

*The
Singing Infinite*

FOREWORD

THE SINGING INFINITE
is A Voice from The Higher Heavens.

It is
a Promise,
an Ever—Present Panacea,
a Peace,
and a Joy!

Strains of Internal Music
reverberate from these Hidden Spheres;
Zither chords play
upon the individual's Nervous System
and send
these captured Thoughts and Intuitions
to The Brain—
The Mind—which is The Switchboard
of The Nervous System.

Let there be Music!—

THE MUSIC OF THE SINGING INFINITE!

DEDICATION
TO
ALL THOSE WHO ARE EAGER
TO DISCOVER
THEIR OWN FATHER CONSCIOUSNESS

"The Father and I are ONE:"—all Power is
an Offshoot from This GEART HOLY RESERVOIR!

BELIEVEST THOU NOT THAT I AM IN THE FATHER
AND THE FATHER IN ME?

THE WORDS
THAT I SPEAK UNTO YOU
I SPEAK NOT OF MYSELF,
BUT THE FATHER WHO DWELLETH IN ME
HE DOETH THE WORKS.

BELIEVE ME
THAT I AM IN THE FATHER
AND THE FATHER IN ME!

IF A MAN LOVE ME,
HE WILL KEEP MY WORDS,
AND THE FATHER
WILL LOVE HIM,
AND WE WILL COME UNTO HIM
AND MAKE OUR ABODE WITH HIM.

IF YE LOVED ME,
YE WOULD REJOICE,
BECAUSE I SAID,
"I GO UNTO THE FATHER,
FOR MY FATHER
IS GREATER THAN I AM."

LET NOT YOUR HEART BE TROUBLED,
NEITHER LET IT BE AFRAID.

—from The New Testament, Book of Saint John

THE SINGING INFINITE

It has no chapters.

It is like the ebb and flow of the tides.

It has its own rhythm and sound
from out the walls of The Consciousness.

There is a sound of a softly flowing brook
or of crickets chirping on the hearthside.

It quickens every fibre of the body; each cell,
each organ purrs like a contented pussycat.

The Father Consciousness which is The Singing Infinite
is "the same yesterday, today, and tomorrow".

It is sweeping the country, the world, and is
now embracing interstellar regions—The Universe!

IT IS AND I AM!

Give up thy preconceived ideas and personal prejudices,
and be ye thankful for what ye know will be
of individual and universal Benefit,
through The Light of The Father Consciousness,
always expressing in Action.

"His name is Wonderful".

Desire to benefit all who cross thy path!

We are indeed all ONE in The Father Consciousness.

The Light recognizes no color, creed, or denomination.

Become an Integral Sunbeam of The Great Sun,
expressing The Singing Infinite.

The Father Consciousness is not a personality or a person.

Father Jehovah is personal—very much alive!—

A Radiant Entity whom Jesus lovingly calls "The Father".

"Our Father" is nearer than hands or feet.

His Ubiquity knows no meridians of Man-equation.

He talks to us! He uses Angels and Universals as His aids;
also The Celestial Children.

THE FATHER'S IMPERSONAL LIGHT IN ME
IS THE LIVING MIND IN ME
AND EXPRESSES IN *ACTION* THROUGH ME.

Learn this key sentence! and you'll always sit in
the driver's seat, not only of Destiny,
but throughout Eternity.

The Father Consciousness expresses as A Living Mind.

The Father Consciousness is loving and grateful.

Hates, jealousies, and ingrattitudes are transmuted
through one touch of The Singing Infinite!

Although fluidic and liquidly sparkling, The Singing Infinite
is a practical, fundamental principle—a principality—warm
with Soul and vital Life-currents.

The Father Consciousness is The Singing Infinite!

Every living soul must learn "to dial" into
"The Father Consciousness in me, The Living Mind in me,
expressing in Action in me".

Through Father-Telepathy, I feel you thinking that I repeat too often "Peace" and "Father Consciousness".

Did you ever stop to consider that it is the repetition of the raindrops that makes the violets grow?

All nature is a system of inner governmental repetition.

If I had use of but three words from which to draw my light of understanding, they would be, "Thank you, Father, Heavenly Being!"

Through Father-Telepathy the psychic mind in me is sealed.

In return, Divine Power is released, so Omniscient and so Circumspect, that Father's Angel of The Earth does not have to strain a single faculty.

The Maori Tribe, in New Zealand, live wholly through the God-life Force for Knowledge and Awareness in every department of their life. They, too, call it "Father-Telepathy".

Eventually, *everyone* must turn toward The Light of The Father Consciousness, not only of the world-wide, but of interstellar-reaching boundaries, about which Man knows so very little yet.—

Such are the limitless horizons of The Singing Infinite!

The Father Consciousness, The Divine Radio, with Televionistic appointments, becomes, through Dialing, a practical Light, a daily and hourly Aid and Guide!

The Father Consciousness, with His Shaft of Golden Song, is the Highest Octave on The Keyboard of Spiritual Knowledge.

The Singing Infinite is The Highest Message on Earthplane today, because it includes you and me, regardless of Color, Creed, Nationality, Politics, or Denomination!

There is only ONE MIND in The Universe and that is FATHER!

We are all part and parcel of THE FATHER! Peace! Peace!

Let us visualize a beautiful sparkling mirror.

This is The Great, Universal Mind which we are calling The Father Consciousness.

Let's break this glass into trillions of tiny pieces!

One of these small pieces is you, and one is I.

Every last Soul has minute part in this Mosaic Mirror of The Father Consciousness.

It is truly wonderful! Praise Father!

"There is no 'Lesser' and no 'Least' in ME but all are parts of the one shining Whole that is all in All.

I AM the Godhead merging into Man, as tiny part becomes The Whole."

It is truly WONDERFUL! Praise Father!

As I "relaxed and praised Father", "unceasingly",
new Mental and Physical Energy surged through me
from "The Living Mind, expressing in Action through me!"

I danced and sang and constantly "praised Father!"

When Mortal Man and Dogma beguiled me, as a Person,
Father stretched out a strong masculine Arm from The Infinite
to save me.

It was real, because I saw it and felt it.

Lovingly, Father held me "in the hollow of His palm."

He restored me to perfect Health, physically, mentally,
and spiritually, through *quicken*ing my Vital Ray!

A burst of Sunshine came upon me!

The White Cells of my Upper Brain began to burst open!

It was like the white popping of the kernels of popcorn,
and like the opening of a many-petaled Lotus Blossom.

Precious repetitious words *poured* through The Upper Brain
to me!

A voice whispered, "You are now Lotus!"; a lithesome
Joyousness overwhelmed me!

I sang day and night, "Praise Father! Praise Father!"

The Kingdom of Heaven can be here on Earth!

I can be An Angel here on Earth!

I do not use The Father Consciousness!

The Father Conscious uses *Me!*

There is a difference!

Father and The Angels place in my "Third Eye" THOUGHT FORM Projections, sliding through as Destinal Blueprints.

The Father Consciousness uses me as A Finite Container, or Lightning Rod, through whom to express outwardly, in Action, His Infinite Love.

Father needs us to be The Mould or Machinery through whom to switch The Light to project into a Universal Situation.

The Human Mind is The Gay Deceiver of Man's Destiny!

Self-made plans, *not* taken into Partnership with Father, and *not* Blessed by His Acquiescence, cause ninety percent of The Tragedies of this Earth today.

Only *daily* Intuitive Guidance will save The Child of The Father Consciousness from his own egoic Destruction.

When The Living Mind, through me, touches a Situation, in Thought, it springs The Situation into *Action*, through Cosmic Light!

Under the protecting Wings of The Infinite, that which the eyes of The World might deem immoral, is cloistered in Purity—deemed "immoral" because of a lack of Understanding of magnetic and electrical Cohesion and chemical Balance.

Therefore, it behooves thee to keep thine eyes too pure to behold Iniquity!

All hypotheses must be kept in Secrecy, in The
Labratory of The Silent Mind, lest The Wolf-hounds of Mass,
World-law Consciousness, tear into shreds their Beauty and
their Meta-magnificence, before the Chick of Materialization
is hatched into color, form, and symmetry.

Don't tell one human being your personal blueprint!

"The Father's Impersonal Light in me
Is the Living Mind in me,
It expresses in Action through me!"

THE PSALM OF PROTECTION, PSALM NINETY-ONE

HE

that dwelleth in The Secret Place
of The Most High
shall abide
under The Shadow of The Almighty!

I will say of The LORD,
"He is my Refuge and My Fortress.

MY GOD!

In Him will I trust!"

Surely, He shall deliver *thee*
from the snare of The Fowler,
and from The Noisome Pestillence.

He shall cover thee with His Feathers,
and under His Wings shall thou trust;
His Truth shall be thy Shield and Buckler!

Thou shalt not be afraid
for The Terror by Night;
nor for The Arrow that Flieth by Day;
nor for The Pestillence that walketh in Darkness;
nor for The Destruction that Wasteth at Noonday.

A thousand shall fall at thy side,
and ten thousand at thy right hand;
but it shall not come nigh thee!

Only with thine *eyes*
shalt thou behold and see The Reward of The Wicked.

Because thou has made The LORD,
which is *my* Refuge, even The Most High, *thy* Habitation;
there shall no Evil befall thee;
neither shall any Plague come night thy dwelling,
for He shall give His Angels charge over thee,
to keep thee in All thy Ways!

They shall bear thee up in their hands,
lest thou dash thy foot against a Stone.

Thou shalt tread upon The Lion and Adder;
The Young Lion and The Dragon
shalt thou trample under feet!

Now saith The Lord GOD, Jehovah,
"Because he hath set his Love upon Me,
therefore, will I deliver him!

I will set him ON HIGH, because he hath known MY NAME.

He shall call upon Me and I will answer him.

I will be with him in Trouble;
I will deliver him and honour him!

With Long Life will I satisfy him,
and how him My SALVATION!"

Arranged by Marion L. Wentworth

To those who choose to eliminate the historical and dwell only upon the psychological, that is fine!

There is nothing real, in Heaven or on Earth, besides the psychological.

Weight not then your intellect with History, but soar high up into The Angelic Consciousness, through the Insignia of Thought-form.

"Dial into The Father Consciousness in me and thee."

Certainly, The Psychological Jesus ("Jesus Saves") can be an immediate Life-line of Healing and of Prosperity, and also can give Birth to our Thought-forms.

The Father Consciousness is all you need to know about!

Jesus is The Insignia of This Consciousness.

Jesus is The Door-Opener, The Way, The Truth, and The Life.*

There is no other Entrance to The Father Consciousness!

When you meditate upon The Father Consciousness, if you are fortunate enough to have a developed clairvoyance, you will *see* the vision of Jesus. Sallman's replica comes the nearest to accuracy as to the physical appearance of Jesus—light hair and blue, blue eyes—so warm, so sincere and penetrating.

Jesus has consistently proved that he is ONE with The Father Consciousness!

THE HIGHER MIND ASCENSION

We are on The RESURRECTED SIDE OF THE CROSS,
and, as such,
will evolve through The World Law of Mass-consciousness,
and its
limitation and come into The Higher Mind Ascension where
there
are no problems!!

Divine Wisdom and Divine Intelligence will be the only
Text Books necessary!

True Knowledge is taught from Within.

Your School-room is your *Upper* Brain.

Your Teacher is some Illumined Soul assigned by Your
Father!

He is assigned according to your degree of Development!

There is no favoritism shown, you have earned both The
Degree and The Illumined TEACHER.

In my case, Evangeline self-bestowed upon Evangeline
A Mentor who is a very advanced Soul.

I now walk through the corridors and labyrinths of Earth-
plane in utter Confidence and Bravery, because I *know* I have
a Spiritual Adjustor, a Shock Absorber, and a Safety Valve,
"AND HIS NAME IS WONDERFUL!"

"The Love of The Father Consciousness keeps you sweet, sweeter than sweet,—the sweetest of the sweet!"

These powerful words, through The Singing Infinite, vitalized and made whole my physical health and my mental equilibrium through "my Garden of Lotus", that part of my mechanism which manifests and fulfills The Word, before bringing it into The World.

What a sublime and tender thrill it is to feel the quickening of The Energizing HOLY PRESENCE and the wonderful Breeze of Peace, (like mountain air in its purity) and Spiritual Oxygen, rippling gently, purposely expulsing Concrete Realities from The Mental Images, using my All-Seeing Eye as its Projection Room to flash Perfection, through the White Cellular Area of my Upper Brain.

When you, too, will have felt The Ecstasy of This HOLY PRESENCE you will never mistake its Propinquity, smiling, upon your Destiny!

Here and there, now and then, involuntarily, A Light goes on within your Consciousness, in Meditation, and then The Truth to you is brought Home—the reason that I am writing this booklet—

"THE FATHER'S IMPERSONAL LIGHT IN ME
AND THEE IS THE LIVING MIND IN ME AND
THEE EXPRESSING IN ACTION THROUGH ME
AND THEE"

SAMPLE AND EXAMPLE

I do not preach The Father Consciousness, for I would be wasting my breath.

The Teacher is A Sample and An Example, exemplifying Harmony, Peace, and Poise.

These are The Attributes in The Teacher which are the subtle Conversion in another.

"Let your light so shine that others may see your Good Works and glorify your Father in Heaven".

If the Father Consciousness seems to agree, materially and physically, with him who is The Teacher, then The Sheep of Humanity herd along that path, convinced that their Leader is not a fanatic, but a well balanced, well-organized person.

We are all seeking "the green pastures" promised in Psalm twenty-three.

The Father Consciousness causes the Human Personality to become gracious, flexible, and relaxed, liquidly youthful, and in utter Harmony!

Then let all walks of Life forfeit their preconceived Ideas and personal Prejudices, and learn to recognize and vibrate in The Rhythm of The Wonderful NEW AGE!

We are in The Age of Longevity, through Positive Thinking! Father-Conscious *Contact* insulates you from germs and keeps your cells intact. Disease Devils cannot attack you nor can your heart give out, as long as there is "A River of Life", gently rippling its healing and protecting Waters over your mental aura, for, please believe me, Disease has its incipency in The Thinking Laboratory, and, only *reflects* in The Physical Body.

GOOD VERSUS EVIL

A Self-inflicted mortal Ray is Sin.

Father has no language for this, as He sees only Perfection.

"Ye must be born again to see Father."

Father *stills* the mortal tongue from the empty tittle-tattle "personality" of men.

People talk too much!

There is no Monotony in A Child of The Father Consciousness; the Light ripples in Laughter and Joyous Gaiety!

These are The Symbiotes of The Father Language!

I am so happy!

Mercurial Changes are always in progress!

Father tells me that I am what I eat; what I think; what I form objectively; and that I am only as deep as my deepest breath.

Like the ebb and flow of The Tides, which is The Breathing Apparatus of The Ocean, Father breathes, deeply and rhythmically, through me, recharging my vital, Physical Body through the nostrils, in awakening the beautiful LOTUS flowers, in my garden, where I wine and dine in Ecstasy, Praising Father, drinking His Nectar, dining upon His Pranic Life-Energy!

I feel a new sense of Freedom!

These are The Attributes of The Father Consciousness which transmute The Child from The Carnal and (remember Father's concept of The Carnal is "Ingratitude and Melancholia") so these attributes of DIVINE JOY give The Child a nice, well-rounded Life, without ever making him feel himself a Culprit.

According to The Father Consciousness, The Ray of Involution, or Evil, means a Carnal Paralysis on this Earth, inability to express, to grow morbid, dammed and hemmed in by moods and temperament, from which sprout murderers, violent and insane people.

These people are without The Blessings of The Singing Infinite.

Through The Father Consciousness, treatment for these dear ones would *Repolarize* them as victims of The Involutionary Ray, and place them on The Ray of Evolution or Goodness.

To do this DIAL and say, in sincerity:

DIAL

INTO THE FATHER CONSCIOUSNESS IN ME
TO RECEIVE OF THE SUNLIGHT
AND THE FATHER'S LIGHT IN ME—
THAT OUTER, GOLDEN GLOW IN ME!
RELAX AND PRAISE FATHER!
PRAISE FATHER'S LIGHT IN ME!

This mantrum overcomes Evil, which has no Substance nor Truth!

LOVE is thought expressed only in The Positive—only in The Constructive.

The Father's "Living Mind in Thee" is thy Source of Mental Charm.

Man need never lose his mental charm if he will know the Truth—The Truth that frees!

THE FRUIT

The protecting, stirring Fruit of The Father Consciousness is reflected in us through a Knowing—An Intuitional Guidance.

I am moved, beyond my voluntary volition, *to serve* my fellowman!

How better may I serve him than to acquaint him with The Light of The Singing Infinite?

When we are in The Kingdom, we are not in Trouble; The Negative never is in The Kingdom—Consciousness.

The Negative is alien to The Kingdom of The Singing Infinite.

Quite recently, I had the privilege of helping one of Father's children, a young lady of great charm, who found difficulty in breathing.

Tuning in and tapping The Father Consciousness, I was given this Mantram!

"I am drawing upon and actually using
The Breath of Father's Rhythmic Breathing.

God is my breathing apparatus!

As I sleep upon my couch of rest,

I thank Thee, Father, for this Divine Relationship!"

Not only did her asthma cease, but we found out later that she had been beseiged by evil thoughts, foreign to her own thinking, and these hostile substances which had been unfairly directed to her were exorcised out of her aura.

The joyous Love in me and thee, through this "Dialing"—eclipses Intellectual Metaphysics, words of "sounding brass"—unless impregnated with The Light—The Living Light of The Father Consciousness.

Unless The Upper Brain is *quicken*ed, words die a stillborn death!

"My will" might visualize *destructive* blueprints if "Thy Will" were not taken into counsel, with its Ever-consistent Constructive thought.

Your blueprint must come through The Father Consciousness to you!

The Angel of The Lord will bring Love, Joy, and a strong Desire to Serve in Father's Name, and for His Glory'.

The Father Consciousness employs Angels as Universals to help Man—to lift Man up from Earthplane miasma.

Keep Free!

Father never reveals Himself on *the lower* rungs of Mind!

The Father Consciousness is the opposite of Occultism.

Extra-sensory-perception of *human* thought forms (and all like phenomena) are not the gifts of The Father Consciousness.

They do not raise The *Spiritual* Vibration of the one indulging.

They do not expand The *Upper* Brain.

God does not express this way!

These kindred isms are devastating earthplane today—"Dens of Dragons".

With deep compatibility the text

Through the concept of THE ARTIST, there
is another great interpretator of LIGHT, another
woman, Bessie Mona Laskey!

She receives her visions to paint
through Meditation.

The Father Consciousness intuitionizes
her artist hand.

One of Beautiful Bessie Mona's latest
concentrations was that of painting Spanish Missions.

She not only travels through the Carmel and Monterey countryside but all the territories of The Mystic.

Therefore, she is a charming combination of the esoteric, electric thought-waves of The Inner Mind and the exoteric, painting, also, that which she sees objectively.

Many of her MISSION Paintings grace the mural walls of The Conrad Hilton Hotel in Madrid, Spain.

Make a note of this and peek in on them when you are in old Madrid.

Certainly, the name of Bessie Mona Laskey will be on The Scroll of Immortal Artists.

Herein is lain the essence of Tennyson's words, "More things are wrought by Prayer then this old world e'er dreams of".

The privilege of Prayer is The Original Premise of Man.

Its Golden Key is The Personal Awareness of The Father Consciousness!

Its locale is within The White Cells of The UPPER BRAIN.

Herein, dwells The Living Mind, The Only Mind, Man knew until he fell into World-law deterioration, catering to The Carnal Body, arguing and reasoning from Appearances.

This is The Allegory of ADAM and EVE!

“High, indeed,
is the golden note
calléd high C;
higher is He
whose Holy LOVE
is Harmony.”

*Ask for FATHER-STRENGTH,
rather than for mortal money.—They are synonymous!

The Father Consciousness is a warm Rain, causing everything to spring into Life and resplendent Prosperity.

The color of Nature is Green!

Man has aped the Greenness of the trees, the grass, and the water into Bills of Finance!

If you are a good steward, Money is no Evil.

It is The Avarice of money and vain Self-aggrandization that tangles your Perspective.

Someone I know quite well was to hold an important chairmanship at A Garden Party given for a worthy project.

She bought herself an exquisite gown for about five hundred dollars, and served at the function.

How much more she would have pleased The Father had she worn one of her older charming gowns and made out the check for five hundred dollars for the dear little ones to be benefited by the garden project!

Father wants you to have Money and wants you to place it where it serves The Present, and, if possible, Posterity,
IN HIS NAME AND FOR HIS GLORY.

Profound in its Omnipotence, Omniscience, and Omnipresence, yet so simple! So simple that a darling little child lisping, "Peath, Fawser" can be a magnetic Receiver of Infinite Light.

Even more so, because a child does not have a topheavy intellect to stop the Life-currents in their merry flow.

The Father Consciousness is your Personal Peace
Proclamation!

The Father Consciousness is Perpetual Motion!
Father wants His children to have every good thing!
That which is for their Comfort and Happiness,
is theirs for the Dialing, Praising, Singing!
and, particularly, for the "THANK YOU", even before
the gracious favor is received!

Even before your blessed Angel of Infinite Operation
has brought your Gifts to your doorstep, thank this Angel
for The Machinery of Action. Indeed, thank this Holy Angel
who kept your mind free from moods and tendencies so that
your Good gifts could come *through* to you!

Father's children are never in Want, yet they do not
hoard; they release and consume daily!

The *human* mind in Man is his *only* limiting aspect.

The Father Consciousness reaches out with a Generous
and Omnipresent hand, and pays rich dividends in Peace, in
Joy, and Brotherly Love, and in The Needed Possession of the
Moment.

How extensive are the gratuities indicated in these mantra—
in these little songs of attunement!

All these gifts, for that is what they are, are bestowed,
through The Father Consciousness, to The Child of
Attunement.

The Child of God *bestows* through Attunement!
The negative-aspect ego *inflicts* through non-Attunement.
How important are the words from 46 Psalms 10,
"BE STILL AND KNOW THAT I AM GOD"!
The word "stills" is a favorite of The Father!
Father "stills" all human troubles in me and thee; *
Shows me *how to live* with thee and me!
(An art of attainment in itself!)

*"BECAUSE HE HATH SET HIS LOVE UPON ME,
... I WILL BE WITH HIM IN TROUBLE."—from the beloved Psalms 91.

Father soothes nerves in me;
 Stills my *conscious* mentality;
 Relaxes my physical mind!
 Father renders me a lightning rod,
 A radar sounding board,
 For Divine Intuitions.

This is The Dynamic Stillness
 Which brings forth The Fruit
 From The Father Consciousness!

Through the FEELING of deep INSPIRATION, there comes a PEACE, a deep-abiding FAITH, a KNOWING that "all is well", and that The Life-line of Light is thrown out to a CHILD of THE FATHER CONSCIOUSNESS.

"YE MUST BECOME AS A LITTLE CHILD"—SIMPLICITY!, A CHILDLIKE TRUST, AND FAITH IN FATHER'S GUIDANCE, received through Dialing into The FATHER CONSCIOUSNESS.

Even mistakes are chemicalized!

There is a twist in the chord of polarity, the long involutionary ray of Evil (negative thinking) is repolarized into the evolutionary ray of Goodness (positive thinking) the Godly.

Wondrous is the Peace that *stills*, yet, spins and churns its dynamic rhythm into Action and Manifestation!

This Peace is metaphored in Bible Prophecy as "the lion and the lamb" and "a little child shall lead them".

"FATHER'S IMPERSONAL LIGHT IN ME
 IS THE LIVING MIND IN ME

AND EXPRESSES IN ACTION THROUGH ME"!

This is the true and only Dynamics of Peace that I need,—my own *spiritual* UNITED NATIONS.

This is the Age of The United Nations!—International fraternization (The Tower of Babel, repeating itself, in many tongues)—The Atomic Age with brilliant sophisticates playing with fire, inverting God's Cosmic Energy, so much like naughty boys playing with matches behind the barn!

A PRESENCE

I feel A Magnificent Presence through me, electrifying me!

I feel intoxicated with The Joy and Elixir of The Singing Infinite!

"Faith without works is dead"; therefore, The Singing Infinite, The Living Mind in me, expresses in *Action* through me.

Do not bury your Powers and Talents.

Hereby is Famine, Discouragement, and, eventually, liquor hunger.

God has bequeathed unto you The Gift of Divine Intelligence.

If you do not *USE* what God hath given to you, Imbecility is inevitably yours!

Use your God-given talents!

Right-Useness brings Blessings and Financial Security to you for all Eternity!

Oh! What a Lesson!

"THINE IS THE KINGDOM, THE POWER, AND THE GLORY"

Gather up your assets and talents of The Personality and all your Material Wealth and lay them on The Altar of The Lord,—in His Name and for His Glory!

The time is imminent. Do it now!

Soon The Horn of Gabriel will blow!

It blows, not through a Trumpet, but through the flash of the moving picture screen, the television, and individual consciousness—through Father-Consciousness!

The Singing Infinite, through The Father Consciousness, can open prison doors through The Golden Key of Meditation.

Father relaxes and releases in systematic system that which is for your Highest Good today.

"HE SHALL GIVE HIS ANGELS CHARGE OVER THEE"—such is the Joy and Loving Presence of "The Singing Infinite".

World law "*facts*" are often held "*lies*" in The Cosmos.

Our daily papers are full of horror and disasters, caused from astral Negatives, influencing the non-developed Mortal!

How much better it were that we raise The Vibration of the murdered into The Father Consciousness ready to meet The Avatar than to hold to this system on earth of Capital Punishment!

"Wouldst thou kill me in violence and savagery?"

Father "stills" the occult in us.

We need not seek to discover obscure corridors and territories of Mind on lower rates of Vibration.

I feel that we could live forever in The Father Consciousness.

Let us make our Heaven here on Earth!

Visit, periodically, The Eternal Kingdom—
The Third Rim or the *Upper* Brain—
which is The Highest Heaven!

Herein dwells the central vortex, Jehovah, our personal Father; with His impersonal Light Rays!

The Truth of Life is The New Age found in The Singing Infinite.

The *Upper* Brain is quickened.

The Voice of Father reaches through like a telephone, in a beautiful reception room, and here is your Guidance, your Purity, and Freedom from the undercurrents of The Human, Avaricious Mind, with its subconscious, subterranean corridors!

"He will give His Angels charge over Thee"!

Stay out in the Open, the Blue Sky, the Silvered Stars,
The Sunlight of Michael, The Father Consciousness, The
Singing Infinite, which is Your own Auric Sunlight—
simple, loving, and wholesome in The Is-ness!

The Is-ness of This Consciousness is The Father's
PRESENCE in thee and in me!

"HE IS and I AM"!

This is Proof of The Realization of The Singing
Infinite in me and thee!

Then cometh The Fruit and The Flowers, supplanting
Thorns and Weeds.

The Unseen, Concealed, has now become The Seen,
Revealed!

What a glorious metamorphosis! We are now on the
Resurrected Side of the Cross!

It is an individual phenomenon!

It comes to each.

It must come to each!

"Ye must be born again"!

This is It!

It meets our every Need and fulfills our every Good Desire.

This is *The Kingdom of Heaven* promised to The Child—
The Child of Father-Attunement!

TAPPING UNIVERSAL MIND

Man, in his limitation of mind-force,
uses not one-tenth of brain power,
until he quickens The *UPPER BRAIN* resource
and awakens The *WHITE CELLS*
as were they a flower, drawing
from the sun with tilted face,
the gladsomeness of Spring's bright color—
tendrils cleverly sipping in irrigation
of Earthly grace, A *LAW* unto itself.

Should mortal be duller
to show surprise,
that he, too, can annex
The *LIFE FORCE* from THE SPIRITUAL SKIES?

When he completely relaxes,
the immediate reflex
is Accomplishment, in Joy,
of whatever he tries!

When you retire within your convention,
meditate upon the deep Concern,
and quicken your intelligence
from *HIGHER MIND Ascension*,
where much you do not know you'll learn!

RELIGION

Oh! let my life be sanctified by Father's LOVE!

The Realization of The Singing Infinite is not
a Religion!

I enjoy religious services and fully appreciate the
dear old hymns of my childhood.

They'll linger in my Memory always.

These delightful songs mean more and more to me!

"Sun of my Soul" with its

"Oh! Let no earthbound cloud arise
To hide me from my Savior's eyes!"

"Fairest Lord Jesus",

"Ave Maria",

"What a Friend we have in Jesus!"

and Heber's "Holy, Holy, Holy."

Church is a little corner, set off from the rest of
the activities in the community, to dedicate to Thoughts
and Supplications of a Higher Nature.

Who, indeed, would try to erase Religion and The Church
from Earth's horizon?

The Church is The Pastor crystallized in Understanding!

It can be no greater, or lesser, than its Pastor,
Priest, or Rabbi!

Apart from the dramatization of an unseen God,
"somewhere" in me, I feel I am a spiritually *awakened* Soul.

The quickened, Living Mind, expresses "a felt God".
The Holy Breath, *THE VERY PRESENCE*, comes to
me, periodically!

I feel the argument of The Mortal-minded Man, as he reads this.

"No time", says he, "I can remain away from Church and receive the same results".

Time? There never is time!

We *make* time for that which we Love.

We could remain at home and pray, but we don't!

We need to go to Church to remind us of A Higher Heaven!

A deep, rich *Universal* Love is born, a Love so deep, it embraces all those who are Positive, and, also all those who are Negative.

Those of Negative Thinking are the Ones Our Father hungers to touch and to erase Hypnotic Ingrams of "so much Nothing at all!"

Salute The Divinity in these darlings and watch The Glory of Good burst through their personalities!

MAKE YOUR CLAIM!

Let it be selfless!

Let it be in a Universal Note!

Let it be for Radiant, Good Health!

Let it be for Wealth of Mind!

There is no other Wealth!

If you have a bank account and a poverty complex, very soon you will lose that money or it will be absorbed in Emergencies.

It disperses in mid-air!

I have a beautiful friend who is wealthy, but the type, when I ejaculated over the money bubbles she saw in her tea cup negatively complained, "Everything's going out and nothing is coming in!" This *might* have been *factually* true.

However, The Metaphysical reaction to this is not to judge Circumstances through Momentary Appearance.

When the attention units are loosed from The Condition, The Objective becomes a fading, finite form, and The Subjective is Supreme!

So, Father told me to teach the woman to retort thusly, "Thank Thee, Father!" "Thanks to Thee!"

Then, slowly and subtly, frozen assets came to Active Life, property rented, property sold, money began to multiply!

Inherited money and accidental windfalls quite often have no real Substance, because the possessor is not in The Consciousness of possessing it.

"To him who hath not, that, too, shall be taken away!"

There are so many records of elderly people, passing on in circumstances of Poverty, and, perhaps, one hundred thousand dollars may be found under their mattress, or, hidden in their wall!

Your next claim is on LOVE!

Human Affection can be a glorious Heaven, right here on Earth, for two Souls, each Spiritually awakened, to share this life *together*.

What an Eternal Privilege!—such as that of the beloved Elizabeth and Robert Browning, and, within telephonic distance, Earlyne and Robert Chaney, co-founders of that center of Spirituality, ASTARA FOUNDATION, in Los Angeles, California, and also of Los Angeles, at 8811 Cimarron Street, are the much beloved James and J'Nevelyn Terrill who have established THE MENTAL SHOP with its many-sided program of worth-while activities.

The mutual devotion of Ruth and Bert Welch of Brea, California, to each other and their work for Immortality is echoed round the world in their magazine, THE CHIMES.

The third claim is on Perfect Self-expression!—
Self-expression in whatever form your Talent excels.

Claim it!

Thank your "Dialed" Father for having already delivered
it to your door, even before ye have asked, through The
Mercy of The Singing Infinite.

The Singing Infinite works Miracles in my life!

The Singing Infinite fills all Space in me!

I am overjoyed with what I have touched!

My heart is brimming over!

"Lotus!" He had once whispered in my ear!

He had said that I could be An Angel in The Father
Consciousness and that I must teach "The Singing Infinite"

He had told me that HEAVEN is here on Earth, within,
without, above me, and around me!

Something had happened to me that night!

I now find that Nothing is too difficult for me to cope
with, because I had, at last, learned to *submit* my arrogant
will, and connect "my will" with "THY WILL" in The Father
Consciousness.

I have learned To "Let" The Angels Span Time for me.

I know no tedious, monotonous hours!

My time is filled to brimming over with Service to
all whom cross my Path.

The Angels take The Disillusionment and The Sting out of my Work amongst my fellowmen.

Dedication to Service becomes A Golden Badge of Joy!

I walk on a wave of Ecstasy.

There is no Injustice in The Father Consciousness!

Divine Justice is Father-Conscious Adjustment!

"Thy Will" is The Great Harmonizer of all Human complexes.

I rejoice!

My Intellect and My Psychological Reaction are influenced and controlled through these blessed, wide, and magnanimous Meta-forces, which pervade The Father Consciousness!

I am protected in regard to my quota of "The Coin of the Realm."

That which is mine, comes to me, with Ease, Joy, and Grace!

The Angelic Ray of The Father Consciousness radiates my Finance.

I have finally discovered that Money and all Prosperity are Spiritual and *Mental* Attraction, from which *Cause* the physical expression of Money and Abundance is The Effect, working Miracles in my life.

The Angel Mercedes is Father's Angel of Finance; I personally thank thee, beautiful and dear Mercedes, for what thou hast done for me at the request of our Father-Jehovah.

"Why is all this?"

I feel you think, in the severity of sodden Reason.

Because:

There is no Time or Space in The Father Consciousness.

NOW is all there is!—"The Eternal Now!"

Because The Father Consciousness is The Harmonizer of my life, and gives me Joy, if I leave my Difficulties to "Thy Will."

Because The Father Consciousness is a Presence and Radiates everything that my heart desires and every need of my hungry human body, blending The Spiritual in and through the Physical, in clock-like precision, as I become An Instrument of The Father Consciousness!

THE FOUNTAIN OF YOUTH

Through The Father Consciousness, a bit of knowledge was expounded to me which I had not known before, but that every one I have ever met wants to know—"Where is the real Fountain of Youthfulness?"

This knowledge ripples The Singing Infinite out to all mankind!

The Veil is pierced into the White Cells of The *Upper* Brain, and that, too, ripples and quickens to my Guiding Voice.

This is my Fountain of Youth, The Third Rim, which all mankind is seeking!

This is our personal Kingdom of Heaven! here and now!

It is within, above, and surrounds us through its glow, but its Generator is the top of the head, characterized by a beautiful Garden of vibrating Lotus Blossoms.

Water this Garden through periodic Meditation, thereby generating a continuous flow of Vitality, Energy, Power, and Strength from THE AURA OF THE UNIVERSE!

Your while body SINGS; THE SWEET MYSTERY OF LIFE IS SOLVED!

This is the highest octave of The Father Consciousness!

This is the realm wherein "we walk and talk" with OUR FATHER in "THE GARDEN"—The Garden of Consciousness!

Herein is lain our "Fountain of Youth"!

Through The Father Consciousness, The Singing Infinite, ye can be young forever!

TIME

I can feel the Strength and Knowing of LIFE ETERNAL—
HERE and NOW!

Time is not an element in my life!

Make of this day, this hour, something so fine and
beautiful that it will leave an angelic mark upon your brow,
and inspire your fellowman through Contact with you.

Watch your life respond in Cheer and Goodly Fellowship!

Father is placing you where you can do the most Good
for the largest number of people.

Father wishes you to be Loyal to whatever Estate in
Life that you represent.

"Father Consciousness fills thee
With happy Joy and Ecstasy"!

Praise your Environment!

It is Yourself crystallized!

It can be self-bestowed, or self-inflicted, according
to The Thoughts you harbor, the depth of your Breathing and
the kind of Food you eat.

Time is a stream of Consciousness.

What a beautiful phrase is the one given us by Jesus—
"The Eternal Now"!

If you keep your Consciousness fluidic, free-flowing
and lighted, through The Intuition of Father Jehovah, who
removes the logs (the negative complexes) which dam up
your flow, then your Life-currents can flow in Rhythm—
"one grand sweet SONG of THE SINGING INFINITE"!

REINCARNATION

Is it?, or, is it *not*? IT IS! WE WERE AND ARE!

All intellectual hypotheses of a dogmatic, world-law plane progress us not one whit further because of the principle of Reincarnation *unless* we become ONE with The Father Consciousness!

Blessed amongst men is he whom can dwell in The Father Consciousness, forever to abide with Him, aiding Him, serving Him, forgiving His other sons and daughters, loving Him from His Angelic Throne—never more to sit in the ante room of lower, astral levels, awaiting some woman to bear him back to Earthplane—never more to wander on lonely paths of Earth!

Instead of gloating over an impressive lineage in *this* life or one of your *former* lives, if you be an informed one on the subject of Re-incarnation, as other people, increasingly, are becoming aware of its principles, take heed that you be about your Father's Business in this your immediate journey on Earthplane.

To those who, periodically, come as Teachers, or a Reincarnated Prince of Peace Father warns, "By their *fruits* ye shall know them".

Through Dialing into "The Father Consciousness in me",
I know that I, automatically, connect with The Angelic Ray,
and I, myself, become an Instrument of The Father
Consciousness and The Angels wherein is The Plane of Peace!

And, I, then become its Dynamics!
This day, sitting in the Sunlight,
blessed by the great and dear Lord Michael, the
appointed god of The Sun,
I recognize and acknowledge The Father Consciousness
in me!

I praise, love, and bless my Environment!

What does not belong in this Environment, caused by a
former Wrong Consciousness, becomes fading, finite form;
New Rose-buds of Expression fill The Void through my new
Concept of Father-Consciousness!

I draw on The Father Consciousness, smiling through
The Singing Infinite, for Understanding, Knowledge, Light,
and Ability to Love my Fellowmen, inclusively, whether they
are on a Positive Ray of Evolution (Goodness) or their self-
manufactured Evil Ray of Involution, The Negative Ray.

Help me to Love All!—All of my fellow men, even as
Father does!

It is not important *where* I am;—wherever I am,
it is only important that I "dial" and express The Living
Mind in Action!

EARN IMMORTALITY!

The Disciple of The Father Consciousness has earned IMMORTALITY if he, faithfully and sincerely, DIALS INTO "THE FATHER CONSCIOUSNESS IN ME THE LIVING MIND IN ME EXPRESSING IN ACTION AND PURPOSE IN ME".

"Me" is that I AM, The Perfect Part, of each individual.

To know that I have the privilege of CONTACT with THE FATHER CONSCIOUSNESS is to know that I have in my possession the scriptural "Pearl of great price"!

Sublimely precious it is—my "pearl" of personal Attunement to The Father Consciousness—to The Singing Infinite! to Immortality!

AFFIRMATION TO THE FATHER OF THE SINGING INFINITE:

"I promise to myself, to my Soul, never again to undertake anything, major or minor, on the mortal plane without first DIALING into The Father Consciousness in me for Understanding, Light, and Wisdom."

Once having given over my Problem, I will let "Thy Will" work it out, entirely free of The Reasoning of my *mortal* Mind.

I shall not question "the What, Why, When, or Where."

I will not Push, but, rather I will LET.

There will come to me a Sign or a Symbol—
these will be flashed to me as THE SOLUTION of the
Problem submitted to "THY WILL"!

"Thy Will" is The Dynamics of The Father Consciousness.
"Thy Will" is a Golden, Diamond-studded Key which
unlocks vast Universal Energies!

I live in a Never-ending Ecstasy!

"And His Name Is WONDERFUL.

The levitation of my Spirit, ascending into The Kingdom
of Consciousness, via the "airplane" of The Upper Brain
lightens my Earthplane burdens, dissolves my complexes,
irons out my moods, mellows my arrogance, fills my purse to
overflowing, vitalizes my personality, and restores my Peace
of Mind.

My Joy is to watch Miracles as they happen, through
the drawing Power of The Singing Infinite, and to be thrilled
with the Realization that I was The Machinery, *used* by The
Father Consciousness, to start The Wheels to revolve, through
The Decree that I placed in Motion.

How delightful is The Modus Operandi of The Singing
Infinite!

As you sense it as A Reality, ask Its personal Blessing!

Realize that GOD IS, then turn to The Law and tell The
Law *what* you wish; you have started The Divine Machinery
revolving!

"FATHER, I REALIZE AND RECOGNIZE AND ACKNOWLEDGE THY GOODNESS TO ME!"—Say it "unceasingly" as St. Paul would say!

Ponder, deeply and well, while there is still Time.

We are entering A NEW AGE.

The discord around the Suez Canal is the last symbol, prophesized in The HOLY BIBLE.

The Suez Canal brawl is the final drama of The Old Age. Now is ushered in The NEW!

You will be safe and sound, if you live under The Benediction and Blessings of "The Living Mind In Thee".

Then "DIAL" into "The Father Consciousness"; thereby, you do "pray unceasingly!"

You will then FEEL the expansion of your Upper Brain, and receive The Telegrams from HIGHER HEAVEN, caught through The Antenna of your Nervous System, and relayed to The Switchboard of your Mind!

Watch for The Promised Messiah!

He is Near at Hand; it is his Second Coming!

I, Evangeline Balfour, have prepared you psychologically TO MEET HIM!

IMPLICATION FOR EASTERTIDE

Curved within my Mother's silent darkness,

How was I to know there were these to be—

Light?

Music?

Fragrance?

Bread and Honey?

Words of Love?

But, erect, I now can send a better guess

Spiralling into The Blue, high above,

Of things my Soul shall know and ever see!
