ADVANCE 7

Back up your chances to go clear

The Advanced Organization is the guardian of the final half of Ron's famous bridge. Back them up by getting in your Advance payments for the Clearing Course now!

Your advance payment will help the AO to improve service and facilities to speed your route to Clear. You will have done your part in keeping Ron's bridge strong and wide open.

TWO ALTERNATIVE ROUTES TO CLEAR

1. The preclear route: *the Dianetics Course is no longer a requisite,* auditing to Grade IV Release in your local org, Power Processing and the Solo Audit Course at a Saint Hill Level Organization and then straight onto the Clearing Course.
2. The training route: become up to a Grade IV Release, get Academy training in a local org, take Saint Hill Power Processing and the comprehensive Saint Hill Special Briefing Course. Then immediately begin the Clearing Course.

Because you audit yourself to Clear on the Clearing Course, the better auditor you become through training, of course, the better auditor you'll have on the Clearing Course.

You will receive the confidential Clearing Course materials and instructions (all in Ron's own handwriting) at the Advanced Organization. It is usual to stay in the area to complete the course and begin the O.T. Courses. Fast flow is in on the Clearing Course. You can go as fast as you like and special Class VIII case supervision is available if required.

"A Clear is a being who can be at cause knowingly and at will over mental matter, energy, space and time, as regards the First Dynamic (survival for self).

For more than 2,500 years, Man has dreamed of this goal.

Being Clear gives one the freedom and potential of being. Further, it makes it possible to continue being something. It is a stable state. Also, a Scientology Clear has experience."

L. Ron Hubbard

CLEAR SUCCESS STORIES

Sheila Bakker, Clear #2312

"It's beautiful — I have never felt so completely wonderful. It is such a great feeling to **know.** Everything and everyone looks so beautiful."

Bev Prewitt, Clear #2129

THE STATE OF O.T.

by L. Ron Hubbard

Operating thetan is the top-most state to be reached in this universe.

"Operating" simply means to operate, manipulate or handle. For example, one operates an E-Meter, a car, a ship, etc. It also includes the meaning that one, oneself, can operate.

Thetan, of course, is the Greek word, "theta" made into a noun by adding "n" in the modern manner.

Theta (circle with a bar across it) was the symbol, the letter of the alphabet, used by Greek philosophers to signify "thought" and possibly even "live thought" in a person as opposed to his body. Thus the word thetan simply means, in Scientology, the being or life unit who inhabits and runs the body.

Of course, to that degree, anybody who can move is really operating as a thetan. But what we actually mean by "Operating Thetan" is somebody who can not only operate bodies but who can operate **without the body.**

Thus, the full technical definition of O.T. is a being who is cause over thought, life, matter, energy, space and time.

By cause is meant the communication formula — cause, distance, effect. An individual who is cause is being a source of action or impulse. In short, we mean a being who can operate without the encumbrance of the body.

Looking at life from the idea of gradients (something can be more and more, higher and higher, and so on up a scale) we find that OT is not actually at the top end of the scale of life!

The top end of the scale would be a thetan who didn't have to operate, who, in fact, would be in a total, almost unattainable absolute. Theoretically, he'd be in a state where he was so serene, calm and disassociated with the physical universe that he wasn't in it or the time stream. He would, however, be in a no-games condition.

One of the basic and native characteristics of the thetan is he likes to have a game going. So, just below the point of theoretical absolute of a thetan who didn't have to operate and had nothing to do with anything, you would have an Operating Thetan, a being who could and would operate.

Thus, today, through Scientology, we are arriving at a different state than the theoretical state of the individual who existed at the beginning of the universe.

That individual was totally potential and had no experience. He could potentially have **all** experience but he didn't have any. He could potentially know everything, but didn't. So he socked himself downscale and eventually fell out the bottom.

When you put somebody back to the level of Operating Thetan, you are putting somebody back who is different than any being who has ever been on the track. There's never before been an OT **with** experience.

Never before in the history of the universe has there been anything but a **released** OT, a being who is temporarily exterior and feels great and powerful but whose bank, sooner or later within minutes or centuries, catches up with him and he falls on his head.

Our definition of an Operating Thetan is that of a **Clear** Operating Thetan. This is a proofed-up being who no longer has a bank or an impulse to make one **and** who has experience. This is a completely stable state, a being who won't hit the banana peel.

A Clear OT knows the whole pattern of what the causes and effects of various things are, how they are interwoven and what happens and doesn't happen. He knows these things by experience. Without suffering from the experience, he yet has the experience. So he experiences everything and doesn't have to experience things that he doesn't want to experience.

He is, in actual fact, a walking miracle who is himself comprehending all the miracles.

SUCCESS BEYOND MAN'S WILDEST DREAMS!

I am continually amazed by the fact that we have such a smooth upward climb in Dianetics and Scientology.
Ron is truly a master of the gradient. Going Clear is like hopping onto a trampoline – you jump down with a minimal effort and you're sent 7 times as high – except this is a permanency!
It is tremendously simple and effective. Almost too simple. Thanks to all.

Clear
To be born again – things are fresh; the colors and hereness of things . . . I'm like an ageless infant with a wind body – no, a spirit, a little afraid, but ageless and will grow. I'm so I . . .

David Ross
Clear #2336

It was all so easy – I just laughed and it felt so good and I knew I was CLEAR.
The thing is – it just doesn't go away – stability has finally been attained. I can now really START – to fly . . .

Paul Shapiro
Clear #2135

Clear is like moving through outer space. No particles push against you. No friction.
Present time is duplicated and flows on by.
So smooth.
So calm.
It's still a little strange not to be getting stopped but to continue flowing.

Robert Lavaggi
Clear #1992

Right after Clear I hit a keyed out OT state and could change my body size about 1¼ to 1½ inches in height by actual measurement. Some people swore it was 2 to 3 inches, which it might have been, but it was 1¼ inch difference the time I measured. The ability was under control and I would do it at will.

Fred Fairchild, OT VI
Clear #49

Duplication of data often brings interesting abilities into view. I'm OT I. While studying with intention in the privacy of my bedroom, I heard a noise in the adjoining den. I looked around to "see" what it was, and behold, I looked right through the wall into the next room as though no wall was there. When your intention is very strong, you can do what you intend to do! Wow! Do you intend to go CLEAR? And O.T.?

Herb Sutphin, OT I
Clear #2313

OT II was beautiful and full of cognitions. Thank you Ron for showing me the way. I know now that I can create freely and be an O.T.

Joanne Groff, OT II
Clear #605

The other day I was sitting in a friend's apartment talking. Outside close by another being of whom I'm quite fond was getting ready to enter his nearby apartment. On a non-verbal level (telepathically) I invited him into the apartment in which I was sitting. Almost instantly he opened the apartment door and said "I just thought I'd stop by since you invited me." We smiled knowingly at each other. I have had many such experiences in the past few days. It seems that words are needed less and less but communication becomes more and more frequent!

Keith Coulter, OT III Expanded
Clear #2114

To be exterior, then to be exterior stably with full perceptics is more rewarding than any level I've done so far. Last night when I put the body to bed and closed it's eyes, I experienced one of the all time greats. I opened my eyes, I saw, I felt, I smelled, I heard the rain – the cleanness of the Physical Universe. But I didn't get wet. You see the Body was still in bed – but I wasn't. OT III is fantastic. It's more than Ron could possibly tell you in written word – Do it and you'll see, really see.

Bob Jones, OT III Expanded
Clear #1296

Last night as I lay my body down I left. Literally. I found myself looking down at a dark ocean on a moonlit night. I got my bearings and headed east. The land was dark and the night cold. I really dug those stars. Fancy free and perceiving all. And up to my old tricks. Fantastic fun.

Art Bacon, OT III Expanded
Clear #1238

25 *November 1969. We are in Florence having left our bodies halfway around the world. We're observing the details of the old palace. Susan begins describing the statues beside the palace. I'm looking at them also at that moment. I go to the bell tower. She is already there. We look over the orange-red tile rooftops of the city and out to the green countryside. Then we are both there in the hills surrounding the city, and the form of the stately trees is gorgeous to us both at the same moment.*

Back to the statues – the one looking straight forward. Yes! I was looking at him, too. The woman being carried off – she's beautiful! – a moment of adventure carved from the white marble. We touch the figures and the cold, smooth feeling is delightful.

We're inside the Baptistry, looking at the beautiful pattern of the mosaic floor. We laugh at the fact that we've been admiring them silently for a minute before one of us mentions this.

It is effortless, being here, being there, at will. In an instant we are in another space, exactly at the same moment without verbalizing – just being and enjoying the same perceptions.

URGENT — IMPORTANT DIANETICS AND SCIENTOLOGY SERVICES

This Policy Letter cancels:
HCO Policy Letter 5 May 1969 "Sub Zero Grades"
HCO Policy Letter 17 May 1969 "Dianetic Auditing of Scientology PCs."
HCO Policy Letter 26 Oct. 1969 "Class VIII and HDG"

Dianetics is not a prerequisite for pcs to be audited on Scientology grades.

On the contrary. PCs CAN BE STARTED ON SCIENTOLOGY GRADES.

LRH ED 13 June 1969 states, "But mainly don't abandon any Scientology actions. Keep on doing these. Put somebody in charge of the Dianetics Programme and keep Scn. going."

It is TRUE that pcs who are trying to handle *psychosomatic illnesses* with grades, wind up at "OT" still trying to cure a headache. But what is a psychosomatic illness? What does that mean? Migraine headaches and chronic pains. How many pcs are like that? Only a small percentage.

It is TRUE that pcs who need medical treatment should get it and then be audited on Dianetics.

It is TRUE Dianetics handles aches and pains, accidents and illness and is a vital auditing tool.

BUT IT IS ALSO TRUE THAT A LARGE PERCENTAGE OF PSs CAN GO STRAIGHT TO SCIENTOLOGY GRADES.

Every test case of the original Dianetic programme was already a Grade IV or even VA Release. This means Dianetics was done after Scientology grades.

It is TRUE that a Class VI Auditor also has to be an HDC. This has been policy for the last five or six years.

An HDC is not really a prerequisite for a Class Zero. It looks that way on the chart. It is true he'll be a better zero (or I, II, III, IV) if he's first an HDC. BUT IT ISN'T REQUIRED.

Many pcs find Dianetic auditing too steep a gradient and start better on Level Zero. When they are grade IV they run fine on Dianetics and Dianetic triples.

One way to do it is Scientology single grades, Dianetic triples, Scientology triples.

An HAS or the lower level Scn basic courses start people off great.

Now because you are being told you shouldn't drop *any* Scientology actions DON'T now drop all your Dianetic actions.

Follow LRH ED 16 INT 13 June 1969. Put your Dianetic actions in as a Dianetic Programme under an appointed person and get on with the Scientology actions that never should have been dropped.

Sign up new people on this basis.

1. "If you have psychosomatic illnesses sign up for Dianetics. We'll get you examined by an MD and handle it."
2. "If you are not physically ill, sign up for Scientology."

A sick pc is channeled by the Registrar and Tech Sec into Dianetics.

A fairly healthy pc is channeled by the Registrar and Tech Sec direct into Scientology grades.

On a pc who is signing up for Power, if earlier Scn results were poor, put the pc onto Dianetics as this is a hidden psychosomatic illness.

A healthy pc can go from Scn grades to Dianetics to Power.

A student can start on Level Zero. Or if the centre doesn't teach levels then he can go onto the Dianetics course.

If the Dianetics course is widely taught by groups and Franchises most students will already have had it when they get to an Academy or a Saint Hill.

Really good auditors are good on Dianetics. If they can audit Dianetics they will be good Scn auditors. So it is a good point. The techniques of Dianetics are very simple and show up the auditor as good or poor. But this doesn't stop you from entering an applicant in an org straight onto Academy Scn courses.

Without creating any confusions or difficulties each and every Org, Centre, Franchise and group must get this implemented fast.

YOU CAN SIGN PEOPLE UP DIRECTLY FOR SCIENTOLOGY AUDITING OR TRAINING — Allowed Services Policy still applies.

Dianetics is designed to care for psychosomatically ill people or to get charge off a case before or during upper level actions.

The intention of the whole Dianetic programme was to reach out, putting a type of training in the field and to handle cases of psychosomatic illness.

You can put a pc on Dianetics singles or triples anytime during his auditing career. It will have to be sometime but his physical condition says when. There is no other *policy* on this.

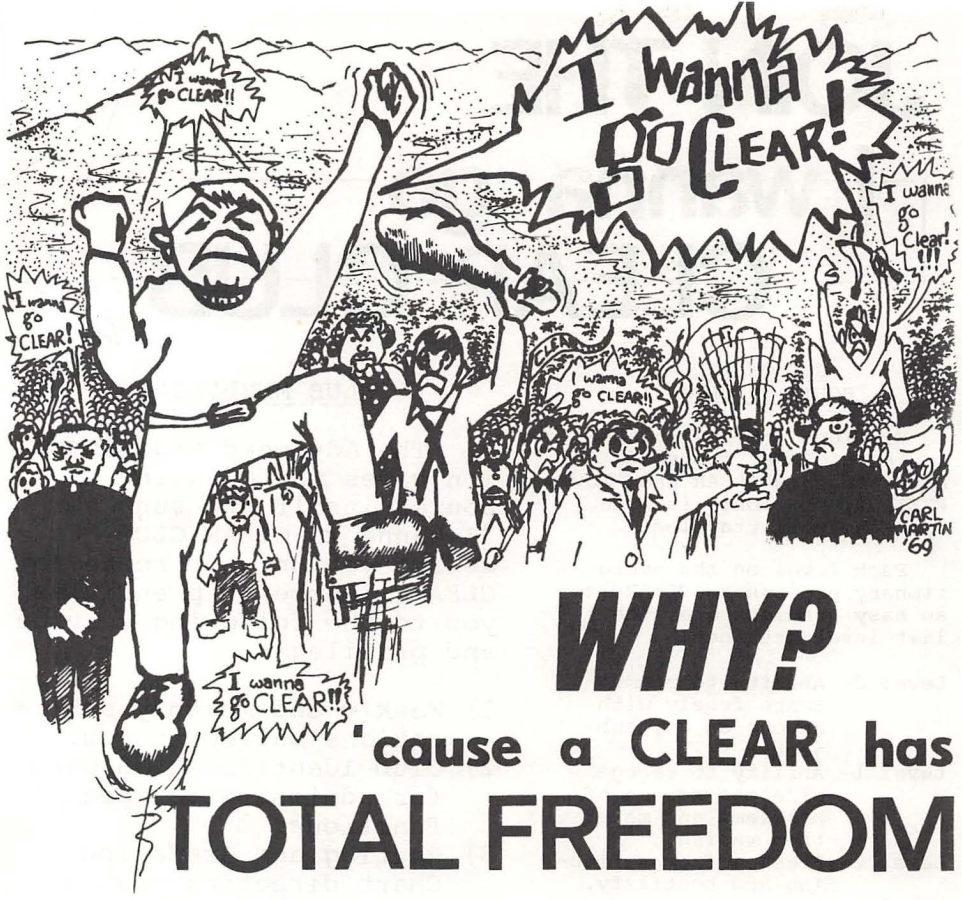

An auditor can be trained on Standard Dianetics anytime in his career. The only policy on this is that an auditor must be an HDG before Class VI and every VIII must be also an HDG. Dianetics training to HDC can be done in the field of the Supervisor is an Scn org HDG. Only official orgs can train to HDG. Just like it said on the Dn Graduation tape.

Don't now drop Dianetics. Get Scientology back IN.

YOUR AO FOR CLEARING, O.T. AND CLASS VIII COURSES AOLA'S STABLE DATUM IS: "WE DELIVER"

WHY?

'cause a CLEAR has TOTAL FREEDOM

What's a CLEAR?

The optimum individual is called a CLEAR.

A CLEAR can be tested for any and all psychoses, neuroses, compulsions and repressions (all aberrations) and can be examined for any autogenic (self-generated) diseases referred to as psychosomatic ills. These tests confirm the CLEAR to be entirely without such ills or aberrations. Additional tests of his intelligence indicate it to be high above the current norm. Observations of his activity demonstrate that he pursues existence with vigor and satisfaction.

L. Ron Hubbard
Founder of Dianetics & Scientology (From "Dianetics, The Modern Science of Mental Health", 428 pages, $5.00 - Scientology Publications Organization.)

What's Scientology?

Scientology is Applied Philosophy. It is the largest self-betterment organization on the planet with hundreds of centers on all continents. There are millions of Scientologists.

Scientology has a workable technology to totally free the Spirit from the body. Part of Scientology is called Dianetics which is a therapy that completely erases mental aberration and psychosomatic ills.

Scientology and Dianetics produces CLEARS and TOTAL FREEDOM.

Since the days of the American Revolution the people of our great country have been fighting for freedom. We had a bloody civil war in the last century to stamp out slavery once and for all.

Yet the fight continues. A large segment of the American people are demonstrating, even rioting for more freedom. WHY? We have our independence, and slavery is abolished. Our Constitution and laws guarantee freedom of the individual. Yet apparently we are not yet free.

Our next step toward more freedom is <u>not</u> revolutionary; protests and riots are <u>not</u> the answer. Our next step is <u>evolutionary</u>; moving the individual up to attainment of spiritual freedom which is TOTAL FREEDOM at CLEAR.

This is what you and all the others are still fighting for, and TOTAL SPIRITUAL FREEDOM IS NOW ATTAINABLE FOR ANYONE who is willing to follow the evolutionary steps to CLEAR.

We are here to guide you over the bridge to CLEAR and TOTAL FREEDOM.

JOIN THE
I wanna go
CLEAR CLUB

GET ON THE
ROUTE TO CLEAR

Millions are now on the route to CLEAR. Thousands have attained CLEAR and TOTAL FREEDOM. The route is wide open and well traveled.

Each level on the evolutionary process to CLEAR is an easy gradient over the last level attained.

Level 0- Ability to communicate freely with anyone on any subject.
Level 1- Ability to recognize the source of problems and make them vanish.
Level 2- Freedom from suffering and hostility.
Level 3- Freedom from past upsets and ability to face the future.
Level 4- Freedom from fixed patterns and ability to face the future.
Level 5- Erase major traumatic experiences in the distant past and ability to handle power.
Level 6- Freedom from previously unknown dramatizations and return of powers to act on own determinism.
Level 7- CLEAR and TOTAL FREEDOM. Cause over mental Matter, Energy, Space and Time on the 1st Dynamic (Survival for Self).

Each level includes training and personal counselling. Run, don't walk, to your nearest Church of Scientology, mission or group and take your next step on the route to CLEAR. Many make it in weeks, not years.

Join the "I wanna go CLEAR" Club and we will personally direct you to your next step to TOTAL FREEDOM.

THE ADVANCED ORGANIZATION OF LOS ANGELES IS READY FOR YOU.

The Advanced Organization of Los Angeles services the whole Western Hemisphere, the Pacific, and Australia/New Zealand area (ANZO) with the most advanced Scientology courses. People usually start on the route to Total Freedom at their local Scientology group or Franchise Mission with Basic Courses, move up to their local Church of Scientology for more advanced courses and then take the big step to university level work at the American Saint Hill Organization here in Los Angeles.

Their final step for Total Freedom is made with us, here at the Advanced Organization.

We are waiting for you (sometimes a bit impatiently) to move up the line so that we can assist you over the final steps of the bridge to Total Freedom and eventually TOTAL POWER.

We have the top Class VIII Auditors in America, backed up by a crack, highly effective team of administrative personnel. Every staff member is, himself, training over 30 hours per week to improve his effectiveness even more. We administer Ron's technology *exactly* as directed, and the results are totally unbelievable to the unfamiliar.

To those of you who may be new to Scientology, go to your local Scientologist or Church. Take your next step and you will be with us on the final half of the bridge in a matter of months.

Don't delay longer. We are in a race with man's inhumanity to man. We hope to turn the tide of self-destruction before it is too late. We are working day and night to do so. We are confident that we shall win because we *must* win. We are not here to "save the world". We are here to help those who wish to cross the bridge. What you must do is move up the line fast and join the growing ranks of the TOTALLY FREE.

Class VIII students hard at work. The Class VIII Course room is "off-limits" to anyone but Class VIIIs or Class VIII students. Students wear the traditional green smock.

INSIDE THE CLASS VIII ROOM

The sign on the door of the Class VIII Room reads "Class VIII Course – NO ADMITTANCE except for Authorized Personnel". The staff and public go by the door many, many times a day. Once in a while the door is just being opened or closed by an "Authorized Person" and one can catch a glimpse of the blue carpet on the floor and maybe a green smock or two.

Why only "Authorized Persons"? What's the big secret? What really goes on in there all day, anyway? If you were to somehow get through the door in the morning (before the students arrive) it would just look like an ordinary room. The sun pours in the windows, like any other room. There's a large sign inside the room that says "Sea Organization Class VIII Course" and "You *Will* Produce 100% Standard Tech". But that's not confidential. There are tables and chairs and a big loud speaker and a picture of Ron at the front and locked filing cabinets – none of those are confidential.

Why only Authorized Persons? What's so special about *that* room?

For one thing the closely guarded LRH Class VIII tapes are played there daily. But anybody can listen to a tape by Ron!

Not everybody can listen to these. A large percentage of people would dope off the first few minutes. Another percentage would listen blankly to the whole thing, shrug, shake their heads in bafflement, and go home to sleep it off or to Review to handle their somatics. A very small, but growing, elite group of individuals have sufficient tech training and awareness to hear the lectures on the Class VIII Course – to brightly – eagerly pick up and retain the incredible data that Ron reveals so casually on these tapes.

Those qualified are VIII's and VIII students. They can listen to LRH state the structure of and mechanisms of the mind, the exact nature of a thetan, who we are and who Ron is, what is our role on this planet, and why the people of this particular planet respond to certain things the way they do.

The VIII students listen attentively for an hour and a half and then get questioned briefly on what they've heard, "Your PC says–. What do you know?" "What do you do?" "You see a case doing such and such. What do you know about him?" "How is it resolved?" "What is the *only* reason for such and such a case?" Fast answers. The data flies casually around the room – the students *know* the answers, or learn them quickly by referral to exactly what Ron said. And the exactness of the training and the tech, the reason for the forbidding sign on the door, becomes evident.

It's not safe to walk into a lions cage if you're not very familiar with lions. It's a risky idea to smoke in a dynamite factory when you don't know much about the dynamite. But lion tamers play games with lions. Dynamite experts think nothing of lighting up when they feel like it. And an expertly trained auditor with the proper case level can handle the VIII Course.

The Class VIII Course was designed by Ron. It is Ron's top Course. The depth and impact of the tech that VIIIs handle is startling to say the least. The new student arrives on course and within the first 15 minutes of his first tape is often bug-eyed, and usually begins to cognite that there's something new and very standard to learn about tech. The students who have heard the tape before may smile, or signal him to close his mouth, or ignore him totally; they're listening to the tape. By the end of the tape, when the questions start, the student is usually pretty quiet. He may have entered the course with an attitude of "Teach me something new. I dare you." He never stays that way long. He'll go through his period of abashed ignorance. He'll come out shining, knowing he knows.

Students also study the packs of confidential Class VIII HCO Bulletins and photographic copies of hundreds of folders of cases from raw meat to OT VI's, C/Sed by LRH and selected by him for the course. These C/Ses demonstrate the procedure behind the "magic" of Ron's results as a C/S. The new student may have gotten as far as clay tabling axioms. Line charges, cognitions, passed or flunked checkouts. The day goes on.

12:00 is lunch time and 6:00 is supper. VIII students wander out and if you know the course you can recognize the new and old students just during breaks. Dazed look? Quiet? Occasionally shaking his head in amazement? He's new. Confident? Certain? Direct? He's almost ready to go.

Hesitatingly gripping a new Routing Form and hopefully asking for the Supervisor? Smock that doesn't quite fit? He's just coming on. He's about to become an Authorized Person. Wait a few weeks and watch out for him. He'll be a Class VIII Auditor with total grasp of 100% Standard Tech. This is Ron's miracle of miracles – Class VIII.

CLASS VIII SUCCESS STORIES

Today I graduate a Class VIII. I became a Class VIII 3 days ago. Yes, it happened to me just as I have heard other VIIIs say. Suddenly you KNOW you're a Class VIII and it's the most powerful feeling I have ever known.

Suddenly the uncertainty and self-invalidation falls away and it's all so very, very simple.

You sit the Pre-OT or PC down across from you and you almost say, "Take a look, it's there and I'm here to make it safe for you to look." He does look and find and has the most fun doing so.

You expand as he expands and another step toward total freedom has been taken.

VIII = Success.

I have just achieved the greatest success of my career in Scientology.

Complete understanding of Ron's tech. It's mine – to use and to protect. My purpose now becomes that of keeping tech in to produce Clears and OT's. I can do it.

Thanks Ron.

WILL THIS CIVILIZATION DIE AS WELL?

"The blue painted sacrificial victim was held at each limb by priests, his chest arched over the sacrificial stone while the high priest, the "Ahkin," struck downwards with his flint knife ripping across the victim's chest, exposing the heart. Then reaching down with his hand, the high priest ripped out the still beating heart and raised it high."

In such a manner the Mayan priest was said to be propitiating the gods.

In the Mayan religion there were many gods in their heaven and hell. They were drawn in human form but were no less fearful. The priests maintained their social control by such ceremonies of propitiation to the all-powerful gods they, only, could meditate.

In contrast to the religious superstitions and the religious hierarchy based upon it, the Mayans had the most highly developed "scientific" culture in the New World in the pre-columbian age. Amongst other achievements they had a well developed writing system with illustrated books; a calendar more accurate than the European calendar, with an inscription in stone that mentions a date ninety million years in the past; a numbering system easier to compute large sums with than the Greek or Roman; and some highly accurate astronomical observations.

The Mayan high culture existed roughly from 200 B.C. to 1000 A.D. in the extreme northeast corner of Mexico in the Yucatan peninsula.

We see in the Mayans beings who were yearning upwards toward their antecedents in the stars yet who were still grovelling in superstitious darkness through their misknowledge of the spirit.

Over and over again, Man's history has been so characterized by the scientific methodologies outstripping the humanities with disasterous consequences.

By the time the Spanish arrived with their greedy conquistadores and old world superstitions the ancient civilization of at least 3,000,000 Mayans had been dead for 500 years and their numerous cities lay shrouded in the wild engulfing jungle.

How could an entire civilization suddenly seem to end without traces of disease, war or any catastrophy? Man, until Scientology, has found no answer to this mystery.

The answer, of course, is revealed by L. Ron Hubbard in the Third Party Law.

No matter how far Man progressed, even to constructing vast space travel societies amongst the stars, he carried with him the seed of the destruction of all his good works in his ignorance of himself and others.

Now, through *the application* of Scientology we have the knowledge and power to supersede the repeated tragic pitfalls of the past and create a decent civilization – a civilization based upon an adequate understanding of *both* the physical universe *and* the spiritual universe.

Through *our application* of Dianetics and Scientology all our best wishes, for the first time, can succeed.

Note: Concerning the Third Party Law the following quote is from HCO Bulletin of 26 December, 1968 "The Third Party Law" (by L. Ron Hubbard)

THE THIRD PARTY

"I have for a very long time studied the causes of violence and conflict amongst individuals and nations.

If Chaldea could vanish, if Babylon turn to dust, if Egypt could become a badlands, if Sicily could have 160 prosperous cities and be a looted ruin before the year zero and a near desert ever since — and all this in SPITE of all the work and wisdom and good wishes and intent of human beings, then it must follow as the dark follows sunset that something must be unknown to Man concerning all his works and ways. And that this something must be so deadly and so pervasive as to destroy all his ambitions and his chances long before their time.

Such a thing would have to be some natural law unguessed at by himself.

And there *is* such a law, apparently, that answers these conditions of being deadly, unknown and embracing all activities.

The law would seem to be:

A THIRD PARTY MUST BE PRESENT AND UNKNOWN IN EVERY QUARREL FOR A CONFLICT TO EXIST.

or

FOR A QUARREL TO OCCUR, AN UNKNOWN THIRD PARTY MUST BE ACTIVE IN PRODUCING IT BETWEEN TWO POTENTIAL OPPONENTS.

or

WHILE IT IS COMMONLY BELIEVED TO TAKE TWO TO MAKE A FIGHT, A THIRD PARTY MUST EXIST AND MUST DEVELOP IT FOR ACTUAL CONFLICT TO OCCUR."

SCIENTOLOGY MOTHAR

SPACE ORG SUCCESS ON ANOTHER PLANET: YEAR 2010

painting by Daniel Vitale

What has it been like since Dianetics and Scientology were introduced to our planet? It's been fantastic!

There's been a lot of groovy changes. For example, we found that the smog in our capital city, Cazon, all cleared up after we cleared 35% of the city's population. And, you know the desert on Salmar our climatologists hadn't been able to explain — suddenly began to have regular rainfall and has since become an exceedingly remunerative inter-galactic resort.

In fact, since we promoted Monar Sal, OT VIII, to the head of the Global Weather Bureau the weather has been a damn sight better and we've had no more washed out baseball games or rocket car races.

The medical authorities eagerly cooperated with Dianetics right from the beginning. And with the impact of Dianetics the medicos made real advances in their own field. Why it's routine now if a guy gets his body too badly smashed up and it can't be saved that our medicos fly in a new body unit to him and then run out the engram. Of course, the frequency of such accidents is almost zero now.

I remember how it used to be before that day when the blue and gold space ships of the Space Org wafted down fluttering huge banners which said (in our own language, mind you) BEINGS OF MOTHAR, GOOD NEWS, SCIENTOLOGY IS HERE, TOTAL FREEDOM AWAITS YOU.

To say the least, though we were surprised, the Central Office was flooded the next day with countless thousands of requests to find out about Scientology.

I was one of the many who did so. The day afterwards I bought a book in our language called DIANETICS THE MODERN SCIENCE OF MENTAL HEALTH by L. Ron Hubbard.

Within a week I was on the HSDC and soon I was proud to become at AO Mothar, Scientology Clear No. 10. Quickly most of the planet's population followed suit.

There were, of course, a few diehards — who claimed man couldn't be helped, that all life was basically composed of star dust and that man's destiny was directed mysteriously by rays of star light. Their "therapy" was to knock someone out so he could "see stars." How spooked can someone get? Anyway, we sent these pathetic few to a secluded island where they could get special attention, rest and quiet. Eventually, even they realized there was hope and through Dianetics were completely rehabilitated and became useful beings.

Before the famous blue and gold brought Scientology to us, our planet was deadlocked in deadly interplanetary warfare with Cornawal and it was a flip of a coin chance for survival.

Fortunately for all concerned, the Space Org with its typical efficiency also arrived on Cornawal at the same time they visited here. I say "fortunately" as we were just about to blast each other out of orbit.

Besides war, there were all the other usual pre-Scientology unsolved conditions. For example, despite our latest spaceships and matter transformers, inexplicable sickness was rife and the suicide rate was hitting an alarming high. The drug traffic from the Third Sector was just about wiping out the sane ambition of half the younger generation. Frankly, we'd about had it and I wouldn't have given you two mombs for planetary insurance for Mothar.

Dianetics and Scientology changed all that.

Life is now harmonious, productive and fun. We've looked outward to bigger and bigger games.

As for myself, I'm now wearing the blue and gold Space Org uniform and I'll be going soon on my fifth mission to bring Scientology and Ron's bridge to Total Freedom to the lucky beings of yet another galaxy.

OPERATION: EARTH

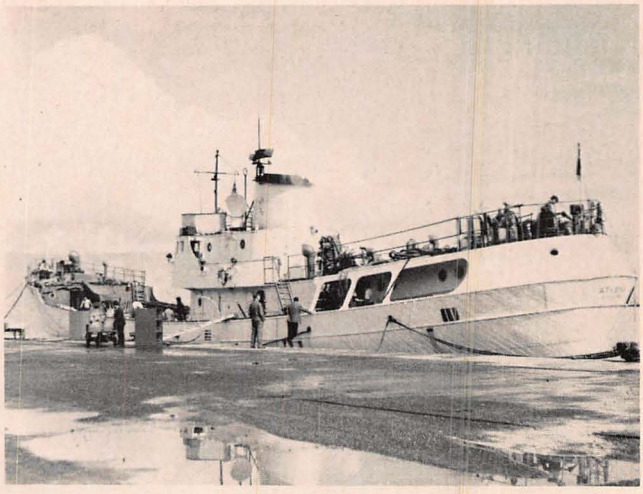

The Sea Org was formed to compose a superiorly disciplined, elite group working directly under Ron to aid the creation of a new civilization on this planet.

The Sea Org has been incredibly successful as has been repeatedly proven by statistics since Ron called the first Sea Org members together in Spring 1967.

From that heroic band it has grown. These persons, single-handedly, are running three AOs, two Saint Hills, six OT Liaison offices, seven ships and vital mission activities throughout the world.

In the Sea Org you can offer your fullest abilities to make this planet go right. The Sea Org is your opportunity to serve Mankind at the time of his most crucial need.

Apply for the Sea Org Membership at your nearest OTL office. You will be sent a Sea Org Information Packet and an application form.

In Advance magazine 6, in the article on page 8 on artist, Ingo Swann, it was stated that Ingo was a diplomat to the United Nations.

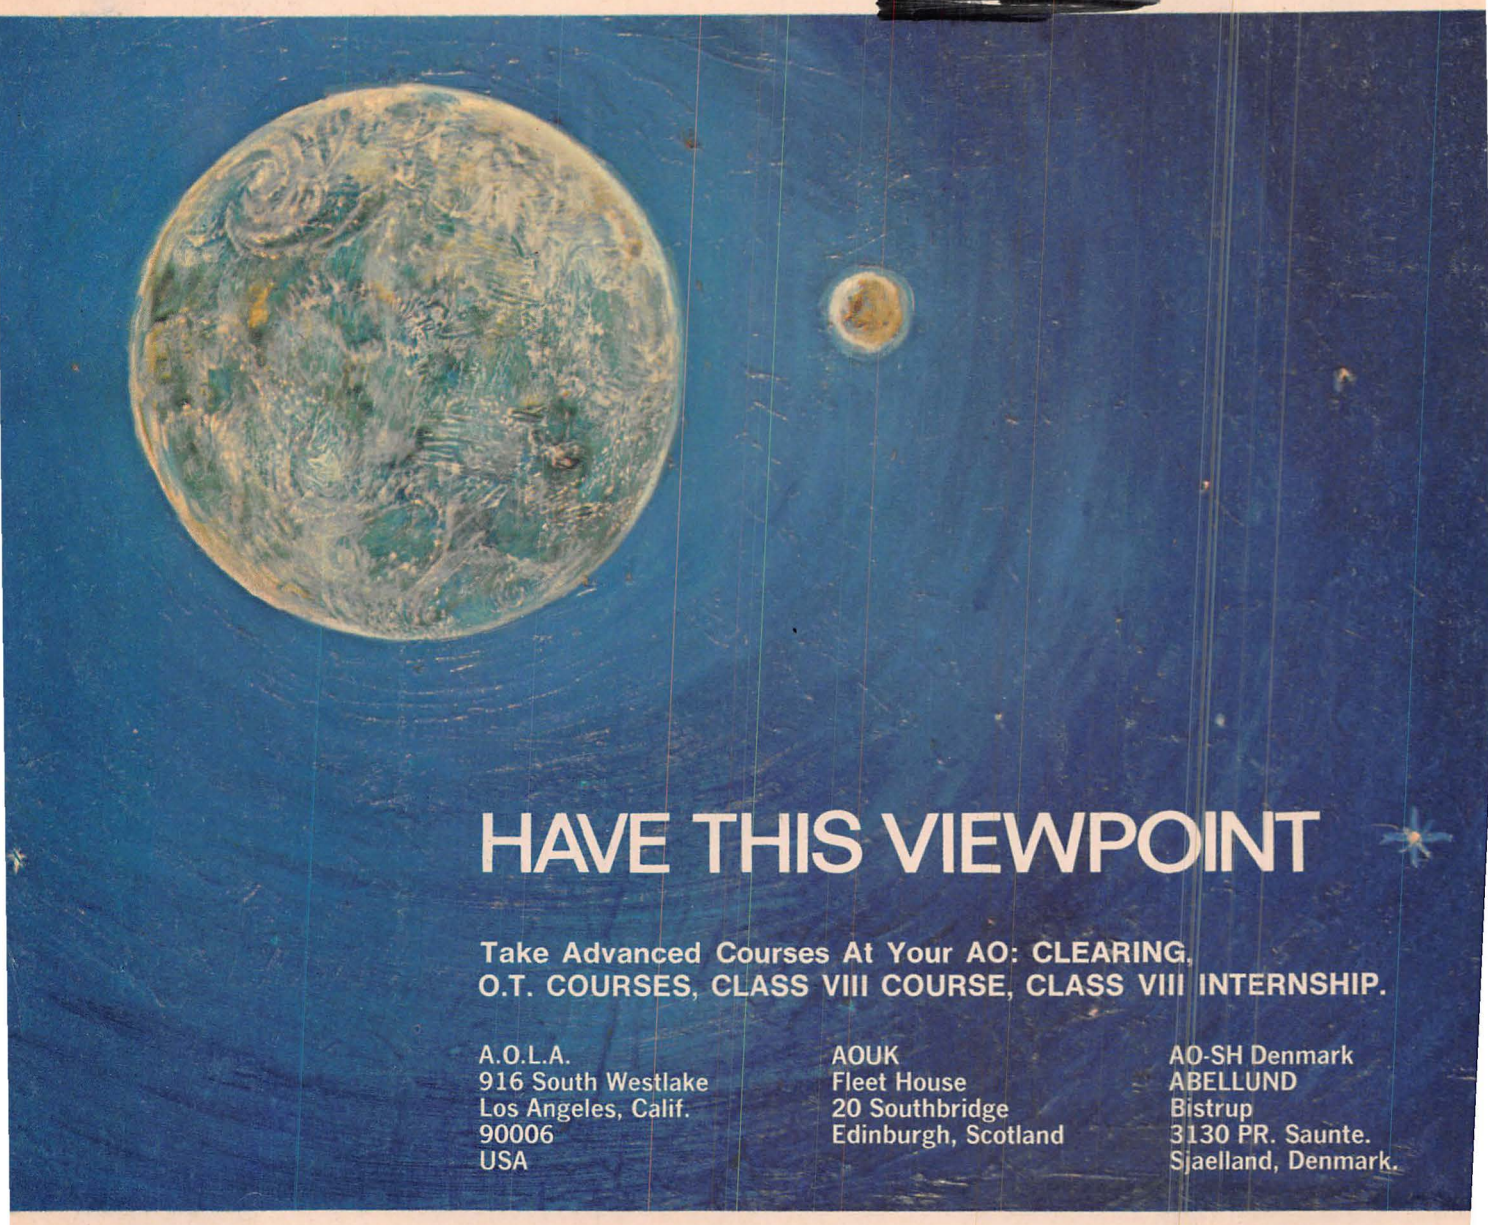

This was an error. Ingo was not connected with a diplomatic office, but was a staff member of the UN Secretariat, where he worked as a conference secretary.
