Scientology Congresses

Welcome to the CLEARING CONGRESS! Congresses have been going on for quite a while now. The following is a run-down on our past Congresses which we feel will be of interest to you.

80-88 Congress, 1407 N. 3rd St., Phoenix, Arizona, June 23 - 28, 1952. The first Scientology meeting had 22 hours of lectures by L. Ron Hubbard on "Techniques 80 & 88". There were approximately 100 attending this very enthusiastic Congress, including auditors and new people alike, to learn about Clearing.

First International Congress of Dianeticists and Scientologists, Broadwood Hotel, Philadelphia, Pa., September 30 thru Oct. 4, 1953. LRH, just returning from a year's stay in Europe, spoke to nearly 300 congress delegates. This Congress found the field anxious to bring about organizational stability. Ron stated, "We had to have a science before we could have organizations." In effect, he announced that "this is a 'D'-day for action" - that with the completion of the science there must now take place high level function in organization and dissemination.

International Congress of Scientologists and Dianeticists, Little Theater, Phoenix, Ariz., Dec. 28 - 31, 1953. Warm sunshine and clear weather greeted those attending this Congress in the beautiful modernistic quarters completely equipped for theatrical productions. This new experience consisted of presentation of the latest techniques and methods of Scientology as worked out and perfected in the Advanced Clinical Courses. As the lectures and group processing presented by LRH continued through the course of the four days, the tone level of the group improved steadily - and the enthusiasm over the simplicity and workability of these techniques was quite evident.

Excellent entertainment and appropriate refreshments raised the "spirits" of the group assembled to a peak of optimism for a prosperous, happy new year of accomplishment and progress for the advance of Scientology into our society.

Universe Congress, Little Theater, Phoenix, Ariz., June 5 - 8, 1954. L. Ron Hubbard, fine seminars, and lots of group processing tied together this most successful Congress. After this Congress the attendees evidently did not, as before, go home to minor activity. According to reports, many of them returned to their areas and began a wide open campaign of

blasting cases apart with techniques taught them by L. R. H. There is no estimating the number of cases improving radically as a direct result of this Congress.

Unification Congress, Little Theater, Phoenix, Arizona, Dec. 28 - 31, 1954. At this Congress in honor of the return of Dianetics to L. Ron Hubbard, its founder and developer, you encountered the experience of group processing. "Dianetics - '55!", a new book for the Congress, "Okay, Mama", and even a Mombo being in Mombo country came out at this Congress. To bring in the New Year and place a fast-moving end to the Congress, we enjoyed the stimulating music of the U. S. Air Force Band.

Anatomy of the Spirit of Man Congress - Park Room of the Shoreham Hotel, Washington, D. C., June 3 thru 6, 1955. Ron came East to deliver this Congress. The staff remained in Phoenix to give a smaller congress to those in the West. Ron, through lectures and processing, took Man apart - showed how to plot these parts of Man on a chart and explained what to do to put the person in charge and to clear him. A quiet but produc - tive Congress which, through good group processing and lec - tures, set the sights of Scientologists higher than ever before.

Six Levels of Processing Congress, Park Room, Shoreham Hotel, Washington, D. C., Dec. 28 - 31, 1955. Ron, in England at this time, sent over special tapes and a welcome address. The Congress also had plenty of group processing by the staff, and staff member reports. This Congress had a message: "Something can be done about it", and it was done through this Congress.

Games Congress, Main Ball Room, Shoreham Hotel, Washington, D. C., August 31, Sept. 1 - 3, 1956. L. Ron Hubbard's arrival from England, and the beautiful Main Ball Room of the Shoreham Hotel all set. Four hundred old pros and first - timers alike took to this four-day Congress like ducks to water. Ron had the most important material yet released and to back him up were well-run seminars. Here we shifted into gear on Clearing. Many of you well remember the "Mama-Papa" dummies made by the Academy students! A standing ovation greeted Ron back to the U. S.

Anti-Radiation Congress, Washington Hotel (Hall of Nations), Washington, D. C., Dec. 29 - 31, 1956. It seemed very presumptuous of us to get together and call an emergency Con - gress about radiation and to gather up our forces and do something about this world situation. But modesty isn't the only virtue ever to be sought. "I don't think it would be quite right", Ron stated, "to let our sense of modesty kill us ten to twenty

years from now. I think that would be paying too high a price for modesty." So, we, all of us, have inherited a whirlwind, and isn't it lucky that we happen to know about whirlwinds! Thus went the Anti-Radiation Congress.

Freedom Congress, Main Ball Room - Shoreham Hotel, Washington, D. C., July 4 through 6, 1957. BANG! Validation! Communication Drills! Tone 40 Drills! L. Ron Hubbard literally opened the Congress with a bang -- then for three grueling days and nights everyone was put in charge of his or her life with precision lectures and group processing by Ron, and by Tone 40 Seminars by the Staff.

Ability Congress, Main Ball Room - Shoreham Hotel, Washington, D. C., Dec. 29 - 31, 1957. Here started a new era -- Clearing. L. Ron Hubbard covered clearing in all aspects. He said that the existing state of psychotherapy in the United States was poor and that its failures and barbarities lay across our path and threw discredit on anyone working in the field of the mind. The final lecture was a technical one and at its end the entire Congress rose to its feet and gave Ron a standing ovation. As promised, the Ability Congress marked the beginning of a new era, not only for Scientology but for mental practice in the U. S.

And now,

CLEARING CONGRESS, Main Ball Room, Shoreham Hotel, Washington, D. C., July 4, 5, 6, 1958.
