THE MONTHLY JOURNAL OF SCIENTOLOGY

THE APPLICATION OF TRAINING

by L. Ron Hubbard

Millions of people are living better lives today, simply because they have worked with, and participated in, this adventure called Scientology.

Scientology is for use in life. It's to bring order and some control and discipline into the channels of life itself. A Scientologist is someone who is handling life better.

A trained Scientologist is one who uses Scientology to further the business of livingness for himself and his fellows. He is today's Cause point in an embattled world. An Auditor* undertaking to process another individual in Scientology is seeking to raise the "tone" of that individual—in other words, to increase the person's survival potential.

The purpose of processing is to free people of the things preventing them from being themselves. This is worth while as Man is basically good and it is this basic goodness we want to set free.

We want to clear away the debris making him act in non-survival, destructive ways. We want a better game for all of us—an enjoyable, high-toned bigger game.

The purpose of training is to get processing done fast. The more trained auditors, the quicker the achievement of the above.

We have found that an auditor goes nowhere if he doesn't know his basic Scientology and the fundamental activities, techniques and procedures of an auditor. It isn't so much the technique that counts—it is knowing how to apply it, knowing fundamentals, knowing procedures. There *is* a knowhow in auditing. It won't be taught by word of mouth. It will be taught where Scientology teaching itself was evolved—in the Academy of a Scientology Organization.

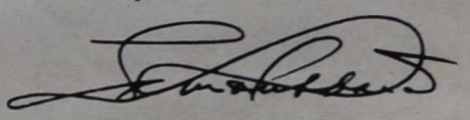

The emphasis of all Scientology training is on a flawless ability to *do* auditing, and a command of the theory and goals of Scientology. A student, on leaving a training course, is able to *do* Scientology and achieve excellent auditing results.

We know now just exactly what clears people. And we know exactly what a Clear is. A Clear is a being who can be at cause knowingly and at will over mental matter, energy, space and time, as regards the First Dynamic (survival for self). We know exactly how to train and process. These are hard won riches.

Here we are with the largest fund of information of life that has been assembled in a factual package on Earth. The question is, what are we going to do with it?

Here is a world that is desperately in need of some good order.

Man needs help. As a trained auditor you can deliver it.

*Auditor: A listener or one who listens carefully to what people have to say. An auditor is a person trained and qualified in applying Scientology processes to others for their betterment.

The New ASHO is the home of Ron's Saint Hill Special Briefing Course and higher level training. A trip to ASHO for training or Power Processing is a major event in the life of every Scientologist. With Ron's new FAST FLOW TRAINING you can be here sooner than before!

Fast Flow Training Reinstated

Your Road is Open to Greater Ability

L. Ron Hubbard has swept away any delays or arbitraries which might be slowing down your training. FAST FLOW Training means you can increase your abilities faster than ever before.

Here's what this means to you:

1. You do not need to do the Primary Rundown before getting all the benefits of training. All you need now is the Basic Study Manual Course (1 week full time, free with Academy 0-IV). For the Organization Executive Course, Academy Training 0-IV and above, Method One Word Clearing is also required. Anyone can learn to co-audit this method of word clearing, which clears up misunderstood words in any past subjects you have studied.

2. You complete each course as quickly as you can absorb the material and be able to apply it. Examinations and checkouts are no longer required. You attest you understand what you studied and have done the drills on the course and can produce the results required. That's all.

3. All arbitrary auditing requirements of so many hours or so many completions from auditor training are removed. The requirement is "has produced the result required in the materials."

You will be assisted by your Course Supervisors as needed.

Fast Flow Training opens the way for you! You can be at ASHO on the Briefing Course sooner than ever before. Take your next training step NOW.

Primary Rundown no longer prerequisite for Academy and Higher Training!

Saint Hill Special Briefing Course Students Succeed with Fast Flow Training at ASHO!

I was in Los Angeles at the Advanced Organization getting some auditing when FAST FLOW TRAINING came out. I hadn't done the Primary Rundown but being Clear made me eligible to start the Briefing Course. So I did!

If it wasn't for FAST FLOW TRAINING, I'd have gone back to Washington D.C. and not done the Briefing Course for some time.

I've been on staff for about 4 years and I've had probably all the processing in Scientology. Being on the Briefing Course, reading the books, has been very stabilizing for me. It's a stuck flow receiving all the processing and not doing any, not having all the actual data behind it.

I've been on the Briefing Course 4 days now and I'm doing really well!

Richard Romejko, Washington, D.C.

It feels really good to be routing onto the Briefing Course!

Method One Word Clearing handled any considerations I had on not doing the Primary Rundown first–now I can go ahead without it and KNOW I can keep my own ethics in.

I feel like I'm going to go super fast through the Briefing Course and really learn the data.

Fast Flow Training has saved me at least 2 or 3 weeks of full time training.

I do want to do the Primary Rundown in the future, but when Fast Flow training came out that's what I wanted more than anything–to get the tech and get it FAST. I really believe in Ron's study tech–with a shorter runway a person can get through his training faster and still be an excellent auditor.

Marilyn Rinehart, Denver, Colorado

OT VII LYNN ROBERTS, entertainer, who just finished the SHSBC at ASHO.

HAPPIER PERSONAL RELATIONSHIPS

LYNN ROBERTS of Phoenix, Arizona, has just finished the Saint Hill Special Briefing Course at ASHO!

He now audits in the mornings and performs at the Mesa Country Club in the evenings.

Lynn set himself a stiff target and completed on schedule—he finished the Briefing Course in just 7 weeks. "I didn't do the Briefing Course for my own case gain—it was actually the first course I had taken that was to get data to help others and not myself. But I did get case gain for myself from the course data in about equal proportion to all the gain I had up to that time. This made it very real to me that there is a 50/50 ratio in gain from auditing and training. I am so much more at ease in life and I know that whatever comes up I can handle. My understanding is way up on people—I don't meet any *bad* people anymore. I do find some sick or upset people now and again, but that can be handled too.

"My big ruin in 1966 was getting work and making money," Lynn says. "Scientology handled that in one afternoon! Agents started writing and calling me and offering me more money than I had ever asked for. It seemed like a miracle to me then, and it was.

"I had been looking for spiritual truth for 4 years before I found Scientology," he goes on. "And it has given me so much more than I was ever after. My wife and I, for example, were ready to end our marriage, but with Scientology it is now an excellent one."

Lynn plays saxophones (2 at once), clarinet, flute, guitar and organ, sings and does comedy—as well as disseminate Scientology of course!

ABILITIES FREED

Richard Kiperman was trained on the Saint Hill Special Briefing Course at ASHO and on up the grade chart to Class VIII and Expanded Dianetic Auditor.

He audits professionally now from his Hollywood home, and spends his spare time telling more people about Scientology!

"Before Scientology I was very self-conscious," he confides, "I had a hard time communicating—even socially. I did manage it, but it was just a facade, a big put-on. The worst of it was, I had a firm desire to help people, yet I couldn't break through that barrier to do it.

"I was studying psychology at Long Island University, but I became disillusioned because it had no practical application.

"I had dreams, goals, purposes for what I wanted to do as an individual. And these inner goals were just not being met. In fact I was getting further and further away from them as time went on.

"Then Bob Ramer, an old friend, told me I could actually feel *good* all the time—certain of myself and what I was doing. That was something new and strange! So I went to find out about Scientology, and I wasn't disappointed.

"Very soon after I started, I gained the ability to be myself and communicate freely with people.

"Not only have I now achieved every purpose I had then, I've made new, bigger goals that I would never have dreamed possible before.

"My training at ASHO has given me an infinite ability to help people. Being a professional auditor has turned out to be even more rewarding than I had anticipated. I love what I'm doing and am continuously expanding."

Class VIII Richard Kiperman shows a new person L. Ron Hubbard's *Dianetics, the Modern Science of Mental Health.*
