—CHANERA
ELOVED gentlemen of the Light, My Heart throbs with joy at every opportunity to meet with you; and I call your attention again and again to these Great Laws! Everything that touches your outer activity of Life, is the Law of your own Life in action; whether it be governed by Intelligent Direction or by human concepts, which allow mistakes and limitations to suddenly creep in. You are the choosers of what is going to be done with this energy of Life, which is flowing forth thru your body!

You have seen this magnificent Chart. It is the exact eye picture of your Reality, your position, your connection with your own God Presence, the “Mighty I AM”! Remember those two Words, “I AM,” are the Most Powerful Words in the Universe; and have thru all civilizations, come down as the God Authority; for they are the Announcement of Divinity, your Individualized Presence of God thru the human form at your focus in the Universe!

If you will understand this in its fulness, you will understand, why it is possible for you to release a greater Power, a greater intensification of the Energy of Life, than that which ordinarily flows thru, as you have heretofore understood it, as involuntary action. Then, you can by the understanding of the Presence which gives you Life, by your attention, by your call, release a greater volume of It into action, so It will cleanse and purify your own bodies and feeling world, then go out by the Power of Radiation and Light into your activity!

Do not think just because your activity encompasses quite a scope of action, that the Radiation does not go
out into every detail of it; because that is a part of your Life! Whatever belongs to the action of your world, the Radiance of your Life goes out into every detail of it, because it belongs to you! It does not go into someone else’s Life or action, but it goes into your world! Feel this more and more, and know that it is the Supreme Directing Intelligence. In your previous limited concepts, you have drawn yourselves into all kinds of mistakes and limitations, because you were not dealing with the cause. You were accepting human appearances which are largely human concepts and therefore not correct.

You have the opportunity, today, thru this which I have brought forth — the Understanding of Life and Its Application — to take the Scepter of Power into your hands, and call forth this Mighty Energy, this Mighty Directing Intelligence to act in your world — first to harmonize your physical bodies, because that is the imperative need; and then your world and affairs!

Do you not see, that you cannot allow this energy to go forth in its Purity and Power, unless there is Harmony maintained in your feelings; because by the Law of your Life, your Power of Qualification is compelled to clothe that energy as it goes forth! That is why it is imperative and why the Messengers have pled and pled with mankind to first harmonize their feelings and maintain that Harmony; so, when they call this Greater Power of the Presence into action, this Mighty Energy and Substance will flow forth in its Purity.

Remember, as you observe this Chart, that this Stream of Energy, until It touches the top of your Head IS ALL-POWERFUL, PURE AND PERFECT! If allowed to go forth in Its own Purity, then by Its own volition, It would produce Perfection and successful achievement in your world; but so long as mankind will not comprehend, will not correct their feeling world, then they will continue to requalify that Energy; or in
other words, clothe It, as It goes forth, with the quality which is in the feeling! It is so imperative to thoroughly understand this!

I am dwelling on it this morning to try to help you. If you feel and hold the Truth of this, then you will understand and see; and it will give you the courage and strength to receive that Harmony in your feelings and allow this Power to go forth and produce success in your world of action.

Gentlemen, there is not one of you in this room or in New York, if you would understand these simple Laws and go forth believing Them, holding your feelings harmonious, who would not in thirty days find the opening for himself, or whatever successful achievement, he wished to attain. The opportunity is before the men of America today; and if they can harmonize themselves, whatever they choose to fix their attention upon, will become successful in that direction! There is no opposition to this Great Power of the “I AM Presence,” which goes forth to bless you, to harmonize, to intelligently direct your activity in the outer world.

Unless you conform to this, gentlemen, We cannot help you! We want to! We have all Authority and Power, with your cooperation, to transform everything in your world; and We are ready to give the Assistance; but We will not do it, unless mankind will give the necessary obedience — not to Us, but to Life, your own Life! We are talking only about your own Life. We stand ready to give Assistance! We have gained our Freedom by this identical application, don’t forget that! It is why We have lifted Ourselves into Our Ascension to Our Eternal Freedom. We wear Bodies of Eternal Light which We can command to raise or lower Their vibratory action at will. There is not a thing unusual about it! It is just the Law of Life acting! As you understand
that, you will find, you can raise your feeling, your consciousness above the human limited concepts.

Remember, it requires strength and determination to reverse all human concepts, and this understanding does reverse most human concepts! There is no question about that. We know what We are talking about, but We know what It produced for Us; and We know what It will produce for everyone in the world; because It is the Law of Life, your Life acting, and We can’t talk about anything else!

Now, if We could have achieved this Great Freedom — should you who have not seen into Our Octave discredit it? Because you have not seen into the Higher Octaves, you think all this is hazy, filmy and imaginary. My dear Brothers of Light, in the Octave where We are, everthing is just as tangible and Real as your physical octave here! It is composed of a finer Substance, true; but it is none the less tangible! Our Bodies which you do not see, are Real and Tangible. I am standing here just the same as this Good Brother; because I am determined to release a Radiation into your feeling world today, which will anchor you; to give you Strength and Courage to go forth Victorious in your acknowledgment of your own “I AM Presence” and the Power of your application. Do not waver in your application!

Suppose you do not have the immediate results you would like. Go on, apply the Law and one day, perhaps sooner than you expect, the wall of human resistance will come down. Then, you will find your Life filled with wonderful strength, happiness, joy and the achievement which cannot come, unless the human turns its attention where Perfection is; and that is above you, your own God Presence, the Individualized Presence of God, the “Mighty I AM.”

That Chart is accurate, make no mistake about It. Unless you want to conform to It, you will have to remain
as you are. In this day, THE ENTIRE ATMOSPHERE OF EARTH IS CHARGED DYNAMICALLY WITH MISCONCEPTS, with human destructive thoughts and feelings; and you are compelled to move in that atmosphere all the time. You cannot get away from it, as long as you are in physical embodiment. Then, you must know, that mankind have got to have a Greater Understanding than they have thus far had, in order to hold or call the Presence to hold this Tube of Light about them. It will give them the Invincible Protection from the impact of the outer, for you have the impact of discordant thought and feeling driven at you all the time, just like waves.

You all know that! You know the changes in your feeling! You have moments of extreme happiness and courage, and the first thing you know, down you go into the feeling of lack of the power of achievement. That does not belong to you; that is because you have accepted the Radiation about you somewhere.

Today, you have This Understanding, you have the means of holding yourselves in the Invincible Protection of the Presence, against these conditions of human creation. This human accumulation is not only just in this embodiment; but from hundreds and thousands of embodiments in which mankind have lived. Gentlemen, make no mistake about it, you have lived hundreds and thousands of embodiments similar to this! So did I, until that day came, when the Light was strong enough within Me to hold Its Dominion and send Me forward, to the place where finally I came to understand this Law.

Before My Ascension, I understood the Law of Transmutation and did many things that seemed miraculous to the human. I worked throughout Europe for four hundred years, after I began to maintain the body which I then used, but mankind would not listen! I could have made Europe the United States of Europe and tried it.
When I found Napoleon as a youth, he was the most willingly obedient individual you could wish to find. There was not the slightest thing in his feeling world, to indicate that he would not continue to be obedient; but in an unguarded moment, he allowed the destructive forces of the world of human creation to surge in upon him and he would not listen, and you know the rest.

That is exactly the way with mankind today. THE MOMENT ARROGANCE OF HUMAN ACHIEVEMENT COMES IN FOR ANY REASON WHATSOEVER, THAT MOMENT, GENTLEMEN, YOU HAVE SHUT THE DOOR TO THE POWER, THE BEAUTY, AND PERFECTION OF YOUR MIGHTY GOD PRESENCE! You cannot afford to do it. The greater your power and understanding, the more humble you must become before this Great Presence of Light and Freedom, and the more unyielding to human creation. You must be as humble as a child before this Great Presence of Life that beats your heart.

That is why this Messenger has come to this point today. Gentlemen, there is not any of you who had a greater struggle than he had for thirty years. Remember, seventy thousand years ago he was my son! Donald was my son! That is why My Own Current of Energy is within those bodies! I have always seen to it, that that Current of Energy remained throughout these long centuries, for one day, I knew that It would take Its Dominion in whatever human form they were using at the time, when that Dominion should come forth. I saw this and I saw his struggle, up until he had grown to manhood.

Those in Our Greater Octave of Light — not knowing what I did, not having investigated — questioned his ability to carry this Light; because They saw and knew that in this embodiment by nature, he was very timid; but to Their great amazement, he arose in the Power and Strength of his Great and Mighty "I AM"
Presence; and from the beginning he has been dauntless before the criticism and the condemnation of mankind. He is absolutely fearless and had you known him in his early youth, you would have thought it impossible. Just so with you today, you who are beset in some manner by more or less fear or doubt, either of your ability, your application or of the Reality of the Presence. Won’t you believe Me, when I tell you that this Chart is absolutely correct, giving you the perfect eye picture of your position to your own God Presence; and how you are connected with that Great God Presence! If you were not, you could not have a physical body. Your own reason tells you that since this is the case, you can by your attention to your Presence, call forth Its Limitless Power and Intelligence, to govern you and your world and produce Perfection in whatever your attention is fixed.

Remember, your three faculties, your attention, your physical eye sight and your Power of qualification! They are three of the most powerful faculties in the world and they go on throughout Life, even to the Highest Spheres! You are having but a fragmentary part of these great faculties to use here in physical embodiment, until you come to understand what they mean to you. “Where your attention is, there you are.” You cannot prevent it; because where your attention is, every particle of your Life is feeding into that objective. What your attention is held on you become; because that is the Law of Life. You cannot change it, until you change your attention.

Your vision has looked out here and accepted all the distress and limitations, you see created by mankind. Now that is not real! It certainly does seem tangible and real, but it has no power of its own volition. The human creation of limitation and distress you see about you, is but human creation. It has no power, except the Life fed into that appearance by individuals; and
IF ALL THE PEOPLE WOULD SUDDENLY WITHDRAW THEIR ATTENTION FROM THAT: AND PUT IT ON THIS GREAT PRESENCE, IN THIRTY DAYS THE TROUBLES OF MANKIND WOULD DISAPPEAR; BECAUSE THERE WOULD BE NOTHING TO FEED THAT APPEARANCE WORLD, TO LONGER MANIFEST ITS APPEARANCE TO MANKIND.

Now, this is practical, the most practical thing in Life and when mankind understands It, they will find themselves free and quickly.

Gentlemen, I know what is in everyone of your lives! I know what is in your feeling world and your motives; and in a great city like this, it is a marvel that mankind ever maintain any semblance of Purity and Perfection! It is the most Marvelous Miracle! You talk about miracles, and yet each one of you is a living miracle today, in the fact that if you saw the conditions you are moving in constantly, you would know that it was true.

Now then since you have been able by the Power of This Light which is beating your heart, to ward off to a large degree, the conditions of human creation which would have destroyed you before you were twenty years old, then you must know that the Light is still holding Its Dominion; and by your conscious attention to the Presence of all Life, you will know you can draw Its Purity and Power and send It forth, out into your world to harmonize and produce whatever Perfection you desire to have there; also in your physical body.

I want you to understand this today. The doctors have told you, that most diseases could be eradicated, to which many have fallen a prey; but I tell you, it is impossible, unless mankind will use the Violet Consuming Flame, call their "I AM Presence" into action, to remove that thing from their blood stream. I know what I am talking about! Unless you will use the Violet Consuming

Property of Saint Germain Press, Inc.
Flame, you cannot cleanse and purify your bodies and make them the receptacle for this Great and Pure Energy to flow forth; but if you will call the "I AM Presence" to use that Violet Consuming Flame and feel It go thru your blood stream, you will be able to purify the Life Stream. Feel It and as that Violet Consuming Flame is set into action under your feet, feel It just interpenetrating every cell of your bodies and entering into your blood streams to flow thru those blood streams and cleanse and purify them. My dear people, in twenty-four hours, I could take one of you and purify your blood stream absolutely complete! I want you to know how powerful this Great Law is; and just because you have made mistakes, is no reason why you should continue in them!

Remember, gentlemen, I say to those who hold so firmly to the sex idea, ONE MOMENT'S ADORATION TO YOUR "I AM PRESENCE," WILL GIVE YOU MORE JOY THAN ALL THE SEX DESIRE IN HUMAN EMBODIMENT! Remember, dear ones, We are not trying to deprive you of anything, when We ask you to conform to the Law of your Life, to use that activity only for pro-creation of your kind. You need that Energy which is Life, in your body, to hold to your Presence and call forth Its Power and Perfection!

Do not resent letting go of those habits, whether they be sex, smoke, drink, dope or any condition that besets mankind today! Dear people, REMEMBER YOU ARE BEING SET FREE AND GIVEN EVERYTHING INSTEAD OF BEING DEPRIVED OF ANYTHING! That is what mankind must understand today, to allow this Great Purity, Power and Perfection of Life to go forth!

Think what it means, gentlemen, if you allow yourself to dwell for an hour upon intense sex desire; or for an hour upon the great intense desire for drink; or for smoke, or any of those things that mar and condense the
substance into your brain and body; any of those substances makes it impossible for the finer vibrations from your Presence, to find action and make you aware of Itself.

No matter what the habits have been, you can call your “Mighty I AM Presence,” your individualized Presence of God, to take out of you all those desires and replace them by satisfaction — Its Satisfaction and Perfection, and It will do it, and sometimes very quickly!

Therefore, this is the Law of your Life which We are asking you to conform to, not Our Idea, nor Our Desire; but because We know what the Law of your Life is, and We know We had to do these things. We had to correct these conditions and so does every man and woman in the world, if they are to have the Beauty, Power and Perfection which We know they become.

In all of your activity of Life, unless you are ready to pour forth Divine Love and Blessings to every person, place, condition and thing, you cannot have your Freedom; because that is what keeps Harmony in your feeling world! As long as something is stirring up your feeling, you are susceptible to all the disturbance and destructive conditions about you in which you move! Do you not see that? Just the moment something disturbs your feeling world, you are an open prey to all the destructive forces accumulated by mankind! Your maintained Harmony is where your Great Protection comes. You must give obedience and response to the Law of Life as you call It forth; by holding balance in the human in the use of the Powers which you call forth from the Presence. As you do that, you will find your world transformed in no time — into one of happiness, strength and courage and a directing Intelligence which you would not have thought possible before!

Your Higher Mental Body which stands between your physical body and your “Mighty I AM Presence”
is that Presence, Intelligence and Form of Blazing Light
which the Presence has provided! It knows the Perfection of the Presence and knows your imperfection! When you call to the Presence, your Higher Mental Body knows the slightest detail of your every requirement! We have not called your attention particularly to the Higher Mental Body up until now; because We wanted your attention fixed upon your Source of Life, which is the “Mighty I AM Presence.” The Higher Mental Body always responds! You don’t have to give It attention especially; but now today, We are coming to the point where it is necessary for you to keep yourselves reminded, that your Higher Mental Body is there answering your call to the Presence; and It knows everything that you need; everything that you should do, and will give you absolute Unlimited Assistance!

Once mankind comes to understand that the Higher Mental Body is the All-power of the Presence, you will know that your Higher Mental Body can come right here and make Itself visible to you at any time It chooses. It can enfold you in Its Presence and make your physical body an Invincible Power against anything in the outer world! I have seen it done time and time again! Your Higher Mental Body can speak to you, just like I am talking to you, when the obstruction in your feeling world is sufficiently cleansed and purified.

Your “Mighty I AM Presence,” even Its outer rim of Radiance, never goes below your heart; and if It once did come that close, you would become a Luminous Being at that moment. Your Higher Mental Body is provided to give you Assistance in your call to the Presence and It is mighty! It is tremendous!

I am very thankful for your comprehension and your willing acceptance of this! Don’t feel when We call your attention to this necessity, that We are criticizing you; for We have only one desire and that is your Freedom!
We would no more condemn you for any mistakes you might have made, than anything in the world. Gentlemen, everyone who has reached Perfection, has gone thru similar experiences to yours, why should one condemn another!

Watch out in your Life's experience! If you condemn another, you are condemning a part of yourself; because all Life is ONE! You are individuals that is true; but still in the Great Octave of Life, all Life is One; all energy is One; all Intelligence is One; and you are the individualized Activity of those great qualities. Therefore, feel your responsibility to pour forth the Radiance of Divine Love, Blessing and Order, as you move among mankind. Your blessed Leader touched upon a magnificent point, when he said: "let us be examples." Oh, beloved Brothers of Light, what that means to the whole world! You as representatives of the Light of your God Presence and the Ascended Masters, and that is what mankind wants to see!

If you, as Minute Men of Myself, are not representatives of the Light of your own God Presence, are not examples in your daily activity of this Light and show that Mastery, well can you blame mankind, if they do not want to become one of you?

Now why are you here, gentlemen? Not just because you wanted to hear the Messenger; but because your own Light in your heart was strong enough to bring you here. I want you to feel that! It is no drawing Power of Mine or his, but it is your own Light, which is strong enough in you to take command of those physical bodies; harmonize them and hold that Harmony. As you call the Power of your "Great I AM Presence" into action to transform your bodies, your world of activity comes into the greatest success, the happiness and the limitless supply that anyone can desire. That
is the Law of your Life. It is not something imaginary, but a Great Law which acts according to your application.

Look at the condition throughout your America today. At least for forty years, since Madam Blavatsky brought forth the first idea of the Masters to the Western world and went through such crucifixion as few endure — but it has anchored the thought and feeling in the Western World, that there were Those Who were called Masters and Who had much more than ordinary understanding and projection of Currents of Energy to cleanse and purify their worlds.

You have heard the Messengers tell you that in India there are Masters who are not ascended, but Who call their “I AM Presence” into action to make that Tube of Light so Invincible about them, that not even a bullet from an elephant rifle can penetrate it. That has been done a thousand times in India. It shows, that the Tube of Light can be made Invincible and your “I AM Presence” will do it!

Yet today, in the Understanding of your “Mighty I AM Presence” and this application which I have brought forth, you have an hundred times greater understanding than the average individual in India who has established that other condition! They have only parts of this Information. In their understanding of meditation and all that kind of activity, setting their bodies down and going off into Nirvana — it is a very wonderful thing; but as the God Himalaya made the people of America aware, that is not sufficient! Mankind have created their own limitations and discord in the outer world. The Great Light of God must be drawn forth to cleanse, purify, and correct that condition on earth! Meditation and going out from the body will never do it in the world! That is why the God Himalaya has become so tremendously fired with enthusiasm, over the Work that is being done in America; because the people
are being taught the Power of contemplation instead of meditation. Contemplation is action of God! Meditation is a static consciousness or stillness, releasing no great power into the physical world where the purification is needed! After long periods of that, by the very natural law of their beings, they call forth such Purity and Perfection into those human forms, that they pour forth a Mighty Radiance. There is no question about that! There is no contemplation about that; but the Western world needs the Power of Contemplation, which is the Power of action brought forth to dissolve and consume the discord!

You are responsible for the discord of the outer world to the degree that you have felt and put forth discord to that which already exists in the world! There is no getting away from that! Every human being to the degree that each has released discord in the world, is responsible for the limitations of mankind today! Now as you understand the Law of Life, you turn all human concepts upside down, as it were. All previous concepts about Life must be cleared. Then you understand that beating your heart, is the Great Power and Presence of Life in Its fulness; and that no impurity nor imperfection can enter into your heart, because that is the Anchorage of the Light of Eternity in your physical form! Without that Light and the Light Pattern in your flesh body, there would be no flesh body in this world. There would be nothing to hold it together!

We come now to the very simple majestic point, that the Light which is within your body, is the Intelligence of Life, the active Presence that is there! Your atomic structure at so-called death is helpless. From the beginning every organ is there; but what the Presence of Life charged into the body, was the Intelligence, the Power and the Activity which was acting thru that human structure. That should be sufficient proof, and there is
not a human being on the face of this earth who can refute it.

All the mighty things that ever came thru your human form, came thru that Stream of Light and Energy from your own God Presence. Every building in New York came thru that Stream of Light and Energy as an idea, as a plan and thru the outer Intelligence there was made a blue print. Then it became the physical building, by the substance which you have here. Then the body that had become helpless was the channel for the Outpouring of all this Great Intelligence and Power of Achievement.

Gentlemen, I tell you if your medical doctors and your scientific world, would believe that We are Real and give attention to their own God Presence — first the "Mighty I AM," then send their call to Us, the whole scientific world would be transformed inside of one year! Then, the correct concepts for mankind would come forth; but in mankind's reaching out just to their individual human concepts, they have but changed one effect for another! They are not gaining the Truth of Life, except in rare intervals, and I cite one for your illustration.

Your Mighty Edison held himself away from the opinions of the outer world, so that he received and brought thru the correct things for the blessing of mankind! That is a magnificent example of powerful, Real inspiration! Only a few will hold themselves free enough from the association of human concepts, to allow Life's Great Perfection to come forth!

Without a doubt you know and realize, that those who do contact Real Inspiration must have quiet and seclusion to do it. Take your great financiers in the world today; not one of them ever reached the point of success, until he received the feeling that he must have his own private sanctuary, where he could go in by him-
self and feel what he wanted to have become a reality in his outer Life. Those individuals did not know that, but they knew thru intuition, that they must have quiet and Freedom from the pressure of the outside world, which their sanctuary or private office became! Let Me tell you another thing, not one of those men would have ever attained great wealth, who did not have Our Assistance!

Why do you suppose I have watched so closely over America for two hundred years? Because I saw that here was the only spot on earth where there was a chance of establishing this Great Perfection on earth, for America has not been drenched by human blood! That is why your opportunity today, gentlemen, is so great! There is not one of you in this room or in America, who has become a Minute Man of Myself, whom I could not raise into all Perfection and successful achievement; if you would direct your attention upon Perfection and hold it there; by first calling earnestly, sincerely and with adoration to your own "Mighty I AM Presence."

Why have these two Messengers reached this Great Freedom and Blessing? Because they have been willing to give willing obedience first to their Presence and then to Me! That is not domination by Myself, but because they know the Power and Perfection to which I have attained; and they know that I do know what I am talking about by actual experience. The Messenger in his association with Me knows that, and all human opinions cannot change it. He knows I am Real, and as tangible as you are! THEREFORE, WHEN THE EXPANSION OF MANKIND'S LIGHT HAS BECOME GREAT ENOUGH, I WILL WALK WITH YOU AND SHAKE YOUR HANDS THE SAME AS HE DOES; AND I AM HOPING THAT WILL BE SOON. (applause and audience standing)

I want you to feel your authority, your power, to
call this Greater Activity of your own Life, to take command of yourself and your world. Don’t waver!

SUPPOSE YOU DO MEET A FEW OBSTRUCTIONS SEEMingly, UNTIL YOU CUT YOURSELF FREE, WHAT OF IT! IT AMOUNTS TO NOTHING AT ALL! THE CONDITIONS THAT HAVE DEPRIVED YOU IN THE PAST HAVE ABSOLUTELY NO POWER TODAY, IN YOUR ACKNOWLEDGMENT OF YOUR GREAT PRESENCE! DO YOU NOT SEE AND FEEL THAT? IT MEANS THAT PHYSICALLY SPEAKING, YOU MUST BE FIRM AND STAUNCH TO THAT PRESENCE OF LIGHT; AND BECOME FEARLESS, WHEN SUDDENLY AN APPEARANCE OF SOME OBSTRUCTION OR DISTRESS APPEARS BEFORE YOU!

You have accumulated long centuries and centuries and hundreds of centuries of it; but that amounts to nothing in your power and call to your Presence, to use the Violet Consuming Flame to cleanse and purify your world! The Divine Director has asked Me to say to you, that to all sincere Minute Men in America who will do special work, that He will give Special Assistance to dissolve and consume every bit of their own human creation; and not only that, but whatever mistakes you have made, where you have allowed diseases to enter into your bodies, He will assist you in using the Violet Consuming Flame with such intensity, that It will cleanse and purify your blood stream! Is there any greater service on the face of this earth that can be offered mankind than that? Not to My knowledge!

Therefore, if you will give the obedience which He asks to your Life, He can do this! Please do not think that We are asking you to do anything, but that which will give you the quickest possible Perfection! We are not trying to deprive you of anything! We are not ask-
ing obedience to Us, but We are asking obedience to your own Life, which We know is absolutely imperative if you want to be Free! It is the Law of your Life always, and remember I say again, no matter what your mistakes have been, you will not have one word of criticism or condemnation from Us! No One of those Great Beings of Light ever has one single feeling of criticism or condemnation of you in your mistakes; neither does your "I AM Presence"! Therefore, be as kindly to each other as We are to you; and as you do that, you will find you have made a condition wherein the Great Presence and Power of Life will cleanse, purify and make you a Glorious Being of Light!

It is wonderful, it is glorious to find after all the centuries of mankind's struggle, that Life will set you Free! Oh, gentlemen, think of it! This is not the only embodiment in which you have gone thru these struggles! You have lived thru hundreds and thousands of them. Now that We give the Opportunity why not take hold; make the necessary application; hold the needed Harmony in your feeling world; and let the Presence and Power of Life cause all less than Perfection to cease forever. I hold your hand, gentlemen, with all My Heart to your Victory and Freedom in the Light, and I thank you!
