THE BRIDGE TO CLEAR AND OT

by L. Ron Hubbard

A principal contribution of Scientology is the technology necessary to change people so that they progress into higher states of ability when processed on the exact processes required, by an auditor qualified by training to apply the processes exactly.

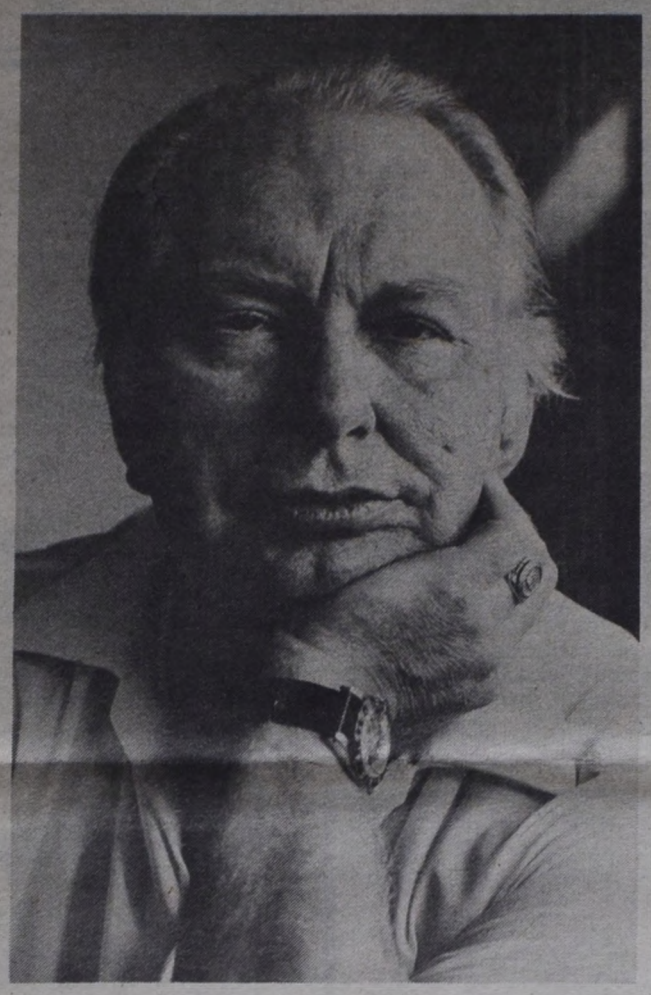

It is not only general ability that increases, but renewed livingness and the skill and ability to better self and conditions.

THE BRIDGE

This is the famous bridge mentioned at the end of *Dianetics, the Modern Science of Mental Health.*

It is now complete and is functioning. The being enters it from somewhere in the minus regions as a Beginning Scientologist and moves on up. At about Grade II he has definitely reached Homo Novis. He becomes a RELEASE somewhere between II and V. And he becomes CLEAR at the top of VI. The state of Operating Thetan is attained above VI and is a Grade VII.

The preclear moves safely on the proper bridge and somewhere along the line must be trained in the classifications that match his Grade. Then (and *only* then) can he make it all the way.

One can be audited quite a ways. Then he had better get trained from zero on up.

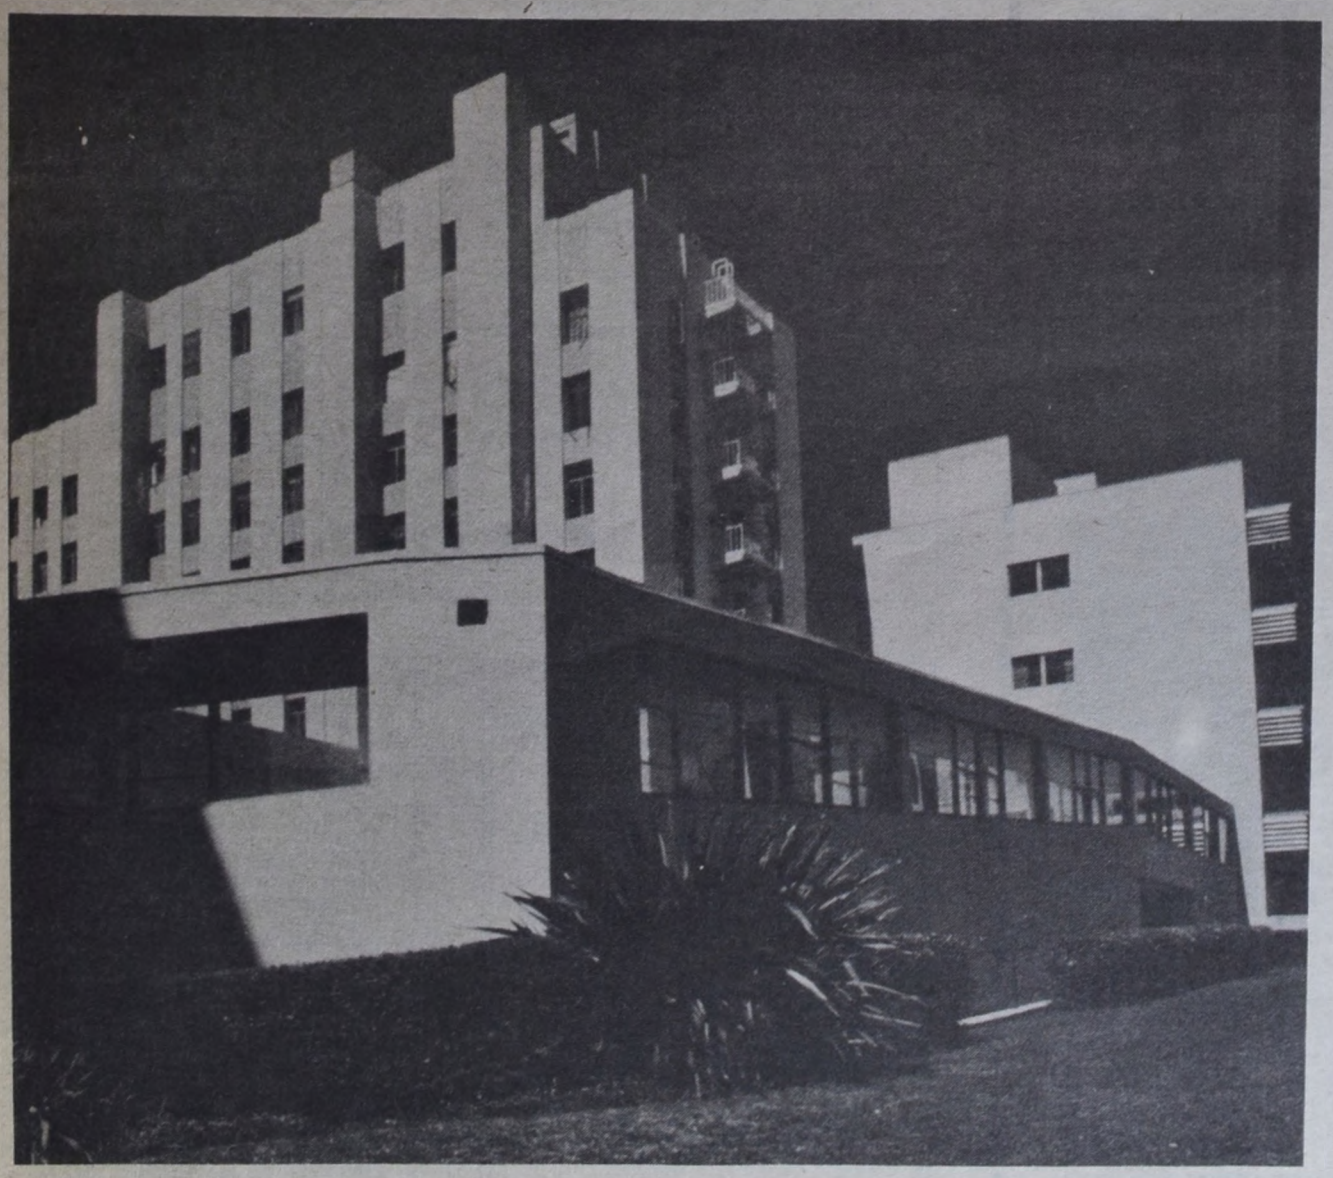

My job is to give you the materials to make Releases and the skill to make Clear. I have done and will do everything I can to help anyone attain these hitherto unreachable heights of life and ability.

The Bridge is not only *in*, it is functioning every hour right now. Book early. The traffic is heavy already. And auditors are the scarcest and most valued beings on this planet.

L. Ron Hubbard

DEFINITIONS

Clear *A thetan who can be at cause knowingly and at will over matter, energy, space and time as regards the first dynamic (survival for self).*
Dianetics *DIA (Greek) through, NOUS (Greek) soul; deals with a system of mental image pictures in relation to psychic (spiritual) trauma.*
OT *Operating Thetan, a Clear who has been refamiliarized with his capabilities.*
**Taken from the Dianetics and Scientology Technical Dictionary by L. Ron Hubbard.*

Remodeling is proceeding well in the new nine-building complex now being made ready to house the Bridge to Clear and OT in Los Angeles. Ron has had it designed so that you can *see* your next step up the Bridge from any organization in the complex! This tremendous expansion, the largest in Scientology history, has been created by Ron to speed the entire United States and Canada across the Bridge. The American Saint Hill Organization (ASHO), home of Power Processing and training from Class V to Class IX, will have its own four story building here.

LATE-BREAKING NEWS!

REVISED SHSBC ARRIVES AT ASHO

Dozens of taped lectures by L. Ron Hubbard and many special bulletins by Ron previously unavailable are being added to make the Saint Hill Special Briefing Course more complete than ever before!

The new checksheet, just issued from Flag, exactly parallels L. Ron Hubbard's Technical Volumes from 1950-1966.

The Senior Briefing Course has been broken down into subject units for each special rundown in which the Class VI Auditor must be expert.

PRACTICAL AND CO-AUDIT NEWS

When the student first arrives at ASHO, he will now be given a consultation by a trained Saint Hill Specialist. An individual practical program is drawn up for each student to handle weak areas found.

Although students may receive auditing during their daily practical and auditing time. L. Ron Hubbard has always intended the SHSBC to concentrate on raising the student's skill in application up to Saint Hill standards.

To help the student get his own auditing cycles completed, a Post Graduate Co-Audit Unit is now being set up at ASHO where students can co-audit after graduation without the intense demands of professional training.

CALL THE ASHO REGISTRAR RIGHT AWAY AT 213-380-0710 FOR FULL DETAILS ON THE EXCITING BENEFITS OF THIS NEW LINE-UP!

ASHO'S ROLE ON THE BRIDGE

The peace of mind of Clear . . . the free spirit of OT . . . the calm ability to handle life that comes from wisdom.

L. Ron Hubbard vividly describes these states in his books.

Now there is a Bridge that leads to them. It starts at your local Church of Scientology, where you receive training and auditing up to Class IV Auditor and Grade IV Release.

Your next step is ASHO, the American Saint Hill Organization in Los Angeles, where you receive dynamic Power Processing (Grades V and VA) and standard training from Class V Auditor to Class IX!

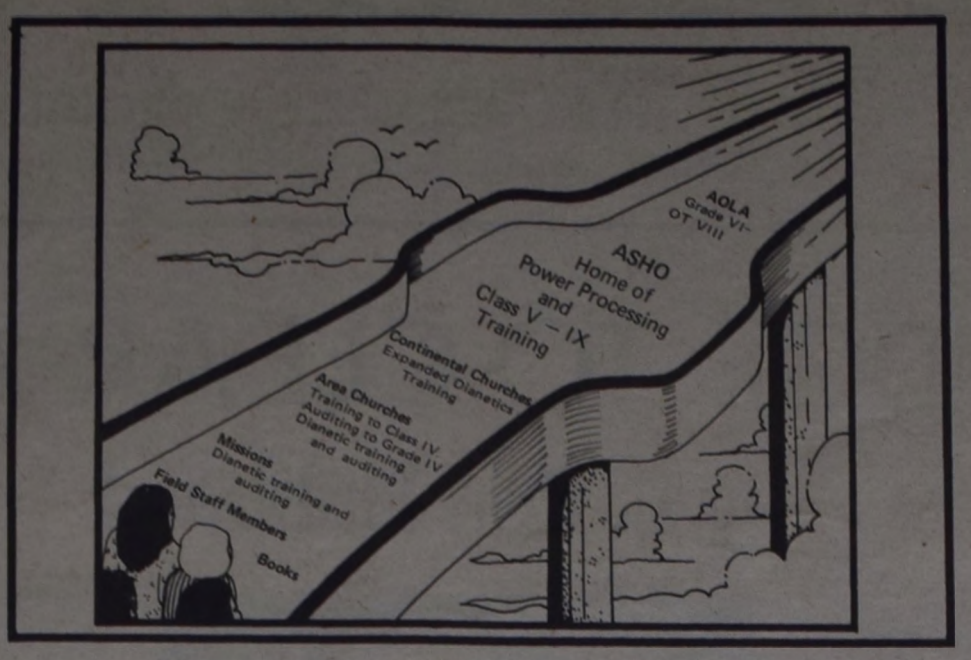

Power Processing was so named by Ron simply because it is so very powerful. This grade of release expands your viewpoint to give you the deep certainty of self that makes it possible for you to audit yourself to Clear and OT. The giant boost of this grade could be described as a make-break point for any being: after Power, you will never look back but only forward to greater and greater success as you go on to the Advanced Organization for Clear and the OT sections.

Training to Class IX Auditor is the other half of becoming OT.

Class V and VI (the Saint Hill Special Briefing Course and Senior Briefing Course) gives you the technology of clearing that is Scientology. On this course, you study the technology from its beginning up to the present, right from L. Ron Hubbard's own books, bulletins and live lectures to students, now recorded on tape. This is Ron's briefing to auditors seeking to get Clear and OT. As a result of this course, you not only have a thorough understanding of the Bridge to Clear and OT for your own expansion, you are thoroughly trained as a superb auditor who can bring others to Clear and OT.

Class VII, available to five-year contracted Church staff and Sea Org members, teaches the precision of administering the Power Processes.

Class VIII gives you the meaning of STANDARD TECH: what it is, why it is vital, how you can apply this in your own life and in getting others up the Bridge.

Class IX is the first course you do with the Class VIII viewpoint of STANDARD. Here you review key basics and emerge with polished self assurance backed up by certainty on your ability to get results with Scientology.

Case Supervisors and ***Course Supervisors*** are also trained at ASHO to bring Ron's Standard Tech to the field.

ASHO is the home of all these essential training courses which give you the tools to operate and expand as an OT.

ASHO DAY: STANDARD TECH'S FASTEST ROUTE TO THE TOP

Ron wants you to get up the Bridge faster, and so do all the staff at ASHO Day.

The intensive all day training schedule offered by the ASHO Day organization is your fastest possible route up the Bridge because it gives you more time on course.

Highly trained technical staff at ASHO Day give personal attention to ensure what you learn is completely 100% Standard Tech.

ASHO FOUNDATION FOR THE WORKING SCIENTOLOGIST

Scientologists who must hold daytime jobs in Los Angeles take advantage of the opportunity at ASHO Foundation to do training in the evenings and on weekends. All ASHO services are offered in the same building during these hours by a separate qualified staff.

SUCCESSES AT ASHO

POWER PROCESSING

Everything is in place in my space now and I feel totally exhilarated. I have the certainty now that I can make the goals I've postulated on up the Bridge a reality. My determinism is at full speed because I know I have the power to keep it there. *GRACE GINELLA*

Looking back on Power, the thing that stands out is that I became very much myself. I realized there was nothing in my way to going Clear and OT. I am OT III Expanded now but I got my first real look at OT on Power.
COLIN ROBERTSON

TRAINING

Coming here to ASHO to do the Saint Hill Special Briefing Course was the smartest thing I ever did. This is THE Course in Scientology.
CAROLYN BURGESS

I truly feel that any individual that has this data has the technology of life and without it would have a rough time handling his life and environment. I now have the basics of Dianetics and Scientology and feel very competent as an auditor. I have gotten ALL the questions I've had about life, auditing, and the technology answered on this course. I urge all Scientologists to do the Saint Hill Special Briefing Course as soon as possible! *LEE EVANS*

I've done longer training cycles than Class V, but never learned so much nor had so many changes in myself occur. My ability to handle preclears is way up. My ability to handle my own life and those around me is way up and I consider this is just a beginning – a basic training for my future which is going to be expanding. That's the end of the downward spiral! Thank you L. Ron Hubbard!
BEATRICE PAYNE

The Class VIII Course at ASHO has been my greatest training to date. I am realizing more than ever the privilege of knowing and applying Standard Tech. Thank you Ron and thank you to all who make the course available and who made my wins possible.
BETTY MAGNAN

The Class IX Course was wonderful! I have attained and have no further attention on my competence as a technical specialist.

DIANETICS HITS NO. 1

1950-1977

L. Ron Hubbard's Dianetics, Modern Science of Mental Health rockets to bestseller list AGAIN on 27TH Anniversary of Publication!

As of April 25, 1977, DIANETICS, THE MODERN SCIENCE OF MENTAL HEALTH by L. Ron Hubbard is Number 1 on the prestigious bestseller list of Ingram West, the West Coast's largest book distributor!

For a book to soar back onto the bestseller list twenty seven years after it first appeared there is a history-making feat. But then, L. Ron Hubbard's DIANETICS, THE MODERN SCIENCE OF MENTAL HEALTH is a history-making book!

First published May 9, 1950, DIANETICS was expected to sell at best a few thousand copies. Instead, word of this new breakthrough in human understanding spread like wildfire and it began to sell a thousand copies A DAY almost at once.

Its electrifying popularity startled the literary and scientific world. DIANETICS leaped onto the New York Times Bestseller List in June and just stayed there for 26 solid weeks.

And now, on its 27th Anniversary of publication, this amazing book has streaked to the top of the bestseller lists again.

NATIONAL CRAZE

Original release of Dianetics started a national craze in 1950.

More than 750 non-professional Dianetic groups sprang up overnight as people from all walks of life – doctors, housewives, lawyers, engineers, writers, teachers, teamsters – started trying out Dianetics.

Torrents of articles spontaneously appeared in the press. More than 25,000 letters, telegrams and phone calls poured in to the publisher from all over the world, congratulating the author of DIANETICS for his contribution to Mankind.

No organization, had there been one, could have withstood the crush of Dianetic enthusiasts clamoring for professional training and more information. Probably most surprised of all was the author himself, who had been calmly preparing a trip overseas when the public began smashing a highway to his door! But rising to the situation with seemingly boundless energy, Ron took on a schedule that would have challenged a dozen men. Writing, lecturing all over the U.S., doing demonstrations, answering towering stacks of correspondence, he strove to meet public demands for Dianetics.

FURTHER RESEARCH

But the task facing L. Ron Hubbard over the next quarter century proved to be even greater.

While carrying forward the research begun with Dianetics ever deeper to plumb the very depths of the human soul, Ron codified his discoveries so others could more easily use them with predictable results and built strong, vigorous organizations capable of delivering the needed training, auditing and dissemination of the work–all at the same time!

Results of this mountain of research have been released in more than 25 popular books, hundreds of hours of live lectures now on tape, and two multi-volume reference sets of bulletins and policy letters. These form the body of material studied on Scientology and Dianetic training courses today.

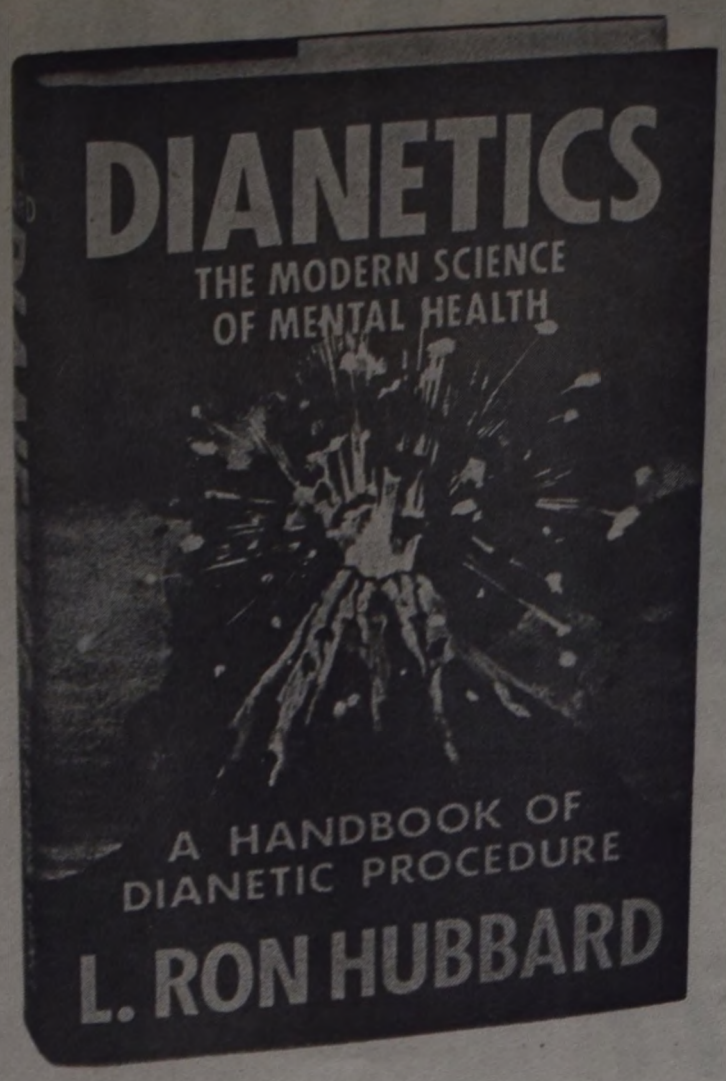

DIANETICS RETURNS TO THE BROAD PUBLIC

Throughout all these years, DIANETICS has continued to sell more copies than the average bestseller in any given year. But sold primarily

DIANETICS No. 1

continued from preceding page

through outlets of the Church of Scientology, for many years it escaped broad public attention and recognition.

Within the last two years, DIANETICS has been returned to the public market, now in paperback form. Advertising on television and radio in California that DIANETICS was now available in paperback sparked an incredible demand not seen since 1950! Within a very short time, DIANETICS was climbing the bestseller list again.

Bookstores from B. Dalton, Pickwick and Waldens chains in southern California have recently had these comments to make about DIANETICS:

"We keep running out . . . ."

"Many of our customers ask for it. We try to keep it in stock, but we do run out because we sell so many."

"The book is selling fantastic for me . . . . DIANETICS is No. 1 of all the self-help, philosophy books."

"DIANETICS sells here like crazy . . . there are always people asking for it."

"The DIANETICS book has done remarkably well. In fact for a book of that type, it's been the biggest one we've ever had."

"It sells really, really fast . . . ."

Not surprisingly, DIANETICS has found as much interest in neighboring countries. In Canada, the first French edition was sold out 3 weeks after hitting the market. The Spanish edition in Mexico has sold out repeatedly since released.

THE FUTURE

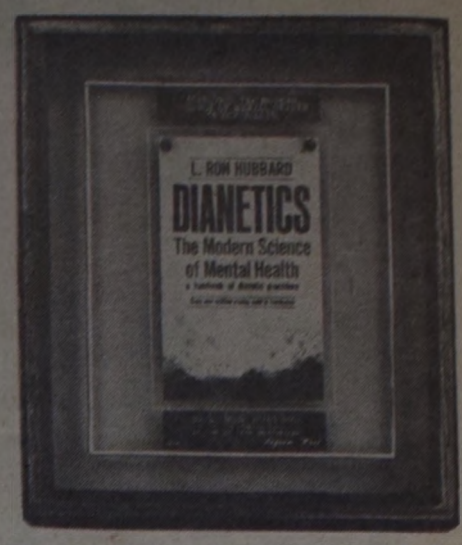

In 1950, L. Ron Hubbard wrote toward the close of DIANETICS:

"There is a higher goal, a better goal, a more glorious victory than gutted towns and radiation-burned dead. There is freedom and happiness and plenty and a whole Universe to be won.

He would not see it is far from worthy to rule. He would indulge his hates is too insane to advise.

How much can Man conquer? He loses if he conquers Man. He wins if he conquers his own fears and conquers then the stars."

As timely now as then, these words are today being read by more individuals than ever before. If enough people can be reached, the goals of DIANETICS in creating a world at peace will soon be attained.

Close up of the plaque awarded to L. Ron Hubbard. It reads "DIANETICS, THE MODERN SCIENCE OF MENTAL HEALTH, No. 1 BESTSELLER. To L. RON HUBBARD on the Anniversary of the 27 year bestseller, 1977, Ingram West."

THE BRIDGE TO CLEAR AND OT

L. RON HUBBARD RECOMMENDS THE TRAINING ROUTE

Training IS the route Ron recommends! To see why, read these excerpts from lectures he has given:

"The best way and the most sure fire way to get to be OT is to be a top rank auditor. . . .

A non-Scientologist is so surrounded by confusion that his present time is insufficiently calm for him to have any progress in the direction of OT.

Training is definitely, definitely, definitely a part of the route to OT. Definitely. This is something that it is not 'nice' to be a part of. This is something that is a vital part of becoming OT."

Saint Hill Special Briefing Course
lecture of November 7, 1963

"If you want a good auditor at Grade VI and VII, why, become one!"

Saint Hill Special Briefing Course
lecture of July 26, 1966

"The best way to get Clear is to be a good auditor . . . . Those people who do not give good auditing, oddly enough, are those who are making the least progress. It gets averaged out along the line."

Saint Hill Special Briefing Course
lecture of November 22, 1962

"A cleared person with no reality on what has happened is enormously inferior to somebody that has the data and goes Clear."

Saint Hill Special Briefing Course
lecture July 12, 1962

"Oddly enough, the best time to study auditing is when you're aberrated — when the thing looks impossible, when you can achieve subjective reality on the grimness of it."

Ability Magazine, 1958

"The cruelest thing you could possibly do would be to audit somebody through to Clear, not train him, not have him know anything about being an auditor, not know anything about the Bank, not know anything about his life, not know anything about himself, not know anything about anything. Now he has this terrific potential to know and you haven't made it possible for him to assimilate the technology which has brought him to this state."

Start the Training Route to Clear and OT at your nearest Church of Scientology right now. Continue right on to ASHO to become a top-trained auditor!

To learn more about the abilities you will gain at each step of the way, read the picture story that follows in this special pull-out supplement to The Auditor Journal.

Your progress up the Bridge has begun when a friend first tells you about DIANETICS, THE MODERN SCIENCE OF MENTAL HEALTH by L. Ron Hubbard!

Special communication drills on your first course in Scientology improve your ability to confront people.

This communication course gives you the ability to communicate in life more easily and relaxedly than ever before.

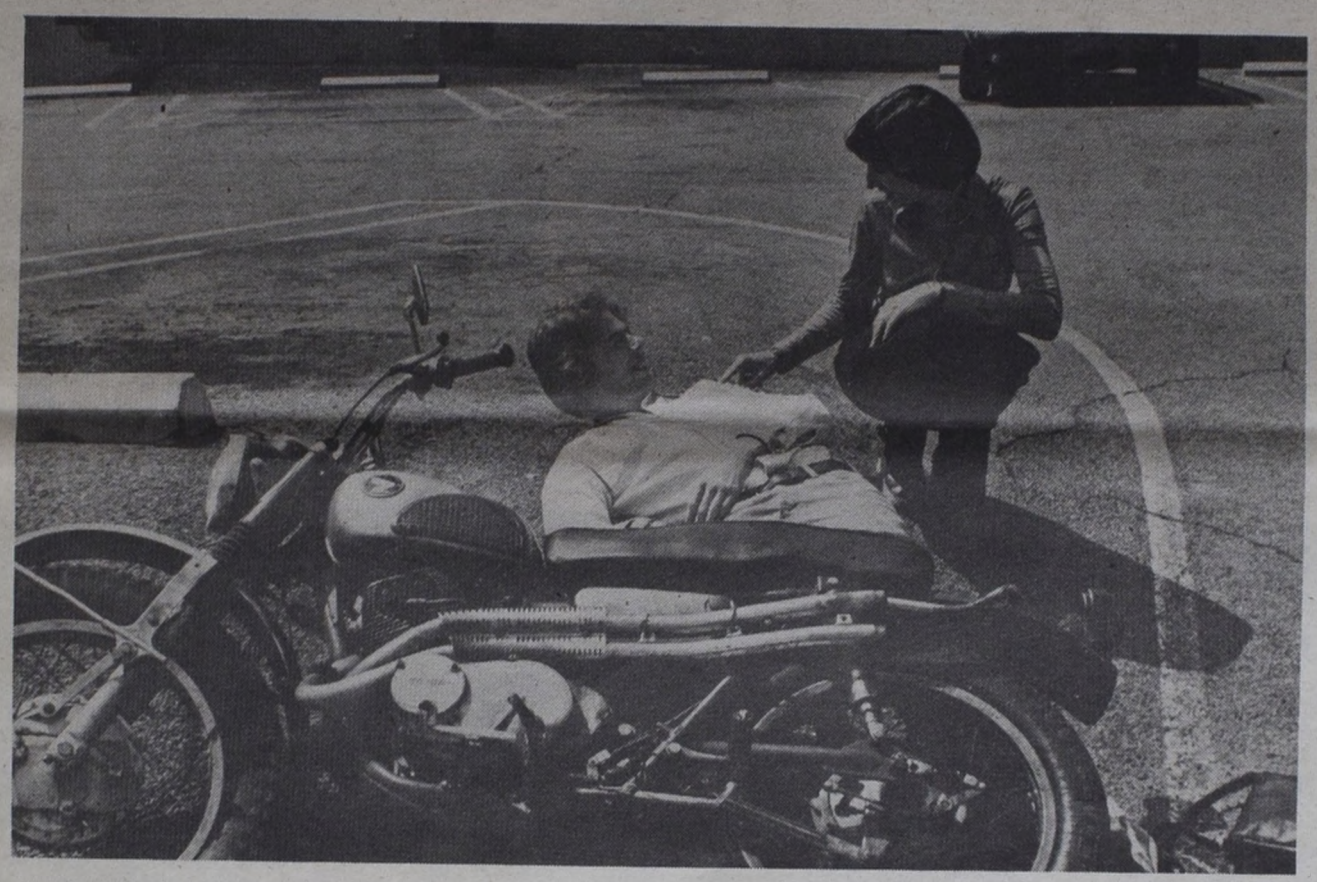

Soon after you have begun your journey up the Bridge, you begin corresponding with the Letter Registrar at ASHO, who sends you information on services you will be taking as you move up to ASHO. The ASHO Letter Registrar is there to answer your questions and help you plan your route up the Bridge.

Your second course at your local Scientology Church or Mission, the Hubbard Qualified Scientologist Course, gives you a greater ability to reach out and direct others.

Then, on your Student Hat Course, you learn L. Ron Hubbard's breakthroughs in the field of study. You gain the ability to study and apply what you learn . . . and you learn how to help others study better too!

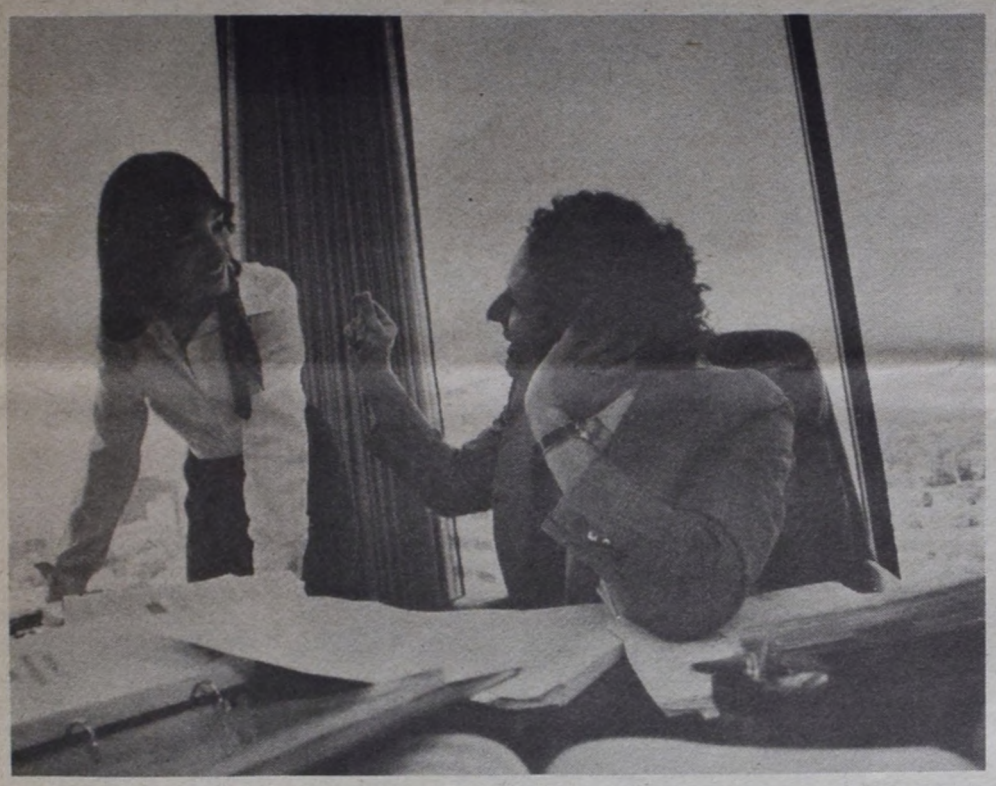

Next is your training in Dianetic technology where you learn to handle the spiritual trauma or stress connected with injuries and emotional losses. As a Dianetic Auditor, you can apply Dianetics to help another become a well and happy human being.

After your training on Dianetics, you complete an internship in the Hubbard Guidance Center of your nearest Scientology Church. Here you perfect your skills and gain certainty on your ability to apply what you have learned without error. The gold seal shows you have earned your permanent certificate as an intern graduate. Each level of training from this point forward is followed by an internship for permanent certificate.

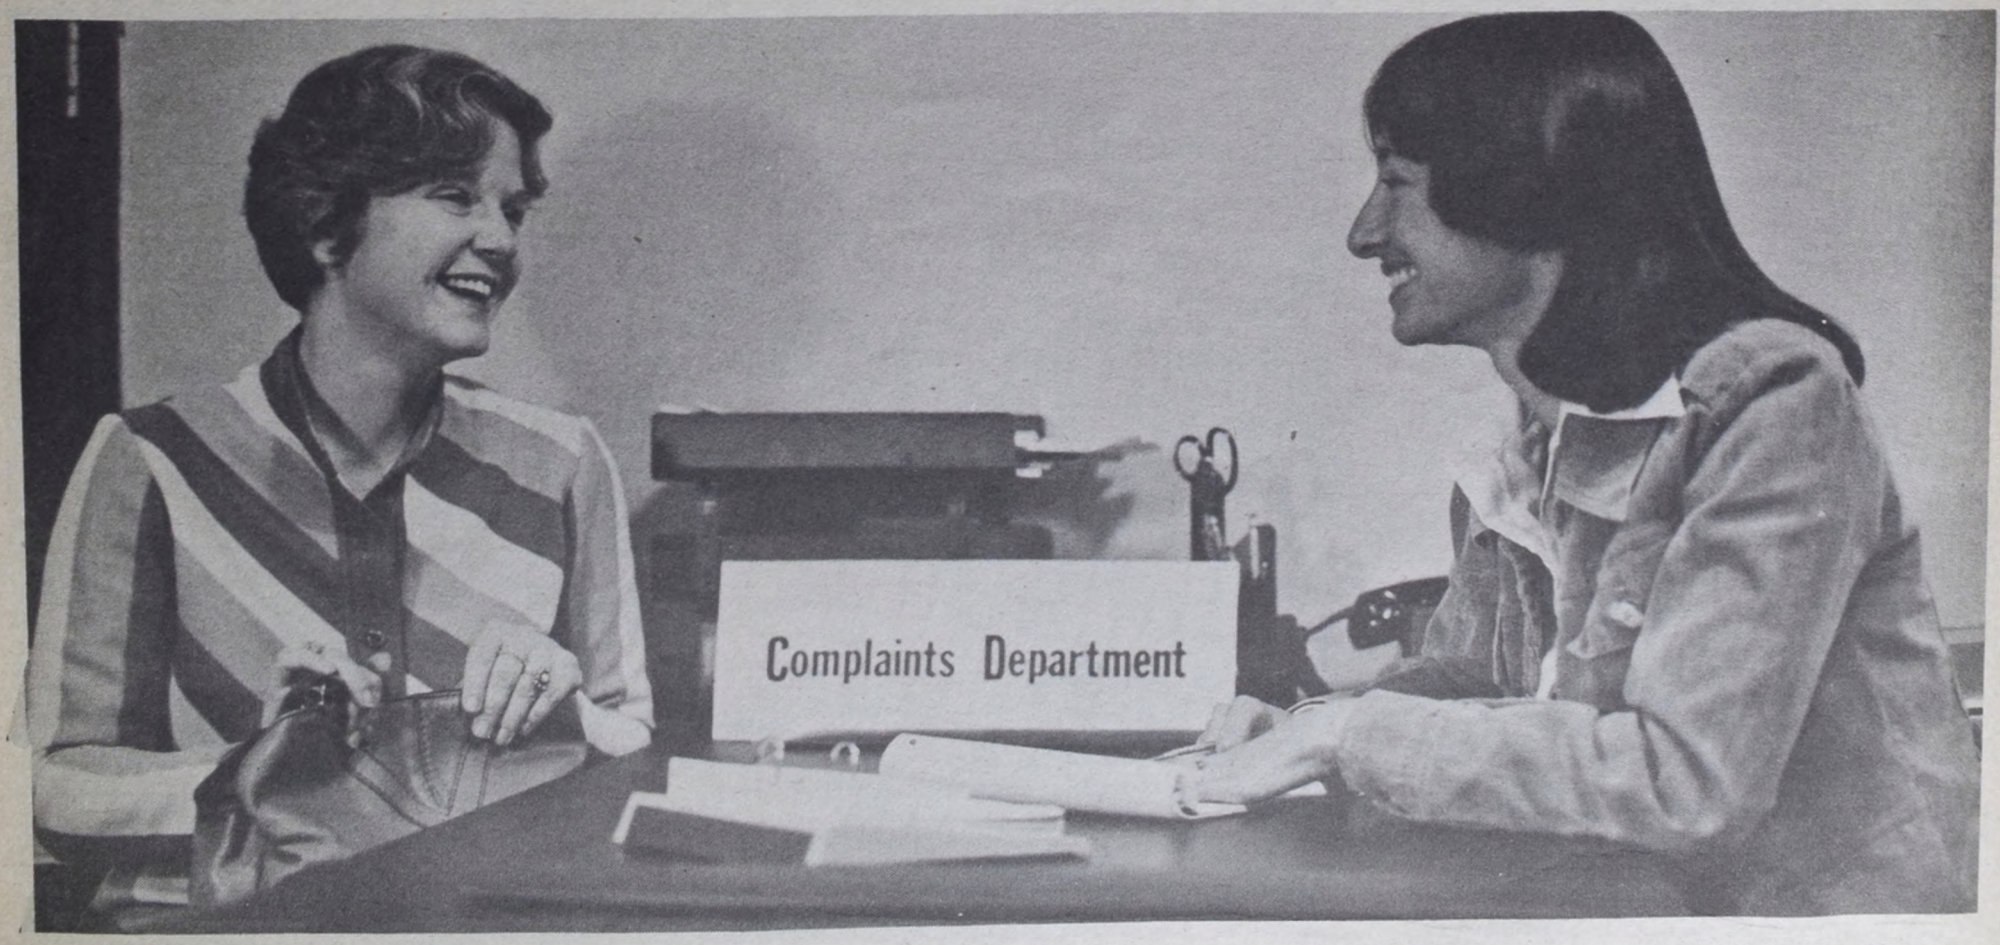

Now you're on to your Academy Levels, Class 0 to Class IV. Each Class teaches you to audit a preclear to one Grade of Release. A Class 0 Auditor learns about Communication and gains the ability to improve communication in any situation. Class 0 now also includes the technology of word clearing.

Class I deals with problems. You learn to audit another to Grade I, Problems Release, with the ability to see the source of problems and make them vanish. Your understanding of the anatomy of problems gives you the ability to help others resolve their own problems in life too.

Class II deals with Overt Acts (actions of commission or omission which are harmful or damaging), Withholds (holding back that one has committed what he considers to be an Overt Act) and the effects of these on the individual. A Class II Auditor can bring another relief from past hostilities and sufferings of life. It's hard to fool a Class II Auditor!

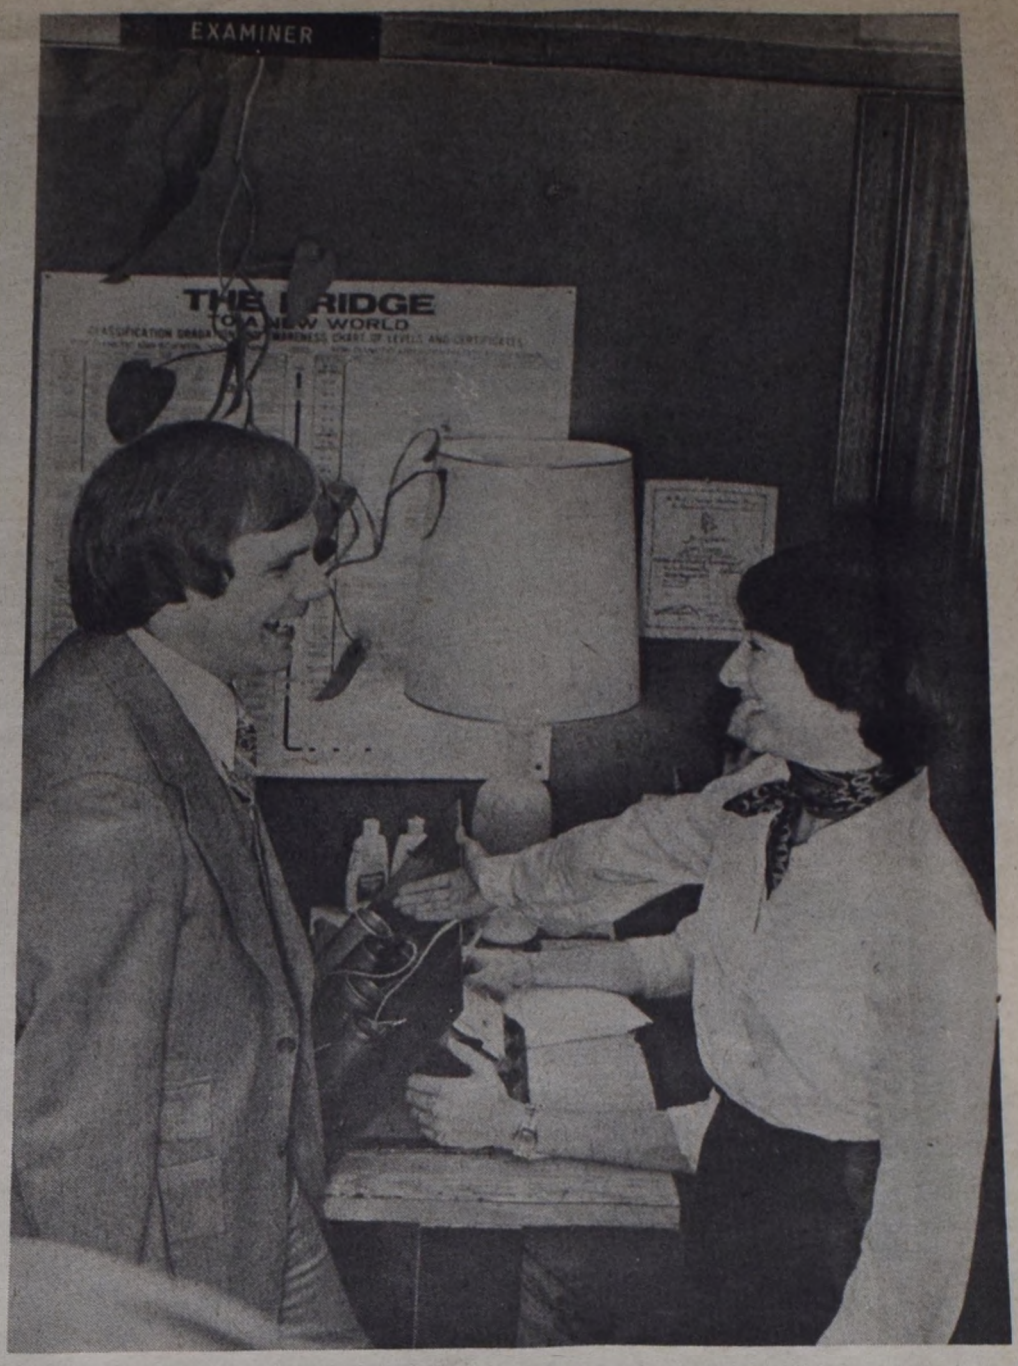

Class III teaches about upsets and how to handle these breaks in affinity, reality, communication or understanding.

At Class IV, you learn to bring another to Ability Release, which is Grade IV. An Ability Release is free of fixed conditions and can learn new things. The technology you learn at this level is broadly useful in helping people you meet in life to try new ventures or activities.

On the training route up the Bridge, you receive your auditing from fellow students at no additional expense. Knowing the technology behind the auditing makes it that much more enjoyable and rewarding!

Your Class IV Internship gives you plenty of practice in applying your skills to this point, and producing the expected results of Scientology counseling.

Your arrival at ASHO in Los Angeles is the day you have been eagerly awaiting! A warm welcome from a friendly ASHO registrar makes you feel right at home. Having completed your registration papers by mail in advance, you are speedily on your way to starting Ron's Saint Hill Special Briefing Course.

On the Saint Hill Special Briefing Course, Ron takes you on the journey of Scientology *right from the beginning*. It is from this wealth of data that the material on the Academy Levels is taken, but there is more than 11 times as much data on the Briefing Course as on all the lower levels up to this point combined. The data you hear on Ron's Briefing Course tapes isn't available anywhere else! That's why the graduate of Class V (the Saint Hill Special Briefing Course) has a full philosophical and technical grasp of Scientology so far beyond that of any lower level, and the ability to use Scientology technology as a natural part of life. On this course, and this course only, Ron lays out the path to ever-expanding ability as a being, for oneself, for others, for all Mankind. This course is the most important training level for any Scientologist.

On Class VI, the Senior Saint Hill Special Briefing Course, you become highly professional at rapidly and correctly handling any difficulties a preclear may be having in his auditing up to Full Grade IV Release.

Your Class VI Internship at ASHO is demanding, but nothing can beat the feeling of certainty you have when you graduate as a proven, permanent Class VI Auditor from ASHO!

An exhilarating part of your adventure at ASHO is Power Processing, Grades V and VA. On this grade of Release, you gain certainty of yourself and a tremendous expansion of viewpoint. Grades V - VA, giant steps in your route up the Bridge, are given to you at 50% discount as an active Class VI Auditor. The privilege of wearing the gold Power Release pin is yours once you have completed Grade V.

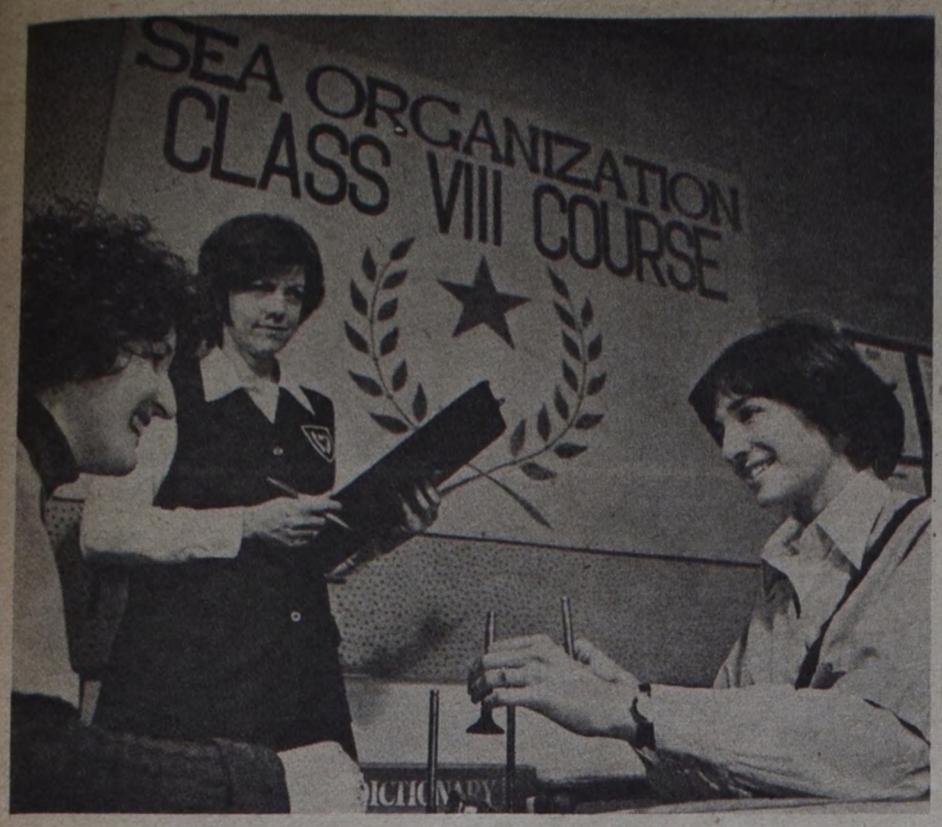

As a fully trained Class VI Auditor, you go confidently into your first solo session on Grade VI at the Advanced Organization (AOLA). Your auditing skills will stand you in good stead all the way through to Clear and the OT sections.

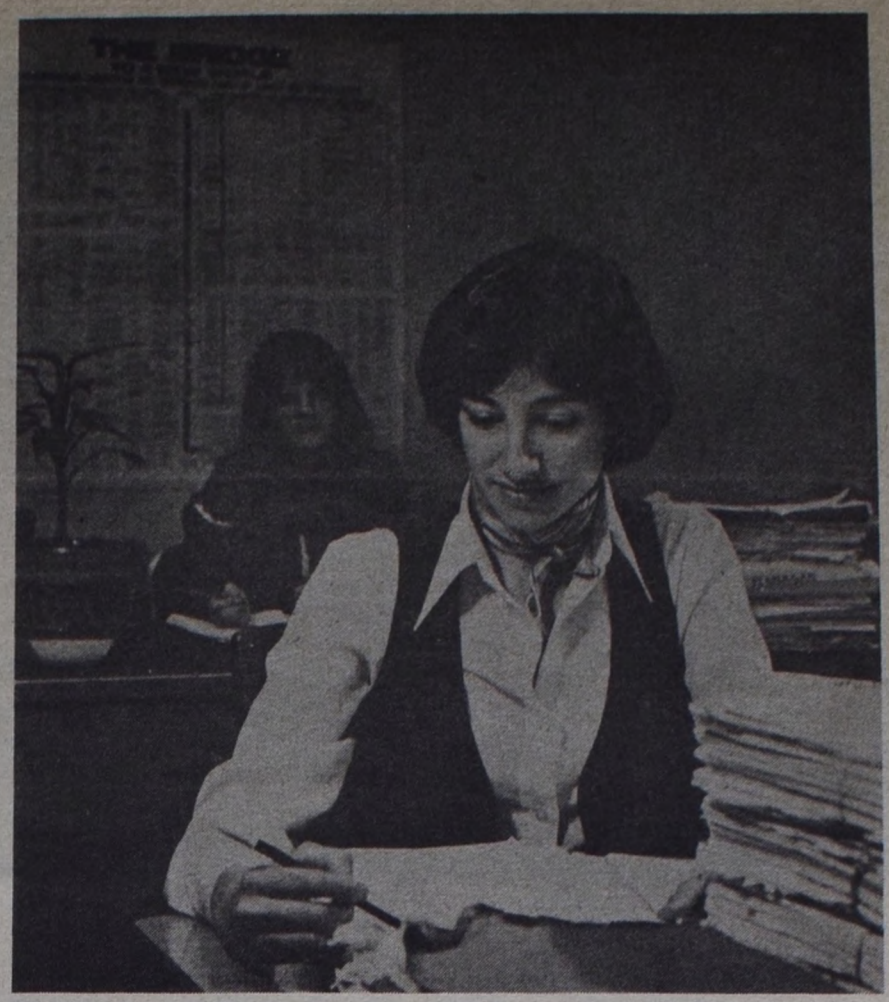

The first day you put on your new silver Clear bracelet is an exciting day!

You continue your smooth progress up the OT levels as a well-trained auditor.

Meanwhile, your auditor training at ASHO continues with Ron's famous Class VIII Course. Your Class VIII Supervisor keeps a very watchful eye on your progress to be sure it is 100% Standard Tech all the way. Class VIII training raises your awareness of STANDARD tech to an entirely new level.

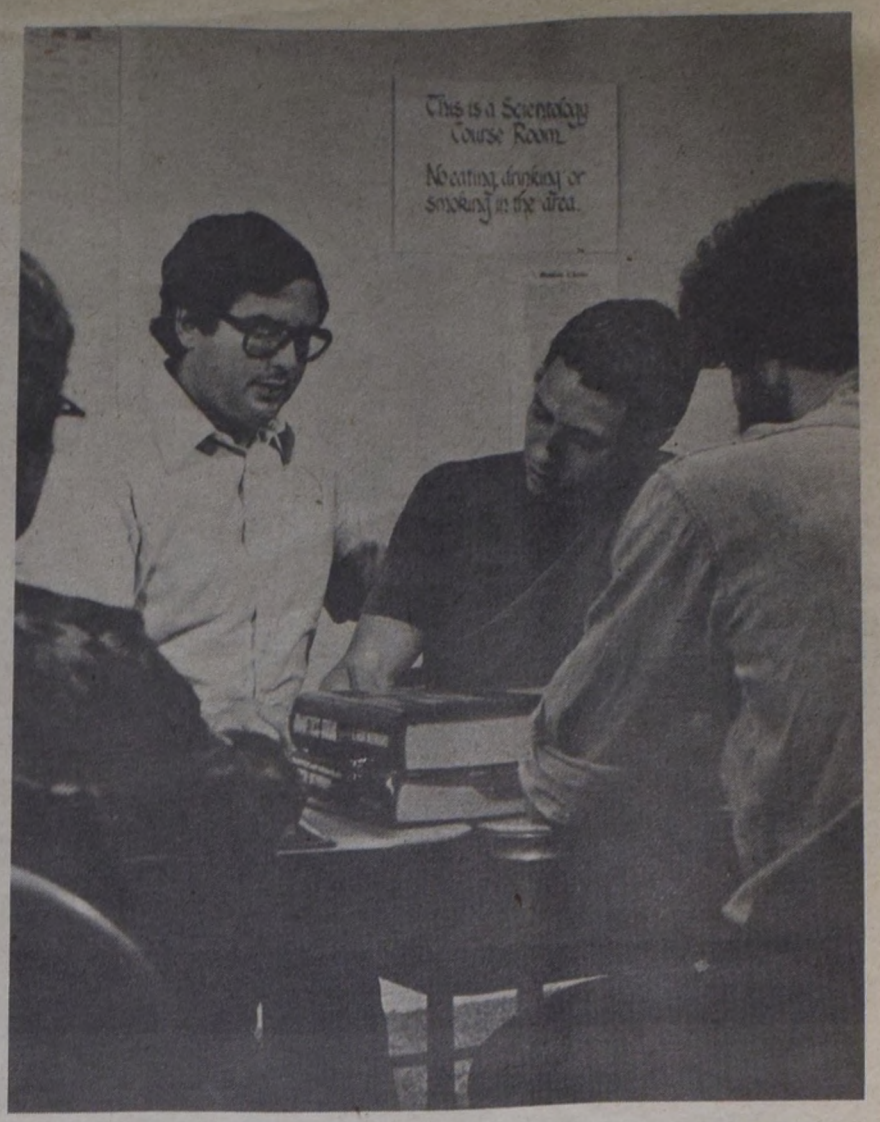

On HSST, Hubbard Specialist of Standard Tech, the Class VIII Case Supervisor's Course, you learn to supervise the auditing of others to keep in Standard Tech on lower classed auditors. Your apprenticeship and later internship under ASHO's Flag-trained Senior Case Supervisor gives you practical experience and further training.

As a fully trained Class VIII Auditor and Case Supervisor, you are able to refer other auditors, word clearers, course supervisors and case supervisors, to the exact bulletin by Ron that answers their questions. Ron entrusts you, as he does each Class VIII, with the honor and responsibility of keeping standard Scientology working throughout your area. As a respected Class VIII graduate from ASHO, you live up to this responsibility with confidence and pride.

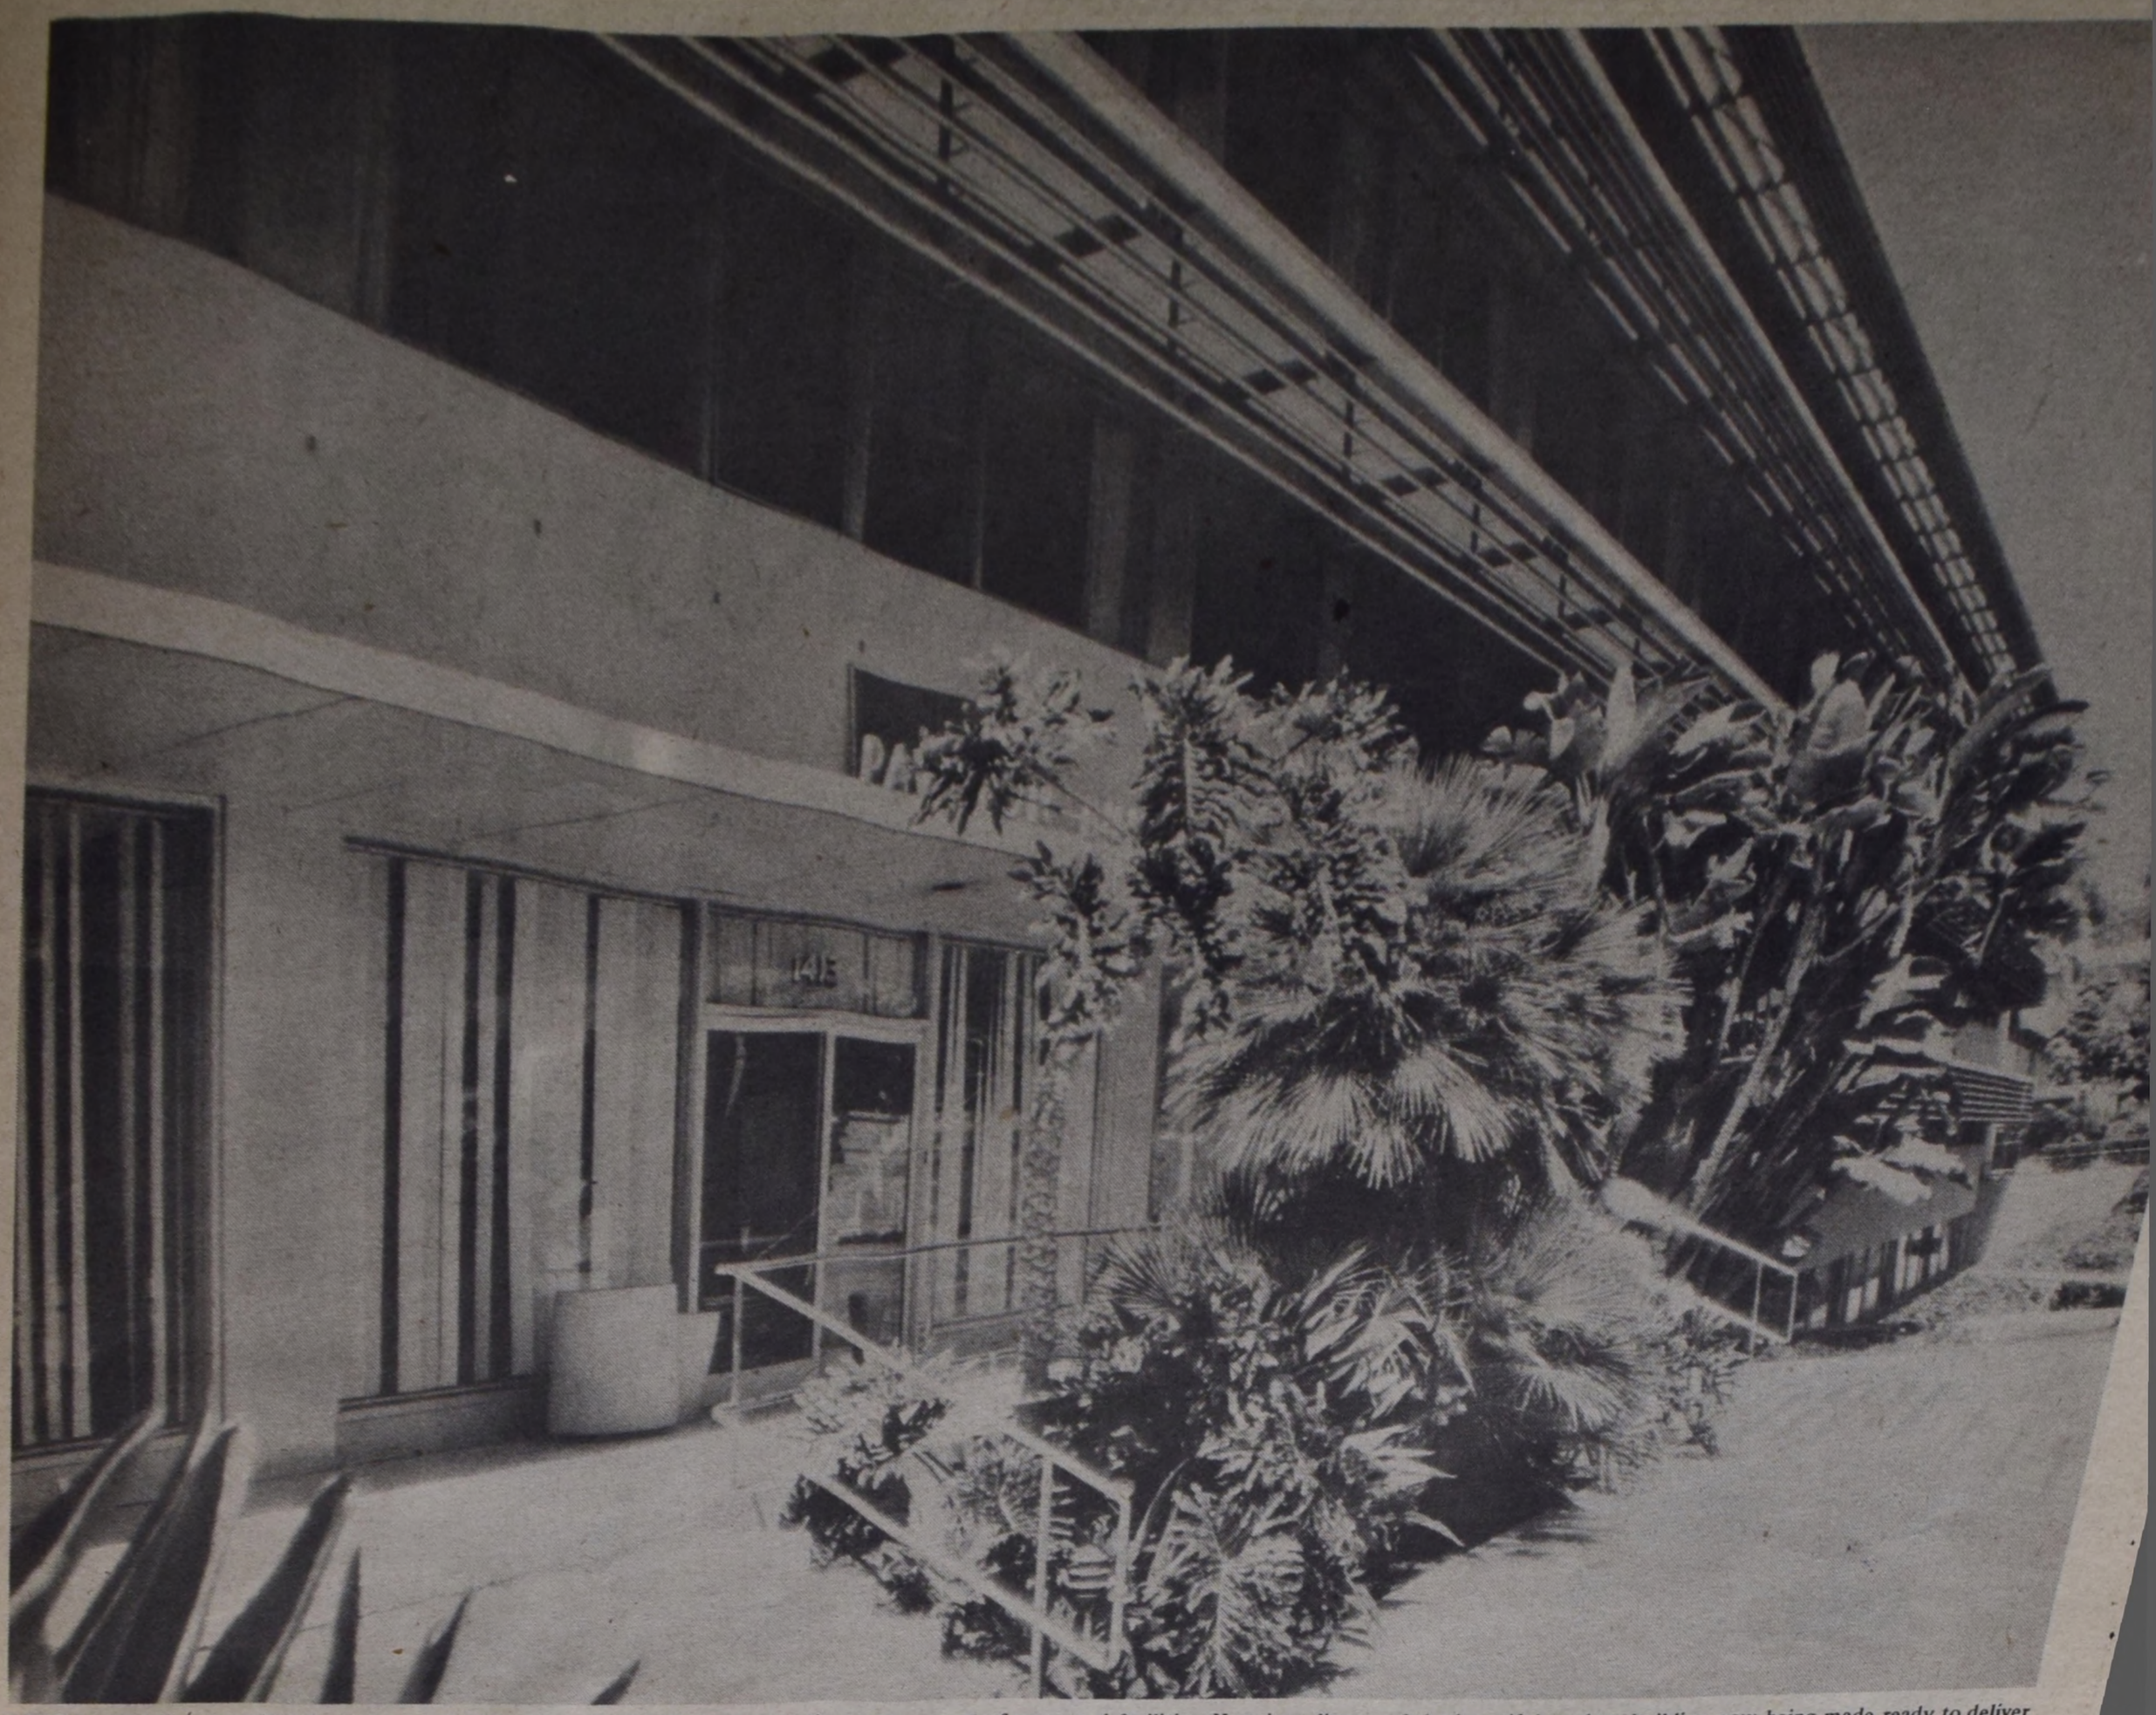

Class IX is the first course you do with the Class VIII viewpoint. You review key basics of Scientology technology and learn recently released special rundowns. You have an exterior view of Scientology and of the world as a polished Class IX graduate. You are ready to succeed wherever you go – onto the broad communication lines of society, starting your own Scientology Mission in your home town, or joining the staff of a Scientology organization as a senior executive or a member of the highly dedicated Sea Organization which manages all higher levels of Scientology delivery around the world. Whichever career you choose, you are assured the world will be a better, saner place because you have been there and applied your knowledge of Scientology technology !

ASHO is expanding so rapidly that new quarters have been purchased with many times the amount of space and facilities. Here is a glimpse of the beautiful modern building now being made ready to deliver service to you. Through these doors at ASHO will pass thousands more like you, moving up the Bridge to Clear and OT on the route Ron recommends, the training route.

The Bridge to Clear and OT that stands so strong today was built by the caring research and years of untiring work by L. Ron Hubbard, reknowned humanitarian and founder of Dianetics and Scientology. The Bridge was built so that you could travel to Clear and OT rapidly and with ease. Take your next step up the Bridge today!

After reading DIANETICS, people come in to Scientology Churches and Missions to find out more!

Here are a few success stories from individuals who have come in as a result of a Dianetics campaign in their area:

My first direct experience with Scientology was because I liked John Brodie's face. During the commercial break, watching a late-night movie, I listened to what he had to say. The commercial showed children experiencing joy and enthusiasm. I believed John Brodie when he said that it was possible to know those joys again. I wrote in and was referred to the local Scientology mission.

Since that time, my life has not been the same, nor has that of my wife and children. I have experienced the joy of knowing that there is hope. After so many years of looking up blind alleys and almost resolving that there were no answers, it is wonderful to feel like a child with a fresh start.

It's hard to believe that such a simple technique (simple to comprehend) as auditing can do so much for me (of course, you too!). I feel so happy right now. A lot of excess baggage I was carrying around just dispersed and you know I don't miss it a bit!

I also want to thank Ron for the tech and Kathy Nickey, my auditor, for delivering it.

I have decided to join the staff here to deliver the tech as soon as I am able; therefore those of you reading this who have not started on the Road to Clear will have one more person there soon ready to help.

The Communication Course has been simply fantastic for me. I came out of it feeling as if I had climbed a mountain. It's great to be on top!

J.S.

What a win! I am totally secure in the fact that I can now study . . . I know HOW to study! After 12 years of school plus 4 more of college it took L. Ron Hubbard and Scientology to teach me really how to learn without fighting the material or falling asleep! I am very happy to have done this course.

J.K.

Wow! I haven't felt this good about myself in I don't know how many years.

I know I feel terrific about where I'm at, but other people have said "You seem much happier." I'm overjoyed to tell them why. Because of the practice I've had confronting people on the Communication Course, I am much better able to face most situations.

I am anxious to spread the word.

I can't wait to start my next course because I know lots of good things will happen.

N.S.

It seems impossible to put in words the satisfaction I feel on having the privilege to work with the people concerned with this course (and Scientology).

The Communication Course is only the beginning for me but I can feel the power of the principles I am learning. I know these are lasting values.

If there were no other reasons, the devotion to students by staff is ample proof that the practice of Scientology is the only philosophy to live by.

Thank you for having me here.

H.T.

One day about five months ago, my wife and I visited a young couple who are friends.

Our friend knew that I was interested in the philosophy of life and she had recently purchased a copy of *Dianetics, Modern Science of Mental Health*. She offered to let me read the book and I accepted.

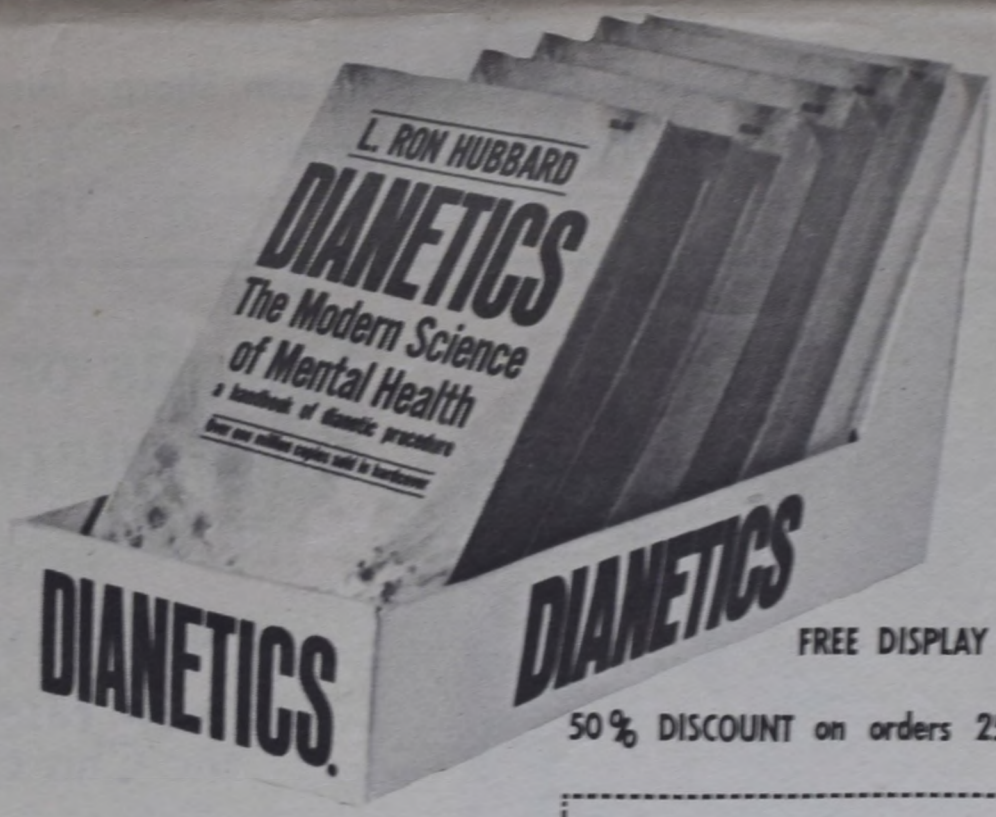

I read about 4 or 5 chapters and decided to get the hard cover, because I wanted it for my personal library and it had larger print.

Having read the book I was very impressed. I wanted more, so I went to the nearest Scientology Mission and bought other books on the subject.

So now I'm on my way to the top of the mountain and the sunshine. I'm tired of the filth and chaos. I know now that it can only get better. Some day there might be a place for me, so I too can help raise someone up out of the mire.

Thank you for taking time to read this. My name is Bob.

ASHO graduate Dick Killion still finds new understanding of the basics in L. Ron Hubbard's earliest books, such as *Dianetics, The Original Thesis*, his personal favorite.

TRAINING VITAL SAYS ASHO GRADUATE

DICK KILLION, Class VIII graduate from ASHO now OT III on his Class VIII Internship, says he wouldn't have chosen any other route up the Bridge than the training route.

Dick spotted Scientology in 1968 and immediately walked in to find out about it. He had known for a long time there must be more to existence than what he was aware of, but hadn't found anyone who knew what it was! When his questions were answered in books by L. Ron Hubbard, he knew he had found what he was looking for.

After doing his Dianetics Course, he came to the Los Angeles Church of Scientology for his Academy levels and started the Saint Hill Special Briefing Course at ASHO in 1974.

He followed graduating from the Class VI Course with going over to the Advanced Organization to go Clear. "My training really helped my own auditing," he says. "If I had it to do over I would never consider going any other route than the training route through the Briefing Course. If you go up only the processing route you can attain a high state but if you don't know how you got there you can still be vulnerable in the future."

Auditing as an interned Class VI under the supervision of Class VIIIs soon brought him to realize there was a real difference between his level of ability and Class VIII. So he returned to ASHO for his own Class VIII and Case Supervisor training.

"The Class VIII Course was everything I expected plus a lot more," says Dick. "I wanted to know the precise points of aberration from which all the limitless types of dramatization stem, and that's what I learned. I discovered for myself the primary mechanism of entrapment and the ease with which the traps can be sprung, thanks to L. Ron Hubbard and the Class VIII Course. I will never lose the data I have learned. Regardless of any possible upheaval, catastrophe, or setback that could ever occur, I know beings will go free because of my application of Standard Tech – and yours. Ron gives you that knowledge and certainty on the VIII Course."

Dick is now auditing his wife Dora on her expanded grades while he does his Class VIII Internship at ASHO.
