist you to remove it. I tell you, my dear ones, as long as any form of doubt acts in your world, you cannot have your Victory and so many are nearing their Victory to-day.

Now, just let Me draw one illustration for you—I think that will be quite sufficient. There are vicious individuals in America who every so often begin to put forth the suggestions of doubt as they move among the students in the pretense of being 100% Students. Thus they begin to subtly spread: “Why don’t the Messengers produce some great phenomenon? Why don’t they produce proof of this Great Law”? My dear people, never was there such proof given in the world of the existence of this Great Law, as the Messengers have given to the world; but that is one of the things the vicious individuals use as a subtle means to spread among the students to make them doubt, and thru doubt comes fear. Did you ever know that?

Therefore, beloved ones, you are the guardians of your bodies. You are the guardians of your worlds. If you won’t do your part in being that guard, how would you expect Us to be the guard instead? We do guard you many times when you are unaware of things but since you must now call that Invincible Guard about you or a thing you wish to protect, you must be aware of the many ways in which it must act; to keep out doubt, to keep out fear, to keep out human suggestions, to keep your own feelings from revolving upon any destructive quality or thought. Please observe how the Messengers have pled so earnestly with the students.
Observe the Chart. There you have the privilege, the opportunity, of calling your "I AM Presence" into action to establish that Invincible Tube of Light about you which is the Pure Eternal Substance of Light that would in a comparatively short time become an Invincible Ascended Master Protection to you; and that means from everything in the outside world of human qualities. The student body have not realized this, because of their constant movement in the outer world for they could not quite let themselves believe that such a thing was possible.

Remember, I prompt you earnestly to-day, it is not so much what you are thinking, but watch your feeling, my dear beloved ones! There is where everything occurs! If you begin to revolve a discordant feeling, you will have a cyclone of destructive force acting in your feeling world before you know it. The Messengers have prompted you to stand guard against all of these things. Now in this class I am here to-day to prepare you for that which is following because the Radiance released in this room is ever intensifying in Its Power. After your many promptings and this energy is released, if you qualify it discordantly the difficulty is yours, because We are prompting you not to do it. The Messengers also have.

Now for instance you perhaps do not see Me, but I am here, very tangible. You do not see the currents of Energy which I am operating in this room, but does that make them any the less tangible? I am sure many of you will feel My Assistance definitely, but since all Power of any consequence that you use even in the human octave is invisible, why not accept Our Reality and Our Assistance. My dear ones, you are going to find shortly that We are very Real and very Tangible!
Can you understand for a few moments what it has meant for these beloved Messengers to go forth in the defense of Nature throughout these five years of the classes—when mankind in their ignorance try to curtail or destroy crops, to destroy the fruits and vegetables which I have caused to be produced through Nature? There are those who would say: "Why would a Being of that Power come and talk to us"? You are a part of Life. I am Life in Its Great Perfection, why wouldn't I talk to you?

It so happens that in Our Wisdom, We are not concerned about numbers, except where the numbers are necessary to a certain achievement. Why did I take this precious child (Lotus) under My Direction and prepare her for your blessing? Do you understand, my dear ones, that when I took her under My Observation, I could have drawn her that hour into My Heart and her form would have been there; because she was ready and willing to have every human thing ground out of her? The human was ground out then! The beloved student body haven't quite realized that.

Now to-day in rendering this service, will you be kind enough to remind yourselves at least once a day that this Service has been rendered; which will give you strength as you contact the outer world in your activities, to repel all doubts and all fears that are in the feelings of people about you. I can put up a certain Guard for you, but that is not sufficient. You must place that guard about yourself and call for it to be sustained and then stand by it. What do We mean by that? We mean you must refuse acceptance and repel every doubt or fear that touches your consciousness! It is the only means by which We can make this permanent around you. If you will render that
slight service to yourself and to Life, then We will be able to make this permanent for you and there are many in this room for whom it will be done.

Why is it so easy to listen to some discordant thing and then begin to revolve it in the feeling and build a destructive force out of it? Because as yet there has not been a sufficient quantity of this destructive force removed from the earth to free you enough from its pressure; but if you will call your “Mighty I AM Presence” to form Its Tube of Light about you, then you will quickly disconnect yourself from that pressure about you.

Observe! If you are discordant, you are not only having your pressure to handle, but you are having the whole mass pressure of mankind’s discord upon you. Then is it any wonder you do not always have self-control and mastery? That is why you cannot afford to listen to anything which stirs up your feelings concerning persons, places or conditions. Someone is wondering: “Well what would we talk about”? I answer: THE PERFEC-TION OF LIFE!

Shall I say a very startling thing to you? With the average individual who has not contacted this Light and has not made any effort to govern his feelings, do you understand that seventy-five percent of his feeling is discordant? Almost all of those people are unaware of at least thirty-five percent of that destructive quality which is acting within their feeling world.

Now dear ones, since you are unaware of so much of this condition that is acting within your feeling world, how in the Name of Life are you to be free without Our Assistance, since you do not believe the discord is there? I am trying to show you how necessary Our Assistance is, even in your knowledge of the “I AM Presence” and your calling It into action. There is not one in
the student body to-day who would maintain his or her balance in this Light without Our Assistance because of the pressure that is still upon mankind, even though it is vanishing so rapidly. Is it strange that according to your sense of time, it would require a little while to remove the accumulation of centuries, at least two and a half million years of accumulation? That has been the time, since you began to release discordant feeling from your feeling world.

I marvel, beloved ones, to-day that with all the earnestness of the Messengers and their sincerity, mankind do not remember more, do not feel the responsibility of their Freedom, do not hold steady and refuse discordant things more. It seems quite incredible, because this is not a temporary thing. This is your Eternal Freedom!

Since I am the Authority for the Life Activity of this planet, when I assert to you that Saint Germain's Promises can be made an Almighty Reality for everyone of you who is sincere and true to the Light, then is it not worth it? Is it not worth any effort upon your part, if it covered a period of many years, even let alone a few very short years?

Now dear people! fix in your mind once and forever that We are Real! This Light is Real! This Instruction is Real and is the Law of Life! You will never find anything beyond It anywhere in this physical octave now or ever! When you have come to be aware of your "Mighty I AM Presence" the Source of your Being, you have touched the Highest Power that you can draw upon this earth and if you seek through teaching outside, you are childish and foolish.

When We have told you that by holding your attention upon the Instruction which Saint Ger-
main has given, you can quickly be free, why will you spend time reading other things, when every minute your attention is upon your “I AM Presence” or any one of these Great Ones who have given these Dictations, you are doing the utmost in your power to attain your immediate Freedom and your Ascension and the Freedom for America? Then why divide your attention with other things? I am not interested in the things that have not produced Perfection for mankind and you should not be!

Why do you think that We have not come forth in this manner before? Various sources touch Our Great Light that is true; but We could not and would not come forth, until Saint Germain who is the Law of the Seventh Ray, which brings the Violet Ray to this earth, came forth and gave the people the use of that Ray. We could not and would not come forth because mankind had no means of making the effort for dissolving and consuming their own accumulation of the centuries.

Mankind has got to make that effort! Mankind has got to make that call! All we could do would not remove your responsibility for that! We can give you tremendous Assistance of course, but unless you are making your maximum effort, your Life Stream will not permit Our Assistance—but with your maximum effort, almost anything might be done; because that is all Life demands. Oh, the beneficence of Life which after all your centuries of discord, is ready to free you in a few short years at most! Why cannot mankind see it—then give the obedience to Life which lets Its great Freedom and Perfection come forth so quickly?

My dear ones, I am very glad to see a greater comprehension to-day of Our Humble Efforts
and I trust that every one of you will remember this and rejoice at Our Service rendered. Many of the student body throughout America and the world have wondered why they could not produce certain results! Why they could have answers to some of their calls and apparently no answers to others! Usually it is because some particular quality has lived a longer duration in their feeling world than others which are removed more quickly.

If you plant a seed and the roots of that tree grow deep into the earth, is it not much more difficult to uproot that tree than one whose roots grow on the surface? That is the way it is with habits and qualities which you have kept charged into your feeling world embodiment after embodiment. Do you really understand, beloved students, that all qualities of your own generation have not been removed from your feeling world? Whatever you have generated stands there waiting for your return, from one embodiment to the other. Your own accumulation stands there and you enter into it! Then do you not see the necessity for Our Help when that accumulation has been there so long?

It is not sustained by Life Itself. It is the charged energy from your Life Stream, but it does not act within Life Itself. Then when you have charged that into your feelings and around you hundreds and thousands of times, there is nothing to dispose of it. Since it belongs to you, it waits for your return and you enter into it from eight years to fourteen; or varying sometimes from seventeen or eighteen, sometimes nineteen, according to the natural intensity of the development of the human form.

Notice how beneficent and magnificent Life is to you. Life will withhold that when you are
a child from acting about you; but when you are coming to maturity then Life says: "Now here is what belongs to you," and It may not withhold it.

To-day, you are being set free with great speed and Power and only because of certain Authority from the Great Source of all Intelligence to this system of worlds, could these things have been done. They never have been done before upon this earth. You are moving in the time and age where the greatest gratitude and blessing should go forth ever in the history of your experience. To the degree that you feel it and do pour forth your gratitude and praise to Life, will you find more quickly, the action of Its Infinite Power within and about you.

These are powerful things, dear people. They are great Laws of Life! You or I or anyone else cannot change them! They are established by the Source of all Life to this planet, to this system of worlds of which you and the earth are the densest.

So to-day, in rendering this Service to you, will you feel Its importance; will you feel Its Reality; and will you stand by that which it has been My Joy and privilege to do for you; feeling, knowing, being determined that it is Real and not a passing thing? If I am willing to make the effort to assist you, are you not willing to stand by that, until you see the full out-picturing of it?

Therefore, the people of the past five years who have allowed the intervention of doubts and questionings to come in concerning the Reality of This Work, are going to find great dismay when great Proof, Cosmic Proof begins to flood the
earth. For many of them, it will be too late for their return to the Light. Your Life Stream dear people, the Life Stream of every one, is the only judge of that human form. Therefore, remember We do not judge you, but Life Itself will! When you have been given repeated opportunities and then you turn Life aside, you will pay! There is not a thing We nor anyone else can do to prevent it.

I have seen those in your beloved America who have been so loyal to this Light for a short time, and then allow human qualities and gossip to intrude and steal into their feeling world which causes doubt to arise that has turned them aside—severing their opportunity at least in this embodiment for Freedom, for their Ascension. Very stubborn and vicious can be the human! If you allow it to master you, then is there anyone but yourself to blame?

The student body has had the most magnificent prompting ever given any civilization on the face of this earth; and Life will presently say: "No more"! No more promptings can be given"! Then, We must cease those promptings! The Messengers must cease those promptings! Will you take the opportunity while it lasts to gain your Freedom, to gain your self-control; and be Master over yourselves?

It is wonderful, it is glorious, my dear ones, to have Our Assistance as you do. We feel your gratitude oftentimes; but you never had such Friends in the world, as We who come to your assistance to-day. In all these classes, you will observe that recently—within the last few months—in every class there is a certain Activity taking place for your Blessing, for your Freedom. Do you accept It as a Great Reality, or as temporary
blessing? If you do not make It Real and Eternal can It be sustained? You are the Decrer of whether a thing shall be sustained or not.

We can charge your world; but you must sust- tain what We do. For instance, I have rendered this Service for you to-day—for everyone in the room. If you go forth tomorrow and say: “Oh that was all imagination, that was all talk,” that very moment, you will have closed the door to the Service which I came to render and HAVE ACTUALLY RENDERED. You will instantly open your door to the old qualities and you will go on as before. If you accept this Service rendered, you will never be the same again for you will have a Courage, Strength and Power that you never knew existed in the world and you will have a calm poised self-control that you never knew was there. I leave it with you to determine.

I thank you and bless you and call your Life Stream into action thru your Higher Mental Body, to see that this Service rendered you is sustained, all-powerfully expanding, not only to hold sus- tained your dominion but to pour forth that Radiance to those you contact so it will start the removal of fear and doubt from the world of others whom you contact.

I call the Infinite Blessings of the Powers of Light to sustain, protect, direct and hold you so powerful in the embrace of Life, that never again may one single discord touch you or affect you or your world. May the Peace of Life abide and enfold you; and may the Treasure-house of your “Mighty I AM Presence,” have Its Doors opened wide for the supply of all you require; and may the Wisdom of Life direct everything henceforth in your world. I thank you.
thank you Children of the Light, and in that which I shall present to you to-night, try to feel what obedience to Life really is, and what your part is in the endeavor to attain Freedom from all human creation thru aeons of time. Oh, how great should be your gratitude for the privilege of gaining It! I am compelled to call your attention to a few things to-night which some seem to be over-look-
ing. It seems quite pitiful that I should be compelled to speak of this, after two years of promptings. Of course this only means a few, but then I must speak to those few.

When you are offered your Ascension, what is the idea of so dynamically searching for further human companionship? I am talking about the husbands and wives who have families. A husband who has a good family should take care of it and not be running around for some other woman. I make it very clear to you. You cannot misunderstand to whom I am speaking, you know very well to whom I am speaking. If for no other reason, your children should be your great consideration. You have that responsibility.

Students of the Light, ladies or gentlemen, to seek these classes to gain acquaintance and companionship for sex desire is the most infamous thing ever on this earth! These classes which teach the sacred Purity of Life shall not be used for such things and there are those who have been doing it. I tell you if you don’t stop it, I shall pick you out! This thing must stop from our student body! When We have made the effort and absolutely can assure you of your Ascension at the close of this embodiment—and it does not make a bit of difference whether you believe that or not—then at least mankind should have the honor to stand free from the thing which has drawn them into limitations for all these aeons of time.

There are some who are very glorious, wonderful, and yet they constantly seek the companionship of human beings; when they should be seeking the Companionship of their own “Mighty I AM Presence” so powerfully that not a single thought but of It should pass thru their minds if they hope to achieve their Ascension and take
advantage of the Opportunity which We have offered.

Now if you do not want this, then that is quite your own business! Go your way, but do not pretend to be an "I AM" Student when you carry on such actions. My beloved people, when We are doing this—We are under no obligations to go to this Supreme Effort to set mankind free, if they don't want to be free.

You have been told repeatedly, that unless you cease your sex desire, you cannot gain your Freedom and Ascension. I say to you men of America, if you cannot give Freedom to your blessed companion who has rendered such marvelous service in companionship to you, then you are no man. I say beloved people, after you have gratified yourselves thru hundreds and thousands of embodiments, in the Name of your God, in the Name of your Life, can you not stop and resist it for a few years to gain your Ascension and Eternal Freedom? What a pitiful thing! If in this time of great Light and Blessing, mankind will not give this slight obedience, how can you expect your suffering to cease?

Now do not misunderstand Me! I am not trying to be a dictator to you, but I am telling you the Law! If you go on doing the things that constantly make for discord and unhappiness, my dear people, where in the Name of God is your conscience? Do not be surprised if I release the Fire, the Flame of Life to burn these desires out of you to-night. (applause) Can you not be as anxious as We are to have your Freedom and give the little obedience that Life requires, in comparison to all the mistakes you have made throughout all the lives you have lived? Now Life asks so little! We ask so little to give you that Eternal Freedom.
We are not speaking idle words! We are speaking of Infinite Divine Laws which We can fulfill; and there is not a human being or all on earth who can say Us nay! We are the Law and it so happens, that I am the Law for the student body in this respect! I am watching every student in America and the world! Oh, to think that mankind when the eternal opportunity of Freedom is here before you, handed to you upon a golden diamond platter, has so little self-control as not to want Freedom; or believe they can secretly do things of which We do not know and which are daily depriving them of Freedom.

Love your families. Love your friends, but with a dignity that bars forever any wrong thought and feeling, in your motives. Do not try to tell Me different! From some students Saint Germain has asked obedience for two years and He has been ignored. I shall not be ignored! I want these beloved students to understand that unless such motive and intention is changed, they shall recede from this Light. We plead for your Eternal Freedom, but certain Laws must be fulfilled in this activity. Those who come into this activity with the wrong motive must leave it! We are preparing a definite pattern for these United States and that pattern shall not be interfered with by any student in the land. (applause)

Now if after this offer, and you know in your hearts it is true, you don’t want to give this obedience withdraw from this Light! Go and seek your human companionship and remain in the chains of your human creation a few more centuries. Masculine and feminine association in business is always permissible, but why seek companionship and for what when you have your Great Presence to whom you should be giving all your attention?
I say to you blessed ladies of the Light, be not dismayed in the unhappiness that has come of your search for and acceptance of the Light. Stand firm and unyielding by your "Mighty I AM Presence" and your "Mighty I AM Presence" will take you thru and one day hold you in Its Glorious Embrace of Light—free forever from these human desires which drag mankind down deeper and deeper into the mire and maya of human creation.

Oh, my dear beloved students, I again assert, so little is asked and yet some will still stubbornly refuse to give the little obedience. Do you not realize, beloved Students of the Light, that everyone of you must now stand by your "I AM Presence"—I don't care how much you love your wives, husbands and children? You are on your own two feet to-day in the Radiance of your Presence and you win the Victory or fail! That does not mean that you should be less companionable in the Purity of your association. It should cause you to love each other more.

A man and woman who do not want each other to be free from the sex desire are unfortunate, most unfortunate. This is the first time I have ever permitted this subject to be touched upon Ascension Day; but it had to be done to-night, because your Ascension is more important than anything in this world. Of course you do not quite understand all about It; you do not quite realize what that really means to you. It sounds perhaps sometimes like so many words, but It means you will move in a body of Perfection in Eternal Light, free from pain, distress and anxiety, filled with the glowing Presence of Life, beautiful as a dream and able to project the Light Rays wherever you will, to render service to the Universe.
When I take My time to come and flash These Words to the Messenger for your Blessing; when I have a Service to render in the Great Cosmic Octaves of this Universe; it ought to be worthy of your attention, consideration and obedience—not to Me, but to your Life. We are but Spokesmen of the Law! The choice, the decision, the determination must remain with you as to whether you wish to give obedience or not. It is quite all right if you want to wait; but to use this Activity as a means of that which is infamous and sets an example of deceit before the world is most unhappy to the great, the tremendous Efforts of Saint Germain. If you are not an example of this Great Light which He has brought and thru which He is giving you your Freedom, how can you be free? You think it is very unhappy to be a disgrace to your family or friends. How much more unhappy it is then to be a disgrace to Him. (applause)

Therefore, my beloved ones, let My Words, let My Great Power of Divine Love which floods this room, awaken you to-night, to your true responsibility to your families. I say to you ladies: If your home life has become unbearable and you have severed it, don’t seek the companionship of other men whose families should have their attention! To-day that will absolutely prevent your Freedom in this embodiment.

Allow Me to inform you of the thing that creates the greatest viciousness known in the human form—ungratified sex desires. It will make a human being the most vicious individual ever known, when that desire wells up to a certain point and the individual tries not to gratify it—when the Presence of Life could take such a de-
sire out of that one and would if he or she made the call.

I tell you, beloved students, to enter into any kind of conversation which draws your attention to those feelings and activities is dangerous in the extreme. Do not enter into vulgar conversation, beloved students, if you want to be free and I say this to the young people: "You are an example to the entire world, and if you allow yourselves in the happenings of the day to enter into vulgar conversations of any kind, that passes to everyone and then the outer world says: 'If that is a sample of the young people of the "I AM" we don't care for it.'" You must watch your conversation and your acts, Students of the Light, whether you have years over your head or whether you are in your teens.

Do you not see, beloved ones, that in all Saint Germain's Effort and in what He has raised you to at this time, you must try to be an example of His Great Law, Purity and Perfection?

We want you, if you will, to have your freedom, beloved Students of the Bay District who have been so loyal. Yet a few in your midst have spread these desires among the students; and because they would not control those desires themselves, they have tried to impose that destruction upon the other students. They try to intensify those feelings in other students until they could not control themselves so as to drag them off the Pathway of Light. Now you must guard against this, beloved Students.

I say to you, remember ladies and gentlemen you are under the All-seeing-eye of God when you enter this Light! Do not try to justify yourself that your motive is right, when the impelling
force back of it is wrong! I am here, to-night, to give you release. To those who have been unfortunate in such activities, if you care to accept it, I give you now this Assistance and I withdraw from you that desire and consume it Myself. Can I do more? But if you re-create it again, then My Efforts are in vain. When such great and splendid service has been given by the student body, We do not want to see anyone fail, but I repeat again: anyone who seeks the student body for that motive is not a student! Their interest is just a pretense; but after all, if you allow some of those desires to be imposed upon you and act them out you are still responsible!

Now I tell you frankly, beloved students, there is no excuse in this momentum gained, for anyone to say: “I have called and called to my Presence.” What good does it do you to call to your Presence, if the desire is going on? Call for that desire to be taken out and replaced by the satisfaction of the Presence; but to keep calling for the Presence to do something and then go on in the revolving of the desire, is just annulling and counter-acting your call. Not only that, but many times you intensify it by the greater energy which you are calling forth.

The reason I am here to-night is because there are a few in this audience who are in the most dangerous position! Unless you heed My Words, you will find yourselves by your own volition out of this Light. I want to protect you, if you will allow Me to do so. Remember what We, many of the Ascended Ones, have told you a goodly number of times: that the element in the earth which is vicious toward this Perfection of the Light, will try to project everything imaginable into your feeling and consciousness. At the first
signal of something undesirable there, you should stand on your feet at once and say: "'Mighty I AM Presence' take it out this instant and see that my Higher Mental Body stands guard over my feeling world, so no more of this enters it." There is no reason you should not be protected and it makes no difference what is being projected at you. With so much in the world about you, you cannot search it out, but you can have your guard up so powerful that none of those suggestions can penetrate it; and do not suggest to yourself that you are not strong enough to do it. Your Presence is the One to whom you make the call and can you tell Me you are too frail to speak the Words to your "I AM Presence"? I think not. Therefore, be alert, be aware! You must see that these beloved Messengers have had everything known to man projected at them directly, by groups of people to try to drive into their feeling world those nefarious suggestions, but not once have they succeeded. Then you may do the same thing, if you will.

My dear ones, you cannot read the closing chapter of the "Magic Presence" too often, and when you want any direct contact with Me, read that last chapter. By that means, I will be able to give you Assistance at any time by the projection of My own Light Rays and the Messenger can tell you something of Their Power.

Beloved students, I have hoped these three years to find those whom I could bring together and for whom I could render a Service in the comfort of your Western land that I rendered to the Children in the Cave of Light in India; and I am holding you in the Radiance of that Cave of Light to-night.

Now you to whom I am speaking—just a few
to-night—if you take offense at what I am saying, I bid you goodbye. We cannot longer go on using time and energy for those who will not give the little obedience required. I ask you, beloved ones, when the Glory of the Freedom of Eternity stands before you, how can the attention revert to the things that have dragged you into limitations for thousands of centuries?

As the Beloved Ascended Master Jesus said to His disciples before His Ascension: "Can you not watch with Me one hour"? I say to the students: "Beloved ones of America! Can you not give this obedience without human desires a few months or a few years in order to have this Freedom which We know you can have"?

Do you understand, beloved ones, why so many stubbornly refuse to come into this Great Light? Because they instinctively know that they would have to let go of those human desires which they do not want to let go of. Well they might be surprised, if they would come how suddenly from within them would disappear those desires. Such things have occurred many times in these audiences.

There is a definite reason why I must call these things to your attention to-night, because there are those in this audience who have not long to prepare. Do you quite understand Me when I say: "There are those in this audience who have not much time to prepare"? Give the obedience the little time that remains. As you well know, one in Chicago in two weeks more would have been assured of her Freedom. Can you not watch with Me a few days, a few weeks or a few months or even a few years, if necessary, for that Freedom?

Do not mind if I come very close into your hearts to-night, for while I am not allowing It to
be visible, the Light from My Heart and My Head is just as tangible going forth to your heart and head to-night as It was to those in Chananda’s Home. Will you try to feel It with all the kindness of your hearts? Try to feel for just a few moments what this means to you!

Oh, my dear ones, I am no figment of your imagination. I am a Mighty Real Being, and I am flashing These Words to this Messenger and I am speaking these Words, not he; for I am the One who flashes Them for him to repeat! Make no mistake about that! I want to render this Service to-night for the attainment of those in this class these ten days, in the Glory of the Vibratory action of everyone of you who has been here each day. It is magnificent to behold. I want that to remain. I want that to expand and intensify each day henceforth.

Would you be greatly surprised if I told you to-night—and I think I should—there are a great number among the student body who have already passed their natural span of Life and they are living on Our Time now? Should that mean something to you? Should it not mean your utmost great calm effort to sustain it? Who of you in this audience, to-night, can tell Me the Inner Action that has taken place within you these ten days? Who of you in San Francisco can tell Me what took place within your world in the three days Class in San Francisco? I could tell you very readily.

Is it possible, beloved ones, that there is any student or one in the land who feels that We are obligated to pat him or her on the back and say: “You are a good fellow, go on”? Is it not your own effort that is required? For you need far more than patting you on the back. We need to pour
into your feeling world that Glory of the Purity and Perfection of Life which is the sustaining Power and the Substance from which you can draw but you become so immersed thru the attention to the outer world that you forget It. I think after to-night, you will remember It at least once a day. In fact I think I shall see that you do, if you don't mind. (applause)

Beloved ones, as your slang phrase goes—shall I put you on the spot to-night? Yes, I think I shall. (applause) Then listen carefully. You have been informed that certain Dispensations were secured from the Central Source of all Life, Intelligence and Substance to this system of worlds, haven't you? If you went to your banks here to receive assistance you would have to leave some evidence of your sincerity, would you not? That is a little crude way to put it, but nevertheless it seems to fit just now. Well, since We are receiving and shall receive more Dispensations from that Great Central Source to this system; then who do you suppose is to take the responsibility for you as to whether you give obedience or not? Who do you think did? Your Beloved Saint Germain! (applause—audience rising)

May I use another of your slang phrases? Then since being informed of this, are you going to let Him down now? (applause) I am sure you are not. (applause) He would not say this to you Himself, but I think it is only just to you and to Him. You must feel your responsibility to that Great Magnificent Friend of America. (applause) You will remember that He and your Beloved Nada were the only ones who saw at first that this Achievement could be. The rest of Us, not having looked into the condition, but He said of His own volition: "I will try it out." (applause)
Since the achievement has been so great because of your loving kind obedience, why not go on and on with the little yet required which gives Him your greatest Light and Energy with which to gain the Final Victory for you and for America?

I know your hearts are good, so good, but you do not guard your feelings sufficiently, dear ones! Please be alert to it, then you will avoid all these things that would mar the beauty and magnificent expansion of the Light within your heart, within the cells of your body which means everything for the attainment of this Goal to which you are going now and very rapidly.

We have told you I think several times that now each one is wholly responsible to his or her "I AM Presence" for each One's success or failure. So I say to you beloved friends and Group Leaders, do not feel too much responsibility for those who are of age. They too have their own "I AM Presence," and you should not feel the responsibility since their attention has been called to that Great Presence. Thus, will you make each one strong when he or she finds each one must depend upon his or her own "Mighty I AM Presence," and not your call for success.

I trust I am making Myself clear to you but remember, even though I must be very firm in this to-night, My Love is none the less—in fact it is even greater, because of the necessity. (applause) I do not condemn you for these mistakes—those few to whom I am speaking; but I tell you that Life will close the door to this Opportunity, if it does not cease at once, then blame no one but yourselves.

That is how greatly I love you to inform you and give you the Opportunity, whether you like Me or not for it, is entirely up to you. I shall not
worry about it at all. We serve the Light. We do not expect any assurance of human obedience about what We do. We render the Service and Our part is finished! For all the students in America who have had the opportunity of coming to these classes, my dear people, it is a magnificent thing, as one day you will see.

Now I presume some will call Me a mind reader, but in all that has passed thru your mind as you move among the outer world in conversation, do you know how uncertain you have sometimes been? You need not do this publicly now, but agree with yourself whether I am correct or not. One time you are very firm against vicious gossip. Then another time when you have been going pretty steady all day and you are not quite so full of energy, someone comes along and talks to you and after that one leaves and you go on you say: “I wonder about that! I wonder if that individual did that! I wonder if this Law is all I think it is or all that is claimed for It! I wonder why I feel this way”? I can tell you why you feel that way—because you accepted the vicious gossip and feeling that you listened to and if it discouraged you the fault is yours. You don’t have to listen to it and you don’t have to accept it!

Now my dear ones, I trust in the few months ahead to see the greatest reward to My Humble Efforts, to-night, that I have witnessed in a good while. I am not asking you if you are going to give obedience to the suggestions I have offered but I say to you, I trust that I shall see in a few months the greatest achievement so far witnessed by you who are here to-night. (applause) Whatever you may do, We still continue to hold your hand until you say: “let go”! (applause)

Oh yes, Our hearing is very good. We would hear you, if you asked Us to let go. Did you ever
have friends in the world anywhere thru the cen-
turies of embodiments, in case you should remem-
ber, who refused to look upon your mistakes and
would still hold your hand to assist you on to Per-
fection regardless? Well, We are doing that and
sometimes both of your hands are held in the
great strength that you require, to surmount a
condition which would otherwise be terrifying
to you. That is how We love humanity. That is
how We love the children of earth.

Do you not think that I am quite fortunate,
since in the beginning I refused to lower My Con-
sciousness or to accept that my intellect was the
authority? So I have for a long time been the
Guardian of the children of earth and My friends
of that age are still here in embodiment. (ap-
plause)

You can understand a little something then of
the strength and power of the Messengers to stand
against all human forces and continue the serv-
ice to your happiness, your Freedom and your
limitless supply.

So, to-night, this has not been so fierce after
all, has it? (applause) Just a heart to heart talk
that We must have sometimes. Do you remember
when you were a little child when you grew so
weary, you ran in the house and said: "Oh mother,
I am so tired"; and your mother sat down and you
cuddled up in her lap and went sound to sleep?
This time, you are curling up in the Lap of Life,
wide awake; wide awake! I speak to the Higher
Mental Body of each one of you: "See that these
human forms are wide awake, alert, strong, pow-
erful and filled with the Strength of Life. Take
and hold their Dominion now and forever by the
Power of Light that beats their hearts."

I thank you.
VER three thousand “I AM” Students gathered Easter Morning at the Sunrise Service in Glendale, Calif., at the Oakmont Country Club.

We had decreed to be able to see the Sun and so we did, also it was not seen anywhere else in the surrounding locality. Just before the Sun rose above the edge of the mountain, the Golden Light-Substance poured like Golden Snow into the atmosphere and many saw It.

As I began the Invocation, every phrase travelled across the grounds into the mountains in a feminine voice and returned to us the masculine Voice of our Beloved Messenger, Guy W. Ballard, as clear, distinct and natural as ever. For at least ten minutes, phrase by phrase sent out returned and completed the circle or current of force sent forth in Love and Blessing to the world.

Each song as it was finished carried its melody on and on into the mountain range, carrying all the Love, Light and Blessings of our hearts to enfold the earth being charged with the Power of a Thousand Suns to hold the Victory of the Light everywhere in America and then to bless the world.

The Great Cosmic Light as of a Thousand Suns from our Great Central Sun, for which Jesus, the Goddess of Liberty, Arcturus, the Goddess of Light, Saint Germain, Our Beloved Messenger and Others of the Ascended Host had called, touched the earth in unison with the Light from our physical sun; and the tremendous Power of It was so great the entire radio and telegraph world recorded the terrific effects upon their con-
nections which were silent in some channels for about eight hours.

This answer to our calls and those of the Ascended Masters will bring joy and gratitude to our hearts forever; and all mankind shall feel that Light intensifying until It has wiped out every destructive force in mankind, the earth and its atmosphere forever.

All our Love, gratitude and adoration to the "Blessed Mighty I AM Presence," the Great Host of Ascended Masters, the Great Cosmic Beings and this Great Cosmic Light from us all forever.

MRS. G. W. BALLARD AND DONALD.

GEMS OF LIGHT

Saint Germain

"Right here in your physical octave are billions of dollars of wealth ready to be used, which only await the sufficient harmony within certain individuals to have it released without limit. I mean by that in sustained activity. If We could be sure that you would be master of your feeling world, We could release into your hands, to-night, all that you could use, or show you where it was."

Saint Germain:

"Do you not see that all experience is just to train you to depend wholly upon the 'I AM Presence,' the Giver of all that is good? It will give you everything in the world, thru that Life, if you will but stand by It firmly with great determination and call It into action. Every desire that holds the picture of the thing you wish to use, will require this Mighty Energy to take command and produce the thing you require."
SATURDAY, March 30, 1940, while autographing, our Beloved Saint Germain stood within His own Great Ray of Light and poured His Mighty Power of the Violet Consuming Flame in thru and around the entire Shrine Auditorium. Above Him stood the Great Cosmic Beings from the Great Central Sun pouring Their Mighty Light and Power to enfold all.

Sunday, March 31, 1940, again as I began to autograph the first book, a Great Golden Ray of Light filled the auditorium and within It came an immense Eagle of White Fire whose Wings spanned the entire width of the auditorium. This was a Messenger from Venus who brings tremendous Light to the earth, for the protection of all that is constructive and for special Assistance to the United States of America.

That Mighty Power and Out-pouring of Light is the release of a special all-protecting Action to every person, place, condition and thing under this Radiation; and will stand enfolding every one until the full Victory of the Light is attained and the Ascension completed.

Visualize this Mighty Activity of Light as often as you can and feel Its Mighty Victory.

MRS. G. W. BALLARD AND DONALD.
LESSED Group Leaders, the Love and respect which the Students of the “I AM” pour to you is a Trust to you from Saint Germain and the other Ascended Masters!

Do not betray that Trust by holding a feeling within yourselves that the “I AM” Students are your students; or take credit to yourselves for being so good or so powerful; or because you think you have a greater understanding of the Law than the student.

Such feelings are very subtle. They can throw you out of this Light before you know it, if you are not constantly on guard. The “I AM” Students belong to the “Mighty I AM Presence” of Life from the Great Central Sun and not to any Group Leader. Each one belongs to his own “Mighty I AM Presence.”

In order to keep those feelings out of you or from acting to destroy the good in your world, remember how much you did not amount to, until Saint Germain and our Beloved Messenger gave you this Light.

Our Beloved Messenger, Guy W. Ballard was and is the Open Door thru which this Light could be given to set us all free. Even Saint Germain said: He tried for six hundred years to get this Light released in the physical world to set mankind free, and only our Beloved Messenger was strong enough to be the Open Door.
Not you nor I nor anyone in this world should ever have credit for that but just our Beloved, Blessed Messenger—our Precious Guy W. Ballard! We all bow before His Great Strength and Light which have saved us all.

We had Jesus for nineteen hundred years. We had the Masters as Theosophy and the Orient taught! We have had countless statements of the Law of Truth and Perfection; but only one person a year out of three and a half billions of people on this earth ever attained his Ascension. Even with all the assistance given mankind in the centuries past, none of us were able to apply what we knew enough to gain our Freedom.

Since our Beloved Messenger came and gave this Light from Saint Germain, we have all had much greater good and Freedom in our own individual worlds. Then never let any of us for one second ever dare to think, say, feel or do anything that would try to make others feel or believe that we are the Power or Understanding which is helping to set the student free. The ONLY POWER in this Activity or any other that ever did anything good for anyone is the Divine Activity of Life which is the "Mighty I AM Presence" and no human being in this Activity shall ever take the credit in thought, feeling, word or act and remain as a Group Leader or representative of this Mighty Ascended Master Instruction of the "I AM"—the only possible hope of Freedom or Divine Justice to the people of this world.

We are only privileged to carry the "Cup of Light" which the Ascended Masters have entrusted to our care! We shall oppose everybody and everything who at any time openly or under
cover attempts in thought, feeling, word or action, to give credit to any one’s personality, not even my own, for bringing this Ascended Master Light, Instruction and Freedom of the “Mighty I AM Presence” to mankind and holding this Light until they are free.

Soon the very intensity of this Light will be its own defense and only those who reveal It thru their own bodies will be believed by the people.

All under this Radiation belongs to Saint Germain for the Victory of the Light, Freedom, Protection and Divine Justice to America and her people and for the Freedom of all mankind.

GROUP LEADERS, please address all correspondence concerning Group Activities or anything concerning this Activity to Mrs. G. W. Ballard or SAINT GERMAINE PRESS, P.O. Box 1133, Chicago, Illinois, or Sindelar Studios, 2600 So. Hoover St., Los Angeles, and it will be forwarded to us wherever we are, as Mr. P. B. Crouse is no longer a member of our Staff nor is he in this Light.

No. 2

We notify and warn all “I AM” Students and people everywhere now, that our Beloved Messenger, Mr. Guy W. Ballard, never said to anyone that there were jewels or gold at any definite place on any individual’s mine or mining property.

We hereby notify all individuals owning, operating or interested in mining not to use Mr.
Ballard’s name nor this Ascended Master “I AM” Activity to influence people to invest in mining ventures nor to loan them money for any reason whatsoever.

Because people have asked our Beloved Messenger or myself to bless their properties does not mean that we sponsor nor approve of them as investments for any reason whatsoever; for to do so would be disobedience to this Ascended Master Law of the “I AM” and Saint Germain.

Our names and the trust the people have in us shall not be used to exploit any kind of business venture in any activity for private profit of any individual or group, even for the furthering of this Activity of the Light; because every one must stand on his own merits, carry his own obligations honestly and honorably, pay his bills and take full responsibility for everything he does; and this Ascended Master Instruction of the “I AM” stands forever free from all such activities and entanglements.

MRS. G. W. BALLARD AND DONALD.

CLAIMING AUTHORITY

BECAUSE of the recent claims by various individuals that they are receiving dictates from our Beloved Messenger, Mr. Guy W. Ballard, and Others of the Ascended Masters; and that they are authorized to give forth this Ascended Master Instruction to the world, your attention is again called to our Beloved Master Jesus’ Discourse on Christmas Day, December 25, 1935, in Los Angeles, wherein He says:

“Let no one desire to transcend or replace these Beloved Messengers, in this Light and expression of the ‘I AM’ that Saint Germain has given forth. They have proven their ability to stand in the Light and with no personal desire, carry unselfishly the Pure Unadulterated Message of the ‘Mighty I AM Presence’; and until the Ascended Masters come forth in their tangible, visible bodies, they will remain the Direct Messengers of Saint Germain, Myself and Others of the Ascended Masters. It is only thru their joyous and willing obedience to Our slightest Wish, that it has been possible to bring forth this expression
and understanding of the ‘I AM,’ in the purity and clearness in which it is expressed to-day.

"The students will be wise indeed, no matter how great their inspiration, to stand steadfast in their use of ‘Unveiled Mysteries,’ ‘The Magic Presence,’ ‘The I AM Discourses,’ and ‘The I AM Adorations and Affirmations,’ for these words are cups that carry the fulness of the Ascended Masters’ Perfection into the consciousness of the individual; and there is naught else in the outer world to-day, that will carry this conviction with so great a power."

This same admonition has been given forth in several other Dictations which have not yet been published. We call the students’ attention to this so they will not be misled, then each must choose what they wish to follow. Our duty is to state the Truth as It has been given to us. The Ascended Masters’ Words are good enough for us, how about you!

MRS. G. W. BALLARD AND DONALD.

• GEMS OF LIGHT •

Great Divine Director

Do you not see, dear ones, how much more wonderful it is, to live in happiness and kindliness to each other and to all mankind, than to allow anything to disturb or irritate you or make you feel the desire to gossip? Oh, dear ones, see the vast difference. See what the Privilege and the Glory is before you. Oh, dear hearts, this Great Law of Life is no idle dream. It is no imagination of human concepts, but a Glory eternal in Its ever-expanding Magnificence.
Saint Germain:

"My dear ones, when I say to you that I have opened the Door for your Ascension in this embodiment and will stand the first One to greet you and give you the outer Assistance to complete It at the close of your earthly Pilgrimage, I mean that with all the Power that it holds. If that is not worth any effort at obedience and determination to serve harmoniously to your Freedom, then I could not conceive of any encouragement or any inducement that might be sufficient."

Saint Germain:

"America needs this Light Oh so much. Do not let yourselves be deceived for one minute. The most diabolical forces on this earth are still watching, spying and playing their network of intrigue to destroy your America; and if it comes to an outer conflagration, too well will you understand and know how great has been the Truth of My Words."

Saint Germain:

"I do not think you understand how I felt when you were with Me in that seventy thousand year civilization to which We have often referred. You had reached a great state of mastery then; but because the Greater Wisdom said to Me: 'withdraw,' when I was gone, you did not stand by Me then. Don't fail Me now for your own sake. You went again into greater density, coming again into the struggle of human existence. Now the opportunity is so ready, so open before you."
Saint Germain:

“Oh, what do others’ opinions amount to? What does that which others say amount to? With your concentrated attention upon the Presence of all Life and Its Great Perfection you can have Perfection. Oh, that great statement: ‘Stand in your Presence and let the world roll by,’ what an apropos statement it is, for the outer world of human creation will roll by and leave you untouched when you stand firm enough in the Harmony of Life, or your Presence, the ‘Mighty I AM’.”

Saint Germain:

“I want you to remember this, that whatever I say to you, whatever Others of the Ascended Masters might say to you, it would be impossible for it to be criticism of you. It is only a statement of the Truth which We know to be that becomes your Freedom. Therefore, if you feel We criticize you, you have missed the point entirely. Do you not see that if I wished to criticize you, I would remain silent and let you go on your way into the conditions of your own creation? Since I am willing to stand in your defense, even to defend you against your own human creation, then that ought to be a Friend worth while.”

Saint Germain:

“It is incredible how many people in human form would sell their chance of Freedom for a few dollars.”
Saint Germain:

"Is it not strange, beloved ones, that people become so imbued with the desire for some great manifestation, that they become violently vicious in order to attempt to force it into action? They try to compel Beings whom they could not touch or affect to do their human will. In their great ignorance they think they can force Us to do something that Our Wisdom says is not yet time. It shows how ignorant the human is when it is disturbed. The heart in every one of them, knows that this Law is true and it tries to impel that force into the intellect and at moments, at intervals it succeeds, but only for a time."

Saint Germain:

"My dear ones, in all that you have heard Us mention, do you not see that it is only a fragment of that which We are actually doing. In the great number of dictations which have been given, it is such a small part. To cover the field would have required ten times the number, in order to describe to you a part of all We have done in the endeavor to protect and bless mankind. If you looked from Our Octave of Light upon the atmosphere of earth, you would not recognize it as it existed ten years ago. It is as different almost as daylight and darkness, and the reason is this: at that time here and there was a dim light visible from Our Octave, to-day in various parts of America it has almost become self-luminous."

BLESSING OF THE CHARTS AND
FLAMES-IN-ACTION

ELOVED "I AM" Students, the Ascended Masters have asked that you use the Charts and Flames-in-Action, to charge the atmosphere of your homes and places of business wherever you can, with the Power of the "Mighty I AM Presence" and the Radiation of the Ascended Masters.

When you realize that the very vibratory action of the Light and energy from the Charts and Flames-in-Action, pours out the Ascended Masters' Qualities into the air of the room wherever they are illumined and in action, you can each day make the call for them to be amplified a thousand times more powerfully than they were the day before.

If you once begin to realize what a limitless Focus of Ascended Master Consciousness, Light, Energy and Power, you can call forth thru these blessed Charts and Flames-in-Action which Saint Germain has brought forth for your Assistance,
you would not miss one day in dynamically calling forth such concentrated Ascended Master Power and Perfection thru these continued activities of Light, Energy and Vibration, as would charge everything around them with the most amazing miracles and Victories of the Light.

You have not the slightest comprehension yet of what a tremendous momentum of energy you could draw forth in one month, and have it qualified with the special Quality of one or more of the Ascended Masters whose definite Activity you needed to do what you desire in producing Perfection.

Stand in front of your Chart or Flame-in-Action and call first to your “Mighty I AM Presence” and then to one or more of the Ascended Masters to pour thru it an intensified action of Their Power, Miracles and Victories of the Light—with Their eternally sustained Divine Justice, Divine Love, Ease, Comfort and Peace from the Heart of the Great Silence and each day increase that a thousand times more than the day before, until your room, home or place of business is so filled with that Substance and Power from the Ascended Masters Octave, as to produce the most amazing Blessings in you and your world.

The Ascended Masters ask all of you who have Charts and Flames-in-Action to begin doing this regularly each day; and see what a great difference it will make in your world and activities.

We call every day for the “Mighty I AM Presence” and the Ascended Masters to bring these into the use of all who really desire them and make their sincere call to the Presence to provide them with these Blessings to bring forth more instantaneous Perfection to all.
