THE KINGDOM OF GOD

By Brother Mandus

CHAPTER I

THE VISION

I send this little book to you with a great love—God's Love. I know that at this very moment you are filled with the only Power in the Universe and that He is expressing Himself in you. You are face to face with your Creator now and this is your opportunity to step into the unlimited freedom of His Kingdom. Let me tell you how I know this to be the Truth. One day I "saw" God. In one second I had the most wonderful experience in my life. And that moment in God's Presence changed me into His eager disciple. He poured His life into me and, inevitably, I gave my life to Him.

At that time I was involved in a great deal of pressure in my daily striving to be successful. The more effort I expended the greater seemed to become the obstacles and frustrations. My business was failing and I could not understand why this should be since my work was dedicated to help people through the spiritual psychology which I was then teaching. In one second was born in me the perfect answer to all chaos, and from that moment my Heavenly Father began to unfold the glorious life of Love and Healing Service to which He Called me. I should, of course, more clearly define this experience as being re-born in His Spirit.

It all happened like this, without warning, without seeking. I had been helping my wife, washing the dishes, after lunch, and was placing knives and forks into the sideboard drawer. Then everything, including my consciousness of self, disappeared in a blinding *Light*.

It was like being plunged suddenly into the midst of an ocean of Wondrous Light, intense as the flame of an oxy-acetylene burner used in welding work. Unbearable Perfection! I could not have endured this searing Perfection for longer than this one moment. Yet I seemed to know all the Love of God, His Wisdom and the universal joy of His Creation. I was in the Eternal Light, and time was lost and space dissolved. This was *All*, the Spirit in which all creatures lived, the Divine Power in every atom of far-flung universes, and in every angel in heavenly Kingdoms. Perfection!

I have never known such Joy. In His Light I understood the Truth that in Him we live, and move, and have our being. This was the Perfection within everyone, in everything. I knew I was one with God, one with every other soul in heaven and earth, and that He was Love.

Had I been suffering from the worst possible human illness, I would have been made whole in that moment. In His Light it would have been impossible to remain in any darkness of sickness or distress.

I was in the Kingdom of God, and I knew His Spirit was *eternally* within me, and within all. No

death. Life, Peace, Joy, Eternal Progression in His Perfect Light.

I cannot translate this Divine Experience in words. All that I knew about God then was expressed in my soul—an inner “knowing” on the level of Reality. The re-birth of my inner-self has since been expressed in the Work my Father Called me to undertake.

I knew I had to walk a life of faith in Him, to go forth to teach this Truth and to Heal in His Light. What would seem to be impossible in the human consciousness has become Reality through His Love.

I can only testify that, in complete dependence on Him, I began my life work of Divine Healing and Teaching. He has led me into wondrous ways, and thousands of people have received His Healing Blessing.

In our public meetings Divine Love is demonstrated as the Great Truth in Life. People are Healed through prayer. On the platform, in full view of the congregation, there are always some instantaneous Healings, and others whose pains are eliminated and a Healing process begun.

Many other Healings are constantly manifested in the Sanctuary and through Intercession for people whom we never see. Absent Healing is a Reality, for God is not contained. He knows you, everything about you, and is in every person everywhere. When we ask for Help, and know we are naturally receiving it, then transformation takes place.

So this little book comes to you in the knowledge that the Father sends it to you. Find Him, and you find everything you will ever need. He is Calling you to enter into His Perfection now.

Read these words in the *knowledge* that you are reading in the Presence of your Heavenly Father. He will then fill you with His Peace, give you new Love, courage, power and health. He will awaken in you the knowledge that you are reading in His Presence now. He will awaken in you the knowledge that you are greater than every circumstance, eternal spirit, with an eternal mission.

You are a child of God, living in His Light, and all the things in your Father's House are yours. Claim your Heritage! You are wonderful beyond your highest dreams!

CHAPTER 2

MY KINGDOM

I am your Heavenly Father. And as you quietly read, I am enfolding you in My Love. I know all your thoughts, all your deeds, for I am with you always. Since the moment I breathed My Life into you. I have sought to help you to overcome yourself and find *MY* strength.

When you have been sad, I have thought joy for you. When you believed you were overwhelmed, I have lifted the burden. Always, in the midst of your troubles and your joys, I have been with you, for you belong to Me, and I belong to you.

As your Brother has told you, I am the Light of the world. I want to tell you about my Love, and the Kingdoms I have prepared for you and for all my children. You will remember that I sent my beloved Jesus to testify of Me, and all that He declared was the Truth. He showed the way to Me. It is the Way all My children must learn to walk, for My Way is Perfect. I have sent many Messengers amongst you, and in My eternal fulfilment the harvest of joyful souls is gathered unto Me. All that I *am* is yours as quickly as you can come to Me. Such is *My* Love for you.

I am everything, seen and unseen. I am the Power within the trees and the birds. I am the song in the heart of a nightingale and a mother. My Laughter is in the happy play of children. I share man's joy in the expansion of my Love in Springtime. I am in every flower and every mind, for My Spirit rejoices in beauty and My Love produces eternal harvests of seeds and souls.

Can you imagine your world without My Love? There would be only a void. If I withdrew My Love from a flower or a mountain, it would cease to exist. In every created thing there am I, and all these things I create for your delight and use. I number the cells in every blade of grass, yet know the thoughts of every human soul. Where the seas flow in mighty tides, I am the Power in each drop of water. The fish that swarm are the abundance of My Love for them.

In all these glories on your earth I reveal Myself to you. All things reign under My Perfect Law. Were it not so, the petals of a flower could not express in beauty and harmony. Were my Law not Perfect, a mountain might fly off into space or the world fail to turn on its axis and deny you of night and day, and the seasons of the year. Or the air you breathe perhaps would become unbalanced and poison your flesh.

My child, My beautiful One, all things depend on Me. I do not create these Mighty Works for Myself, but for you and all my great family throughout My Eternal Kingdoms. My Love is to expand and share My Perfection with the life I release into living beings.

As your little world swings on its endless journey round the sun, think of Me, for it is I who control its orbit under My Perfect Law. I hold poised in my Mind the great sun which I created to warm and feed your earth. All the planets speed through trackless space obeying My Will.

Your astronomers, looking through the great telescopes I have taught them to make, see *My* Handiwork millions of light-years out in space. They have reported to you that there are millions of universes of countless stars, many infinitely bigger than your own

sun. Yet, I say to you that they have observed but a fragment of all that I am. For My Being is endless and timeless, and My Creative Thought is infinite. If you come with Me to a point 250,000,000 years away from your earth as fast as light can travel, there you will see still the endless galaxies of *My Creation* filling the heavens.

Yet every star is measured and known by Me, for I am the Spirit within each one. My Creation never ceases. It is My Own Law of Love, that I expand in multiplying Expression. In My material universe are worlds in numbers uncountable by you, filled with life as is your earth. And I know intimately each one, for My Mind encompasses *all*.

Even could you comprehend this material universe, the stars, suns and worlds, there are still the infinite Kingdoms on infinite planes of Spirit, in which My Life is evolving Perfection in My Children.

Because My Spirit is your spirit, you are eternal. In *My Perfect Love* you have your being, and when you are ready I shall lift you from your consciousness of earth life, to the higher consciousness of the greater life in another of My Kingdoms. I have prepared for you joys beyond your conception, and have already given you of *My Own Life*. Such is My Love for you.

You are not to be afraid of yourself, for nothing can ever harm you. Your thought can create your misery or your joy, but when you know My Peace and Power, all unhappy thoughts dissolve like salt in water. My Law is Perfect, and you can abide in that Perfection whenever you wish. I do not force you to come to Me. I *Love* you to come. I will teach

you how to come, for I am your eternal Home of Peace, Love, Security, and Perfect Fulfilment.

Someday, when I call, I shall rejoice in your wonderment as your eyes open to the glories of a Place I already have made for you. There you will meet again your beloved ones. They were never lost to you, and their love has ever grown in their ceaseless care for you. In My Love there is no real separation—only your own conception of parting. Could I have turned your vision fully to Me, your higher consciousness would have continued to rejoice in companionship with your loved ones, even as they have always been able to come near to you to share your burdens and enfold you in their protecting love.

So great is their joy, and so wonderful the heaven in which they live, you would never wish for them a return to their more limited life on your earth. In My Perfect Way I have ordained only expanding happiness and ever increasing Power for My Children. None is lost, and My Love forgives even the greatest sinner when each is ready to receive Me.

I am, therefore, loving you now, and all that I have is yours. You have but to ask to receive, for My Loving Response is instantly manifested. When you *know* this Truth, and can accept from Me whatsoever you need, you shall have health, peace, love, abundance, Perfection, pressed down, overflowing in illimitable supply.

In Me you have your life, for I am *Life*. You do not need to search for Me, for I am there already, wherever you are. I am the Life in your finger, the breath in your lungs, the Mind in your mind, the blood in your veins. My Spirit controls your processes of

mind and body, and in you I created a temple for My Spirit. Sometimes your thoughts of fears and worry, grief or resentment, anger and ignorance of My Laws, have disturbed the Peace in your being. I have watched and waited while you have hurt yourself and disrupted your body, and longed for you to come to Me.

I gave you government over your own life. Even though I am the Perfect Law within your being, I will not trespass into the realm of free-will I have given to you. In giving you My Life, I made you *free*, even as I am *free*. In My Own Image of Spirit and Mind, I see you, My Child. Because I gave you this freedom you are like unto your Father. This is your greatest Blessing, since your eternal future will be expressed in My Godly Ways, increasing in Happiness and Creative Achievement as you learn to use the illimitable Power I give to you.

But with freedom comes responsibility. You can choose your own way of life. If you wish to think and act contrary to my Perfect Law, you will create difficulties, illness and misery until you decide there is a better way. Even as I Create through My Universal Mind, so do you create through your mind. You are now exactly what you have made yourself through your daily thinking, your response to other people, and to your environment.

Some part of yourself has been affected by the thoughts and way of life of your forbears, for good or ill, but at all times, I, your Heavenly Father, have been there waiting to be called upon to rectify every limiting factor.

I never punish My Children. I am Perfect Love

and My Love will dissolve everything that appears to be less than perfect. I am, therefore, Perfect Forgiveness, for to forgive is the divine expression of love. What you do contrary to My Law, you do through your ignorance or weakness. But, as you come to know Me more, all these limitations will slip away in the Light of My Illumination.

Try to remember that you are always in My Presence. As you walk in the street, play on the beaches, eat your food or do your work, I am in you and in everything you touch or see. Become conscious of My Loving Presence and I will lead you quickly into joys you have not yet known.

Think not that you lack faith. My Spirit within you is the only Reality. If you think you are wanting in faith, then you have used your power of thought to create a barrier between you and My manifestation. Break free from these self-created fetters. Because you live in the midst of My Spirit, and can see Me manifesting My Presence in your own being and in everything everywhere, you have *Perfect Faith now*.

It remains only for you to use it, and to let *Me* pour forth Blessings into your life. I am your Heavenly Father, with My Almighty Power, and all the Angels in My Heavens, ready to help you in every need. Take me into your confidence, accept all the health, joy and abundance I want to give you.

In My Spirit all things are already accomplished. I will release you into unlimited freedom, for you are My Child, living in My Love. You, too, are spirit, the master of your fate, the inheritor of earth and all My Heavens now, and eternally. Set your wondrous spirit free!

CHAPTER 3

SET YOUR WONDROUS SPIRIT FREE!

I am the Light of your Life, and in My Light all My Perfection manifests. I am like the sun's light upon your earth. You are like a tiny candle flame in a darkened room. The light is the same, differing only in the intensity of its illumination.

But you are not always to remain flickering uncertainly in your shrouded abode. My Purpose is to teach you to augment your light with all of Mine.

In the little room of your personal consciousness the candle flame shines dimly. Open wide the curtains and My sunshine will stream in and fill your room with a wonderful radiance. Your light will still shine, but you will also be illumined in My Light.

And later, I will take you out of the room of limitations, and lift you into a greater Light, where you shall have the freedom of all My Kingdoms. I would give you all of these now, but you could not yet endure such ecstasy.

I have given you the power to create, even as I create. I have rejoiced in many of the good things you and My Children have achieved. As I look upon My Earth, I see how mighty have been the accomplishments of man. And how devastating has been his misuse of the Power entrusted to him.

So I come to you, to whisper the truth into your heart, for I want you to follow Me. I will lift you up into My Light, and fill your life with love and with all that is good.

I want to set your wondrous spirit free, so that you can accomplish all things I give you to do for Me. I have chosen you out of the world and, if you will come with Me, I shall reveal My Ways to you and rejoice with you in the eternal unfolding of My Love in your life.

The only real obstacle to overcome is the Self. I have given you self-dominion and naturally, in the early stages of self-consciousness, you are engrossed in the experiences of joy or pain that you create. If you look back over your days, you will see how concerned you have been about looking after the self-interest. Let Me reveal My Way.

When you become consumed with love and service for others, you will forget the self-interest and enter into My Kingdom. In self-forgetting, you will find your greater self, and Me.

The tribulations of your world are created by your own self-thinking, not by Me. In My Being there is no greed, envy, hatred, fear or selfishness. My Law is Love, and without Love My Children become depleted in illness, sorrows and grief. The ills of your world exactly express the measure of wrong-thinking and corresponding wrong action in countless lives.

My beloved one, come away from these troubles and plan your life in My Perfect Light. The dreams of Perfection you conceive I will fulfil, if you will allow My Light to illuminate you.

You have not fully understood My Law, or even the power I have given to you. I want you to know that all things in Me, and in you, are created by the

power of consciousness. You make or mar your life by the activity of your thoughts. You are exactly what you think yourself to be.

I want you to think in Love, and in Truth, so that you begin to know you are My child, with all the power of eternal life within you. I want you to share with Me the work of Creation in My Kingdoms, using My Love as your greatest creative power.

First you should put your own house in order. Resolve, in My strength, that you are finished with selfishness, pride, resentments and worry. Let your soul be radiant with My Purpose for you, which I will unfold as you learn to walk in simple trust with Me. Try to live each moment in My Consciousness, knowing that you are a channel of love through which I, your Father, join you in bringing great joy to others.

If you are in need of anything, give something of yourself or your substance to those in greater need. If you are ill, pray for and seek to help someone who is in greater pain. If disaster threatens, know that as you enter into My Peace, nothing can harm you, and that in My Power you can avert disaster which may threaten one of your brothers or sisters.

I want you to know Me, to live with Me, not solely for your own joy, but that others may be joyful because you have found Me. Your new life begins when you know that, whatever false ills and troubles abound, I, in you, am greater than all of these things. I am the only Reality, and all Perfection begins in Me.

I call you into a greater life, in which self dies, and the real Self arises. In that life you shall live in

abundant happiness, peace, and prosperity, for there is no room for anything else. In My Light, darkness has no reality.

All things that are false, all thoughts that are less than Perfect, breed of their kind. All thoughts that shine with Love for others multiply Blessings for you and for all mankind.

The theme of your new life is very simple, for all good is easy to know. My beloved Son Jesus told you to be as a child in simplicity, love and faith. I tell you to trust me completely, and to love every living creature, and all My Creation, with your whole mind and soul, then you shall be in paradise.

The time has come when My Children must learn to live My Way, or their kind shall perish from the earth. That is why I am gathering all my faithful ones in all parts of My Heavens and in your world, to bring redemption to those who walk in darkness. That is why I whisper in your heart now, for I call *you* into *My* Service.

I do not mean that your outer way of life is necessarily going to be immediately changed. The real change is within, and begins when you fling wide the curtains of your mind to let My Light fill your being. I will then guide you, heal you and multiply your love and wisdom.

You are to know Me as the Power ever within you. Then My task for you can unfold. I want you to do all things each day for *Me*. Every little task done as a loving service for *Me* will bring you very near to My Kingdom, and you will find that the love you express in this way will envelop all people whose lives touch yours.

If you know you are now enrolled as My disciple, then the way into the future is secure. Many people, having found Me, then anxiously *wait*, sometimes for years, hoping that someday I will call them into My Service. They have not understood that Work in My Service is always to be done wherever you are at this moment.

If you visit a sick friend, in love and compassion, you serve *Me*. If you pray for the peace of the world, you are a great servant. When you think and pray love in your home, in thought and deed, you truly serve My Cause. When you forget your own pains and seek to alleviate the burdens of another, you are filled with My Light. Every moment you forget yourself in worshipping Me, and loving your fellows, My Light and My Joy shines brighter in you.

The more you practise giving yourself away, the greater will be your joy and the more wonderfully can I manifest My Presence as health, power, prosperity, for you and for those I will bring to you.

If illness and trouble descend upon you through your fears, worries, irritations and lack of loving, the trouble cannot be dispersed unless the cause be first eliminated. If a doctor removes a physical ulcer in your stomach, he has not touched the ulcer of fear or resentment in your mind. If this be not cured, the body will soon become disturbed again in some other part.

All outer manifestations of discord are but the reflections of disharmony in the mind. Your body is inseparable from mind, since it is a manifestation of consciousness—*My mind* and your mind. If you are in conflict with My Perfect Conception of you, and

for you, then you will suffer that distortion in mind, body and affairs.

So, if you will, you are now My Disciple, and I will awaken in you ever greater conceptions of service as the days unfold. My Word in you is best taken forth in your constancy and will to love in ways that are immediately available. I will lead you into wonderful experiences, for if I may Guide you there is no circumstance that can frustrate My Perfect Expression in your life.

I want you to know that you are one of a mighty army of disciples. In My Heavenly Kingdoms are millions of great ones who have evolved in My Love. They gather in My Power to expend themselves in the service of man, to herald in the new age that is dawning. I promised that I should eternally set my Angels in charge over you, and it has been so from the beginning. But now man is ready for a greater upliftment, a greater enlightenment, and My Heavenly Hosts descend from their High Estates, lovingly to sacrifice themselves for you and for all mankind.

On your earth I know millions of My Children who, like you, are ready to be called into immediate Service. They, too, are being awakened into a clearer realisation of their mission. I am with them, whispering My Love and My Purpose, even as I do to you. I have sent My Messengers to all parts of your world, to bear witness of the Golden Age now being born.

I tell you these things so that you may understand you are not alone in My Service. I call you not to create another Church, but to serve first in My Shrine in your heart, that you may then share your love wherever I may lead you.

There are endless ways in which My Disciples serve. And each one who gives of himself in love, is in communion with Me, with all My Angels, and with every soul on earth who likewise fulfils My Will. All My Children in Heavenly states and upon earth, live and move, and have their being in Me, for I am *All*.

As My Disciple, do not be afraid to bear witness for Me. I choose you out of the world, that others may follow. Take My Word amongst them. Tell them the Truth that I am the only Way to perfect life. Proclaim that I am Health, Happiness and Prosperity. Tell them that every day I am Healing the sick and changing misery into joy, amongst those who follow Me. Bring them words of good cheer, let them read the words which brought you joy, show them how to *prove* My Love for them.

Whatsoever you seek to do in My Name can never be lost. Often the seeds appear to fall upon stony ground, but that is not your concern. The seeds that you plant with love will one day bear fruit a hundred-fold, and another soul will rejoice, even as I rejoice with you, both in the sowing and in the harvesting. If you do not sow these good seeds neither can your own harvest be gathered. It is My Law of Love that what is sown selflessly shall return abundantly so that greater, and even greater sowings and harvestings shall accrue.

In Me, therefore, you shall prosper in every way, for all that I am is yours also. Let fall your chains, open your soul to My Healing Light, and stand forth as My Child.

I bid you enter into the fulness of My Consciousness, that you may partake of all My Treasures. I ask of you only Love and Faith, for with these great qualities working in your life, you will soon leave your ills and troubles behind.

You are to enter into My Perfect State. Claim it. Know you are there. Lift up and My Spirit will enfold you with Perfection. In Me, and through Me, all things are already accomplished, for My Response to you is instantaneous. You can have all you desire as quickly as you can consciously accept all I offer.

I do not remove obstacles from your pathway. I seek to teach you to overcome in My Strength. If there were no overcoming, there would be no self-consciousness, because you are what you are today through overcoming, through taking possession of your body and your environment and moulding them according to your will.

It is important, My Beloved one, that you should understand this Truth. When My Son Jesus commanded the man with the withered arm to stretch it forth, He was instructing him to take possession of Perfection and to manifest My Healing in the full use of his arm. He said to that one lying on his bed of incurable sickness "Thy sins are forgiven thee . . . take up thy bed and walk." He pointed to the cause of the illness, claimed My Perfect Forgiveness, and it was for the man to take My Health, which he did.

It is My Perfect Plan for you that you can enter into My Kingdom and have whatsoever you will. I cannot make you eat, go there, come here, nor force

anything upon you, because I have given you the right to choose what you shall have. If you are prepared to accept illness then you will keep it until you change your mind. When you choose health through Me, then I am the Health that was always there. Take what you will, as much as you like. Whatsoever you ask of Me I shall give to you as quickly as you know you are receiving it.

Be patient and steadfast. Some of the old habits must be unlearned. Cultivate My Presence, fill your heart with love and forgiveness for all your fellows. I shall be with you in every thought and deed. Soon My Light will transform you into your real Self—the one who lives to serve Me in loving sacrifice for all.

My Child, my Disciple, go forward to victory. You are invincible in Me, greater than your highest dreams, wonderful beyond conception. You are as dear to me as the greatest in My Highest Kingdom. In My Love, all things in your life will be perfectly accomplished.

All your sins and errors of the past are lovingly forgiven. In your new purity, be simple and perfect—not in your power, but in My Love.

CHAPTER 4

ABIDING IN ME

I have told you, Beloved, that I am the Perfect Consciousness in you. Because you are self-governing you also live in your own personal consciousness. My Purpose in your life is to open your little self, so that you may be lifted into My Consciousness.

What you do in your own consciousness is limited. That which can be accomplished in My Consciousness is unlimited. Therefore, when you can love and think with Me, your life will evolve perfectly and eternally.

I want you to dwell in My Kingdom of Peace and Joy. It is always there awaiting your entry. The more time you spend in My Consciousness the quicker will you learn My Ways. A Disciple must ever sit at the Feet of His Master if he is to receive of His wisdom and guidance.

So you, too, should decide to sit in My Radiance, and thus become filled with all My Perfection. The Master Jesus instructed you to seek first My Kingdom, to live according to the Laws of Righteousness, and that then all the things you could ever need would be added unto you. To enter My Kingdom He told you to be still, and *know* that *I am God*.

As I am Consciousness, and you are also consciousness, you can only know *Me* in your mind. My Works through you can and will be manifested outwardly, in your body, your affairs and in those you seek to help. But you can only know Me in and through your mind.

When Jesus said "Be still, and *know* that I am God," he meant that you can only enter My High Consciousness when you turn your consciousness away from self to contemplate *Me*.

While you are busy eating, playing, reading, working, your attention is more likely to be fixed upon the things of the world. If you are faced with pain, illness, disaster, in the human consciousness you will probably be in a fever of worry, or concentrated effort to escape from your dilemma—too busy to centre your attention upon Me.

In your everyday life everything becomes real to you when your mind rests upon it. The flower you did not know yesterday becomes real to you today when you see it. It was there in My Mind yesterday, but not in yours. Without exception, the things you have possessed or known since the day I sent you into the world, only became mentally yours when you consciously accepted them as real.

If you would enter My Kingdom you must naturally accept it as a Reality. Unless you *know* I am with you, you cannot become aware of My Power. That is why you are called to use your reason and to see clearly that your world, all it contains, and you yourself, could not exist without My Intelligence and Love. Everything you have ever seen testifies of My Presence.

So to come to Me, you should forget yourself, your troubles and the worries of the world, and simply be still with me. *Be Still!* What wonder-working words!

To leave on one side all the conflicts and tumult, to put away pain and fear, and to enter into My Paradise of Peace is the ecstasy of life.

Beloved, I am there whenever you come to Me. Do not strain to find Me. There is no mountain to move before you can enter. The password is your love and your longing to commune with Me. The very moment you decide to sit down and be still in mind and body

for the purpose of being with Me, *I am there!*

It is so simple, so lovely. Relax and allow Me to fill you with that Peace which is Mine—a greater Peace than you have ever known. Breathe quietly and deeply, abandon all effort, and *know* that I am Peace, Health, Joy, Success, Supply and everything that is Perfect in you.

As you remain in that Peace you will begin to feel poised in My Spirit, and My gladness will pervade you. Your weariness and fears will slip away and I will reassure you about everything that has been troubling you. Because you come to Me, I will go before you and open out new ways for you. I will take you under My Protection and give you strength to overcome every obstacle.

As you sit there in My Presence for a period once or twice each day, you will begin to know that your life is being changed into a wonderful and joyful adventure. The Power I give to you in these quiet times of happy communion will remain with you as you go about your daily adventures. And the pains and troubles will be lost and forgotten in your joyful realisation of My Presence.

Trust Me, beloved, with your whole soul. Try not to come to Me in doubt, because you then hesitate on the threshold of My Kingdom. Come boldly in, and be replenished and multiplied in My Blessings.

And when you depart from the Kingdom, please do not then fill your mind again with the old fears, illness or tragedy. Keep yourself poised in My Peace. None of these things can overcome you unless you allow them to do so. Perfect trust eliminates all fear, all ill.

If you have known that I am Healing your need,

and then you return to the old fears you shut the door in My Face. In effect you said in the stillness of My Presence, "In You, My Father, I am in Peace, Health, Joy and Perfection." Then, when turning again to your pain and trouble you say, "Never mind, Father, about the Peace, Health and Perfection. Just leave me for a while until I try to deal with this myself."

And I must let you go on hurting yourself, because I gave you the right to think and act as *you* should decide. If you abide in Me, always, with simple love and trust, then My Eternal Promise to you will be fulfilled, and *all* things shall be added unto you. Seek, and you shall find. Knock, and it shall be opened unto you. Ask, and it shall be given to you in overwhelming abundance and Perfection.

I call you to be My Disciple, My Own Beloved One. As you serve Me, so shall I serve you, for as your love is to serve, so My Love for you is to serve you. I give to you My Life. All that I am, you are, too, for you are made in My Image in spirit and mind.

I send to you My Angels to accompany you on your journey. I send your loved ones from My Higher Kingdoms. I send you My Messengers on earth, and new friends who will share your joys and discipleship. You are one of a mighty host, marching to bring Light into darkness, Peace into chaos, joy into sorrow, health into illness, prosperity into poverty. Take up your new adventure and go forth in My Spirit, to heal the sick through prayer, to help the afflicted, to pour out your life in love for all those I send to you.

As you lay down your life for your friends and forgive your enemies, loving all, so shall I take up your life and magnify it in My Eternal Service.

My Blessing is upon you and upon all your loved ones, now and always.

CHAPTER 5

HEALING IN HIS LIGHT

(1) *Health.*

Thank you, Father, for I am filled with Thy Health. As I enter into Thy Kingdom, my mind and body instantly partake of Peace and Wholeness.

Forgive me, Lord, for all past transgressions and for every wrong, known or unknown, which has harmed me, causing illness in myself, or others. I here and now accept Thy Perfect Forgiveness in Thy Perfect Love, and know that I am made whole in mind now.

In this new purity, I know all causes of every ill are removed. In this purity I forgive everyone against whom I have been resentful. My heart and mind are absolutely free from every taint of irritation or wrong thought against any other sister or brother.

My heart swells with love for Thee, and for all. Help me, Father, to give more and more love, to more and more people. Help me to expend myself in loving prayer and service, for I am now one with Thee, seeking only to abide in Thy Perfection.

I accept the Perfect Health now radiating through me. I release to Thee, Father, every ill of mind or body, and know that I am already made whole in Thee. I accept this wholeness, not for myself, but so I may serve Thee well. I accept perfect health so I may give more freely of myself in love to my family, friends, all those You send to me to help, and to all sick people everywhere.

I pray here and now that Thy Healing Light may shine forth into the lives of all who suffer. And I give thanks for the Healing Power now manifesting in them all. I pray for Brother Mandus and Mother Mary, for all their Sanctuary Work, and for all who serve Thee or are being served, throughout the world.

I thank Thee for all the Blessings that have filled my life since the day I received life from Thee. Thank you, Father. In Thee I am made whole.

(2) *Happiness—Prosperity*

Thank You, Father. In Thy Kingdom I am lifted into perfect happiness and abundance.

I seek to live in accord with Thy Perfect Law. I surrender my life to Thee, seeking only that Thy Will shall manifest in everything I do.

I acknowledge, Father, that I am filled with Thy Spirit, and that my purpose in life is to create multiplying joy, happiness and prosperity in others. I know that because I am given to Thee, all my needs are already abundantly met. In my life right now is flowing only abundance, happiness, prosperity.

Yet I do not seek these things for myself, but living as I do in the midst of Thy Health, and Prosperity, I become a perfect channel for sharing these Blessings with my friends and others in need.

In Thee, I am Perfect achievement. In my work, Thou art also there. In the money that comes to me, I see only Thy Love, for Thou art the source of all my Supply. As I work, I serve Thee, and give of myself in love to those for whom I work in the world.

In simplicity, in love, in trust, I leave all my affairs in Thy Care, and joyfully know that I am being led into the highest fulfilment of my life. In every way, Father, Thou art in full control and Thy strength in me makes me invincible and perfect in all I seek to do.

Thank You, Father, Thy Will is manifesting in me now as Peace, Health, Wholeness and Prosperity.

(3) *Love—Friends—Family*

Thank You, Lord, for I am magnified in Thy Love. Thy Kingdom of Perfection enfolds me, and I am lifted up into Thy Perfect Consciousness.

I know, Lord, that as I am lifted up in Thy Love, I may draw all the world unto Thee. And this I do now and daily, for I enfold every living soul in an ever growing love. As my love expands in Thee, Father, I seek to share it with all the world. As I pray now for all humanity, I know wonderful Blessings are released to each one.

I hold each member of my family before Thee, Father, and know Thy Love is illuminating them. I see only the Perfect in all, for Thy Spirit is there, even as in me. I forgive each transgression in them because whatever is done outside of Thy Law is done in ignorance of the Truth. I realise the Perfect in them, and call forth that Perfection into ever-increasing manifestation. In Thy Love, all things become perfectly fulfilled, and each member of my family, and all my friends are now Blessed in Thy Love and in mine.

I pledge myself to live nearer to Thee each hour, to forget myself and all my frailties in an ever greater

outpouring of myself in selfless service. As I overlook every imperfection in others I rejoice and am thankful that others are forgiving my transgressions, even as I am forgiven by Thee.

I rejoice, and glorify Thy Name. I take Thy Word forth to help others to find Thee. I share my Blessings, and count them one by one. Thank You, Lord, for them all and if I had a thousand hearts, a thousand lives to give, I should give them all to Thee.

Use me, Father, more and more in every task, in every opportunity, in every way, to bring Thy Healing Light to all Thy People. Thank You, Lord, for everything.

(4) Prayer for Healing

Thank You, Lord, for Thou art with me. And in Thy Peace and Power I am a perfect channel of Healing Blessings for every troubled and sick person on earth.

As I sit in Thy Kingdom now, I am radiating Thy Healing Light into the hearts and minds of all Thy Children.

I especially hold before Thee, in Thy Perfection ———— and ask that Thy Divine Light shall sweep away all darkness.

Because I ask, I know that immediately Thy Will is being done. I realise that ———— is one with me in Thy Kingdom and is right now immersed in Peace, and Perfection. I see him/her as already perfect inwardly, in spirit, and know that this inner Perfection

is released into abundant life in mind, in heart, spine, nerve system, bloodstream, arteries, arms and legs. He/she is glowing with Thy Health and Vitality and every cell, every organ, responds to Thy Perfect Life within.

(If laying on of hands)

As I place my loving hands on this place which seems to be sick, I know I am a perfect channel through which Thy Love is shining. At this place, therefore, Thy Spirit reigns and all pain and disorder, and the causes of that disorder, are right now dissolving before Thy Perfection. I know that where Thy Spirit is called into manifestation Healing naturally takes place.

In Thee we have instant response, and I am thankful for the Healing Love now enveloping _____ and all is well.

I leave him/her securely in Thy Care, knowing that Thy Power is manifesting as perfect health every minute of every hour. Thank You, Father.

EPILOGUE

WE LOVE—WE SERVE

In presenting this little book to you, I know our Beloved Lord is speaking to you, and to me. We shall both, therefore, go on our way happier, stronger, more adventurously through our joint communion with Him.

If I can help you in any way, please do not hesitate to write to me. I will gladly pray with you and for you. I *know* God is helping you. I know that any ill can be Healed through Him because my files in the Sanctuary are full of testimonies of wonderful Healing. My work is to help you—freely, gladly, unconditionally. I ask only your love, your earnest application of the Divine Principles. I will write to you each week and help you in my daily Intercessions.

There are no charges for Sanctuary help, but a stamped addressed envelope should be enclosed for my reply.

You, too, can serve the Father in many ways. He will reveal countless opportunities. Here is one wonderful way. Even as you have received a Divine Blessing in reading this booklet, you can share the good news with your friends, the sick, ministers of any church, leaders of groups, and with those sent specially to you by the Father.

As a little weekly, or monthly sacrifice, will you send one of these 1/- booklets to your friends, as a *regular service* to God and them? If you wish, we will post them direct to whomsoever you direct on request. Or you can order and post them yourself.

In such a service you will bring eternally multiplying Blessings to countless people, which return to you a thousandfold. As readers find the same Truth, so will they in turn send out to others. And so God's Work expands, and many will Bless the day you sacrificed a little time, a little gift, to send these Blessings on their multiplying course. Thank You, Father.

If you obtained this book from a Bookshop, Church or Truth Centre, you will help our distribution cause if you will secure further copies from the same place.

CRUSADER CONSECRATION

TAKE my life, and let it be
Consecrated, Lord, to Thee.
Take my moments and my days ;
Let them flow in ceaseless praise.
Take my hands, and let them move
At the impulse of Thy love.
Take my feet and let them be
Swift and beautiful for Thee.

Take my voice, and let me sing
Always, only for my King.
Take my lips, and let them be
Filled with messages from Thee.
Take my silver and my gold ;
Not a mite would I withhold.
Take my intellect, and use
Every power as Thou shalt choose.

Take my will, and make it Thine ;
It shall be no longer mine.
Take my heart, it is Thine own ;
It shall be Thy Royal Throne.
Take my love ; my Lord, I pour
At Thy Feet its treasure-store.
Take myself, and I will be
Ever, only, all for Thee !
