—CHANERA
SAINT GERMAIN’S DISCOURSE

DENVER BREAKFAST — JUNE 17, 1938

BELOVED students of Denver and elsewhere, you have been having a good time, so have We. You don’t yet see Us, but We are very tangible in your midst; and once you understand how much We enjoy your happiness, then you will see how important it is, to make every effort in your call to your Presence, to maintain that joyous, happy Harmony within you, which allows the Power to flow forth, giving you and bringing into your world of action, that which every heart has called for throughout the centuries.

Think of it, beloved students, today you have entered into the Gateway of Eternal Freedom, in the acknowledgment of your Presence; and you do understand how your application is the Dominion over everything that is in the outer world; but more than just that, it is the dominion over your own human creations.

Beloved ones, when you realize that you, as individuals, have accumulated thru the centuries, that which has weighted you down, then you consider that you are moving in a great group of people, among each other, you know that there is but the one feeling world of which you are an individualized part. You see then how to some degree, all the earth, all your associations and all your environment affect you to some degree; until you have come to know this Great Presence which the Chart represents to you. Then you see how you can insulate yourself and world from your fellowman and not have imposed upon you, some of the discord that may not belong to you.

I am sure you do not realize how important this is! The Messenger pleads and pleads with the students constantly to remember the importance of calling the Presence, to hold that Tube of Light about you and use the
Violet Consuming Flame. Dear people, you do not yet comprehend how you could free yourselves in a few weeks at most, if you earnestly and with great firm determination, great calmness within you, called the Presence with firmness to set the Violet Consuming Flame into action right now; to charge It thru your body like a blow-torch, and with tremendous speed and Power of action? You could free yourselves within no time from every discordant creation drawn about you! Then, call the Presence to establish and hold that Tube of Light Invincible about you!

It is important, very important, beloved ones. You do not realize how the accumulation of mankind, which We call the sinister force, is having its last chance at them. Naturally, it is like a wild animal striking in every direction, trying to hold its claws upon mankind; but surely and steadily, it is being compelled to let go!

Remember, while tremendous work has been done, there is still more to be done. All the black magicians have not yet been taken out of the earth’s atmosphere. (The Ascended Masters finished taking out all the rest of the black magicians at the close of 1938.) This is a point I want to make clear to you this morning: if there be destructive accumulation in the world of the individual, due to long past creations, the black magicians today, will seize upon that and bring it forth; to try to compel it to take command of you! That is why sometimes, if students become irritated, suddenly there will rush forth upon them that uncontrollable action, that uncontrollable feeling which will become tragic, if allowed to continue.

Therefore, I prompt you today, beloved ones, since your Light here in Denver is expanding so tremendously and as you are blessed by your altitude, I urge every student and Group Leader of Denver to stand guard with all the firmness at your command, so no irritation comes into your feeling world; thus, allowing your Light to
expand and I tell you from Our Standpoint, as We see the response here in Denver, it is remarkable even to Us!

I say to you here, have you noticed that it has been tremendously greater in the past six months? Have you noticed that the step-up has been tremendously greater, especially within the last six months? That is evident from Our Octave of Light! Therefore, I want you to know how great can be the Expansion, if you will follow these simple suggestions to stand guard over your feelings, each one; because remember, the accumulation of mankind does not lose one single opportunity, any slightest pretense to irritate or disturb you! Now, you must stand guard firmer!

Oh, don’t pay any attention to these things that suddenly appear before you; or some slight gossip you might hear! Oh, dear ones, it is just those things which start and try to get you disturbed and get your attention off the Light and the Presence! It wants to get you with your neck under its heel. Don’t yield to it!

I assure you that before another year has passed, your Light will blaze here so tremendously; for remember, a cycle has been fulfilled in the Messenger’s return to this class, and now you enter into another cycle of great achievement! I am speaking particularly now of Denver. Here was where the larger portion of the Magic Presence was recorded! Therefore, I want you to know how important that is to you!

Tomorrow and the next day, you will be held in the Radiance of the Light from the Cave of Symbols and from Chananda’s Cave of Light in India, which the Divine Director will draw here! It will envelop this room, and while it is a slightly lesser degree, yet will you have the same privilege as Bob, Rex, Nada and Pearl and the Messenger had there!

This might not seem quite Real to you, but from Our Standpoint it is so very Real! You do not quite compre-
hend that in the Great Power of the Ascended Masters, there is no limit to what They can do, and to Them space does not exist! Therefore, in all the Great Divine Director wishes to do for you, He does; and there is no power in all creation that dares oppose! When the Divine Director speaks and acts, everything in the world is silent! Therefore, ONE DAY WHEN HE STANDS FORTH IN THE TANGIBLE BODY, THE EARTH — THE WHOLE EARTH, WILL BE SILENT BEFORE HIM!

Remember the Great Governing Powers of the earth, the Great Governing Intelligence is to mankind yet invisible, but none the less tangible, and I want you, if you will, to feel that! Will you not please contemplate It occasionally—that while all the Power of the Universe, which is the regular Governing Power, is to mankind invisible, yet It has a tangible manifestation to you and to all mankind!

Therefore, do not feel that a thing because it is invisible to your physical sight, is intangible or unreal; because the very Energy that beats your heart and moves your body, you don’t see. Yet you are using It; It is manifesting action thru your physical body, yet It is all invisible. That is why mankind has been so prone to believe, that unless a thing was visible and tangible to their physical touch, there was not much to it; but I tell you, that is the great mistake of mankind, because all the Powers of achievement are invisible! The Currents of Energy flow from your Presence and out into your world, by the Power of Radiation, which harmonizes all.

Look at the thousands of students who have found themselves in discord, their business in discord and as soon as they poured out Divine Love and Blessing upon the office, upon their assistants, the whole thing was transformed and harmonized. THAT IS THE POWER OF RADIATION! Now for instance—I think it is not wise to do it today, but SOME DAY, I WILL SHOW YOU
WHAT THE POWER OF MY VOICE WOULD DO IN CHARGING A ROOM LIKE THIS! I COULD CHARGE THIS ROOM, UNTIL EVERY HUMAN BEING IN THE ROOM WOULD TREMBLE LIKE AN ASPEN LEAF! THAT WOULD NOT BE HARMFUL, BUT IT IS THE POWER OF THE VIBRATORY ACTION GOING FORTH THRU THE SPOKEN WORD.

I COULD STRIKE THIS TABLE WITH MY HAND AND THE POWER OF RADIATION GOING FORTH, WOULD DO THE SAME THING. Now, dear ones, this is a perfectly Natural Action of Life. When you are calling forth the Powers of your Presence, never close your hands like that! (closed tight) Leave your hands open, and let the Currents of Energy flow forth! For instance, suppose you wish to charge your office and you want to charge forth a current of energy. Raise your hands, bring them forth and let the Currents of Energy flow out!

If you want to charge your body, close the Tube of Light underneath your feet, then call forth that charge, if the body is needing sudden added strength; but never do that, when you are calling forth the Power of the Presence except to recharge your body quickly. Leave the Tube of Light open, because if you begin to call this Power forth the charge will become so great, that your body will become disturbed by the over-charge of energy. There are many students, today, who, not knowing, have done this, and they get an over-charge and it makes them sort of nervous; but they do not understand what is acting; so be conscious that the Tube of Light is open as you charge.

If you have been ill, then as you are calling forth the charge, close the Tube of Light. That holds the charge within your own feeling world, then you will quickly replenish the strength and energy you require.

Property of Saint Germain Press, Inc.
Suppose you become exhausted thru physical activity and you have not remembered to keep yourself charged, then call the energy forth! I say to you ladies, who have the appearance of years over your head, you are not subject to tire or exhaustion, if you will do this! You can keep your bodies charged with all the energy you want to use and YOU NEED NOT FEEL EXHAUSTED!

I want you to feel this, because there has been an attempt and was in New York, by the sinister force to throw over mankind and over the students, the feeling of being exhausted, after they were in the class. Don't yield to that silly thing! That does not belong to you and is but the power of suggestion! Oh no, not from the invisible, but right out here in your physical world, from forces that try to oppose This Light! So don't be subjected to it!

You are the authority in your world! Hold your dominion in your Presence and call forth the energy you require. Do not yield to anything else, and you will find you can charge yourself with all the energy you require! If you would do it—I mean as a general activity, every morning when you get on your feet after awakening, raise your hands to the Presence, and charge your body with the limitless energy you require for the day. Call the Higher Mental Body to sustain that energy in whatever you need for the activity of the day; and you will never be tired in the world.

I want you to begin using this! When you have the Presence of all energy beating your heart, why go on being limited by the energy required for use? You do not have to do that any more! Try it! There is not one of you in this room, who cannot do it.

Ladies and gentlemen, if you prefer your natural color of hair, you can have it. You do not have to have grey hair unless you want it! All of you have known how a sudden shock to the physical structure will make your hair white over night! Then, if a condition of that kind
can act thru you, the Presence of All Life can reverse that
to your Presence—nor one thing, beloved
despite the work of human creation which
can say No to your Presence; That Presence is the Authority of the Universe,
as well as your world; and when you give It the chance,
the Authority to act in your world, It will do it! It will
establish Eternal Youth and Beauty in your form! Don’t
yield to anything else!

My dear people, long before My Ascension I did these
things! Of course, all Europe knew of My Work; and
there were vicious forces then the same as today, who said
I was a charlethan; because I had called forth the Energy
to produce in My Hand the Elixir of Life. And what is
It? What is that which has been so prattled about all
over the world? IT IS JUST THE SUBSTANCE OF
YOUR OWN LIFE CALLED FORTH INTO VISI-
BILITY!

I am just waiting the time, when I may show you some
of these things as I did the Messenger. Our precious Lotus
called your attention, to accepting this as a precipitated
banquet! Wouldn’t you enjoy meeting with Me and
having from My Culinary Department, your breakfast or
your dinner? (Applause) My Culinary Department is
always up here, and it is all prepared. All I have to do
is lower it down into your visibility. Oh, it is natural, so
natural, dear hearts; and isn’t it strange that mankind has
so forgotten their “I AM Presence,” that they think they
just have to scratch around out here to get enough to eat.
when right up here in the Octave of Light, is the abundance
of every good thing your heart desires.

Don’t you see precious ones, that here in the Octave
above you, is the Essence, the Substance of all that ever
takes form out here in the growth of Nature; in your veg-
tables, fruits and all that kind of thing? That Essence is
up here! We just gather It into the form We want and

Property of Saint Germain Press, Inc.
lower It into your visibility. It is the most natural prac-
tical thing in the world!

You are about the number here for whom I precipi-
tated the banquet in India—service and all! I presume
each one of you, would want to take the service belonging
to you, home; and I should be very happy to have you do
so! Remember Nada has Her service which I precipitated
for Her. Pearl has Hers! Oh yes, it is still there, visible!

Oh, dear ones, I am so grateful that you are coming
more, and more, and more into the True Feeling of this
Great Reality! Oh, it means everything in the world to
you! After mankind has struggled so many Life times in
these limiting conditions, it is wonderful today, to find that
you are steadily and surely rising out of all that, into the
True Reality of Life! Then, you know that the appear-
ance world is not the Reality! It is just a temporary
appearance, and you naturally see all that you draw about
you as visible substance, dissolves and disappears!

Even great cities built of stone and substance which
has been drawn together, as soon as humanity withdraws
from them disintegrate. Now, notice this carefully!
What is it that holds all substance together? Life, the
very Life which is acting thru you, beloved ones, is that
Cohesive Power which holds all substance together! You,
today, in the understanding of this Great Presence, can
call Its Infinite Perfecting Activity into your body, going
forth into your world, harmonizing and making quickly
successful, that upon which your attention is held firmly!

There is no such thing as failure to anyone who ac-
knowledges and calls forth the Power of the Presence; be-
because all earth knows, all human creation knows, that it
has to bow to that Light! The curious thing of it is, that
not one thing, not even a black magician ever offers the
slightest resistance to the Light, because he knows he can-
ot do it. That is why, while I am talking to you, today,
I am trying to charge into your feeling world the convic-
tion of this; because when you once get the feeling of this fixed, nothing of obstruction in your world can stand before you, there cannot be; because then you are conscious every moment, that It is the Power of Light going forth from you, with Invincible Protection, with the Harmonizing Presence, It makes the direct condition for whatever is needful in your Life to be accomplished! Therefore, try to be reminded constantly of that.

In the morning, charge forth this Power of Light into your body and to go before you! It is Self-luminous Intelligent Substance that no discordant thing of the outer world, even tries to effect! You see many of the students are still feeling some sense of struggle! Don't do it, dear hearts! If you feel it, you make that activity of struggle in your Life. The Light you call forth does not struggle, there is no battle! It just goes forth and dissolves what you do not want; and replaces it by Its Victory and Self-luminous Intelligent Substance, which is just as Real as you are! It might be invisible to you, but still It is perfectly tangible! Therefore, today, try to feel that and keep yourselves reminded of these things, dear hearts. The outer so quickly forgets.

Now, begin today, won't you, to charge yourselves to hold this Great Charge of Energy, which is drawn in this class, sustained about you individually, in Its Ever-expanding Activity! Don't let go of It! If you do, the fault is yours! You can have It sustained in Its Ever-expanding Activity! Please do so! Thus, you will go on, and on, and on in the Expansion of that Light; and the things that once deprived you in the world of human action, will have disappeared completely; because, when that Light touches them, they have to dissolve and disappear!

This has been so wonderful here and I thank you every one for your great Love which has made it so happy and so harmonious for the Messengers! You could never know what it has meant for these two, to go forth in the world
of mankind; because you have all observed, the human un­
governed is more vicious than the animal in the jungle!
Everyone of you knows that; and only as mankind’s atten­
tion is drawn to the Great God Presence, the “Mighty
I AM,” does that thing dissolve in the world of mankind;
and then, instead of discord and viciousness which are
human qualities, there will come the Glory of the Light,
which is Peace and Rest and Perfect All-powerful Achieve­
ment, wherever the individual moves; because then, that
Light becomes the Governing Intelligence, Presence and
Power!

Don’t you see, beloved ones, you don’t have to strug­
gle any longer? As you call forth this Great Power of
Light from your Presence, the Light and Its Intelligence,
is the Governing Power! All you have to do, is to keep
the human qualities still, inactive that they no longer qual­
ify this Great Pure energy which comes forth at your call;
to heal your body, to harmonize your world of action,
which means success in your slightest effort!

We have proven to the world, thru the Messengers,
that all outer phases of mankind’s activity have been a
distortion of the Real. Take it thru all your business activ­
ities today, mankind’s high pressure advertising has grown
to gigantic proportion! That is a certain power of sug­
gestion; and you will see it has almost vanished now, but
less than fifteen years ago, the whole business world trained
and charged their salesmen with hypnotic influence upon
their customers; and they see almost their complete failure
by it!

Mankind may be influenced once, but when the indi­
vidual goes home and finds he has bought something he
does not want, he is going to rise up in rebellion, and that
is just what happened! Today, mankind is rising in re­
bellion against their own human creation, which has held
them bound and led them around by the nose in limitations
for centuries! It shall not hold its dominion upon mankind

Property of Saint Germain Press, Inc.
any longer, by the Power of that Cosmic Light which the
Great Goddess of Liberty has called forth to bless the earth;
then with mankind’s slightest effort, there shall come ten
times more than their own effort to bring their Release
and Freedom!

Beloved mankind, it is not quite possible yet, for you
to comprehend the Fulness of all this means to you, in the
assistance of the Cosmic Light which the Great Goddess
of Liberty has called forth from the Great Central Sun,
to bless you and amplify your every slightest effort! At
the beginning of the Shrine Class, It will have amplified
your slightest effort ten fold and when the closing day of
that strikes, It will amplify your slightest effort twenty
fold! Then, I say this, to give you some slight compre­
hension of what the assistance is, which you are receiving,
when your interest is sincere, honest and determined in
your Presence!

Don’t ever make any pretense, dear ones, to the Pres­
ence of Life! It knows the Reality! Your Higher Mental
Body is the Guardian, and I want you to feel two things!
The time is short and I must not continue, but dear ones,
remember when once you understand this, you put those
bodies to sleep at night; and then charge your Higher
Mental Body to take command and produce Perfection in
your body; to charge those Mighty Currents thru, cleans­
ing and purifying it while it sleeps, because then the
atomic structure has no resistance!

We have not thought it wise, to bring this point for­
ward too vividly until now; but I want you to know how
you can have assistance, in addition to the application of
the day. If you will, on retiring at night, you can charge
your Higher Mental Body to take command and silence
every human thing there; and charge that body with Per­
fected Health, Beauty and Perfection! Then see the dif­
fERENCE in your appearance, when you awaken in the
morning!
Oh, I tell you, dear hearts, you are not subject to be held in these mistakes because you have made them! Don’t accept that—don’t believe it any longer! You can make these bodies what you choose to make them! I have proved it!

A lady once came to Me in Europe, who was seventy-six years old, and she said: “Saint Germain, I have understood that you can renew and cause Perfect Eternal Youth to be in a body like mine.” I said: “Yes, I can do it.” She said: “Won’t you try it on me”? I said: “Do you know what you are asking”? “Well,” she said, “perhaps not fully, but I just want to have this body restored to Perfect Youth.” I talked with her and explained to her! I said: “What do you think the world will say? Do you know what that means to you”? “Well,” she said, “I am willing to take whatever it is.” I said: “Then you insist”? “Yes,” she said, “I do.” I said: “Very well, come with Me.”

In twenty days she returned to the outer world, a girl of sixteen summers, and what happened? Her relatives hated her! She was ostracized. Those who believed that she was the same person hated her; and others who had known her, their unbelief knew no bounds; and that blessed one was compelled to go to another part of the world, to have Peace and go on; because ONCE THAT ETERNAL YOUTH HAD BEEN RESTORED, SHE COULD NOT CHANGE IT!

That is why, beloved ones, mankind does not understand the feelings that will suddenly rush forth! Therefore, those experiences taught Me a great deal of Wisdom! I have learned not to yield to the desire of mankind always!

Now, today, the Great Activity, the Great Spectacle of Life, is in action which will produce, raise and restore mankind to that Perfection which I was able to produce, and still am, in a few days; but there is the need, today, of
a Greater Action, rather than some miracle, in which the mass of mankind after a few days, would not believe, nor would they understand!

I thank you for this opportunity to talk to you and pour forth into your feeling world, these Blessings which We have prepared! I thank you, Denver, precious, precious people; precious students from everywhere! I love you, I thank you, I bless you, with My Deepest Gratitude! All the Ascended Host of Light pour forth Their Love, Blessing and Strength to you, to go on, and on, calling, winning each day more closely, the Victory of your Light over all your accumulations and creations and that of all mankind!

Remember, you can stand and move in the world untouched by it, thru your Tube of Light; and you can have dissolved quickly all discordant accumulated creations of the past! Please do it and have your Glorious Freedom now!

May the Eternal Blessings of the Light flood you and your world quickly, produce Perfection and your entire Freedom quickly!

I thank you!

Beloved Precious "I AM" Students, in all "I AM" Study Groups and musical activities, please use only the Music of the Spheres; or music to which there are words in our loose-leaf songs (except Nos. 34, 49, 52).

Please do not use outer world music of any kind in your musical activities at any time, as Saint Germain and the Other Ascended Masters are giving the Music of the Spheres which They request us to use; because of Its Special Radiation for the release of the Ascended Masters' Consciousness contained within it.

We are building a permanent musical activity to release Ascended Master Healings, Ascended Master Blessings, Ascended Master Protection and Ascended Master Perfection and these can only come thru melodies which are charged with Ascended Master Feeling, and Ascended Master Words, which are Cups that carry Their Ascended Master Light-Substance into the minds and bodies of those who hear this Music of the Spheres.

We wish all our "I AM" Musical Activities to be kept uniform all over the world, so the Greatest Light and Help from the Ascended Masters' Octave can go forth everywhere, to bless all mankind until all are raised into the Ascension forever.

GEMS OF LIGHT

SAINT GERMAIN

You must not ever forget that you must make your maximum effort in the outer at self control, then when you call the Presence into action, you will find it easy to obtain the result; but the call to the Presence without one's outer human effort to respond to that call is only half done.

SAINT GERMAIN

In all your accumulation of the past, in all that you have been, yet I offer you your Freedom. Why can people not believe it! Why can they not understand that An Ascended Being can utter no falsehood, can utter no false promise! When I have said to the student body, I will meet you at the end of this pilgrimage and assure you of your Ascension under the New Dispensation, why can they not believe it! Why can they not give the little obedience that is required the few short remaining years — and who shall say how short?

SAINT GERMAIN

Why can mankind not believe Me, when I tell them that after hundreds of thousands of embodiments in limitation and discord, I offer them their release forever? It is wholly different than anything that has ever been on this earth; and under these Dispensations, a thousand things can be done that could not be done without them. What matter if some of the shell of discord remain behind! You should worry what someone thinks about it. Since you will be in the Garments of Light of Eternal Freedom, do you think you would worry about human opinions any longer?
ANNOUNCEMENT

It is our privilege and great pleasure to announce the release of the third SONG FOLDER containing three songs, both music and lyrics, as follows:

7. Helios, The Dawn
8. Lord—The Maha Chohan
9. Thou Seven Mighty Elohim

Price of this Song Folder $3.00, shipping charges 40c. The Loose-leaf lyric sheets may also be purchased for Group and individual use. Price 1½c per sheet (2 pages) plus shipping charges.

SAINT GERMAIN

Remember what I have said so many times, at the least intimation of any discord within your feeling world, it is a signal to stop everything right there and clean it out, before it finds momentum and action. If you will do this, you will have no trouble in gaining Mastery and Self-control, but if you let it gain a momentum, some times it is a difficult thing to govern

SAINT GERMAIN

Since we are gaining this steady almighty Victory, rejoice beloved ones as never before in all your embodiment, that you live now today and have the opportunity to render a service to Life and Light and to your fellow-man, to America and yourselves. It is the most magnificent thing ever known in the world.
ARCHANGEL MICHAEL

It is our great privilege and joy to announce the release of a new song—"ARCHANGEL MICHAEL" by the Messenger, Lotus Ray King.

This new song is a tribute of Love and Adoration to the Mighty Cosmic Being, the Archangel Michael, who forever stands guard over all who serve the Light and call for His Protection. He has for centuries given His Protection and Blessing to mankind of which they know nothing. His Sword of Blue Flame is a very Real and Mighty Focus of God-Power by which He cuts away destructive creations of individuals and conditions that cause so much destruction and suffering to mankind.

This song has been brought forth as a Mighty Magnet of the Archangel Michael's Tremendous Cosmic Power of Light, Protection and Blessing to all who will sing it with Love, devotion, gratitude and blessing to Him. It is a Focus of the acceptance of His Coming into the outer world in His Visible, Tangible, Ascended Master Body to give help to mankind.

Every time this song is sung, heard, played or the picture contemplated, each individual's energy thru his or her attention to this Great Cosmic Being becomes a Magnet of attraction which draws Him into close personal association with those who accept His Tangible Presence and Reality.

Use! Use! Use! this song and give the Archangel Michael the call which will enable His Mighty Help to get thru to bless and set you free. The music is a definite means of attuning one's feelings into His Heart and receiving the help He so lovingly offers.

The picture of Archangel Michael on the cover of this song is the work of our beloved May DaCamara, whom we love, thank and bless without limit forever.
May all accept and know the help He gives to bless, protect and sustain them, until they see Him in His Tangible Body, when He comes forth into the outer world to walk and talk with mankind face to face.

With every atom of our beings we love, bless and give eternal devotion and gratitude to this Glorious Cosmic Being, the Archangel Michael. May all mankind do likewise and receive His Glorious Blessing.

GEMS OF LIGHT

SAINT GERMAIN

Everything of ancient action which has gained its momentum and power, since it has not been dissolved, stands ready for action, and when individuals become vicious, the whole force of that viciousness finds its action among mankind; because that is its only outlet. The vicious force is not to be blamed, but the individuals who open themselves to it are responsible.
SAINT GERMAIN

We Ascended Beings have existed a long time, but the western world does not believe it; but does that take Us out of existence, just because some of mankind say We are not Real? The foolishness of mankind to deny a thing because they have not experienced it. If We denied a thing that We had not experienced when We were gaining Our Victory, how far do you think We would go? We would still be here in human limitations. That is the position of mankind today. If they doubt, they shut the door; if they fear, they shut the door less tight.

SAINT GERMAIN

Until mankind have set themselves free they need to hear the repetition of These Laws. Until they have made themselves master of the fundamentals, they need to hear it, until that has given them the Self-control and Mastery in which they no longer need it; and when they do not longer need it, the other information will be given, you may be sure of that.

SAINT GERMAIN

The opportunity to gain strength and energy from the forest and the strength and power of the mountains is something which should give you the desire to improve every moment to draw to yourselves and into your feeling worlds the strength and power of the physical octave which is the abiding power of nature.
