ABILITY SPECIAL ISSUE 137 FEBRUARY 1962

THREE WASHINGTON DC STAFF MEMBERS WILL BE BACK HOME THIS MONTH TO BRING THE RESULTS OF THEIR ST. HILL TRAINING TO U. S. SCIENTOLOGISTS.

FRED FAIRCHILD, SMOKEY BRAND and PEM WALL will be with us again in mid-February 1962. Their skill and understanding of auditing is enormous after months of training on the HCO WW Special Briefing Course at Saint Hill. Under the personal direction of L. Ron Hubbard, supervised by Mary Sue Hubbard and taught by the most capable Instructors ever developed in Scientology, their training has been thorough from the ground up and they know how to audit as you have never seen auditing done before.

These staff members will be here to raise all technical results to the greatest precision that can now be obtained after Ron's long and untiring search for invariable and rapid case gains and for means of training all auditors to be able to produce these results. Now is the time to come in for processing and know that every moment of your auditing time will bring you up to better ability to live your own life as you want to live it and closer to a cleared state. Now is the time to take your HCA or to attain Class II skills on the B. Scn. Course soon to be given. Write to Consultant for particulars.

MARILYNN ROUTSONG, previously announced as coming home in February, will continue on the course at St. Hill. JOHN FUDGE has just recently left DC and is now started on his studies at St. Hill.

We are very happy to be able to announce this homecoming of our first St. Hill trained staff members and invite you to benefit from their skill.
