THE MAGAZINE "MODERN ASTROLOGY" is issued monthly, price one shilling. It is devoted to the search for truth concerning Astrology, and is an open forum for the expression of all points of view. Some of the ablest writers contribute to its pages.

BOOKS. On the back of the cover will be found listed many instructive books, seven Standard Text Books, fifteen Pocket Manuals dealing both with advanced and elementary studies, besides others of an ethical and philosophical nature.

CALCULATIONS. If any persons have found difficulty in getting accurate calculations made elsewhere these will be undertaken by one of the competent mathematicians who were on Mrs. Leo's staff. The interpretation of horoscopes is not now undertaken at MODERN ASTROLOGY Office.

LESSONS. To ensure a thorough training in Astrology an interesting course of Correspondence Lessons was prepared with much thought and care by Alan Leo. The rights in these have been acquired by the able Secretary who supervised the course and who will continue to give careful attention both to present pupils and to those who in future avail themselves of the series of lessons as detailed below.
