FOREWORD

All the colossal events that are to take place in the future will transpire from "now" until the beginning of the NEW, SEVENTH MILLENNIUM, approximately 2,000 A. D. Due to the fact that there are to be any number of these world-shaking happenings take place it is quite necessary to give to you Students some of the highlights of these fearful happenings that you will take each event in stride knowing that they are not for you at all, but for the mass-minded -- for their awakening.

"A thousand shall fall at thy side and ten thousand at thy right hand, but it shall not come nigh thee. Only with thine eyes shalt thou behold and see the reward of the wicked" (Ps. 91:7-8). The Psalmist was not aware when he wrote these verses, that he was describing an event that was to take place in OUR TIME some three and a half Millenniums later.

By "OUR TIME" I mean this Last Generation. Due to the "telescoping (shortening) of time" colossal events could start taking place at almost any time "now". It is, however the events of a world-wide prophetic nature that can be delineated at this time. Later on the foretelling of local events -- destructive happenings -- will be given by young men "seeing visions" and old men "dreaming dreams".

The GREAT BLACKOUT (See Chapter Six, Page 25 of this Monograph) will probably be the first of the world-wide events that will "shortly come to pass". The great "darkness" will of itself not kill anybody directly, but thousands will die of fear and heart failure. But, knowing this event is in the offing, and especially if you have Spiritual WISDOM you will then be actively helping the blind mass-minded; for you will have LIGHT.

Great and wonderful events are in store for you. The event that causes death by fear to many of the mass-minded will to you who have WISDOM, be an opportunity to render great helpfulness.

THE AUTHOR

THE TIME OF YOUR LIFE

- by -

Harry J. Gardener

Solomon was quoted as saying, "There is nothing new under the sun". That was very true in his day, and it could be repeated up to our day. "Wars and rumors of war" were about the only "new" things, and those were not really new, for they were happening regularly before, during and after Solomon's reign. However, this Last Generation will be different for all of the unfulfilled prophecies of the Scriptures will take place with the exception of two or three recorded in the Book of Revelation which will not take place until "Satan is released from the pit for a little season".

In fact all of the Scriptural Prophecies, with the above mentioned exceptions, will have taken place before 2,000 A. D. Some of these Prophecies are taking place right now, but due to their nature they are unobserved by mankind, they will not be noticed until they burst forth with a cataclysmic explosion. These events will be NEW because nothing like them has ever taken place before in the history of mankind.

SOMETHING NEW UNDER THE SUN

Now, you are not going to have "The Time of Your Life" at the expense of the mass-minded, but you will have the Time of Your Entire Life when the Prophecies begin to manifest, and many who only the day before would not listen to you will come flocking to you (as best they can) for an explanation of the GREAT BLACKOUT. That will really be something New under YOUR Sun.

Now, however, to anyone who will listen to you before the GREAT BLACKOUT, tell him just enough of the matter so he will not be caught unaware when it does take place at "high noon" on a cloudless day. Anyone with this much forewarning about the great EVENT, the greatest since the Blackout of Egypt centuries ago, will not die of heart failure ... will not expire from fear.

Great mischief has been done in the past by "wild-eyed fanatics" proclaiming calamaties and fatalities only to have nothing happen. The mass-minded are "case-hardened" to calamity mongers as there have been many false prophets in the past.

It is too late to "warn everybody" of the coming events, and even if you warned them there is no guarantee that they would generate WISDOM before the GREAT BLACKOUT came upon them, and thus be able to "see" their way around clearly.

However, once this world-wide event takes place you most certainly can be of service to those who do not pass out of physical embodiment from fear by being of strong heart and of seeing eyes. Not all the people of Egypt, when they experienced their

blackout were without sight. The Children of Israel had light in their homes, but the Egyptians, whether they were in their homes or outside were in total darkness. This coming BLACKOUT of the entire world will be similar but with several exceptions. Only those who are expecting the forthcoming BLACKOUT, and have Spiritual WISDOM will be able to see their way about. The Light will not be of the sun nor of any natural or artificial light, but will be RADIATED by the person who has Spiritual WISDOM.

A great many very good and fine people who are inclined Spiritually will not be able to radiate the Light to see their way clearly about in the abysmal darkness due to the fact that they are more religious than they are Spiritual. Being religious is not the same as being Spiritual. There is no WISDOM connected with religion. Hinduism, Buddhism, Zoroastrianism, Mohammedanism, etc., etc. are all great religions but there is very little Spiritual WISDOM to be found in any of them just as there is but very little Spiritual WISDOM found among the average Christians.

The great churches of our time -- do they have Spiritual WISDOM? Some of the members perhaps have, but they did not get it through the tenets, creeds or doctrines of their church denominations. They received the TEACHING through MEDITATION, and then came Spiritual WISDOM. Yes, thousands of people do have Spiritual WISDOM, but the vast majority of Christians have none. Those who have it -- Spiritual WISDOM -- knew there was more than what their pastors and priests had given them and so they started out in search for this greater form of CHRISTIANITY, which is best described as VITAL CHRISTIANITY -- VITAL meaning alive, living and expanding.

I attended one of the Billy Graham meeting a short while ago when the Rev. Graham was in Los Angeles. Thousands of people received conversion, and that was very good. But that was as far as their conversion went. Yes, there was a bit of instruction after each meeting, and the helpers went so far as to advise the converts to join the church (denomination) of their choice, and undoubtedly a great many of them did do just that, but the converts knew little or nothing about the various church denominations, thinking that one was as good as another. As far as the teaching of Spiritual WISDOM is concerned one church is as good as another, because the various churches know little about WISDOM, Spiritual or otherwise.

When the GREAT BLACKOUT suddenly comes upon the world the converts will be in the same condition that the older members of the church are in -- total darkness. After the sunlight comes again they will ask the older members of the church, "Why didn't you tell us of the 'blackout'?" The older members will bow their heads in chagrin, and answer, "Our pastor (or priest) did not tell us that such an event was at our doors". There will be a great falling away in the churches in that day. However, other men and women who go through the GREAT BLACKOUT with seeing eyes will start CHURCHES where VITAL CHRISTIANITY will be taught. Yes, there will be, in that day, a great "falling away" from the

non-Spiritual and non-WISDOM churches.

Do not get me wrong, I am not saying a word against the evangelism of Billy Graham or any other evangelist. They have their work; they are not supposed to be TEACHERS, in fact if their Gift is that of Evangelist they definitely are not TEACHERS, and they cannot be held responsible for the converts who of their own free will join the churches of "Egyptian darkness".

Most of the Evangelists like Pastors are kept so busy performing non-essentials in their meetings and in their churches that they do not have an opportunity to acquire Spiritual WISDOM. Of course, if they do not know the meaning of Spiritual WISDOM they will not seek after it. Both Spirituality and WISDOM come only to those who SEEK after them.

The average Christian is not aware that we are actually living in the time of the end. He thinks that everything is going to continue on "same as before". He is "heaven bound" and does not know that we are living in the Last Generation of this Old Dispensation and the NEW MILLENNIUM is upon us.

Scriptural Time is measured off by Generations and Millenniums. A generation is considered as forty years. This Last Generation is the 150th since Adam. We have been "in it" for just a few years. It will be the shortest Generation of all of them. This is due to the "shortening of time" that will take place during this particular Generation.

There is quite a bit of speculation regarding just how long this Generation will last. Some Prophetic Bible Students believe that it will be shortened by as much as twenty years. That is, instead of running its full course, it will be cut short and will actually end in about 1980.

We are living right now in the end of the Sixth Millennium since Adam. Both the Sixth Millennium and the Last Generation end in the Spring of the year 2,000 A.D. After that date there will be no more generations, for the people who enter the NEW, SEVENTH MILLENNIUM and the people who are born in that Bright, Beautiful MILLENNIUM will live through the full thousand years. We who already have behind us any number of years and are eligible for entrance into the NEW MILLENNIUM will have those past years plus the thousand MILLENNIAL years of Living.

There are of course conditions governing this long, long span of time -- over 1100 years in certain cases. Those people who came through the GREAT BLACKOUT and the Great Earthquake and the several other world-wide "tests" will, upon entering the NEW, SEVENTH MILLENNIUM be given 100 years to make themselves "clean and ready" for the 900 delightful years that lie ahead. However, knowing human nature as we do, I can say with assurance that many, many thousands will fail to adjust themselves to the new, simple and delightful Life of the NEW MILLENNIUM. These will then be removed from physical embodiment, pass to the

Lower Astral and go "unto their kind". I suspect that many a "good" church member will be in this group -- they just won't be able to give up their "customs, rituals and practices" of their church or denomination.

"Something New Under the Sun", as you know, is the title of this chapter. These New things and phenomena will frighten the average person into a state of shock. The phenomena will be so unnerving that many people, both men and women will die of heart failure. However, you have been forewarned and even if you do not have sufficient Spiritual WISDOM to see your way around in the "Egyptian darkness", it will not come on you as a death dealing shock when the GREAT DARKNESS descends at "high noon" on a bright day. You are now being forewarned and that means you will be expecting just such a thing to occur from now on. You must not expect it in fear, but the expectation will now be "in the back of your mind". That is quite sufficient to prevent you from experiencing a shock that could bring on your sudden demise.

We are not "date setters", but it has been ascertained that the GREAT DARKNESS could come during, immediately after, or some little time before the year 1966. The main thing though is to be ready with your Spiritual WISDOM. You will not be given any prior warning when it will take place. Even if you have great Spiritual WISDOM the temptation to "go tell others" would be too strong, and if the GREAT DARKNESS did not take place exactly when you said it would your ability to render help when the event does take place will be completely nullified.

The last part of the 10th verse of Chapter 12 of the Book of Daniel reads like this: "But the wicked shall do wickedly: and none of the wicked shall understand; but the wise shall understand". This was a part of Daniel's prophecy given approximately 800 B. C. We are now about ready to enter this period of time when none of the "wicked" -- mass-minded -- will understand anything that is to come upon them in the way of strange and fearful phenomena -- like the TOTAL, WORLD-WIDE BLACKOUT. Daniel is quick in explaining, "THE WISE SHALL UNDERSTAND" and we sincerely feel you are one of the WISE - you will understand.

Even if you are in total blindness during the period that the GREAT DARKNESS covers the entire earth, you can be a great comfort to hordes of people by explaining to them that the GREAT DARKNESS is of short duration. Those who will believe you will be spared much anguish ... yes, "there will be wailing and gnashing of teeth" in those few dark days. However, YOU WILL HAVE THE TIME OF YOUR LIFE bringing comfort to the frightened and the fearful ones even though you too cannot see.

However, happy indeed is the person who has acquired sufficient Spiritual WISDOM to see his way about by his own INNER Spiritual LIGHT during the GREAT BLACKOUT.

oooOOOooo

SIGNS AND WONDERS IN YOUR LIFE

Chapter Two

How you react to strange, soon-appearing phenomena makes you a member of a very SPECIAL GROUP ... that is if your reaction is of a positive nature. The masses and the mass-minded will react to these wonders with great dread and fear.

There will be SIGNS AND WONDERS IN YOUR LIFE even before the GREAT BLACKOUT, enabling you to prepare for the WONDER FILLED times that are soon coming for the masses.

I would certainly appreciate it if you would read over again and again -- and thoroughly familiarize yourself with -- the 12th Chapter of First Corinthians. St. Paul lists the GIFTS OF THE SPIRIT in two different ways in that Chapter. There are NINE GIFTS, and you undoubtedly have one of these GIFTS if you are bordering on the experience of VITAL CHRISTIANITY at all.

The two higher GIFTS -- APOSTLES and PROPHETS -- are not as a rule considered for younger people, but if you have been a good TEACHER (the Third GIFT) for a certain length of time then these two highest of all the NINE GIFTS could be open to you, that is if you have been a GOOD TEACHER, and if either one of the two is intended for you.

The two lower GIFTS -- Speaking in Tongues and the Interpretation of Tongues are important to certain people only, and if they have these GIFTS. I have known people who have these two GIFTS, and while it "edifies" these people greatly, it doesn't seem to do much of anything to others who have the HIGHER GIFTS. St Paul put very stringent restrictions on these two lower GIFTS. He said "If a man speak in an unknown tongue, let it be by two, or at the most by three, and that by course (one after another); and let one interpret." (I Cor. 14:27)

Two or at the most three can speak in a meeting, but there must be an Interpreter present who can interpret, otherwise the speaker in an unknown tongue is just "edifying" himself, and is the author of "confusion". The rules and regulations are all stated in the 14th Chapter of First Corinthians regarding "Tongues" and they must be strictly observed. It is claimed by some that St. Paul was supposed to be a "woman hater" -- of course he was not, but verse 34 -- "Let your woman keep silence in the churches" would not permit a woman to even speak in an "Unknown Tongue". Today some of the "best" speakers in "Unknown Tongues" are women!!!

However, men and women have equal opportunity to exercise ANY of the Seven HIGHER GIFTS. There are no limitations on the Higher GIFTS as there are on the first two lower GIFTS. As we indicated the two Highest GIFTS are APOSTLES and PROPHETS, and should not be aspired to by younger people. Let these younger

people become TEACHERS until they know which GIFT is definitely theirs. There is only one GIFT for each person, despite what some Evangelists and Pastors have to say on the subject.

Even now, before the GREAT BLACKOUT, people with Spiritual WISDOM are beginning to comprehend what their special GIFT is. MIRACLE WORKERS is listed below TEACHERS, but the average person who would suddenly become conscious of his GIFT as that of a MIRACLE WORKER would perhaps feel that he was a dozen times more important than a TEACHER. Until you learn your place in the "scale" of the NINE GIFTS, though, I doubt very much if you will blossom forth as a MIRACLE WORKER.

Then there is the GIFT of HEALING. It is two places below that of TEACHER and several places above the GIFTS of Tongues and Interpretation of Tongues. One out of every nine people in a church congregation has the GIFT of HEALING, but does he know it or care to be bothered with it? HELPS and GOVERNMENTS are also GIFTS of the SPIRIT. In Chapter 12, verses 8-10 these two GIFTS are called by a different name. There are those who have a SPECIAL FAITH, the kind of FAITH that is invincible when it comes to performing GOOD WORKS.

The GIFTS of HELPS and/or GOVERNMENTS perhaps have something to do with the Spirit World -- Angelic Messengers. There are Nine Orders of Angels. Counting down from the Highest Order, that of Seraphim, we find that the seventh Order is that of Powers, and it could very likely be that the GIFT of HELPS or the GIFT of GOVERNMENTS is directly associated with this high Order of Angelic beings -- this is only an assumption, as it were.

The Church is woefully ignorant on Spiritual Matters, such as GIFTS of the SPIRIT, and of the Nine Orders of Angels. There are only eight orders among the fallen angels, but Nine in the ranks of the White or Good Angels. The Seraphim, the highest Order, were unaffected by the fall of Lucifer, who was the ranking angel of this order, the eighth.

After the GREAT BLACKOUT the future from then on and into the NEW, SEVENTH MILLENNIUM will be full of Signs and Wonders and if you can READ these Signs and Wonders with a certain amount of accuracy you will be a LEADER, and this regardless of your age, education, man or woman. Below I am including in this Chapter a few "helps", and if you take the matter seriously enough to employ any of them it will lead to increased Spirituality and WISDOM. They are not hard or complicated, in fact they are so simple that many of you will not bother with them now, but probably in a short time, some time before the BLACKOUT you will actually be interested in employing one or more of them, and then finally, perhaps, all of them.

1. This little exercise has to do with sight or vision. Seeing is very important all during the future, and after the GREAT BLACKOUT it will help you in your development of Psychic Sight. This is the Exercise: Without moving your head, see how far you

can see to the right, then to the left, then up, then down. At first you will probably experience a little unpleasantness, that is the time to STOP. In an hour or two try the "Exercise" again; in a few days you'll not experience the unpleasantness, and then you can make the Exercise a full time "habit". For one thing you may find that your eyes, good as they are, are becoming better and that is very good. However, there is a "mystical" connotation to this exercise, it will not only improve your natural vision, but it will increase your ability to observe what is going on about you. You will gain the reputation that you "have eyes in the back of your head", which is a sort of a compliment for it means that you know what is going on about you in this material world, and finally in the World of the Spirit which is all about you.

2. "Exercise" No. 2 is not really an exercise, but a habit you form. It is quite necessary to employ this "habit" in the future and you could do well by performing it from now on. It is simple. Whenever you are talking to someone, or someone is talking to you "look them right in the eye" but not really -- you look between their eyes at the bridge of their nose. Better still look a little higher up, almost between their eyebrows, but not quite. They will think that you are looking "them in the eye", but you are not, and therefore you cannot be hypnotised by their eyes. Door-to-door salesmen can only talk you into buying their "product" if you look into their eyes directly. Try this out the next time anyone comes to your door with something to sell. We will pursue this subject a little later in another chapter -- it is quite important.

3. This idea pertains to the food you eat. Eat anything you wish for the time being, but masticate (chew) it to a liquid before swallowing it. This is most important when you eat starch for starch is digested in the mouth. Starch cannot be digested in the stomach, and so eat slowly and chew all of your food to a liquid regardless of what it is. For one thing you will be less likely to develop any kind of stomach trouble. An irritated stomach can sometimes lead to ulcers and maybe even to cancer. You will find that you don't require as much food if you masticate it to a liquid, and that means if you are overweight you can gradually start loosing weight, and if you are of normal weight you will never put on any excess pounds. Excess eating in many instances is caused by spirit entities (hungry and malicious) getting a vicarious thrill out of your excess consumption of food. They can actually "imbed" themselves in you, like they do in alcoholics.

4. Have you ever fasted? I don't mean a long fast just now, but a 24-hour fast, from after supper one evening until suppertime the next evening. That is only missing two meals, breakfast and your noon-day meal. However, do not try to make up for the two missed meals the second evening when you eat supper. Just eat your normal amount of food that evening and for breakfast the next morning do not eat any extra. This will help you to loose some weight if you are in excess of weight. The hungry spirit

entities will not like this a bit, and will probably kick up a fuss, but pay no attention to them, you will be training for the future, when you will be able to take longer fasts to rid yourself of all entities.

5. Have you ever heard of your Solar Plexus -- the Body Brain? Of course you have. It is the seat of the Sub-Conscious Realm of Mind. Of course your Sub-Conscious is in every part of your body, and extends out of your body as far as your Aura extends, which is about three feet on all sides of you and the same distance above your head and below your feet. However, your Sub-Conscious is not limited to your Aura area. If necessary, it can go (a part of it) across town, across the nation, or for that matter, around the globe to accomplish things FOR YOU.

The person who is overweight or is addicted to excess consumption of food or alcohol, or any other excesses has a badly cramped SOLAR PLEXUS. You can tell at once if your Solar Plexus is cramped by your breathing. Which breath is longer, your incoming breath or your outgoing breath? Actually they should be of the same duration -- the outgoing breath should be as long as the incoming breath. The correct way to breath in order to normalize the breathing cycle and at the same time release the cramped Solar Plexus is by the method known as "Belly Breathing". The abdomen expands on the incoming breath and contracts on the outgoing breath. Practice "belly breathing" every day for a few minutes and soon you will have released the cramped Solar Plexus.

It is quite difficult for those with an excess weight problem to regulate their breathing in this manner, however while you are in the act of normalizing your weight you can practice breathing correctly, and by the time your weight is down to normal, which may require as long as a year, your breathing cycles will be of equal duration.

Actually while you are overweight is a good time to try to normalize your breath. If you loose weight while the outgoing breath is shorter than the incoming one you will be starved for vital Prana -- sometimes called NRG (eNeRGy). This is a special kind of ENERGY, it is youthifying and lifegiving, and you can't live without it. The more you deprive yourself of this NRG, the quicker you will hasten "that last morbid event". What we are trying to do is stay in physical embodiment at least until we get beyond the GREAT BLACKOUT.

YOU CAN HAVE SIGNS AND WONDERS IN YOUR LIFE from now on. The nice part of it is no Sign and no Wonder will bother you in the least if you are increasing in Spiritual WISDOM, and I know that you will be on the INCREASE in Spiritual WISDOM if you are interested ... interested enough to use the ideas that are given you in this Monograph. By using them now means you will be able to receive many more through your Inspiration, Intuition and GENIUS -- ideas that will gloriously EXPAND your Spiritual WISDOM.

oooOOOooo

ASTRAL KIDNAPPING

Chapter Three

It will be necessary in the near future (and even now) to know with whom you are dealing. Astral kidnapping is a "two-way affair" between this material world and the Lower Astral World. "Entities" are kidnapped into this mundane world, and certain humans are kidnapped into the Lower Aatral World.

There are a great number of human beings (?) who suddenly drop out of sight never to be heard from again. In one year's time it is estimated that as many as 100,000 people (?) disappear from "off the face of the globe" -- and they seem to vanish into "thin air" so to speak.

Sometimes there are two or three that disappear together, often there are several dozen, a whole boat load, or a plane filled with people. They vanish completely along with the boat or plane. This is known as Astral Kidnapping.

Since the turn of the Century this sort of thing has been taking place with alarming frequency. Even before 1900 ships would be found drifting about on the open seas, and when boarded not a single human being was found aboard, not even any "remains" of humans. Nothing indicated that there had been any struggle at all -- everything was in order. Partly eaten meals sometimes were found upon tables, but the captain and his entire crew had vanished into "thin air" -- the Astral World.

The dividing film between this mundane world and the Astral or Psychic World is so thin that at this time (and it will grow much thinner with each passing year) human beings (?) from our side of the curtain are stepping right through it, and Astral Entities from the Lower Astral are piercing the dividing veil and are manifesting and masquerading in the material world as humans.

They have been able to acquire enough materiality in this world to appear as human beings -- to look and act like human beings. Only if one has Psychic Sight can one see that the Auras are different from a human Aura. Some do not appear to have any at all, due to the fact that their Auras vibrate at a much lower level and therefore a human being with normal Psychic Sight cannot see any Auras at all.

However, there are "entities" from the Lower Astral World who are born through flesh and blood mothers that do have Auras. These Auras are not in any way beautiful, usually they are lurid -- muddy reds, revolting browns, sickening greens. They are actually half human and half "entity". Their bodies are human but their spirits are all "entity".

All of the "entities" coming through the veil -- that is by materialization -- are masculine. Most of them are of the average size of a human being. This is because they do not wish human

beings to be suspicious of them as being in any way "different", and not to call attention to themselves.

These "entities" are the lowest of the fallen angels who followed Lucifer in the great "fall of the angels", and as all devils are masculine they prefer masculine bodies, however when they are born into the flesh through a human mother some are female. When these "female entities" grow up to maturity they are anything but model females...they hate their female bodies. They are often so wayward that they are very short lived. The masculine "entities" soon wear out their physical bodies, by excesses of all kinds -- drugs, sex, alcohol, or any other way they can get a "kick" out of the flesh.

The "entities" -- fallen angels -- who have been able to materialize a body and stay in materialization actually kidnap those "entities" that are less powerful than themselves and bring them into physical, flesh and blood life, and are the cause for their delinquent habits, although the wayward "entity" also has strong desires of his own to partake of everything that is thrillingly evil. These more powerful "entities" who have materialized a physical body can "immerse" themselves in the physical body of a victim "entity" and get a vicarious thrill out of all that he experiences at the moment.

These more powerful and very evil "entities" can do the same with a human being, they can immerse themselves, so to speak, in a human man or woman and get a great thrill out of the evil that he or she is doing even down to such relatively "simple sins" as over-eating. The average man or woman would be horrified if he or she could actually see with astral sight the ugly and malicious "entity" that is causing them to over-eat -- be a glutton.

Now, the Astral Kidnapping works both ways. As we said great numbers of people are kidnapped out of this world and are never heard from again. Undoubtedly some are "entities" who have materialized a body for a certain purpose, and when they have finished with the materialized body they just let it go back into the ether again. Actually what appears to be a kidnapping was just a dematerialization and the "victim" was in on the "plot" the whole time. That explains how two or three "entities" who had all the appearance of human beings could take off into the "clear blue yonder" in an airplane and vanish from human sight forever. But what about the plane itself? Was it just a "thought form"? It could have been, due to the fact that no traces of the plane is found. Two or three men go on a hunting trip in an automobile, they vanish forever from the earth plane. Were they materialized "entities", sufficiently materialized to drive an automobile? While the men (?) were never found the automobile was found, and in good running condition.

It was called to my attention some time ago about a certain lady who had Psychic Sight and was about to board an elevator one day. She suddenly was aware that all of the occupants of the elevator and even the elevator operator had no visible Aura and so

she stepped back and did not take the elevator. The doors had hardly closed when something went wrong with the cables causing the elevator to drop six floors killing all that were aboard. Were these flesh and blood "entities", whose desire was to get back into the Astral World again, and knew that this particular elevator would fall and kill them all suddenly and painlessly? What was their reason for getting back into the Astral again? Only another higher "entity" could tell us the answers and he would probably lie about it at that.

It is said that a materialized "entity" will never look you in the eye, he doesn't want you to see the fiendishness there -- it might scare the average person almost to death. The "entity" doesn't want to kill you or frighten you, but he wants to use you in a way that will be for his own damnable benefit. However, the "entities" that are born through an earth mother are able to look you right in they eye, and by doing this can occasionally hypnotize you into doing their bidding. You know the secret for overcoming this -- to look at another far up on the bridge of the nose, almost between the eyebrows, and any hypnotic spell can't be worked on you. You will be very WISE if you will practice this with everyone you meet -- human being or "entity". Before you know it it will become a habit -- a very good habit by the way -- a habit that may pay off handsomely, especially when a person tells you one thing and means another. You will know almost instantly that it is an untruth, for you will be looking "right into his mind", so to speak, and will see for a fact that he is lying about what he is saying.

The coming GREAT BLACKOUT is a kind of "Noah's Flood" in a way. In the Book of Genesis we read that the "sons of God" married the daughters of men and giants filled the earth. The Flood was for the purpose of removing all that were part human and part evil angel (known as "sons of God"). The Flood did a very effective job, removing all of the "halfways" and leaving nothing but human beings -- eight to be precise.

In the same way the GREAT BLACKOUT will remove all of the evil "entities" from the earth. Those who are here by materialization will simply vanish. Those who are on the earth by being born into a human body when the inky blackness -- GREAT BLACKOUT -- comes will have heart failure. They cannot live without some kind of light -- the gray light of the Lower Astral World, or the red glow of the Nether Astral World.

Not all of the beings who die from fear, however, will be "entities"; a great number of those who die will be human beings -- mass-minded human beings -- and some of them "good" church members. When the sun shines again there will be a great funeral, burying the dead human beings and the bodies of the dead "entities" who were literally frightened out of their physical bodies.

This removing of the flesh and blood "entities" from the face of the earth will be a great boon to mankind -- to those who will be alive after the GREAT DARKNESS. Many of the extremely anti-

social humans of today including some that are called juvenile delinquents are actually "entities". In all probability we will never know who we are burying -- human beings or "entities". One thing we will shortly know however, is that the world will be a whole lot better after the GREAT BLACKOUT than it was at any time since the turn of the present century.

"Entities" are not all-wise either in the physical body or out of it. In fact the more intelligent forces of Satan and Satan himself do not know "times or seasons". That is frequently the reason mediums (Spiritists) have much trouble with their "controls" -- evil, fallen angels. They are not aware of the passing of time and thus they may see an event approaching but they do not know how far in the future it will actually manifest, or whether it will be brought into manifestation at all. Even the Good or White Angelic Forces are not too much acquainted with the passing of time. They know that everything will come about in DUE SEASON as the Lord wills. Only human beings are concerned about time, and many of them act as if time will go on forever.

After the GREAT BLACKOUT, a great many of the people who live through it, will try to make things the same as they had known them before the GREAT DARKNESS. After the last body of all who died from fear is buried, there will go up a great sigh of relief with the general attitude; "I'm glad that is over -- now for business the same as usual". Only the Spiritually WISE will know that there isn't going to be "business as usual". Before the mass-minded have time to slump back again into their former rut there will again be something of a very awakening nature take place.

Not all who are mass-minded today will go back into their old way of existence. A great many of the mass-minded are on the verge of awakening, and the BLACKOUT will be the means of stimulating them into proper study, right action and WISDOM.

The old order of things will be pretty well shattered during the GREAT BLACKOUT. It will effect the established Church of today in a very great way. The question will be raised time and again to preachers, priests and other "spiritual" teachers; "Why didn't you tell us that such a thing as the GREAT BLACKOUT was going to take place, and if you didn't know just why were you so ignorant?" Ignorance will not be a thing of popularity after the BALCK EVENT. The educated clergy are so busy in trying to enlarge their dwindling congregations that they had no time to become WISE. Yes, they became worldly wise, but the wisdom of this world is as so much nonsense as compared to the WISDOM of the SPIRIT.

The GREAT BLACKOUT is just the beginning of Signs and Wonders that are to awaken the mass-minded. Once they are started on their way, they will have a great many HELPS, the kind of HELPS that are especially attuned for each individual need. Remember this, and be expectant of special assistance, of a nature very much attuned to your own special needs.

oooOOOooo

Chapter Four

From what you have read in the previous Chapter the possibility could have occured to you that you might be an "entity". However, if you have read with interest and a certain amount of understanding this far in this Monograph I can assure you that you are not an "entity". Even if you get fearfully scared during the GREAT BLACKOUT that does not mean you are an "entity". Even if you pass out of physical embodiment due to fear and heart failure you are still not to be classified as an "entity"; you are probably a very good human being that did not take the idea of the GREAT BLACKOUT seriously enough to do something about it, such as improving and increasing your Spiritual WISDOM.

The sensible thing to do is simply to wait until the BLACKOUT is over, then if you are still alive you will know that you are very definitely a human being and you can go on from there. However, at that time if you have even the slightest amount of Spiritual WISDOM it would be great WISDOM on your part to plan to live on into the NEW, SEVENTH MILLENNIUM, taking all the FUTURE TESTS in stride ... there will be more TESTS. The GREAT BLACKOUT is only the first of such TESTS. For those who have Spiritual WISDOM these are not really TESTS or TRIALS, but opportunities to be of great help to OTHERS and at the same time they, the WISE ONES, will increase in WISDOM in preparation for the next great EVENT -- whatever it may be.

YES. There are more TESTS in the future. For the ones who will be making progress in the future (after the BLACKOUT) these TESTS will be happy occasions, like passing an examination in school or college in one of your favorite subjects and getting an "A-plus" for a grade. For the masses, who are struggling against their will, the TESTS will be definite "trials and tribulations".

Not all of the mass-minded -- laggards -- will live on into the NEW MILLENNIUM for many of them will refuse to keep up with the pace that Destiny has set for them. One of the first TESTS after the BLACKOUT will be the GREAT EARTHQUAKE. The laggards that are too far behind in their approach to the NEW MILLENNIUM will be caught in it and wherever they may be they will be removed permanently from physical embodiment. However, it is not a Judgment for the WISE. They may be right in the midst of falling buildings but it will do them no harm. "A thousand shall fall at thy right hand and ten thousand at thy left, but it shall not come nigh thee."

There are more TESTS for the WISE, more tribulations for the unwise. "Blistering Heat" could be the next on the list of phenomenal manifestations after the Great Earthquake. The WISE will experience this but they will have prepared for it and it could be for them as a summer zephyr, but to the unwise it will be terrifically unpleasant -- searing, even killing. The WISE knew it was coming, the unwise ignored the warning.

"Water Made Bitter" is another of the Prophecies of the future. Of course you will not be affected at all by this "bitter" phenomenon. It is for the awakening of the mass-minded, and it will awaken many thousands of them to the place of Spiritual understanding, and then to Spiritual WISDOM. Many of those who lagged behind in the first TESTS and TRIALS will suddenly "see the light" and even "out-distance" those who only have a passing amount of Spiritual WISDOM.

"Men Seek Untimely Death" is another Prophecy that will take place in the future. I cannot imagine any of the Spiritually WISE seeking "untimely" or any other kind of death. This will probably be the last of the great TRIBULATIONS for the masses. However, this and all other events come after the GREAT BLACKOUT, and any human being that lives through the BLACKOUT, and has some Spiritual WISDOM will not "seek untimely death" -- suicide. He or she will want to live on into the NEW, SEVENTH MILLENNIUM where peace and quiet reign supreme.

I have mentioned just a few of the future phenomenal events; we haven't time nor space to go into "all" of them, in fact ALL of them are not known at this time. This need not bother the Spiritually WISE who are progressing in their WISDOM. Of course the WISE will be there when the colossal, world-wide events occur and in their Spiritual WISDOM will be able to make clear where the mass-minded are failing and take advantage of the opportunities and LIVE.

Universal or Cosmic Protection is for the Spiritually WISE. In the next Chapter we will go further into this ALL-IMPORTANT subject. However you can get quick Cosmic Protection right now by performing some of the suggestions that we have already outlined in this Monograph. From now on you should realize that the GREAT BLACKOUT is just a little distance in the future, and you must use a certain amount of WISDOM in preparing for it. Not by "shouting the event from the house tops", but by preparing yourself for it Spiritually and Psychologically.

Prepare YOURSELF for this amazing event, and if you do that to the extent that you do not fear the BLACKOUT, when it suddenly takes place, you have done a great work in yourself and it will be to your great advantage in the future during the GREAT EARTHQUAKE, "Blistering Heat", "Water Made Bitter" and "Men Seeking Untimely Death".

Any kind of preparing for the future is done by beginning NOW. If one takes an interest in doing things NOW he will most certainly handle things in the right way, as far as he is concerned then. There isn't much sense in trying to get others to do the right thing as long as one isn't doing the right thing by himself in all of the Departments of Life -- Spiritually, Mentally, Physically, Socially and Financially.

A few pages back we told you of the Solar Plexus, and how you could develop this "body brain" by causing the two breaths --

incoming and outgoing -- to be of equal duration. It matters not how long your incoming breath is, just so long as your outgoing breath is of near equal duration. This is the normal way of breathing, the mystical way. Of course you will have to practice it whenever you think of it. To begin with, the outgoing breath should be exaggerated and made quite a bit longer than the incoming breath. In this way you will teach your Sub-Conscious that you desire a longer outgoing breath. You will then in this way store up much Prana, sometimes called NRG, and it means that you are storing up good health. This is the mystical way of breathing.

Some people like to "see" the storing of the Prana -- NRG -- as bright light. If it will help you to perform the storing up process by all means see it as a bright light or brilliant "fire" It will be good for the Imagination -- Visualization -- to see it as a brilliant white light, and that every inhalation of the breath brightens it all the more.

Your heart is above the Solar Plexus a short distance. Between the heart and the Solar Plexus is the diaphragm -- the muscle of breathing, when you are breathing correctly. In the center of the heart there is a Divine Place of RADIATION. The Radiations from the Heart Center are not white but they are BLUE -- Blue Fire as it were. The Blue is not a light blue, that would indicate that there was white added to the blue. The Blue is not a dark blue, that would indicate that black, or some other dark color, was added to the blue. The best way to describe it would be to compare it to the bright part of a gas flame on a properly functioning gas stove. Or if you can imagine a brilliant blue that is not in the least tainted with any other color, that is the kind of blue that is known as the Spiritual Blue. Sometimes this perfect Blue is called Cosmic Blue.

This BLUE is the color of protection from everything that is evil. It is actually a FIRE flaming out of your New or Spiritual Heart which is in the exact location as is your physical heart.

We used to inform our students to see the Blue Fire coming down from above to the center of the Heart and then expanding in all directions from there for protection of the body. Many have done this and have found that now there is a permanent, small Blue flame set up in the New Heart which is located in the area of the physical heart. Whenever a person requires quick protection from evil "entities", or from dangers or accidents of any kind, all he or she has to do is to SEE the Spiritual Blue Fire filling the entire body and including the large Aura which extends out from the body in all directions.

To visualize this small Blue Flame in the center of your New Heart and to mentally expand it to fill your entire body and Aura is all that is necessary. The more you use this Spiritual Blue Fire the larger it will become until it will be large enough to encompass your entire physical heart. When this can be accomplished no more will the person experience heart trouble or for

that matter the person will no longer be afflicted by a "troubled heart".

Practice this Mystical Method at once, even before you have need of it. First realize that you have this Mighty Mystical Blue Fire in your New Heart. See the BLUE FIRE fill your physical heart completely. When you can do that, extend or radiate the Blue Fire out from your New Heart (which always remains the same size as your physical heart) as a bright, Blue shining "sun"; extend it out to the surface of your body, and then beyond the body to the outer limits of your large Aura. But keep the Fire a pure Blue no matter how far you extend it out, even outside of your Aura.

The Great Ones, high on the Upward PATH have a Blue Fire Aura sometimes as large as fifty feet in diameter, extending on all sides, above and below ... it is permanent with them.

Whenever you think of it expand your Blue Flame (from the center of the heart). It will not only do your physical heart a great deal of good but as you become more proficient in extending your Bright Blue Radiation it will come into contact with other organs of your body and will work to normalize them also.

Even before your globe or ball of Blue Spiritual Fire is large enough to extend to the surface of your body or skin you can direct it to your throat, if you have any kind of a throat ailment and hold it there for a few moments. See it filling your entire throat area and with its Healing Flames. Or you can direct it into the mouth, nose or sinuses if those parts are afflicted. The Blue Fire is the Healing Fire, and you can direct it to any part of the body. Of course when your Fire Blue Aura gets so large that it constantly fills your entire body you will not have to direct it -- it is already there.

To begin with you can direct the Blue Healing Fire to any organ or part of the body for relief. As we have just said, when your Sun of Bright Blue Healing Fire is large enough that it constantly shines through and beyond the extremities of your body, then there will be no need of directing the Healing Blue Fire to any particular part of the body, as all of your parts will be at all times in the Bright Blue Healing and Protecting Fire.

In case of an accident of any kind that you suddenly see is about to come upon you, expand your Blue Fire of Protection instantly to the surface of the body, or better still to the extent of your Aura. Hold it there until the threat of accident is over. Do not fear an accident, just protect yourself with the Blue Fire.

Astral "entities" cannot tolerate the Blue Fire that you are sending out, and "entities" that are in flesh and blood bodies will be very uncomfortable in your presence. Do not do anything to deliberately provoke them, "entities" are very revengeful.

oooOOOooo

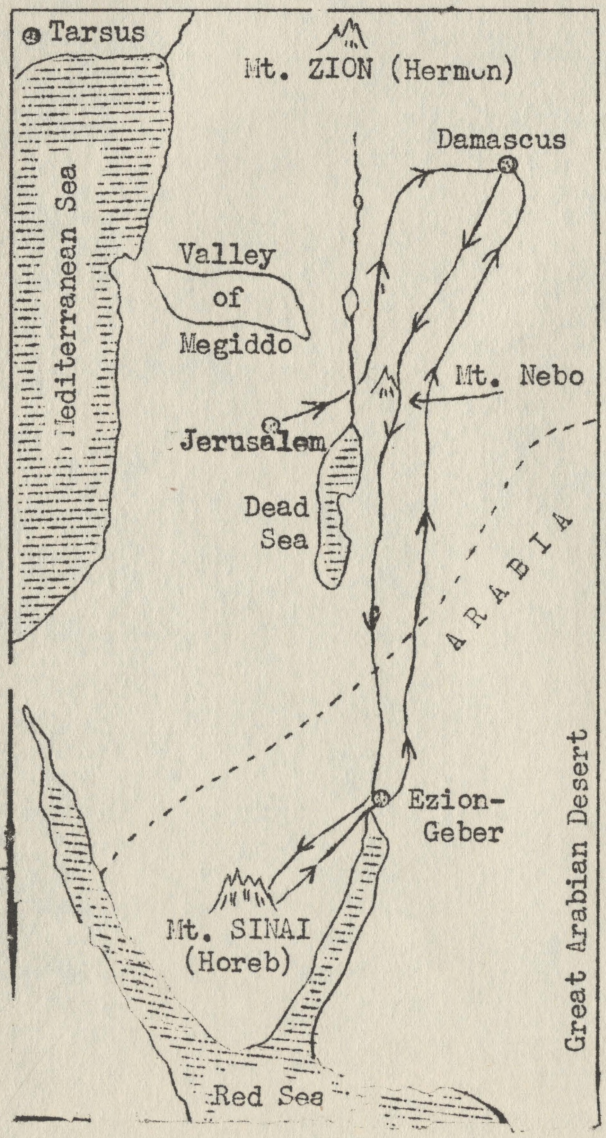

BEHOLD THE SPIRIT

Chapter Five

There is a great difference between Occultism and Mysticism. The Occultist is on the Descending Path, the Mystic is on the ASCENDING PATH. Francis Bacon, Lord Chancellor of England, was an Occultist. Also, Alister Crowley of our time (also of England) was a very great and practicing Occultist, specializing in the blackest of Black Arts.

Emanuel Swedenborg was a great Mystic, so great in fact, that most people were afraid of him, especially the clergy of his day. But a thrice-greater Mystic than Swedenborg was Saint Paul of the City of Tarsus in Asia Minor.

Paul (from Paulus, his Roman name) was born about the year A.D. 1. His father was evidently very wealthy for young Saul (his Hebrew name) was brilliantly educated and spoke both Greek and Hebrew fluently. He was a Roman citizen and as he was always conscious of the fact he used his Roman Citizenship whenever it was required.

He was also educated in the "traditions of the elders" and went to Jerusalem and "sat at the feet of Gamaliel" one of the best instructors of Jewish Law, Ethics and Tradition in all of Palestine -- perhaps the world.

Saul was very zealous in keeping the Jews free from the "contamination" of Christianity. When we first learn much of him he was on his way to Damascus, a distance of about 125 miles north east of Jerusalem, to bring back "in chains" those who had forsaken the Jewish religion.

When he was about five miles from Damascus he had his first Mystical Experience -- Acts 9:3-8.

In the same chapter, 20th verse, we read that after coming into Damascus he received his eyesight back which he had lost during his Mystical Experience and he partook of some food .... "And straightaway he preached Christ in the synagogues". In

verse 23 we read; "And after many days were fulfilled the Jews took council to kill him".

If it were not for Paul's own words (Gal. 1:17-18) we would never know that three years had elapsed between verse 20 and verse 23 of Acts 9, and that Paul had been out of the City of Damascus and in Arabia all that time. He then came back to Damascus and started preaching again with really great Spiritual insight.

Now, the major part of the Arabian Desert is not near Damascus. It is far to the south of that city. Paul had to travel south and a little west in order to find food and shelter along the way. He kept on traveling south and after considerable time he was in the vicinity of Mt. Nebo from which Moses watched the Children of Israel cross over the Jordan River. Then traveling farther south, east of the Dead Sea, he passed through the "land of Moab" to the "land of Edom" to the ancient town of Ezion-Geber where the Children of Iarael traveled through or near on their way to Palestine some 1600 years before.

Paul had now traveled a distance of a little more than 300 miles, skirting the Arabian Desert all the way. At Ezion-Geber he had two choices, he could continue on skirting the Arabian Desert, or turn a little west and in a little more than one hundred miles he would be at the foot of Mt. Sinai. Well, which way do you suppose he went from Ezion-Geber? To the right or the left? I feel that he went to the right and actually visited Mt. Sinai. The "curse" was off the mountain by this late date and he undoubtedly climbed the Mountain to the place where Moses received the "Ten Commandments" more than 1600 years previously.

Mt. Sinai, to St. Paul, was the Mountain of Revelation and Inspiration, for when he retraced his steps from Arabia and came back to Damascus three years later he was very definitely INSPIRED. So much so that the Jews set out to kill him. He received Divine Instructions directly. He informs us in Gal. 1:11-12:

> "But I certify (to) you, brethren, that the gospel (Good News) that which was preached to me is not after man. For I neither received it of any man, neither was I taught it, but by the revelation of Jesus Christ."

Be sure to read all of the first chapter of Galations because it reveals a number of Mystical ideas that the modern church of today deliberately ignores. The churches of today preach a "religion without revelation".

Up until the time of Christ the Jews had not had a prophet for more than 400 years. Their last prophet was Malachi. In the 400 intervening years the Jews had become very religious..."religion without revelation". They kept the "Ten Commandments" and the nearly 4000 other laws that Moses and the Prophets proclaimed up to the time of Malachi.

Some of the 4000 laws were considered more important than the

original Ten Commandments. One could be stoned to death for breaking some of them. Christ came at the time when every Jew was supposed to be keeping not only the Ten Commandments given to Moses on Mt. Sinai, but the 4000 others as well.

After the three years of Divine INSTRUCTION in Arabia (it took that long to get the "Law and the Prophets" out of the mind of St. Paul) he came back to Damascus and began to preach UNDERSTANDINGLY, the "Law and the Prophets" had ALL been done away with by the death and resurrection of Jesus Christ.

Christ came to "His own" -- to the world of the Jews, to the world of the "Law and the Prophets". He fulfilled all the "Law" at His death and resurrection. That was why the "veil of the Temple was rent", torn apart from top to bottom, exposing the "holy place" to profane eyes. It was entirely empty! The Arc of the Covenant had been lost years before. The Jewish religion was now "null and void" -- DEAD, but the "shell" -- the form and ceremony of it -- kept right on, unto this day, until the GREAT BLACKOUT when all religions without inspiration have their "second death".

Yes, the Old Testament is now officially dead, all except for the few Prophecies that concern us and the future. The "Bridge" -- Matthew, Mark, Luke and a part of John -- between the Old Testament and the New Testament are not binding upon us at all, because they were concerned with the "Law" which Christ came to FULFILL, and to make null and void.

That is why there are so many "problems" between the Old Testament and the New, especially on the "Bridge". That is why the teachings of St. Paul are so valuable to us. His teachings are strictly NEW TESTAMENT, to the Gentiles. During his absence from Damascus while in Arabia, he was taught personally "by the revelation of Jesus Christ", and "not after any man", not by any of the Apostles, not by Peter himself. In fact, Peter did not know that the "Law and the Prophets" were dead, but St. Paul straightened him out on that score in no uncertain terms, but the "Law" had a hard timy dying in St. Peter -- he had to be shown, but until his dying day there was a bit of "Judaism" in his nature, in the "back of his mind", although he was a true Christian.

But not with St. Paul, his three years in the deserts of Arabia, and probably on Mt. Sinai being taught directly by Christ Himself make him the No. 1 Christian for all time to come. He never lacked for an answer to a question, any question. He was not lacking in ability for quickly solving problems ... all that was the Work of the HOLY SPIRIT through him and IN him. St. Paul tells of the Work of the Holy Spirit more than any other writer in the New Testament. All the GIFTS are from the Holy Spirit. That is what makes Christianity different from any other religion. True Christianity is not a religion, it is LIFE IN ACTION. The late Newton N. Riddell called it VITAL CHRISTIANITY.

Church Christianity is not vital. The so called "Full Gospel" is active (Speaking in Tongues) but it is not VITAL. Not

until the seven Higher GIFTS (of the NINE) are practiced can any one truthfully and conscienciously call his type of Christianity "FULL GOSPEL".

Before we can experience VITAL CHRISTIANITY there is something that we must know about the FATHER, and the SON and the HOLY SPIRIT, and that one important thing is THEY are all ONE. Not three "persons" but ONE PERSON with three different manifestations. That is why there is so much confusion in the churches today ... they are actually worshiping "three Gods", with the special emphasis put on God the Son, leaving out almost entirely God the Holy Spirit.

However, the various churches with their several "Gospels" -- "Full Gospel", "Social Gospel" and/or no gospel at all, are not to be blamed too much for their abysmal ignorance about "Gods and Gospels" for it was not necessary until the turn of the present Century -- 1900 -- to know very much about the Gospel. Now it is, for the NEW, SEVENTH MILLENNIUM is upon us, and we have to have Spiritual WISDOM ere we would get through the GREAT BLACKOUT safely. It is not a matter of going to heaven any more when we die (of course that is important too) but it is a matter of having enough Spiritual WISDOM to afford us entry into the NEW MILLENNIUM; this we have to receive from the Holy Spirit.

If you believe in three Gods you are in error, but if you believe in ONE GOD in three separate manifestations you are definitely on the right PATH. Perhaps I could use a simple example regarding the TRINITY and there is a TRINITY although it is never mentioned as such in Sacred Scripture.

We know that we have but ONE Mind, but that ONE MIND is divided into three "manifestations" -- Conscious, Sub-Conscious and SUPER-CONSCIOUS, we are mentally, a perfect Trinity. Now, without being sacrilegious at all, that pretty much explains the Divine TRINITY -- Father, Son and Holy Spirit. There are three separate and distinct MANIFESTATIONS but all ONE GOD.

The Father is Universal, above and beyond all. The Son is directly connected with our Salvation. Without Him we could not have salvation. The Holy Spirit has the special ability to be <u>in us</u>. <u>In</u> each and every one of us even if we do not realize it. Many people shudder when first told of this. They say; "I do not believe it ... it is an invasion of my privacy", or "Can't I do anything without God knowing all about it?"

Others though respond differently. They have a bit of Spiritual WISDOM perhaps when they say: "It is too good to be true, but if it is true, then I am never alone"! Which is exactly correct, and as the idea unfolds further to you, you will realize that IT IS TRUE. <u>You are never alone</u>.

St. Paul brought out this wonderful TRUTH all through his many writings, but the churches of our day will have none of it, for, as they say, "it borders on Mysticism", and they are right

about that, it not only borders on Mysticism, it is Mysticism. The Father fills the Universe, the Son is our Salvation, and the Holy Spirit literally and truly dwells within us.

Every Christian at conversion suddenly manifesta a New Spiritual Heart, the New Heart is the dwelling place of the Holy Spirit whether one realizes it or not. The New Heart is in the exact place of the physical heart. Now the radiation of the Father is bright, Fire Yellow, that of the Son is bright Fire Red, and that of the Holy Spirit is a bright and shining Fire Blue. The three colors together make a brilliant FIRE WHITE ... this is the radiation of the Divine TRINITY.

Once you realize that the Holy Spirit is within you expressing in the form of a bright blue Fire in your New Heart, just that alone will cause the Bright Blue Fire to EXPAND. As you increase in Spiritual WISDOM the Blue Fire also Increases. Actually the Blue Fire of the Holy Spirit causes you to INCREASE in your Spiritual WISDOM.

Many religious Christians (not very Spiritual) will tell you that your "body is the temple of the Holy Spirit". That is true as far as it goes, but it is not the whole truth. Actually your body is not so much the Temple of the Holy Spirit as YOU are. As long as you think that only your body is the Temple you will forever let your body stand between you and the Holy Spirit, but the moment you realize that YOU -- Spirit, Soul and Body -- are THE TEMPLE you will have won a great victory over the false man-made notions.

Usually the "people" who practice the two lowest GIFTS -- Tongues and Interpretations -- have this erroneous idea that the body is more important than you. Some Christians believe in "soul sleeping", that is, when they die they are dead until the "resurrection of the saints", or until "Gabriel blows his horn". They say the Holy Spirit cannot go into the grave with them and so departs. However anyone who knows the facts of the matter knows the Holy Spirit actually becomes ONE with you the Soul, not the body that you are wearing.

The Blue Fire spoken of in the previous chapter is the Fire of the Holy Spirit, and as the Holy Spirit is also God you are directly connected with God and Christ. Even if you cannot manifest any of the nine GIFTS as yet, the Holy Spirit is within you and it could be only a short time until you will find your GIFT and of course use it. Do not make the mistake of starting with the Gift of Tongues and working up, but consider the other SEVEN higher GIFTS. One day when you are ready the Holy Spirit will illuminate you as to which is YOUR GIFT.

* * * * * * * * * * * * *

This is an exercise. Once or twice a week when you have an opportunity to be by yourself, go to your room, lock the door, and sit down in a comfortable chair. After making yourself quiet

and comfortable see the Bright Blue Flame in your New Heart expand considerably and then send it out to a friend in a stream of Blue Fire and right into his New Heart, then see the Blue Fire go out from his New Heart to a second friend of his or yours, and after a little while see the second friend sending it out to you, and that forms a Spiritual Triangle. A Triangle of this kind is very effective, even if the other two friends do not know about the Blue Fire.

This is good practice for you, it will EXPAND your Blue Fire as nothing else will. Later on the opportunity may present itself that you can tell the first friend what you have been doing, if he approves of it, then select a certain time when you can both practice the Blue Fire Technique together. He sending it on to your other mutual friend and then seeing it coming back to you. When both of you feel it is time to tell your second friend about it, do so and if he approves, then set a time when you can all engage in the Blue Fire Practice together. You do not have to be together, the Blue Fire will travel "around the globe". However, do not inform the first friend about this Technique until you have EXPANDED your Blue Fire to a much greater extent than you had at the beginning.

* * * * * * * * * * * *

We are living in the LAST GENERATION as you know. Before the GREAT BLACKOUT actually takes place, when everything appears to be normal, take yourself in hand and try out some of the ideas and suggestions in this Monograph. You will be glad you did, because when the unusual events begin to take place throughout the world that is not a favorable time to start accumulating Spiritual WISDOM. But if you start NOW, then when strange things begin to happen, you will all the more PRACTICE WISDOM. It is a part of you, just as the Holy Spirit is a part of you now. The Holy Spirit will be able to make greater manifestations through you when everything is in a state of seeming chaos.

Yes, I am telling you strange things. Things to do that will be of the greatest benefit to you. Never in the past could all of this information be practiced with such ease as in this LAST GENERATION. And I do suggest that you start at once, "while it is yet light" and make some of these ideas and "revelations" your ideas BY MANIFESTATION.

oooOOOooo

ATTENTION: The following Chapter -- No. 6 -- and the BLACK-OUT CHART that accompanies it were originally published by James Bishop Carr. They are reproduced here because of the great importance of the message that is contained in both of them. Additional copies can be had directly from James Bishop Carr with the message in Chapter 6 printed on the reverse side of the Chart. With your request for additional copies of the BLACK-OUT CHART (as many as you can use) be sure to enclose an adequate offering.

Send directly to: James Bishop Carr, Box 208, Palmdale, Calif.

"A MESSAGE OF REVELATION" by James Bishop Carr

Chapter Six

Just as surely as we are coming into a world-wide condition of evil like the days of Noah, likewise Jesus has just as surely given us a warning message as Noah was given a warning message for his day. The alarming thing is that God's very own ministers and members of His Household up until this late hour do not know what this Special Warning Message is. Yet, Jesus spoke it in plain language and had it just as plainly written (See Luke 21:11-36). Our only hope to reach God's children in time is that there will be a fast warning work done. This means you whom God blesses first must not delay in going all-out in taking or sending this Special Noah-like Warning to our brothers and sisters.

Act now upon this most gracious heaven-given opportunity. The signs are already present in the earth that tell us the BLACK-OUT and sudden destruction is near. We have no good reason to reject the warning words of Jesus or to delay. We should spring to our feet in action and not slack, until all are safe who will hear and obey.

A FRIGHTFUL WORLD DISASTER COMING!

Watch this chain of events, for they precede the return of Jesus! "Great earthquakes shall be in divers places, and famines and pestilences." In this very same verse (Luke 21:11) Jesus WARNED US what would come next saying, "And fearful sights and great signs shall there be from heaven." He also faithfully warned us in verses 34 and 36 very definitely what to do; declaring that if we didn't "Take Heed" to all He said, then That Day when these "Fearful Sights and Great Signs" came from heaven, would surely catch us exactly as it will catch the wicked world -- "As in a snare".

"SIGNS IN THE SUN, MOON AND STARS!" Your minister has no doubt failed to tell you that there would be signs in these heavenly planets before Jesus comes back. This has left you without spiritual guidance, which means that up to this very hour you know nothing about what a frightful world disaster these signs will bring upon this earth or God's way for you to "Escape".

Now, the first sign in the "sun, moon and stars" is a total BLACK-OUT (Joel 3:15, Amos 8:9, Isaiah 13:10). That will follow rapidly after the nations have entered into "Distress, with perplexity," just as you see them today (Luke 21:25). This comes suddenly when they say "peace and safety". Let no one deceive you and make you believe these fearful things from heaven are far off, or some time after the rapture of the Church. NO! They are not afar off! Jesus makes it very plain that they are "Signs" of "His Coming".

God, the Father is coming to the Holy Mount Zion -- Mount Hermon -- which is about 125 miles north of Jerusalem. Jesus is

coming there also! (see Daniel 7:13). Moses and Elijah will be there. Jesus, Moses and Elijah were the Three Witnesses from on High who proved by literal demonstration how the Kingdom of God would be set up in this Holy Mount (Matthew 17). We also have "Three" witnesses from among men about this untaught Holy Mount Coming. "Jesus taketh Peter, James, and John his brother ... up into (this) an high Mountain ... And, behold there appeared unto them Moses and Elias (Elijah)". "In the mouth of two or three witnesses shall every word be established" (2 Cor.13:1).

Here are Three Witnesses from heaven and three witnesses from earth that what I am writing to you about this untaught and unbelieved coming of God and His Son to Mount Zion is true and next in divine order. The Apostle Peter afterwards wrote of this coming and Kingdom, giving us two New Testament records for additional proof and comfort. He declares that they were "eye-witnesses...of this coming...when we were with Him in the Holy Mount" (2 Peter 1:16-19). Then he referred to the surety of the Old Testament prophecies about this Mount Zion coming, to which we would do well, if we "take heed", for they are as a light to us who are living in this day when God and Jesus will come to Mount Zion (Joel 3:14-17, Isaiah 13:6-11). When God turns off all the light of heaven this will be the first sign from above that God will soon set up the Kingdom in this Holy Mount.

When the Prophet Amos wrote of this "sign" from above he declared that God would "darken the earth in a clear day" (Amos 8: 9-11); so the darkness will not be caused by clouds or an eclipse.

The Prophet Joel is another witness, giving simple detailed description of this same event. He said; "The sun and the moon shall be darkened, and the stars shall withdraw their shining" -- now listen! -- "The Lord also shall roar out of Zion, and utter His voice from Jerusalem; the heavens and the earth shall shake: but the Lord will be the hope of His people" (which shows we are still here on earth). "So shall ye know that I am the Lord your God dwelling in Zion, My Holy Mountain." How will we who live so far away know He is in Mount Zion? Why, He will send His Spirit to full us and give us light and protection from the blackness and destruction that comes upon all the earth.

The Prophet Isaiah is the third witness who wrote saying: "The stars of heaven and the constellations thereof shall not give their light: the sun shall be darkened in his going forth, and the moon shall not cause her light to shine." (Now listen to God's reason for this) -- "I will punish the world for their evil, and the wicked for their iniquity" (Isaiah 13:10). In verses 6 to 8 he also explains how this DAY will come as a "Destruction from the Almighty," which the Apostle Paul declared would come "Suddenly" when "They say Peace and Safety" (1Thess. 5:3). Ask yourself this honest question: Is that what the great world leaders are preparing for this very day -- a "peace and safety" movement? Please note how Paul agrees with Isaiah that all who do not believe will be caught with the ungodly world in pain just like a woman with child and they cannot escape.

So here are these three Holy Prophets -- Amos, Joel and Isaiah who declare that the BLACK-OUT is coming. It will be in a clear day and no storm clouds are in sight. It will come suddenly. It will come when people are eating, drinking, singing and making merry, etc., in Christendom as well as in the world. It will take ALL "Unawares" who do not "take heed" to the warning words of Jesus our Lord (Luke 21:34-36).

After this period of darkness the sun, the moon and the stars will shine again, and the earth will quit shaking and be still; then man can get a true perspective of himself and the works of his hands, and countless millions will turn to God out of Christendom and "Fear Him". This will bring the official end of all the Churches, then we will all be made "One" as Jesus and His Father are "One" in answer to the prayer which Jesus prayed for all who believe (John 17:21). However, the rebellious Christians who will not leave their wrecked churches, but still desiring to go their way, God will give them a "strong delusion" and they will then unite with the "One Mother Church" -- "The Mother of Harlots" -- and become her daughters indeed. They will all rely upon the "One World Government", the United Nations and Rome to carry out their wishes. They will later see the United Nations defeated in the Battle of Jerusalem (Zechariah 14:1-4), and a number of years later all are destroyed in the Battle of Revelation 17:11-14, Revelation 19:11-21.

God's people must know and firmly believe in the "Restitution" of this earth (Acts 3:19-22, Isaiah 11, Isaiah 35, etc.). We must know that this is next on God's program, which means very soon. Restitution means that God will literally start all over again. He will put everything back just like it was when He gave this earth to Adam and pronounced everything "very good".

Now, again God is going to cover the heavens and this earth with darkness and for a short time everything will be as it were without form and void, for all will be moving, shaking, rolling, tumbling, falling -- without any fixed form during the time of shaking. The duration of this BLACK-OUT will perhaps be "three days and three nights". Jesus was in the heart of the earth for three days and three nights, and all the earth was in spiritual darkness. Jonah was in the belly of the whale for three days and three nights, which to him was a total black-out and no doubt much shaking and rolling and certainly much praying. There was "Thick darkness in all the land of Egypt three days" (Exodus 10:22). Egypt is a type of the world, however, God's people in Egypt had light.

To save His people who are left alive after this unprecedented world disaster and to later save the nations, God is now calling out a "Remnant", whom He also calls His "servants" (Luke 12:42-44, Revelation 12:17). When all is black for three days and nights we will have a measure of glory and light from God (Isaiah 60:3), the light that lit the earth for the first three days of creation, before the sun, moon and stars were created on the fourth day (Genesis 1:14-18). All things must be restored to this former

state, and in which state it remained, until Adam and Eve sinned, at which time the curse of sin and death was pronounced upon man and beast, which still reigns. Jesus died on Calvary to redeem and restore -- remove all the curse in due time. Jesus didn't die to restore the devil as some teach, but He died and rose again to destroy the devil and his works. He died to deliver us from our bondage of corruption (Hebrews 2:14,15), that we may become "manifested sons" and go "deliver groaning creation" (Rom.8:21-24).

Can we grasp or comprehend the glory and the power and the magnitude of this glorious promise? Well, this is the "greater works", and it is immediately before us. Let us get ready! God is now calling and choosing out a people whom He can use to do this restitution work. It will be speedily finished in these "Last Days", not in the Millennium. We should know now that in the near future Jesus will give the "sheep nations" the Kingdom prepared for them from the foundation of the world (Matt. 25:31-37). For this to be accomplished, the entire earth must be restored. In the very last year of the 6,000 years of sin Jesus will say to the sheep nations: "Come, ye blessed of My Father, inherit the kingdom prepared for you from the foundation of the world" (Matt. 25:34). This is proof that the earth has been restored and when. Now, we, the Church are not the sheep nations, and they are not the Church. We, the Church inherit ALL things and rule with Jesus over all things (Revelation 21:7). The converted nations remain on the earth and do not put on immortality as we do at the last trump when we meet Jesus in the air. They remain on this earth, which is then the Kingdom of God and bear children, until 1,000 generations are born (Deut. 7:9). Not even 200 generations have been born as of this date.

Now, will you believe and obey the following: "Call unto Me, and I will answer thee, and show thee great and mighty things which thou knewest not" (Jeremiah 33:3). God can show you that there is a BLACK-OUT -- a world disaster coming, then you can do what Jesus told all of us to do: "Watch ye therefore, and pray always, that ye may be accounted worthy to escape all these things ... and to stand before the Son of Man".

* * * * * * * * * * * *

It is quite necessary to get this message of warning and the Chart which follows into the hands of God's children at once and do all you should do to impress them with this merciful warning message from Jesus, which is for all of us NOW. Do be impressed with the gravity of these words of Jesus and the untold value of this heaven-given opportunity; for the Spirit of God has revealed and put depth of meaning into His warning words, which have been written for lo these many centuries.

oooOOOooo
