"SMALL CONGRESS" In Phoenix

A "Small Congress" will be given in Phoenix on June 3, 4, 5, and 6. This Congress will not have Ron in person, but WILL have LECTURES BY RON AND GROUP PROCESSING BY RON, From tapes specially prepared by Ron for this occasion.

The importance of the data L. Ron Hubbard is ready to give to these Congresses is such that it was considered necessary that the largest numbers of Dianeticists and Scientologists be reached in person. The largest numbers of

Dianeticists and Scientologists are at this time those in the East Coast area. This is the area in which the most is being accomplished outside of Phoenix, the headquarters of H. A. S. I.

The price of the "Small Congress" will be $25.00 to all adults and $10.00 for all under 18. There will be no additional discounts at the Phoenix Congress as the price has been set in advance well below the standard cost of a congress. WE WANT YOU TO HAVE THIS INFORMATION AND THIS PROCESSING.

We hope you will get to WASHINGTON, D.C. for the FIFTH ANNIVERSARY CONGRESS OF DIANETICISTS AND SCIENTOLOGISTS!!!!!!! If you don't get to Washington then be sure to get to PHOENIX!!!!!!!

The Phoenix Congress is in the able hands of the H. A. S. I. Staff Auditors and H. P. C. instructors, all of whom are trained by Ron personally, recently, intensively and extremely successfully. The Phoenix Staff is now being specially trained in the material and techniques to be presented at these Congresses.

We know that you will be extremely glad you came.
But get to Ron's Congress if you possibly can!!!!!!!

To the Ghost of the H. A. S. I.
From the Ghost of Ray and Stan.
Date Unknown, and Unknowable.

Rumour Hath it so they say
A book was once upon it's way
It's name, or so it seems to me
Creation of Ability.

We sought it here, we sought it there
In England, Phoenix ... Anywhere.
It was promised us last June.
But not on earth ... was it the Moon?

Poor us in our naivity
Did tell our students, happily
And they with gladden heart rejoice
Did send you money, No invoice!

Even Ray, in country far away,
Did work on proofs both night and day
Did even, t'was his inclination,
Shew them to Ron - Hallucination!

Alas, alack, our money spent
We now in apathy repent
The error of our ways.

For now both Stan and I,
Do recognise it as a lie.
And this the postulate persist
The truth must be ... it don't exist.

Oh woe, alas, unhappy day
We have spent most all our pay.
So please we beg of you defray
The cost, to more materiel.
We have from you - perchance to sell.

T'was promised us who did attend
The last June Congress. We append
A statement to effect
We cannot say O.K. there yet.

And thus the sordid tale reveal
And from our apathy apeal
Please tell us, sign it with your seal
IS THAT BOOK REALLY REAL?

Raymond Kemp

poem

One of God's best friends,
Not a local, and not a very big,
But a very amiable God
From another nearby part of the galaxy,
"Whorling, kleeth, and wraxy,"
So he said, "but expletive,"
Powered in by mid-force solar slit-travel,
Straked, broke, and winchelled
So much like a Polycengurian
That I said to God, Look, will you
Just take a look at that new gurian!
& God said, "What?" and I said,
"I said look will you just," etcetera,
(But God was on that Fix-It tear of his,
And wasn't paying attention.) Then up
And through the No Swirling bands
The old friend swirled and novaed
Even if ever so slightly,
Then it was sixty-sixty centuries
Before I could plot quietly, which was my aim,
And unfamiliar Gods my aim not,
But these two were such great friends,
It was worth a slight spin in,
To see them glare.
It wasn't a local, and not a big,
The stranger deitite, but from the first,
It was all his fight.
