SAINT GERMAIN’S DISCOURSE
Shrine Class—Los Angeles, Calif.
July 16, 1939

ELOVED sons and daughters of Light, to-day is My day of rejoicing with you in the Great Achievements. All thus far are permanent and never are the destructive forces which We have removed to act again upon this earth, be remembered or find action.

Let us begin with the intimation which you had in the dissolving of the qualities and conditions in Africa, to which the Goddess of Liberty referred in the third episode of Washington’s Vision. That very ancient cause has been removed. The conditions there to-day, are the last fragment of the powerful destructive forces which once wielded their powers from that focus.
Now returning to our America. Your beloved Lotus' call the other day in its power and majesty, was the last needed to start the consuming of the astral world. While not entirely removed from the earth, its focus was removed. (applause) I shall give you some idea of the manner in which it was done. Upon the earth, you have a compound where you gather certain forces, your animals for instance, to hold them within check. Circulating above the earth is a compound into which these destructive forces of mankind's creation and generation have been drawn. They will no longer affect mankind nor the earth but they will remain there until those for whom it is possible, can be taken to the Octave of Light. Never again shall that condition of human consciousness cause its destructive force to act upon the surface of this earth.

One of the most vicious ancient vortexes of destructive force within your state has been removed from your coast city of San Pedro. The definite attempt was made to destroy everything which has been there and all who had focused their endeavors there. In all cities where there has been the foreign element in the exchange of commerce, frightful destructive activities have been focused in the past. Thruout your America, those have been destroyed and removed. This will cause a great change in the feeling of the men who serve in that capacity—such as the longshoremen and the various individuals who handle the shipping activities. Accept this in your feelings and know it is done; and know that no person can release energy which will be utilized for any recurrence of such a thing. The Light is being set into action now, for the
removal of these vortexes of destructive force that are the cause and effect of the strikes and the treacherous destructive elements which have entered into the once helpful unions of America. Those forces that have seized upon the energy of mankind to try to destroy them, will no longer have power nor influence.

Owing to the tremendous other service which was required, there still remains some service to be rendered in the removing of the entities from the State of California. However, eighty percent have been taken away. (applause) You could not possibly in your outer consciousness estimate what this will mean to the people and as you have your attention drawn to this and accept it, you will find your world taking on a new life; your feelings change; your confidence and courage restored; and you will find that all attempt to support viciousness will quickly return upon those who send it forth. Mighty is this Victory!

Life compels Me to say to you that after today, July 16, 1939, from all students or those who have claimed to be, who doubt the Messengers, Myself or the Reality of this Great Light, all Our Assistance will be withdrawn. We cannot give time and energy to those who do not want to be free. There are many in your America who want this Great Light and are calling for It with great earnestness. They will soon join your great Army of Light. Those who wilfully become vicious must be out-casts from mankind. Therefore, understand this definitely beloved students. For five years, an inestimable Assistance has been given! Every one has an "I AM Presence" which has tried thru the Higher Mental Body to give
Its Freedom and Release. Now, if mankind insist on returning their attention to the destructive conditions of the outer world and accepting falsehoods that turn them from the Pathway of Light, then all Our Assistance must be withdrawn.

The transforming activity which has gone on within your boundaries is that for which I have waited a very long time. My rejoicing is so great to-day for you and for America. The assurance of protection for America is sixty percent on the side of the protective Power. That should mean much to you, should mean greater encouragement to go on in your mighty, mighty Decrees.

Remember, beloved students, let no one spread the disintegrating idea that you should dissolve your larger Groups into small ones! What a great tragedy that would be! Build, build and build your great Groups, until greater space is required to accommodate them. There is your Power-house! Your great Groups in Los Angeles, those of a thousand, three thousand and five thousand people sending forth these Mighty Calls in one great volume, are the Power which has made such great achievement possible.

There has been the attempt to spread the poisonous breath among mankind to revert to smaller groups. My dear people! It is the volume of power that has gone forth in the large Groups which has made many of these things possible. Where it is not possible to have the larger Groups, the smaller ones are very desirable of course and are wonderful. I am not speaking disparagingly of the eastern part of our country where they do not have these large Groups; but if I mistake not in the near future, you will find that those
Groups will build with great speed and power.

The destructive element that We have with patience allowed time to redeem themselves, are no longer to be given time. They must be pulled out by the roots from within the Student Body and it will be done. Everyone who spreads viciousness toward these Messengers, this Great Light or Its Reality will be removed from the Student Body, be assured of that! This thing shall cease! Because of the Great Effort made by the Cosmic Beings and the Ascended Masters in releasing the Cosmic Light to render this service, it cannot go on longer. We have given abundant time for people to decide whether they want to serve the Light or not. If they do not, of course that is quite their choice, but they cannot have Our Assistance further, nor can they remain in the pretense of serving this Light.

Therefore, to-day in bringing you this joyful Message of the Glory and Victory of the Light, I trust you will appreciate all It means to you individually, your affairs and that of the nation. Your Wondrous Goddess of Light is responsible for the great Victory in Africa. Her Service to this earth is very great and Her Power to deal with vicious vortexes of ancient accumulation is very great.

Great Harmony will soon begin to take His Dominion throughout the student body—not only in holding you yourselves stabilized in the Harmony of Life, but in the Harmony that will flow thru you. Many of these conditions had to be removed from the earth before He could begin to release His Powers. The coming forth of the Goddess of Purity and the Goddess of Justice has made so much possible. There are volumes I might tell
you of the Great Achievements which have taken place; but suffice it to say that the Glory of this, with your continued application, will mean such changes as will delight you beyond all expression.

If you had stood by My side thru the past two hundred years, you would realize what I mean. If you could have seen the little response I had, until I took this beloved Messenger under my care, and then your Beloved Lotus and Donald, you would see all this Light means to you. Your great Love, devotion and gratitude to them and to Me, is a Mighty releasing Power and is that which has enabled the release of mankind to come.

Do you quite understand—I see you do not—what it meant when I said all who were in the astral world, the psychic world, and the discordantly changed substance have been removed into this compound above the earth; that their influence may not touch the earth? Do you realize that this means the human creation of mankind—the thought forms generated by discordant feeling and misuse of sex which has built such diabolical forms that have tortured mankind? Your attention was called to the fact, that henceforth, you would sleep with greater joy and peace and less disturbance. Be assured you will for these creations will not torture mankind during sleep.

Be assured of this, beloved students, and remember that they are removed! If there is any reaction of that which you have been experiencing, it is not from these forces. It is but that which has been registered within your structure of the human form by those influences. In that case, call your "I AM Presence" to dissolve by the
Power of the Violet Consuming Flame, anything that has registered within your feeling world or the structure of your body. Then you will quickly be free from any disturbance. This has been one means by which mankind have been over-wrought, disturbed and confused by these destructive forces—after all just their own human creation.

Beloved ones, you perhaps have forgotten that the Goddess of Justice is here and Justice must be established—Divine Justice throughout our beloved Student Body! Remember, the Goddess of Justice is watching over every student and Divine Justice must be rendered! This is going to become more and more noticeable as you move forward: "Speak only when your words are the Golden Light of Truth."

In all that mankind has been thru in the past, please understand they are released this day. This not only refers to you, beloved students, but the great body of mankind who have been reaching out and struggling as one whose head was almost under water. It was. The great number of mankind in this seething vortex of human discordant creation were almost submerged; but now they are still able to breathe the Light of the Golden Sun of Light. Now their discord shall recede and they will straighten themselves, awake from the sleep of the senses and with a joyous sense of Light in their hearts, reach forth to the "Great I AM Presence" and be lifted into Its Mighty Embrace of Freedom. Understand and feel the full Power of all this means to you!

This day is the most Sacred Day to you in more than four hundred thousand years! These Activities and more, some of which I may not mention,
have been permanently achieved. Whatever We do thru your call to the "I AM Presence"—your Presence of Life—becomes permanent, for the discord does not re-establish itself. Therefore, it is a steady movement in cleansing the earth. As We have asked you to call the Presence to use the Violet Consuming Flame and cleanse your body, your mental and feeling world, so are We doing that which you cannot do, in cleansing the atmosphere of earth to remove from you that great pressure of discord.

Try to feel while I talk to you the importance and the Reality of this! I say to you, beloved students, do not allow yourselves to feel or breathe one word, that what I have said to you is not true. If you do not believe it be silent, for I shall watch! We have been patient with the doubt of mankind! In the future, doubt must take its toll because those who have come to know the "I AM Presence" can keep doubt out if they will; but you cannot do it, if you continue to listen to falsehood and gossip. We have told you this hundreds of times. I trust I shall never have to mention this subject again, but it is up to you now to decide!

It is easy enough to keep out doubt, if you do not listen to falsehood and every word that is uttered against these Messengers and This Work is falsehood. That should be known without anybody telling you! If you listen to it and respond, the penalty is yours! This is definite—very, very definite!

Therefore, in this day, let us now enter into the Great Magnificent Splendor that is here, feel the full Reality and enter into the Great Freedom of all this achievement has meant for you.
Could you observe, as I do, the interior of this great auditorium to-day, you would observe one of the most beautiful things you have ever known in white, violet and gold. The outer eye does not see that Beauty and Perfection. Yet, the Light within your heart sees and knows It and is drawing from Its Mighty Power, Its Radiance to plant within your feeling world the Glory of all It means in your achievement.

To-day, with more than five hundred thousand in America starts the very definite action toward their Ascension under the new Dispensation. That is something to think about! My dear ones it is Real! It is True! Therefore, let everyone rejoice in his or her heart and accept it, for in the acceptance of the assurance of five hundred thousand people's Ascension, what do you think that would do as assistance to yours?

To-day, is the Great Day of Victory! You will remember months ago, the Mighty Victory invited you into His Garden. Many accepted the invitation which accounts for the Great Victory to-day. I am speaking very quietly and slowly to you, to-day, for I am anchoring the Mighty Action of every Word which I speak into your feeling world for service. Never in your lifetime—in any embodiment—did you ever receive anything like this.

I might tell you just a little joke on Myself. Did you ever have friends on earth that when you wanted them to do something, all of a sudden decided they would not do it for you? Well, I stand in that position to-day with My Friends in the Octave of Light. I approached one after the other to take this Dictation this afternoon and give It forth but they all seemed very busy; and as I went from one to the other, They imme-
diately informed Me of this important thing. They had to care for and here I was left. Does the Law spare even Me? However, I am exceedingly rejoiced and happy that I may convey to you, this Great Magnificent Reality so your outer consciousness and attention may hold it, so you do let that Glorious and Mighty Activity flow into your mental and feeling world and out into your world of action like a great River of Light! To the degree that you hold and recall the memory of this which I have said to-day, will you feel Its Mighty Action taking place in your world.

On the return of the Messengers at Christmas time, may the student body throughout America find such release and such Freedom from all binding powers which the earth has held that there will be no question in the mind of anyone of the Reality and Power of this Great Light at his or her call to do each one’s bidding in every constructive thing. This stands before you ready for action. According to your sincerity and determination, will you find it quickly moving in and your whole world changing into one of confidence, courage and assurance.

Once more I remind you, my beloved ones, in your financial application, you must take a firm determined stand to have released from your Treasure-house, your own mighty abundance of all you require whether it be money or anything else. Then, your Presence will set the forces into action thru the Light Rays, to act under the direction of your Higher Mental Body to produce this. You must come to know it is definite! It cannot fail! It only means your steadfast application to keep the energy flowing forth from
your feeling world to bring about not only the result for the moment, but to build that permanent result to last as long as you require it in human embodiment.

After all, how many years do you think the five hundred thousand to whom I referred have to remain here? Are you mathematically inclined? You know mankind has established the limit of three score and ten—some have only ten left, I mean according to the human estimate. Then in the Victory that stands before you, I ask you beloved Children of the Light: "Could anything in the world make you unhappy again, in knowing that your Goal was so near at hand?"

After thousands of centuries in which you have been living in human limitations similar to this, you have come to know that your Freedom is at hand.

You will never find one Word I tell you fail to be fulfilled! Remember, you are the authority in your world! According to your acceptance and and your determination to apply these Truths, will I give and thru your steadfast application, will you know more quickly than you imagine, the Truth of My Words to-day. Therefore, I want you to feel all that this means to you.

Won't you all stand for just a few moments? Will you kindly accept—I may not enumerate them, but will you accept all of the Powers which are here for your blessing, into your mental and feeling world and your world of action? As you are standing, just silently call to your Presence and say: "'Mighty I AM Presence,' give me Your Complete Acceptance of this; and see that the Higher Mental Body wields this Power from within my feeling world to my Freedom, supply, happiness and Ascension." You will have rendered
yourselves, Myself and your Friends the Ascended Masters a very great service, a very great opportunity to do for you what you cannot do for yourselves, except thru your call, which gives Us the opportunity to give you that which We do release for your blessing.

Will every one just close his or her eyes for a few moments and feel this deeply? (Silence) It is well, very well! Thank you so much. Won’t you be seated?

It is very gratifying to find your great Determination for your Freedom. Never, beloved students, have you ever entered into the Glory of such determination as is within you to-day to stop all discord; and I assure you, if you will be dynamic against all of that discord which tries to come into your world, you will know such peace and happiness as you have never known in many embodiments. This remains with you to determine! We have told you the need and told you what to do!

To-day, in your final Goal which you are attaining, you cannot afford to let friends or relatives pull you from the Pathway of Light—such a one is not your friend or relative either. So stand your guard that you may have the Blessing of that which I have brought for you to-day; rarer than all the jewels mankind has ever known; and will you consider it so that the fulness of all good may find Its quick powerful protecting, perfecting Activity within you in Its ever-expanding Beauty and Perfection.

Accept My Hand-clasp in yours and feel that Hand remain in yours until the Hand of My Ascended Body greets you in the Octave of Light. I thank you and bless you forever.
THE Cosmic Moment has struck beloved ones, when the Ascended Masters call you to Victory and Freedom in the Light!

Blessed beloved Mothers of America, I speak directly to your hearts, and I am pleading for the greatest cause in the Universe—THE PROTECTION OF LIFE.

I speak from the Heart of Creation, the Mighty Fiat of Life:—“Thou Shalt not Kill”! To the accomplishment of that end do we, the Mothers of America, pledge our all for the protection of the minds, the bodies and feelings of our people.

The Mothers of America are Divine Eternal Cosmic Authority over the bodies of our people! Vicious human beings, nor groups of them, who have the brazen effrontery to defy the Laws of Life, shall not take our people out of our country to foreign lands and drive them into the jaws of destruction; neither shall they draw that destruction here.

The Ascended Masters have said that the Mothers of America can release terrific energy through our feeling of Love for our children; and the Ascended Masters at our call to the “Mighty I AM Presence” can and will take up the energy of our Love, our Light, and our Life and amplify that to whatever degree is necessary, to prevent war or any other destructive force from destroying our beloved ones. The mad on-rushing destruction of unbridled selfishness shall not go on in its fury in annihilating the bodies of mankind,—without the full repelling Power and the Victory
of Light returning to them the fullness of their own destruction. We can and shall call the Ascended Masters to release the Blazing Cosmic Light, to hold our beloved country and our people protected by God—the Power of the Universe, the "Mighty I AM Presence"—the "Light of God that never fails."

If insane fiends of destruction have the audacity to plan war and destruction to annihilate or cripple the bodies of 130 million people; then we, the straight-thinking constructive people of the United States of America, and the Americas, can and shall exert our Eternal Authority of Life and protect and save the bodies of those 130 million people, and more.

There is no law in heaven nor earth which can prevent the Power of the Cosmic Light driving the destruction planned for our people back into its own cause and holding it bound there until all destructive forces and plans are annihilated and replaced by the Freedom and Perfection of Life which is our eternal Divine birthright.

There is a Power greater than the discord of human beings! That Power is the "Mighty I AM Presence," the Great Host of Ascended Masters and the Cosmic Beings. They can and do project Their Cosmic Power and Pressure of Light into destructive activities at our call.

Then will you, every Mother in America, join with the "I AM" Students, regardless of your faith, belief, or any other condition of the outer world—will you join the "I AM" Students and ourselves and draw forth the full Power of the Cosmic Light for the Victory and Freedom of our homes, the Freedom of the United States of America?
Mothers of America, the emotional bodies of our children are one with our feeling world! If we qualify the energy in our feeling world, and theirs, with the Ascended Master "I AM" Decree—THAT WAR SHALL NOT INJURE OR DESTROY OUR PEOPLE NOR OUR LAND OF LIGHT—WE CAN POSITIVELY exert a force that will SHATTER every plan to rob us of our loved ones, our homes and the blessings of Freedom guaranteed to us by the Constitution of the United States of America. Therefore, we stand, face, and conquer all destructive forces, on our Constitutional right of Self-protection and Free Speech!

That is why I call to the hearts of the Mothers of America, to arise in the God-given Authority and Freedom which you are, and which still exists in the United States of America and issue the command to every destructive force within our borders to go back into its own cause and annihilate itself from our country forever!

Remember, Mothers of America, our children are Life's Trust to us; and Life will hold us responsible if we do not use every Power that Life provides to fulfill that trust and to take our loved ones forever to the Freedom and Perfection of Life, which the Law of the Universe has commanded shall be fulfilled—and that is the attainment of the Ascension.

With that call to the "Mighty I AM Presence" and the Ascended Masters to withdraw and withhold all money, energy, power, supply, influence and activity of every kind from all destructive individuals and plans within our country—we give the Greatest Power and Authority in the Universe, an open door thru which the Cosmic Light Rays can be concentrated and held focused
into every vortex of destruction that has arisen in America until all destruction ceases forever!

Every mother can do that with an intense feeling which releases dynamic power and blazing Light into every condition this hour which would draw our people into war! Will you do that? We are, and you can!

Human beings can't keep you out of war! Science hasn't kept mankind out of war! Education hasn't kept people out of war! The money powers of the world haven't prevented war! Other activities of human beings haven't stopped the destruction of war! Then why not reach up while there is yet time and open the door for the release of the only Constructive Consciousness, Power and Activity of Life in the whole world which can and will stop war and all mankind's destruction with a speed and action that destructive individuals will feel and understand?

If every mother in America would, with all the feeling and power of her being, command in the Name of the "Mighty I AM Presence" and the Ascended Masters, that war shall be blasted from our land forever and that the Eternal Victory of the Cosmic Light SHALL give Divine Justice, Freedom and Protection to all that is constructive in our land forever, it positively will be done; but the mothers who are that authority cannot expect others to use it for them because it is the duty of every human being to exert his own free will and decide what he wishes to experience.

Life, the greatest Intelligence, that created the Universe, breathes through you and beats your heart and is greater than the discord of all destructive individuals on earth; but if your body
is to be protected, your Life must release its protection in, through and around you; and you must call Life into action to accomplish that, and for all mankind also. It cannot come otherwise, and since no other channel in the world can protect the people in the Americas, but the superhuman power of Life, it is time to use It now whether you fully understand Its Mighty action or not!

Try it out; make the call; give the Ascended Masters' "I AM" Decrees, and definitely concentrate your Power of Life for the protection of your loved ones; and you will as surely see that Power of the Cosmic Light act, as the Universe exists.

Beloved Mothers of America, the Ascended Masters and we love the people of America as few can understand! We and the "I AM" Students shall use every power at our command to protect you, your children, your loved ones, and America, which is our home. We would rather lose our physical bodies defending the United States of America and the Constructive activities of our people in this, our blessed land of Light than to be here or be a people without a country, under the heel of vicious individuals, like many of the small nations of Europe to-day. Who wants to live in a physical body in conditions that are worse than death? War is worse than death, a thousand times!

Then lift your hearts to-day, stand steadfast to the Great Eternal Cosmic Power of Light which is the "Mighty I AM Presence" of the Universe. Stand with It! Stand by It! Stand for It! with all you are and have and you will find all the Powers and Beings of Light will stand by you
and your loved ones and release the Limitless Power of the Cosmic Light, until all are free and Victory is yours in the full attainment of the Ascension.

We greet the "I AM" Students who have been listening in to this broadcast and enfold you in the Ascended Masters' full Victory, Power and Perfection of Light. We ask you to join us in the closing decree, and enfold all in the United States of America, the Americas, and the world in that "Cosmic Light as of a thousand Suns"; and may it blaze with a Power that no war nor other destructive force can ever destroy our people, our Freedom, our Divine Justice, and the blessings of our beloved land of Light. May that Light blaze and blaze the Ascended Masters' Victory, Invincible Protection, and limitless supply for all within our land who seek the Constructive Way of Life, for

"The Light of God never fails"!
"The Light of God never fails"!
"The Light of God never fails" and the "Mighty I AM Presence" is that Light!

GOD TABOR

"At no time be discouraged or disturbed when things try to intrude, because they have no power; and the moment one is aware that something discordant is acting, take command at once! Still everything and settle it right there"!
**AM**—PROTECT OUR AMERICA

The Cosmic Moment has struck beloved ones when the Ascended Masters call you to Victory and Freedom in the Light.

To-day our call is directed to the “Mighty I AM Presence” to give our United States of America the Mightiest Protection in the Universe, that we may forever repel the vicious on-rushing destruction in the rest of the world.

The Ascended Masters have determined that those who live within the borders of the United States of America shall have protection, if they will stand with the Great Blazing Supreme Authority and Life of the Universe, the “Mighty I AM” and the Great Host of Ascended Ones. Those who gave us the Blessings of our country shall be given the honor and respect that is their due and every vicious attack upon our honor and character shall be returned upon its creator and take its toll. Every human being within our borders should feel his individual responsibility at this time—in spite of the on-rushing destruction of war surging in almost every other country of the world—arouse everyone’s desire to protect America and jump to her defense with a Power that is Invincible.

America’s Flag shall be honored everywhere, not only because of what it means to us but because it is the Open Door into the Light of the Ascension for all mankind. True patriotism shall again reign within our land and our people shall be the honor of the Ascended Masters to all mankind, until all are free.
If one cannot love the country which shelters and feeds him, he should leave that country; for remember, even an animal understands the hand that feeds it and is loyal to that hand; and surely those individuals within our borders who are receiving their living here and who dare to talk against the Ideals for which America stands, should no longer be allowed to have influence anywhere within our activities.

Remember, ingratitude is the road to depravity! Therefore, everyone who is a native of the United States of America, should be taught from babyhood his responsibility to his own Life; to his parents; to his home; to his country; and to humanity! Those who are here from other lands and understand how great is Our Freedom and Good they receive compared to those conditions which have driven them here from other countries—should also understand well what it means to be grateful for this greater Good and Victory of Life. Each one should understand the necessity of being grateful for all good, that all may continue to release Good to him, and he in turn send that Good to all.

Individuals in the United States of America who think some other form of government is better than ours, should be made to leave our country and be compelled to live under the government which they think is so wonderful. The majority of the people in the United States of America are here because they have chosen embodiment here of their own free-will and their loyalty belongs here where they receive their food and shelter.

This true and Ascended Master Understanding of Life must be taught to all within our land that
they may know how and why America is the Heart of Light for the whole world, why this Light is the only Guard for the sanity of all mankind and why loyalty to Light and to America is imperative, if the constructive activities of Life are to be sustained in our country.

Every straight-thinking person in the United States of America should be on guard against listening to, or allowing discredit or dishonor to defile the reputation of our early patriots. They gave their lives that we might have a home and country where we could enjoy the Good America gives us to-day. To recall or manufacture discrediting information about individuals who gave us our country, our Freedom and the Blessings we now enjoy, is a depraved, vicious thing, brought about to destroy our love and respect for this Glorious God-given Land of Light!

That vicious practice shall be annihilated from every activity of our land forever! Our early patriots gave us all we now have. They gave us their all—in most cases their lives—and greater Love hath no man than he who gives his life for the Freedom of his fellowman.

Those who want to betray or injure our United States of America are lower than the animal—for even an animal loves to go to its home and is grateful to the channel which provides that home. The land that gives its blessing to sustain the physical body of an individual, is entitled to his loyalty and his gratitude.

The discordant creations within and around destructive individuals in the United States of America can positively, at your call, be bound back into their minds and bodies and held absolutely inactive, if you, the constructive people
within our borders, will use this Almighty Power of the Cosmic Light, the "Mighty I AM Presence" and the Ascended Masters Directing Intelligence, to command and repel all discordant conditions into their cause and then to command that force to annihilate its own cause.

Life is a priceless Gift of the "Mighty I AM Presence" to you, for Gratitude to Life is the passport to opulence and the fulness of all good things. Opulence of every good thing is, and always has been, the Divine Way to live Life, and the Divine Way of Life is Eternally Sustained Happiness.

Eternally Sustained Happiness is the great motor of Life which supplies you with limitless energy, and limitless energy in use is Almighty Power and you can not do anything without some energy.

Harmony maintained in the feelings, the Ascended Masters' use of the words "I AM," and the projection of Their Great Cosmic Light Rays, are mastery over every problem in the world—individual, national, and inter-national and when people are grateful to you you make every effort to do more for them. When you are grateful to your Source for the Blessings that you receive within this country, you will be more than willing to defend it with all you are, with all you have and to protect the Blessings that are still within our use. Then Life is just as willing to do more for you as you pour out Gratitude for the God that is here and as you call the Law into action into releasing Greater Good from Life to protect your fellowman, you too will receive the greater Out-pouring of Life and Its full Mastery and Victory.
Gratitude to Life is a kindly, happy, expanding feeling and action of energy to all Its creation and that must come through the individual himself. So precious people, struggling in the outer world today, try sending out your Gratitude to Life for every good thing; and give Life, your own “Mighty I AM Presence,” a chance to set you free by releasing Its Mastery thru you.

You want Freedom! The world wants Freedom! True Freedom is Perfection and you can only produce Perfection by using energy constructively. Therefore, I say to the people in the United States of America, Awake! People of the Light within America, Arise! and take your dominion in the Light! Our United States of America is facing the greatest crisis in its history. The very foundation of our government and Freedom is being threatened by individuals and forces that are wholly vicious.

We can! We must! We shall! protect our land, our people, our Freedom, by the Almighty Power of the Cosmic Light at the command of the Ascended Masters and through our call to the “Mighty I AM Presence.” You have the Power of Life and Light to stop all viciousness now! Help release the people from the injustice that has been imposed upon them, for you are one with their mental and feeling world.

America is our home! America is as important as our bodies! America’s protection is our responsibility! And Light is the only possible Victory and Invincible Power of protection anywhere in the Universe! Use your authority of Life to command the Power of Light to blaze into every activity of our government and our people, to stop the action of every destructive individual,
power, and force forever; and you will find the Ascended Masters and the "Mighty I AM Presence" will answer you beyond your fondest dreams. Humanity shall once again see those Cosmic manifestations and Great Beings of Light descend and forever consume mankind's self-generated discord because the Greater Power of Life is taking the earth in hand to cleanse it.

Use the Great Command of Life and compel all destruction to annihilate itself. Dare to use Life's Intelligence and Power and the Great Creative Word, "I AM," as the Ascended Masters do, to blast all intrigue, treachery and spy activity from our America and from the Americas!

The Ascended Masters positively will release Their Power of the Cosmic Light, and that "Light of God never fails."

Every straight-thinking person in our land needs you! Every constructive activity within our borders needs your call for its protection! America needs you! America calls you! America's patriots from the realms of Light challenge you to defend America! Answer them now and set her free forever!

Beloved ones who have listened to our broadcast, we ask you to help America now and enfold you in the Great Blazing Cosmic Light. We ask you to turn your hearts to the Power of Light and make your call to the "Mighty I AM Presence" and the Ascended Masters to bless every person, place, condition and thing in the United States of America, the Americas and the world with the Invincible Protection of the Cosmic Light, and command forever with the last breath you have that war and every other destructive force that is driven against America or arises in
our borders, shall not control our land! Shall not destroy our people! Shall not interfere with the God-given Freedom, Divine Justice, Perfection and the Victory of the Light which is America's destiny, for that is the Almighty Power of Light, and

"The Light of God never fails!"
"The Light of God never fails!"
"The Light of God never fails!" and the
"Mighty I AM Presence" is that Light!

GOD TABOR

"Will you to-night just for a few moments while we are speaking of this particular thing, try to feel the limitless power of your own Stream of Life from your Presence that beats your heart, and try to feel It now and forever sustained? Not only in your feeling world in the Radiance of Its Light, but in the atomic structure of the body. Feel that charge fill you with dynamic action. Stop and still yourself just a few moments at least three times a day and feel that Light charge thru you naturally. Decree in your call to charge an intensification of It into every atom of your body; and feel It hold Its Dominion of Strength, Joy, Happiness and Power."
"Having observed thru many cycles of time, the activity of mankind in their approach to the Light, it is the most gratifying experience in thousands of centuries to see the expansion of the Light in the hearts of mankind. There are many who have not touched this Understanding yet but who ARE responding to the call of those Mighty Decrees issued by the students thruout America and the world."

"Once the students really understand that they have Infinite Power in these Decrees, they will find a Power and speed of achievement that will be the most astonishing thing in their entire experience. A great many are coming to understand that they are dealing with Real Law; a Law that responds more quickly and more accurately than the response of the engine in your cars and just as practical and mechanical in its action."

"It was My Privilege many centuries ago, I should say many hundreds of centuries ago, to have been instrumental in aerial navigation, when we were at the height of that civilization wherein aerial transportation far exceeded what it is today. You might have observed that in the books where the cities were built in the form of a wheel. All Life’s action really is in the form of a wheel, because of the wheel of birth and rebirth—a continual thing, until the achievement of the Ascension. So it is in the Cosmic Activity; the Great Cosmic Wheel is compelling Our Assistance to the earth."
T is our very very great privilege to announce the release of a new song—“THE GODDESS OF PURITY” by our Beloved Ascended Messenger, Godfre Ray King.

Thru this glorious music and lyrics, the Goddess of Purity does release Her Light-Substance of Purity into the mind, body and world of everyone who will accept Her Blessed Out-pouring. She stands ready to release Her Cosmic Power of Pur-
ity to sweep out of the mind, body and world of all who give Her their Love, gratitude and Obedience, every destructive impulse, condition and accumulation; and to replace those qualities with Her Great Eternal Purity and Perfection for all thru whom She pours Her Light Rays.

This Song is charged with the powerful healing Energy and Substance from the Goddess of Purity, and as it is heard, sung or played, may its Almighty Healing, Perfecting Presence pour thru and around all who contact it in any way.

May everyone on earth sing this magnificent song and help to release the Ascended Master Purity which all mankind need so much!

May the Blessings of Light, Love, Protection and Perfection pour out to all thru this song so powerfully that the very earth trembles at the blaze of Her Glory and all accept the Great Perfection and Help She brings.

The picture on the cover is the gift and blessing of our beloved May DaCamara whom we thank and bless for her mighty service. May blessings without limit forever fill her and her world and give her the Ascension in this embodiment!

This song was first sung in Chicago and is dedicated to that city to release a mighty Out-pouring of the Goddess of Purity's Power and Light there, until Chicago becomes an Alabaster City of Light as the Ascended Masters have commanded.

May every human being on earth see this Great Blessed Goddess of Purity face to face in the Visible, tangible Body and have the greatest blessing of all time, the Ascended Masters' Purity, Power and Perfection to raise all into Perfection forever.

In Eternal Gratitude,

MRS. G. W. BALLARD
DONALD BALLARD
OUR MESSENGER’S VOICE

T is the greatest joy and privilege of our lives to announce the release of phonograph records of our Beloved Ascended Messenger’s Glorious Invocations, Benedictions, Radio Broadcasts and Class talks given by Him at the Shrine Class in 1937.

They have been put on phonograph records, so as many people as possible can have Our Blessed Messenger’s voice in the “I AM” Study Groups and in the individuals’ homes.

If the students will use them in their own homes every day, calling to Him to charge His full Ascended Master Consciousness, Energy, Light, Victory and Power thru them, into each one’s own home and affairs, it will enable Him to charge tremendous Power of the Cosmic Light and Perfection into the individual and his world.

Therefore, our Blessed Messenger will really be able to function in two Octaves of Light at the same time; for in doing this, there is really no barrier between our physical world, where He released such Light and Power to help us all and the full Divine Perfection of His Ascended Master Octave. It will also enable Him to charge every word He spoke then, with His Present full Ascended Master Power of Light, to raise all to the Ascended Masters’ Octave of Light and Perfection and set us free from all limitations.

His Words were recorded at that time by Mr. Cecil Stokes and have been given to us as a glad free gift and service of Love, by him for the service to and blessing of the “I AM” Students, America and the world. We acknowledge this gift and thank and bless Mr. Stokes without limit forever!
We call for his Ascension and that of his loved ones in this embodiment!

May everyone on earth have these records and play them without limit, so Our Beloved Messenger can release all the Power, Protection and Blessing of Light possible for each one's Ascension and the Eternal Victory of the Light for America and all mankind now.

May these records bless you and all in the world without limit forever and forever.
