*But seek ye FIRST the Kingdom of God, and His Righteousness and all things shall be added unto you.*"—Jesus.

## **THE VISION.**

**H**OWEVER much we fail, or deviate from the eternal pathway to God, we still must someday walk along that Christ-Way before we can find our real Home, where all is GOOD.

We NEED God more than anything else in the whole of our experience; yet we resist Him, consciously or unconsciously. He draws us like a magnet; yet we pull against His Love with our doubts and worldliness. Let us see how we can let go and be lifted into the Peace for which our souls yearn. Let us find this Kingdom now, together.

So many good friends who seek the Kingdom of God proclaim their failure to enter the wonderful Peace which is so tantalisingly held before them by the Lord and the Saints, mystics and countless others throughout recorded history. It is so paramount a human need that we MUST seriously try to eliminate the difficulties and simplify the process by which ordinary God-seeking folk can FIND the Kingdom.

Perhaps the only way to help anyone else is to try to reduce this heavenly experience to words which relate personal adventures in this seeking and finding. I trust you will forgive me if I share with you my own secret thoughts, but I yearn for everyone to share these Healing Blessings of the Great Peace. I do so

with deep humility, fully conscious of many shortcomings, and only because I KNOW mankind can only be saved through Christ.

In the first place, of course, I accept completely the Truth of the indwelling Spirit of God. And I remember now (and am always recalling it) the greatest experience in my life; that one vital moment when I was baptised by the Holy Spirit within. For one perfect second, unexpected, unheralded, and while I was doing a trivial task, my personal mind and body was FUSED in LIGHT; a breathless, unbearable LIGHT-PERFECTION, as intense as the explosion of a flash of lightning within me.

More unendurable than the Holy Flame revealed as LIGHT, was the Perfect Nature of Christ which extinguished Self. In this timeless second I knew a Love, Wisdom, Knowledge and Ecstasy transcending anything I could understand or describe. I was lifted into the midst of God in Whom all people, all worlds, and every created life or thing moved and had their being. Perfection! Had I been suffering from the worst mental or physical disease known to man, in that LIGHT I should instantly have been made WHOLE.

In that moment I knew my Lord dwells within my own being, and within everyone else. In that one moment I knew the Truth of His Eternal Reality, and that He was ALL, that my Father and I are ONE, that all people and the Father are ONE, and that we are all ONE with each other in His Spirit.

I knew that troubles, illnesses, and pain did not exist in that Perfection. Here NOW, within me, and

within all, was the Living Spirit of God. This WAS the Kingdom of God. My Kingdom and yours. The Great Reality. I had found it !

I WAS BORN AGAIN, for I had found my Father. In my now definite KNOWLEDGE of eternal life in His Eternal Presence, I knew also the truth of eternal life, in love and freedom, for all mankind. As my soul became infused with the Divine Love I gave my life to Him. He called. I, very simply and humbly, followed—not in my own strength, but through the Love and Grace of my Lord.

I have not had such an experience since. It has not been necessary, because I now naturally accept His Presence in the midst of every experience. And He, just as naturally, reveals His Love and Guidance all day long. We breathe the air together, work together, and dream dreams for human salvation together. My Father and I are ONE—because, like a child, I accept that as the BASIC FACT of my life and daily experience.

My days seem to unfold in three main themes :—

(1) I need constantly to enter the Kingdom—to abandon myself to Him in the Silence of my soul.

(2) I need to speak words of prayer, to speak to the Lord, who instantly hears and instantly responds. I find that being one with Him in the Peace is usually enough for all my personal needs, but that I need to speak to Him for the Healing and Blessing of others ; and—

(3) The whole day long I rarely find myself unconscious of His Presence. All my work of Intercession, Healing, lecturing, writing, planning, and most activities are performed WITH Him and FOR Him. As I humbly and lovingly and constantly offer my life to Him, through the Love and Grace of Christ, self-surrender becomes more complete, and every service for others is a JOY against which every other kind of joy is like moonlight compared to summer sunshine.

Let me briefly outline the simple procedure I adopt, and which has brought such heavenly experiences, love, peace and purpose in His service.

THE SILENCE.—I just sit still either in a comfortable chair, bolt upright on a hard one, or even lying down in bed. I find, with practice, the posture matters little, for one learns to slip into the Presence at any time, anywhere, even standing up. Remember, GOD TAKES US into His Inner Kingdom as soon as WE remove our resistance.

I become quite still. I consciously think LOVE to every living soul, forgiving all, repenting my own weaknesses and thankfully accepting God's forgiveness. Then simply, and completely, I KNOW that I am poised in His Holy Spirit; as simply and realistically as I know I am in the midst of the air I breathe. As I come to Him, He is already there waiting for me. And I enter His Peace, and think no more.

THERE IS NOTHING TO DO. The FATHER does all that needs to be done. If thoughts intrude about anything outside, such as troubles, pain, sickness or to-morrow's work, I gently turn back to

my Lord thinking thankfulness, surrender, joy, peace. "My Father and I are ONE." "Here is my Life, Father—all I am, all I possess—I lay it down for THEE. This moment, this day, eternally, THY WILL, not mine."

"And through the Love and Grace of Jesus Christ, I am again abiding in Thy Kingdom, in Peace and Love."

The Silence in the Father's Presence grows deeper as I practise coming to Him. Sometimes I am lifted up and seem to expand in some indescribable way, and realise ONE-ness in a universal sense.

I have discovered that we should not worry about lack of ecstasies and illuminations—such experiences are rare. God expresses Himself in easily realisable states of mind, daily experience and opportunities. LOVE—a swelling, GIVING kind of Love, is a Divine Experience. So is peace of mind, thankfulness, worship, praise, joy, determination, strength, desire to serve, and all those kinds of thoughts which are positive and progressive.

Quite definitely we should NOT pray in the Silence—it is the time for God to do all that needs to be done. Our task is to allow Him to do it. Then it is absolutely amazing how ALL things for our joy are added unto us, pressed down and running over—love, wisdom, happiness, achievement and supply.

When I am taking a Healing Service and Lecture, I sit for as long as possible in the Kingdom before it begins. The noise of people entering the hall or

church, and every kind of tumult disappears as the Lord takes me into His Peace. I just know that everyone else is being drawn into the same Presence. I never need to prepare the lecture or do anything except be ONE with God.

Then when the time comes for action—He does all the work. He gives the inspiration and He does the Healing—and wonderful it is to witness His immediate response to prayer as people visibly become Healed, some completely—others greatly eased and shown the way to future freedom.

We become so obsessed with the need to DO, that we often prevent God from giving us exactly what we need. We insist on emphasising our ills and troubles until our very petitioning about them only serves to magnify their reality and their horror in our minds. Leave them outside the Kingdom—it is sufficient to find God, and to fulfil His Laws of Righteousness, when all else is freely given to meet every need.

So I take a separate period altogether for wordy prayers. And even then, I have found the need to be very careful. We become so bold in our clamouring that we are often blind to our real needs. The outer ills are so often the true reflection of some inner disturbance, some negative expression, that we should do well to pray for more love, grace, humility and willingness to give of ourselves to God and our fellows.

When we pray for others, we should look above and beyond the outer man and see only the indwelling Christ—the perfect man, and pray that this Perfection Within shall rise into the conscious mind and permeate

his entire being. Thy Perfection, Thy Will, O Lord, be done. We must believe that our Father is instantly responding and that Blessings are manifesting in the right way. It is impossible to pray, with love and faith, and not receive a Response. God *always* answers prayer, when we pray rightly.

In the Silence we rest in the warm sunshine of God's Love. In prayer we cleave the darkness with a searchlight of love, focussing Perfection on the objective which hitherto has been darkened with trouble, misery or pain. And finally, the love and faith, grace and power, that has been born in us in the Silence manifests with dynamic precision in everyday activity.

Like Brother Lawrence, we learn to practise the Presence of God by lovingly and humbly executing *every* task. We do each service for Him, not for ourselves. And we LIVE. We love—and we give. We Love—and we LIVE.

It all became so simple once I observed the principles of, first—the Silence, being One with the Lord; secondly, prayer, and thirdly, activity following His Guidance, doing all things in His Presence, in His Service. All so simple (a) when we accept the idea of simplicity; (b) when we accept the basic truth of God's Presence WITHIN; (c) when we observe the Law of Love; and (d) when we honestly give our lives to Him, humbly seeking only His Will, now and eternally.

Then He makes up for all our weaknesses and His Wondrous Spirit reveals the Glorious Christ in our souls—and we are reborn in the Greater Life.

In the Christ Consciousness we enter the realm of love, tolerance, wisdom and understanding. That is why our World Healing Crusade is completely inter-denominational. That is why we are above spiritual argument or conflict.

We seek to build up every spiritual organisation—not to deplete them.

We are not another church or “ism,” but the yeast which leavens the whole. **WE SEEK NOTHING FOR OURSELVES.**

We honestly try to contemplate all humanity as Christ must survey it. Therefore we have no bias, no criticism, no conflict with any church, creed or organisation.

All we say is : Let us bring to life the old faith in God, let us believe and act as though we believed. Let us saturate ourselves with love, and thus become channels of Blessing, through our simple faith, to all.

**The Jesus Christ Principles of Love, Forgiveness and Faith in God are common to all denominations. We go no further, and therefore are not concerned with crossing the t's and dotting the i's of the doctrines of the hundreds of different churches in Christendom. We go all the way with all of them in these fundamental principles, seeking unity in Christ's Universal Cause.**

Let us make His wonderful Message of personal salvation a living Truth that will lift our civilisation from looming disasters into the Peace of the dawning Christ-Age.

## OUR FATHER.

*"In the silence of my soul I listened to the Lord."—Bro. Mandus.*

**I AM your Heavenly Father and My Light is within you. I come to you now with all My Perfect Love and Infinite Power, to help you.**

I have been with you from the beginning. I see for you only a vision of perfect accomplishment. I have prepared for you a Way of life from the hour I breathed My Life into you. You are My Own Child, and My Love for you is revealed in the fact that you are alive.

It is important that you should understand and accept the Truth that you live in the midst of My Spirit. I AM, and you ARE. I am the Life in your life. I am the Mind in your mind. I sustain every activity of spirit, mind and body. It is MY Consciousness of you which enables you to live.

Yet I have watched you in sickness and trouble, and longed for you to enter My Light and be perfect, for I AM your Perfection. You must understand this Truth before you can become whole and free. I AM the Way. There is no other.

I want you to lift your vision so that you can KNOW Me, and inherit your Kingdom. I made you FREE. I gave you self-consciousness. I gave

you almighty power over your own life, for you have free-will. You can live in darkness or in the Light. You can be ill or well, rich or poor, sad or happy, loving or hating. But if you choose to break My Perfect Laws you will hurt yourself. When you abide in Me, and fulfil the Law, all happiness is yours. MY Freedom is PERFECT-  
TION.

It is natural that you must KNOW your Lord if you are to live and Work with Him. That is why I come to you now, to praise you for all you have achieved thus far, and to point to an infinitely higher goal for you in the future. I am the Way to illimitable expression through you. I want you to dream dreams with Me, and I will fulfil them through you. For you and I, your Lord and your Father, are ONE.

I am within everything, seen and unseen. I am the atomic energy discovered by your scientists. I am the stars and the sun. I am the life within every seed, the Perfection in every flower, the beauty in each sunset sky and the rustling wind in a field of ripening corn. I am the music of sunlit water flowing from the hills. I am the great sea which greets the mighty rivers of water and of life.

Not one blade of grass can live without ME. The sun would become a void were I to cease my thought for it. Your lovely world would cease to

turn, and day and night would die in the oblivion of a godless emptiness the moment I withdrew My Love, My Spirit, from it.

For what can exist without thought? Your home, every chair, car, train or man-made work of art or substance was born in man's mind. The music of the great masters was created in the realm of mind, inspired through MY Mind. Everything ever created by man is the product of his thought, of his imagination, of his ability to use his mind in godlike creation—godlike because you, **and all My children, are made in My Image of Spirit and Mind, which *must* express in creative activity.**

It is, therefore, easy for you to **know** that all the wonderful creations you see in your world **can only exist because I am there.** My Universe, and My Worlds reveal My Purpose and My Handiwork. The evidence of My Living Presence in your midst is to be seen wherever you are at any time. When you look at a flower, you see ME. When you walk your streets or enjoy a moorland scene, there, in everything, am I.

And for you, My beloved one, I am within your own self. So near, so loving, so thoughtful for your well-being. I am the Power in your mind and your body. I keep your heart beating, the blood circulating, and create in you every minute millions of cells to renew your body. My consciousness of you

is always perfect expression as health, joy, happiness, wisdom, love, and perfect achievement.

**And even as I AM your life, MY spirit dwells within each of your brothers and sisters, wherever you meet them. Remember this, beloved, in your daily work.**

Because My Life is eternal, so likewise is yours. Nothing can ever harm you, for you are Spirit, eternal, indestructible, and in the fullness of experience you will learn how to express more of your wonderful potential through My Spirit.

I want you to accept this fundamental Truth, and never worry any more about it. I am always with you, instantly there to help you, to respond to your every need. If you will **believe** that your Lord is with you, and that I will go before you into every daily experience, then you have finished with fear, resentment, illness and all troubles. For who can be ill, or troubled in the Presence of His Lord?

From this day you have perfect faith. From this day your life can be based on the simple and absolute conception and understanding that My Kingdom is **WITHIN**.

You may retain any and every kind of creed and outer aid to worship. My Truth is in all Churches, because I, the Great Lord, am in every heart and mind. But the great Truth missed or ignored by My people, because they have not generally believed it, is that I am Within. The

only "place" you can ever contact ME is WITHIN your own being. You can see me in expression everywhere. You may join with hundreds of others in wonderful devotion and worship in any church, but still your individual communion with Me can only be accomplished by **realising** My Presence WITHIN your own self.

Your real need therefore is to live in this **realisation** of My Presence, knowing that as you work with Me, I will fill your life with wondrous Blessings. And if you love your Lord, if you long to find ME, then, knowing where I am to be found, you may BE STILL and let me draw you into MY Inner Kingdom.

That is your only need : To abide in ME, to enter the Great Peace and Perfection within You. As you become still, as the turmoil of your mind becomes quiet, and you close your vision to all the things of your world and your body, **you can be with Me.** Then I will heal your pains, soothe your mind and bless all your affairs with My Power and My Love.

Bridge that gulf between us. Begin to know I am always with You. Devote some time every day to ME in the Silence of your soul. There is no difficulty, no effort. To come to Me is the easiest of all human experiences once you **know** I am there. You are not to search anxiously for Me. I am there

already, awaiting your coming. Be still; and KNOW I immediately fill you with My Peace, My Love, and My Perfection. I AM Health and Joy, Happiness and Success. All that I am is already yours.

I come to you to make you invincible. I come to point once more to My Great Laws, and to show the only way the peoples of My World can become free. I come to YOU because you are ready to receive what I have to say.

Listen, beloved !

## **THE GREAT LAW.**

*" Love is the Truth that makes man Free."*

**M**Y peoples, grown clever and wicked, and led by satanic powers, are in revolt against ME. They are in danger of destroying their heritage and extinguishing life on the earthly home I have given them. My Life, your life, is eternal, and I have prepared many wonderful worlds for your delight, but it is foolish and painful to destroy that which should be cherished. And in the destruction of physical bodies and man's own created works, grievous hurt is caused to the minds of all my children everywhere. For all are one with Me. If one be harmed, all are harmed, for My Law of Love is wilfully set aside.

This is indeed a clever and wicked generation of men. The greatness of soul is buried in the worship and glorification of Self. Is it not My Law that you shall LOVE one another? Yet millions of my people have been slain in your great wars. Multi-millions still suffer in spirit, mind and body. And the wealth of your nations has been squandered in destruction; wilful, angry, suicidal destruction. The Law of Love has been set aside by man, and he is even now reaping his harvest of pain, poverty and disaster.

You are FREE! You can love, or hate, as you choose! Because I give you free-will I cannot directly interfere, except by revealing the Truth, the Perfect Law. If you break my Laws, then only hurt can accrue, for the power of your thought is god-like. If you create chaos, warfare, pain and poverty, then you are responsible only to yourselves. As you think so shall you be. If you abide by My Law of Love, then your paradise is wherever you are at any time.

I am Calling to you because you are ready to do your part in bringing Light into dark places. At this very time in human history, mankind is preparing to destroy itself. Have you not discovered how to unleash the very Power of My Spirit in atomic explosions? That secret which can make man great, will destroy him and his world if he does

not grow in wisdom and love, in time to prevent disaster.

If you look back over recent times you will see how great your power to destroy has become. If you analyse the present position you will agree that you already possess the means to bring the entire world to the precipice of complete annihilation. The forces, world-wide, behind this power to destroy are simply fear, selfishness, intolerance, hatred—all expressing a lack of Love, all breaking My Supreme Law of Love. So you see how IDEAS, THOUGHTS, held in individual minds, collectively cultivated, become national weapons capable of destroying your civilisation. What Power I have given to My Children !

The time is now ripe for vital compensating action. Your world can be saved the horrors of atomic death, but only if urgent, dedicated action be taken. Right now, all over the world, my enlightened peoples are moving into action. The ranks are swelling. The inherent Love of all people is lifting in the face of grim reality. They are as dry tinder waiting for a spark to bring the fire of My Holy Spirit into manifestation.

My peoples are HUNGRY for ME. They are sick for want of Love. They perish because they have not found ME. The Great Call is now reaching them, even as it reaches **you**.

Understand, beloved one, that the real answer to these international and national dangers is not vested in governments but in individuals. A government merely reflects the consciousness of the people. When the majority are living in Love, in Peace, with ME, then, of course, there will be no wars and only Peace will reign on earth.

This is a glorious opportunity unique in history. The people everywhere are sick, fearful and angry about war. They want to live peaceful, happy, healthy lives. They have learnt by experience that it is not good to break the Divine Law, and are ready to follow a clear, sensible, practical lead which reveals MY Way.

MY WAY begins with YOU. Never mind the others, for I am within them, too, and will bring My Light to all as soon as a response is there. Mankind can only become free by **individual** realisation of My Almighty Presence. That is why I am NOW Calling YOU to intensify YOUR realisation. **I want YOU to live as a perfect example of MY Love.**

My Purpose for YOU, if you are willing, is to lift you up, so that MY Light may shine through you to Bless your world. I want you to have simple trust in Me, and to know that in dedicating your life to MY Service, wonderful joys will come into your life.

I want you to promise ME that you will fill your life with Love every day. I want to teach you how to forget yourself, to forgive all as I forgive you, so that My Love can shine in you. I want to help you to sacrifice and work for ME. I want you to do all your work in dedication to ME, so that I can fill your work with Perfection. I Call you into My Service, as a Disciple, and the challenge of this day is the knowledge that you **can** follow in the footsteps of the Christ.

Whatsoever you ask of Me in service for others, I will do it. I am Health, Joy and All-Power. You are to learn to Heal others by asking Me to do it, and by helping others to understand the Truth that is given to you.

Be still, and know I fill you with Power. Go into daily action, knowing that My Spirit, and My Angels, go before you. Take unto yourself MY Strength, forget yourself, become WHOLE through Loving. And abide in MY Joy forever, knowing that you bless all humanity by your Work for Me.

## THE LAW OF FAITH

*"Love is the Great Law. Faith impliments it."*

**I HAVE spoken to you of Love. I AM Love. It is fundamental to everything you will accomplish in your eternal Mission.**

You know already that consciousness is a mental realisation of self and of experience. Your only power of creation lies in the mind. Naturally, every thought is a living vibration, a force that **MUST** express itself in outer equivalents. You are literally what you think yourself to be, and create what you think.

Your greatest need, as I have told you, is to **KNOW ME** as the indwelling Reality of your own self, and to express yourself in thoughts which are controlled by My Law of Love. It will quickly be seen that such thoughts will always create good works, kindly acts, tolerant gestures to others, good workmanship and a positive outlook. A realisation of My Living Presence immediately eliminates fear, worry, strain and unhappiness. So when you live in awareness of My Presence, with **simple** trust in My Power, and fill your mind with Love, you will have eliminated all the thought forces which could destroy you physically, and harm you mentally.

Now here is the Great Truth! With Love and simple Faith everything in your life comes under

My Perfect Law and Peace, Health, Joy and all good manifests in your life. You begin to know ME as Health, Happiness, Prosperity and Success—realities which inevitably flow when you abide in My Kingdom.

Be as a little child in simplicity and love. Keep your vision clear by this simplicity. Remember that in all My Churches the basic Truth is the same—My Kingdom Within, the indwelling Christ, My Law of Love, and simple childlike trust in ME, your heavenly Father.

LIVE that Truth, and know you are Crusading in My Cause to bring Salvation and Peace to mankind. I, your Great Lord, Call you into My Service, here! Now!

## **YOUR ETERNAL MISSION.**

*"The Children of God are the Light of the World."*

**I** AM the Lord in whom all creation lives and moves and has its being. I AM Almighty Power and I am Almighty Power in YOU, for you are MY Own Beloved.

I know the past, the present and the future, although I am timeless, eternal. You are made of My Own Spirit, and therefore are eternal also. When I willed that you should spring into personal life in the depths of My Life, I knew that All of

My Nature was within you. I created you in MY Own Image, and gave you all My Power.

Your task in life is to learn how to use this Power, and to know that All Power is My Love. I am always with you, and always ready to respond to you. Whatsoever you ask of Me, believing that you are receiving it, you shall have. I am INSTANT Response to prayers of love and faith. I am the constant Presence when you can KNOW I am Present.

In a million years from now, so great will you have grown in your realisation of MY Presence, you will have become like an Angel of Light. You will have reached such an understanding of My Power that you will be able to speak for anything you wish to create: "Father, let it be so!" and instantly it will be created by My Almighty Strength.

But you can only live in the Present, in one moment at a time. Therefore this moment is important to you. This IS an opportunity to grasp your wonderful potential, and to proceed to claim your wonderful heritage. The Kingdom of Heaven is always here and NOW. It is the state of peace, health, joy, happiness and achievement in your everyday life, when you live in My Presence.

When I called you into life, I knew that you were unique, because never before had I created

anyone exactly the same as **you**. Amongst all the two thousand millions of My Children on your earth now, there is not another **YOU**. Amongst the multi-millions of My Peoples on other material worlds, and in my illimitable planes of Heavenly Kingdoms, there is nowhere another **YOU**. I created you for an expression which only **YOU** can contribute.

The Purpose of Life is two-fold. I bring My Children into being for their own joy, for their delight in an eternal life in the Realms of their Great Father. Secondly, I give to them the sublime right to become god-like in creative activity, that they may share with Me and through Me, the joys of creating an expanding universe of glory, wonder and beauty.

That is why this moment can be the greatest moment in your life so far. You can, if you will, capture the vision of your eternal Mission and begin more wonderfully to fulfil it.

Enlightenment inevitably brings its responsibilities. It is My Law of Love that whatever you possess should become channels of Blessings for all. The knowledge you gain cannot be kept secret to yourself, or it will harm **YOU**.

This is a time for discipline, for sacrifice, and for service. Too much time has been spent in self-thinking. The Great Way is to forget self for the

sake of self, and to remember only Me as your Saviour, Friend and Father. Then you will no longer think of sickness, misery, poverty and fear, but of the joy of being with your Lord. You will no longer be troubled about yourself, but go out of your way to bring joy, compassion, love, friendship, prayer, healing or help to those whose lives touch yours each day.

And as you forget yourself, so can I, your Father, remember you. As you fulfil My Law of Loving, of giving, of self-surrender, so can I come to you, for you will have opened the door of your mind to ME.

How can I remove a sickness if you insist on causing it by resenting or hating one of My other beloved ones? How am I to bring you Peace, if you insist on disturbing your mind and body with fear, worry, strain and irritation? Your ills are states of consciousness and I will remove all trouble just as quickly as you think of Me as the living Presence of Health and Joy, success and abundance. Abide by My Laws of Love and simple Faith, living with Me, and I shall set you FREE!

You decide. That is your birthright. But I know you are ready for greater ways and I want you to decide now that you have My Great Love in your soul, and that you now have simple, absolute Faith in Me. Then you are ready to go forward in this

Crusade for humanity.

Your eternal Mission is always to serve, to love, to give of your own being in My Universal Cause, wherever you are.

I Call you into a greater service than you have ever known. You have served in many and often wonderful ways in the past. Now I lift you up to the potential of perfect fulfilment.

Each day brings its glowing opportunity. The Service to which I Call you is one in which you will find your own freedom by doing something every moment to give freedom to someone else. The ways of doing this are infinite. Every hour I will bring you opportunities to Bless someone in prayer, in thought and in deed, and I will quickly advance you in My Service.

I want you to accept MY Power. I want you to shine a clear Light. Do not hide the great Power I give to you. Go out! Proclaim the Truth! And know that wherever you speak of Me to another the seed you sow shall bear fruit.

You will find plenty of sick people around you. Lay your hands on their sores and ask Me to Heal them. Learn to walk with Me! Learn to ask of Me, and expect to receive that for which you ask. Teach others to do the same. Give them papers and books which will help them. Encourage them with your prayer and your example.

I will heal any human ill whenever you and those you seek to help will fulfil My Laws of Love and Faith. My Will is for My Children to live glorious lives of health, happiness and abundance. MY Will is always Perfection. The mind and body of man is the Temple of My Spirit. Let it be Whole and Pure and Perfect!

It is much easier to be well than to be sick. Never be afraid of the magnitude of any condition to be Healed. I can Heal both big and little with the same ease that I hold your world in its orbit.

But sickness need never arise. When My peoples learn to abide in Me, they will fulfil My Laws and keep well, happy and be at Peace with all the world.

Take your opportunity where you find it. I will send to you those who will help you in your quest, and those whom you can help. Gather your friends around you. Make little groups of those who will Crusade with you. Be like the Disciples of old who followed me and did mighty works in My Name. When you gather in twos and threes or more, you grow in strength, in companionship, and in My Power.

In every Church are great latent forces. In every Minister, every Member of each congregation, there am I. Let your Churches be filled with My

Spirit. Let the individuals become united in a glorious Ministry, and a Lay-Ministry, to bring My Truth into practical operation.

There is urgent need for you all to become infused with My Spirit. Let doctrinal conflicts be put on one side, for I, as Truth, transcend doctrine. I am the Life Within, the Love, and the Way. But I only become these truths in manifestation when the doors are opened wide and you become like the disciples of your Lord. Your Ministers question among themselves whether I will Heal, and whether they should practise Divine Healing! Yet they pray!

I am the Way. I Heal in response to prayer of belief, and a love which lifts to meet My Love. Gifts of Healing are the fruits of following Me with wholehearted intention, complete surrender, perfect faith, and a great love. As I commanded you—go forth, lay your hands upon the sick and they shall recover. Ask and receive. Greater things than these shall ye do! My Call is ever for ardent followers who will go all the way with Me, and lift the weak, the sick and the sinful into MY LIGHT.

If Healing were a gift given to few, of what significance or value would be prayer? Is it right to pray for a sick business but not for a sick soul or a sick body? And if you pray for the sick should you not expect to receive an answer from Me, your

Lord? My promises are quite clear. Follow them!

But you of this wicked generation, you have lost your Way. Wake up and lift your vision to Me, that I may lead you to look upon your world universally, as I do. Lift up, that I may fill you with My Spirit and set you up to bring all the world unto Me.

Every Minister is My Ambassador, in every Church, for the purpose of every Church is to lead the people to Me. Minister and layman—Work for your Church. Bring Truth into it. Make it strong by YOUR Service. Your Church or group should become a living cell of My Power, and both Minister and layman should be taught to serve more realistically, to become Crusaders on the Way, and to HEAL IN MY NAME. When My Light shines in all these consecrated and dedicated lives, My peoples will come flocking to share that Light.

You, My beloved, are Called to follow MY WAY. Listen in the stillness to My Voice Within. I will inspire you. I will reveal the Way I want you to go. I will show you where you can gain companionship and human help. And I will lift you up in health and in joy to serve Me well.

From this hour you are under My Protection and Guidance. I lift you into My Light. In that Peace you now feel, let all ills disperse in a clear realisation of your true Nature. As Spirit you are

eternal. As Spirit you are invincible. As Spirit, one with My Spirit, you will walk with Me through the wonders of My infinite Worlds in ever greater joy and perfect accomplishment.

I Call you HOME, and your HOME is eternally within you, where I dwell, where I await you on My Throne of Peace and Love.

Come! Let us arise and Live and Work together. Let us Love and Heal the world, together. Let us be one in this World Healing Crusade in which My Chosen ones of heaven and earth now march to Victory.

I, your Heavenly Father, have spoken.

## **THE CHRIST WAY.**

*"The Sons of God are Brothers."—Bro. Mandus.*

**I**T comes to this: The Master's High Way is the Only Way. It is a Way we can demonstrate to be true. It is a Way YOU can demonstrate to be true. In the past we have only half believed the Truth as He proclaimed it, and without love and faith there can be no great works.

I have found that we only need to abandon ourselves to Him. We must be very simple, very loving, about our absolute belief in His Presence and Response. We literally make it all simple, easy and REAL, by **realising and knowing that it is simple and easy.** We must go ALL the way,

for it is in the realm of uncertainty and hesitation that we fall and fail. In eager, fervent and complete surrender to His Will, the Christ Way is infinitely easier than any of the worldly ways of life, which so often lead to personal, national and world-wide disaster and disease.

The world, in its ignorance, may sneer that the Christ Message is impossible of achievement. They condemn without trial. As a matter of simple common sense we can see the fantastic plight, the grievous loss, and terrible possibilities to which our present way of life has brought us.

Let us be done with these things! Let us see the great Vision, and go forward with Christ, making His Truth **LIVE** in **OUR** lives! Let us band together as His Crusaders and Disciples, and go boldly into our environment to prove and show by example the wonders of a life of love and faith, of a life **consecrated** to His Service.

To this end the World Healing Crusade is completely at your service. We live only to serve our Lord, and you. We offer you friendship and love. We give freely of all we possess. The Lord guides, and He provides—for you, and for our Crusade.

**We work for Christ Jesus, under His Leadership, seeking to fill the churches of the world with Crusaders for Christ.**

Let us be like the Disciples of old, and march forth even as the Master commanded. Every Minister has his standing orders already. The need is urgent. Let us not wait for Councils of State or Church. Let us get on with the task of serving Christ NOW—**realistically**—not as though His Message were a fairy-tale or a beautiful theory. Our Lord's Teaching and Example is the greatest Message the world has ever known, for the **Truth can be proven**. That is what He promised. For our part, in our Crusade, we shall continue to prove the truth, demonstrate it, in Public Services, on any platform, in any church, until we all believe it.

We shall welcome **YOU** and your friends into fellowship with the World Healing Crusade. No obligation. No charges. We seek only your whole-hearted and loving co-operation.

We are looking for people who are **hungry** for the Truth. We want Crusaders who will follow the Lord in an enthusiastic, realistic service in their own homes, their own environment, and in Crusade Groups in their own church. We look for Disciples who will go forth to HEAL through love and prayer.

We offer no easy compromise, but a Royal Way, the HIGH WAY, the CHRIST WAY. We want to show you how to **demonstrate** the Truth of health, happiness, success, abundance,

Divine Healing and all that is GOOD in your life, and in the lives of all who contact you. We believe you are waiting for this Call to the Highest Service known—the Way of our Lord.

Our Guidance is to expand the influence of this Crusade, using every modern method of reaching millions of people. We are sending free Healing Intercession, love and literature of Healing Power into unlimited circulation all over the world. Our books, our free Monthly Magazine, "The Crusader," free Blessed Healing Prayer Cards, free letters, the gift of this book, "Your Eternal Mission," and other free literature and services are Blessing multiplying numbers of people everywhere. If you are sick, worried, or in trouble, write now to Brother Mandus for Healing Intercession and help.

Will you march with us? This is the hour. No procrastination. Time is precious. God is calling YOU !

## CRUSADER CONSECRATION

TAKE my life, and let it be  
Consecrated, Lord, to Thee.  
Take my moments and my days ;  
Let them flow in ceaseless praise.  
Take my hands, and let them move  
At the impulse of Thy love.  
Take my feet and let them be  
Swift and beautiful for Thee.  
Take my voice, and let me sing  
Always, only for my King.  
Take my lips and let them be  
Filled with messages from Thee  
Take my silver and my gold ;  
Not a mite would I withhold.  
Take my intellect and use  
Every power as Thou shalt choose  
Take my will and make it Thine ;  
It shall be no longer mine.  
Take my heart, it is Thine own :  
It shall be Thy Royal Throne.  
Take my love ; my Lord, I pour  
At Thy Feet its treasure-store.  
Take myself, and I will be  
Ever, only, all for Thee !

**This Crusade, and this book, is dedicated to the Father in service for you. In His Love, and the selfless devotion and inspiring example of my Wife and Mother Mary, I have my greatest Blessings, which I seek to share with all.**

## "LOVE OFFERING" REDEFINED

by Eric Butterworth

In referring to the support of our many activities, we often talk about a "love offering." It is a contribution given out of a feeling of love. It is a unique method for supporting the Center, and also a vital process of supporting the center of your own being. As Gibran says, we must "give to live."

Institutionalism is often self-defeating by being self-serving. A religious organization often begins as an agency devoted to helping people, but in time it places the emphasis on getting people to help the organization. Business minds suggest plans for support through subscriptions and pledges and "tithes." The "members" are told subtly that their salvation is dependent on the size and constancy of their contributions.

In 1890 Charles Fillmore had a vision: a new concept in religion and a new process for its support. It was the "love offering plan." Idealistically he talked about the gradual introduction of the free-will offering plan to replace the world's commercial standard of reward for services. But he said, "We are striving to educate people on the idea of giving and receiving and to let their experience prove that there is a divine law in financial matters that corresponds to the law that holds the suns and planets in place."

Fillmore knew that to make the plan work Unity must put its emphasis on giving and serving in faith that it would always attract support according to the consciousness engendered in its teaching work. Then it must help people to know the Truth that if they would grow and prosper, they must learn to give—not to an organization out of obligation or fear, but from a desire to expand their inner self and out of love and faith.

"In order to make a success of this," Mr. Fillmore says, "we must have the loving cooperation of everyone to whom we minister. The law is based on love and justice, and it harmoniously adjusts all the affairs of men. Even more, it restores a harmony and balance in both mind and body that results in happiness and health as well as prosperity."

The Unity Movement has unfolded entirely on the support through "love offerings."

People are asked only to evaluate the help they receive, and to give accordingly. "Everyone should give as he receives," says Fillmore, "In fact, it is only through giving that he can receive. Until the heart is quickened at the center and the mind is opened up to Truth there is no permanent healing." He talked also about the need for a catalyst to dissolve blocks in the "mammon-bound mind," saying, "It must be made to let go somewhere before it can receive the light and power of Spirit."

Charles Fillmore believed that prosperity is a state of mind and experience true to the Creative Intention of God. "You may have been fostering poverty by holding ideas of pennies instead of dollars and hundreds instead of thousands. You may be thinking you cannot give because your supply is limited. Your remedy is to cultivate ideas of abundance. Claim God as your inexhaustible resource. But in order to set in motion the accumulated energy of your thought you must also begin to give. You may be able to give only pennies at first, but give them in the name and the spirit of your opulent God. Send them forth with all the love of your heart and say to them, "Divine love through me blesses and multiplies you."

"Your consciousness is like a flowing stream of water. If the stream is in anyway dammed up, the water settles in all the low places and becomes stagnant. The quickest way to purify and reclaim the low, "swampy" places in your consciousness is not only to let in the flood from above but to open the dam below. Many people try to demonstrate God as their supply by repeating affirmations of abundance, but fail to let go of the old idea of lack by beginning to give as generously as possible. It is not the amount you give measured by standards of the world. It is the good will you send forth with the gift; which is measured only by spiritual standards."

Here at the Unity Center we have a lot of faith in the law, and in the idea of the "love offering." Business minds tell us too that we should be more aggressive in urging tithing or other forms of pledged giving. We will not do that, for we have faith in the process that as we sincerely do all we can to help people in the ministry of Truth, people will respond to our efforts of love with a correspondingly loving expression of support.
