Chanera
ELOVED friends of America, Beloved Minute Men, I speak to you from My Heart. Into your heart and feeling world, shall enter My Feeling, My Freedom, My Determination to set America free; and keep her from the destructive forces that are devastating Europe.

Could you understand and realize your privilege today and what is before you, in your defense and use of the Power of Light, to prevent coming into your beloved America, the conditions which exist in the rest of the world, then you would arise as one man. Beloved friends of America, you would stand and hold the proper activity in your worlds; to produce the conditions which it has been My Endeavor to bring to the attention of the American people; thru My Efforts to serve America and her people for more than two hundred years.

Today, I have found sufficient response which encourages Me as well as the entire Host of Ascended Masters; so it is possible to hold America free from the devastation the rest of the world is experiencing; and to hold peace within the feeling world of mankind.
The Instruction which I have brought forth and presented thru the Messengers, Mr. and Mrs. Ballard, is the Law of your Life, the Understanding of the “Mighty I AM,” the Greatest Power in the Universe; by which mankind can call forth from the Source of all Love, Wisdom and Power, these Mighty Currents of energy; the dissolving Power and Activity of the Violet Consuming Flame for individual use; as well as conditions throughout America; and the need of this call for your government, for your industries and for your transportation activity; for I say to you gentlemen of America, without transportation, you would be lost so far as your protection is concerned.

I say to you that in commanding thru the Forces of Light, unless enough of mankind in America understand and are willing to make the call to the Presence of Light to render this service, your danger is great from two drastic sources. One is the intent to bring war into America and the other is the condition of the gas belts underlying the surface of the earth, and you stand between the two.

If mankind will not give this assistance thru their call to the “Mighty I AM Presence,” which is the Source of all Life, then they will find themselves reaping all that Europe has today and worse; because all the world, and I say this to all the world—wants to see America a failure, because it holds within Itself the “Cup of Light”! It holds all that humanity holds dear! It is the last spot on this earth where Peace can be brought forth and reign, until the entering in of the Golden Age for the earth.

These are conditions of Life, and everything is being done today, to assist mankind as never before in the history of the earth! For instance, allow Me to remind you that not only is individual Assistance given mankind by the understanding of the “Mighty I AM Presence,” which is the Law of Life and Its conscious application, but the Ascended Masters, the Legion of Light, the Cos-
mic Beings and the Cosmic Light, are all pouring forth Their Great Energy; Streams of Light to bless mankind and give them the Courage, Directing Intelligence and Assistance which is imperative at this time for them to guard themselves, to guard their homes, their America and their industries.

Remember, today, America stands against the apex of all human viciousness! Not that America and her people, especially her people who are a part of mankind, have not generated more or less discord themselves—which means that all mankind are responsible for the accumulated discord of the world today; but having called that force into action, then the people stand, today, in a position to reverse all this destruction which is whirling throughout the world.

No matter what has been—Law is Law! Divine Law, Life, does not condemn; the Ascended Masters do not condemn the mistakes of mankind, They only ask that the people face about, understand their mistakes and then, by the call to the Presence of all Life, endeavor to correct those mistakes; by reversing all the currents they have brought into action, which have brought discord and destruction to the world. Unless this is done, mankind will continue on as it has been in the past and civilization after civilization will come and go.

It is My Great Privilege and Joy to bring this to the attention of mankind and you, My people—for believe it or not, friends of America, you were once My friends in the ages past. You lived in the Province of which I was the Ruler and therefore, today, My Love for you, My Love for America, My Love for the Freedom of mankind is the Greatest Thing in My Being today; and every effort has been made to render you this Service and give you this Assistance. That is the only thing which will set you free individually; or give the protection to your beloved country, which is imperative at this time.
The destructive forces are concentrating and have concentrated thru communism, nazism and all those conditions. That is a pretense of the solving of conditions. The agitation and disturbing of the feelings of mankind thru the facistism of today, is just another activity which is deceiving the people and leading them on. After they are sufficiently into the clutches of those destructive activities, the sinister force reveals itself and show its fangs to mankind. I know this! You do not, people of America, who do not see with the Freedom which We do; but it is Our Joy and Privilege to bring these things to your attention, and more We cannot do.

We cannot compel you to follow Our Advice or the things We reveal; but We offer them in such kindness and with such a Power of Divine Love that once mankind understand what My Endeavor is to bring into the outer world, the protection of America and Its Freedom, every man and woman in America should arise as one, take hold of This Understanding and read these magnificent books which I have caused to come forth thru the Messenger! Then by the reading, understanding and application, the people would be able to give the assistance which America needs today; and hold the protection of your homes, your children and your loved ones; for were you to see for one hour in Spain and China the destruction of women and children, everyone in America would arise as one in their mighty defense and make the call to Life, to give them Its Invincible Protection.

Let Me remind you at this point, beloved ones, you have heard the Messengers speak often of the Cosmic Light. I wish you to understand clearly the Cosmic Light to which I refer is not the Universal Cosmic Light! The Mighty Goddess of Liberty went to the Great Central Sun and interceded for the people of earth and thru that, She has brought forth the Power of the Cosmic Light,
which is the consciously projected Power of Light and Energy from the Great Central Sun, projected by the Great Group of Ascended Masters who are there. That is the Cosmic Light referred to in Washington's Vision and by the Mighty Arcturus; for that "Light as of a Thousand Suns" if necessary, will be released into the earth and dissolve and consume every vestige of human discord and selfishness!

It does not require so many more with yourselves, to have almost guaranteed this Protection, this Defense of America, which must come at this time, if mankind are to survive! You have recently seen the reports of the earthquakes shaking every part of Europe.

Remember, beloved people of America, the discord which mankind have generated, calls forth every destructive force. If they continue in their tremendous feeling of refusing to accept the Power of Light, Nature will turn and allow the discord to generate and build, which will bring into their midst the very thing every heart tells them should be avoided.

Beloved ones of America, I ask you to try to live from your heart! Do not accept the appearance of the world of human creation, which is the prevalent thing in America today; but turn to your own God Presence, whose Light and Energy beats your hearts. Call It forth into action; send forth Its Mighty Power; Its Mighty Light Rays. It will answer your call always, whether it be individually for your personal blessing; or whether it be projecting the Light Rays into the conditions of America, which require assistance at this time.

All of this will come at your call. Altho you do not see It, that does not alter the fact that It goes forth! Therefore, in all the energy you use which is of any consequence, the activity is invincible; therefore, trust this Invincible Power to which I call your attention; and give the co-op-
eration with It which I know positively to be necessary for your Freedom.

As you go forth in your daily activities, you can at any moment during the intermission of activities, silently make the call to your "Mighty I AM Presence," to direct Its Mighty Light Rays forth into the condition of earth, wherever the Light may be needed and there give the greatest assistance the world has ever known.

You see before you the example of all mankind. Anything that agitates or disturbs the feeling world of mankind appears equally disturbing individually or for the nation; and in all the agitation which has been in your America, but one sinister motive was back of it; and that was to so agitate the people that the full force of the war entity of the world, (which has been consumed from the earth, since this Dictation was given) would have its dominion thru mankind; and bring its devastation everywhere.

Therefore, I am determined for one, and there are many of the Ascended Masters who are as determined as I am, to prevent this if possible! Therefore, the Messengers have gone forth for almost four years with tireless energy and with the Infinite Power of Love and kindness, pleading with mankind to study and apply these Great Laws, which would enable them to give the assistance that is needed today.

It is imperative! Not only is it needed, but unless the response is given, you will find yourselves in a condition worse than hell on earth. That is the condition you are facing today. People of America, there is no question about it! Don't sleep! Don't be deceived by the conditions which exist. They can all be remedied by this Mighty Power of Light and with a speed that would amaze you, when enough of America will call this Mighty Law into action, to remedy the conditions existing today!
Gentlemen, I tell you when taxation has reached its limit as it has today, then that sinister thing tries to seize upon industry; and while it is right for the employees to be well paid, yet in the conditions which the sinister force is trying to impose upon you today in the demand for greater salaries, the first thing you know, there will be no industries in the world from which mankind can receive any compensation! Then you will have reached the open door to the out-pouring of all destructive forces which have been generated on earth!

Therefore, I say to you, awaken mankind of earth! Stand on your own two feet in the great acknowledgment of your Presence of Life! Call it forth in your individual Life, then into your government, your cities, the state and the nation—letting the full Power of its Magnificent Glory remedy these conditions; and by the Power of Light; instead of you being fodder for the cannons, which otherwise will one day take their toll upon mankind, as they are in Europe.

Beloved ones of America, I say to you, this is not necessary! You today have the Power to call the Presence of Light into action, to remedy these conditions and stand guard every one of you! People of America, each of you has a Higher Mental Body, which is the activity of your own God Presence—the "Mighty I AM." At your call, It will project Its Mighty Light Rays into every condition which exists in America, for the Power of Light knows no opposite; It knows no opposition! There is nothing of human force and accumulation which can stand before that Power of Light called forth, from your own God Presence—the "Mighty I AM."

The opportunity is before you and I congratulate you Minute Men who have so styled yourselves in My Name! I congratulate you with all My Heart, in the magnificent service that you have thus far rendered. Go on and on, be-
loved Brothers of Light! Go on, I say, with greater determination than ever to make this call and release this Power of Light; which is the greatest protective Intelligence that mankind need today! It will bring about thru Peace and the Power or Divine Love, that which most people cannot yet comprehend—the remedy for all conditions which exist in the world today.

You in America, who are strong enough to stand in that Mighty Power of Light and call Its Mighty Powers into action, will one day see! You have before you the evidence of these two blessed Messengers who have governed conditions time and again of whole cities when they entered their borders.

Do you not see, gentlemen, the evidence is before you irrefutably, to any person on the face of this earth, who is honest and sincere and who cares to look. Therefore, I call your attention to the evidence before you, inconceivable to the person who is not willing to investigate and understand This Great Law of Life.

Mankind have always asked and demanded proof. In the Name of your "Mighty I AM Presence," I say to you, how could greater proof be without some Cosmic Miracle, so-called, being set before you? How could greater proof be given than that which the Messengers have given to the world today?

Please understand and see that We have not yet sufficient energy from your physical world, to completely govern the conditions that are waiting with their fangs extended to strike at you and your beloved America. Unless the people will awaken and understand this and give Us their co-operation, they will experience the destruction waiting to engulf them.

I say—never to frighten mankind, but I speak the Truth that the people may awaken and understand the conditions which exist; because you cannot possibly comprehend what awaits you. You cannot see from your human oc-
tave; you cannot understand these things as We do, from the Octave of Light above you; for We, as Ascended Masters, know the Perfection which We have attained; and know the imperfection and conditions which exist here with you! We know there is only One Power in the Universe which brings a permanent remedy for anything, and that is the Power of Light from your own God Presence!

Beloved Minute Men of America; beloved friends of America, stand in the Light of God, your own “Mighty I AM Presence,” and call It forth! To you, Friends of America, who may not have yet contacted This Understanding, I say to you This Work of the Messengers is for the good of America and for the Blessing of mankind. All forces who oppose This Light, which the Messengers represent, are aiding and abetting the sinister destructive forces who want to destroy you and your America.

Awaken beloved Minute Men and people of America! These Messengers have offered nothing that any human being on the face of this earth cannot accept! If you are willing to lie down and let the forces of destruction destroy you, then that is your privilege; but I say to you, whether it be individual, city, state or nation, if you lie down and do not call the Powers of Light into action, you will be destroyed individually, as well as your cities, your state and your nation.

Therefore, your opportunity, today, to call these Powers of Light into action is the greatest opportunity you have ever had! It is imperative that you make this call now! It is the greatest need before mankind today! You, in the comfort of your own homes, cannot quite realize that the fulness of your Heart’s Desire has only found a part of its glorious expression.

Beloved ones, your Heart’s Light is the Governing God Power of your world! Let It expand in your attention to the Great God Presence, your “Mighty I AM,” and
flood your beings and worlds with Its Mighty Radiation of Light; May I repeat to you again: Your Heart’s Light knows no opposite in the Universe, and no destructive force of human creation even attempts to oppose This Power of Light. That is why, the Power of Light is so all-effective in bringing the remedy which is required for the conditions of today.

So, in the opportunity that is before you, will you take a firmer stand than ever before in your life, in your call to the Light, to bring about this Assistance which you and America need today? This is not idle talk! We, from the Octave of Light, who are wholly Perfect Beings, can see, understand and know that which you cannot even imagine! Therefore, we offer this Assistance! We offer these suggestions so you may, if you will, give response; and then find one day, not so far distant, your land and yourselves expressing a Freedom and Happiness never known on earth before.

I want you to understand, today, that in the establishing of Permanent Peace and Freedom in your America, there will come the response of Nature which is at present rebelling against the inharmony of mankind! You wonder why such conditions exist as they do today. Because the selfishness of mankind has preyed upon each other, with only the thought of themselves. That must go from the face of this earth! If mankind will respond to Us, We will assist them and it will be done harmoniously and perfectly.

Too long, the people have tried thru physical means of war and such conditions to try to adjust these conditions, and never has it been done! Nothing will be done, because all war is destructive force and leaves in its train a vibratory action in the etheric records which you cannot possibly understand. It leaves an etheric record which is a magnet for gathering again more and more of those destructive forces from the feeling of mankind, and when
its accumulation is sufficient, another war takes place.

Be not deceived! Call the Powers of Light to govern all conditions in your industries; the manufacturing of war materials and in the whole combination of your outer activities and bring about the complete and full release! If you could only see the conditions that exist! Those who wish to sell war materials, cannons, guns and everything imaginable, explosives of every kind, the most deadly ever known in the history of the earth—today are playing both sides, furnishing ammunition and arms to the first comers—to all comers.

We see and We fear nothing on earth; therefore, We tell you the Truth! Be blest by It, if you will; but unless you will give this assistance, which is your call from the physical octave, you will meet the conditions far far worse than so-called death itself.

Gentlemen, as minute Men of Myself, you know that there is no death! You but change garments! Therefore, remember the individuals who pass out thru war conditions or any destructive condition, carry with them the same feeling in which they existed here. If it be hatred of war, or hatred of those who sent them, then that power, quality and feeling remains in the feeling world of the individual.

If you could see what the Divine Director has done in releasing the boys who passed out in the recent world war, from the hatred which was generated there, you would bless Him forever! They did not know why, but they hated the thing they were facing and they hated those who sent them—and can you blame them? They were like cattle driven to the slaughter! There is no other expression that fits it, gentlemen! No other expression can possibly convey this to you; because in all war conditions the pride of manhood are driven to slaughter! You today who love your children and families, would you like to see them trampled upon, shot down because
they are human beings? Would you like to see air bombs thrown and hundreds destroyed by one bomb; your loved ones; your children, your families?

Gentlemen, the condition that exists today, I say, is unparalleled in the history of the earth; because destructive forces are known and used today, which two hundred years ago were wholly unknown. Your forces of the air, if released with the power and intent of destruction, that exists in Europe and the Orient today, in thirty days not a city would be left in your America!

I say, awaken mankind to the Power of Light! Beware of the spy system in your country! Awaken mankind to this fiendish thing which rubs shoulders with many of you, in the pretense of smiling in your face and stabbing you in the back, by stealing from you your magnificent discoveries, your air planes and things which the people of Europe want today; because they ARE greater Perfection than what Europe has yet been able to produce. I say will you awaken mankind to these conditions?

I am appealing, today, as never before in your lives for your protection, beloved people of America; and unless you care to listen to Me, I cannot help you. ...I say to those individuals who have sent forth their mighty destructive devilish suggestions concerning This Work and the Messengers—beware! Be ready to reap its return, for it shall return! I say to you, when a destructive force faces you, you have got to be strong enough to call the Power of Light to return that destructive force back upon its creator. Would you rather be destroyed innocently, than return the destructive forces upon a vicious destructive creator? You cannot ignore these things!

Great criticism has come to the Messengers, because they understand this Law and call for the consuming of vicious forces of every kind; but unless you understand that and do the same thing, one day you will find your-
selves in the clutches of those destructive forces. Remember, the destructive force generated by mankind has no discrimination; and when the people are seized by it, they have no discrimination! All Love from their being is gone and they only wish to manifest the projected viciousness and destructive forces, under whose influence they are acting for the time being!

Do not fail to comprehend and understand these forces! All force knows no discrimination, but it acts! You having your Higher Mental Body, which is your Discriminating Intelligence; in your call to the Presence, It releases Its Discriminating Directing Intelligence, to give you full comprehension and understanding of what these forces mean; and what they do when they are left ungoverned! You have heard the Messengers repeat My Words that—"the destructive forces of human creation ungoverned, are more vicious than the animal in the jungle." I repeat to you again today, far more destructive, for the animal in the jungle only destroys for food; but the vicious forces of mankind destroy for the activity of sheer destruction. Consciousness is acting in those destructive forces, but not governed intelligently.

Today, you who are in a position to understand and to feel, with full Glory and Power which is your privilege in rendering this service, gentlemen, Minute Men of America, I ask you with all the Love of My Heart, to redouble your calls and energy. I mean by that, charge your calls with a greater firmness and a greater determination in the release of your energy thru your Mighty Decrees; to render a still greater service, than that with which you have yet become familiar.

You cannot gauge, you cannot govern what your Great Presence of Life will do at your call! Just continue to make the calls with greater firmness, greater determination, which causes the Power of Light to release in greater volume, greater intensity and enable Us to am-

plify it with the greater intensity to more quickly bring this Assistance that you so greatly need today.

Therefore, in speaking to you today, My Joy is boundless, for again in the opening of the Shrine Class, there will come a Mighty Wave of this Cosmic Light projected from the Great Central Sun; and at the close as many of you know, will come a ten times greater release of the Great Cosmic Light. It must come, if mankind are to have the strength and courage they need today to render this service.

You don't see yet what is acting. You go out in the morning with great firm determination in your call to the Light—in great calm Peace and determination; but before the day is half over, you begin to feel the impact of human discord about you, and one thing or another causes you to feel irritable. When individuals begin to feel irritation, then the sinister force is laughing at you behind your back; because it is getting you disturbed, so it can drive its forces into action thru your mind, body and feeling world.

Remember, the guard which is needed! because all sinister activity of destructive forces first comes into action in your feeling world! Sometimes, it is acting there for hours before you are outwardly aware of it! Why? Because it is gaining its hold upon you with such deception, that you feel no outer affect, until it is ready to release into your feeling, that condition which it wants to produce.

Therefore, there is only one means of guard in the whole Universe and that is the call to your own God Presence, the "Mighty I AM" to stand guard over you; to make you aware of all that is acting or with intent to act thru your feelings. Then you are in a position to be alert to the forces which are endeavoring to use you.

Why do these destructive forces seize upon some of the students? Because it sees within them, a Light which
would be powerful; and those who are turned aside become claws of that sinister force. I say to every one of you, stand guard over your feelings and all suggestions of the sinister things.

At the close of the last Shrine Class, because of that Mighty Decree issued, those claws of the sinister forces, cunningly went among the students and tried to claim that the Messengers were acting destructively. That Mighty Decree was for the protection of your children as well as theirs. Don’t be deceived by those cunning subtle things, but stand on guard! Minute Men of today, do you realize what your willingness to enter into the Power of Life means? Do you know what it means to the rest of mankind and the Infinite Protection it means to your beloved America?

I say, beware of ALL forces today that attempt to create discord in you! No matter what the source, whether it be persons, places or conditions! There is only one safety for you and your families and that is absolute serenity and self-control over your feelings. Then, We can give you Assistance indescribable; but We cannot do it and We will not intensify the release and power of energy, if you are willingly qualifying it with discord. We want to save you, not destroy you! We want you, who are in the position today to give this assistance in America, to be the Out-pouring of the Power of Light, which you are at your call to the Presence of Life. You become the Outpost of the Greatest Power and Intelligence in the Universe that ever has or ever will exist!

Your privilege is very great! I say to all, awaken! See! You do not comprehend as I do, the magnificent service that you have thus far rendered in the release of this Mighty Power and energy in your Decrees, individually and in your Groups here! I congratulate you in Los Angeles, beloved Minute Men, for the service you are rendering! What a Blessing you are giving mankind and
yourselves individually.

If time permitted and I could take you individually and show you your progress in the past six months, your joy would be boundless! I bid you be not discouraged at anything, but with joy filling your hearts and the release of the Mighty Energy from your Presence at your call, go forth the Victory of Light; and feel Its Mighty Power and Dominion take action in your world, as so many have!

We have seen the many in your city who have been thru long struggles financially, as the Messenger had. Then suddenly, you found the wall dissolved and the In-pouring from the Treasure-house of your own Presence pouring forth. It is the Divinest thing in the Universe! It is the Divinest thing on the earth, because then only, have mankind found their Source! Then only, do they know It is the Mightiest Directing Intelligence in the Universe. They know It is the Treasure-house! Then unlocking Its Doors by their adoration and call to that Great Presence of Life, they keep it up; until finally the Out-pouring thru the physical form of the money supply, the happiness, courage, strength, Directing Intelligence, which everyone requires, finds the fulness of Its Action through everyone.

Gentlemen, I love you! Do not be afraid to say, you love each other. Oh, you are none the less a man, because you want to express the Power of Divine Love! Therefore, I say to you: in the silence of your own chamber call to the Presence of Life, the "Mighty I AM"—and keep charging, charging and charging the Mighty Powers of Light from your Presence to pour forth into your world of action; to govern, to glorify, to bless your every activity. Then, you will find that conditions which touch your world, will become harmonious; and you will feel, and it will be true, that you have actually physically entered into a new world—a world of Supreme Definite Action, the Power of Light.
So as you go forth, stand in the glory of all that you wish to do! I call your attention to the Messenger who in his early life, longed so greatly to have his great unselfish desires to bless mankind fulfilled. Then, when he thought the time was past and that his wants had not been answered, the Gateway of Light opened and I took him into My Arms! I gave him the Understanding; made him the observer of the Laws of Life; taught him how to operate Them; and then sent him back into the world to help you! He has but one desire, gentlemen, with all the Power of his Being, which has now become tremendous, thru his constant calling and calling forth of the Powers of Light, to render you service; to set you Free; to give you all the strength and courage that mankind must have to conquer conditions, for without the courage to face the conditions of the day and be Master over them, mankind would be submerged by them and vanish from the earth!

So, in the conditions that are confronting you today, be not dismayed, because they sometimes seem terrifying. Remember, as you have so often said in your Mighty Decree Work, those human creations, those destructive forces have no power of themselves! Do not feed your Life into them by the power of your attention and thus strengthen them! When you have issued your Decrees that those forces have no power, then take your attention off those conditions. Turn your attention to your Presence or to some constructive idea and let that Power of Light do Its Perfect Work.

As long as your attention is upon destructive things, then destructive forces will be acting in and thru your feeling world. It cannot be otherwise. That is why I ask you to do this. The Messengers have to stand guard! Call your Higher Mental Body to stand guard over your feeling world, so you do not unknowingly continue to accept destructive thoughts and feelings! Ofttimes, they
are consciously projected to make you what you otherwise would not be.

Every heart is good. Can you believe that with Me, in the face of all conditions which exist in the world? When I make that sweeping statement: “Every heart in mankind is good,” if given an opportunity to act, it will prove that goodness; but when individuals are set upon by destructive forces thru their feeling world and do not know those destructive forces are acting there, then the people are helpless before the onrush of that destructive force. That is what is sweeping Europe today! There is no question about it, because of the disturbed feelings of the people, the destructive force has full sway to sweep in, set into action the outer feeling of individuals, and they become prey to the most destructive forces in mankind today.

I am calling your attention to this and I will follow it up in the broadcasts which are to follow, with I trust, a sufficiently clear explanation, so no one of you will fail to grasp the fact and feel the joy welling up within your hearts, that you have come to know the Source of Freedom; the Absoulte Certainty by which you can protect yourselves, your families and your America.

Oh, that you could know how I love America! Do you think, if I did not and had not seen the possibilities of America, I would have released energy for two hundred years to bless and protect America? Your Great Goddess of Liberty, beloved Minute Men, can you understand with Me for a few moments, what that Great Being means to you in America? Why do you suppose the Great Law of Life has provided such a Great Focus of Light for this great purpose? Do you not see that the Goddess of Liberty was provided by and sent forth by the Great Central Sun! Then think, your sister country received so powerfully the Glory of that Freedom, which she could not experience; yet sent to you the symbol of the
Goddess of Liberty; so you could have before you what that meant to mankind.

Gentlemen, outside of our beloved Jesus the Christ, whose Symbol should be everywhere in the world—there is not a greater thing in the world today, than the Statue of the Goddess of Liberty in New York Harbor; which reminds the incoming and out-going mass of mankind, of the Glory of Freedom in the world of America. Remember! that Great Goddess of Liberty is a Real Being to you!

Beloved Minute Men, whenever you sing that song—the Goddess of Liberty, will you not do Me the kindness to feel with all the intensity of your Being, Her Power and Blessing upon your release of that energy, for the service to America which you wish to render? Never does she lose an opportunity to take up and utilize that Mighty Energy; and shall I say today, how great Her Love and Gratitude is for your willingness to establish the Minute Men of Myself, as you have styled yourselves to render this Service? It is very wonderful, and I say again to you, beloved Minute Men, watch and stand guard over every person, place and condition that attempts to agitate your feelings; or spread falsehoods into your world for any reason whatsoever! Don’t believe anything because somebody repeats it! Gentlemen, I am depending on you; you have no idea how much; and how great My Love and Gratitude are to you for having been willing to be the Mighty Focus of Light, to render this service.

Feel for a moment, My Love fill your hearts and worlds and My Gratitude to every sincere Minute Man in America. It is very wonderful, and when I call your attention to these things, do not think I am a calamity howler. I am putting to you the Greatest Truths for your attention; because when you know, as you do, the power of your attention, then you know how that can become an Invincible Power!
Gentlemen, I take you individually. Do you understand how each one of you in your understanding of your “Mighty I AM Presence,” in your ability to call It forth—Its Mighty Rays of Light and energy, how you stand today—if you only knew it, Invincible Beings of Light! You are not subject to these conditions which exist, even though you have been a part of that creation, still are you not subject to it! As soon as you call on the Law of Forgiveness, then turn your attention to the Great Presence of Life, you are fulfilling the Law, and as long as you do not continue to make mistakes, then you have proven in your call to the Presence, that you are willing to change and face about and act only constructively. Then, you have become one with My Heart!

Should I remind you, that We, who are wholly Free Beings, could withdraw from the earth today and leave mankind to the mercy of their own creation? The Messengers could, but they won’t. I could not even persuade them to withdraw; because their Love is so great for you, for mankind, and knowing the conditions as We have shown the Messenger; for they have existed throughout the various civilizations, thru their rise and fall! If you knew how he pleads with me: “Don’t let mankind fall again”!

Therefore, I am endeavoring and the Goddess of Liberty has gone to the Great Central Sun, to call forth more Power, Every Power that mankind will accept and to which they can attune themselves, so as to allow It to flow forth! Gentlemen, I must remind you again, do you not see how it is impossible for Us to release the Full Force and Power thru you, which We want to release, as long as there is a chance of you qualifying it destructively? Do you not see We cannot do it? We would endanger your physical bodies and We cannot do that. We want you, We need you and you need yourselves!

You may not consider those physical bodies of so much importance; but let Me tell you, those physical bodies
today—in the position in which you stand in your understanding and acceptance of the Light, are more important to you, than you can ever imagine! Why? Because certain attunement has gone on which you never had before!

Gentlemen, it does not make any difference to Me what your appearance is today in the outer world; I see and know what that Light is within you; and if I did not see how It could be brought into magnificent use and Victory, do you think I would plead with you? That is self-evident! I would be wasting My time and yours, but knowing as I do the Beauty, the Power, the Perfection of your hearts and your loyalty to America, then I will turn heaven and earth upside down if necessary, to give you the Assistance, if you will only go on in your calls for the cleansing and purifying of yourselves, to release the greater and greater Powers of Light!

I repeat to you again what I said to the California students' breakfast in Denver: “Jesus has said: ‘The last enemy to overcome is death!’ I say to you, the last enemy to be overcome is abnormal sex desire! Normal sex desire is for the procreation of mankind only. Don’t blame Me, when I call your attention to these vital things! If you waste your energy in sex excess, you cannot hope for the Victory of the Light!

I say this with all the Love and kindness of My Heart! Sometimes individuals have become so vicious to the Messengers, because they have told them this Truth. I say to you, ungoverned sex desire is the down-fall of every civilization! I have talked this over with Jesus and He said today: “You are right, because that is where the sinister force strikes at mankind; and as a last opportunity, when it cannot reach them in any other way, then it will seize upon that desire, to bring its destruction upon them’”!

Let Me help you, won’t you, to erase those desires from your being? Your call to the Presence will help
you to do it! The Great Law of Life is: that desire is only for the procreation of mankind, and there is no wrong in using it for that purpose; but when you waste it, that is your Life Energy gone forever! If there are any students anywhere who think their understanding of the Presence will enable them to replenish that Life Energy and use it for that purpose, then they have made a great mistake! Life will not release Itself for that purpose any longer; and when you have used up your accumulation of energy in that desire, you will find yourselves like a balloon with the air let out—yourselves exhausted!

Beloved friends, today, let us talk together, heart to heart! I stand the Messenger before you as an example. Look at the limitless energy he pours forth—on his feet ten and twelve hours a day and never with exhaustion; never with lack of energy, because that energy is conserved! The example is before you gentlemen, and every one who governs that will find his or her face becoming radiant and the body filled with limitless energy and strength.

Today, when the sinister force has used every conceivable means of wasting your energy, I use this opportunity to remind you with all kindness—Oh, no matter what your mistakes are, I would not condemn you for anything in the world. Please feel that, but knowing the Law as I do, I want so much to help you! I want so much to see you Free, buoyant, filled with strength, energy and courage, to meet all conditions and say to them: "You have no power!" as many of you have been able to do!

It is wonderful when I see among the students, the many who have erased desire after desire—drink, tobacco and all those conditions, just as if they had never been! Don’t you understand, that when you call the "Mighty I AM Presence" to take out of you, out of your feeling world, all wrong desires, the Greatest Power in the Universe is set into action, to erase the cause, effect
and record of that from your lives?

I love you tremendously! I know what it means to go thru those experiences and to overcome them; but it is so wonderful when it is accomplished; the joy is so great and the Freedom so great; the Blessings without limit! I plead with you and lend My Infinite Power, to give you strength to erase from your feeling world every undesirable desire that wastes your energy; and remember this is only one avenue.

The misuse of sex, the feeling of anger, irritation and distress of every kind, is a waste of the energy, not so great perhaps as is present in violent anger; but these conditions are so easily and quickly removed from you and your feeling world; as you call the Great Presence to take out of you any desire for any condition which you wish to overcome.

Therefore, I offer you, and the Great Victory whose likeness you shall soon see, has offered you His Great Light, His Great Victory! For hundreds of thousands of centuries, He has never known anything but Victory! Therefore, as He and the Goddess of Liberty offer Their great charge of Cleansing, Purifying Energy into your world, won’t you accept It; and let Its Great Powers come into action to give you the Blessing, the Power and the Freedom which everyone of your hearts crave?

Any destructive desire or that which would call for a waste of energy, does not come from your heart. It either comes from an accumulated activity within your feeling world or a desire projected into your world.

Now, before I close I want to say to you, as you observe the Great Chart, the Tube of Light and the Violet Consuming Flame, there is nothing in My Experience among mankind, which touches Me so deeply and Fires Me to the depths of My Being to give release, as the projection into your feeling world of wrong desires, willingly, deliberately and consciously projected. There isn’t
anything in the world that fires Me like that; because mankind are so wholly unaware of what is controlling them and accept that the feeling is their own.

That is why I urge you, beloved ones, to call the presence to formulate the Tube of Light about you, so any discordant or immoral thing cannot penetrate it to reach you or your feeling world! Oh, when you once realize you can do that, what a different world, what a different being you will be; because today mankind are a conscious target for the projection of every vicious immoral force; and I try to put you on guard, beloved Minute Men, against these things! Remember, you have willingly entered into this Great Stream of Life, to render this service for America and under My Name! How proud I am of you, but remember only so far as you are willing, can I help you!

We stand, gentlemen, in the Victory of Light. In speaking to you today, there is nothing discouraging about it. There is just a Power of Our Energy released to fire you into firmer, more determined power, in the release of your energy to bring about these better conditions. We are so near the great ever-balancing Victory of Life! I hope we can say at the close of the Shrine Class, beloved ones of the light, that your Victory is sure!

I thank personally the students in the East and our beloved Mr. Zinke and the students here for making it possible for these broadcasts to reach mankind. Oh, if you only knew what that means. Thousands of people who for one reason or another perhaps would not come to the class, can have its blessings thru the broadcasts. When they understand that This Work is for the public good and It is the Law of Life, and that no one is asked for anything except to give obedience to the Law of their own Life to have this blessing, then is there anyone of mankind who should not want to give his or her Life to constructive purposes?
Today, you are in the Greatest Blessing, the Greatest Focus of Light, because of your determination and desire to give this Blessing to your fellowman, for the protection of America. Remember, All the Forces of Light, are answering your call!

The thing that We are so determined to do at this time, is to prevent any wedge of the conditions of Europe finding an entrance into America! You have no idea what the governing powers of Europe have planned. I mean the destructive sinister things that are acting. Those powers are watching your America like a hawk; because for many years, they have had their spies in your midst. Remember, it is only since the Messengers began to ask the students to call for the revealing and seizing of the spies and the dope in America, that this has been revealed.

Think the Great Victory has said to you, that one of the greatest destructive forces in your midst today was dope; and look at the thousands of tons of dope that have been seized within three months, and more and more will be revealed as your calls go forth! Do you not see that in those calls, you have Infinite Power which goes forth into the mental and feeling world to touch mankind? You could not dream how the Power of Light acts and makes mankind alert; and then these things are revealed and destroyed.

So it is with all the conditions that exist in the world. In your call to the Powers of Light, gentlemen, Light is the acting Power and It only acts thru harmony! Many times, Its Wall of Forces sends back upon destructive forces their own destruction; but that is the Law of Life; that is not your desire or Mine, but don’t you see it has to be done! Whoever creates destructive forces must some day reap them, because it is the Law of Life, and neither you nor I, nor anybody else can prevent It Acting. I want you to understand that, if you will; and
don’t ever let any feeling get going like it was with a few people after the Shrine Class here. If you do not return destructive force upon its creators, you will be destroyed by it.

You who are the Children of Light, do you wish to be destroyed and deprived of your opportunity to serve; just because you won’t turn destructive forces back upon their creators? That is the Law of Life, it is nobody’s wish to harm anybody; but if you don’t do it, you will be destroyed yourselves. The Messengers would have been destroyed long ago, if they had not known that. They know the Law and they are not bothered about some ignorant human opinion about It; but they stand their ground for your protection. They could have been wholly Free a long time ago.

I want you to understand these things and do not be misled by vicious human suggestions, that try to prey upon you, to get you to think the Messengers did something wrong! They never did and never will! They are strong enough and firm enough, to hold to the Light and do whatever is necessary for your blessing and protection.

Gentlemen, the great Love of My Heart pours out to enfold each one, each Minute Men in America; to enfold you all in My Power of Divine Love, My Strength, My Courage and My Victory over all substance and energy! May the fulness of My Power of Divine Love added to yours enable you to win now the Victory of Life and the Fulness of all It contains and holds for each one.

I hold you in My Embrace of Light; in the fulness of Its Infinite Power to bless you, to strengthen you and to direct you by the Ascended Masters’ Consciousness which cannot be requalified by human qualities; and may My Love pouring into your world be the “Cup of Light” which gives you the Victory into your Presence, your own Life!

I thank you.

OUR NEW MUSIC

It is our great privilege and joy to announce the release of a folder of three new songs by the Messenger, Lotus Ray King.

They are:

"I AM" Here
Angels of Saint Germain
Freedom's Triumph

They are all dedicated in Eternal Love and Gratitude to the "Mighty I AM Presence" and our Beloved Saint Germain, with the intense call that we be made and kept forever worthy of the Light and Love He has given us all in this Mighty "I AM" Activity; and for the privilege of carrying and protecting that Light until all mankind are ascended and Free.

May there go forth thru these songs such Love, gratitude and adoration to our Beloved Saint Germain for all He means to mankind, that every human being on earth may be privileged to see Him face to face in His Visible, Tangible Ascended Master Body and Know Him as we do!

May all who sing, play or hear these songs feel His Mighty Reality, His Enfolding Presence and Love pouring out to them and bringing Eternal Freedom in the "Light of God that never fails."

These songs, both music and lyrics, are a direct answer to our intense call that thru music we may all pour to Him constantly our Love, Adoration and Gratitude for His Immeasurable and Eternal Gifts of Freedom and Illumination; and for being the Open Door for the Ascended Masters' Instruction of the "Mighty I AM Presence"—the Law of Life—to raise all into their Perfection.

Our beloved Frederick Landwehr has made the arrangements and we call Eternal Love, Gratitude and Blessings to enfold him forever.

May these songs be sung by everyone who seeks Freedom from the distress of the outer world, and thru this music and Love receive their Freedom and release.

No greater privilege could be given anyone than to be the channel thru which these songs could come, and our hearts sing with Eternal Love, Gratitude and Praise for this opportunity and Blessing.
