DIANETICS: It's Background

by L. Ron Hubbard

The world before Dianetics had never known a precision mental science.

Man has used mental knowledge in the past mainly for control, politics and propaganda.

The word "psychology" in the popular usage is synonymous with "getting around" somebody.

In the thousands of years before 1950 there were many philosophers and much knowledge was gathered in the field of logic, mathematics, electronics and the material sciences.

However, due to ideologies and political conflicts, little of this prior knowledge was ever applied to the field of the human mind.

The scientific idea of regarding as a truth only that which could be demonstrated with a result was never really applied to the mind.

"Researchers" in this field were not fully trained in mathematics, the scientific method or logic. They were interested mainly in their own private ideas and in political Targets.

As an example, the only "schools" of psychology taught or followed in the West were Russian and East German.

The primary school was that of Ivan Petrovitch Pavlov (1849–1936) a veterinarian. Every school child and university student was required to study Pavlov in one disguise or another. The burden of Pavlov's work is that man is an animal and only works through "conditioning". The Western nations overlooked the fact that this work had already destroyed several countries including Czarist Russia, that Stalin had made Pavlov write up his work in the Kremlin in 1928 in order to permit the control of men. Using the mental studies of an enemy is a very dangerous thing to do.

The West at that time was run by only the "very best people" and possibly it pleased them greatly to think that the masses they controlled were only animals after all. That this also made them animals did not occur to them.

Billions of dollars were appropriated by parliaments and congress to subsidize men to "better control" their animals.

These men had no idea of healing anyone or helping anyone. Riots and civil disorder were the only product they achieved.

Dianetics was released straight into the teeth of these heavily subsidized Barons of the Mind with their "it takes 12 years to make a psychiatrist" and "authority states" and "any effort to interrupt this monopoly must be stamped out at once."

Psychology and psychiatry were *state* (government) subjects, pushed by the "very best people".

They could not make their way on their own because they were contrary to the public morals and customs. The public actually wanted *nothing* to do with them.

In mental institutions torture, permanent damage and death were the order of the day, on the basis that it did not matter if one killed people as they were just animals anyway.

So the public was on the side of Dianetics (and later Scientology) and the governments were on the side of the "very best people".

Press, controlled by governments and intelligence services and the "very best people", lied endlessly about Dianetics (and Scientology).

Dianetics, a new valid mental science, was pitted against Russian and Eastern European teachings.

Dianetics is not only the first mental science developed in the West, it is the first mental science on the planet that uniformly produces beneficial results.

Man is being subjected to fantastic and violent efforts to lure or crush him into docility. This is the obvious end product of Russian and Eastern European technologies now heavily financed and supported, unwittingly, by Western governments.

Man's response to this is riots and civil disorder in the universities, unions and streets. Man does not accurately trace the source of his oppression. He is violently worried.

The government response has been more millions to psychologists and psychiatrists to develop new means of control and oppression. What has not worked in the past is not likely to work in the present or the future.

Czarist Russia, the entire Balkans, Poland, Germany and many more Eastern European countries have already perished trying to use the work of Pavlov, Wundt and others. The entire West, having "bought" the same governing ideas, is now in turmoil and is perishing in its turn.

Dianetics refuses to be a revolutionary activity. It does not have to be. All it has as a mission is to get itself *applied*.

The basic building block of a society is the individual. From individuals groups are built. And this is the society. No society is better than its basic building blocks.

Men are *not* animals.

Well men are sane men.

Dianetics, if applied to individuals in the society, brings hope, well and sane beings.

These well and sane beings, sent on to Scientology, then become brilliant and very able beings.

We are evolving Man to a higher state.

In this state he can better handle his problems.

We are not trying to overthrow anyone. We are not revolting against anyone. In truth we can even made the fancied "very best people" into actual very best people.

We are not trying to overthrow anyone. In truth we can even make the fancied "very best people" into actual very best people.

Dianetics was first conceived in 1930 and the developments of 39 years have gone into producing Standard Dianetics.

Dianetics: The Original Thesis was published in 1949 in manuscript form. It was copied in various ways, hand to hand across the world. *Dianetics: The Evolution of a Science* was published in late 1949. *Dianetics: The Modern Science of Mental Health* was published May 9, 1950 and has since sold millions of copies.

In the early '50s new discoveries concerning the spirit brought us into Scientology.

But Dianetics was never lost sight of and every little while I would push it further ahead toward a fast, easy, 100% workability.

The present release of Standard Dianetics is a near final product.

If done exactly, it produces good, permanent results in only a few hours of auditing.

One can train a Dianetic auditor in Standard Dianetics in from 10 days to a month at the most, with an average of about 2 weeks.

These are very, very worthwhile advances and *Standard* Dianetics is almost as great a breakthrough in 1969 as the Original Thesis in 1949. Hundreds of thousands of hours of search and research have gone into it:

Dianetics has progressed from the pre-Dianetic period of *no* science of the mind, to the existence of a real *science* of the mind, to a fast accurate science simpler than any other scientific subject and of more value to Man.

All this advance has been very hardly won, without government billions, in the teeth of avalanches of lies and opposition.

The subject owes no allegiance to anyone but itself. It has no commitments to anyone. It has no politics. It belongs to those who use it.

It is the only game in the universe where everyone wins.

Let's keep it that way.

'The Christmas dream of a world at peace is now technically possible. A world without insanity, war or crime is what we are working toward and we are alone in achieving uniform success in that direction.

'It is the auditor who makes the Christmas dream reality. He does it every time he audits.

'AD28 has truly been a year of remarkable breakthroughs, and the resulting excitement has brought a surge of people flooding onto and across the Bridge. It is as well then, that I streamlined the training courses and that we are now making better auditors faster than ever before. Mankind needs every auditor we can train, and needs them now.

'The Bridge is very strong, very broad; and easy road to travel. It is my present to you.

'Putting Scientology technology to its best use as an auditor could be your present to Man. It would be the best present he ever had.

'Love

– Ron.'

PROGRAMMING THE DIANETIC CLEAR FOR HIS NEXT STEP

(Ref: HCOB 24 Sept 78, Iss III,
Dianetic Clear)

The following are the guidelines for programming a Dianetic Clear after he has attested and the state has been declared:

1. If a Dianetic Clear has had no previous auditing on Grades 0-IV, you can run him on Quad Grades 0-IV. You omit the R3RA* step of Service Facs.*

2. If a Dianetic Clear was incomplete on Grades 0-IV prior to the Dianetic Clear attest (i.e. mid-Grades), you would complete the unrun Grades (Quad or Expanded) through to Grade IV (omitting the R3RA steps on Service Facs).

   If a pc goes Clear on a Grade then you can give him the other Grades, but you'd end off that Grade and not continue it.

3. If a Dianetic Clear has previously completed Grades 0-IV, he can go directly onto the Solo Audit Course and OT I.

4. If a Dianetic Clear is an old timer who had had a lot of pre-Grades Scientology processes run (before formal Grades existed), you would not run Grades 0-IV after Dianetic Clear attest. He can be routed onto the Solo Audit Course and OT I.

The Dianetic Clear is not run on Power, R6EW* or the Clearing Course.

'78 The Year of Technical Breakthroughs

1978 has truly been an exciting and amazing year for Dianetics and Scientology. L. Ron Hubbard has released many new technical breakthroughs, which in turn have made the Bridge a smoother and surer road for anyone to travel.

At ASHO Day many auditors and preclears traveled a safe and well laid route to being fully trained, and audited individuals.

The following are some of ASHO Day's Students and Preclears Statistics, for 1978

Power Releases: 250
Dianetic Clears: 133
New Era Dianetics Auditors: 138
Class V's: 25
Class VI's: 27
Class VIII's: 5

Ron's many breakthroughs broke open the Bridge for many individuals who's progress up the Bridge had been stopped or slowed, in just a short period of time there were over 2500 Clears made and many new Class IV's moving up the training route to the Saint Hill Special Briefing Course at ASHO Day.

Here is a summary of the Year's Technical Breakthroughs:

New Era Dianetics

"It is my pleasure to offer you a new and much more workable version of Dianetics. It is called NEW ERA DIANETICS.

Dianetics in its early days produced quite a few miracles and many, many well and happy pcs.

As time went on it underwent many refinements and changes and also, unfortunately suffered the loss of a lot of its Tech.

So recently I overhauled it extensively.

The hours of auditing that can be done in NEW ERA DIANETICS are greatly extended with higher results for every hour!

NEW ERA DIANETICS is more precise.

It does not supplant Scientology, no way.

It makes the trained Dianetic auditor more valuable.

It achieves, in skilled hands, anything older Dianetics ever sought to achieve."

– L. Ron Hubbard

Dianetic Clear

"The state of Clear can be achieved on Dianetics.

I have now determined there is no such thing as Keyed-Out Clear. There is only a Dianetic Clear and he is a Clear.

The state of Dianetic Clear means the pc has erased his Dianetic case or mental image pictures; he has attained the ability to be at cause over mental matter, energy, space and time on the first dynamic."

L. Ron Hubbard

New Era Dianetics for OTs

"I have now developed an entirely new Rundown called "N.E.D. for OTs". This deals with living lightening, the very stuff of life itself. Run exactly and correctly by the book it produces remarkable results in the OT band, and has made it possible for me to release OT VIII. "N.E.D. for OTs" is a highly confidential Rundown done by a Class IV, OT III auditor, called an Advanced Courses Specialist (ACS), who is specially trained on its rundown and techniques. While much of it is confidential I can tell you that the first step of "N.E.D. for OTs" is designed to raise perceptions, especially theta-perception, and as for the rest of the Rundown . . . . . surprise, surprise, surprise!"

– L. Ron Hubbard

OT VIII

"Although OT VIII has been researched earlier, I knew there was something that had to be handled before I could release OT VIII. "NED for OTs" does just that, and now I am very pleased to announce the release of OT VIII, which will be available at AOs and Flag to OTs who have completed "NED for OTs". It is a Solo level which will fortify an OT already in excellent shape from "NED for OTs".

– L. Ron Hubbard

End of Endless Drug Rundowns

"These breakthroughs at the OT level suddenly brought to view the reason why Drug Rundowns become endless when they do! And gave the way to resolve this. Now the Drug Rundown will be a comparatively short action and many many Scientologists will be able to make much faster progress up the Bridge. If you have had an "Endless Drug Rundown" you can now look forward to getting it completed with ease and get on to your Grades and OT levels. In this druggie culture in which we live, it is a very timely discovery because now we can undo the mind-crippling effects of drugs (Psychiatrists' gift to Mankind) with great ease, and with complete rehabilitation of the individual in a few intensives of auditing."

– L. Ron Hubbard

Grade IV updated with N.E.D.

"Grade IV Service Facsimile handling has been updated with New Era Dianetics.

We are into a new echelon of Service Facsimile running with the issuance of the new Level IV Checksheet.

At Saint Hill in the mid-60s many, many Service Facs were found on each pc and the earliest Service Facsimile running included the use of Dianetics.

In recent past years some of this tech has become submerged. I have again researched this level of processing, with the results that Service Facsimile handling has now been restored to its full technology.

The new Level IV Checksheet includes new HCO Bulletins which give the full anatomy and handling of Service Facs. For this level the student will need to have done the New Era Dianetics Course."

– L. Ron Hubbard

New shorter Level 0-IV checksheets

"New, shorter Level 0-IV checksheets have just been issued. Each checksheet has been stripped down to the key materials the student needs in order to audit that Level.

Starrates and twin checkouts are not given on these courses.

Good stiff coaching is a must.

The Student Hat is a requisite for Level 0 and the new shorter checksheets then demand that study tech is applied and applied fully for a fast but thorough route through the training on 0-IV.

The emphasis is on the basics, with tough drilling of the student on the skills of the level he is studying – and then getting him the chair!

In the old days an auditor, given the basics, learned to audit by AUDITING. It still holds true today.

The direction we're going in is – we're going to MAKE AUDITORS."

– L. Ron Hubbard

Streamlined Class IV Internship

"The Class IV Internship is now geared, correctly, to pure doingness.

Needless repetition of theory items which have already been covered by the student have been deleted.

The checksheet is very short indeed.

The Intern gets into the chair almost immediately and onto the business of polishing his skills to become a flubless auditor."

– L. Ron Hubbard

The End of Endless Interiorization Repair Rundown

"This Rundown, skillfully handled, runs easily on pcs but with very far-reaching effects. It can quite miraculously smooth out and handle Int problems on both new pcs and those on whom Int repair has been extensive. And it is THE Int Rundown repair that can be done on Dianetic Clears. Clears or OTs."

– L. Ron Hubbard

The "Bright Think" Rundown

"This Rundown handles any inability to think and talk brightly.

Powerfully simple, it releases the individual from those stuck points on the track which cause him to figure-figure and strain his "think" through a situation that exists only in the past.

The process brings the person effortlessly into present time, able now to think and communicate brightly."

– L. Ron Hubbard

Class IV Auditor and C/S training incorporated

"No longer are months and months of training on several courses different courses required in order for an auditor to be able to audit and C/S for any and all actions up to Grade IV.

It is now done on the Class IV Graduate Course in a matter of several weeks of good stiff study and drilling.

The course not only teaches him advanced auditing skills and data, it trains him to C/S.

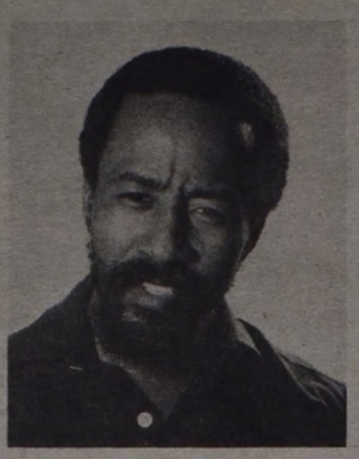

Any auditor now on the Senior Class IV Course may transfer at once to the new Class IV Grad Checksheet and is given full credit for any materials he has already covered. The same applies to the Internship.

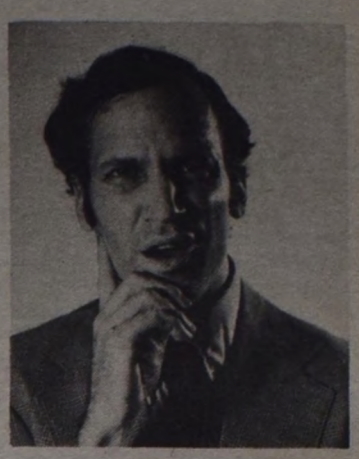

On the Class IV Graduate Internship (again, an Internship geared to pure doingness), the student audits and C/Ses and polishes his skills on the above actions."

NEWS FROM ARC

Scientology On The Air!

What happens when a Scientologist named John Rafanello decides to take over the Hawaiian Air Waves, and talks about Past Lives?

Plenty! Recently John Rafanello spent 2½ hours on the JEFF CONRAD TALK SHOW, which airs all over the islands, and in less then 10 minutes every phone line into the station was jammed with callers all wanting to ask or relate their experiences with past lives! It didn't just stop after 2½ hours either, for days following the show telephone calls still poured into the station.

At one point in the program Jeff Conrad asked an in-calling guest if he believed he had in fact lived before. When the guest answered that he didn't know, Jeff turned to John Rafanello and asked if he could by a series of questions determine if this caller had lived before. John replied that if the person was willing it could be done.

Thus started one of the most awakening parts of the show. Using some of Ron's basic know-how, John guided the caller into an area of free track where, much to his delight, he discovered his former existence as a Confederate soldier in Tennessee. Spirited on by this unexpected experience Jeff Conrad called in the Manager of the station, who also under John's safe and careful guidance, found himself walking outside the Roman Colliseum in a white toga.

During the program, many of the basics of Scientology were covered from the parts of Man that differentiated the spiritual nature of man from the brain and braun of the body that pinned him to the animal kingdom, and the fact that drugs and ridicule served to lessen rather than expand man's ability to discover his true nature.

The Assistant Guardian for Information at the Hawaii Org later called the program the most exciting event he had seen in all his years in Scientology and John received many commendations.

Following this successful Talk Show, the Church of Mission Had a *Have You Lived Before This Life?* Event, which turned out to be one of the best attended and most well received event in the history of Scientology on the islands. Over 250 of Hawaii's residents attended and already two more events are scheduled to accommodate over a thousand attendees.

"It was a pure delight to find the amazing amount of support and goodwill I received from the public and Scientologists. That such a subject can now be so freely demonstrated and communicated about surely shows that the work of Ron and the work of thousands of Scientologists throughout the world is really beginning to pay off. Freedom feels like it's just around the corner." exclaimed John.

Some Founding Scientologists attending the reunion were, Harold Cohn, Pete Hermann, Jack Nonmacher, Al Haubold, and Nel Haubold.

Founding Scientologist Reunion — Houston, Texas

Houston, the hometown of Mary Sue and where one of the first groups and franchises were opened in 1950 was the place chosen for the Texas Founding Scientologists Reunion on Saturday, 14th October.

Founding Scientologists came from Austin, Dallas, San Antonio, Waco and New Orleans to the beautiful home of Clare Rowland, an OT Field Staff Member, who acted as hostess and supplied delicious food during the all day event and a buffet dinner eaten beside the pool.

The programme included a special Message from Ron, news of his great breakthrough on New Era Dianetics and films were shown of Ron talking about Clear and St. Hill.

Peter Gillham, Founding Scientologist I/C for the U.S.A. presented Ron's technology on goals and ethics in a very practical way so that those attending could put more technology into their lives and get a better understanding of the application of Scientology Ethics.

Bobby Wilson, the Deputy Executive Director of Houston Mission brought the audience up to date with the acitvities going on in Houston today. Harold Cohn and Betty Halliday spoke on their earlier experiences in Houston.

Tom Maxwell from New Orleans gave a vivid account of his wins from Flag Auditing and David Beckham told how he had become a very happy student at Flag Land Base. Pete Hermann was acknowledged for being Mest Clear.

Those who attended were:

Gerry Alexander	Art Farrier
Harold Cohn	Marie Farrier
David Beckham	Alvin Robinson
Helena Bonwit	Robby Robinson
Pete Hermann & Fam.	Viola Imburgia
Margorie Bridges	Kellum George
Jack Nonmacher	Clyde George
Norman James	Al & Nel Haubold
James & Billie Rash	Virgil Riordan
Betty Halliday	Bobby Wilson

In the U.S.A. there are many, many Founding Scientologists we would like to contact and need to locate as a Roll of Honor is being made for all time.

There are 3743 known Founding Scientologists and of these 664 are on the U.S. *Mailing list. There are 370 active Founding Scientologists and 60 are staff members in Orgs – quite a few are in high posts at Flag Land Base.

If you have not been in touch with the Founding Scientologist In Charge please write to her at Personal Public Relations Officer Bureau, P.O. Box 23751, Tampa, Florida 33623.

Please send news of old friends too.

The Church of Scientology of Illinois is moving to new quarters the first part of January 1979. Their new location will enable them to better service their public and give them more space to expand into!

UND THE WORLD

Helga Wagner, OT VII, NED Student (right) with assistant Enid Bulhoff in her busy Miami office.

Scientologist Creating With Nature

Helga Wagner, OT VII, and New Era Dianetics student is winning! First introduced to Scientology by Darby Simpson in 1974 at Celebrity Centre New York, two years later Helga had gone all the way to Clear and OT VII.

Helga is now world famous for her amazing creations done with shells from the worlds many oceans. Her work has been seen in Vogue, Harper's Bazaar with full page coverage, plus in many newspapers all over the planet.

Helga's business started out on a small scale, and after Helga hired Scientologist Bob Ramer who is a business consultant who uses Ron's administrative technology in the business world, Helga's business boomed, her production thus far has tripled and her business is currently on a program which will expand them even more.

"My big win is that I have created through auditing, training and business technology a very viable and successful business that I can live off, and enable others to work in a very sane and ethical environment with a purpose. We are getting in a bonus system for all our staff and all money will go for their Clear and OT Levels.", says Helga.

Helga is also a very successful Field Staff Member, and has introduced many to Scientology and Dianetics, including a Prime Minister, and other dignitaries. All of Helga's employees are Scientologists and they are currently training at the Church of Scientology of Miami.

Helga just recently received a validation from Ron on a shell necklace he had ordered, he was pleased with the quality and design, Helga was very happy to have gotten the validation!

"We have a great uptone team and are determined to show other non-Scientologist businesses how fast one can expand with L. Ron Hubbard's technology", said Helga.

Motorcycle Champion On Top!

Top motorcycle champion from Australia wins with the help of Scientology technology.

Con Whitlock writes: "Last year after the first round of the Australian Road Race Motorcycle Championship in Tasmania I was unfortunate enough to be involved in a rather painful fall. Although I was not well with my left ankle. But Being used to high speed falls and not one to panic too much, I limped (sorry) was carried into the hospital on Monday morning.

"The Doc first commented, 'I suppose we had better x-ray that and find out how many bones you've broken.' I've found doctors do as much for your morale as they do for your bank account.

"As it turned out there were no broken bones, but as the doc said, "it was one of the worst bruised ankles he had seen.' I knew it was bad. My entire foot was black and blue and would have fitted a size 20 football boot!

"I was awarded a set of bandages and pair of crutches and told to report back on Friday, and the pleasure of being told with great enthusiasm by the friendly Doc, 'Six weeks before you will walk on that, my boy,' Oh-yeh, I thought to myself, this guy doesn't realize I've got to race next weekend in Adelaide.

"Next stop, Ron Masters, my father-in-law and a Founding Scientologist. Two touch assists a day – really thorough ones, as I had a few other bruises showing by this time and a fair amount of skin missing in odd places.

"Well on Wednesday, I *walked* into the hire shop, returned the crutches and walked out again. Friday I returned to the hospital for a last check-up after the final touch assist and much to my relief a different doctor was on duty, as I felt it would have been to much progress in such a short time for the original Doc to handle.

"A quick look at my ankle, a disinterested, 'Any pain? Well, you will be right for work then.'

"So I went off to Adelaide for another weekend's racing. Without the twice daily touch assists I'm sure I would have been on crutches for 4-6 weeks, but a week later there wasn't even a bruise left, and completely normal walking and no pain.

"It's a marvellous technology and it works so much faster and better than any other that a sportsman has to hand today. Thanks, Ron."

Ron's Tape Archieves Project

One of the Most Vital and Important Projects of all Time

At this moment, LRH's entire personal tape library is in the process of being recopied for preservation purposes, and additional personnel are urgently needed.

How important is this project? This is what Ron has to say about it:

"THESE TAPED LECTURES CONTAIN THE ONLY CONSECUTIVE RECORD OF ALL SCIENTOLOGY RESEARCH.

They contain more data than was ever released by HCOB by many times.

These tapes are not simply lectures. They are the ONLY existing record of all the advances which made possible the handling of the human mind. There is NO other such record in existence . . .

Archives MUST copy consecutively in time from the earliest to the latest. The reason for this is that the originals, often on poor tape, are deteriorating. Some shouldn't have lasted more than eight years and still had sound on them yet they have lasted for twenty years and still have sound on them. But this won't continue forever. . .

Unless these tapes are copied onto long-lasting tape, this record will be lost."

– LRH

THIS PROJECT IS A GOLDEN, ONCE-IN-A-LIFETIME OPPORTUNITY FOR YOU!!

You will listen to hundreds of original LRH Master recordings, Ron's personal copies, which cover the entire spectrum of the research and development of Scientology.

There is no course available anywhere on the Planet at any price that contains even a tenth of the data that is to be found in LRH's personal archives. Many of these tapes have never been publicly released in any form and are not currently available anywhere but in the archives. These are the unedited original recordings and you hear the data exactly as Ron spoke it at the time the recordings were first made.

This may well be one of the most timely and opportune contributions you could make to LRH and Scientology. You will be directly assisting him in getting this material preserved and you will be ensuring that this priceless data will be available to all future generations of Scientologists.

You will listen to these lectures on the finest recording equipment available. It was selected only after months of research was done to ensure the quality of the copies made will be the highest quality that is obtainable. Absolutely no technical training or expertise is required to qualify for the Project as you will be thoroughly trained in the simple procedures that are necessary to handle the equipment.

The Completion Target for the Project is six months. A short term contract is required. Transportation, housing, food, training and other benefits are provided. Ten more people are needed immediately. If you can see the value and importance of this Project, you may receive more information by calling the IHQ Recruiter at (213) 465-1958 or (213) 665-9361. NEWS FROM ARC

Danish Teacher Has Wins From Applying Ron's Study Technology

Helmut Karl says "Thanks Ron for this Marvel and Treasure of Tech. It is a True MIND BLOWER!

"There is a little girl, 10 years old and about to repeat the fourth grade for "inadequate performance". Mother brought her in May – we worked for about five weeks and in the third week she wrote her first '3' (rating goes from 1, best through five, worst), shortly after, her first '1' and getting better and better. Her Teacher called her in to explain to her, that the child couldn't possibly have changed, it's all plain arbitrarily happened and stuff. Mother consulted me and got advice not to give up but have the child tested again. Mother went to the principal, child was given test, result was '2'. Child was sent to school's psychologist, result was child is good average; child was sent to do special test for new kind of school – result, child was amongst 10 best out of about 100. This was considered a failure just two months ago!!!

"And the best is even coming now; her brother, 16 years old – blown away by his little sister's success, decides to become a teacher and is already signed up for a study course. Meanwhile Mother and Father and he are reading *Dianetics Modern Science of Mental Health* and blown away. The entire family totally changed! Mother came to visit me recently and 'confessed': not the child should take the course, but the parents, and signed up for a parent's course to be offered in the Fall.

"Another fine success with a boy of 12, hardly able to read was brought to me in May. For seven weeks we had almost no progress, it's a steady flat trend on his graph. He could not overcome the clay-work of definitions of major words (noun, verb, etc) so I cleared the words and had him cycle through again and again (four times). Then suddenly, he came through and started to get a rising graph.

"Unfortunately (I thought) the family took off for vacation and I had a long comm with his mother, who wanted to quit the laborious work. Finally, I made her change her mind and have him continue after the vacation, as he started to make gains. To give her more reality, I offered her *Dianetics Modern Science of Mental Health* to read on vacation. She did!

"The boy came back and was kind of changed – after the second day he started to really take off. I found out he had read *Dianetics Modern Science of Mental Health* and was blown away by it! He told me a lot of stuff he had cognited on. He is now a good student and feels very fine."

Thanks Helmut! Many people will share this win with you.

New OT Civilization

Convention III

That's right, plan now to attend one of 1979's most exciting and informative Convention, the New OT Civilization Convention III!

The grand event will be held on FLAG, in May 1979, on the 4,5, and 6th, with a huge celebration party on May 7th, the 29th Anniversary of Dianetics The Modern Science of Mental Health.

For advance reservations write to Mike Smith, Ron's Personal Public Relations Officer for Scientologist, c/o The Church of Scientology, Flag Land Base, P.O. Box 23751, Tampa, Fla. 33623.

A Present for Ron

Mildred Matthews, Compilations Assistant Librarian, Founding Scientologist of 1950 from Sydney, Australia, had a win for Ron the other day. Another Founding Scientologist, Ian Mackay, sent in 6 beautifully cared for first editions of Ron's books for the Library and is coming to Flag within a few weeks for services.

A Sea Org Member now, for 3 years, Mildred has her own personal win too . . . "When I did the OT Levels and especially after OT III I got an inkling of the courage it took Ron to go through with this and indeed the courage it took to have launched Scientology at all.

"It was then I decided to join the Sea Org and 'pull my weight' to the best of my ability – a decision I have never even faintly regretted.

"Nothing I can do to 'help Ron' can even vaguely approximate what he has done to help me.

"It is fun helping to build his Library." says Mildred.

Chick Corea's Statement

I have some personal experience with the use of drugs; and through the years, both during that period I was taking drugs and the period of 10 years since I stopped taking drugs, have of course formed my opinions of drugs and their effects.

Personal history aside for the moment, though — I'd like to express a more basic philosophy I have which happens to relate to drugs and their use, though this philosophy applies much more broadly.

This philosophy has to do with the self-determinism and freedom of personal choice that is inherently the natural "right" of any individual. It is, simply, that what any individual does with his life, his own body, his own mind, his own possessions, etc. is his own choice. Whatever is found that works should definitely be used. The question of whether using drugs is a useful tool or a hindrance in this search is a valid subject for some really good discussion.

Beyond that, and directly related to the use of drugs, however, I feel a responsibility to inform those who seek a higher awareness and causitiveness that the tools exist for them to achieve their goals: Narconon exists, in fact, to help those who want to rise above drugs. It offers effectiveness and workability. It uses basic techniques developed by the American philosopher, L. Ron Hubbard, to overcome the root barriers to personal fulfillment. It delivers what it promises. It is a way out of dependency and despondency.

I support Governor Brown for his stance on behalf of those who wish to improve their lives with the help of Narconon. I urge you to learn more about both the personal and social effects of drug use, and about Narconon.

Governor Brown's Statement

I wish to acknowledge Chick Corea for his efforts in helping identify a pressing social problem within our State and society.

Drug abuse is a problem that crosses all economic, racial, and social barriers. The proceeds from tonight's concert will allow me to continue my dedication to the resolution of this problem.

THE *Everybody WINS!* RAFFLE

GET YOUR TICKETS

NOW!

Scientologists are banding together to get more people moving up the bridge. The Everybody Wins! Raffle is a benefit for the Committee for a Safe Environment (formerly called The Religious Freedom Defense Committee). The donations will support offensive and defensive legal actions of members of the Committee, so that the government will have absolutely no effect on the Church. In this raffle you can win Scientology Services and/or Books and Tapes and at the same time you can make a contribution which helps Scientology.

Scientology Services have been donated by the *Flag Land Base, AOLA, ASHO Day, ASHO Foundation, Celebrity Centre LA, LA Org Day, LA Org Foundation, Westwood Mission and South Bay and Long Beach Mission, and the Publications Org.* These donations have been endorsed by Church Officials. There are individual raffles and will be separate drawings for each of the items donated. All together there are 28 raffles. Get tickets for each of the 28 raffles or concentrate on a few to increase your odds. The more tickets you have the more chances you have to win.

- You can enter all 28 raffles.
- Each raffle has a limited number of tickets available. It is important you get your tickets right away.
- The maximum number of tickets an individual can get for a given raffle is 10% of the total tickets available for that raffle.
- The more tickets you get the better your chances of winning.
- Volume ticket donations help to ensure Religious Liberty and full attention on the Bridge.
- Suggested raffle donation per ticket: $10.00.
- Suggested raffle donation for a book of 25 tickets: $230.00. It is not required that the 25 tickets be from the same raffle, they can be from different raffles. You get more tickets when you buy in books of 25.
- If you win a service you are currently on, have taken or have paid for, the value of the service won will be credited to another service of your choice at the same donating Church. In the case of training, the value is determined on the date in the service is won. Prizes won, cannot be transferred or sold to another person or group by the prize winner, without permission from the Committee for a Safe Environment.
- A complete list of Rules are available from the Committee for a Safe Environment.

Raffle tickets are available for Power Processing, The Saint Hill Special Briefing Course, A full library of L. Ron Hubbard's books, The full set of the Philadelphia Doctorate Tapes, Level 0-IV Training, New Era Dianetics for OT's, Flag Services, the L's, and much, much more!!

Focus On Success

ASHO Day Wins! Students!Preclears!

"Clear" is the word for it, all right! The dictionary definition of the word applys right down the line. It's so much saner (and more fun!) to be in control of the mind, instead of being controlled by it or at least a portion of it. Life becomes a game, where the deck isn't stacked against you! Thanks to Ron for caring enough to lay out the road to this beautiful state!

Russ Williams

It's becoming more real with each day spent on the Briefing Course that I will become an auditor. The concern is here and if one entertains any doubt start.

Curtis Jones

One of the best things about this level is that I've learned to be interested in life. I look at life differently now by always trying to learn from life situations so I can apply life situations to life to be more at cause over life.

Eve William
(part II Breifing Course)

Power is something to be experienced! 'It has been one of the greatest states I've ever felt! It is just a pleasure to be there. Thank you all.

Mireya Vinyallonga

I've just completed part III of the Briefing Course. I really like learning and following the technology as Ron did it. There was a lot of good data on this part and I feel it's helped me to have better control and more understanding of life.

Jean Newell

My reality on Ron and this incredible technology is rising everyday. I came to the Briefing Course to get technical certainty as an auditor and a being living daily life. It is happening and that really pleases me, that I am confronting it and making it happen.

Don Pearson

What can one say about the fabulous Saint Hill Special Briefing Course that hasn't already been said? The Class VI Course has totally validated and extended my certainty on Standard Technology. Life and people look very simple to me, no more complexity no more mystery. I am now very anxious to do my part of keeping Scientology working at the level of competence of a Saint Hiller.

ASHO's service to me has been totally personalized and I very honestly would not consider I could have been treated with more dignity and respect. Thank you ASHO staff both day and foundation for such priceless service. Thank you all my coaches, fellow students, and PC's. And thank you Ron my love to you as ever.

Victor Tardif

Class VI is one of the biggest EP's I've had in Scientology. The auditing side of the Grade Chart was easy for me to confront – training took me a while longer. I started here at ASHO on October of 1977 on the Dianetics Course and now I am a well trained Class VI. I am an auditor and I love it. ASHO has been wonderful to me. No stops, absolutely none. This is undoubtly a terrific place to train.

A.E.

Ron says that one of the paths to OT is training and I can certainly attest to this. The data is incredible, so precise, simple and consistent – that it's beyond belief you can only really understand by knowing them. Yesterday I attested to Dianetic Clear, Keyed out state, and Keyed out OT! I haven't had auditing in several years, but I have been learning the data of the SHSBC! Say no more. Love it.

John Bishop

Coming back to ASHO to do New Era Dianetics has been a real theta booster for me. In addition to more certainty on the tech, I got some NED delivered to me and wiped out the most immediate abberations – made my responsibility level go real high. I'm looking forward to coming to ASHO for many life times. Thanks Ron, and staff and Qual Sec.

R.R.

Due to greater certainty acquired from the SHSBC, my HGC pcs are winning more than ever, and the comm line I have with them is more open than ever – resulting in greater gains, faster. Thank you Ron and ASHO staff.

Randy Smith

I am very, very, very happy! I was suspecting that I was a Clear for a long time, but I thought it was impossible. My confidence is back, I am a Dianetic Clear, I don't need to create anymore things that are not there. It has been such an incredible discovery!

Thank you Ron.
Mary Carmen Recio

On the Saint Hill Special Briefing Course you can always be assured of attentive and 100% Standard Supervision.

This was without a doubt the most valuable action I've done in processing to date. I had an immense insight into FREEDOM which for me is an essential component of power and visa versa! I've made enormous new breakthroughs in my own perceptions – especially in the area of responsibility. I know my life is on the verge of huge changes regarding my basic ideals – serenity which comes from knowingness, certainty. Thank you Ron for creating such brilliant processes.

Patricia Duggan

This course was a major milestone in my Scientology career. I became an auditor on this course!! And I've realized a lifetime goal of helping people. Who could ask for more? I also have a BIG thank you for all the staff at ASHO for their interest and help and of course Ron for the course. I am a very happy product!

Pat Anderson

What a relief to finish a cycle on the Briefing Course. I have had incredible life changes from the data of LRH's. And have gotten in my basics re preclears and what they are doing and why. Most of all. I have started to get the "Upper hand" on my long duration study hassles (thanks to my supervisors) and I can actually conceive finishing the Briefing Course (and sooner than I'd imagined.) Thanks to ASHO staff.

T.S.

I feel great about being a Power Release. Everyone on their way up is in for a wonderful surprise and a fantastic state of being on becoming a Power Release. Thanks to Ron and thanks to my really spot on auditor.

Patricia Pou

The biggest success I have to date is a "START" on the SHSBC, and believe me that is a successful action for me.

Curtis Jones

I had waited a long time to get gains on my physical problems. It was when I came to ASHO that things started happening. I feel very good about all the auditing I've had here. My bladder condition has cleared up which had given me trouble for twelve years. WOW! What a win. Thanks to my auditors, and to Ron for giving me the Tech.

J.M.

Poet's Corner

Night has fallen
over winter's last dance.
She came in such a flurry
then left no spot a chance.
Her whirling white crescendo
signed every fence and branch.

Cold, her candor,
conquered every protest.
A prelude to her sister,
she had to dance her best.
I watched with admiration
the need that she confessed.

Night
has fallen over
winter's last dance.
Tomorrow buds her sister
to tell us time's advanced.
Is that not all?
That time is?
We are still
and feel the outside dance.
