NEW ERA DIANETICS

by L. Ron Hubbard

It is my pleasure to offer you a new and much more workable version of Dianetics.

It is called NEW ERA DIANETICS.

Dianetics in its early days produced quite a few miracles and many, many well and happy pcs.

As time went on it underwent many refinements and changes and also, unfortunately, suffered the loss of a lot of its Tech.

So recently I overhauled it extensively.

The course checksheet of basic NEW ERA DIANETICS is much shorter.

The hours of auditing that can be done in NEW ERA DIANETICS are greatly extended with higher results for every hour!

NEW ERA DIANETICS is more precise.

It does *not* supplant Scientology, no way.

It makes the trained Dianetic auditor more valuable.

It achieves, in skilled hands, anything older Dianetics ever sought to achieve.

New Era Dianetics is a summary and refinement of Dianetics based upon 30 years of experience in the application of the subject.

In that 30 years I have found much that could improve results if properly applied.

And in that 30 years, many issues have been written by others that were a bit altered and some materials have been lost. New Era Dianetics corrects these points.

Also, recently, I have done additional research and have come up with a few breakthroughs.

In 1950, I said we should build a better bridge.

Well, in 1978, here is a better Dianetics section of the bridge.

Old timers in Dianetics will only approve these upgrades. There is no invalidation of what they know already to be true. But there are refinements about which they are jumping with joy.

New Era Dianetics is even more acceptable, even more workable.

I did this review to move Dianetics back into the "miracles as usual" band and the student studying it and the auditor practicing it will find that if he follows its precision drills with precision he will be able to handle life and the spirit as never before.

Of course I cannot claim or guarantee that anyone audited on Dianetics or New Era Dianetics will become cured of illnesses which would best be handled by immediate medical treatment and I cannot promise any pc that all of his undesirable conditions will be eradicated since that depends on the state of training and the accuracy of application by the student.

It does not require mile long checksheets to make a good Dianetic auditor.

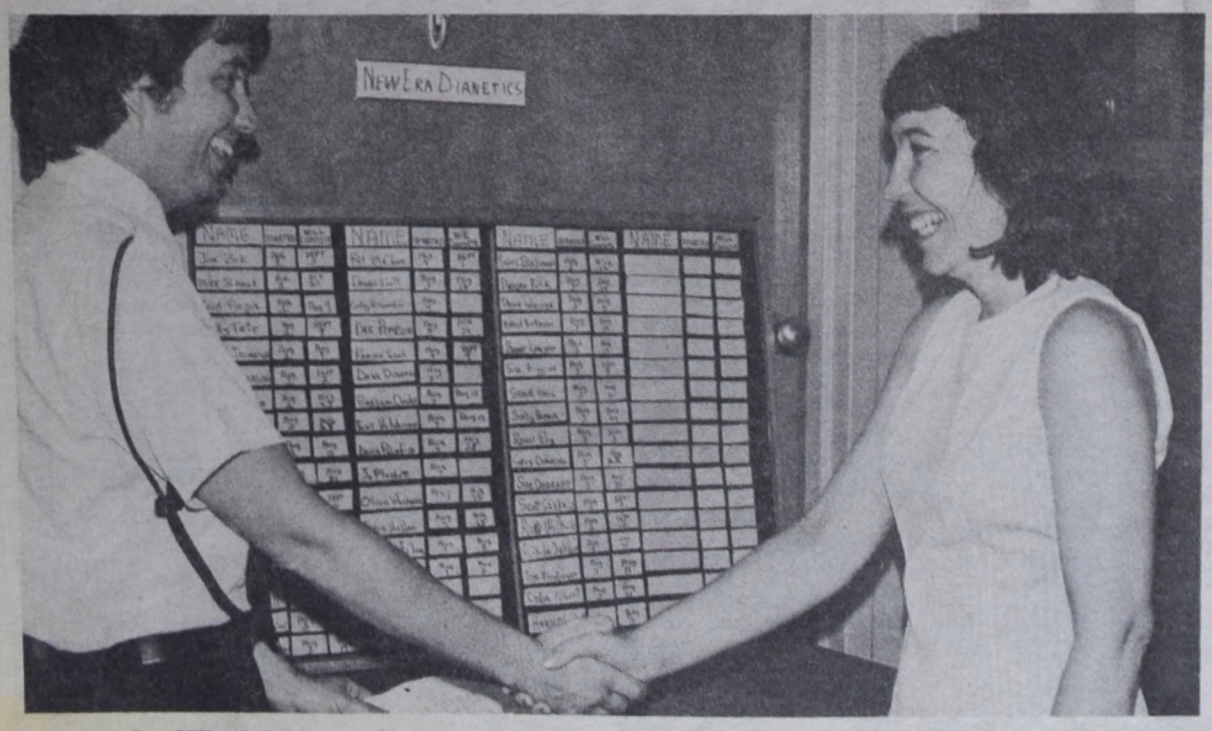

It *does* require study and hard effective drilling.

And it requires a desire to help oneself and others and really make a better bridge and a better world by putting it there in terms of faultless application.

Scientology goes on and is above Dianetics. But Dianetics is the solid base of all this research. So learn and apply it well.

Here begins a Tech revolution!
Use New Era Dianetics well!
Good Hunting!

A Briefing On NEW ERA DIANETICS

"First, let me tell you the story of how New Era Dianetics came about.

Dianetics has been a formal science in its own right for some 30 years. With the writing of *Dianetics, the Modern Science of Mental Health*, and all the ensuing popularity, Ron took on a certain mission of his own.

That mission was to build a better bridge.

A lot of able hands pitched in, and Ron built a better bridge.

Over the last 30 years many issues were written by others. People who were newcomers to the *original* subject tried their hand.

To a certain degree, Dianetics as the original subject was handed down.

It was over this period of time that some vital pieces of the original subject were at times undervalued, and in some cases lost.

New developments in Scientology, were applied to Dianetics as a subject, and that, too, became a factor in changes.

Every once in awhile, we run into an indignant Dianeticist, who insists that Dianetics was its own subject and didn't need Scientology changes.

continued on page 2

A Briefing on NEW ERA DIANETICS, continued from page 1

In some ways, these people were quite correct. They were content to get on with the miracles of Dianetics. Their objections were to the undervalue placed on the subject because of enthusiasm over new breakthroughs.

These Senior Dianeticists strongly approve of New Era Dianetics, I can assure you.

Through a complete revamp of Dianetics including the original materials, some lost or forgotten vital information has been restored to the subject. All of this has been reworked within the framework of modern procedures.

In addition we have 4 new rundowns, an entirely new and stable lower end of the bridge contained in a sequence of 17 ACTIONS. Some of these actions are of course optional depending on the case, but even so the sequence is the same for everyone. This means an entirely standardized starting end of the bridge. This means fantastic stability and exactitude for people getting up the bridge now ! ! !

What brought RON's attention to this was an interesting incident.

As you know he has been working for the last 10 months on the 34 Technical Instructional films to be released in the future to Org Academies for Technical Students.

And so all the HCOBs, packs, and checksheets were called for by RON.

During this same period, while RON was researching the films, he was Case Supervising for a case with an injured back.

A complete Dianetic assist was done. And, the pc happily attested to its completion. But then, later, RON asked the pc how was his condition now?, and the pc heroicly announced that he didn't have *too much* pain to work . . . and it didn't bother him . . . *hardly at all* . . . or even, *very often* . . .

This was not the standard RON was willing to settle for. And so all the Dianetic HCOBs and packs were called for and RON went to work.

It was back to advanced Dianetic research once again for RON.

Now, the revisions are complete. NEW ERA DIANETICS is simply better and more workable.

It was created to move Dianetics back into the "Miracles as Usual" band. In fact, you could almost call it, the "MIRACLES AS USUAL ERA".

That's how close the description is.

NEW ERA DIANETICS produces 80% more gain, and alot more gain per hour is occuring with this auditing.

All auditors who have previously earned ANY certificate in Dianetics should sign up for this course at once. I urge you to sign up for the course even if you have never done a Dianetics course before.

"The procedures are more precise. More thorough. Long after a Dianetic auditor would have thought he had it all . . . the New Era Dianetic Auditor will have only just begun.

Nothing is left unflat or unhandled.

In addition to the HUBBARD NEW ERA DIANETICS COURSE, a second, more extensive graduate course for Case Supervisors is also being readied up. That will follow shortly.

Meanwhile we can prepare . . .

The New Era Dianetic auditor needs to know his study technology, and he must not go by a single word he does not understand. The new student hat* checksheet will streamline this process considerally. Still, no misunderstood words can be passed.

You need to have an E-Meter and know how to use it.

You need to know the background of Dianetics as contained in *DIANETICS THE ORIGINAL THESIS* and *DIANETICS THE MODERN SCIENCE OF MENTAL HEALTH.*

A reread of these texts would be a good investment in your time.

Also, there is a new Dianetic Student Rescue Intensive, which of course is an optional step.

For anyone who has ever lost anything . . . be it a loved one, a pet, an object, or had times of severe stress, RON has developed a new rundown called the Relief Rundown.

This type of incident can cause major changes in a persons life, and persons addressing these changes directly, will experience a very great deal of relief.

And . . . for those who have any disabilities they wouldn't mind handling, whether it be not being able to speak Arabic, or paint a picture, a very special Disability Rundown has been developed.

If you have a disability either physical or mental . . . it can be handled on this Rundown.

And for those who would like to know more about themselves, there is the new Identity Rundown.

Every action in the series is done for each preclear, or at least thoroughly checked for each preclear.

But I don't think we are going to have to spend much time persuading people they have something to run.

In the end we have a truly happy & well human being.

Thereafter Scientology levels can be achieved in greater depth and at greater speed.

And so this was not only an overhaul of Dianetics but a breakthrough for Scientology as well.

NEW ERA DIANETICS is the BIGGEST SINGLE BREAKTHROUGH, since *DIANETICS, THE MODERN SCIENCE OF MENTAL HEALTH.*

Our mission as Scientologists, and as Field Executives and Technical personnel . . . Our mission as Responsible Scientologists is the ensurance of maximum impact of New Era Dianetics on this planet.

The research is complete. The last of it is written up.

RON has done his part, and once again he is giving the technology researched freely to Mankind.

It is our mission to see that this gift is in fact received.

. . . Now, before I finish up, I want to tell you a story.

A few days ago, RON was involved in some Special Effects photography.

A certain amount of set up was needed for the shot, so RON told the guys . . . "Go ahead, and set up the shot, and then call me so I can check it out."

Well, one of the guys involved was a very new and uninformed person. So, not knowing lines, and protocol and procedures and so forth, after he had set up the shot, he started on his way to let RON know.

Now, something unusual occurred whereby the messengers on duty were all on other chores for RON, and so no one was outside RON's door tending to any body tarrific.

So, this fine enthusiastic person stuck his head in the door and said "OK, you can c'mon over now. The shot's set up."

Just as RON got up and was getting ready to go, the messengers returned. So RON said to them . . . "This guy says I have to drop all production on New Era Dianetics and go over and check out this shot, so . . . I guess I will."

And so he did, much to the astonishment of those at hand. Really he was just having them on a little bit.

The shot got done, and the lights burned bright in RON's office on into the night to keep his promise to you.

And NOW, TODAY, YOU HAVE NEW ERA DIANETICS."

LOUIS (Class VIII, OT II) and CAROLYN (Saint Hill Special Briefing Course Student and OT III Expanded) BUCKLEY performing their daughter's double ring ceremony.

Family Re-United With Scientology

In late July, LOUIS (Class VIII, OT II) and CAROLYN BUCKLEY (Saint Hill Special Briefing Course Student, OT III Expanded) had a very big event happen in their lives. The couple performed a double ring, double minister wedding – for their daughter Vera!

Louis first found Scientology in 1968. One night he was watching the Les Crane television show, where featured was a Scientologist. Louis tried to find out more about Scientology but was not to be found in New Jersey in 1968. The next day he was walking down 34th street in New York City, and he kept seeing little pieces of paper on the street, he felt he had to investigate, he picked one off the street, and it was a ticket to an Introductory Lecture on Scientology! He had found what he was looking for.

Louis started his basic training at the New York Organization, and in the mid-70's came to ASHO Day for his advance training. Louis is now a field auditor who works with his wife Carolyn in the Los Angeles area.

He has been instrumental to many reaching and becoming Scientologists. His best win was with his daughter, Vera. She came to live with him last year, after not seeing his daughter for 9 years Louis quickly introduced her to Scientology. She had been into drugs, and not winning in life. She worked through many changes in her life, and soon decided to join staff, and is now in charge of the important food facilities at the new Scientology Complex in Hollywood.

Louis is a highly trained Auditor, and has done the Saint Hill Special Briefing Course at ASHO Day. "The Briefing Course is the most incredible course on the planet. Everyone should do it, and then go onto the Class VIII Course." says Louis.

The future holds much for Louis and his family. "I'll always be auditing, or opening missions. I've been able to reach many of my family, one of my nieces is currently living with my wife and I and she is on training at the Los Angeles Organization in Hollywood. She's 15 and wants to go Clear!" said Louis.

Both Louis and Carolyn are anxious to start the NEW ERA DIANETICS course at ASHO. "All of ASHO services are out of this world", stated Louis.

As you enter NAN HERST's office in Beverly Hills, you can't help but notice the air of efficiency and happiness. Nan is an OT 7, Class IV and Dianetic Auditor. She is also a minister of the Church and one of the up and coming successful Public Relations personalities in Los Angeles. To top off all that Nan is a Saint Hill Special Briefing Course Student at ASHO!

In 1971 Nan first heard about Scientology. That was in Highland Park, Illinois. Since that time she has trained on Flag and at ASHO. She uses L. Ron Hubbard's technology daily to help her clients and business to constant success.

Some of Nan's clients include, Karen Black, Michael Roberts, Lauren Simon, Dennis Winifrey, Daniel Dick, and many others.

Using Ron's technology Nan does personal administration scales which help her clients establish purposes and programs, plus other important factors in their lives, to help further their careers. Also being very well versed in the use of surveys, Nan is always willing to find out what is needed and wanted for her clients, which she then applies to their own personal Public Relations program. Nan sets up programs which include her client getting all of Ron's technology on Public Relations.

"Auditing really brought up my confront. I am the way I am because of auditing and training." says Nan.

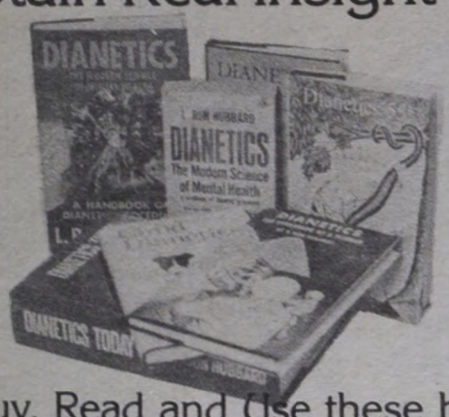

Nan is currently working on the "Have You Lived Before This Life?" seminar which will happen on Oct 29th at the Bonadventure Hotel in Los Angeles.

She is looking into future expansion, and has just recently added to her staff Rod MacTaggart, Power Release, Class IV, and Saint Hill Special Briefing Course student. She is planning on moving into more offices, and disseminating more, and more to others about L. Ron Hubbard's technology. Nan's partner is Susan Royal who is also working at bringing Ron's technology into public use. Susan is currently in Deauville, France, working on the famous film festival.

WALLY AUGUST (Dianetic Student) *center*, with his band ROTO, the Wonder Band, playing at the Trubodur in Hollywood, California.

Dianetics Helps Career

In April of this year WALLY AUGUST, read Dianetics: The Modern Science of Mental Health. This was after months of looking for it in the cities his band ROTO "The Wonder Band", had toured.

He started up the Bridge soon after, and is currently on his Dianetic training at Celebrity Centre Los Angeles. "I can put up with things that use to drive me nuts. I'm back up to a former level!" says Wally.

ROTO is on it's way to super stardom with Scientologists, Shelly Bauer, and Ed Miller as managers, Wally has been seeing record negotiations from Warner Brothers Records, and Shelter records to name a couple.

OT, David Campbell wants to help produce the group, Wally is very excited about the prospects.

Wally recently brought his mother into Dianetics and Scientology. She is now a Life Repair Completion, and eager to keep moving up the Bridge herself.

"Seeing the changes was a big win," says Wally about his Mother.

"I'll be doing whatever I can do to make the Clear 1984 target," said Wally.

ROTO has played the Trubodur in Hollywood, California, and many other big name clubs, as well as touring the US, doing many concerts in large cities.

Wally is a many talented artist, and plays, the keyboards, trumboine, and bass guitar. Part of ROTO's versatility is their ability to switch off instruments to create an effect on the audience. In a standing room only club, this creates quite an impact!

Wally's future plans include getting up the Bridge to Clear and OT, as well as being a fully trained Auditor. In music he plans on continuing the Bands expansion in the music field, and hitting the number 1 charts regularly.

"Finding Scientology, and knowing that it works, is a win, I know I'll never be the same again", exclaimed Wally.

Hubbard New Era Dianetic Graduate Course

This course, also designed by Ron, trains the student in the skills and techniques of unravelling the more difficult cases and spotting errors in auditing, as well as correcting cases which have gone off the rails. Here are the complete skills of NEW ERA DIANETICS Case Supervision, rapidly taught.

Prerequisites: Student Hat, Hubbard New Era Dianetic Auditor (Provisional).

Donation: Same as for Dianetic C/S Course.

A retread of the Hubbard New Era Dianetic Graduate Course is 36% of the above donation. Students currently on the Dianetic C/S Course may transfer to the Hubbard New Era Dianetic Graduate Course at no extra donation.

Stable and dramatic Dianetics gains!

Relief Rundown

Ron says that when a person has experienced "losses by death or other severe changes in a person's life such as losses of position, pets or objects, it will be found that when all such great changes in a person's life have been handled that the person will experience a considerable relief about life."

This is what the new Relief Rundown handles.

Dianetic Student Rescue Intensive

This is an optional step to handle any difficulty you may have with study with NEW ERA DIANETICS technology.

While this action does not, of course, substitute for good study tech and word clearing, it does make these much more effective. The Dianetic Student Rescue Intensive removes hidden barriers to study progress.

Disability Rundown

This NEW ERA DIANETICS Rundown handles anything a person considers to be a disability; mental, physical or otherwise. Ron says, "It handles anything from being too short to not being able to speak Arabic or not wanting to go to parties."

Identity Rundown

Not feeling quite yourself? Find out what caused it and be more yourself, with the new Identity Rundown.

The above are just a few of the actions done in NEW ERA DIANETICS. All of your New Era Dianetics auditing will be handled on a precise program. Ron has refined the lower end of the Bridge into a sequence of *seventeen* actions. Some of these actions are optional, but even so, the sequence is the same for every case.

Donations for New Era Dianetics Auditing are the same as for regular intensive auditing.

The Hubbard E-Meter is a religious artifact developed for the exclusive use of ordained Ministers and theological students who are trained in its use in Church ministrations. It is not intended for and is forbidden by the Church to be used in any medical or physical treatment or the diagnosis, treatment or prevention of any disease. By itself it does nothing and is strictly not to be employed for medical or scientific purposes. Its purpose is to assist the minister to locate in his parishioner areas of travail so that he can assist in the relief of spiritual suffering. The existence and use of the E-Meter is sanctioned by law and the copying of it or attempts by unqualified persons, doctors, scientists, psychologists or psychiatrists, to obtain or use one are actionable under law in the United States. To obtain an E-Meter one must be a sincerely enrolled student of the Church of Scientology or a fully qualified Minister of that Church and must undertake as well to become wholly skilled in its purpose and use. No other persons are permitted to have E-Meters. The Church permits the E-Meter to be sold, possessed, or owned only under these conditions.

Focus On Success

ASHO DAY SUCCESSES!

After many years of auditing Dianetics Ron has taught me how I can be an even better auditor. The gains for the preclear on New Era Dianetics are enormously increased and I've really been delighted with the results I've been getting – I'm really flipped out, this is great!

Enid Angus

L. Ron Hubbard has done it again with New Era Dianetics. It is simple yet highly effective as anyone who has taken the course and audited New Era Dianetics can attest to. Thanks to all at ASHO for the good service.

Hugh Franklin

This is a marvellous course. The New Era Dianetics data is more accurate and effective. This means greater wins for both preclear and auditor. Ron – I love it. Thank you.

Tony Hitchman

Being one of the first to start the New Era Dianetics Course would be a tremendous win for anyone – it surely is for me! The new material I've seen so far has been very exciting and I'm looking forward to learning and then using the new rundowns!

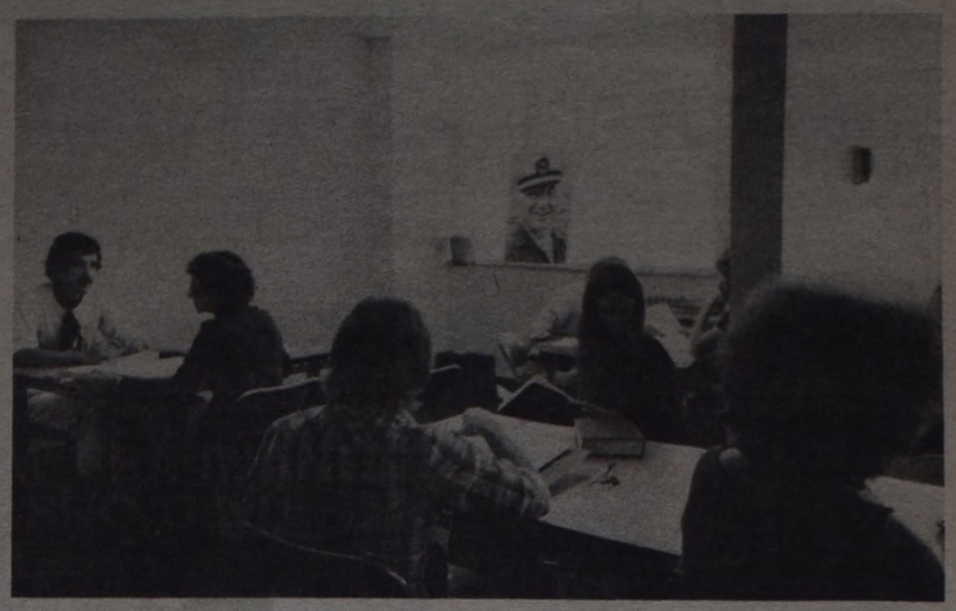

De Shaw

I've completed the New Era Dianetics Course and I've had some really good wins to say the least. My preclears who received this technology have had fantastic results and that is the real measure of my wins!

Alan Turbin

Boy, I just had a great time today delivering New Era Dianetics. It's really so smooth and works very well. Has been wonderful getting this "new" technology from Ron.

Sherry Larson

A filled course room on the second floor of ASHO Day is what you'll find when you come for your training on NEW ERA DIANETICS!

The auditing on Class V was exactly what I needed to do. The critical point for me was really realizing how I set the tone for session and even better than that – my responsibility for the preclear, which I feel is really there now. It was fantastic!

Sue Mize

TRAINING, PROCESSING and AUDITING EXPERIENCES at ASHO – have been like a grand preparation for really getting out there and starting to contribute. I feel well prepared for it having had my reality increased many, many times by ASHO, it's like a jet assisted take-off. Thanks ASHO Day . . . .

John Licentenstergir

It's fabulous how much I love ASHO and it's staff. Producing as it does the most valuable commodity on the planet: Auditors, I really feel alive with purpose and the excitment of this activity! My personal command of the technology increases every day along with certainty of application.

IN MEMORIAL

At Hollywood, California

Diane is a veteran Sea Organization Member of the Publications Organization U.S. She is a Chief Petty Officer, as well as being the spearpoint behind the National Dianetics Magazine Ads, and the Have You Lived Before This Life Campaign. "Our loss
Is gain
In wisdom and in skill
To future dates and other smiles
And so we send into the
Chain of all enduring time
Our Heritage
Our hope
Our friend
We'll miss you, you know . . .

She is all right
And she is gone.
We have our work
To do. And she has hers.
She will be welcome there."
