MYSTERIOUS POWERS UNVEILED.

Complete in Every Respect.

Mr. Randall Grant, Kingfield, Maine, Has Studied Two Other Courses but Thinks the Murphy Correspondence Course Far in Advance of Either of Them, and Recommends It Above Any Other.

Kingfield, Me., Aug. 13, 1900.

Prof. H. C. Murphy, Nevada, Mo.

Dear Sir:—I received your Mail Course in Magnetic Healing a short time ago, and having read it over and over again, I can truly say your work is complete in every respect, and so plain that anyone of ordinary intelligence cannot fail to understand what is intended. I have studied two other courses, but I think yours is far in advance of either of them, and I would recommend your course to anyone that intends to study Magnetic Healing in preference to any other.

With best wishes for your success, I am as ever,
Yours truly,

RANDALL GRANT.

Our Course in Modern Hypnotism Heartily Recommended.

Mr. John Riley of Savannah, Georgia, Cheerfully Recommends Prof. Murphy's Course in Modern Hypnotism, and Says the Operator is Never at a Loss to Know How to Proceed for the Reason it is so Completely Illustrated.

Savannah, Ga., Aug. 22, 1900.

Prof. H. C. Murphy, Nevada, Mo.

Dear Sir:—I received your Mail Course in Hypnotism. I have been for some time interested in the Science of Hypnotism and have read a few mail courses. I can cheerfully recommend your Course as being the most complete I have seen. The instructions are simple and easily understood, and are so completely illustrated step by step that the operator is never at a loss to know what to do or how to proceed.

Yours respectfully,

JNO. RILEY, 216 W. Henry St.

Cheap at Ten Times the Price.

"If it Were Used for Nothing More Than for the Treatment of One's Self," Writes J. F. Stilwell, Fulton, Michigan.

Fulton, Mich., Aug. 20, 1900.

Prof. H. C. Murphy, Nevada, Mo.

Dear Sir:—After examining your Course in Magnetic Healing I find that it is the best thing in that line I have ever seen. I have four other courses in that science, and it just puts them all in the shade. It is couched in such simple language that I don't see how anyone can fail to comprehend it, and is far superior and most complete of them all. When the amount of information that the Course contains is considered, I think the price is exceedingly reasonable, for, in my estimation, it would be cheap at ten times the amount asked for it, even if it was used for nothing more than for the treatment of one's self. Wishing you an abundance of success, I remain,

Yours respectfully,

J. F. STILWELL.

WEALTH AND FAME CAN BE YOURS.

DAME FORTUNE KNOCKS ONCE AT EVERY MAN'S DOOR. DO NOT TURN HER AWAY.

A GRAND PROFESSION IS NOW WITHIN YOUR EASY REACH.

L. C. Elder,

Bryantville, Ky

Dear Sir:—

We have sent you from time to time copies of our Magnetic Record showing you what our students are accomplishing with the great science of Magnetic Healing. You are interested in this science which is at this time attracting more attention than any other scientific discovery has

since electricity was brought into the domain of the exact sciences, hundreds of our students all over this land and in foreign countries are curing diseases that have long baffled the skill of medical men, and some of them are making twice as much money as the average physician. The Magnetic Physician has the advantage over the medical doctor inasmuch as he can cure more diseases and does not have to spend four years attending a college. Magnetic Healing can be learned from our course by anyone who can read, in from 10 to 15 days, and just as soon as you cure some long standing chronic case in your community, you will have all the business you can well attend to. Some of our students are turning away patients, being unable to attend to them all. It is a comparatively easy matter to make \$25.00 per day in this business, and you need not work longer than from 9 a. m. till 5 p. m. This is what it means to be a professional man. Another important thing; if you are at this time suffering from disease, we tell you exactly how to proceed to cure yourself. You can also cure every member of your family, and thus save perhaps hundreds of dollars every year. Even if you do not wish to embark in a professional career, you will find many opportunities of doing good to your fellow men. Someone in your immediate family may be suffering from some disease. You can always relieve him. What a pleasure this is, and what awe you inspire by your wonderful power! Not only are our students in position to make a profession of Magnetic Healing, or use this wonderful power in helping their families and friends, but they learn from our courses of instruction how to become magnetic in personality. You often come in contact with people who seem to have some power over you that you cannot describe, you sometimes are influenced against your will. You make up your mind that you will say No and yet you say Yes, or visa a versa, as the case may be. Why is this, you ask? The answer is that the person who influences you has a magnetic personality. Your correct position in the world is to be able to influence others, and get what you want. We teach you in our Courses how to influence and control others and how to protect yourself from their influence.

We know you are deeply interested in this grand science, and in order to give you every advantage we possibly can, we are going to make you the grandest offer ever made to any person in your community. We are going to make this offer to 9 other prominent people of your state. Among this number are bankers, politicians, lawyers, school teachers, ministers, and a few business men who want to use this science in their business. We have selected your name as one of the 10, and we want you to keep this offer confidential whether you accept it or not. We are going to offer you our handsomely illustrated and revised Magnetic Healing Course containing 79 large pages of closely typewritten matter, illustrated with full page half-tone illustrations showing how the Magnetic treatments are given, with all information how to become a full-fledged professional Magnetic Healer, together with our full and complete Course in Modern Hypnotism--the best and most complete Course ever given to the world, both Courses, remember, for \$5.00. This offer is good only for 30 days from this date. If you wish to take advantage of it please send in your order at once before we withdraw it. Use the enclosed order blank so that we may know we made you this offer, if you do not enclose it, you will get only the Magnetic Healing Course. Our Hypnotic Course is the largest ever published, containing 48 extra large pages of closely typewritten matter, and also containing 22 full page illustrations. It gives you more valuable information than any

other Hypnotic Course published. It tells you how to hypnotize by all the latest and best methods; how to hypnotize instantaneously; how to hypnotize by telephone or telegraph; how to hypnotize a person by writing him a letter; how to influence others when transacting business with them; in fact, it tells you all of the up-to-date ideas that have been brought to light by that peerless scientific investigator, Prof. H. C. Murphy. These are our regular courses that we are selling every day to hundreds of people. The regular price of our Magnetic Course is \$25.00 although we have been selling them temporarily for \$5.00, and the regular price of the Hypnotic course is \$5.00, but we have been selling it for a short time to introduce it for \$3.00. You will notice this is correct by referring to our monthly journal, the MAGNETIC RECORD. Now we are going to give you this grand opportunity to get these two valuable Courses for the small and insignificant sum of \$5.00 if you order within thirty days from this date. Do not delay, but order at once so that you may be sure you will get them. If for any reason you haven't the ready money just now, notify us at once that you will accept this grand offer, state when you will send the money, and we will lay your Courses aside and hold them until you remit us the \$5.00. In addition to the Courses you will also receive two handsome lithographed diplomas; one for the Course in Magnetic Healing and one for the Course in Hypnotism. These cost you nothing. Five dollars pays for both Courses and both diplomas.

Do you know what it means to be a Magnetic Healer and a Hypnotist? No man or woman will have advantage over you in this world, but you will have a distinct and dominating influence over everybody you wish to use this power on. You can succeed, you can make money, you can bring health, happiness, luxury, love and all that is good within your domain. You want all these, and they are now within your easy grasp. We cannot afford for any considerable length of time to sell these elaborate and elegant courses for such a ridiculously small sum, and this special introductory price is good only for 30 days from the date stamped on the enclosed application blank. If you desire to take advantage of this grand offer, remit within the thirty days or write us to hold the Courses for you.

Trusting that you will not neglect this great opportunity and that you will let us hear from you at once announcing your decision to be a man or woman of power and influence in the community in which you reside, we are,

Yours very truly,

AMERICAN INSTITUTE OF SCIENCE.

Dictated by G. J. G., Sec'y.

P. S.--You will greatly favor us by keeping this special offer to you confidential, as the regular price of our Magnetic Course is \$25.00 and the Hypnotism Course is \$5.00. It would create considerable dissatisfaction should we ask anyone our regular prices who is familiar with this offer made to you. As stated above, this offer is made to you and nine others in your state
