## OCCULT MYSTERIES OF THIBET AND HINDUSTAN

The Bible is the Book of Books for the Christians and Israelites.

The Koran for the Mohammedans, The Book of Mormon for the Latterday Saints.

The Vedas and Upanishads contain the faith of the Brahmans and Hindus.

All contain records of marvelous feats performed by the founders and earliest fathers of their belief.

Each one of these great books tell of the wonderful powers of healing, demonstrated by the ancient prophets. Accounts are also given of communications with spirits, and of other forms of manifestations including visions, foretellings, evocations and magnetic phenomena.

Thus it makes no difference to what faith your ancestors belonged—you must believe in occult power. Unless you repudiate all of the inspired books—you must admit that occult phenomena are facts.

Those who deny or disbelieve must at the same moment stamp as false all the great books upon which the faith of mankind is based.

Having arrived at the point of belief

we are ready to investigate, bearing in mind that belief based on facts can never become superstition.

## **OCCULT PHENOMENA**

If occult phenomena were possible in the past, why should it not be so now at the present day?

It is manifested every day in the year in Thibet and in Hindustan and various countries of the Orient. All travelers unite in explaining the wonderful powers of these mystic adepts.

## **UNIVERSAL FORCE**

To all questions as to how the seed is made to grow into a plant instantly, how they disappear and appear at will, how they climb invisible stairways, produce forms from the atmosphere, heal diseases, read the minds of others, influence people at a distance, magnetize instantly, travel to all parts of the world in their astral forms, they give but one answer—you must know the secret of the Universal Fluid.

## **THE FIRE WALKERS OF FIJI**

Or the native Fakirs of India, the Lamas of Thibet, the Priests of Egypt, all pos-

sessed this wonderful secret, which has mystified the most enlightened minds of the Occident.

## **HE STANDS ALONE**

But one man with these mystic powers has ever come to America, as the adepts religiously refuse to leave their native lands. Dr. T. J. Betiero was selected by the Congress of Occultists which met in the Secret Catacombs of Paris to bring the great secrets of occult science to the western world. On account of his great powers, and knowledge of all modern languages he was appointed Special Envoy to America. His object was to establish a branch of the Ancient Order of The Magi. Although hundreds were drawn to his magnetic presence, and listened spell-bound to his incomparable discourses they were not at that time ready to forego the luxuries of life and enter into the necessary training. In vain we sought for seven men, tried and true who could worthily form the Basic Seven. But the time had not yet come.

For twelve years this grand man has labored, lecturing and teaching the great

# OCCULTISM

This is the only way I have of introducing myself to the many sincere and worthy occult students. I will say I was born in Egypt in 1861, educated in Europe (University of Barcelona) and sixteen years of my life was spent in the Orient, including Turkey, Persia, India and Thibet. I say in plain, honest words that I am the only man in America to-day that has credentials from the Hindoo Priest and the Dalai-Lama of Thibet. I have just printed a neat little pamphlet which fully explains the unforbidden secrets of this strange country. I will send one copy FREE to sincere occult students only. Write me at once, enclosing stamp, they are going fast. Address, DR. J. T. BETIERO, 2960 Indiana Ave., Chicago, Ill. U. S. A.
