HOT NEWS JUST RELEASED!

THE YEAR OF TECHNICAL BREAKTHROUGHS

by L. Ron Hubbard

This year has so far resulted in Technical Breakthroughs from one end of the Grade Chart to the other.

Each of these is the result of years of research and in recent months one major discovery has led to another with great rapidity and astounding success. On a research line one sometimes hits pay dirt, this time I struck pure gold, not once, but several times and we now have new major Grades and Rundowns at both ends of the Bridge.

New Era Dianetics has already been released and is internationally reported to be working fabulously well producing 80% more gain.

L. Ron Hubbard, Founder. Ron has done it again! This incredible man has once again taken a broader leap forward for mankind. His hard work, and research has made it possible for all to reach new heights of awareness and happiness.

An attmept to run N.E.D. on an OT resulted in a phenomenon which caught my attention, and on further investigation brought to light the fact that you cannot run N.E.D., or any Dianetics for that matter. on a Clear (Dianetic or Scientology Clear) or above. Research into this paid off handsomely with a fantastic breakthrough for Clears and OTs. I have now developed an entirely new rundown called "N.E.D. for OTs". This deals with living lightening, the very stuff of life itself. Run exactly correctly by the book it produces remarkable results in the OT band, and has made it possible for me to now release OT VIII. "N.E.D. for OTs" is a highly confidential Rundown done by a Class IV, OT III auditor, called an Advanced Courses Specialist (ACS), who is specially trained on its rundown and techniques. It is now *forbidden* to run NED on Clears or above. From Grade VI to OT III is the non-interference zone, during which nothing should be run. Persons in this zone should move on up to OT III so that they may be audited on "NED for OTs" This Rundown will be delivered in AOs and Flag to OT IIIs and above. Clears and OTs who have paid for NED will now receive "NED for OTs" which in the pilot auditing produced results beyond their wildest dreams. While much of it is confidential I can tell you that the first step of "NED for OTs" is designed to raise perceptions, especially theta-perception, and as for the rest of the Rundown . . . . . surprise, surprise, surprise!

END OF ENDLESS DRUG RUNDOWNS

These breakthroughs at the OT level suddenly brought to view the reason why Drug Rundowns become endless when they do! And gave the way to resolve this. Now the Drug Rundown will be a comparatively short action and many many Scientologists will be able to make much faster progress up the Bridge. If you have had an "Endless Drug Rundown" you can now look forward to getting it completed with ease and get on to your Grades and OT levels. In this druggie culture in which we live, it is a very timely discovery because now we can undo the mind-crippling effects of drugs (Psychiatrists' gift to Mankind) with great ease, and with complete rehabilitation of the individual in a few intensives of auditing.

The "End of Endless Drug Rundowns" has been incorporated into NED and will be available in all orgs by NED auditors as soon as they are trained on it, which will be in about 2 weeks.

TRAINING – FAST COURSES

All these new techniques require auditors and C/Ses fully trained and specialists in that level to audit and C/S them. It is forbidden for any auditor or C/S to run any of these without being properly trained and certified.

It is therefore just as well that I overhauled the training route earlier this year, resulting in fast training. We might even say the "End of Endless Training". Today, it takes 4 weeks or less to train a NED auditor. The checksheet and course for training Class IV, OT III auditors, Advanced Courses Specialists who will deliver "NED for OTs" is also a fast but accurate training level. So we are able to train auditors and C/Ses rapidly to deliver these fabulous Rundowns, and thus make them available to you very soon.

I have always said that as soon as I make technical discoveries I will get them to you as fast as I can, and I am doing that now.

I appreciate your support and help which makes it possible for me to do this research for you.

1978 is the Year of Technical Breakthroughs, there have been more this year than in any other year so far.

I am delighted to be able to make these available to you.

Love,

RON

URGENT — IMPORTANT
DIANETICS FORBIDDEN ON CLEARS AND OTS

New Era Dianetics or any Dianetics is NOT to be run on Clears or above or on Dianetic Clears.

This applies even when they say they can see some pictures.

Anyone who has purchased NED auditing who is Clear or above must be routed to an AO or Flag to receive the special NED Rundown for OTs. They are NOT to be run on regular New Era Dianetics.

Anyone who is Clear but not OT III is to get through OT III immediately so he can receive this Special Rundown.

The EP of this Rundown is: CAUSE OVER LIFE.

"A message box shall be placed in all Scientology organizations so that any message for me may be received by me.

New OT Civilization Convention Held In Los Angeles!

The second NEW OT CIVILIZATION CONVENTION was held in Los Angeles on August 18, 19 & 20, at the Los Angeles Convention Center. It was an outstanding success.

As this was a three day event, the numbers of people attending at any one time varied, with the highest attendance period having over 3,000 people.

The Convention served to connect Field Scientologists more closely to Source, and to each other.

Some 125 booths were set up in the Convention Hall where Scientologists demonstrated how applications of Ron's technologies had increased their reach and productivity, and how they use their products to expand Scientology. The booths were very popular and crowds of people could be seen visiting them at all times during Convention hours.

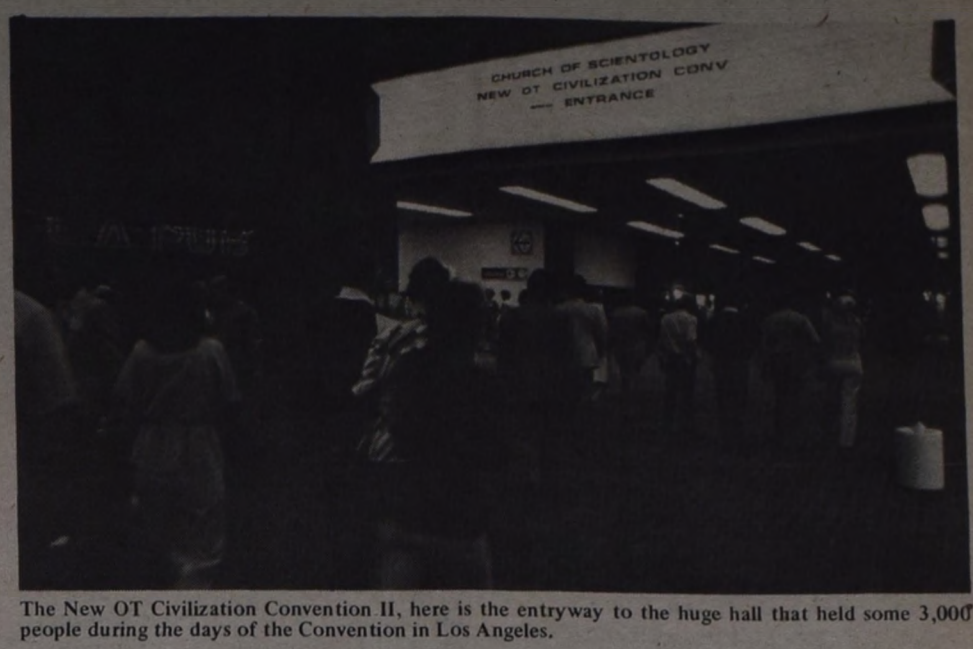

More than 20 Seminars were conducted, covering the fields of Broad Dissemination, Mission Expansion, Health, Education, Sports, Business, Law, Computers, Environment & Ecology, Economics and Finance, Real Estate, Science, Government, Architecture, Theater & Acting, Music, Painting/Design and Fine Arts, Writing, Dance, Film and Photography. Some 50 Field Projects came out of these seminars, all designed to get Ron's technologies more widely used in the society. The connecting up by Scientology power terminals in these seminars is alone guaranteed to boost Scientology expansion tremendously.

SUMMARY OF EVENTS

The show opened on Friday morning with a tone-raising dramatic spectacle by the Pacific Renaissance Theatre, an acting group under MANU TUPOU and MICHAEL ROBERTS. This was followed by a lazer light show presented by Darrell Tepoorten, bringing home the fact that the future is indeed exciting for Scientologists.

A heart-warming PARADE OF FLAGS, demonstrating the International scope of Scientology, was presented by APPLE SCHOOL pupils under the direction of DEEGIE PHELPS and with International selections of music directed by JIM COWGER. The Parade of Flags has a delightful finale when the children displayed a banner reading "WE ARE THE LEADERS OF THE NEW OT CIVILIZATION" and 14 year old Peter Phelps read a poem he had written:

"Tomorrow is another day
Tomorrow is another way
Tomorrow is to set new goals
Tomorrow is to dream more dreams
Tomorrow is to reach new heights
Tomorrow is to see new sights
Tomorrow is to heal old wounds
Tomorrow is to correct old mistakes
Tomorrow is to help a person
Tomorrow is to clear a planet."

The New OT Civilization Convention II, here is the entryway to the huge hall that held some 3,000 people during the days of the Convention in Los Angeles.

Professsional Scientologist speakers then brought the good news of their expansion. JOHN WOODRUFF, U.S. Mission Officer, spoke of the terrific expansion in Missions this year, PETER CRUNDALL, spearhead of the CLEAR LA CAMPAIGN, toid of the wins of the Campaign, and MARTIN SAMUELS, Mission Holder for the DAVIS MISSIONS and head of the DELPHIAN FOUNDATION outlined some of the exciting projects he has underway.

MARCUS KUYPERS, M.D., spoke on the application of Ron's tech in hospitals, DANIEL SHURMAN showed how much his company has expanded using Ron's administrative technology, and BRUCE WISEMAN informed the Convention attendees of the INTERNATIONAL PROFESSIONAL ASSOCIATION which is form-

ing up Chapters internationally to get Ron's technologies applied in a wide variety of professions.

HAP HAZARD, Co-ordinator for the space shuttle, spoke on the colonization of space, BLANKA ANNAKIN spoke of Scientology expansion in Germany and Europe, Roger Meadmore gave an Australian point of view, and MIKE GARSON, master musician, showed how Scientology technology is used to bring performers up to greater heights of aesthetic expression then they ever dreamed possible.

On Friday evening RUTH MINET painted a glowing picture of the continuing Dianetic boom in Mexico, and then Ron's daughter DIANA HUBBARD HORWICH inspired all present with a magnificent talk of Scientology expansion around the world and mapped out the immediate future expansion of Scientology and the part each of us has to play in that.

The evening entertainment was by CRAIG MARSDEN and his group, very well enjoyed by the attendees.

SATURDAY – BRIDGE DAY

Ron's Personal Public Relations Officer SUE ANDERSON introduced HONORARY LRH PROs KEN GERBINO, DAVID ROYAL, BEN PEEK, IMARA SHAW, OMAYA ALGHANIM, and ERIC BARNES, who demonstrated their hugh wins in both applying Ron's technologies to their fields and getting others to apply them.

The audience greatly enjoyed Ron's tape THE HOPE OF MAN, for which RICHARD HOLMES had produced a special accompanying slide show.

After lunch, two of the world's FIELD STAFF MEMBERS DENNIS WINFREY and DAVID KAHN were "show-cased", giving the Convention their experiences and wins as Field Staff Members.

PETER GILLHAM then gave a very excellent seminar on DISSEMINATION, giving the audience invaluable LRH tech on disseminating and helping them to understand, align and apply it in their own dissemination activities.

GUARDIAN'S OFFICE

Saturday night was "Guardian's Office Night", where many of the Guardian activities were presented for example APPLIED SCHOLASTICS, NARCONON, DELPHIAN SCHOOLS, and APPLE SCHOOLS.

HEBER JENTSZCH, the AG PR for the Greater Los Angeles Area, then gave a dynamic briefing on the Guardian Office actions in isolating the source of enturbulation and how the Guardian's Office is handling. Heber's inspirational talk was greeted with a tumultuous roar of approval and support for the Guardian's Office and it's vigilance in ensuring that there are no stops to our NEW OT CIVILIZATION.

Entertainment featuring DIANA CANOVA and JIMMY SPHEERIS ended the night off perfectly.

SUNDAY
NEW ERA DIANETICS

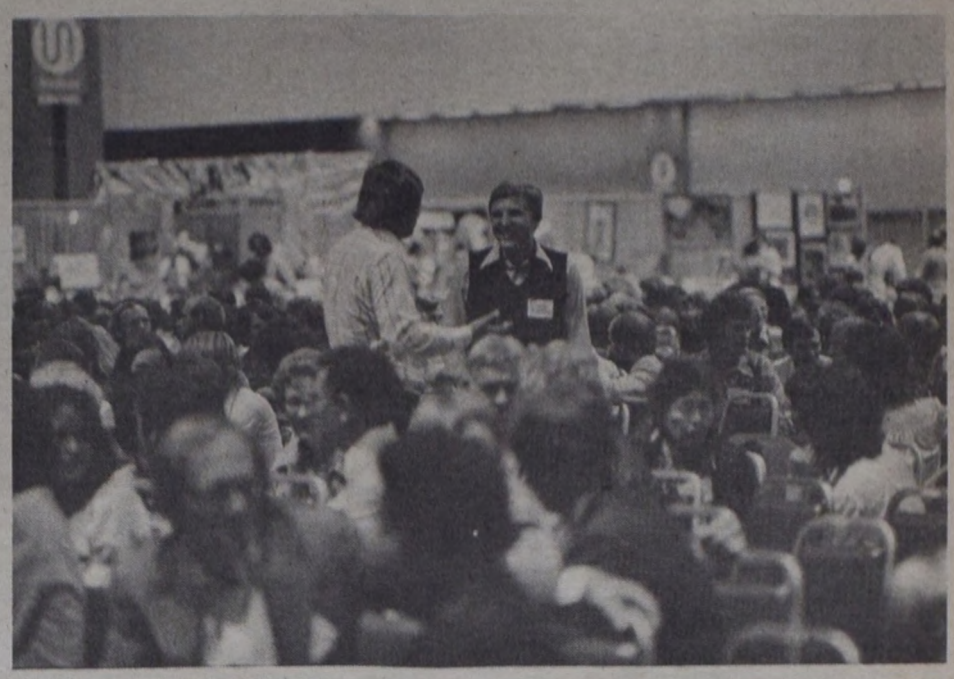

MANU TUPOU's PACIFIC RENAISSANCE THEATRE started off the NEW ERA DIANETICS presentation with a special stage dramatization of the pre-Dianetic civilization, exposing the drug-sex-violence-misunderstood culture that existed before Dianetics.

SUE ANDERSON, Ron's Personal Public Relations Officer, gave the attendees an excellent briefing on the events leading up to Ron's

brilliant technical breakthrough that resulted in NEW ERA DIANETICS. A special guest from Flag, DAVID MAYO, our Class XII Senior C/S, then delighted the audience with the possibilities of NEW ERA DIANETICS and some of his experiences in working closely with Ron on the C/Sing line. Two NEW ERA DIANETICS preclears from the Flag HGC, ALICE GRIFFITH and MYRON ROBINSON, told of their wins as two of the first on NEW ERA DIANETICS.

The attendees could plainly see that, as Ron has stated, NEW ERA DIANETICS is capable of producing the same type of social commotion that Dianetics did when first released in 1950!

FINALE
NIGHT OF THE STARS

A glittering array of world-famous performers gave the audience a fantastically memorable experience of aesthetic creation as the grand finale to the Convention. MICHAEL ROBERTS, co-star of Baretta and founder of RIGHT TRACK, a children's anti-drug movement, performed magnificently as Master of Ceremonies.

A fast-rising group, "Start", set the night off followed by Las Vegas star performer Karen Nelson and Billy T.

Tom McLaughin, who has apprenticed under Marcel Marceau, had the crowd yelling for more of his brilliant mimes.

MIKE GARSON, an extraordinary pianist and entertainer, had the crowd clapping and singing and zooming up the tone scale.

GAYLE MORAN, on keyboards and singing songs she had written herself, had the audience all but stunned with the beauty and power of her performance. Again and again she was called back for more, more, more.

The light-jockeys cut loose with another delightful laser light show, accompaneid in dance by Kathy Moore, a spectacular example of the human form in motion.

DIANA HUBBARD HORWICH, accompanied on the base by STANLEY CLARKE, played a song she had written which further captured the spell-bound audience.

Then CHICK COREA and STANLEY CLARKE together again, performing as only they can. The crowd, breathless, then on its feet yelling. Then Chick brought out his guest performer, jazz singer without compare AL JEROE. Chick Corea, Stanley Clarke and Al Jeroe, together on one stage. What any real music fan would have given to be there!

This was a performance for kings and queens, for presidents and world leaders. And even more appropriately, for scientologists who are dedicatedly working to make this a better place to live.

And all these truly magnificent musicians and entertainers, paying tribute to the man who brought us all together and who has shown us the way to the NEW OT CIVILIZATION, and through whose technologies they have grown and developed their art, L. RON HUBBARD – *THE* Star of the NIGHT OF STARS.

A real taste of what life will be like in the NEW OT CIVILIZATION! Magnificent!

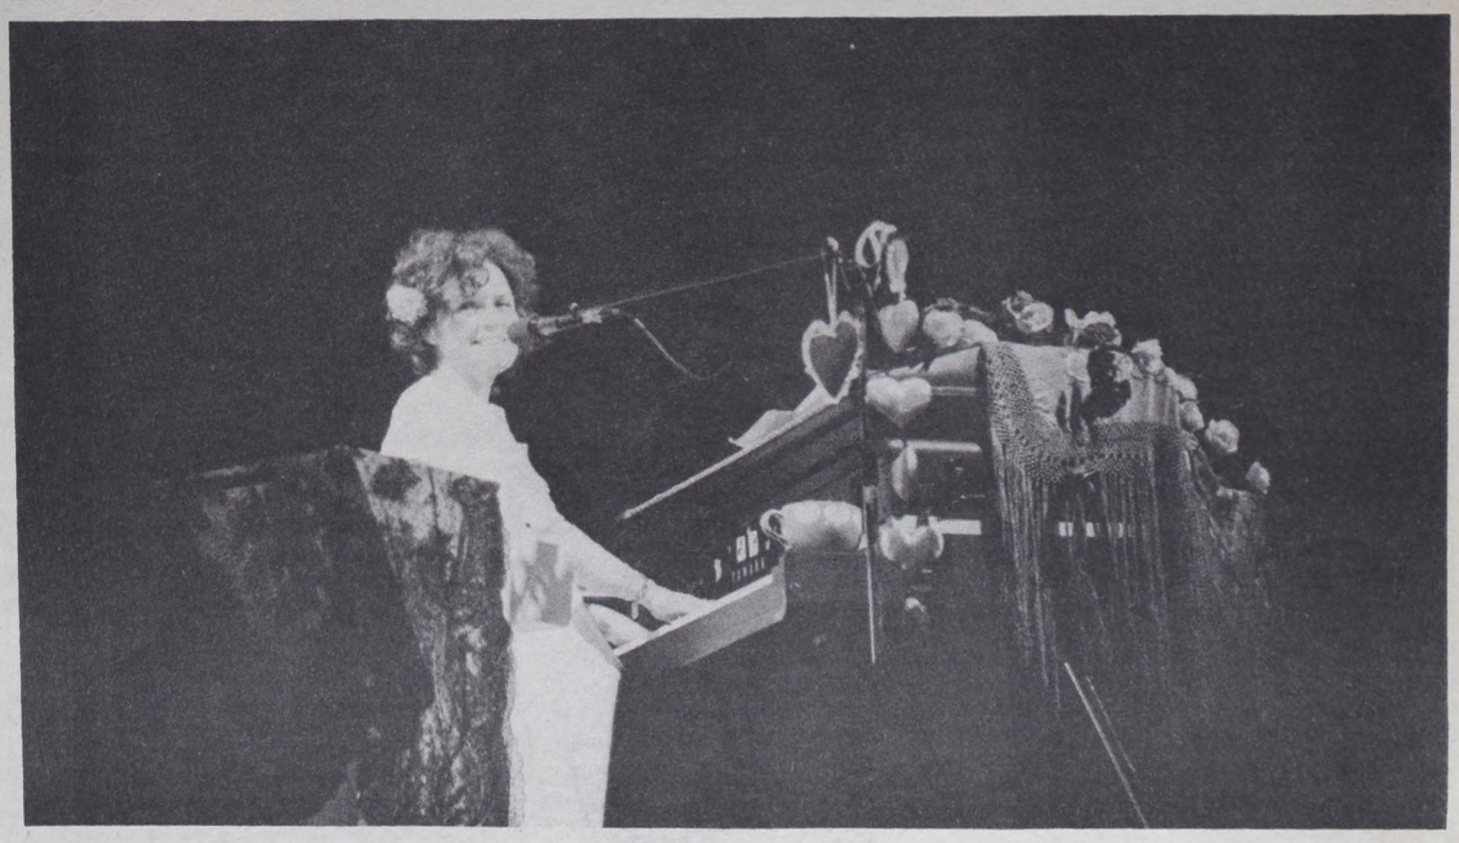

Chick Corea, Stanley Clarke and a very special guest Al Jeroe quickly got the audience dancing and clapping to the trios magnificent music.

The Parade of Flags was well received, and signaled the start of the excitement of the New OT Civilization Convention.

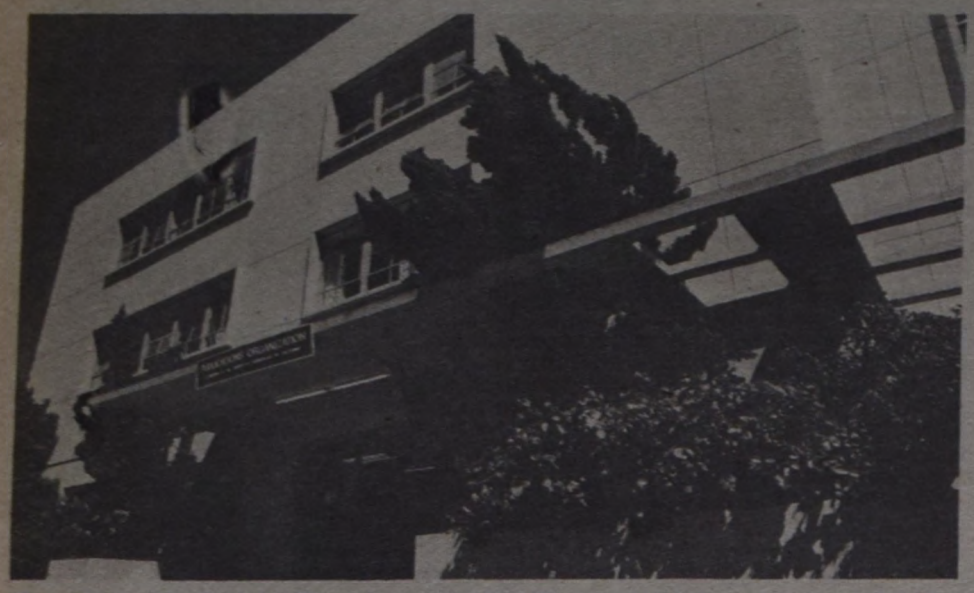

Mexico shared its wins with all who attended.

Gayle Moran thrilled the audience with her beauty and ability to communicate through music.

ASHO Trained Auditors Winning in the Field

Jim and Mimi Rogers, Reed and Mary Jo Slatkin, all OT VII's as well as Highly trained Technical Specialists, are all field auditors in the finest tradition established by L. Ron Hubbard himself. By definition a field auditor is "a man who is running Personal Efficiency courses and who is actively active in the field. It doesn't mean "just any auditor". But somebody we know is busy, somebody who is doing things". – L. Ron Hubbard. And these people are doing things! In the last year these ASHO trained auditors have sent five people into ASHO and the Advanced Organization for Power Processing and they then went into the levels of Clear and OT. In addition to those five this field group has sent another twenty individuals into ASHO and Celebrity Centre Los Angeles for training.

"Our goal is to move as many upstats onto and up the Bridge as quickly as possible and to deliver Scientology in a truly aesthetic and professional environment, with the highest possible technical standards we can provide", says Jim, who is an ASHO Day trained Class VIII Auditor. "This is a viewpoint throughly instilled by my training at ASHO", he said.

This groups auditing space is in a beautiful location in Sherman Oaks, California. They are really a Scientology family. Reed and Mimi are cousins and both have been Scientologists since they were young kids. Mimi is a Class VIII, Expanded Dianetics, and a Hubbard Scientologists of Standard Technology and the Case Supervisor for this field group. She has been an auditor since age 12, she also has been the Case Supervisor for the Scientology Mission in Palo Alto, California. She has also been the Interne Supervisor at ASHO where she first learned her case-cracking technology.

Reed and his wife Mary Jo are also fully ASHO trained and interned. Reed has followed Scientology around the world in such places as England, Scotland, Spain, and finally at ASHO.

Reed says, "Flowing power to the Orgs has never failed us whether it's the Guardian Office, ASHO, the Advanced Organization, Celebrity Centre, of Flag as long as a Scientologist is connected to Source he can't help but enhance all his dynamics."

The emphasis with this family of field auditors is quality and delivery, and the thorough application of the technology. All of this field group is currently training on the New Era Dianetics Course at ASHO Day. We can only expect even better statistics from them in the near future!

JIM ROGERS and REED SLATKIN go over some of Ron's recent NEW ERA DIANETICS material.

UND THE WORLD

DENNIS WINFREY, one of the world's top Field Staff Members in conference with a potential Volunteer Minister for Los Angeles.

Field Staff Member Helping Others Up the Bridge!

DENNIS WINFREY, Class VI, OT IV, is one of the hottest Field Staff Members in the history of Scientology! He is also one of the founding Volunteer Ministers in Los Angeles. Over the last 3 years Dennis has been very active in helping others up the Bridge! He has helped put sanity into Management Consulting in the field.

He was first introduced to Scientology in Riverside, California. Dennis quickly moved into his training and processing.

An ASHO trained Class VI, Dennis first started working as a Field Staff Member while in training at ASHO. "The Briefing Course was a hat on how to live. I was an OT III when I did the Briefing Course, I'm glad I did it. This incredible course totally changed my life. The Briefing Course from an OT point of view is a hat on how to operate. You are a Senior Scientologist when you finish," says Dennis.

Dennis has worked with the executives at Flag to help put together a checksheet for Field Staff Members. He is also doing lectures on the Volunteer Minister's program. He is working to get others involved in helping others up the Bridge.

Dennis is busy planning future expansion for himself in getting Ron's technology on management out into the publics hands, so they too can start their reach to a better, and happier life. Dennis is working on many projects, and a new course will soon be issued which he put into existence, while on Flag.

Ron's Tape Archieves Project

One of the Most Vital and Important Projects of all Time

At this moment, LRH's entire personal tape library is in the process of being recopied for preservation purposes, and additional personnel are urgently needed.

How important is this project? This is what Ron has to say about it:

"THESE TAPED LECTURES CONTAIN THE ONLY CONSECUTIVE RECORD OF ALL SCIENTOLOGY RESEARCH.

They contain more data than was ever released by HCOB by many times.

These tapes are not simply lectures. They are the ONLY existing record of all the advances which made possible the handling of the human mind. There is NO other such record in existence . . .

Archives MUST copy consecutively in time from the earliest to the latest. The reason for this is that the originals, often on poor tape, are deteriorating. Some shouldn't have lasted more than eight years and still had sound on them yet they have lasted for twenty years and still have sound on them. But this won't continue forever. . .

Unless these tapes are copied onto long-lasting tape, this record will be lost."

– LRH

THIS PROJECT IS A GOLDEN, ONCE-IN-A-LIFETIME OPPORTUNITY FOR YOU!!

You will listen to hundreds of original LRH Master recordings, Ron's personal copies, which cover the entire spectrum of the research and development of Scientology.

There is no course available anywhere on the Planet at any price that contains even a tenth of the data that is to be found in LRH's personal archives. Many of these tapes have never been publicly released in any form and are not currently available anywhere but in the archives. These are the unedited original recordings and you hear the data exactly as Ron spoke it at the time the recordings were first made.

This may well be one of the most timely and opportune contributions you could make to LRH and Scientology. You will be directly assisting him in getting this material preserved and you will be ensuring that this priceless data will be available to all future generations of Scientologists.

You will listen to these lectures on the finest recording equipment available. It was selected only after months of research was done to ensure the quality of the copies made will be the highest quality that is obtainable. Absolutely no technical training or expertise is required to qualify for the Project as you will be thoroughly trained in the simple procedures that are necessary to handle the equipment.

The Completion Target for the Project is six months. A short term contract is required. Transportation, housing, food, training and other benefits are provided. Ten more people are needed immediately. If you can see the value and importance of this Project, you may receive more information by calling the IHQ Recruiter at (213) 465-1958 or (213) 665-9361. NEWS FROM ARC

DAVID SANDERS, head Volunteer Minister of Los Angeles, goes over some data in the Volunteer Ministers Handbook with a young Scientologist.

Volunteer Minister Busy Helping

After much training and looking at helping to change conditions on this planet DAVID SANDERS became a Volunteer Minister! He is a highly trained Scientologist who uses Ron's technology daily to help others live happier and get more out of their projects, and intentions.

David uses the data from the Volunteer Minister's Handbook, and sits down to handle the person who has come seeking assistance to a problem or something they may need information on to help them survive better. This includes information on money, marriage, children, ethics, and many others.

David is the Founding Volunteer Minister for Los Angeles. He is currently working with ASHO on a weekly basis where his services can be made available to anyone seeking a Volunteer Minister.

David works with Dennis Winfrey to insure the Volunteer Minister program is there and expanding, while also seeking to have others start to practice as Volunteer Ministers.

David is a Class I auditor, and is currently being audited on his Grades. He is also highly trained in Ron's administrative technology. He is opening his doors to business consulting which is another way to help open up this field to the everyday use of Ron's technology.

David says "There is practically nothing I can't handle with the data from the Volunteer Ministers Handbook."

David plans to keep expanding his knowledge, and help others up the Bridge with the data he has gotten from L. Ron Hubbard.

Scientology Expanding Into Switzerland!

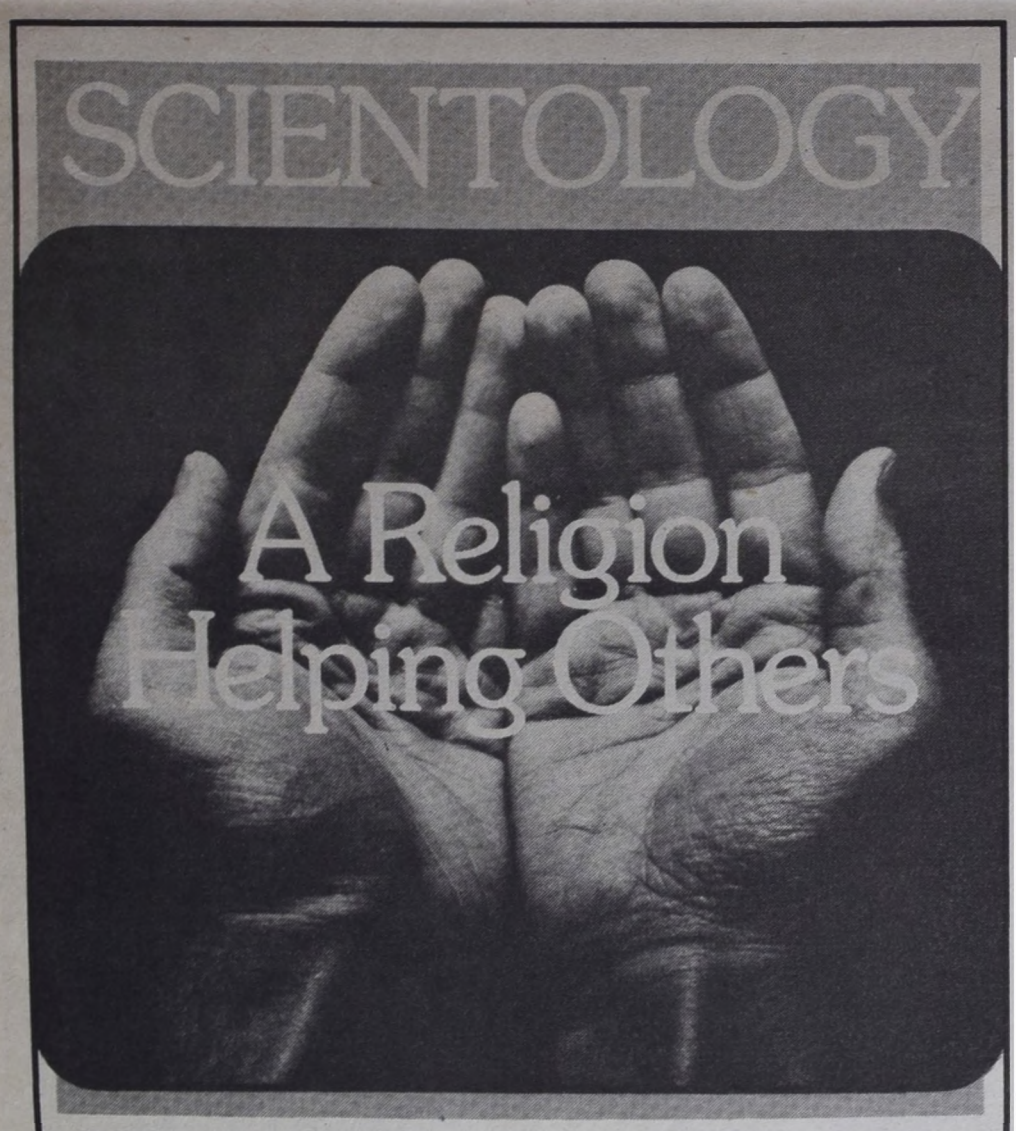

The Church of Scientology Bern is a reality! What used to be Scientology Mission Bern has now become a fully qualified Class IV Organization!

Bern, together with other missions in the area, has for years advanced the expansion of Scientology as a truly upstat organization and will now do this like never before. The location of this first Class IV Org in Switzerland is very convenient and can easily be reached from all over the country.

Switzerland has numerous Scientology Missions, its own Class IV Organization, and AOSH EU within close reach, making the Bridge smooth and very available for all upstat Scientologists there.

The Church of Scientology, in Bern, Switzerland, is in full operation and helping with the world wide expansion of Scientology.

Making the environment a safe place in which to live and work isn't easy – but it can be done. Find out how Scientologists the world over are proving that daily – in their own lives and in the lives of those around them.

SUCCESSES USING RON'S TECHNOLOGY

Wins are always abundant wherever Ron's technology and data is applied. People from all walks of life use Ron's technology daily to expand and bring sanity and order into their professions and lives.

Recently, Dick McGough, Success Officer from Seattle Foundation Org, sent the following successes by 2 Scientologists using Ron's technology in their businesses which you should know about.

"Along with the technology of auditing RON has written some very spectacular administrative tech for organization management. The more one learns about it the better it gets, as with any of RON's works.

It was rather strange first applying the administrative technology to the world of conventional businesses, there's such a dramatic, fundamental difference between the technologies, isolated bits and pieces of dubious tech, versus RON's technology actively created out of the researches of Scientology. As in auditing, this tech standardly applied, works 100% of the time.

The more I apply the technology to businesses as a management consultant, that much more order goes into my life. My clients quickly begin cogniting and the new burst of energies is marvelous to see. Things start to happen rapidly in their areas. They learn to apply Ron's management technology and win in a big way.

There's one added bonus, not insignificant by a long shot. The upstats soon reach for Scientology themselves without any particular dissemination attempts on my part. I simply answer the questions regarding Scientology in a proper manner and get back into management delivery. Works great as a dissem tool. The most startling example of this happened with my first client. He read my checklist of materials and introducing clients to Ron's management technology, asked a few questions and announced within a week and a half that he wanted to go Clear.

The researches of auditing is the basis from which the administrative technology was developed. It makes a difference being an auditor and everyone should have that knowledge. There's equally well a whole new realm for wins in the administrative technology!"

Love, R.L.G.

"On deciding the quickest route to Clear and OT, my husband and myself decided to open a business. We applied Ron's technology on targetting, Public Relations, various scales, ARC, etc. and as a result, our business is starting to take off – way beyond many people's expectations who have been observing us.

People have the misconception that business is complicated and hard, but Ron's technology makes it super easy!"

Love and ARC, N.P.

UND THE WORLD

Dianetics in Mexico Expands!

The Instituto de Dianetica de Guadalajara, one of the most productive and beautiful Dianetic centers in Mexico. Their staff are well trained in L. Ron Hubbard's technology, and their organizations preclears, and auditors reflect that!

The Instituto de Dianetica de Guadalajara has gone into a no-stopping boom! With all this expansion they are now the Instituto de Dianetica *International!*

There value of services delivered has increased 900% this year so far over last years production. That means more preclears, more auditors being processed and trained, and more Dianetists being made in Guadalajara!

This organization also boasts the largest Dianetics sign on the planet. It can be seen for miles around, and draws many to the organizations professional building, with curiosity!

The Instituto de Dianetica International has in translated form L. Ron Hubbard's technical policy from the very basic courses, on up through New Era Dianetics!

The reason for this expansion is all attributed to L. Ron Hubbard. The Organization follows and applys the technology so well laid down by Ron, that they are on a constant expansion, and have no problems disseminating Dianetics to anyone they are helping put on and up the Bridge!

The largest Dianetics sign on the planet is located in Guadalaja, Mexico.

CALLING FOR DIANETICS AND SCIENTOLOGY MATERIALS

Dear Scientologist,

Currently, the LRH Compilations Bureau at the Flag Land Base is engaged in gathering together Dianetics and Scientology materials for the following purposes:

1. To transcribe and issue in chronological volumes every taped or recorded lecture Ron ever made from 1950 to present time. This is the fabulous "Tapes to Books Project" you've heard so much about.
2. To check current editions of Ron's books against first and second editions of these books to ensure there are no typographical errors in current books which occasionally occurs when a book is typeset again while being reprinted.
3. To find and get published Dianetics or Scientology articles or manuscripts written by Ron which were never broadly published or are not currently in print or available from Pubs Orgs.

Although the bulk of the materials that we need for these projects is available to us, we are still searching for some and are asking for your help.

The following categories of materials are what we are looking for:

1. Copies of LRH tapes or records which are not currently available from Pubs Orgs or Scientology bookstores.
2. Transcripts of any of Ron's lectures that fit the above category.
3. First or second editions of Scientology books published before 1970.
4. Manuscripts, handwritten or typed by or for Ron, of any Scientology book, published or unpublished.
5. Articles about Dianetics and Scientology written by Ron which are handwritten, typed or printed in a book or magazine, but which are not currently in print and available from Pubs Orgs.

If you possess or know of anyone who does possess any of the above materials, please notify:

LRH COMPILATIONS LIBRARIAN
Flag Land Base
210 South Fort Harrison Ave.
Clearwater, Florida 33516

Please send us a list of what you have and in the case of tapes or recordings that we need, we will notify the owner to send them to us and will provide the owner with an exact duplicate of the tape which will be copied by skilled technicians on the most sophisticated equipment available. We will also make master copies so the lecture can be made broadly available.

In the case of printed, typed or handwritten materials or first and second copy editions of books, we will photocopy them and return the original to the owner. Where a person is willing to donate these to us, we will provide photocopies.

We're working hard to make all of Ron's materials broadly available to all Scientologists and free of any typographical errors. So please, do notify us if you have or know of anyone who does possess the types of materials we're looking for.

Life's mishaps, upsets and crises can seem awfully big and imposing in the absence of a workable technology that can be used to do something about them – to help.

What do you do for a friend with a serious problem? How do you handle a marriage that's going on the rocks? What if a family member has gotten involved with drugs, and needs to get off them? Or what if the little girl next door just falls down and skins her knee? Maybe not the end of the world, but to her, it HURTS! Could you help?

Well, now anyone can learn to help *effectively* in almost any situation with the valuable data contained in the *Volunteer Minister's Handbook*.

The *Volunteer Minister's Handbook* is a new home-study book by L. Ron Hubbard with step-by-step information on how to effectively handle many different types of problems and difficulties in life.

The book contains a workable, *proven* technology for helping people overcome the problems of daily living, and lead happier lives.

The book itself is big 8½ x 11 inches, over 740 pages – hardcover. There are 48 pages of stunning color photographs by Ron, depicting the history of religion and the role of the Volunteer Minister in society.

This book will open the way to you helping others up the Bridge, so they too, in turn may help others lead happier, more fulfilling lives.

Focus On Success

ASHO Day Overflowing With Wins!

Tom Woodruff, recent Power release goes over information on the Briefing Course with a Saint Hill Consultant.

I have had a chronic arthritic condition for years. In 1974 I was told by Doctors at the Mayo Clinic (probably the best medical facility in the US) that my condition was incurable.

However! Dianetic auditing handled 90% of my condition in 1975! Since then I have had lots of further auditing but the remaining 10% of my condition would not budge.

Now – after only 9 hours of New Era Dianetics auditing 90% of the last 10% is gone! And there is every indication that what little that's left will be gone soon!

Dave Wester

I have just completed the New Era Dianetics Course and it is fantastic. The gains attainable by PC's on this are greater than any on earlier Dianetics. I'm very pleased with the course and of course most grateful to L. Ron Hubbard for again making a tremendous breakthrough for all our benefit.

Vivin Zegel

New Era Dianetics is fantastic! All the difficulties I have had as a preclear and auditor have been resolved with this course. The best part, however was auditing a new person and see them get better.

Polly Sweer, Sr. SHSBC

This certainly has been a most incredible cycle. Anything and everything I didn't feel totally great about has been handled, blowdown that feels great. A couple of weeks ago I realized I had no back offs in taking in any pc. I felt there was nothing too difficult to do and no pc too difficult for me to audit, even the TV Demonstration was a breeze. This is what I wanted when I came for training, and I attained so much more than I'd dreamed. It's a fantastic feeling to be sure enough of the tech to just audit! Thank you ASHO staff for making this possible for me and others!

Ali Hoopingardner

This Class VI training is fantastic. I know with complete certainty I can audit anybody who is auditable on anything I'm trained to do. And learn anything new easily and do it well. I've really learned that auditing no matter how simple or complex it's auditing in the most basic definition of the word. I love it. I want to thank the ASHO staff training department and C/S for the invaluable assistance this training has been for me.

Duncan Angus

This was an amazing action. You really are not an auditor until you interne. On this internship I really polished all my skills as an auditor. I'm totally confident I could take any PC in session and get a result, with standard tech. I had my TR's and metering totally cracked and have no hesitation about them. The two points are the keys to any success in auditing and the ASHO internships with the video really help to get an auditor totally comfortable with them.

I'd like to thank the intern supervisors, the cramming officer, and the Case Supervisors for really helping me through and alot of back up. A special thanks to L. Ron Hubbard for making it all possible.

Jim Patterson

POWER SUCCESSES

Having finished 5A leaves me with a feeling of certainty and stability that has not been matched this lifetime. I feel I can hold my position no matter what intention comes my way. This is a very good feeling. Thanks to all.

Dale Moore

Power was truly wonderful. I find myself able to appreciate things around me like never before. I'm very content and without anxiety about having things or doing things or becoming. I am much more able in a gentle sort of way. Special thanks to Kora who made this auditing very enjoyable.

Kevin Good

This was a great experience. I'm very happy and happy with results I got from this state. I want everybody to do their power. And then you'll know what I mean. Thank you very much for all the theta.

Mineko Moore

VA was fast. I learned a whole lot about things I knew, I knew but just wasn't there for use. I can't really go into detail but I learned how to operate on a 3rd dynamic much faster and alot had to do with Ron. It was great. I recommend it highly.

Les Braverman.

I'm ready – fabulous – no stone was left unturned. I'd really like to validate all my auditors and source! It's a lot of fun and man I can't wait to get on with the show.

Tom Woodruff

Power was great. At first I didn't notice much until I got out of session. That stuff tricks you but it feels good. I know how to get to where I want to go and hold my position on the way.

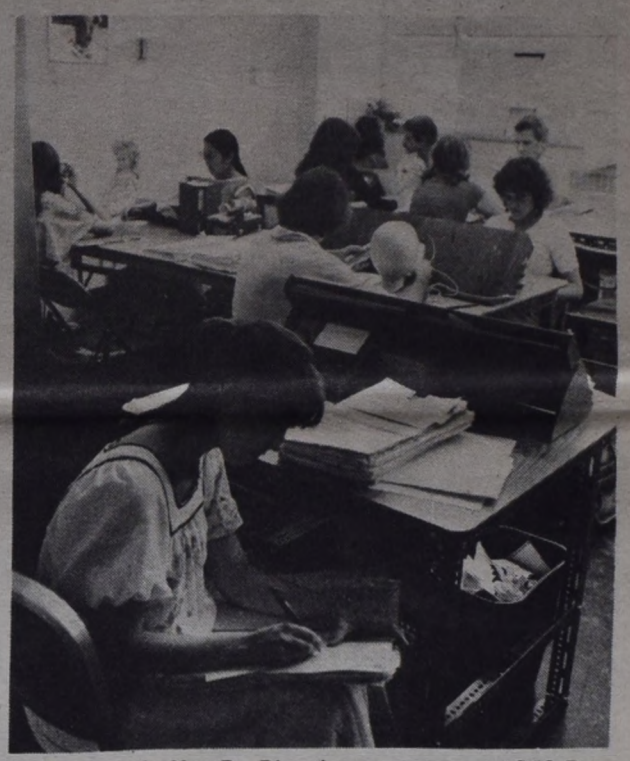

Les Braveman

Since receiving Power I have had a lot of wins. I am able to maintain a viewpoint and really duplicate others. And I can persist smoothly toward my goals, overcoming and handling barriers easily. Whatever occurs I can go thru. I've gone Clear and OT recently and am doing the Briefing Course and Power had alot to do with projecting me into these activities. Power takes the stops off a being . . . he can move. I am moving and expanding and can fit life and others and myself together well. Thanks ASHO.

Kirk Steele

This action of Power Plus is a very fantastic one. I feel great and am feeling better all the time. It seems nothing can go wrong for me now. Thanks to all staff, my auditor, and LRH!

A POEM
(to all who contributed)

I've been away
But here I am
And here to stay
Want to play a game with me?
Want to laugh?
Want to be?
Well, I'm on my way now
To better days
Better ways
Thetans play and love and give
And do,
And that's just what I'm about
to, too!
