ELOVED ones of the Light, we do have occasion for very great rejoicing; and I do congratulate the beloved ones of Washington, D. C. in the joy and happiness that they are able to express in the face of all they have to meet in the way of forces, not necessarily personal, but the generated forces in the Capital of a Great Nation, that naturally oppose the Light.

I want all of the students from various parts of the United States to realize, and I am sure few have, what it means to live in a city, the Capital of a Great Nation, where all kinds of treachery are going on underneath; because spies from all over the world, from every Nation, have watched your America, Our America, for twenty years as you will never know in the outer; because they acknowledge and accept the genius and ingenuity, the speed of activity and the kindness of American people. Why is it that in an emergency the American people can do in a few hours or a few days that which would take other Nations as a rule months to accomplish? This was proved in the past world war.

I want you to know this, not for any human praise, but because of the explanation which this brings forth: in the atmosphere of Europe and the Orient where mankind's atmosphere, and necessarily their own feeling worlds, have been so much more tremendously charged with discord, the very atmosphere in which they move is charged with so much greater discord than America. America being less heavily charged is why the minds of the American people think with a speed, power and accuracy that is unknown in other countries. If it
were not for Our Beloved America, even We would not have had a single hope for the protection of humanity or the redemption of the earth; for we have tried thru so many centuries to find response from the hearts of mankind. Once in a while we would get an intellectual response for a short time, then it would disappear.

You think you have trials, you think you have trying conditions to meet, but you have no idea what Our experience has been. Even from Our Unlimited State, you can hardly realize what it means to try and try and try throughout the centuries. Again and again We have accomplished to a certain point, then had to see it dashed to pieces, many times within an hour. That is why I am taking the opportunity in the Capital of your own Country, today, to call your attention to these things. If you will stand guard, you will never fall under the conditions that influence people thru the feeling world, when they do not know what is acting.

You are the most fortunate of people in having come to know the "Great I AM Presence" of Life and Its Application. Beloved ones, do you know what a Privilege, a Power, a Joy and what Authority is yours in this Mighty Application? The words sound simple, but, dear people, the result of Majestic, All-powerful and Limitless. Therefore, just remember to go on, and on, and on, in your application, and do not ever give way because something has not responded yet to your call. Go on with your application and refuse acceptance to the appearance world. I still maintain It is one of the most important things, outside of the acknowledgment of your Presence and acceptance of the Chart. THERE IS NO ONE THING MORE IMPORTANT THAN REFUSING ACCEPTANCE TO THE APPEARANCE WORLD. YOU HAVE GOT TO DO IT, IF YOU ARE GOING TO HAVE YOUR FREEDOM WITH SPEED.

It sounds quite easy, doesn't it, when you say: "Well, I just refuse acceptance of the appearance world," but do you do it? That is the point. You do it with the intellect, but you do not do it with the feeling, precious people.

That is why I am calling your attention to it. I know you won't think Us severe, because We have had to use a positive attitude. This generated force here in Washington was determined to sweep these precious people under. I ask you people of Washington, D. C. and elsewhere, do not have an unkind feeling to the blessed Bresslers; because they have
had to maintain a firmness that was almost unheard of in order to battle down this thing, not from personalities, but from the generated gathered destructive forces that always are in the Capital of a Nation. So give them all your support, dear hearts, and you will find their hearts are loving and filled with kindness to the limit. (applause)

Beloved ones, unless you saw from Our Unlimited Standpoint, you have no idea what loving, blessed precious people have to contend with. Because the blessed people do not remember it is a force that is acting and not personalities, sometimes things get to revolving which are wholly unnecessary and unjust to all concerned. Therefore, will you, every one of the students here, take that loving wondrous stand to each other and the Groups and have no concern? Just call the Presence into action and go on with your work! Be unconcerned and refuse to let any human being bring to you any kind of gossip. Even if the thing be true, kill it then, and you will find a Victory in your midst that is magnificent; because in the Capital of your Nation, precious people, it must be established; and I shall bring the Messengers here twice a year, for I think I see My Way clear. (applause)

A tremendous work has been accomplished during this Class, and when I say this, I want you all to clearly understand so far as the human destructive activity is concerned, three more percent of that has been dissolved. It could easily have been twelve or fifteen percent had it not been for other work that was, even just at this time, more important in your Capital. That is why the energy and Power had to be used for other things. Otherwise, We might have gained further percentage in the other way.

We rejoice with you tremendously in all that has been done and this consciously directed attempt to discourage, dislodge and drag under the beloved Group Leaders in Washington is finished! (applause) Now then, beloved ones, if you will only remember, every one of you students, not to let a word go forth from your lips that could be misconstrued into criticism of your fellow student or Group Leaders, you will be able to give much help. Please do not criticize. So much depends upon the next few months on all of this which I am asking today.

If you will do this, I assure you that things you cannot imagine will be accomplished here in your city. When the Messengers return again, you will find the most Transcendent Things accomplished. You who are here are up against a force
that exists nowhere else in America, outside of New York. New York has really been the financial center and Washington the battleground of intrigue. There really is not a Capital of any Nation in the world which is not the battleground of intrigue and treachery—some one trying to gain supremacy over another. I do not mean individually, but over the general activity that is required for the up-building and sustaining of a Nation.

You must understand that in all the centuries I have ministered to mankind, that I know every detail. I do not even need to look in the direction of the Capital of any Country to know exactly what is going on there; because of the long, long experience in dealing with the human qualities of mankind.

Today you are fortunate, beloved ones, in having come to understand not only the Source of your own Life, but the forces that are playing upon every human being that exists; and pouring into the condition of the environment in which you live. According to your call, is it small or great. Now, you who are in Washington, New York and Philadelphia should stand together. These cities in the East are where more of this intrigue of Nations is playing. There you need more than elsewhere to hold a firmer guard about your own feeling world. Because precious people, you must—after all that has been said—surely at this time realize that your feeling world is the playground of everything, unless you call the Presence to hold that Invincible Tube of Light about you to protect you from it. Otherwise, it is an open playground for anything that wants to walk in. That is the difficulty with many of mankind today.

In your application here, you will notice We are holding you so firm upon one point—that it is Light you are calling forth from your Presence and It knows no opposite. If I can get that anchored in your feeling, and I am determined to do it while the Messengers are here, you will not have any difficulty in the future in governing your feeling or releasing the Power that produces results in your world and in the city. This is a point which I feel with all the students of America and the world, is the most important thing to do. That which you call forth from your Presence is Light which knows no opposite; It is Intelligence; It is All-powerful; It contains within Itself the Energy and Substance for the fulfillment. Therefore, if you will keep yourselves reminded in the outer activity of your intellect, that this is the activity taking place
in your application, I am sure you will have a Power and answer to your call which you have not conceived before in whatever has taken place in your experience.

I cannot tell you in words the Rejoicing that floods My Being today. Again I want to refer to these two precious ones, the Bresslers. I know—you do not—the tremendous application they are making to take out of their worlds every human thing, every human element; and I know they are winning a Victory unto their full glory. So let every other one be as determined to have the Presence dissolve and consume out of their feeling world every human thing. Everyone who will call for that, will find the desire gone to experience or listen to gossip of any kind.

Oh, it does not make any difference, dear hearts, what is the provocation, but the quality in your feeling is the thing all students today must understand everywhere, if they are going on in their mighty Victories and they really stand ready to step thru the Open Door. Thousands stand ready to step thru the Open Door into their financial Freedom, into their Freedom in every conceivable way.

I trust the Messenger will pardon Me if I get a little strenuous this morning, but I tell you dear ones, when I see, as I have intimated a number of times, the students all approaching a perfectly Magnificent Glory into which they can step—do you wonder that sometimes I want to shake down a building, to have them feel the fulness of Its Importance; and to stand their ground in the face of all conditions, not yielding to any discord so they may go on? Then a few steps further, they would see and know definitely the Truth of these Words.

See today, all the magnificence and beauty that has already taken place in the Life of individuals, dear ones. Miracle after miracle, so-called, has already been performed in the Lives of hundreds of thousands of students. You do not see that as We do; but We see it and We sometimes mention it for the encouragement it means to all, for I tell you it is no idle thing. When you are battling the accumulation of hundreds of centuries, dear people, do you realize what it means? Here in three and a half years, dear people, you are dissolving, consuming and being set free from hundreds of centuries of accumulation. It is the most marvelous miracle ever performed on the face of the earth!

Therefore, you stand today in the Glory and Freedom which is so near in its complete out-picturing—and I mean that from
your outer human sense consciousness of it. It is already done within the Inner Activity. I have longed many times, and it may yet come about, for instance as you are here today—to draw the curtain aside and let you see at least some of the things which We know to be, concerning yourselves, your own world and the Freedom that stands there in the mental and feeling world right now. Because you have not seen the full out-picturing thru your human structure—your human body—you sometimes feel doubtful about that Inner Achievement, or think It is not so—but It is done!

I stood yesterday watching the Divine Director, in fact yesterday and the day before in your class here; and I could have wept for gratitude and joy at the Service which He is rendering the students. He is One Who is Authority and He alone may determine whose human accumulation can be completely dissolved and consumed. He never loses an opportunity in these many months to render that Service to every one where it is possible. Yesterday and the day before, in the joy which existed in the class, made it possible for Him to do many of these things. When I see that Tremendous Work going on and the outer activity wholly unaware of it, except the Messenger, well it is just beyond words.

Therefore, I want you all to rejoice in your feeling; because you can feel it in your feeling, until you see the full out-picturing of that. Please, beloved ones, do not strain or struggle for the out-picturing; because many times thru the feeling you throw obstruction in the way, but just rejoice and say: "'Mighty I AM Presence' You bring the out-picturing forth whenever You are ready," and It will come more quickly and you will not be under any strain in the meantime. You do not know, many of you, how tense you get in the longing to have some so-called miraculous thing appear in your midst. Well you must know definitely as you continue your application, it is not a matter of can or will It do it, but It is compelled to come forth. A Miracle greater than any you have ever dreamed of or hoped for will take place, not only in your individual lives, but in the atmosphere of earth, as the greater momentum and the greater dissolving power of the Cosmic Light's Activity goes on.

Then, as the Mighty Astrea takes more and more of the entities out of the atmosphere of earth which have been the goading power of blessed individuals, you will find relief. Dear ones, I say this for your encouragement: I do not know of anything that stirs My whole Being like seeing blessed
beautiful characters, individuals, being interfered with or intruded upon by entities. I tell you it stirs every fiber of My Being, and since the Great Law, the Cosmic Light has permitted this Service to be rendered to the earth, My Joy every day increases for all that is being done for mankind in that one respect alone.

I say to you beloved ones, do not fail to use that entity decree with great intensity at least three times a day. It only takes you a few minutes and if you are where you cannot voice it with dignity, then do it silently; but keep that going in the feeling, for it means so much.

I have debated whether to call your attention to certain things or not, but I am going to do it today, because if you will do so, I ask you to give San Francisco and Seattle this assistance; because it is more there by far, than anywhere else. There are thousands and thousands who are being released in the Orient, from both Japan and China. You have no idea what is taking place. In their consciousness before they went into war, there were hundreds of thousands in China and Japan who longed to be in America because of the conditions that are here for their Greater Freedom. Well, no sooner are they released from their bodies than they make a bee line for their relatives in San Francisco and Seattle.

There are some coming to New York but not so many. You would be surprised. You have seen birds going in a great stream, haven’t you, thru the sky? That is exactly the way those people come to San Francisco and Seattle because of their desire. The moment they were released from the body the desire compels it. So Astrea is going to have a lot more to do. Will you individually be kind enough to give Seattle and San Francisco that assistance in the Decree that the Great Legions of Light take all of those from the earth? They do not know it, they are perfectly innocent of doing any harm, but think what that feeling means, being brought into a city. That is acting in the feeling world of mankind. I tell you San Francisco needs help, because the people are wholly unaware of it, and I have not felt it wise to bring it forth before; but it is time I feel it must be done. You can give great assistance by calling Astrea to send the Mighty Legions of Light to take care of those individuals who come.

They are only seeking Freedom and Astrea can give It to them; but they do not know that, of course. I realize quite readily, the intellect cannot comprehend what it means in conditions of that kind—how a longing or desire of years of
accumulation is the propelling power when the individual is released from the body. That very desire propels them there, and after all perhaps it may be wise, because here they can be taken where they belong. You will remember that this is a condition with which no other place in the world has to contend. To some degree it is also acting in India, but in China and largely in the Japanese ancestral worship, it holds their people to the earth; not necessarily earth-bound, but because of their desire to remain and return and get into action; because the mass of people know there is no such thing as death. They are not afraid of anything which would cause so-called death. They do not care more than a snap of your fingers whether they are taken out of the body or not; because they know there is no death; they know it from childhood, it is a part of their being. Therefore they go out with a propelling power that the average individual does not have.

So today, in this opportunity to ask for your assistance there, We shall all appreciate it very greatly, whenever you can do it, if you will give that assistance.

Today, as we continue in the class work, will everyone of you feel that complete release and that complete dominion over yourselves and your feeling world? Remember, the Power of your own Presence is your Dominion over all things in the outer world! That does not mean over other personalities, but over conditions and feelings!

I must repeat this to you again. If there were a cloth on this table—suppose it were a round table, and there were a cloth covering that table and I took hold of it in the center and raised it up—I would draw all the remainder of that cloth with it, would I not? That is exactly what takes place with every human being who will stand unyielding against any discord or in giving expression to it. As individuals raise in their vibratory action, they draw everyone else who touches their worlds to some degree with them. Then, do you not see how, if you stand as a body of students here in Washington, with only loving kindness in thought and feeling to each other, your vibratory action will raise naturally with tremendous power and speed, regardless of anything? Then, as you are all raised in this vibratory action, you will raise the vibratory action of the whole city of Washington and the people; then in the government conditions where assistance is so needed, you will find that the atmosphere of individuals in official places will be cleared; and they will begin to get these clear ideas thru which the Ascended Masters want to bring to them. But
now They cannot release them because of the density of the discord which is surrounding those people.

This is another point that I want to mention. From five countries in Europe there is consciously directed a haze—do you know what I mean by that, a haze? It is an attempt to throw a lethargy over the mental world of the officials here and to try and impel them into doing certain things which the other countries want; but thanks to the Messengers and you blessed ones, that has been almost completely shattered.

I want to call your attention—remember this is not saying "I told you so," but you will remember months ago the decree went forth to release the gold! It is done! Now then, you have seen another achievement when it looked as though there was not a hope on earth that it would come thru into action, yet it did. Therefore, dear ones, you must see, you must feel with Infinite Power of Authority and Power of your decrees, that you send forth in the mental and feeling world of mankind. Dear people, it is the only hope on earth!

Therefore will you, no matter whether there is a special requirement or not just put that great firmness and powerful feeling in your decrees, so you may have and give this service which mankind needs at this time; because those who don't know about this Light are helpless! They are as helpless as an infant before these forces which are acting among mankind. How can you protect yourselves, if you do not know from what you are to be protected? You cannot do it, because you won't believe it.

We have had to do a lot of calling of your attention to the destructive forces; but, my goodness, if We did not do it, you would not consider it of importance enough to do the dynamic work which is required.

Now whatever accomplishment is made in the future in gaining the percentage of Victory, if you have 100% or you have only 25% to the Victory of the Light, do not let down on your decrees and application. Why do I ask that with such firmness? You have no more idea than a child, dear ones, if all the students of America today were to suddenly stop their decree work, what would happen. What do you suppose would happen? That sinister force would see you stop and would sweep over the earth like a great avalanche; but you are the Power, the Focus of Light which withholds that. So don't let anything in the world cause you to feel for one moment that you should let down on your Mighty Decree Work or your application individually; and don't let down on your Protec-
tive Work for yourself and each other! It is imperative! You are going thru the apex of these destructive forces; and I tell you, don't let down one moment on your individual protection for each other and in the work for America; because you have gained tremendous power and momentum! Keep it up and it seems to Me your Victory is absolutely certain, if you will do this!

I am grateful for this opportunity to remind you here of the importance of all this means to you and Our beloved Nation. Don't you know, beloved ones, that the Heart of everyone is good? There isn't one whose heart and desire is not good; but if individuals are seized upon by a discordant destructive force, those precious ones many times are no more to blame than those forces, not a bit. So be charitable, be considerate, be kindly. If something seizes upon someone and makes that one feel irritable and disturbed, your great privilege is to rush to his or her rescue thru the power of your decrees, and see how quickly that one would be free and happy again; instead of allowing something to revolve thru criticism and keep piling more and more upon those blessed ones, who have been made a Focus of Light. You see? Try to feel that in all conditions which confront you. Even though you need to be positive against human qualities, still be kindly in your feeling and think for a moment: "Well, what tremendous force is playing upon them?" You know that it does not belong to them; therefore, give them your loving support; and you will see the heavens open and the Light of God, the "Mighty I AM Presence," take Its Dominion in the world of each one of you; and the Happiness, Perfection, Joy and limitless supply of everything you wish in the Service of the Light will be there at hand in the fulness of all the Blessings and the Power of Love and the Light that knows no opposite.

May that Fulness of Its Power enfold and bless each one of you in this Limitless Activity, Freedom and your Ascension now, in the Glory of that Light. Remember, beloved ones, the positive assurance, the certainty that—if you decree with earnestness and deep feeling for your Ascension in this embodiment and you do not achieve it, then you can be sure as you breathe a breath or sit here this moment, that you will achieve it in the next; because the intense desire of this Life becomes the compelling force of the next. If your attention is upon the Ascension, the Final Goal of mankind, don't you see how truly It would be ten thousand times greater, than any ordinary desire you would be confronting in the outer things of the world?
Therefore, you see how absolutely true it would be, for your great desire for your Ascension in this embodiment, to compel It to be accomplished in the next in spite of anything; because that is the Power of Light and is always victorious, if mankind will give the co-operation and response in their feeling.

I leave with you My Love, Gratitude and Blessing and may the Power of that Light descend with Its full Infinite Power and enfold each one and every “I AM” Student in America and the world this day, with Its Mighty Dominion and Conquering Presence; and hold them so firm in the Stream of Light of their own Presence with its ever intensifying activity, that the Glory of God becomes the Power of manifestation on earth in Its Victory of Light, All-transcendent!

I thank you, I love you, I bless you and convey to you the Love Blessing and Gratitude of the Ascended Masters, the Legions of Light and the Cosmic Beings, Who are eternally thankful for the response of mankind, which will make it possible to do for the earth that which for many hundreds and thousands of centuries They have been waiting to do.

• GEM OF LIGHT •

SAINT GERMAIN

Every Ascended Master is just as much a part of the Life and Light that beats your heart as your own Life is, because It is the Perfection of Life. Your Presence is the Perfection of Life and thus It becomes one in Its Action thru the human form; then when your attention goes to the Ascended Masters, who have attained that thru the conscious Power of the Ascension, They become the Authority in Assistance to you, which no other thing in the world can become in assisting you to your Freedom by conscious application.

SAINT GERMAIN

Remember, beloved ones, you cannot get away from your application—ever, until your Ascension is attained. It is the most vital thing. Do not let your attention in the outer world draw you from a certain amount of application. I mean definite application. Suppose you only made five minutes dynamic application three times a day. Set your time and make everything bend to that. Do that regularly and allow nothing to interfere with it.
ELOVED "I AM" Students everywhere, remember we go to the Royal Teton again June 30, 1942 at 10:00 o'clock.

Try and be as quiet as possible an hour or two before, so as to give the devotion required to your own "Mighty I AM Presence" and the Great Host of Ascended Masters, in deep realization of the privilege we all have, of being a part of Saint Germain's, Jesus' and Daddy's Mighty Activity there.

We go to call forth every Power and Victory of Light, for the Protection of America and the Freedom of all mankind!

The Greatest Activity of the Cosmic Light Rays yet drawn forth upon earth will take place; and each student will be charged with all the Power and Activity of Light he or she can receive.

All who have ascended from This Radiation will be there to greet us and draw all possible Power of the Cosmic Light's Mighty Authority into action; and much of very great importance to all of us, is to be accomplished.

Try not to be under strain of any kind; but just in a great natural normal relaxed happiness, enjoy the accomplishment which will come forth; and be Oh, so grateful for all we have received in the Mighty "I AM" Activity of Saint Germain, Jesus and Daddy, and all the Blessings we constantly enjoy, which after all are Their Gifts to us forever.

We will be there to meet you in the Fullest Service of the Light that our hearts can give forever.

Mrs. G. W. BALLARD
Donald BALLARD
RY to picture clearly in your mind the action of the Pillar of White Fire Substance!

This is an Activity which can be drawn into action surrounding your own Presence and your own Individualized Tube of Light. America must have more assistance from the Powers of Light! We have been making the call—"Give us more Power of Light to protect America today."

For months past we have been giving adoration to and making the call for the Pillar of White Fire to be drawn in, around and thru the student body. In our call to the Ascended Ones for the Cosmic Light, Love and Peace of a Thousand Suns, to be descend into the earth, dissolve, consume all human selfishness and discord from the planet—it draws the Cosmic Light Substance into the atmosphere of the earth. That is released by the Great Cosmic Beings from the Great Central Sun and those who govern Its Activity in this world. It forms an Inner atmospheric condition within the general atmosphere of earth and is an Inner Substance projected into the entire atmosphere surrounding the planet.

When we call to the Great Ascended Host to seal us in a Pillar of White Fire Substance from Their Octave, They instantly project It to enfold our own "I AM Presence," outside of each one's own Tube of Light.

After calling to your own "Mighty I AM Presence" and the Great Host of Ascended Masters and Cosmic Beings, visualize that Substance around your physical body for a considerable distance, at least a thousand feet, radiating in every direction. That will enable an increased concentration of the Ascended Masters' Light Substance to be drawn forth within and around the student body. It acts like an anchor and forms an Outpouring of Their Ascended Master Substance around us, which not only shuts out the destructive creations that are in the atmosphere of earth; but will enable us to hold a steady pressure of the Cosmic Light Substance within our own bodies and our own Life-streams undisturbed.

That must come before you can have the Power of Precipitation; because an unascended being who has the Power of Precipitation must be clothed by the Ascended Masters in a Pillar of this Light Substance for a certain radius around the physical body, in order to be the guard of the concentration of the energy that is required to do the thing which you are
bringing forth! It takes more than just the amount of energy you ordinarily can draw from your own "I AM Presence"; because unascended beings have to be assisted in the use of that Power by the Ascended Masters Who know all about It. You as an unascended being cannot draw that Power forth alone from your own Presence! You might draw the Power, but while you are drawing the Power It must be guarded by something more powerful than the force flowing thru your physical body, because you cannot draw It and guard It at the same time!

That is why in certain activities in the outer world there are remnants of the action of the Law. When the Ascended Masters are working, They always work together in twos. While one Master is drawing the Power, another Master or Group of the Cherubim or Seraphîm guard the Force, while It is being drawn to shut out the currents or pressure of the atmosphere in which the work is to be done.

In the Action of the Pillar of White Fire Substance within and around your physical flesh bodies, It stands outside your Ring-pass-Not of Blue Flame; because that acts like a magnet in its drawing Power from the Ascended Masters' Octave and acts like a repellant force to the destructive activities in this world.

If you were to make a blue print of a magnet, you would take a bar magnet and put a piece of blue print paper on top and shake iron filings all over it. They would draw in toward the magnet, showing the lines of force. You would see where the lines draw from the Tube down into the individual and pour out thru the feet to bless the earth.

Your Pillar of White Fire Substance does the same thing. It draws the Electronic Force from the Ascended Masters' Octave in, thru and around your own Tube of Light for your use. After you have moulded that into what you require, it goes forth into the atmosphere to render service to the rest of Life. While the force is acting within, there is a repellant activity to the atmosphere around you. That is why it is necessary to feel yourselves insulated in that Cosmic Light Substance from the Ascended Masters' Octave to protect yourselves more powerfully.

When we give the powerful Decrees for annihilating of all human feeling from our pathway, that Cosmic Light Substance for a thousand feet around you in every direction will move before you. It will repel and drive away all inharmonious feeling. As you give It greater and greater acceptance, It con-
centrates and will go before you, to annihilate all human feeling from your pathway.

I think it would be well, if you want to for your own individual use, to include: annihilate all human feeling; annihilate all human substance; annihilate all human thoughts; annihilate all human words from your pathway. Then you take them out of your own being and world. Call for annihilation of all that is against Saint Germain's "I AM" Activities throughout the world and against all under This Radiation; then give your Decree to compel all under This Radiation to refuse acceptance to all feeling, thought, substance and words, except those from the Ascended Masters' Octave.

Why do We put feeling first? Because every human being is a feeling creature; because feeling comes before thought; and when individuals clear this in their own consciousness, they will find themselves in the right relationship to Life.

As you call for the annihilation of all human feeling—I mean as determined as if your next breath depended upon it—together with the Decree for the Violet Consuming Flame, It will give you such release from the pull of your own human problems—from the fear and limitations in the world around you, and from the pressure of the problems and substance in the atmosphere, that you will then feel tremendously greater energy acting within your bodies! The pressure around you will release, because it is driven back into its creator.

**SAINT GERMAIN**

I say to you—people think they can turn away from the Messengers who have brought This Great Light to them, or that they can turn away from the Ascended Masters who have brought It forth and still retain the Out-pouring from their own "Mighty I AM Presence." My dear people, don't you see it is impossible; because their very doubt of the Ascended Masters, which is the Source of consciously attained Perfection, which is Life—just the same as their own Life that is beating their hearts—shuts the door from the greater Out-pouring of the Light from Their Heart, because they are denying a part of themselves.
WE REMIND YOU AGAIN

AGAIN we make our position unmistakably plain in regard to any outer world business activity, using the faith of the "I AM" Students in Saint Germain's "I AM" Activity—to get them interested in any business venture on the representation that the money is to be used for carrying on this Light, or for Donald or myself personally.

No one has been given any authority to go to Group Leaders to get students interested in the buying or selling of anything.

What anyone wishes to do or give to Saint Germain's "I AM" Activity, must always be of that one's own free will—with no limitations or entangling connections that can ever in any way cause any discredit to the "I AM" Activity, or discord among the student body.

Whatever business ventures anyone chooses to enter into is his or her own affair; but the "I AM" Student Body shall be protected against all schemes for promoting outside business activities that should be self-sustained by the application of the people within them.

No stock selling of any kind is ever sanctioned or permitted among the "I AM" Student Body for commercial or other purposes; and we ask all Group Leaders and Students to help us protect the Integrity of This "I AM" Activity and the "I AM" Students from mistakes and losses thru such business ventures.

We have made our position in this matter clear many times before—but we do it again now, to maintain Perfection for those who want It.

We enfold you in all our Light, Love and Protection.

GEMS OF LIGHT

SAINT GERMAIN

Every call you make to the “Mighty I AM Presence” is the lesser part of Life in you calling to Its Greater Part, Its Greater Self, the “Mighty I AM.” Therefore, It is the Authority. It has to be answered; and let Me assure you, my dear ones, there is no one exempt. If you would make just two, three or five minutes definite application at a definite set time three times a day, you would find the results and your ease of action supreme beyond anything you have found so far.

SAINT GERMAIN

Oh, my dear ones, your human would like to pull you from the Freedom of This Light, just as the general accumulation of mankind; and if it can get you so anxious, so concerned about the appearance out here—even in the service you render—it is slipping in the back door and getting you by the neck. You know this sounds ridiculous, but it is absolutely true. When it cannot get you in any other way it will try to get you so interested in your Service to the Light that it causes you to forget your application; because, then it knows that sooner or later it is going to get you again.
It is our great privilege to announce the release of a new song—"GODFRE OUR LOVED ONE, ASCENDED," by the Messenger, Lotus Ray King.

This new song is a tribute of Love and Adoration to our Beloved Messenger, Mr. Guy W. Ballard, and is an Out-pouring of our heart’s gratitude to Him, for the Blessings He is constantly releasing to all under this Radiation, from the Ascended Masters’ Octave of Light.

This song is dedicated in Eternal Love and Blessing to the "Mighty I AM Presence," and our Beloved Mes-
senger. May all who sing, play or hear the lyrics and music or contemplate His Picture, feel His Enfolding Love pour back to them, bringing them Eternal Freedom in the "Light of God that never fails."

This song, both lyrics and music, is the answer to an intense call for some way in which to express the deep Love and Gratitude of the "I AM" Student Body to our Beloved Messenger for all He has done for them; and for being the Open Door to bring to them the Understanding of the Law of Life, which will lead them into their Ascension.

The Cover design is an actual photograph hand colored by May DeCamara to whom we are deeply grateful and extend to her our Love and Blessings.

May this song be sung by everyone who seeks Freedom from the distress of the outer world; and thru It receive their Freedom and release.

No greater privilege could be given one than to be the channel thru whom this song could come; and our hearts sing with gratitude and praise for this opportunity and Blessing.

GEM OF LIGHT

SAINT GERMAIN

Suppose you have some specific work to perform. Stand on your feet and for five minutes call something like this: "'Mighty I AM Presence' charge me with Your Perfection; with Your Invincible Protection from the radiance poured forth from this condition. Charge me with such limitless energy that I am never weary, nor do I take on any vibratory action that comes from it. Instead, thru me Oh 'Mighty I AM Presence' pour forth Your Limitless Energy that goes forth in Its Mighty Light Rays, dissolving and consuming everything discordant within the condition (or individuals) and set it (or them) free in the service of the Light; then see that they serve the Light.
It is our great privilege and joy to announce the release of a folder of three new songs by the Messenger, Lotus Ray King.

They are:

Great Hercules—Thou Elohim
Mary, the Mother of Jesus
Archangel Michael

It is our great privilege and joy to dedicate the songs in this folder to our Beloved Hercules, Mary the Mother of Jesus and the Archangel Michael.

May the Love and Blessings of our hearts, those of all mankind and all Beings and Powers of Light and Love, enfold them for all Eternity, in all the Glory of the Great Central Sun, for all they mean and are to the world and humanity!

We dedicate these songs in Eternal Love and Gratitude to the “Mighty I AM Presence” and these Blessed Ascended Masters with the intense call that we be made and kept worthy of the Light and Love They have given us all in this “I AM” Activity; and for the privilege of carrying and protecting that Light, until all mankind are ascended and Free!

May there go forth thru these songs such Love, Gratitude and Adoration to these Beloved Ascended Beings for all they mean to mankind, that every human being on earth may be privileged to see them face to face in Their Visible Tangible Ascended Master Bodies and know Them as we do!

May all who sing, play or hear these songs feel the Mighty Reality of these Great Beings, Their Enfolding Presence and Love pouring out constantly and bringing Eternal Freedom in the “Light of God that never fails.”

These songs, both music and lyrics are a direct answer to our intense call, that thru music, we may all constantly pour to them our Love, Adoration and Gratitude, for Their Immeasurable and Eternal Gifts of Freedom, Healing and Illumination; and for being the Open Door thru which Their Help comes to us instantly and without limit.

Our Beloved Frederick Landwehr has made the arrangements and we call Eternal Love, Gratitude, Protection and Blessings to enfold him forever.

May these songs be sung by everyone who seeks Freedom from the distress of the outer world; and thru this music and Love receive Their Freedom and release.

No greater privilege could be given anyone than to be the channel thru which these songs could come, and our hearts sing with Eternal Love, Gratitude and Praise for this opportunity and Blessing.
