—Chanera
CHILDREN of Light, of Our America, I greet you! Since you belong to both Americas, the Goddess of Light has asked Me to come and talk to you to-night; carrying to you a Radiation which it is My Privilege to give, in the coming conditions which are before you.

The outer world has not known of Our Activity for a long, long time; but We have poured forth Our Radiation throughout the world and have held within Our Hands the balance of the poles of this earth. In all cataclysmic activity, the poles change and if there were not a great Intelligence governing at the time these changes take place, what do you think would happen to your earth? Chaos would ensue. I ask you, beloved Students of the Light, to place firmly in your consciousness to-night, that not one thing on your earth or in this System of worlds acts without Directing Intelligence.

You do not act, not one of you, without Directing Intelligence. If there were not a Directing Intelligence in you, how would you know where you were going? how would you know what you wanted to do? You would probably do the same thing time after time and not know the difference. Therefore, observe, from the smallest to the greatest there is always a Mighty Directing Intelligence and the Light which beats your heart, contains that Intelligence.

Nothing ever came forth in the outer world of manifestation which did not come thru the Stream of Light of some individual, as an idea. Then, Life contains all you are and a great deal
more than the average of humanity are manifesting to-day. Why are you always reaching out for something beyond what you are? Because your heart knows that it is there for you.

Your Beneficent Friend, Saint Germain, has brought this vast Understanding of Life to you. Remember, all you will ever understand in Eternity is just concerning your own Life. Over all Temples of True learning in the whole world have been the words: “Man know thyself” — meaning Master thyself and thou wilt master all substance and energy.

How is it that We come to wield such Power? Quite often the people of earth say: “Well, if there are these Great Masters with such Great Wisdom, why don’t They use it for mankind?” Who got you in the condition you are in to-day? Not Us, but yourselves. If you climb down a shaft within the earth, you would very likely have to climb out if you got out, wouldn’t you? Just so it is to-day with mankind’s own creation. You have created the limitations and the chains that have bound you thru the activity of your own feeling world. Until you reverse that, change it and bring harmony instead of discord, you will remain in your chains, dear people! We saw that and were willing to make the change; therefore, We are now Beings of Great Wisdom and Power and nothing in the world denies Us one single thing.

Let Me say something to-night that should be supremely encouraging to you: Mankind have been so slow to grasp these Greater Truths of Life and apply them, but you have awakened, grasped and applied them. I assure you, that you may have all the wisdom on earth, but if you do not apply it, it will do you no good. Everything in
Life is application, dear people. I say to you, beloved students, do not get any idea that you have become so purified you do not have to make any application. You will never get there, until you are Ascended. Not only that, but you must keep up the guard for your protection, and call forth from your “Mighty I AM Presence” the Directing Intelligence which is greater than you. We have gone thru the same process you have to go thru. Therefore, We know what you require, but if you won’t listen to Us, how can We help you?

I am informed that there are a great many who listen to these Messengers and quite agree; but they are too tired to release energy enough to bring the results that they require. My dear people, if you will not put enthusiasm and energy into your application, you will not get the answer; and it is absolutely necessary in every condition that you meet. In every so-called problem that you have before you, is the answer. Otherwise, how would people’s calls be answered before they were made verbally? Thousands of instances of this kind have occurred. Then how is it?

I want you to understand one thing to-night, and if I get this over to you, it will be of great value. You know We are not supposed to say “if,” anyhow I will get it over to you. Do you realize, beloved students, and you who have known these Messengers for these many years, what it means for a Being like your Beloved Saint Germain to come forth and clear the way and bring to the understanding of mankind what He has done in five years? This knowledge of the “Mighty I AM Presence” is setting at least two million people free in your America and the world today.
Why do people from every walk of Life come into this Understanding, know and accept on first presentation, that It is what they have sought all their lives? Because the heart always knows; but the intellect will not often accept the Truth, if it disagrees with the feeling in the heart. That is why beloved students, you must put aside that which has not brought you Freedom. Why hold on to a thing that has not given you help? If you went to a medical doctor and he gave you something and you did not get any results after a week or so, would you just keep on taking it and taking it for years to come? You would make a change, would you not?

It seems to Me, to-day, that in the condition of mankind and that which is confronting you, it would be very Great Wisdom for mankind to try something beyond what they have had in the past or what the outer world offers them as their present help. That is exactly why We are here. I tell you, dear people, there is not one of mankind to-day who could free himself or herself without Our Help. There is not one condition existing in America or the world to-day in which it is not absolutely imperative to have Our Help in order to change and correct it.

Since We are out of your octave generally speaking; since We have gained Our Freedom thru this identical application; and since you are in your present condition because of your own creation, We are able to show you how to correct those distressing conditions and how to make such application which will bring the result you really desire.

Why do you go on, beloved people? Now I ask you to just look within yourselves. You make certain definite application and you go on day
after day and you do not see any preceptible result. Why do you not stop, analyze yourselves and see what is the matter? If you stopped and said to your Presence: "‘Mighty I AM Presence’ show me what is the matter here that I am not getting an immediate answer to my call," your Presence would explain why.

I think it is quite ridiculous for the student body to-day, any one of them to go on without having immediate results. You can have them, dear people. Do not let your intellect say to you once again that you cannot have instantaneous answers to your calls! If you claim this instantaneous action, it will come!

I say this to the mass of you: "Think how many times when you did not have an immediate answer at your call—you went to some fellow-student or some person who did not know anything about it at all and said 'I don't understand what in the world is the reason I have not had the answer to my call.' When you do that, you of course are just inviting more doubt to prevent the answer."

To know, to dare, to do and to be silent is the Law of Life! Dear ones, if you will stop talking to your fellow-students or anyone else about your application and just saw wood, you will get there! You know mankind just has to talk! You know friends cannot meet without chattering away. They have to do it to be sociable! Oh, We are quite well acquainted with mankind; and if you sat down and everyone sat there not saying a word and looked at each other, somebody would be sure to think something was wrong, because somebody was not chattering.

Now, dear ones, remember—the greatest motto of Truth ever uttered is: "To know, to dare, to do and be silent." Then you hold your energy
within your feeling world and as you gain that momentum, it enables you to send the charge forth quickly. It goes like a rocket to the objective and the Victory is won then and there.

A very great service has been rendered the Southern part of California to-night. Oh, that you could understand and realize sometimes when you are just in exact compliance with the Great Law (and I mean by that the Great Cosmic Law) how one of your calls will produce such gigantic results, as I am just about to relate. All discarnate entities have been removed from Southern California! (applause—audience rising) I feel very sorry that our blessed people who have been having spiritualistic connections won’t find them (applause) but some will probably go on anyhow.

Do you quite understand, my dear people? I do not mean to make a joke of this, but do you realize what that means? If you saw, as We do, the pressure of discarnate entities you would realize the Truth. Do you understand what We are talking about when I say that? I am talking about the entities who cannot leave the earth, dear people. You are not bothered with the good people, because they have gone into the Octave of Light. I am talking about the fellows who cannot get out of here and there are plenty of women too. It is not always the men.

Of course you have all been men and women many times. You know how some men dislike to hear that. The Messenger used to have a friend who lived in Santa Monica; and every time he saw him, he reminded him how he must have been a woman in the last embodiment and he disliked the Messenger very much. If Life did not give you the opportunity to balance the forces
of Life, how do you suppose in all the Universe you would do it? Therefore, these are Mighty Laws, dear people.

While you are standing, will you please accept the Currents which are drawn within the atmosphere of this room and charge them into and thru your bodies with their purifying, cleansing Activity—sweeping into the Violet Consuming Flame under your feet all impurities and imperfections, dissolve all abnormal growths and restore Perfect Sight and Hearing.

I SAY TO YOU IN ALL SINCERITY, BELOVED STUDENTS, WHEN YOU HAVE GOOD EYE SIGHT AND HEARING, CALL THAT IT BE SUSTAINED! It is the most incredible thing you ever witnessed how mankind are subject to suggestions. The atmosphere you move in is seething with human suggestions; and if you do not know how to draw the Wall of Light about you, as shown in the Chart you will be acting out these suggestions from here, there and everywhere.

I ask you to observe, beloved students, since you have been more and more firm in doing this, have you not found yourself alert and responding much less to the suggestions of others than you were before? (applause) That is why, it is imperative at this time to hold protection against all human suggestion.

I marvel, beloved ones, that the beloved student body, loyal and magnificent as they are, do not see more clearly the vital Power of the Tube of Light about the human form and within It the Violet Consuming Flame. I tell you that Violet Consuming Flame is more valuable to you than all the money or jewels you possess (applause) —I do not care if you had a hundred million
dollars. Thru that Violet Consuming Flame, dear people, if you will call the "I AM Presence" to set it into action and sustain it there, remembering that your Higher Mental Body is the Director of the Current of Energy sustaining it, you will be free absolutely and you will never know what it is to have an accident or mishap.

People cannot seem to realize that these Great Ones who have been your Instructors know exactly what you need because They have gone thru the same conditions you must go thru, in gaining the Perfection to which They have attained. Then, They are in a position, having gone thru the same process, to tell you exactly what the students have to do in order to attain as They have.

Every One has told you this application is identical with all each One has used in gaining His or Her Freedom. I assert with all the emphasis of My Being to-night: "There is no greater Instruction ever to come on this earth than the Understanding of your 'Mighty I AM Presence,' and that you are a part of It. (applause) If you grasp that your "Mighty I AM Presence" with Its Infinite Intelligence, Limitless Energy and Almighty Power is actually beating your heart this moment; if you realized that as you should, my dear beloved ones, you would walk out of this room forever free. There is no question in the world about it; but having so long been enmeshed in the limitations and conditions that the appearance world shows, it is not an easy thing to extricate yourself from it.

I thank you very much for this receptivity, to-night, in the acceptance of the Currents which have flowed into and thru your bodies. Hold this a Cherished Blessing to you, dear ones. We offer
not our word, not one activity that is not for your blessing. If you will really understand that when We offer this Assistance and if you will call for It to be sustained, it will be done in Its ever-expanding Activity for your Freedom, Supply, Health and Blessing.

I ask you to observe that Current of Light which beats your heart. In It is everything that man requires—health, supply, intelligence, courage, strength and everything that you can use in your world of the human octave. That Light is Perfection in Itself, and as soon as you stop your human qualification of Its Mighty Energy as It flows forth and stop driving your energy below your heart, you will arise in the Majesty and Power of your “I AM Presence”—the God-Being which you are—and you will become Master of every condition that you confront.

My dear people, how can you continue to observe these Messengers and see them apply this Law daily and not see that they have exact results every time they apply It? They are not Ascended Beings. Therefore, what they do, you can do. That is what you have got to know. Because they can do these things, you must know you can do the same thing. They are willing to give assistance, We are willing to give all the Assistance your Life Stream permits; but unless you will take this unyielding stand in your application and attention to the Presence of Life, you will not have the speedy result, you would like to have. The Messengers did not have it in the beginning. It took them days, weeks and sometimes months to accomplish that which, to-day, they do thru one mighty call. That is the power of momentum gained, my dear ones, in doing this.
For instance in the requirements of your city and coast activity here, I do not think you quite realize the position you are in. Will you believe Me, when I tell you that We have prevented time, and time and time again certain spy activities, which would have drawn a force into Mexico that would have destroyed your cities here in Southern California before you could scarcely wink your eye?

Do you know in the time when the island where We are, was a part of that vast continent, right here just beyond your Bay there was a mountain range in which existed a great city? Not so many years ago, as the people thought, there was a mirage and hundreds of people saw the city against the side of the mountains beyond the Bay. Well, that did not happen to be a mirage. That was because of certain Cosmic conditions. The etheric records of that city came into the view of hundreds of people who happened to be temporarily attuned to see it.

That is why to-night, when your beloved Lotus was impelled to have you make this mighty call, it is not only to consume that focus of discord which is about you here now, but the ancient focus of a destructive activity. I shall not try to go into the detail of it, because it was too unhappy to even call your attention to it; but there just beyond the city was the beginning of what finally brought the submergence of that vast continent of Mu over night with sixty million people.

My dear people, these are not imaginings. They are the Truth of what has been. They are realities and one day when you stand within the Great Light of your Presence and see recorded in the Cosmic Light, every record of every human be-
ing, every city and every nation that has ever been on this earth, then you will understand that there is nothing in the world hidden from Us. These would not be hidden from you, only you have by accepting limitations, drawn yourselves into the density in which you do not vibrate to these higher vibrations which would give you the knowledge as easily as you see each other.

Every human being, beloved ones, has within the brain structure, the All-seeing-eye of God. People could use It just as readily as they use the physical sight, only with the All-seeing-eye, you see in all directions, and with these eyes you usually see only ahead. Notice how in those ancient civilizations, the same thing occurred which is acting to-day. Mankind would not give the obedience to Life, and consequently they only had a partial awakening of that All-seeing-eye within them. Then, it became what you term to-day a psychic sight which was wholly undependable; but when you actually see with the All-seeing-eye of God within, you see only Truth, the Reality. You will never see a mistake or make a mistake with that All-seeing-eye. You cannot do it, it is impossible.

There are thousands of people among the student body to-day who just like breathing, will come to use the All-seeing-eye in Its Perfect original state; just as this Messenger reads the words I flash to him, for It is a perfectly natural thing. All which is really of Life is natural, but mankind to-day do not conceive of Our Reality. My dear people, is it possible that mankind living in the limited conditions of to-day are foolish enough to believe they are all that is? That would be indeed foolish.
Every planet which exists is inhabited. Really, because of the ridiculous ideas of mankind concerning your system of seven planets do you think this little earth is the only one that can be inhabited; and you have just passed from one civilization to the other? Do you think that human beings can change these Great Truths, beloved ones?

Try to see how We are the advanced part of your Life speaking back to you the Truth which your heart knows; bringing to your outer attention the Truth of Life, which one day you will come to know and understand. You can be free through Its understanding. There is nothing in this Universe but your own Life to consider and everything that is produced in the world of human limitations to-day is your own Current of Life and energy acting charged with human qualification. Well if that be the case, which it is, then why not stop that and let Life become the Perfection acting through your human form?

My Dear Ones, I could tell you many wonderful things, but unless you become anchored in the power of your own application, you cannot be free! (won't you be seated)

I ask you to accept all the Glory which it is your privilege to receive while you were standing. My dear ones, this sounds so simple and unimportant perhaps, but Oh my! If you will learn to stand erect and let every activity of the muscular and nervous system of your body have free flow of those currents of energy, everything in your Life will be different. If you go along all stooped over, you absolutely shut off sometimes half of the currents of energy which otherwise flows forth to give Perfect health and action to the body.
I want to draw just one or two illustrations. You have seen people who have hurt the knee; and because it pained them, they would begin to favor it and pretty soon the muscles would begin to contract, would raise the heel off the ground, and in order to protect it, they would walk on the toe. I could show you hundreds of people who if they had put the foot down, straightened that limb and continued it would have entirely prevented the shortened, stiffened limb.

Mankind yield so readily to the slightest discord or distress, because they do not like to feel pain and you can’t blame them; but suppose it was a little for a few minutes and you straightened that limb out and said: “Now you straighten out and stay there”, the muscles and the leaders in that limb would respond and obey you. That is how mankind will come to have absolutely Perfect Bodies, because they will command them to have Perfect health; to express it; and it will be so.

You, by the Light in your heart which beats within you—now to-night—are Master of your feelings, your body and the world of substance and energy which is required to produce Perfection in your world. If you yield that authority to something else, you will just have to keep on trying, until you discover one day that a long time ago, you were Master of the situation, but you did not know it.

I rejoice with the student body who are seeing this, who are taking the firmer stand with themselves. You have been told so many times that your feeling world is your Power-house; but if you allow it to rule you instead of commanding it, then you will still remain in distress. It is the
most peculiar thing. A habit formed within the human structure becomes the master of the individual, when by a few sharp commands to that energy and substance in the body, it would accept you as its Master.

Oh, My blessed people, take that, use your authority. Your application is infallible, My dear ones. When you say: "‘Mighty I AM Presence’ do this or that” accept your Presence there above you; for instantly there go forth those Mighty Currents of Light and energy to perform the service you require. Because of habit, if you do not immediately see the result, the human begins to question and wonder. You cannot afford to do it, beloved ones. You must realize that your application is Supreme!

You do not feel forced to have results from your application like the Messengers did; but they had to apply this Law to survive. Really there are a great many of the students to-day who are going to have to do the same thing; but they won the Victory over substance and energy and it now does obey them, with magnificent results. Of course it brings great Peace and Freedom; Freedom from anxiety and distress of any kind; because once you come to know that, then there will no condition confront you which will disturb or frighten you. You will look at it and say: "‘Mighty I AM Presence’ project Your Light Rays in there! dissolve it and replace it by Your Ascended Master Light Substance and hold Your Perfection there."

We have brought many students to Our Retreats. Would you like to know, beloved ones, why We have this Retreat out in the middle of the Pacific? It is very interesting, and not only interesting but magnificent from the standpoint
of Life. Hundreds of people who have been supposed to drown have been brought to Our Retreats and trained. On the surface, the only building which is there is very beautiful, but you would not guess that far under-neath the ocean is one of the most beautiful cities on this planet. (applause)

Those blessed people who were saved from being drowned, were brought there and lived in the Radiance of that place. They were not urged, until they became adjusted to the vibratory action which was there. Then they were given very definite Instruction and the most peculiar thing of it was, that not one person who was ever brought there rebelled. Can you explain that to Me? Then let Me explain it to you. When one is just about to meet the reaper, so-called death, he or she sees sometimes many remarkable things. Those individuals knew positively that they could never have survived in those bodies if rescue had not come; but they never—not one of them—saw the conveyance by which they were rescued.

Beloved ones, I am trying to have you understand to-night that the Great Forces of Light are at your command, when you will so decree it. They are always at Our command and do Our bidding without question.

Beloved students, let Me make you aware to-night that if it were not for these Mighty Focuses of Light upon this earth, mankind would have degraded into savagery. How long do you think My Home from which I came, to-night, has been there? Remember It was there before the sinking of that vast continent of Mu—one million four hundred thousand years.

Do you realize, beloved people, what it means for these various Focuses of Light to be held for
the preservation of mankind throughout this
earth where there have been so many of these
Retreats at one time in action, as there were in
the Himalayan mountains in India; but now
some of those have been removed to America—
One even quite recently?

Your magnificent Royal Teton here, which is
such a Great Blessing to your America and to
which the Messenger has called your attention,
is of vast importance to you. My dear people,
ever under-estimate Its full Value to you; be­
cause it is there, where the Messenger and any­
one permitted to go to It, can see the physical
records of any civilization that has ever been on
the face of this earth. It is the only Retreat
where this world’s record is complete. Why is it
in your America? Because your America is the
Heart of Light to this earth.

These are things far more important than the
physical outer activity of the saving of America
or the prevention of war. If you had a beautiful
Light in your home, a beautiful fixture which
contained the electrical current that you admired
very much, you would protect it. If you did not
protect it and someone came along and hit it, it
would be no more! Everyone in such a household
is taught to protect it, because of its value. The
American people are being taught to protect the
last Focus of Light upon this earth, which can
save the rest of the world. That is why We bring
Our Radiation into America, according to the
requirements. I am here, to-night, because of
this service which had to be rendered now in the
removing of the discarnates because this is a
part of My field of action.

I want you to see, if you will, how important
and Real these things are. I mean Real from the
appearance standpoint. Try to see, to-night, how everything of human structure in the outer world to-day is perishable, is it not? Would your buildings last forever? Does your human form, your garment of flesh last forever? Has it in the past? Really mankind has from age to age drawn the limit of physical life shorter and shorter; for it is not so long since you used to live two hundred and fifty years in one embodiment; but you cut it down to three score years and ten. How and why? By greater and greater density and limitations in the flesh structure of the body, due to more and more discord in the feeling. That is not necessary. All things in the outer world contain discord, because they have been qualified by human limitations and that means physical structures. Even though they may be beautiful, still they contain imperfection. That is why in the Octaves of Light all is Eternal. Your Ascended Body will be Eternal.

I repeat to you what was recently said with such emphatic Power: "My dear people, when the Ascended Masters and the Cosmic Masters have offered you Freedom in this embodiment through the new Dispensation of the Ascension, is there one who would not want to accept It, when you have lived thousands of embodiments similar to these in limitation? Just because you have forgotten it, does not mean it is not in existence. You will remember it fast enough, when you come into embodiment again."

Remember the intense desires of one embodiment become the compulsions of the next. That is why mankind have drawn themselves steadily and surely into greater density, until now to-day, it is being dissipated with great power.
Observe, in all that your attention has been called to in that which is being removed, it takes away the pressure of discord upon the human form. Then, do you not see how kind Life is being to you? How kind these Great Beings of Light are to you? They are doing that which you absolutely could not do, by giving you the opportunity time, time, and time again, to go forward with Their Assistance into this Great Freedom.

Now remember, beloved students, as the Great Cosmos said to you, the time is past, when mankind is to be pled with They must choose of their own volition whether they want to go forward in the Freedom of the Light or remain in their limitations. I stand amazed, as We have observed the world, how mankind become so fixed in their own ideas in which they have lived so long—that they never change the outer manifestation. People have said concerning this Great Light which your Beloved Saint Germain has brought forth; “There is no one that can change the occult laws for the earth.” Tell Me why not! Who made them in the first place? Just think of that for a minute!

The Wisdom which produced the laws of eighty thousand or a hundred thousand years ago, brought them to the attention of mankind for the requirement of that time. As the vibratory action of the earth advances mankind do also—just the same as you change the decorations and colors within your home! As your understanding becomes greater concerning the requirements, so have the Great Laws been changed, not in their Fundamental Principle and Activity, but in their application and result to mankind.
To-day, the Greatest Understanding of Life and the Laws of Life ever known to man are brought to mankind. The understanding of your "Mighty I AM Presence" in this Chart is correct, giving you the eye picture and the Trinity of Action within your own human form; which makes you the Master, the Victor over all conditions of the energy that charges into and through your body, either at your command or otherwise; for your Higher Mental Body is the Governing Power which controls the functions of your body. You physically do not make any attempt to govern those functions, unless the body gets out of order. Then see, dear people, how these Great Laws have provided such Great Wisdom and if you did not interfere with It, that Great Wisdom would act and give you not only Perfect health, but happiness, supply and Perfection in your outer world.

Look at the business world! If you think We are not mindful of the requirements of mankind, observe the building of the destructive forces through your commission men of America in forty years. Someone very shrewd saw an opportunity to get the clutches of destructive forces upon mankind; both the producer and the user are caught and those destructive forces play them at both ends. One day I assure you, not far distant, that will be removed from America; and the people will receive the produce direct from the producer, without this exhorbitant selfish human destructive thing which prevents mankind having the supply that Life and Nature have brought forth to them in such lavish abundance.

Your commission men removed from America, to-day, would remedy seventy-five percent of
the conditions that cause distress in the outer world; but why, beloved students, I ask you, will mankind go on allowing one or two individuals to tell them what the rest of humanity shall do? Why does mankind submit to it? Because a man is placed in office is no reason for keeping him there! If he proves to be no good, he should be taken out; and be assured that the time is mighty close when such individuals are going to be taken out.

The political machine of the world is the most tragic thing on the face of this earth, and I am no politician; but We certainly observe what is going on, that is why I know. Take your agitators in America who produce these conditions, what do they count? Nothing but to fill their own selfish pockets, and the blessed men who listen to their agitation find themselves back at work with weeks or months of wages gone which could have blessed their families; and they never get the lost time or money back, but the people don't see that. They listen to those agitators and their wild wranglings and pay for not throwing them out.

Look at your unfortunate conditions in the various outer world activities to-day—one of them Mankind United! That is the most tragic thing before the people to-day; and give thanks that the governmental officials have the Truth of it. Look at the conditions of the spies from Russia and Germany and the various other places, coming over here and getting your people disturbed; making them believe falsity which they have imposed upon their own people, for what? To place them in the same conditions which are in those countries. (At this point many started to leave) The rest of you had better stay and
listen to Me; because I am telling you a Mighty Truth and unless you wake up to-day, dear people, you are going to find yourselves in a condition from which you will not be able to extricate yourselves. We know what these conditions are. We know what is going on behind the scenes, that you don’t even dream of; and I prompt you right now because I will talk to you again sometime, and then I will ask you if I did not tell you the Truth to-night!

Dear people, there have been many wonderful things started in your America with a very good motive and good purpose; but many are being seized upon to-day by the most destructive forces from foreign nations; and if the people of America are not alert now, they will be caught in the claws of the destructive force before they know what is happening. Then, too late they will find they have been a prey to those nefarious things.

I say to you, My dear people, look at that Chart. It is the Absolute Truth of your own Reality and It is the means by which you can set yourself free in spite of all mankind put together. Then in the Name of your God and your Life, why not turn to that Presence and have Its Glory and Blessing come at your call to set you free from those conditions. It is the only Means Life will ever offer you by which you can conquer those conditions without bloodshed; and when you have had bloodshed, you still have the same condition you had before.

Wake up, people of America! Don’t sleep and let these nefarious things creep in and drag you down in the quick-sand of human foolishness! I tell you, you are facing the crisis of the ages! Mankind is going to have to choose what they are going to do!
Now We are at the point, the final point I want to make to-night. In reference to the Great Laws and the changes that have been brought about for the blessing of mankind, you are facing the greatest change that has ever been known on this earth to-night; and that is the Power of the Cosmic Light which is taking command! It is reversing and changing the whole activity for this earth. Unless you understand what I mean, you will not understand many things which will occur in the near future; but if you do understand, you will see, face, know and comprehend exactly what is taking place from step to step.

This is why I say to you, to-night, in all that you wish to be or ever hope to be, all is within the understanding of your own "Mighty I AM Presence," and your power to call It into action. Why? Because It beats your heart. You cannot be separated from that Great Presence and Its Great Wisdom! Why not let It take command of your mind and body and produce Its Perfection there for you! If you don't want to, that is quite your own choice; but I tell you, beloved people, the Great Power of Life is offering you everything with so little effort upon your part.

Do you think when I call your attention to these Mighty Truths, just as I called your attention to Mankind United, that I am trying to harm something or some activity? Great God! dear people, if you do not know what you are up against, how are you going to correct it or get out of it? Then, there will be those who will say: "Oh, that is not an Ascended Master Activity which refers to these conditions." Why not! If We do not tell you how to remedy a thing of which you do not know, how are you going to do it? If We do not tell you what you are up
against, how are you going to know and protect yourselves?

Mankind does not know the viciousness in the outer world. They wade right in where Angels fear to tread right along, and then too late they find out they cannot extricate themselves. We by Our Great Love are trying to help mankind see and know and by their own application of the Great Law of Life, the "I AM", prove It to themselves, so nothing can ever change them.

You see before you these Messengers who have given the greatest proof the world has ever had of this Great Law and in a condition, the worst the earth has ever known, without asking for a dime, they call forth from the Treasure-house of their "I AM Presence" the supply that is required.

Beloved friends and students, if you will only accept that your Presence is the Giver, the Life and Intelligence to you, you will know It is your Treasure-house. When you make the call for the supply you require, your "I AM Presence" probably will not release to you coined money; but Its Love, Wisdom and Power go into action in the human octave and bring the conditions through natural human channels that will bring about the release of the money to you. The Messengers have proved that to the whole world to anybody who will see. If they can do it, why cannot you? They have never in their lives sought people of wealth or anything of the kind. They have turned wholly to their Presence to bring the supply they require, to carry on this Great Light and the "I AM Presence" has never, and never will, fail them.

Therefore, I want you to see this, because if you do, your problems will soon be over; but
you have got to be firm and unyielding in your application, especially at first when you are dissolving a momentum of hundreds and thousands of years of accumulation. That is why I said to you: If mankind will call the Presence to use the Violet Consuming Flame within the Tube of Light, they will see soon enough the great proof of all they require; but unless you will do these things, you cannot have the proof within yourself; and unless you do have the proof within yourself, you would only believe this Law a short time.

Belief is not powerful enough to give and sustain your good permanently, dear people! It sometimes encourages you to go on, until you do prove this Truth to yourself; but this Great Understanding of Life is not based upon faith. It is based upon the application of Itself. Since you are here, and are a part of that Great Power and Intelligence, why would not the lesser part prove the Greater? How could it help it?

Therefore, when you understand that, beloved ones, you will see why Life is offering you your Freedom, by just a little effort upon your part; and We can do for you what you cannot possibly do for yourselves in your sincere application, because as long as you will make sincere, determined application, you will find that every Power of Light in the Universe will come to your assistance. That is how you prove the Reality of Life and your Reality as the Supreme Commander of energy and substance.

That is why to-night, in bringing this explanation and the accompanying currents of energy which have flowed into your world of action, I trust that I have been of some benefit to you in helping you to grasp and feel more powerfully
your own Dominion. You must prove Life yourself! If Life would prove Itself to you, It would have been done ages ago, would it not? Then, you must prove Life by your application and that is what has been missing in all these ages!

Remember as I leave you these parting remarks, may Their Power and Understanding burn Itself into your being and never be forgotten for one hour! In every civilization that has ever been on this earth, the Words “I AM” have been used as written in English to-day. That is the Secret of Life! That is the Secret of all application, all understanding and you have It to-day!

Only because your Beloved Saint Germain is the Law of the Seventh Ray, which is the Violet Ray to this earth, has this come forth to-day; for your Great Benefactor is far Greater than you yet know. Therefore, will you remember it in all that confronts you?

You have so long withdrawn and forgotten Life. Now you have returned home again! That home holds everything there is for you. That home is your “Mighty I AM”, your Life. It has been throughout the thousands of centuries of the past. It will forever remain so, whether you believe it or not. Therefore, in all that you wish for or hope to be or have, there above you is the Glory of God individualized, the “Mighty I AM”. That is the only place from which you can have Freedom, Limitless Supply, Health, Strength, Power and Courage to meet the conditions of the outer. Why ignore your Presence and Its Power? Call forth this Strength which you need and then go forth into your Ascension, either under the old or new Dispensation. Go forward free forever from the wheel of birth and rebirth.

I thank you.
OUR BELOVED ASCENDED MESSENGER’S 
BENEDICTION TO THE FLAG

HOU wondrous Flag of Beauty and Power, as Thou hast so proudly waved over Valley Forge and the victories of the past; so shall you wave now in the Victory of the Light for Our Beloved America and her people.

Oh, Beloved Saint Germain, in the Glory of those long forgotten days when Thy family was gathered about Thee, so again in America shall such rejoicing be Yours when again there dost stand forth in the heavens, Thy Ascended Glory and Thou shalt descend onto the earth.

So to-night, we offer such great praise, thanks and gratitude for all the blessed people of earth who have been able to accept This Wondrous Understanding which has been brought forth, apply It and understand that It is the Eternal Freedom of mankind. May one million people in America before the end of another year have come to know and abide within this Mighty Presence of all Life, the “Mighty I AM.”
Oh, glorious Flag of Freedom! wave forever in Thy Glory over America and her Victory of the Light. Bless mankind in that same memory and Victory of the Light. Hold Thy Victory in the heart of each one, for:

“I AM” the American Flag!
“I AM” the Life of Old Glory!
“I AM” the Power and Victory of the Stars and Stripes forever!

“I AM” that Presence and Power which will raise at a moment’s notice millions to defend My Glory; and in the fulness of My Power of Light which brought that into existence.

Oh, wondrous Stars and Stripes! so wave proudly on—until all the earth bows in humility to the Glory of that Eternal Freedom of the Light which Thou dost represent, as well as the Freedom of America.

Great Goddess of Liberty, we kiss Thy Hand in the Victory of America; and in the Glory of Thy enthroned Power, shall all the earth come to see and know Thee in the Glory in which Thou hast stood for many, many, many centuries. Long before mankind knew America, Thou didst watch over its shores; and so we bow before Thee in the Majesty of Thy Presence and Power! Continue to stand guard as Thou has said, and in the Final Victory of that “Light of a thousand suns,” so shalt descend into the earth and dissolve all human selfishness and discord from the planet forever! We thank Thee, Oh Gracious One of Light. Bless these beloved students in the fulness of Thy Glory that all may never forget Thy Presence—the Presence of all Life beating their hearts; and in the fulness of Its Out-pouring find the limitations of earth have disappeared forever, and we thank Thee.
GODDESS OF LIGHT

I want you to see, if you will, that We are quite normal Beings. We are not limited in any way, but We are still using the faculties which you are using in their great extended activity—the power of your attention, your vision and your feeling. Do you realize, beloved ones, that is all which comprises you? That is all there is to you—your attention, your vision, your qualification or your feeling! Those are the activities of your Individualized Focus of Light. It is so with Us and it operates thru all Octaves of Light. Each one is a vibratory action of those attributes of Life.

GODDESS OF LIGHT

You know, beloved ones, it does seem positively ridiculous that in mankind's frightful struggle for things, they are so often their own obstruction! Instead of standing calm and steady and letting the Powers of their own Life Stream go forth to render the service.

GODDESS OF LIGHT

It is quite all right to call for a thing within a definite period but do not let your human qualification be disappointed, if it does not arrive within the time you have set. There are a good many of the students who have done that, then when it did not arrive they felt as though their efforts had failed. That is not the case in any sense at all. Dear ones, won't you please watch this? Do not let your intellect ever again ask "why" in anything! Just go on with your application, knowing the Wisdom of your own Presence of Life is constantly acting.
GODDESS OF LIGHT

When people come to you and ask "why" about a thing, refer them to the "Mighty I AM Presence," and ask them to be reminded that if the energy spent in asking "why" was turned to the "I AM Presence" in full acceptance of It they would know why and that the "why" of one Life Stream has nothing to do with the "why" of another. Therefore, to answer one question would mean that you might face about and find twelve more with the same question.

GODDESS OF LIGHT

I have observed at times that the human is so prone to ask "why"—why this and why that. Well, if they were answered, it does not alleviate the situation; because in a few moments they will think of some more "whys," but as they are turned back to the "I AM Presence" that will cease. Oh, do not mind if they are disappointed. So many people think—well if this question was answered I would be all fixed for my achievement. Well, when those are answered many more will appear, until the individual will turn wholly to the "I AM Presence."

GODDESS OF LIGHT

I am sure it is not going to be long until you will understand clearly and definitely, if you do not already, how very practical We are. There is not one thing about the human octave that We do not understand and that We are not interested in. If it is something to be dissolved, then We are still interested in it. If it is something to expand Perfection, then We are interested in that.
GODDESS OF LIGHT

Please do not give any human being power to disturb, limit or affect you in any way. Just stand in that joyous, calm serenity and know that as you stand within the Glory of your "I AM Presence" not one person on earth can limit or deprive you of any good thing which belongs to you. If you stand calm, firm, determined and serene not one thing can you be deprived of.

GODDESS OF LIGHT

Remember, whatever supply of money comes into your hands, do not stop your application for your financial supply at any time. Hold what you have gained and keep calling forth for that limitless supply.

GODDESS OF LIGHT

Every night before you sleep, will you for a few moments stand on your feet and call directly to your Higher Mental Body to charge your mind and body with Its Perfect Peace and Rest and with Its Limitless Energy and Directing Intelligence? Make this a special activity.

GODDESS OF LIGHT

As you keep calling forth this Great Power of Light, see that your motives are always right—that they are clean and pure in every way! Then as you call It forth know that there is not one thing in human creation which can resist or stand before that Power of Light which you do call forth. That is the action of the Light Ray, a concentrated form. It is the Substance, Power and Action of Life which has within It Divine Love, Wisdom and Power.
It is our privilege and joy to announce the release of a new Song by Godfré Ray King (Mr. G. W. Ballard)—Mighty Victory. Both lyrics and music were written by our Beloved Messenger, Mr. G. W. Ballard and are charged with tremendous Power of Light and Blessing to all who sing, play or hear it.
“MIGHTY VICTORY” is dedicated in Eternal Love, Gratitude and Blessing to the “Mighty I AM Presence” and the Beloved Cosmic Being, Victory. Mankind must have His Victory of the Cosmic Light as of a Thousand Suns to hold control of the forces of Life on this earth, if humanity are to survive here and act constructively in the future.

Every time this song is sung, played, heard or the picture contemplated the individual or group will receive from this Mighty Cosmic Being, Victory, His Mighty Light Rays enfolding them, provided they make the call to Him and hold harmony in the feelings. His Light Rays are Substance, Light, Energy and Perfection from his Sphere of Activity. The moment one’s attention is turned to Him that one is definitely in connection with His Great Perfection, Victory and Power of Life for His Light Rays carry His feeling of Victory and the Power of Light over all destructive forces and qualities.

Send your Love, gratitude and Blessings to Mighty Victory and call for His Out-pouring to be sustained until all are as Perfect and Victorious as He is.

This song is dedicated to the City of Cleveland where it was first sung—to release a mighty Out-pouring of Victory’s Mighty Miracles and Victories of Freedom, Divine Justice and Perfection, until Cleveland becomes an Alabaster City of Light as the Ascended Masters have commanded. May the Ascended Masters’ Marvelous “I AM” Temple of Light come forth in that city quickly, within which the Unfed Flame blazes forth the full Cosmic Power of Eternal Victory which raises all who enter there into the Ascension as soon as possible.
