LARGE. — You are very lively, active, quick, in all your motions.

Large 4th. — You are supple, quick, and light in the step or touch; pliant.

Large 5th. — Yours is a supple, flexible frame. You would, with practice, succeed well for your strength in leaping, wrestling, springing, dancing.

Average 3d. — Yours is but an ordinary mind, — not large nor brilliant.

Average 4th. — Your mind is one of average capacity, of fair power; but you are known for peculiarities, eccentricities, and oddities, quite as much as for strength of character; developed in strong and weak points.

You have a tendency, whether inherited or otherwise, to derangement of the mind, — to insanity, against which you would do well to guard.

FULL. — Yours is a mind of very fair power; one capable of accomplishing much, of making itself felt in society, of wielding a large influence.

Full 2d. — Yours is a mind of fair power, and if properly cultivated, and your circumstances be favorable, you will do a good deal in the world; but if not, you will not achieve a great deal.

Full 3d. — Although your brain is of full size, the mind is an ordinary one.

LARGE. — Yours is a mind of fine and large power. You can wield an extensive influence; can make yourself felt, among your friends at least, if not by the world at large; can accomplish much.

Moderate 3d. — You are probably coy and shy in the company of the opposite sex, — not at home there, — hence will not seek it much; but you are warm and amatory enough for all that.

Average. — You are somewhat warm and loving toward the opposite sex, but hardly as much so as people generally.

Average 2d. — It is not difficult to interest your feelings, and probably to enlist your affections, but they are not deep enough to continue interested.

Full 2d. — You love the opposite sex warmly and well, but perhaps not too much so, and you are disposed to a correct life.

Full 3d. — You are much interested in the opposite sex; are fond of their society, but are somewhat inclined to flirtations. You easily get into love, but quite as easily get out again.

Full 4th. — It is not often you get fully in love, but, once fairly enlisted, you have much exclusiveness, tenderness, and devotedness of attachment.

You are faithful in your attachments, clinging and true to the one you love, but you are not disposed to love many, nor are you very warm.

Full 5th. — You love the opposite sex in a plain, every-day way; rather deeply, however, and earnestly, sometimes, yet not enough so to greatly disturb the current of your life, or to make you at all romantic or sentimental.

Large. — Yours is a very warm, loving, ardent nature. You enjoy the society of the opposite sex much more highly than that of your own. To love and be loved, is one of the highest joys of your life.

Large 2d. — You love warmly, passionately, fondly. The amorous feeling is almost too strong with you, though it partakes of the spiritual as well as of the carnal nature.

Large 3d. — You have a deep, absorbing, intense affection.

Large 4th. — Yours is a rich, warm, full, deep, voluptuous, loving nature.

Your love is deep, earnest, faithful, and true. You love on, and on, and on, better and better every day, if with the one you love.

Large 5th. — You love much and many, perhaps “not wisely but too well.” A warm, ardent, and very susceptible heart. You will have many love experiences, and some of them, no doubt, deep ones. Better not marry young.

Large 6th. — Yours is a warm, amorous, passionate nature. You burn with strong desire. You covet the person and embrace of the opposite sex.

You should, by all means, restrain this passion, purify and orient the feelings in every way possible.

VERY LARGE. — The sensual passion is, with you, almost, or quite, uncontrollable.

PHILOPROGENITIVENESS.

SMALL. — You have little, if any, love for children or pets.

MODERATE. — Your love of children and pets is rather tame and indifferent. You will probably never be very fond even of your own children.

Average 2d. — You do not love children very well, but may be fond of pets.

Average 3d. — You love children tolerably well, but you will not bear a great deal from them. As a parent, you would do much for your children, to render them happy, but would often get angry and cross towards them.

Average 4th. — As a parent, you would be, perhaps, stern and exacting — not sympathizing with the ways and plays of childhood.

FULL. — You love children and pets well, but not passionately. As a parent, you would be tender and devoted, but not too much so.

Full 2d. — You manifest some attachment to children, but not a great deal; probably more to other pets, — as a horse, a dog, a cat, a bird, or boat.

Full 3d. — You love children very well, and as a parent would be fond of your family and of their society; yet you would not bear much from them, but would sometimes treat them crossly.

LARGE. — As a parent, you would be almost too tender, and probably indulgent. If you have children of your own, you love them with a love well-nigh idolatrous, however defective in character they may be.

Large 2d. — As a parent, you would be very fond, even tender and devoted. You easily adapt yourself to the ways of childhood, sympathizing with their games, and sports, and ways, and needs, and sorrows; and winning their love.

Large 3d. — You are very fond of a cat, a dog, a doll, a bird, or baby.

Large 4th. — You are very fond of a dog, or pony, or boat, or some other such pet, and if you have one, will give it little peace or rest, but rough handling, keeping it ever busy and in trouble, with tricks, and games.

Large 5th. — If you have children of your own, you will love them with a strong love, but if you have not, you will show no great interest in the young, nor anxiety about their welfare.

Large 6th. — As a parent, you would be affectionate, but rather stern.

VERY LARGE. — As a parent, you would love your children to idolatry.

ADHESIVENESS.

SMALL. — You are cold and indifferent toward the world, preferring solitude to society. You neither have nor want many friends.

MODERATE. — You are not very affectionate toward friends; do not cling to them strongly; will probably have a few, but not many, very true and devoted ones. You are not loving toward them.

Moderate 2d. — Where you are a friend at all, you are true and sincere, but you are not one to make many friends nor acquaintances.

AVERAGE. — You love friends tolerably well, but not remarkably so.

Average 2d. — You are social, friendly, and approachable, but not at all devoted in your attachments; not very faithful nor earnest.

Average 3d. — You are social and friendly, but not very particular as to who are your friends. You want society-companionship of some kind; some one to talk to, and be with; whether at work or play.

Average 4th. — Although you are not easily interested in strangers, nor apt at making acquaintances, your friendship not easily won, yet when once a friend, you are true and reliable, seldom changing the old for the new.

FULL. — You are friendly, social, warm-hearted towards those with whom you are acquainted, and whom you think worthy, but are not too much so.

Full 2d. — You are social and warm-hearted, but not deep nor very earnest in your friendship, — more social than faithful. You form attachments readily but almost as readily break them.

Full 3d. — You enjoy society of some kind, company, very much, yet you are not very particular as to your acquaintances, but show a sociability for all. You are approachable, and companionable, and easy to become acquainted. You like to have some one with you, to talk to and confide in.

Full 4th. — You have a social, easy, friendly way that induces people to think you more of a friend than you really are.

Full 5th. — When a friend you are a firm one and true, yet you are not social nor generally affectionate.

LARGE. — You are very social, friendly, warm-hearted, almost too much so.

You often feel a sense of loneliness, a want of companionship, a desire to be with some one that is dear to you. You can hardly enjoy a good thing alone.

It is easy to awaken your interest in those with whom you associate, and once a friend you are as true as steel.

Large 2d. — You are a warm, true, earnest, tender, trusting, loving friend.

Large 3d. — You are a warm, true, and sincere friend, but you are not given to the sentimental part of friendship—to its more tender, fond, and endearing ways. You are, so to say, an everyday friend.

Large 4th. — You will lose by your friends—trusting them too much.

Better not run risks for your friends,—not sign papers nor anything of that kind. Your friendship is earnest and deep, and to be relied on.

Large 5th. — You love friends much in your way. You are social and affectionate, but will generally manage to get as much as you give.

Large 6th. — You love your friends in a strong, social, hearty, but plain way. You like to eat, drink, and be merry with them, but are very careless as to who they are, coarse or fine.

VERY LARGE. — You are decidedly too friendly, warm-hearted, social.

INHABITIVENESS.

MODERATE. — You have something of the home-love, but very little.

Moderate 2d. — You have very little love for any one spot in the world, only as you may be more happily or comfortably situated, in one than another. You love to roam, probably, and would highly enjoy travelling.

AVERAGE. — You love home and country only tolerably well.

Average 2d. — When you are away from home a short time, you want to get back, and when you are at home a short time, you are uneasy to get away.

You are apt to feel that happiness is somewhere else than where you are, somewhere far away, and that you would be happier could you be there.

Average 4th. — You have no great love for home, neither have you generally any great desire to leave it, nor do you care much which you do.

FULL. — You love your home, yet when occasion requires, you can leave it without much trouble. Your memories of the old home are tender.

Full 2d. — You love your home very well, but do not like to confine yourself very closely to it. You like to go visiting occasionally, or travelling.

Full 3d. — You love your home much, especially so if it be a pleasant one, but you are not devotedly attached to it.

Full 4th. — Your love for your home is strong enough, but not too strong.

Full 5th. — You have a desire to make your home attractive and pleasant.

You are desirous of adorning, ornamenting, and beautifying your home, and of making it appear attractive and in style.

LARGE. — You are very strongly attached to your home, and you dislike to leave it or to remain away long at a time. When absent, you think often of the "home, sweet home."

Large 2d. — Your home is very dear to you, especially so if it be a pleasant one, but even if it be otherwise, still you love it, "the poor, dear old home."

Large 3d. — You are apt to remain at home too much, for the home is emphatically your place, your castle, your palace—in short, your *home*.

Large 4th. — You love your country deeply, and are patriotic at heart; indeed, are very zealous in her praise and her defence, and disposed to overlook her faults.

Large 5th. — Your patriotism is strong, but narrow in its aim, thinking your country the best of all countries, and defending it, right or wrong.

Large 6th. — Your love for home is a strong, selfish, animal need.

VERY LARGE. — Your love for your home and country is deep, tender.

MODERATE. — You change often from one train of thought to another, yet when necessary, can continue on the one for a time, but not long nor patiently.

Moderate 3d. — You are very impatient. You cannot bear to wait.

AVERAGE. — You are not very patient; not apt to continue long upon any one subject, or train of thought, but to pass rapidly from one to another.

Average 2d. — You often break off suddenly from what you are saying or doing, to turn to something else, but are apt to return at a future time, and resume it where you left it, and carry it on awhile, perhaps to drop it again.

You sometimes say, "What was I saying," or "What was I thinking of."

Average 3d. — In conversation, you often forget to finish what you commenced to say. A little thing would interrupt you.

Average 4th. — You can persevere and carry your point, at last, but you are not patient, nor persistent, but fitful and forcible.

FULL. — When you commence, you like to continue till completion, but are not greatly disturbed by interruption; are tolerably patient.

Full 2d. — You can concentrate your thoughts very well, but are not apt to continue the effort; can bend all your energies upon any one point for a time, but cannot continue patiently at it.

Large 3d. — You are very patient and enduring, bearing and forbearing.

Large 4th. — You are very patient and forbearing towards others, especially so towards those you love; can wait quietly, and watch patiently, with those who perhaps could not so wait and watch with you.
