DIANETICS AND SCIENTOLOGY QUESTIONNAIRE

I would like you to do me a favor. It won't take much of your time and will only cost you a stamp. This, to me, is a very important favor and would assist me greatly.

The favor I am asking of you is to fill out the questionnaires contained in this issue of ABILITY and return it to me .

This issue is being sent out to everybody who has ever expressed any interest in Dianetics and/or Scientology whatsoever. I want everybody -- old timers, newcomers, professionals, non-professionals, even Organization Staff members -- to answer every question which applies to himself and return this ABILITY to me as soon as possible.

Over the past nine years Dianetics and Scientology Organizations have served in many ways hundreds of thousands of people. We have many files and records on these people and you are one of them. We want to be very sure that these records are factual and accurate in every way.

We try very hard to maintain a high degree of accuracy but sometimes we slip up unknowingly. This we wish to rectify where there are any omissions or mistakes. Any information you give us will be held in the strictest confidence and will not be released to anyone outside of the Director of Training, Director of Processing, Central-Files-in-Charge and myself.

We pride ourselves on the fact that no one outside of Staff members has ever had access to our files. Many people have tried in many ways to acquire the information that is in our files and they all have failed. We feel that your Training Reports, Processing Reports, Correspondence and any other records we may have concerning you are a private matter between you and us and should be held in the strictest confidence; which they are.

You are in our records only because at one time or another you have expressed interest in or participated in Dianetics and /or Scientology.
