CHANERA
ELECTRA’S DISCOURSE

Los Angeles, California - December 18, 1938

BELOVED friends of America! Beloved Students of the Light! In greeting you tonight, for the first time thru the spoken word, may I be able to reach and do for you all My Heart commands Me to do. In your earnestness, and while I have not been present Myself to observe it, yet, I am informed that your devotion has been beyond expression, and as your determination is growing in the desire to bring forth the Perfection of Light, so shall it be done!

I say to you who saw Chandu, the Magician, do you know that in the Far East, all that was portrayed there, was in actual physical action? Even the writer of the script was not aware that he was portraying a Reality. Today in the world of mankind, there is going on a drama of Light and shadow, that will conclude and dissolve all shadows from the earth.

I wish you to realize that in all the Wisdom of the ages, many have experienced and sought that Wisdom, yet today, thru the Love of Saint Germain, you have that Great Wisdom brought to you. So will you accept this tonight, while I am talking to you and let the full Power of Its Action find dominion in your Life, accepting it as a permanently sustained activity?

As with those beloved ones who came to My Home where we discussed something of the Law, they little dreaming of all that would follow, so with you today. How little you dream of all that is before you in the coming months, in the coming few years just ahead; and as you advance, or shall we say more definitely, as your Light advances, everything that has held you bound or limited, will dissolve before It!
You hardly know in the Western World what it really means to be bound and limited. If you were aware of the conditions that exist in some of the Eastern countries, you would think you were free, even though you experience the conditions of the day. So rejoice that you are in your beloved America, free in so many ways that are not possible in the Far East. While there are a few in those countries who experience Complete Freedom, yet the great mass of the people are not privileged as you are today; to have this Great Great Light brought to them, a Gift, the Greatest Gift of Love that mankind can experience; but Europe lost her opportunity!

When your Beloved Saint Germain longed so much to bring to Europe, this which He has brought to you today, Europe rejected it. After repeated attempts He withdrew. You in America, whose Light was expanded sufficiently have had the Joy and Great Blessing of that acceptance which comes alone in and thru the Power of Light.

You hear your beloved Lotus so often call your attention to Light, Light, Light! Oh, it is no wonder! One day, when you realize all that means to you, will you call to Light, Light, Light; and in that call, you will release those Mighty Powers of Light which govern the Universe, into your world of action and bring the Peace, the Happiness, the Limitless Supply of all that is required to govern and find action in your world.

So today the rejoicing is very great. I am privileged, tonight, to stand in your midst and feel the rejoicing that you have been expressing for some two or more years. To think, beloved ones, that today you are past the preliminary stage and you are entering into the Power of definite and Full Action. Do you quite fully realize that? Do you realize in these Mighty Decrees, you have been issuing, you have brought yourselves, have raised
yourselves into the Eternal Permanent Power and Action of Light? That is not an imaginary thing, but a very definite All-powerful action; and as you keep accepting It and calling, It will prove to you in your outer world of action, the Power which It is.

You will one day, ere long, see your call is the Decree of Life for the Perfection desire, made manifest! Now then, will you see and understand what mastery of Substance and energy means! When We call the Currents of Energy into action the manifestation is there. That is by momentum gained in your call to the Presence of Life. So will you remember that every call you make, every Decree that you issue individually or en masse, is bringing you each time a step nearer to the fulness of that momentum gained, in which will come the Instantaneous Answer to your call; the Victory of the Instantaneous Manifestation of that which you require!

It is a magnificent thing, and when We in the Far East have seen a few individuals raise themselves into that state of instantaneous manifestation, then can you wonder why We have longed to see all mankind enter into that state where they find Complete Happiness? In the physical attempts at happiness, and in feeling that thru the physical world alone came happiness, there has always been the disappointment of mankind; but when you enter into True Happiness thru the call of Life, then you have entered the only True Happiness to be found anywhere in the Universe. In that Happiness will come the release, because Happiness is Harmony!

As We see you releasing that Mighty Charged Power of Light and Energy, We know all that means to you in gaining the Power thru momentum for your Complete Freedom. You are not fully aware of this yet, but We can rejoice even before you are aware of all that it means to you.
Being invited to speak to you, tonight, I consider a very great privilege. When those beloved Children came to Me on their way to Freedom, I felt like a mother to them. I longed to keep them in My Home for some time. Remember, We who serve in certain capacities, many times are called upon to serve alone, and such has been My Capacity of serving. Ere long, I shall be released from that particular part of My Service and join with the Great Ones in the service to America and the world. (Applause—audience rising).

Thank you. You are very gracious, and I feel your kindness and Love enfolding Me. May you feel My Great Enfolding Love in return, and form Its Mantle of Light about you and join to that the Force of Invincible Protection for you everywhere you move. May I be some part in strengthening your call, strengthening your determination to have the Perfection of Life flow into your world of action, like a Mighty River, until not one thing that is a Blessing and the Perfection of Life will be withheld. Thank you so much.

May I remind you, that I have known Saint Germain for a long time! I knew Him in Europe before His Ascension and I know the Great Jewel of Light, that has come to the rescue of America. (Applause—audience rising.) I do not wonder that you rejoice and give such gratitude and Love to him; for the Light in you knows all that He is, and all that He means to you and America. I say to you, you are fortunate, the most fortunate people of America, in having such a Friend. (Applause.) Won’t you be seated.

I am One who in that respect has been very greatly privileged, having seen His Activity for a long period of time. I cannot lose the opportunity of calling your attention to all that He means to you. We cannot take the time tonight, to relate some of the things I would
so gladly give you, but I remind you that you know only a fragment of His Almighty Service to mankind, even before the experiences of the Messengers began.

I have seen His Activity throughout Europe and the Orient in the Almighty Service, which He has rendered; and some day, when our time is not so limited, I may hold you for some three hours in relating much, He himself would not give. (Applause.)

Coming to the present, you have been aware of His absence so much from the Class work. I too long to tell you something of what He has accomplished in Europe, as well as this Transcendent Accomplishment in America. Perhaps I may be optimistic, but beloved ones, I Myself feel no uncertainty in the Victory of Light in America. (Applause.)

Now then, may I endeavor to assist you in realizing what a service you are rendering, not only to your Life, but your Beloved Saint Germain who has undertaken this stupendous thing. Do you realize, beloved ones tonight, what it has meant in the achievement of the past six months in all that has been done, releasing you from a pressure which you cannot possibly imagine! Unless you saw It from Our Standpoint of Life, from Our Unlimited Vision, you could not possibly realize what he has caused you to be released from already.

The matter of mankind's accumulated discordant energy, is small in comparison to the consciously directed destructive forces, that America has been released from. (Applause.) Many of you who are fond of swimming, remember when you have been under water for some time, then you come up and draw a long breath; that is the position that mankind have arrived at now. You have come up from under the pressure of consciously directed destructive forces. Steadily and surely will that dissolve and disappear.
We remind you to take notice of this, because it will be quite tangible to you. As you feel less and less the pressure you will feel the greater intensity of happiness and Freedom, not only in action, but from mental pressure.

I was in America just about eighteen months ago. I tell you frankly, I was so amazed in coming into America today. In all that We had known over there is one thing, but to have come into the environment yourself, is quite a different thing. When I became aware of all that had been achieved, I stood quiet offering praise and thanks to the Presence of all Life and the Source which you know as the Great Central Sun, for releasing those Mighty Cosmic Rays into America. Oh, that you might feel the importance of that! As you see a wave as it moves upon the ocean, it does not seem so important, does it? So in the lack of mankind’s extended vision, have they been so far unable to see, except in a few instances, these Cosmic Waves of Light and Power, as they are released and move thru the earth. This has been one of the Most Beneficient Actions of Life that is releasing.

I say to the beloved Staff tonight, in some recent Dictations mention was made as to the time required for some of these vast achievements; for instance, the dissolving of the substance within the atmosphere of earth. If We were to do this individually, or even collectively, it might require a certain sense of time as you know it; but when you consider the Power and the Release of the Great Cosmic Light from the Source of all Light and Energy to this earth, do you think It would be limited? Do you think It would require time as you know it? Oh, beloved ones, enter in for a few moments with Me in the feeling of the Stupendous Activity which that is.
Please see your part in this, in the Mighty Decrees that you have released into the mental and feeling world, cleansing and purifying it; because your call remember, sets into action the Power of your Presence, which is the Power of Light, Energy and Wisdom. Then, as that is called forth from the Source of Almighty Light and Energy to your earth, that Assistance becomes those Great Waves of Cosmic Light as It sweeps thru the atmosphere of your earth and over the surface of your earth. Remember, beloved ones, that in the Action of the Source of all Intelligence, Light and Energy to this earth, when the consciousness of mankind has been raised to a certain point, more and more instantaneous becomes the Action of Light.

In the release of this Great Energy from the Great Source of Light to the earth, that is the Commanding Presence of Life! May I just touch tonight, and remind you again of the Great Command? Oh, one day, when you know that Great Command, how magnificent! Then, will you know the end from the beginning! Then, from the conception of a desire of Perfection, you will know its completeness! Then will you know that in the appearance of the problem before you, is the answer.

Does that sound just a little bit strange? It is so true. Not one thing can appear to you in your world of action, in which there is not the solution with it, but mankind have not seen that part of it. They have only seen the appearance which sometimes deprived them of the solution and made them unable to cope with the appearance, because they accepted the appearance as real. Since you have come to know that the appearance is not the action of Life, but of only human qualities, then you can say to that appearance: “You have no power,” and follow it by the Power of your feeling. Then you stop the action of the appearance world and the Power of Life flows forth to change all.
You are now in a position today to release yourselves with such power, such speed of action that in the next few months, there will be thousands and thousands of the students who will enter into that clear definite conviction of their power to have instantaneous answers to their calls, the same as the Messengers do, and what rejoicing it will bring. Then, it will bring more and more into that same condition.

Now, as a matter of illustration, I ask you to please observe, if there were ten people in this room, who had the full conviction of the instantaneous answer to their call and would issue that Decree in your midst, then all of you who were within the Radiance, for instance of this room, would be raised momentarily into that same conviction. Whether you outwardly were conscious of it or not, would not matter; but you would be raised into that condition because of the vibratory action of the room; because that is the Power of Light over human limitations. That is why I say this for encouragement in the Mighty Decrees which you issue; that you should have in that group of people a greater conviction of the instantaneous answer to your call, which will give unlimited assistance to the others to gain it also.

That is why I say to you, you do not yet realize what has been done in those magnificent hours of Decrees which you have been issuing during the past months, and I say especially during the past eight months. There are so many who are gaining rapidly a fuller, more powerful conviction, that their calls cannot fail to be answered; and that will bring the absolute certainty of the answers.

I have noticed, tonight, in your response here how powerful your feeling is following your attention. Oh, it means so much, beloved ones; because WHEN THE FEELING FULLY FOLLOWS THE ATTENTION, THE ACTION IS INSTANTANEOUS. That is why
the Great Ones in calling your attention to this more recently, have asked you to compel your feelings to follow your attention; and it will bring more quickly the limitless conviction within you of the instantaneous answer to your call. That is what you are entering into and what is needed now, in bringing the Light to govern the wave of fear and depression that has passed over your America, to try to bring domination over your financial requirements.

Do not yield to this, beloved students! That is a consciously projected activity! There is no reality back of it. Perhaps it might be just a little out of order for Me to say this to you in America, but anyhow I shall take the chance. Do you know that in your America, there are a great many people who are not of the Light and who have learned something of mental power; fortunately they do not know much about the feeling power; but the politicians of your America, have sought out certain forces in order to wield mental power, to govern and gain their political ends. Well, if observation serves Me correctly, as it usually does, that power, that force is helpless! (Applause—audience rising.)

You in your great Groups here who have seen the fulfillment of your Decrees, with the exception of one, have courage for that is soon to be fulfilled. I wish to say something now, while you are standing on your feet. Beloved ones, try to feel with Me all that these words mean. You who are here, tonight, are a power inconceivable in this Understanding of your "I AM Presence." In your coming to understand, that when you issue Decrees for a certain activity in this Mighty Body of Light, YOU ARE A BODY OF LIGHT!

As you issue these Decrees, you become the Mighty Pillar of Light which is Invincible! Please understand that and feel It! You yourselves will see, the full power
and ability you have to send forth a Mighty Wave of Energy and substance thru your Decrees, that will cleanse, purify and govern conditions in your city, in your state, in your country. (Applause.)

As I am informed, sometime ago you were reminded, that when you send forth your Decrees, it is the Power of Light and Energy going forth which knows no resistance; then when something in your nation needs to be remedied, remember in your Decrees for that specific purpose, it is the Power of Light and Energy, charged, qualified substance which goes forth. Remember, there is no resistance to a thing that you do not know.

That has been the unfortunate condition of mankind. Because they did not know these things existed, they made no resistance to them. Therefore, they were accepting these things constantly into their world. Now, let us reverse that tonight. Let us see Our Power is the Power of Light, to send forth into the mental and feeling world, this Mighty Directing Intelligence and energy; to act within the feeling world of your government, in your politicians and change their desire into a constructive purpose, instead of one of selfishness. (Applause.)

Remember, that in these Mighty Charges of Light going forth into the mental and feeling world of mankind, there is no resistance; because It is the call to Life. The Life of whoever that current touches wants Perfection! Therefore, all give response thru the Power of the Light within their hearts. See then, how definite is your action in the call to Life, to feel and have instantaneous response.

I wish you to see this tonight as firmly as possible, for then you will not fear what politicians or what the conditions are in your government, or what those in your city might do; but in the call for Divine Order and
Divine Justice going forth into the mental and feeling world of mankind, charging, charging, charging One Mighty Impulse after another; then will you see the Dominion of the Light; because that Light knows no resistance thru any human being or all put together.

That is why, tonight, in the Full Power of that Mighty Conviction which is charged into your world, realize your call to Light, is the Infinite Power and Glory of that Light, sweeping thru the atmosphere of your earth and into the feeling world of mankind, blessing them as nothing in the world can do; and ofttimes bringing the Light and charging the desire world of the individual, with that constructive purpose, which had a few moments before, been charged with the most destructive activity.

Therefore, you are rendering a service to Life, to America, to mankind and to yourselves that is inconceivable to the one yet unascended. Therefore, let Us help you in Our Humble Explanation, to more fully realize your Power in your call to Light. In the great body of students thruout America, in their call to Light, all comes into One Great Focus, thru the mental and feeling world, of the Power of the Energy released which will bring Its Dominion.

Doubt not, beloved ones, that Dominion of the Light is bound to come in your continuous call; for daily and hourly are you gaining that Momentum and Power which is little realized yet in your physical activity, but in the mental and feeling world, you are becoming a Power.

Beloved ones, please understand Me, when I say that hundreds, thousands are going out while the body sleeps at night and rendering a service, which you could not imagine in your physical world. Oh beloved ones, be encouraged! be dauntless! before this human sense of limitation and stand the Victory of the Light!

I thank you so much. (Applause.)
ELOVED ones, in regard to the Unfed Flame, it is really so important that you have a clear understanding of It. In all your application, if you are not quite clear on any point, may I urge you to call for Ascended Master Illumination concerning it, and go ahead with the definite prompting which you have. Don’t let your consciousness waver, when you start to give an affirmation or Decree, but go on and do it, calling for Light and you will find out the correct thing later.

In the description of the Unfed Flame in Unveiled Mysteries, in the Chamber of Light in the Royal Teton, you will find It described with three Plunes, which is the Life-giving Essence. The use of the Unfed Flame was also given in the buried City of the Amazon, as described in Unveiled Mysteries; also in Atlantis before the sinking of the last remnant; also in previous civilizations of about two hundred thousand years ago. At that time the Flame which was used, was the shape such as you use now, for instance in the candle flame, only considerably larger. That is the shape of the Flame you should usually use in representing the Unfed Flame.

If you choose to establish the Unfed Flame in your home in a place which is not disturbed, then use the Activity of the Three Plumes. For a specific activity for yourself, your family or affairs, if you wish to call the Unfed Flame into use, It should be the shape of an ordinary flame from a candle, only larger.
When I want to use or establish the Life-giving Activity of the Unfed Flame, for instance in a home or for our own rooms during our stay in a city of four or five weeks, then I establish the Flame as a Permanent Life-giving Activity! but for use of the Dynamic Action of the Unfed Flame, use the Flame as you see It from the candle. That is why I am explaining It to you for your use.

There really is a two-fold activity of It. This is another point I want to make clear. If you use the Three Plume Activity of the Unfed Flame, wherever you establish It, ask the “Mighty I AM Presence” to sustain It. You need give no further attention to It, because It will come forth and pour out Its Radiance; but in the Use of the Unfed Flame, such as goes forth from the candle for any constructive use, such as to direct It into your mind, body or activity, you will find you can speak to that Flame like you would to a person and ask It to perform a service.

I urge you, whatever you do, don’t call the Unfed Flame into action unless your feeling is absolutely harmonious! Don’t do it! IT IS THE MOST POWERFUL CONCENTRATED ACTION OF THE GODHEAD ON EARTH. Dear hearts, do you realize your privilege? The Ascended Ones have given this forth to you for your use. This was never known before in the history of the outside world under any circumstances!

You see, dear ones, there is nothing to fear about Its use. Just know you must keep your feelings harmonized immediately before and after calling It into action, then you have obeyed the Law. You know the Law and know the necessity of controlling yourselves. You can if you want to dear hearts. Don’t let any human being ever tell you that you cannot do anything you want to do!
Precious ones, you have now entered into the Activity of the Light, which is your Freedom; and this is the Highest Activity that Saint Germain has permitted to come forth. It is for your Absolute Blessing, use and All-powerful Action; and yet, I know sometimes in the feelings of unbelievers and doubters, they think that this is an imaginary thing. God help them! The Most Wonderful Thing in the world ever given to mankind, is the use of that Unfed Flame.

Many of you will come to know the Truth of which I am speaking tonight; as you come to visualize It and begin to see It almost as definitely as a physical activity. When you find that Flame will obey your slightest command, then you will know It is no idle thing!

As the Great Ascended Masters pass a flower or tree, that flower or tree will bend toward Them because of the recognition of its Master. So does every created thing bow before that Mighty Unfed Flame. The sinister force is as afraid of It as they are of death. That is why, if mankind or individuals who are disturbed by discarnate entities, would only understand this and give one firm command of the Power of the Three times Three or the Power of the Unfed Flame, they would instantly free themselves from any discarnates in the world or all of them.

You blessed ones who have joyously and willingly entered into the requirements of This Activity, Saint Germain wants you to have the Full Use of these things and the Full Understanding of Them!

Beloved Students:

Because of the outer world commercial conditions today, we are using a different grade of paper, from that which we formerly used in the "Voice of the 'I AM'". We ask that you bear with us, until conditions are such, that we can use the same kind we did formerly.

It has also become necessary for us to increase the prices on various items. We ask that you consult the list under the heading of SAINT GERMAIN SERIES, in the back of this Magazine before you order, as this list has been brought up to date and gives the correct prices.

We also call your attention to the "Publisher's Notice" in this Issue, wherein we make the announcement, that the yearly Subscriptions to the "Voice of the 'I AM'" will begin with January of each year, instead of March, and that allowance will be made for the two unexpired months of the 1942 subscriptions.

* * * *

We again call your attention to the matter of not using the U. S. Mails at this time, or sending P.O.M.O.'s to either me individually, the Saint Germain Press, Inc. or Saint Germain Foundation. You can send checks, drafts or Express Money Orders made payable to either of the above, so long as you do not send them to us direct thru the mail.

MRS. G. W. BALLARD
ARCHANGEL MICHAEL

It is our great privilege and joy to announce the release of a new song—"ARCHANGEL MICHAEL" by the Messenger, Lotus Ray King.

This new song is a tribute of Love and Adoration to the Mighty Cosmic Being, the Archangel Michael, who forever stands guard over all who serve the Light and call for His Protection. He has for centuries given His Protection and Blessing to mankind of which they know nothing. His Sword of Blue Flame is a very Real and Mighty Focus of God-Power by which He cuts away destructive creations of individuals and conditions that cause so much destruction and suffering to mankind.

This song has been brought forth as a Mighty Magnet of the Archangel Michael's Tremendous Cosmic Power of Light, Protection and Blessing to all who will sing it with Love, devotion, gratitude and blessing to Him. It is a Focus of the acceptance of His Coming into the outer world in His Visible, Tangible, Ascended Master Body to give help to mankind.

Every time this song is sung, heard, played or the picture contemplated, each individual's energy thru his or her attention to this Great Cosmic Being becomes a Magnet of attraction which draws Him into close personal association with those who accept His Tangible Presence and Reality.

Use! Use! Use! this song and give the Archangel Michael the call which will enable His Mighty Help to get thru to bless and set you free. The music is a definite means of attuning one's feelings into His Heart and receiving the help He so lovingly offers.

The picture of Archangel Michael on the cover of this song is the work of our beloved May DaCamara, whom we love, thank and bless without limit forever.
