Dianetic Use

By L. Ron Hubbard

Why Dianetics fell out of use had nothing to do with its workability. It has worked and well since 1950.

In some areas, mainly the US, it was illegal to heal or cure anything. There was even a law in California giving 25 illnesses that were against the law to cure. The "Better" Business Bureau in the US even issues pamphlets that state that "You can always tell a fake healer because he says he can cure something."

Why a civilization would make it illegal to cure illness can only be explained by some vested interest making more money out of people being sick than getting people well.

There existed a continual threat to anyone who helped their fellows.

The ability of Scientology to bring about spiritual freedom therefore received the concentration of effort by organisations.

Lately public opinion has turned heavily against these suppressive groups and the public discovery that illegal seizure, torture and murder with the hidden activity of political psychiatric groups has lost these people their support.

It was overlooked that spiritual *healing* of the body has not been illegal and that Dianetics used for pastoral counseling is completely legal.

It is a sobering thought that the only effective technology of psychosomatic healing — Dianetics — could be suppressed out of full usage.

One is handling the effect of the spirit on the body. Therefore even Dianetics is spiritual healing and as such is far from illegal.

Man should not be kept ill just to let a few have a monopoly.

In almost all other countries than the US there is no restriction on healing despite monopolistic efforts to make one.

Another reason Dianetics was for some time out of use was that it was believed it had been superseded by Scientology which it never was in fact. Dianetics can be done with no reference whatever to Scientology or its techniques.

People who have given up through illness are also prone to want to leave. Instead of confronting their illness it is easier to try to get away from it. Thus such people are in a hurry to be free and prefer Scientology. But if they have a sick body, it is a present time problem and inhibits attaining the spiritual freedom they seek.

The *correct* procedure is to make them well wherever possible with medical treatment and to handle their psychosomatic illnesses with Dianetics and then, before any further abuses by life can occur, to raise their ability and secure their freedom with Scientology. This is the correct use of Dianetics. It *is* the remedy for psychomatic illness.

The basic use of Dianetics is to make a well body and to augment physical treatment.

Any injurious experience can be erased by Dianetics. It is very easy to use and if one wants people well and happy it should be used at every occasion.

A woman has a child. The engram of delivery should be run out soon after. The result of doing so is very spectacular. There is no "postpartum psychosis" or dislike of the child and no permanent injury to the mother. It is in fact best to audit the mother both before and after the delivery which gives one fast relatively painless childbirth and quick recovery.

Recovery from disease under treatment is speeded by Dianetic auditing.

Where the incident of the break is, with any chain, run out, a broken limb will heal (by X-ray evidence) in two instead of six weeks.

Some patients who are not responding to medical treatment who are then given as little as a touch assist will *then* be found responsive to the medical treatment. An auditor giving the person a Dianetic session will more or less ensure that the medical treatment will now work.

A person who is accident prone when audited usually loses this unwanted characteristic.

Many "insane" recover from their symptoms when given proper medical treatment, rest, no harassment and then good mild Dianetic processing. They become and remain normal people without relapse.

Chronic, which is to say, long-term illnesses cease when audited by Dianetics and then medical treatment, which was earlier ineffective.

Whole classes of "mentally retarded" children have been made more normal by teachers in London County Council schools using relatively unskilled Dianetics.

Tiredness, unwanted sensations, bizarre pains and aches, bad hearing or sight also routinely respond to Dianetic processing.

The sickness and death rate of persons who are part of Dianetic groups is only a small fraction of that of other groups.

Pilots audited with Dianetics, by a test involving a whole squadron, went without a single even minor accident for the following year.

Scientists audited with Dianetics have greatly improved intelligence. Dianetics raises IQ as a side product to usual auditing, at a rate of about one point of IQ per hour of processing.

Withered limbs, skin blotches and rashes and even blindness and deafness have all responded to Dianetics.

Possibly the point which counted most against Dianetics in the early attacks on it was that it did a vast array of things. The truth was, it actually did them. When you have the answer to the human mind as in Dianetics of course anything caused by the mind can be remedied.

It is very much easier to train a Dianetic auditor than a Scientology auditor. It requires only about a month to make a Dianetic auditor who is sufficiently conversant with the subject to get results. This too was used against Dianetics as the psychiatrist of that day claimed he himself needed twelve years of study to do psychiatry. Of course when the public found out that the product of these twelve years of study was killing the "insane" and increasing their number the argument became silly.

The spectacular personal gains which were available in Scientology were so great they tended to obscure the very real use and value of Dianetics.

Further, a Scientology executive trained and processed beyond the need of body help tended to forget that much of the public out there first had to be helped out of their physical misery before they could attempt anything like personal gain.

You use Dianetics much the way you would use any remedy.

When a fellow is burned you audit out the burn.

When a woman loses a loved one you audit out the loss.

When a young man can't finish his schooling you audit out his unhappy school experiences.

Dianetics is for USE. There is not a lot of admin about it. It isn't something you use after bowing down three times to Chicago. You just USE it.

A Dianetic auditor who sees someone sick and who doesn't get him treatment and then audit him is just not humane.

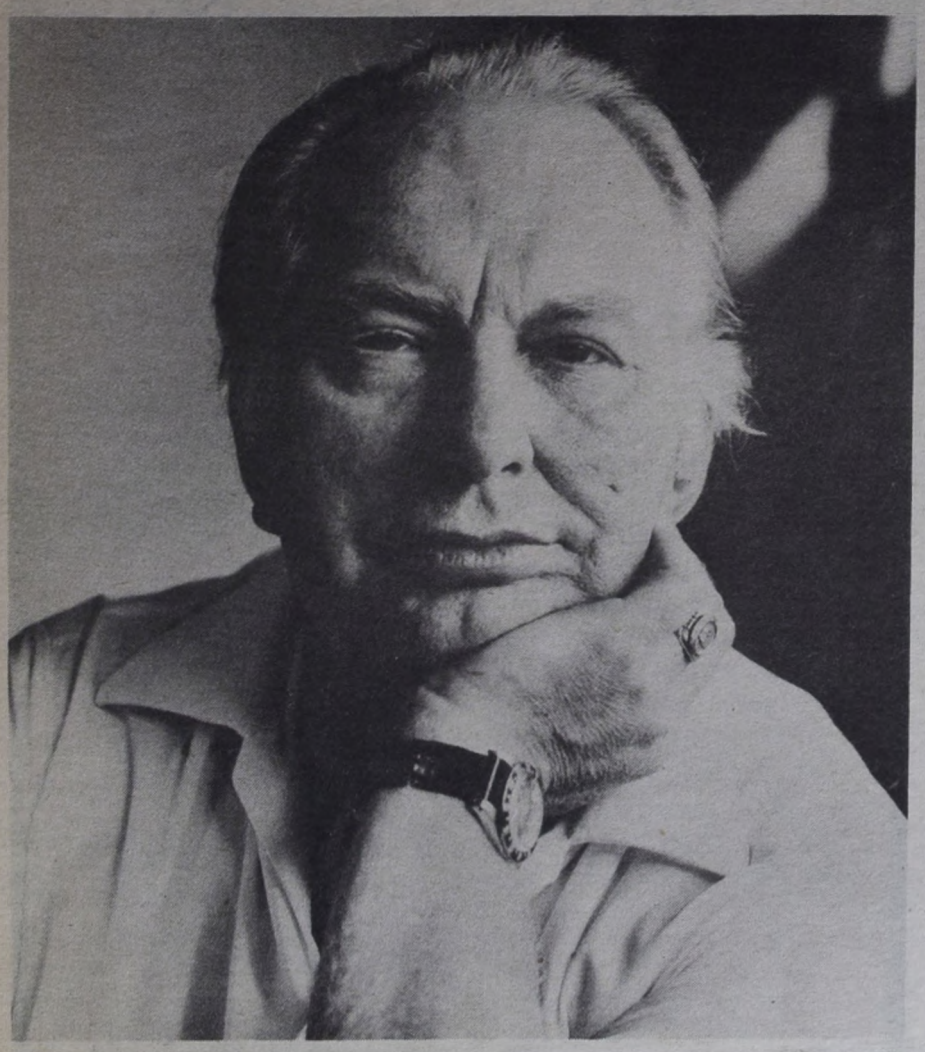

Woman going to have a baby — get out the meter and audit her into shape for it. When she's had it, run out the delivery.

Fellow burns his hand, break out the meter.

Dianetics is the answer to human suffering. USE it.

I am not trying to make anyone wrong by reintroducing the real use of Dianetics. I myself had not realized how separate and vital it was as a technology until recently. I was engaged for many years researching and

Dianetic Clear Released

The state of Clear can be achieved on Dianetics.

I have now determined there is no such thing as Keyed-Out Clear. There is only a Dianetic Clear and he is a Clear.

The state of Dianetic Clear means the pc has erased his Dianetic case or mental image pictures; he has attained the ability to be at cause over mental matter, energy, space and time on the first dynamic.

completing Scientology. I had not noticed and had not said that Dianetics must be preserved and used in all cases of psychosomatic illness or in physical suffering.

Yet, during all this time when *I* had to handle illness, I did not use Scientology. I used good old Dianetics.

Now I have refined it and made a better statement of it and made it easier to use and I trust it will be used for what it was intended and that Scientology grades will be relieved of the burden of attempting to heal physical illness, a use for which it was never designed.

Scientology is a vital practice in itself. It places a person *above* any further illness or suffering. But he has to be made well first.

People will ask, "Deafness? Now what special process is needed in curing deafness . . . ?"

This is one of the modern refinements of Dianetics. One runs whatever is assessed *on* the preclear, *with preclear interest.* He doesn't decide to cure somebody of deafness. He handles the illness *or disability the pc offers up* that reads *on the meter and has pc interest.* Maybe it will be deafness.

You have one single *body of technology* covering all cases and that is *now New Era Dianetics* and the steps of HCOB *22 June 1978, New Era Dianetics Series 2, NEW ERA DIANETICS FULL PRECLEAR PROGRAM OUTLINE.* The whole of the person's complaints . . . should eventually vanish *if you just keep on going with the Full Preclear Program Outline applying New Era Dianetics standardly and fully completing each part of the program.*

Having gotten the preclear well by medical care and Dianetic auditing, *then* start out with Scientology. If he gets sick again before many grades, revert to Dianetics, handle it and then when he is well, resume Scientology where you left off.

Never run a Scientology grade to make a pc well or cure something. It's a misapplication.

By *using* Dianetics as readily as you use shoes you can make and keep people well.

By then correctly using Scientology we can make the person a far better being.

We have had Standard Dianetics for some time. We now have even further improved Dianetic technology with the New Era Dianetics Series.

We have developed Scientology STANDARD TECH.

Both are now valid as themselves.
They do not cross.
Dianetics for the body.
Scientology for the spirit.
USE BOTH.

What Some Saint Hill Special Briefing Course Students Are Saying!

JOHN BISHOP, doing some practical work in the Saint Hill Special Briefing Course room.

Briefing Course Student Dianetic Clear

Here's what he has to say:

The question was posed "wins?" The flood of answers was almost overwhelming. How to sum up in words a change in my life that allows me to have a viewpoint (my own) that puts life and beingness in the perspective of a game. A rather simple one at that. On the Briefing Course, Ron unravels the rules of the game, how we got into this mess, and what the resolution is.

As a student my ability to duplicate with understanding has increased 10 fold. My certainty is a palpable knowingness.

As an auditor I finally *really* know what is going on with my TR's and metering have climbed to a level that I honestly never really believed possible. I feel so natural on TR's that I no longer even think about them. My Meter seems to be an extention of my body. The best part though is that it continues to get *better*, and that's what the Briefing Course is all about.

As a preclear my wins are phenomenal. I have attested to Dianetic Clear, Keyed Out Static, and Keyed Out OT. As a being I feel so stable and "turned on" that each day now becomes an adventurous game to experience.

But, best of all, is to be here at ASHO during one of the most exciting times in Scientology's track. "The Year of Technical Breakthroughs" Ron is on the lines directly, with mimeos sweating. As you do the Briefing Course you discover that it's all very simple and precise. Ron always looked for the application that worked for everyone — not just for him or a few. Now the HCOB's come flying in and they cut through the complexities and put things back to basics. As each new HCOB is read to the students faces light up with delight and again we marvel.

No matter what you are doing now make a postulate to get on the Briefing Course as fast as possible. You are only a decision away. There are answers to questions you haven't even thought of yet. Your confusions in life and livingness will disappear.

It's the only way to be able to really thank Ron for all he is doing for us — to get the data to do the job of Clearing the Planet. With the knowledge you can take responsibility to do the job with him.

It's an offer you cannot refuse.

Love,

Husband and Wife Team Winning

Since coming on the Briefing Course my viewpoint of the discovery and development of Scientology has really broadened. The thing I've loved the most has been finding out more about Ron, the 'person'. He has quite a personality, but I'd never really gotten a chance to appreciate it on other courses like on the Briefing Course. I have lots more affinity, reality and communication with Ron and Scientology as a result of doing the Briefing Course.

This is the first time this lifetime since college that I have confronted this much data, and I must say in comparison I'm a lot more here and I've gotten a lot more out of the Briefing Course. My persistence on a given course is definitely in. My "price of freedom" is very much in my ability to be constantly alert and my willingness to fight back is really stable.

My interest level has risen tremendously. To put it in a nutshell the Briefing Course is very informative and very validative. A major contributing factor to my happiness. Thank you Ron and everyone at ASHO!

Dee Pearson, SHSBC Student

It seems to me, at least as far as my experience with others that one of the main barriers run into by a thetan on this planet at this time is uncertainty. Uncertainty of himself, uncertainty of his abilities, uncertainty of where he's going, etc.

That opinion being as it may, the reason I mention it is relevant to my comments on the Briefing Course. I've been on the Briefing Course for almost 4 months now, and have listened to about 100 of Ron's lectures about every facet of life and livingness, all oriented toward handling oneself and others — it is truly life changing.

Certainty is the keynote here. Imagine learning and really understanding for yourself. The entire development of the technology for handling life — and that includes your life. That is what the Briefing Course is about.

For me it seemed unreal to find the time to do this course. From where I sit now at about the halfway mark it seems unreal that I ever doubted the importance of spending this quantity of time for the resulting increase in quality — since life is after all not a quantity but a quality.

Dee and I both felt the changes and gains across the dynamics, life is just easier. Auditng is becoming like taking a walk — easy and enjoyable. As my certainty is handling others expands.

This is the first time this lifetime since college that I have confronted this much data, and I must say in comparison I'm a lot more here and I've gotten a lot more out of the Briefing Course. My persistence on a given course is definitely in. My "price of freedom" is very much in my ability to be constantly alert and my willingness to fight back is really stable.

My interest level has risen tremendously. To put it in a nutshell the Briefing Course is very informative and very validative. A major contributing factor to my happiness. Thank you Ron and everyone at ASHO!

Dee Pearson, SHSBC Student

It seems to me, at least as far as my experience with others that one of the main barriers run into by a thetan on this planet at this time is uncertainty. Uncertainty of himself, uncertainty of his abilities, uncertainty of where he's going, etc.

That opinion being as it may, the reason I mention it is relevant to my comments on the Briefing Course. I've been on the Briefing Course for almost 4 months now, and have listened to about 100 of Ron's lectures about every facet of life and livingness, all oriented toward handling oneself and others — it is truly life changing.

Certainty is the keynote here. Imagine learning and really understanding for yourself. The entire development of the technology for handling life — and that includes your life. That is what the Briefing Course is about.

For me it seemed unreal to find the time to do this course. From where I sit now at about the halfway mark it seems unreal that I ever doubted the importance of spending this quantity of time for the resulting increase in quality — since life is after all not a quantity but a quality.

Dee and I both felt the changes and gains across the dynamics, life is just easier. Auditng is becoming like taking a walk — easy and enjoyable. As my certainty is handling others expands.

Theatre Producing Auditors !

Class VI JOE HOCHMAN, giving a briefing to Los Angeles Organization's students. Great interest is always generated by ASHO trained Class VI's.

The Hubbard Pacific Renaissance Theatre is busily producing in the aesthetic band along with producing some of the best auditors in Los Angeles.

Some of the HPRT include Joan Prather, Michael Roberts and Amanda Ambrose. The Founder of this incredible group is Prince Manu Tapou, OT VII, Class IV, Class VI Garth Thompson is the Executive Director, with Bill Long as the Deputy Exec. Director.

Using L. Ron Hubbard's technology the theatre has grown in size, and continues to expand. Each actor and actress is trained in Ron's auditing technology. Over the last year some 20 auditors were made and are training on New Era Dianetics at Celebrity Centre Los Angeles.

Says Manu, "The beauty of auditing technology when used in acting gives the actor a better understanding of emotions and reactions."

The theatre will have an International touring company that will go into countries that do not allow Ron's written words, and will act as a dissemination point to the people of the country through the theatre.

The technology that is being used to train an actor is broken down very simply, so that a professional actor can be trained in 6 months to a years time with Ron's technology, instead of the usual 5 - 20 years of hard work to train a possible actor.

The Hubbard Pacific Renaissance Theatre's next production will be in Los Angeles. The production will be "One Flew Over the Cockoo's Nest". It will feature Michael Roberts and Manu Tapou.

The Hubbard Pacific Renaissance Theatre.

ASHO Trained Class VI Named Auditor of the Year

Joe Hochman, Class VI, OT VII End Phenomenon, was named the Auditor of the Year on Auditors Day here in Los Angeles.

Joe is an ASHO Day trained auditor. A veteran Scientologist Joe first heard about Scientology and Dianetics in New York in 1968. Jim Zak (now an ASHO Trained Class VI) was who introduced Joe to his possibilities. Joe then went to the New York Church of Scientology and started his auditing and training.

"After the Briefing Course there wasn't any area of life that I didn't feel confident in. It was all covered in the Briefing Course, areas of life, business, family, even animals.

My auditing improved tremendously. I had been auditing as a Class IV, for 6 years prior to the Briefing Course, and I was a good auditor, but I didn't know *all* the reasons why. After the Briefing Course I felt very wise and smart.", said Joe.

Joe has his own field auditing group in Eagle Rock, California. He has many auditors working with him to handle the flow of preclears that come to him for their auditing. Last year he sent 10 people to ASHO for Power Processing, and in the last few weeks three more have moved up to the Bridge in Los Angeles.

Joe has kept up with his training and pushing his auditors to keep current in their skills as auditors. Joe is currently on the Class VIII course, and is auditing on his OT Levels, at the Advanced Organization Los Angeles.

Joe plans to continue his successful practice, and keep flowing more preclears to the upper levels of the Bridge. He will also be doing his Class IX Course at ASHO as soon as he has completed Class VIII.

French Scientologist Opens with the Detroit Symphony !

Cyprien Katsaris opens in Detroit on November 25, 26 and 27 with the famous Detroit Symphony. Cypren is a Flag preclear and has done training there also. He is being sponsored by Barbara Hodgdon, (OT VII, Class VI). Barbara is an ASHO trained Class VI, and is the key spokesperson for Cypren in the U.S.

Cypren has worked hard to get to where he is at. He is a fine artist, and his training and processing has greatly enhanced his abilities. In Detroit he will be playing with Mistro Dorati and his wife, they will play Mozart's Thriple Concerto, which will be sure to please all attending. This is quite a step forward in the classic music field for Scientologists.

Cypren in 1972 won the Alexde Brex Prize during the Queen Elizabeth of Belgium Competition.

Cypren is sure to go far with his abilities and his standard application of L. Ron Hubbard's technology to his career.

CYPRIEN KATSARIS, being congratulated by the King and Queen of Belgium.

Donation Notice

Donations figures listed are as of November 1978. Note that all donations for *training* are increased at the rate of 5% monthly at midnight on the last day of each month.

Focus On Success

ASHO Day Carrys on the Tradition of Highly Trained Auditors and Winning Preclears!

SHERRY LARSON, goes over the many preclear folders at ASHO Day. Her smile is the indicator of winning preclears.

I have just completed the HSST Internship and I feel soooo . . . . . good! I realized what it means to be standard and to hold a standard and to get others to do the same. It's really quite a simple but amazing feat. Just makes everything so clean and easy. Many thanks to Senior C/S Ray Mithoff for supervising my folders and for Dominie and George for creating an espirit de corps. To Ron for the technology.

Sherry Larson

After getting my Power at ASHO I went to the Advanced Organization and went through OT III and then to Flag and I'm currently doing my Organization Executive Course at Flag, I've completed L11, L12 and I've started my own Mission in Houston, Texas. I am helping a friend start an organization here. My Power auditing got me started on all of this.

The main difference after Power Processing is that my postulates have begun to stick. Previously I hadn't bothered with postulating because I couldn't make it work — it would always blow up in my face. What I did instead was to as-is the failure by expecting failure and not expecting success. This worked very well and I was quite good at making things go right. Then I did Power and carried on with the old system of expecting failure to get success but to my surprise I got failure. Then I cognited that the postulate was sticking — I had too much Power to carry on like that anymore. I had to change my way of doing things but now it's more straight foreward and I'm adding to that Power as I continue with higher processing — but Power was where my great potential power first emerged. I'm now learning to walk forwards instead of walking backwards all the time.

Leonard Bolton

The NED Internship is the nicest course I've done at ASHO. I feel some great finishing touches have been put on my 'ole technology and I feel 100% certain of my New Era Dianetics application. I want to especially thank whoever got the video machine, it was the most instructive I now feel 100% certain (also) of my TR's and metering. Its great! My preclears are flying and that makes me very happy.

Diane Willett

Being able to get my power after being a Class V was very special to me and I wouldn't have it any other way. The gains I feel were 100% more. I was able to understand what was happening and I could therefore acknowledge myself for having done what I'd done by means of the process. I knew what I was suppose to do! I could see that I had done it. VA was the most fun auditing I've ever had. The auditor and the C/S were great. I also really appreciated having the lines of an organization, and the terminals, which I'm not use to. Among my wins I had one great win concerning my body and matter, energy, space and time. I feel much more at cause over them, and pounds are coming off me, which is a very interesting game. I feel confident I totally handled what I was supposed to on this level and I'm certain that I don't have one enemy in the world. My havingness is way up, I sleep less, and I can do more. I finally feel like the door has opened up for me and I can move on. Thanks to my auditor, C/S and to Ron! and thanks to me for getting here.

Sandy Schwartz

Yes, I do like to tell you of my wins so others would rush on up the Bridge. I am active as I have never been, I'm happy and stable, my ethics are so easy to keep because no effort is need in "keeping" it's part of me. I am giving to others a lot of love and sanity so that my wins are manifested on all dynamics. Power put me back in the theta universe and that is where we should all come back to. Matter, energy, space and time is so easy to handle. Basically I regained the ability to know life as a game and play it with joy, and that's quite a bit for a start.

Sima Haus

I completed Power Plus last July and since then one of my biggest wins is my ability to complete cycles fast! I returned to New York after completing Power and within 2½ weeks I'd pulled in a record producer, completed a 20 minute video presentation, complete with 5 songs, fully arranged, recorded, choreographed, costumed, filmed edited and copies were in the hands of record execs by 3 weeks time. No bad considering that same type of project had taken me six months just prior to power. Power is powerful!

Pauline Berk, now called Raven Kane
(a name befitting a Power Release)

I have audited thousands of hours of Dianetic auditing on many satisfied preclears but nothing nothing is as phenomenal as the results that I am obtaining on my preclears with New Era Dianetics! the Bridge is being travelled faster than ever before and we are truly making happy human beings.

Carolann McDonald

I have had a lot of very nice wins on Power. I feel more stable, more there, and have a lot more energy and desire to do. I feel more aesthetic, and my outlook is more simple. The handling I have received here has been of a very high caliber.

Wendy Dodds

One thing I notice about being on the Briefing Course is that it makes me a much more purposeful being. Channeling all my energies toward the achievement of a goal. So I feel more powerful now — less dispersed — and can do things hitherto unheard of for me — such as driving from North Carolina to Los Angeles all by myself!
