

THE NEW "PSYCHIANA"

(RE-WRITTEN BY DR. ROBINSON IN 1946)

Being a spiritually-revealed manifestation of The Power of God to the human race. First, to the Christian Church, after that, to men and women of all creeds and faiths, and the millions without either. A revelation of The Spirit of God to all men, containing the assurance of Eternal Life for all.

THE NEW PSYCHIANA

By Dr. Frank B. Robinson

STUDY-LESSON NUMBER TEN

I often wonder if those of us who have been called upon to lead others into the new and distinctly different revelation of God, which is coming to this earth through this Movement, realize ourselves just what is involved in the omnipotence, omniscience and omnipresence of God. We realize a little bit of what is involved, of course, or we should not have had whatever vision has been given to us. But I just wonder if we are able to peer very far into the invisible Realm of God, and even faintly grasp some of the marvels of Power which are in the Realm. I don't believe we do.

Nor do I believe that the human being lives who can direct anyone into the complete fullness of God. However, there is so little actual belief in God in the world that even those of us who have been given a little bit of vision can perform marvels if we can but pass along to others the little bit of Power we have been given to see and use.

Last night Dr. Marcus Bach, of the Department of Religion at Iowa State University, was in my home. Mrs. Bach was with him, and we had a very lovely time together. Dr. Bach brought along an instrument, the like of which I had never seen before. The thing was actually uncanny. I have heard of this machine. It was developed during the war, and it performed much useful service for the armies and navies of the nations involved. It is called a "wire-recorder." How it does what it does I do not know, not being either scientist or engineer. When I saw that thing in operation, however, I said to Dr. Bach, "After seeing that thing work, how can anyone doubt that there is enough Power in the Realm of God to completely revolutionize this world?"

We sat here in my living-room, and for one hour, on a piece of wire, we recorded a full hour's program. There were interviews with me, Dr. Bach asking the questions. Then I would play the pipe-organ. Before we ended the evening, all Dr. Bach had to do was to make the one mile of wire run the other way, and we sat there and listened to everything that had been recorded. There is one mile of wire on the spools which are in that machine, and the

strange part of it all is that no mark of any sort is made on the wire. What happened in my room that night was put into that wire by an invisible force called magnetism. A very much stranger thing is that when we came to some of the material on the wire we wanted to correct, or change, we merely spoke into the microphone, and the message we were then speaking blotted out the other message which had been magnetised into the wire.

No "erasing" of any sort had to be done. We just simply re-ran the wire, spoke into the microphone, and what we said last was superimposed on our previous message, which completely disappeared. Now that message on the wire can be played as many times as needed. It will be there ten years from now—yet **THERE IS NOT A MARK ON THE WIRE. IF YOU LOOK AT IT UNDER A MICROSCOPE, YOU CAN SEE NOTHING WHICH EVEN RESEMBLES A WIRE MARK OR ANY OTHER SORT OF A RECORDED MARK.**

The secret of it is **MAGNETISM**. The electronic machines inside that instrument make the force of magnetism. When we speak, this invisible force of magnetism is impressed on that wire without even leaving a mark. It would be more correct, I presume, to say that the wire is magnetised according to whatever went into the "mike," there being no visible change, or any other sort of change, in that wire.

Dr. Bach had in his possession other reels of wire on which were recorded interviews with other religious leaders. These interviews will be played before audiences composed of religious students and ministerial associations, and to radio audiences. The machine which will carry the message is the same one which recorded it. That machine will be placed before a microphone, and will be started; and the radio-station "mike" will send the message out over another invisible channel to the ears of whoever happens to be "tuned in." I think the machine is the most remarkable thing I have ever seen. I knew, the moment I saw it, I could use it upon which to base a Lesson on the invisible Power of Almighty God in us, all around us, and through all space. For The Spirit of God, with all Its Power, is just that close to us.

Before the magnetism is placed in that wire, it is just an ordinary spool of very fine wire. Let us say that this wire is your body. The machine is started, and the little motors inside it begin to whirr and

spin. They charge the wire with an invisible power called magnetism. If one speaks into the mike while the machine is in motion, whatever one says is impressed into that wire, and it can be brought out any time by a simple turn of a switch.

Now this is analogous to what happens in your life. You have come to me in your travels through life for actual and authentic knowledge of the Power of God. You want to know just what is implied by that Power. You want an actual experience with that Power in your life. You want to have that Power available so that you can draw upon it any time you need to. You want to know for an absolute fact that when you do draw upon that Power It will respond.

You are sick and tired of being asked to "believe" this or that. You are sick and tired of being told that if you do "believe" this or that when you die everything will be all hunky-dory. Your "soul" will be saved, and you will live forever in a wonderful place "above the skies" where all is delightful music, interspersed with angels flying round. You will walk on streets of gold, and there are there, you have been asked to believe, mansions fair.

But that is all after you die. It may all be true. Anyway, you and I are very much more concerned about finding the Power of God now than we are after we die. I have told you repeatedly in these Lessons, and shall probably tell you repeatedly again and again, that the discovery of the Power of God is the equivalent of the discovery of Eternal Life. I have told you time and time again that the life which manifests in you is the Life of God. I have explained to you to your entire satisfaction that when God created man a living body He placed in man's life HIS VERY OWN LIFE. YOUR LIFE AND THE LIFE OF GOD ARE ONE AND THE SAME THING. That being so, then it becomes easily evident that so long as we have that Life which is God within us we have automatically within us all the Power of God which is involved in, and is an integral part of, that Life which is God. As a matter of fact, so long as we have the Life of God in us we have the Power of God in us. We have the omnipotence of God in us. In your last Lesson I explained what those three words mean.

Now then, I think everyone of you will have no trouble about understanding the presence of the Spirit of God in us all. The thing we want to know most is just how to get that Power into physical

and spiritual manifestation; how to use that Power of God for the securing of whatever things are necessary for our complete happiness, joy and abundance here in this life. If we can find God in this life, we need never give a second thought to any other life because there is none. Life never dies. The Life of God in you is absolutely indestructible. Therefore, regardless of what happens to the "Temple of God," which happens to be your body, the Life which is in you never dies. It cannot die because it is the Life of God.

If we go back to that spool of wire in that "wire-recorder," we shall see a perfect example of how The Spirit of God, in other words, the Life which is God, actually can and does live in our physical bodies, a dynamo of untapped Power, only waiting for us to throw the switch which starts the whole thing into motion. That piece of wire is something like you were before you came to me for instruction about God. It is absolutely ignorant of any magnetism or power in it. It cannot possibly know that magnetism is in it because it is an inert mass of molecules and atoms, etc., and, until it is placed in the machine which magnetises it, it could never be of any use in the recording or broadcasting of pipe-organ music or the spoken word.

But what is the difference between that piece of wire and your body? Absolutely none. The wire will live a lot longer than your body will. Take the magnetism, or "life," out of the wire and it will last very much longer than your physical body will last if the life is taken out of it, will it not? Then what is the difference? There is no difference at all.

Without the Life which is God in you, you fall to the floor dead. The undertaker comes and carts you away. Now listen to this please—**EVERY MANIFESTATION OF ACTIVITY OR MOTION OF ANY SORT, IN YOU, IS A DIRECT MANIFESTATION OF THE LIFE WHICH IS GOD IN YOU. IT IS NOT A MANIFESTATION ORIGINATED IN YOUR PHYSICAL BODY.** Write that in the little note-book please. It is a very important statement. The "life," or magnetism, in the wire which changes it from an inert thing into something which is able to transmit words, music, a canary singing, to others **IS NOT ON THAT WIRE UNTIL IT IS PLACED IN THE MACHINE WHICH HAS THE POWER TO PUT THE MAGNETISM, OR "LIFE," INTO THE WIRE. AFTER THE MAGNETISM IS PLACED IN THE WIRE, IT STAYS THERE.**

Now is there any difference between that piece of wire and your body? None whatsoever. But you may say to me, "Dr. Robinson, when was I ever placed in a machine which put Life, or magnetism, into my body?" Now please grasp this—YOU WERE NEVER PLACED IN A MACHINE WHICH PUTS LIFE INTO YOUR INERT BODY; THE LIFE CAME WITH THE BODY. YOU HAD THE LIFE OF GOD IN YOU WHEN YOU WERE BORN. DO YOU SEE THAT? It is in that very Life of God in you that you perform every act or motion through life. Without It, YOU COULD NOT HAVE BEEN BORN.

I see you having no difficulty in grasping this fact. This fact alone, fully grasped, gives you an almost complete victory in your endeavors to understand the relationship which exists between you and God. To grasp the first basic truth of the existence of God in you is to put you away out on the pathway which will lead you into a complete understanding of the fact that you do live all of your life in and through the indwelling Power of The Spirit of God. Do you understand that?

Let me say it again. Your body, as such, is just as inert, and more so, than the wire on those spools. When the wire has been magnetised it is full of life. The singing of my Billie can be heard clearly. The organ music can be clearly heard. The spoken words can be distinctly heard. THEY ARE ALL IN THAT WIRE EVEN THOUGH IT IS PACKED AWAY AND THE WHOLE SPOOL PLACED IN A BOX. THAT WIRE STILL HAS IN IT, ALL UNSEEN OF COURSE, ORGAN MUSIC, BIRD SONGS AND HUMAN VOICES. Is that hard to believe?

It would have been hard to believe one hundred years ago. In fact, it would not have been believed one hundred years ago. Had I written these words to you, telling of the wire-recorder, one hundred years ago, I'd be in a lunatic asylum before night. But now? Well you know these words are true. You have heard wire-recordings over your own radio. So when I make the statement to you that a piece of steel wire, WITHOUT ANY EXTERNAL EVIDENCE OF THE FACT, can have in it the singing of a canary, the beautiful tones of my pipe-organ, and the voices of Dr. Bach and I, is it very hard for you to believe that the body of yours has in it far more things than these?

The magnetism and the life in the wire is inert. The wire itself does not know how these wonderful organ tones and voices and

bird songs were put in it. But they were. But with you it is different. You do know how the Life which is God was placed in you. YOU DO KNOW something of the hidden powers existing in you LIKE THE WIRE, HOWEVER, WITH NO OUTWARD PHYSICAL SIGNS OF THE POWER WITHIN. You, unlike the wire, have the ability to charge yourself with the Life which is God, and then you can re-charge with more Power whenever you feel like doing that.

That piece of wire cannot start the motor which charges it with magnetism and gives it the power to contain songs, words, and music—BUT YOU CAN. *Man is the only thing created by God which has the capacity to understand the fact of the existence of God, and has the ability to draw upon and direct the actual Power of God in him or her.* If it is possible for man to speak into a piece of fine steel wire, and keep that voice and that organ music and those words, and the songs of the canary IN THAT WIRE BY MEANS OF AN INVISIBLE FORCE CALLED MAGNETISM, IS THERE ANYTHING UNUSUAL ABOUT THE POWER OF THE SPIRIT OF GOD ACTUALLY LIVING IN A HUMAN BODY? I think not. I think this illustration will show you very plainly just what I mean when I tell you that all the Power God has resides IN YOUR BODY.

* * *

At this point in our studies together into this fascinating and all-powerful Realm of the Living God I am about to do some interpolating. I know that the Members of this religion are intensely interested in what I am doing. Those of you who have been with me from the very start some twenty years ago have known full well that the Power of The Almighty has been upon me. You know full well that I could not have come as far as I have come, and seen the staggering results of the Power of God in human lives, if that Power did not actually live in me. No man can show others the way to God unless he first knows the way. No man can reveal the actual Power of the Spirit of God to others unless that Power is recognized in him. Moreover, such a man must also know just how to put the Power of God to use. He must know the technique for using the Power, and he must be able to show others how they too can apply the technique which will unerringly reveal the great indwelling Spirit of God to all who will.

So then, believing the momentous events of the past month will reshape the religious color of the Christian world, I am sure that it

will be well worth my while and your while if I relate to you in some detail just what has happened since I wrote the last Lesson, number nine. Things like these do not just happen. They are not the result of chance or circumstances. They are definitely ordained by God, and they are ordained scientifically. Because the Spirit of God has been in me for so long, and because I have done everything in my power to reveal the truths of God to others I have, by doing these things, brought into existence a set of circumstances which must inevitably result in a world-shaking religious movement. The result of such a movement will be that man learns much more about God than he ever knew before, and that just simply means that the day in which the glory of the knowledge of God shall cover the earth as the waters cover the sea is very much closer.

It would be an utter impossibility for the Spirit of God to reveal itself to anyone, as that Great Spirit was revealed to me a long time ago, without there being a definite reason for such a revelation in the mind of God. The Almighty never fools anyone. Moreover, when God calls a man for any task He also equips that one for the task. Whenever you see a new leader arise in the field of religion, watch carefully to discover first of all if that one admits that the Power he uses is not his. Then watch and see just how fast people follow that one. Watch, too, and see whether or not the life of that person throbs and pulsates with the Power of the invisible Spirit of God. Wherever God is, there is Power. Wherever you find a religious leader who is in tune with God, there you will find a man throbbing with the Power which is God.

I have known all these things for years. Those of you who have followed me through these past eventful years know that there have been times when I seemingly did not know which way to turn. Yet you nor anyone else has ever heard of my being defeated in anything I have undertaken. This is not because I possess any natural ability; it is because I possess, in me, in my physical body, the Power that is God. I have learned at a very great cost to bring that hidden Power up to the surface of my life. I have learned the technique of making the Power of God actually produce whatever things it may be I need in this never-ending life.

I have always known that as a result of my humble ministry a great and grand work for humanity should be accomplished through the Power of God. I did not know just what form that work would take. I did not know just where the start would be made. Nor did I

know how very strangely circumstances would combine to give me the greatest opportunity to revitalize the Christian Church that any man has ever had. But I was on guard. I was always watching for the opportunity which finally came. Let me tell you about it. It will inspire you with hope, peace and joy, and you will be very happy for me.

I have already mentioned Dr. Marcus Bach of the Department of Religion at the State University of Iowa, and I have told you about the wire-recording machine this good man had with him on his last trip into my home. Well, more than one year ago Dr. Bach came to Moscow to secure material for a book he was to write. The book deals with eight of the country's newer religious groups, and has been called "THEY HAVE FOUND A FAITH," which is published by the Bobbs-Merrill Co., and sells for \$3.00. You may obtain a copy of this book by writing my office here in Moscow. Newsweek, in October gave much space, almost a page, to a review of that book, and to say that the book is a fast seller is putting it mildly. The Christian Advocate (Methodist) in the issue of October 17, 1946, makes the statement that the book should be required reading for all Protestant ministers.

On his return to Iowa City a few weeks ago (I write this on November the first 1946), Dr. Bach wrote me and asked if it might be possible for me to go to Iowa City, and speak to the students in his religious classes at the University of Iowa. At once I recognized the opening. I saw, at long last, and after twenty years, an opening which might very easily lead into the Christian Church. I took the opening and wired Dr. Bach that although I was in the midst of writing these many new Lessons I would be glad to come to the State University and speak to his classes. I knew very well that this was the opportunity the Spirit of God wanted to bring before the Christian Church, through its own channels, the priceless truths and the liberating Power of the Spirit of God. I have always known that when the opportunity presented itself the Spirit of God would give me all the additional Power I might need. It certainly did. What the results of going to Iowa City will be I now begin to see, and so will you after I have told you about it. It's wonderful how The Spirit of God works when one is tune with it, isn't it?

So then, on October 4, 1946, I left Spokane, Wash., on the famed Olympian, for Iowa City. I arrived in Chicago the morning of October 6 and left Chicago the afternoon of the same day on The

Rocket, a very fast train, for Iowa City. Dr. Bach met me at the train, and after a nice steak dinner in the dining room of The Jefferson Hotel Dr. Bach informed me that I had an appointment in Cedar Rapids for that same evening. It was there in that house in Cedar Rapids that Dr. Bach and others saw the first manifestation of the Power of God. I have never stressed particularly physical healing, but as this always follows an outpouring on the Spirit of God I have to take notice of it whenever it happens. Moreover, it is my duty to do just as Jesus did, and heal "all manner of diseases" when the sufferer asks my assistance and believes in the Power of the Living God. I might add in passing that I have never known a case of actual belief in God where the Power of God has failed to heal the worst sort of diseases. It makes no difference to God what the disease may be. It has no business there. It can be instantly cast out, and it will be, whenever actual belief in the Power of God is used. It is that belief which brings the cure. Hence, in my first affirmation, you will note that I ask you to use the affirmation of faith, "I BELIEVE IN THE POWER OF THE LIVING GOD."

I have once explained to you in these Lessons that faith in God has sunk to such a low state that it seems to be necessary to have to use mechanical, though absolutely scientific means, to restore even a semblance of the faith which all should have to the very full. However, these affirmations of fact do bring the faith, so they are all to the good, as you know by now. The beauty of it all is that it takes so very little absolute faith in God to bring the most amazing results ever known to man. But I'll come back to that later on.

The drive to Cedar Rapids was pleasant, and I enjoyed the company of Dr. and Mrs. Bach. We arrived at the home we were destined to reach at about eight o'clock. Dr. Bach had arranged it for me to meet a lady who claimed to be a spiritualistic medium. She was a wonderful character, and while I do not subscribe to the doctrine that spirits can be brought back from the "great beyond," this lady does. She believes it honestly and sincerely, and she is entitled to her beliefs. The lady in question is an ordained minister in the spiritualist faith, and has, under our Constitution, the same right to preach her precepts as I have to preach mine. I cannot subscribe to them, but I do grant her the undisputed right to believe anything she cares to believe just as long as she is honest in her beliefs.

I suspect Dr. Bach wanted to get my reactions to this lady, and the "spirit-voices" she claimed she was producing from the spirit realm. It is a fact that anyone in tune with The Infinite can tell instantly whether a spirit be of God. You cannot fool anyone who is conscious of the Presence and Power of God in his or her life so far as spiritual manifestations are concerned. The Spirit of God in us bears witness for or against the so-called "spirit-manifestations," and we know, beyond the shadow of doubt, whether or not it is of God.

I told this lady very plainly and very kindly what my sentiments were. I stated that I had a completely open mind, and was very anxious to see whatever it is she had to produce, if anything. I shall omit the actual "seance" itself, as it has no bearing on what happened after. As soon as the lady discovered who I was, she informed me that she was a Member of Psychiana, and to prove it she took some of my Lessons from her handbag. She also showed me her membership card. I was very happy, in the light of what was soon to happen, to know that she was a Member of The Psychiana Religion. I knew that she would know what I was talking about. And she did, and as a result of her training with me she was able to get rid of a disease which is fatal if insulin is not used—diabetes.

I had not the slightest knowledge that she was a diabetic, and I am sure that Dr. Bach did not know it either. As we sat there chatting, before the "seance" she said to me: "Dr. Robinson, I am a diabetic—I take insulin—I'd give anything if I could get rid of it, but I guess there isn't any cure unless you will help me." The moment she said that I knew she would be rid of her diabetes before I left that home which, by the way, was not her home. She lives in Cedar Rapids, but not at that house. The reason I knew was because she, having studied with me, knew absolutely what I was talking about. I was convinced of something else, too; I was convinced that she had enough of the right kind of faith in Almighty God to KEEP THE HEALING AFTER SHE HAD RECEIVED. Of course I said nothing to her about any healing up to that point. Then, looking at her and feeling extremely sorry for the lady, I said to her: "I want to ask you two questions. I want to ask you if you believe that the invisible Power of the Spirit of God can instantly heal your diabetes." To this she replied, "I sure am." Then I said this, "Well, if the Spirit of God instantly heals you tonight have you sufficient faith in God to KEEP THE HEALING, or will you be looking for the diabetes to return about day after tomorrow?"

She replied that she certainly would not be looking for the disease to return ever, if God would heal her. I then told her that she would be made completely whole before I left the house. Calling Dr. Bach and Mrs. Bach and another couple to one side, I said to them: "Now I want you to watch this very carefully because I want you, especially you Dr. Bach, to see before your very own eyes what God can do, and how God does it, when one needs physical healing." I then told him to watch me very carefully for the rest of the evening, telling him that I was quite unpredictable where the Spirit of God is concerned, and when I was about to manifest the Power of God.

About half an hour later I motioned to Dr. Bach to follow me into the living room where the lady medium was. Turning to her and catching her completely unawares, before she had even a chance to doubt, I said in my loudest voice, "The Spirit of God makes you instantly whole."

I have seen a lot of instantaneous healings in the past twenty years, and I have known of many thousands which have happened as a result of my written words, but which I have never seen personally. But among the thousands which I have seen personally, I have never seen the Power of God knock a woman three inches high out of her chair as this woman was knocked. The impact of God on her was instantaneous and complete. Dr. Bach stood there mystified. At once this good lady got out of her chair, started to walk round the room, saying: "My God—it's gone—it's gone. Oh my God—it isn't here any more."

Turning to her I said, "No, and it won't ever be here any more unless you bring that diabetes back by constantly thinking that the cure is not complete, and that you cannot get along without it." Turning to me the lady said, "It will never come back to me—no sir—I'm healed, praise the Lord, and He's done a remarkable job—believe me." I was very happy to hear her say that. I knew and she knew that never as long as she lives will she ever have diabetes again. Now there is a distinct physical operation of the Islands of Langerhans which must have instantly taken place to give her such a complete cure. Either that, or the Power of God gave her the strength to live her life without insulin, and without the slightest bodily discomfiture. In any case what does it matter? The work was done. She was healed. Her diabetes was gone and gone for good.

I want you to notice here carefully that I said I spoke with a loud voice. I did. What I actually did was to transmit to her from, or

rather through me, enough of the Power of The Spirit of God to drive out of her body, once and for all, every sign of any physical disease. You will also note that I caught her unawares. I did not give her an opportunity for even one little doubt to interfere with the healing Power of The Spirit of God. I SPOKE THAT POWER INTO HER LIFE AND BODY BEFORE SHE HAD AN OPPORTUNITY TO PREVENT IT BY HER OWN UNBELIEF. Once the work was done, it was done for good as subsequent events proved.

Perhaps two hours later we all sat down to a very fine dinner, prepared for us by our hosts. I sat next to the lady who had been healed of this diabetes. When the coffee was passed she put two teaspoonsful of sugar in her cup, and she drank three cups of coffee during the course of the meal. She ate cake, pie and cookies. When someone pointed out to her the fact that she was eating sugar, she replied, "Why shouldn't I eat and drink anything I want to—my diabetes is gone." After several hours the lady was driven home, and the Bach family drove me to my hotel in Iowa City.

The next day was a very busy day for me. On the way home I said to Dr. Bach as we were discussing the case, "If she isn't healed she'll be dead by morning." However, she is still very much alive, and has taken no insulin from that day to this. It was an instantaneous and complete healing of diabetes by the Power of The Spirit of God. I'll tell you about some more cases in the next few Lessons. In fact I'll tell you all about what happened on that trip because I consider the events which were to follow were of world-shaking importance.

* * *

At this point I want you to pay attention to what I am writing to you. I want to say to you that the pure, shining, brilliant Power of the Spirit of God actually lives in you—in your body, that is—and can be thrown into instant operation by the loudly spoken word. You'll notice that Jesus always "spoke with a loud voice" in His healings. Well, Jesus had discovered a vital principle of life. He had discovered the actual and literal Power of The Spirit of God in Him, and He had discovered the equally important secret that THE POWER OF THE SPIRIT OF GOD CAN BE SPOKEN INTO EXISTENCE MORE EFFECTIVELY BY THE LOUDLY SPOKEN WORD THAN BY ANY OTHER MEANS.

There must be simple faith in God. There must be complete faith in God—simple though scientific. It must be an understanding faith.

This lady knew me after years of study with me. She knew me by reputation. She had not the slightest doubt but that if I would personally act in her case she would be instantly healed. And she was. Now there is no virtue in me which can heal anything. All I am doing in this life is pointing the way to the Spirit of God which can take away the unbelief of the world. That is the same thing as saying, "BEHOLD THE LAMB OF GOD WHICH TAKETH AWAY THE SINS OF THE WORLD." I bring that message up to date, and make it scientifically and understandably true, by putting it in its proper setting. Here is what is actually meant—"BEHOLD THE SPIRIT OF GOD WHICH TAKETH AWAY THE UNBELIEF OF THE WORLD."

I am quite sure you will grasp that, and that as a result of this Lesson your simple though scientific belief in the Power of God will be deepened immeasurably. I do so hope it will be possible for you to shout at the top of your voice, whenever possible, and if it is not possible make it possible, these words—"I BELIEVE IN THE POWER OF THE LIVING GOD." If you own your own home, or live in a rented house, you can do that. Never mind what the neighbors say. Your finding the Power of God is more important to the world than the neighbors prattle. Do not unduly disturb anyone, but talk with God at the top of your voice, and act as if you mean it. When you mean it you will find the Power of God means it also. It's just a case of getting you in touch with the Spirit of God—sensibly, plainly, eagerly, and without any theological tapestry at all.

On the way back from another meeting a few days later, one of the most well-known Methodist preachers in America said to one of the best-known Presbyterians, in the car in which we were all going home, "Lew, what is the secret of this man's Power?" Turning to the famous Presbyterian, the Methodist preacher, who packs his church so full that he has to hold two services every Sunday morning, one at 9:30 and the other at 11:00, said, "Why can't you see what Frank is doing—it's easy for me to see—THIS MAN IS TAKING HUMAN BEINGS AND JOINING THEM TO GOD, AND IS DOING IT BY THE DIRECT METHOD. HE IS PUSHING OUT OF THE WAY ALL THE CREEDS OF ALL THE CHURCHES, AND IS TEACHING THE POWER OF THE SPIRIT OF GOD, DEALING DIRECT WITH THE HUMAN RACE. He pushes the Virgin, Mark, Jesus, Paul, Peter,

and everyone else out of his way, and he deals direct with the Spirit of God, and he shows men and women how they can do the same thing—no wonder he is full of Power.”

That's it folks. That's just it. Deal direct with God. Talk with God. Until your next Lesson comes along, TALK ALOUD WITH GOD. No matter what the problem—TALK WITH GOD. The answer is automatic. God does not decide that He will respond. You don't need to say “If it be Thy will.” The answer from God is automatic. You are the one who makes the answer possible. If you are a Christian go read Luke 17:20-21. Here is what it says: “The Kingdom of God cometh not with observation: neither shall they say Lo here or Lo there, for, behold, THE KINGDOM OF GOD IS WITHIN YOU.”

How could it have been put any plainer? Why all these churches, creeds, rites, rituals—when The Kingdom of God is WITHIN YOU. Now you go and get it out—will you?
