MY BELOVED precious ones of the Light! I have information for you today which I am quite sure you will never forget! Many have noticed that I was rejoicing considerably, recently. I will tell you something of why today. I have been waiting not only these five years, but a long time for this point, and for many others to arrive; and please remember these Words in all you do, in all you wish to have done and in your application.

The momentum has been gained by the student body throughout America; and I am speaking now of those particularly in America, who have gained sufficient momentum to go on and steadily gain. However, a few who might turn aside, will not affect it in any way; for that momentum will continue to build in its constructive Commanding Presence and Power, and that is what We have needed so much!

Do you understand what this means, all wavering of the energy of the student body, or individuals sent forth for this constructive purpose, is henceforth held perfectly steady like a great avalanche moving down the mountain? At first, it goes quite slowly, does it not? Yet as it gains momentum by its weight, power and force, it moves with greater rapidity. So now, in this momentum which has been gained, it will continue; because many more will come in, to add their forces in the calls to Light, than those who withdraw. So far, the few who have withdrawn are but a fragment in comparison to the great numbers who are loyal and true! I want you to feel that, so you remove any question of anxiety in your minds, concerning
the interference of anyone with this Light! There was a
time some three years ago, when it could have been quite
dangerous to this Light. Certain destructive forces could
have acted, but they did not take advantage of it; there­
fore, We rejoice and of course, there is always a reason
why they did not!

Now then, all discarnate entities have been removed
from within California! (applause — audience rising).
Dear ones, this means that the individuals within the state,
who have been allowing themselves to be made claws of
destructive forces, will find that there is no sustaining
power! They will wander around and wonder why they
have been doing certain things!

Oh, my dear ones, you have no more idea than an
-infant, unless you could see from Our Standpoint, the
pressure which was upon mankind, when I first brought
this Light forth! You would not believe, unless you saw!
How could you believe, unless you saw with your own
eyes, the Power of that achievement? We do not expect
you to, because it is not possible in the human intellect,
to grasp the fulness of all that has been done; yet I bring
it to your attention, because it has been done!

This power which is gaining Its Dominion, is the
Power of Light and as your calls go forth daily, and many
places hourly, it is constantly strengthening and intensify­ing — that momentum going on and on gaining its power.

Now then, notice this carefully; when more than 51%
of the momentum has been gained, remember — It begins
to draw from the Infinite Power of Light Itself! Do you
see, do you understand, my precious people, what it means
to the Constructive Power in America? Well it is just
gigantic, stupendous, collosal!

Therefore, dear ones, I want you to rejoice with all
you are, at this achievement. This will mean that your
officials in the state, will not be so easily preyed upon by
destructive forces! Now, really, what the Messengers have called for from the beginning, will begin to take place. Mankind and the officials will begin to be more interested in the welfare of America, than they are in their individual fortunes. How many hundreds of centuries has this been needed! and at last it is reached!

Oh, my dear ones, when you understand that for more than two hundred years, I have served the Powers of Light to bring this about, do you understand then, a little of what tenacity means? May you have the same tenacity for your Freedom, for your Ascension, that I have had for the Freedom of America which of course includes you!

Then, you and the officials of the state or the nation — as this Wider Expansion takes place in the service to Life, in the service to the state and to the nation, by the very Law and Power of Light and Life — must be abundantly provided for! Won’t you see that, dear blessed students? You see as you serve the Light, Its very Power begins to produce greater Perfection for you. I know this has been in the minds of many and they have rebelled just a little bit, because things did not manifest more quickly to their liking! Well perhaps in their Life-stream, there was much to be dissolved! Suppose there were, then you must go on patiently, until that is dissolved; then you will find that Freedom! Then, you will find the forces that have sought you and attempted to deprive you, will be generous in their absence.

My dear ones, I have observed the mass of the students throughout America and have seen Oh, innumerable causes and openings for destructive forces to drive in. One time, it is the husband, another time it is the wife, who becomes antagonistic to this Light! Of course, some excuse is always there, which is many times, largely from discarnate entities.
I ask you to observe this now among the activities of the State, because the newspapers will keep you informed! They do not know it, but they will just the same. This will give you such infinite courage and strength, because my dear ones, this immeasurable pressure which is being removed from you who are in the State here, it is not possible to describe it in so many words.

I say this, to try to give you just a little idea. If each one of you were under a canopy in which great pressure was constantly bearing down upon you; and you knew no way by which to release yourself from it, that would give you some idea of what the pressure has been upon the majority of mankind.

Take what you might outwardly term, fiercely positive individuals. They repel a large part of that, but people who by nature are very kindly and inoffensive, so to speak, feel to assert a repellant force would harm someone. Oh, my dear ones, such a thing is impossible! You are the guardians of your world, and unless you repel destructive forces, they will come in just like a wedge driving in, and one day, you will find it beyond your ability to handle them.

These are such vital things to you, and remember the Mighty Victory told you, that great achievement would be attained here! Well it is done! Therefore, remember this now! Do not let yourself fall back into the old idea, that there are some entities around interfering with you, because there won’t be any.

Now, will you listen very carefully? You remember in Unveiled Mysteries, where there is the description of what took place when the Messenger began to go forth with Me, in the body which I created for his use; and he looked back with some anxiety at his body laying there in company with the panther, wondering just how things would fare. Seeing that, I immediately threw the Circle of Blue Flame around both of them, then at once he seemed quite satisfied.
Now then, how do you think We keep more from coming into the area from which these entities are removed? By exactly that Same Power! By the Wall of Blue Flame! Why do you think It will do that so absolutely? Because every discarnate entity is deathly afraid of It! That sounds like a peculiar expression, does it not; but I am trying to convey to you the assurance of it! Even when the black magicians existed, they absolutely made no move in their destructive power, whenever they saw the Presence of that Blue Flame; because they knew, they could not pass It!

Now then, will you observe all over America and the earth that people pass on here and there, who have been very destructive? You might not know it in the outer world, but We do! We know everyone of them! We have their names and addresses! We are watching the operation of this Great Law! Oh, I feel so often in the audience, when the Messengers become very dynamic, in the use of this Consuming Power and annihilation of all that is destructive, some almost shrivel up; because they do not understand what that means! Oh, my precious people, that is the destroying of destructive qualities; and when the call is made from the human octave, to withdraw the Energy from wholly destructive individuals, my goodness, my dear ones, do you not see, that it is the greatest mercy which could ever be called forth in the world!

Why allow destructive individuals to go on, building and building, what would take them centuries to undo, when by the call from the human octave, for the Energy to be withdrawn, it would prevent them going on in that destructive thing which builds more destruction—no one could estimate how much, not even We; because We would not know how far it was going to continue.

Oh, please dear ones, dismiss from your minds any fear or that you are doing any wrong in using this call
to Light and Life! Remember, that all you call forth, is under the Action of your own "Mighty I AM Presence," thru the Higher Mental Body, and do you think It would do any wrong? Oh, don't you see It could not! I know a great many who have remained in distress, because they feared to make some of these calls. Well, it is just too bad for you, if you are afraid to do it. Dare to do and be silent! Remember, dare to do what you know, and be silent!

I prompt you dear students, be careful how you decree for individuals to do certain things! You are treading on dangerous grounds, if you do! The principal thing you have to do is, to perfect your own world and purify it. Do not worry about the other fellow! Of course, you may decree for his or her Perfection, but be careful what you do outside of that! You know individuals have decreed and decreed and decreed to come into the Staff! Well, had I not anything to do about it? Am I to be ignored? Is My Wisdom to be ignored, that your Decree be fulfilled regardless? Well, you notice it does not occur, unless I so wish it!

Oh, my dear ones, I must be the Regulator of this Great Activity! In spite of the few who seem to think I am a myth, I happen to know, that I am very Real and very Tangible! Some have found My Tangibility in Europe to be Real! (applause) You know many long years ago, in My Tangibility, I rendered a very Great Service at the inception of your America; and just recently I rendered perhaps in some ways a greater service in Washington and New York! Oh, I was there in My Tangible Body, quite visible to all, but they did not know it! If they had known it was Me, some of their hair would have stood straight up!

Do you know that I am subject to two conditions—a very much maligned individual and a very much feared
individual? Do you know at the mention of My Name to certain forces, they tremble for hours. Do you think I am so vicious? Oh no, they know I am not; but they know I stand for Divine Justice and I shall have it! (applause) and since the Goddess of Justice has come forth, the fulfilling of My, Our Almighty Ray; then, have you not noticed that things are taking place much more rapidly? The ladies are very important, gentlemen! You might not believe it, but I had to wait a long time for the Goddess of Justice to come forth to My Assistance! Do you quite understand that? I don’t think you did! May I repeat that: “I waited a long time for the Goddess of Justice, the other Part of Myself, to come forth to My Assistance”; (applause) because She had purified Herself long before I did; and had withdrawn into the Great Silence, because of the pressure of human creation of this earth. Then, when I had gained a certain Victory thru your assistance, the great student body of America and the world, She was ready to come forth and remain. (applause).

Now, dear ones, remember that in all these achievements, it is Cosmically vital to America and to the people of America! Do you quite understand, that all this which is done now in these various achievements of which We speak, is by the Power of Light and the Authority of the “Mighty I AM Presence,” which We have become! That is the same as your “Mighty I AM Presence,” except, We have carried the purified Substance from the structure of earth into the Electronic Body of the “Mighty I AM,” which gives Us the Authority and Power to act in the physical octave at your call!

These Laws are Almighty, my dear ones, and remember these achievements are no one’s imagination! They are Mighty Real! Therefore now please keep your seats, when I say this: Long before the last cataclysm of fourteen thousand or more years ago, a city — stood here!
Two forces, Light and darkness, operated; and there was a constant battle between the Light and darkness! That is why some who touched this Light and loved the Messengers so greatly, were later seized upon and turned aside from This Activity by that accumulation — Oh, not entities, not black magicians; but by the accumulation of that destructive force, which still remained here over that ancient focus! That is gone forever! (applause — audience rising)

Please remember that it means, dear ones, this Bay Area and Oakland, are not missed in the operation! Do you wonder that I feel so joyful, dear people, when I see surely and steadily that achievement, which will one day give you, your blessed Freedom; will see you supplied with everything you require for your happiness, comfort and service of the Light! It has to come, dear ones, if you keep up your application! There is not one thing in the human octave, which can keep it from you, not one single thing, because this pressure, this outside opposing force has been removed!

That does not mean, you may not have in your own Life-stream that which must still be consumed; but if you will call the Presence to use the Violet Consuming Flame and hold you within that Tube of Light, then if you really mean it, whatever is in your Life-stream, will go into the Violet Consuming Flame and be dissolved! Oh, that there were words to convey into your being the full import of that! It does not mean any terrifying activity of the Violet Consuming Flame, but it does mean a great calm positive determination upon your part, as you call the Presence to set the Violet Consuming Flame into action; and dissolve everything which comes forth from your Life-stream; for remember, We have said time and again, whatever is the destructive accumulation in your Life-stream of the past, has to come forth to you to be dissolved and con-
sumed; because it cannot go anywhere else! You are its creator, you were its generator and you called it forth into action; therefore, it has to come thru your Life-stream into the Violet Consuming Flame, which you call the Presence to establish, in order to set you free from that accumulation. It is the most practical thing in the whole wide world.

If you set fire to your home in fun and you did not put it out, before it gained momentum, it would burn your home up, wouldn’t it? That would be your responsibility, because you set it on fire. Well, you have set on fire the human creation of your accumulation of the past; and if you do not put it out, it will put you out again, because it has many times!

Think of all those embodiments, when you have lived in these limitations. Think of all I have lived! Think of all the Ascended Masters lived, while They were rendering many times great great service; but They could not do many things then, because of the Dispensations of Life; the Cosmic Light had not so granted it; and by great privation and struggle, They won the battle for Freedom! I did! Oh, my dear ones, if you saw the period — this is the first time I have ever touched upon it and I am not going into it; but for a period of forty years, I went thru such terrifying things, as you could not even imagine; because under the Law by which I was attaining at the time! Today, my dear people, in the glory, the comfort, the Freedom of your homes and these beautiful buildings, you have the opportunity to attain your Freedom without any of that terrifying struggle, which We went thru in those ages, when there was no assistance as today. Everything was gained by your own individual effort, just bending every force and power in your being, at deadly destructive forces, which were trying to prevent you rising out of your own accumulation and into the Glory of that Presence!
That is why, my dear ones, Oh your gratitude should be so great, and I am sure it is with many; but I say to all, release such gratitude from your being, as you never thought possible for you to do, in the future! Then, perhaps seeing Life, seeing that depth of gratitude, will release more quickly Its Powers of Freedom to you!

I tell you, beloved ones, you stand in sight of the apex, the change of the world! You stand in the most glorious condition mankind has ever known; because of the ease of achievement that is yours today. Oh you think you have struggles with your problems! Dear me, what is your problem of a life time, in comparison to five years of what I went thru in that forty?

Dear ones, that is why by the Authority and Power of the Great Cosmic Light, those Great Beings Who have joined Us and released into Our Use these Powers, not known before, are making all this possible for you; and if it had not been, that I was the Law of the Seventh Ray, which is the Violet Ray of this earth, the Violet Ray could not have come forth! If I had not chosen to render this Service to mankind, still It would not have been available to you and your human creation could not have been dissolved; because It is the only Power in Heaven or earth that will do it! The other Rays of Life do not do what the Violet Consuming Flame will do! The Messengers have told you this, but I assure you that there is no Ray known, not even the Two Secret Rays which Cosmos has brought forth, will do what the Violet Consuming Flame will do in this one respect—the dissolving and consuming of your own creation and accumulation!

I want, today, to make this so vivid and vital to you, that you will with great determination and earnestness, make the call three times a day, for that Mighty Activity to be intensified! Oh, my dear ones, It cannot harm anything! It just keeps dissolved and consumed all
discordant destructive creation of your past, as it comes forth to be dissolved, and that has to be done! My dear ones, this has to be done before your Ascension can take place!

Now, I have something to say which touches Me very deeply. For the first time in four and a half million years, this is made possible to this earth—that children in this embodiment may make the Ascension! (applause) A little one in Eureka who just made the Ascension, is one of those!

Now rejoice, and I say to our precious Lotus, rejoice now, as you hear these words. The Mighty Eriel, and the Wondrous Fun Way, who have loved China, have been rendering a stupendous Service to China. Over ten thousand children from China have made the Ascension! (applause — audience rising). Beloved Eriel has brought sixty to His Retreat in America, to prepare them for their Ascension. There will yet be raised up in China, Ascended Master Friends who will sweep the dope activity forever from within its border; (applause) and will set those people forever free from the miasma and confusing power generated by entities in the use of that substance. If you will remember, there were many among the people who became so deeply enmeshed in the use of it, that they could not leave the earth! That held the dope substance about the people; but, today, great Power will be released and great effort will be made by the Ascended Ones, from today, to remove the influence of that condition from the brains and minds of the people of China; and they will assert their Dominion! (applause)

Now, while you are standing for a few moments, please see and understand this: — In all that is being done for America and her Freedom, see how far reaching is your service, your calls to Life; and see what a seemingly simple thing it was, when Eriel brought Fun Way as an infant
from China, transporting him to His Home. He might have known, I have not asked him, but I suspect that he little knew, it was the wedge which would one day release the Powers of Light, which would set China free and bring her into a nation of honor again!

Don't forget, my dear ones, that China still holds the world's record for honesty among the nations of the earth! (applause) Not only is that record here, but We have that record! I never depend upon any human record, I keep My own!

Therefore, beloved ones, today, in this which is brought to your attention, it should give you the greatest encouragement and strength in your experience, to go forward in your Decrees, to your Victory and Ascension in the Light! When We promise you something, if you will cooperate with Us, you will find that it is done! We have fulfilled far more, than We even intimated to you!

Now observe, the Messengers thought it was quite impossible to take these three days here; but some of you thought otherwise. You took the right attitude! (applause) You called to the Wisdom of the Presence to act! If you had called to decree them here, they would not have been here; but you called for the Wisdom of the Presence to act, if it be right! Then, they came and this great achievement has taken place in three days, perhaps four days!

I want you to rejoice, people of San Francisco, as you never did before, for all that has been removed from your midst! You will find greater power and speed in the answers to your calls; and the great great release from the sense of pressure which so many have felt. Did you notice, what the Mighty Fiat was, that the Messenger gave in his invocation? Of course you did! Well do you know what that means? This to Me is the final Glory for you, beloved ones here, in the Victory of your great stability to the
Light. That means the Sword of Blue Flame will cut every sincere student free, from the influence of other individuals! Now, remember to make your calls and see that they are sustained.

I never had such rejoicing in all the other achievements that have been; because I have long long waited to have dissolved and consumed, this ancient focus here and in Los Angeles. It is a great day for the Light, a great day! (applause) I ask you to observe the great Freedom and ease, release, confidence and Power, you feel in your application! Take notice of it, then let it expand, increase and intensify! What a day for you, Oh beloved ones of California and the Bay District, what a day! Released from centuries upon centuries of binding power! My dear ones, I do not wonder at your great great love for these Beloved Messengers, who have stood so fearlessly and dauntless before all the destructive forces known to man; going forth pouring out the limit of their energy for your protection, for your enlightenment and for your Freedom; ready always to respond and to go wherever is required to render Service to Life! Remember, you who love them so much, that Life will love you as greatly and with a Power that is yet inconceivable to you!

In the Glory of this Light of which you have become a part, a far greater part than you yet realize, may you today enter into the Fuller Realization of that part of the Life which you are! Since the Light of Eternity is anchored within your physical heart and the constant expansion of the Points of Light is within the cells of your body now, then are you not in Reality a Child of the Light, Children of the Light? That has become a Reality, my dear ones! At first, it might have seemed as words, but words become a reality in the release of the Energy of Life! Therefore, you have become Children of the Light in actuality, by the Expansion of the Light within the cells of your bodies.

Properly of Saint Germain Press, Inc.
That is why, when here stood one of the powerful destructive forces of an ancient focus, when it could no longer be fed, then there has come the time when its cause, effect, and record could be dissolved forever! It is done! Therefore, today, my beloved ones, is a day, I trust, you will never forget throughout eternity; because to Me, it is the Assurance of the Freedom and Ascension of everyone of you who will so determine it; and you will not find the struggle you have had in the past in your application, and doing the things you require or wish to do!

Remember you are serving Life for your Freedom! With all your Love to the Messengers and to Me, still all you do, is serving Life for your Freedom! Of course, you are giving Me great assistance in that which I wish to do for America and you; but after all, you are serving Life, and it is so important that you feel that! Don't feel that you are just serving the Messengers or Me, you are serving Life, because that is what you have to serve in order to be free!

For every assistance you give to Us, of course you have Our Deep Gratitude, but to keep before your mind and feeling, the fact that all you do in the Service of the Light, is serving Life for your Freedom, then you will have the right attitude! Then Life, one day, will turn and serve you; and hold you in Its Mighty Embrace of Light, into the Glory of Its Eternal Freedom! I thank you.

GEMS OF LIGHT

SAINT GERMAIN

The Cosmic Light is doing a Great Work for America—a very great service. May you all feel that and endeavor to abide in it as much as possible. Each one of you try to feel yourselves a part of that Cosmic Light.

SAINT GERMAIN

It is human to err, but Divine to forgive. Since the world and human beings have all made grievous mistakes, let us henceforth not dwell upon them. Knowing that each one is responsible for whatever his or her mistakes may be, let us go forth in a happy glorious harmony of our attention to our Presence, refusing to see or experience anything that is discordant, then how quickly you would arise into that Great Happiness that words fail utterly to express, because It comes from within.
Oh, that you might all comprehend what a Power-house is your feeling world when harmonized and drawn into wholly constructive activities. I must prompt you that in the charge which you are calling forth into your feeling world, which is daily increasing, know that even the slightest feeling of irritation or disturbance should be governed. You have become a power, which you, I am sorry to say, do not realize nor understand.

My dear ones, mankind would be as helpless as an infant without This Light I have drawn forth, and without the assistance and calls from the student body. Even the Light I have drawn forth, if it had not been for the utilizing of these Decrees I would still be helpless; all of Us would be helpless to render the service that is absolutely imperative, and had to be done now or not for a long long time.

Today, as I stand here giving you these words, My Heart’s Love enfolds you in such gratitude. Oh, suppose you have made mistakes, is it anything in comparison with the great good that you have achieved! Man-kind could hardly be expected not to make mistakes until they are Ascended, but so long as you are determined and willing to get up and try again, then shall We win the Victory in the end fully and completely, never to be repeated; and remember you are on your way to your Goal, and with your determined call to the Presence, all mistakes must cease and your Victory is assured.
Beloved Precious “I AM” Students, in all “I AM” Study Groups and musical activities, please use only the Music of the Spheres; or music to which there are words in our loose-leaf songs (except Nos. 34, 49, 52).

Please do not use outer world music of any kind in your musical activities at any time, as Saint Germain and the Other Ascended Masters are giving the Music of the Spheres which They request us to use; because of Its Special Radiation for the release of the Ascended Masters’ Consciousness contained within it.

We are building a permanent musical activity to release Ascended Master Healings, Ascended Master Blessings, Ascended Master Protection and Ascended Master Perfection and these can only come thru melodies which are charged with Ascended Master Feeling, and Ascended Master Words, which are Cups that carry Their Ascended Master Light-Substance into the minds and bodies of those who hear this Music of the Spheres.

We wish all our “I AM” Musical Activities to be kept uniform all over the world, so the Greatest Light and Help from the Ascended Masters’ Octave can go forth everywhere, to bless all mankind until all are raised into the Ascension forever.
