Extension Course For Everyone

by

L. Ron Hubbard

Who is supposed to do an Extension Course? Everyone.

Old timers, new people, professional students, H.A.S. students, everyone can have some fun and case gain with an Extension Course.

The course is done by mail. It costs so very little it is really a public service.

I designed the course to search out the most important things in Dianetics and Scientology and to increase familiarity with them.

The course is in eight sections each lettered, each covering a specific book except Section E, the E-Meter section.

When enrolling, Secton A is now being mailed at once. It consists of twenty lessons based on Dianetics: The Modern Science of Mental Health. Each lesson has eight questions from the text. You will be amazed how modern Book One looks seen through the Extension Course.

The cost is small - only $5.00. No discounts. Each week or oftener you do one lesson on your own paper and mail it in to the Extension Course Director. It is corrected and mailed back. But meanwhile you do the next lesson.

When you have finished Secton A, Section B will be sent to you at once and so on.

WHAT ARE CLEARS?

by

L. Ron Hubbard

There are three known grades of Clear.

The first is the Book One Clear. This is called Mest Clear. An adequate description of this is to be found in Book One.

The second is a Theta Clear. This has been known for years but has only recently been obtained through engram running as taught in the 5th London and 21st American ACCs and is done in the Processing Department of the Central Organization.

The third is called O. T. or Operating Thetan and is a rather esoteric level, hard to reach, hard to describe in full.

Any confusion about the state of clear is a confusion of these three terms, Mest Clear, Theta Clear and O. T.

An uninformed public thinks a Mest Clear should act like an O. T. with magical attributes. It is not enough that the general auditor can now approximate a Book One clear. The public, striving for unattainable attributes, wants an O. T. who eats buildings. The two states if on the same scale are not the same states.

A Mest Clear knows he has reached the bottom rung of the ladder on his way up. He also knows the rest of humanity uncleared is below this state but that they don't know that they are.

A Mest Clear still thinks of himself more or less as a body and is more or less subject to one. All engrams are effectually keyed out without being examined. For practical purposes they are erased. He has excellent recalls. They may or may not be eidetic. Book One Clears are a bit below the Mest Clear standard of today.

If the person making the picture required in eidetic recall makes the picture, he has to know first what is in it. So why make a picture. A picture is memory on a via. So the argument about eidetic recall is a rather dull one at best.

It is not my purpose, thank God, to prove I was right. It is my purpose to blaze a trail into zones and heights Man has not known before. I can tell you only what is as I know it now. And I know that eidetic tests of recall do not prove a Mest Clear.

Only freedom from keyed-in engrams proves a Mest Clear.

Theta Clear is another thing - much higher than a Book One or Mest Clear. This is a real triumph and I'm proud of it. The fact of a real Theta Clear is only a few months old.

A Theta Clear has no obsessive engrams whatever. They aren't. But he can put back at will his reactive bank or any engram in it and blow it off again at a glance. Now that is news. A Theta Clear does not have to depend on the body line for his "survival". He does not have engrams of any kind unless he creates them. He does not have to be in a head. And the state can be obtained in at least 80% of all cases in about 350 hours of auditing or more depending on the auditor's skill. Only the Processing Department of the Central Organization or the graduates of the 5th London ACC or the 21st American ACC are doing this one.

Mest Clear, however, is a way station on the road to Theta Clear or O.T. so it doesn't much matter what auditor starts you on the way - your H.A.S. co-auditor, a professional H.C.A., an H.C.S. or B.Scn. or a new A.C.C. graduate. You'll win with them all toward the same goal. Lately I even developed a co-auditing formula that reaches near Mest Clear.

O.T., of course, remains theoretical and is reached through lower clear states.

So here we go. We built a bridge. And built it better than we hoped. It's time to start if you've been hanging back. The best way to see this elephant is from inside!

Clearing is wonderful conversational material. It is a better experience.

The brain forms no part of the study of Dianetics.

THE 1959 HCA COURSE BECOMES A CLEARING COURSE

by

L. Ron Hubbard

Three subjects, not one, have been in development in Dianetics and Scientology for these many years.

First and foremost of course is Scientology itself. Second is Organizational know-how. Third is How to Train Auditors.

These last two technologies did not exist in 1950, which accounts for our inability to make every gain we needed to make. Only in the past three years have we grown larger than we ever were in '50. Organizational know-how permits us to grow. Training know-how permits us to get results generally.

Today the student in the new 1959 Academy can be taught at Hubbard Certified Auditor Level to Clear somebody. That is news. And with this issue we announce that the HCA Course will teach clearing to Mest Clear.

With a newly grooved Communication Course, with an even stiffer Upper Indoc Course and with Theory and Practice aimed only at Clearing we are giving the best we have to the first professional level of the HCA Course.

As the HCA student, as well as other people, studies the Extension Course, much class time is saved for practical application of auditing.

The enrolling student may arrive any Monday. He is placed at once in a Communication Course. This teaches him the basic drills of auditing. After a week he moves to the Upper Indoctrination Course which teaches the basic drills of handling people. The student is then graduated to Theory and Practice and "gets in" his first professional level auditing.

At the end of eight weeks he has studied and should know how to do the basic processes of Tone 40 auditing:

CCH 1, Give me that Hand
CCH 2, 8-C
CCH 3, Hand Space Mimicry
CCH 4, Book Mimicry

(cont'd. to p. 9)

He has also studied and knows how to do the basic processes of Mest Clearing by formal auditing:

Rudiments of Auditing
Factual Havingness
What Can You Confront?
Total Responsibility
Help
Step 6

These are the clearing processes for Mest Clear. He is also taught other skills and processes needed in general auditing.

At course end he is examined for his practical ability in auditing by the HCO Board of Review in the Academy area and, due to the precision of Academy training, is generally passed.

Training in engram running and other items was attempted in late 1958 but has been relegated to higher training levels. The HCA must know how to clear people now and all dross has been dropped.

I re-organized the Academy in early 1959 after several tests and trials and can promise you now that the training is more skillful and precise than it has ever been. All the instructors are old time auditors. They know their business. I taught most of them myself and can vouch for it.

It's time for all those who aren't to get themselves trained and get about the business of clearing people.

THE HUMAN RACE

Spirits trapped in bodies
Prisoners who have created their own bars
Each responsible for his own particular affliction
Yet unaware of how it is to be healed:
Their greatest tragedy is that they do not know
How tragic they are.
