RON'S JOURNAL 30
1978 — THE YEAR OF LIGHTNING FAST NEW TECH
By L. Ron Hubbard

Hello.

I have some exciting news about services.

Processing has gotten so fast that actually clearing whole areas is in view.

1978 was indeed the year of Tech Breakthroughs!

If processing had to get more expensive due to inflation, why then it had to be made much quicker and better. Actually processing costs today per result are much cheaper than ever before and will continue to be as the improvements have been so great.

It all began with New Era Dianetics. When I look back and remember the hundreds and even thousands of hours some people spent on Book One Dianetics, it's like an old story half remembered. If one of those 1950 auditors had the tools of NED they would have been bug-eyed at its fast results. Even the 1968 Dianetic auditor would have been incredulous if his preclears had responded with the speed that NED pcs are achieving. It's probably about 100 to 1.

But, the 1950-1968 auditors as auditors might even have objected a little bit to NED as it would have run them out of pcs. The overall cost of 1950-1977 processing, despite being cheaper per hour, was *much* more expensive.

Take a Drug Rundown. These used to go on for hundreds of hours and somebody said they would have cost many thousands of dollars to complete. But with NED Drug Rundowns, they go off zip, zip, zip in one or two intensives.

NED is so fast that even an incomplete old DRD can be finished up and repaired and ended utterly in less than one intensive. You would be amazed how fast and thorough it is. So it isn't the cost by hour or by intensive; it's how much the whole Rundown costs that counts and if it can be given in far fewer hours it is cheaper no matter the cost per hour.

NED is cleaning up anything and everything Book One ever mentioned with lightning speed. Of course, when somebody goes Dianetic Clear, he can't be run on more engrams, right? Right! So it's forbidden now to run NED on Dianetic Clears.

The main problem of good auditors today is hitting such tremendous wins on pcs that they have to wait 2 or 3 days for the F/N to die down – if it does. Auditors are getting sore legs from just walking in and out of session. It's awful.

We are making Clears these days in many cases so fast that Clearing Course bracelet numbers are jumping up by the thousands per month. We are also finding that some old Dianetic pcs had gone Clear and the auditors didn't notice. Incredibly enough, sometimes on a next life basis we are running into Dianetic Clears from 1949 and '50 so even those auditors were better than they thought they were. So we're not only making new ones we're finding old ones – such is the power of NED.

There have been technical improvements and discoveries and advances in '78 that are reaching into every level of tech and speeding it up.

The following is just a partial list:

(Key:
* means the action can be done on a non-Clear or on a Dianetic Clear
** means the action is for OT III and above only.
† means it is a *new* Rundown/action.)

DISCOVERIES AND ADVANCEMENTS IN TECH IN 1978

1. *NED.* (New Era Dianetics). A refinement of all previous Dianetic techniques from 1950 up to present time as well as the development of new technique giving much faster results and far higher gain per hour of auditing and speedy resolution of Dianetic cases.

Included in NED are twelve brand new developments. They are all contained in far more detail in the NED HCOBs and packs. Due to the extensive changes and improvements in Dianetics, old Dianetic auditors are also training on the NED Course as it only takes 3 weeks for the able student.

A. *PREASSESSMENT.* With the new Preassessment tech developed for NED, each illness or condition the pc needs and wants handled gets handled with a new technique.

B. *NEW DRUG RUNDOWN.* This is the answer to a druggy's dreams. Without withdrawal symptoms and in a no pain, no strain rocket ride, he comes right back up to life and living.

Where the old DRD took hundreds of hours and sometimes had to be repeated, the NED DRD requires only a few intensives that are a joy all the way according to the avalanches of Success Stories which poured in on me from over the world during the pilots.

With a good NED trained auditor, the cost of a final, finished, completed Drug Rundown has shrunk way below what it did and far below the habit. The Mafia, Drug Enforcement Agency and other criminals hate it, as it's doing them out of a job. Enlightened foreign governments liked Narconon but boy they'll love it now. Indeed, the dead will walk again.

C. *END OF ENDLESS DRUG RUNDOWNS REPAIR LIST.* A lot of people who have had Drug Rundowns old style and have had to have them repeated will be overjoyed to know that they can be finished with rapidity. In fact with new developments, a Repair List can be finished off so fast that the Rundown has to be sold on the basis of one intensive. This applies only to getting a CS 53 and the Repair List and is done only on those people who have "completed" an old Drug Rundown and does not apply to the NED new Rundown in Section B above. If it takes more, that's too bad for the Org. If one wants to get his old Drug Rundown handled terminatedly he should ask for the End of Endless DRD Repair List. (Demand a "CS 53" to begin it and then get the repair.)

D. *OBJECTIVE ARC.* This brand new process introduces the pc to the wide, bright world.

E. *SWEAT PROGRAM.* Some of these new drugs, like the intelligence drug, LSD (developed to poison and paralyze whole cities) or Angel Dust (developed by crooked gamblers to handle race horses and fix races) have a nasty habit of remaining in the body and popping up unexpectantly to send people on "trips". The Sweat Program has been refined to handle this. It is pretty strenuous – but so is a traffic accident when an unexpected "trip" happens. Everyone who has had the courage to go on a Sweat Program and stay with it has come up bright as a gold nugget.

F. *POSTULATE OFF AS THE EP OF A DIANETIC CHAIN.* The discovery that some old Dianetic auditors had not been actually completing a chain to the correct end phenomena of getting a postulate off opened the door to a lot of residual gain. Pcs with mean reputations keep right on being mean until they get the postulate off.

G. *RELIEF RUNDOWN.* This handles the losses that push people into the despair and shadows of life and wipes away the tears of the ages.

H. *DIANETIC STUDENT RESCUE INTENSIVE.* Those who find study difficult will be delighted with this one. The slow student turns into a blur of absorbed new knowledge.

I. *PREPARED ASSESSMENT FORM.* This NED process list dredges up the unwanted conditions that wait in the future so they can be handled before they hit the pc.

J. *IDENTITY RUNDOWN.* Freud said that people who are detached and to whom things are unreal could never be handled. This one makes him wrong and the pc right.

K. *DISABILITY RUNDOWN.* To a pc, disability can take many guises, anything from an inability to talk to girls to being unable to speak Arabic. We have a way to handle this now and it works.

L. *DIANETIC REMEDIES.* The Dianetic Remedies formerly in use in Dianetics have been refined and expanded with New Era Dianetics tech. They're used where the pc is having trouble with secondaries or engrams and speed up the already swift potentials of NED for the pc who might bog on it.

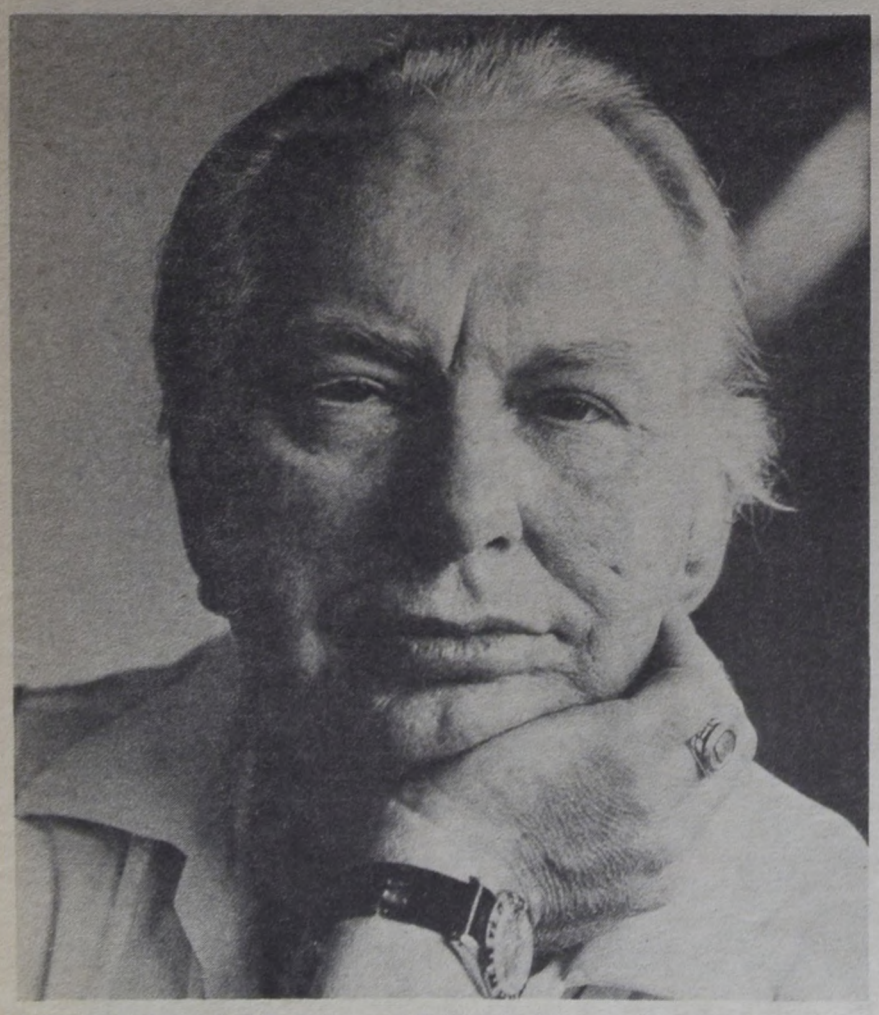

2. *SUPER POWER.* A Super fantastic, but confidential series of Rundowns that can be done on anyone whether Dianetic Clear or not that puts the person into fantastic shape unleashing the Super Power of a Thetan. This is the means that puts Scientologists into a new realm of ability enabling them to create the New World. It puts world Clearing within reach in the future. This is a parallel Rundown to Power in Saint Hills which is taken by the Dianetic Clear. It consists of *12 separate high-power rundowns* which are brand new and enter realms of the tech never before approached. Power is still very much in use on the Grade Chart but is for those who didn't go Clear on Dianetics. Super Power will be delivered at Saint Hills within the next 6 weeks as we are right now super grooming the Super Power auditors in a special international course. It will be delivered in almost all languages.

The New World Corps is being formed and trained this very minute, candidates for which must be Class IV, OT IIIs. Orgs were once promised Power for their staffs. If Org staff are very, very good and get on policy and everything, they will one day look up and see a New World Corps team move in on them, and then . . . . . New World Corps means just that!

3. *END OF ENDLESS INT REPAIR.* Pcs in the past have often had to have their Interiorization Rundown repaired and sometimes more than once. This repair, found while researching upper levels finalizes any seemingly endless redo of interiorization repairs. Pcs on the pilot actions of this have been ecstatic with relief.

4. *NEW INTERIORIZATION RUNDOWN.* When a pc exteriorizes during processing, he can thereafter find it difficult to exteriorize again – to put it mildly. The new Interiorization Rundown, in good hands, puts a final finish to any such trouble and the pc ceases to have any trouble because of exteriorization or in exteriorizing.

5. *DIANETIC CLEARS.* Undoubtedly the BIG news that resounded around the world in '78 was the huge numbers of people who were discovered to have made Dianetic Clear. In 1950 and on, people used to ask "Where are all the Clears?" Well, they were right there! In 1978 I discovered that it was deadly to go on running Dianetics on a Dianetic Clear. Such gave the semblance of no-case-gain! (Naturally.) So when I announced that running Dianetics on a Dianetic Clear was forbidden, people began to look around and lo and behold they had been making Clears with Dianetics and had been going right on by it! The pc who had made it wasn't declared Clear and further Dianetics didn't work on him (naturally). So in 1978, after my announcement, auditors began to check *and* listen to the pc and found they had real Clears all over the place!

Now NED produces far faster gains and many (not all) NED pcs began to go Clear.

And the Clear numbers have been running up like one of those computers.

Rehabbed and allowed to declare these Dianetic Clears abruptly attained the full results of Clear!

Excited avalanches of Success Stories have been pouring in on me for months in the thousands and from all over the world.

And it's interesting that amongst those found there are a few who went Clear on Dianetics in their last life – in the 50's! (It's quite a scramble locating their last life folder and records so they can go onto full OT!)

"Where are the Clears?" There they were!

6. *REDEFINITION OF INSTANT READ.* Making it easier for auditors to learn metering and giving pcs vastly increased speed of gains due to higher accuracy of metering.

7. *CLARIFICATION OF CONFESSIONAL PROCEDURE.* Resulting in faster gain in a shorter period of time.

8. *SERVICE FACSIMILES REVISITED.* The early 60's handling of Service Facs was revised and overhauled and became the new Grade IV of Scientology processing.

9. *POWER TO FORGIVE.* Making it possible for the pc to fully end cycle on any shame, blame, regret or guilt of the past.

**10. *NED FOR OTs.* The discovery and development of techniques by which the Second Wall of Fire can be overcome.

This consists of 29 fantastic new confidential Rundowns, delivered by a specially trained OT Auditor.

The auditors are in training right now from AOs to give NED for OTs to all those who are OT III and auditors already trained on it are delivering it at Flag in Flag's new Advanced Org Division 4A.

Some of the miracles of life have been exposed to full view for the first time ever in NED for OTs. The rave Success Stories coming from this are the talk of the auditing world.

**11. *OT VIII.* This Rundown was developed and will be available to OT VIIs who have completed their NED for OTs which is a prerequisite for OT VIII.

12. *UPPER LEVELS.* There are other OT Levels above VIII but these will be released from time to time when people are ready for them. We're already higher than Man has ever been and it can get quite stratospheric.

TRAINING

In 1978 giant training stides were made for I was very busy on that as well. The NED Course was brought down to 3 weeks, Class 0-4 Checksheets were carefully shortened back to the 1968 level when auditors were being made at speed but without losing tech which is quite a trick when you come to think of it!

When you realize that a large portion of training costs goes into living expenses while taking the course, reducing the length of time of a course gives an enormous reduction in course costs, regardless of what's being charged. Training is also being helped by Scholarships.

CLASS IV AUDITING ACTIONS THAT CAN BE RUN

Class IV Orgs – Those orgs which are in major cities on 5 continents – have a large variety of public services which they can give. Many of these are very economical and are there for the raw public as well as to keep their fields getting service. Amongst them are the following:

1. *GROUP PROCESSING.* After an Intro Lecture a successful gradient for raw public is being part of a group who are audited simultaneously. Group Processing can be pretty effective and on a large number of "releases attained" you will find the public reporting great gains made in group auditing. It is an economical way to keep one going even after he's had professional processing.

2. *CO-AUDIT. (Cooperative Auditing).* A public person is instructed in the rudiments of auditing and under the supervision of a trained auditor, groups of teams audit each other, attaining good gains.

†3. *LIVINGNESS REPAIR.* This is often the first action taken on a person by a professional auditor and can bring a great deal of brightness back into his life.

†4. *NED. (New Era Dianetics).* This was the bombshell of '78 and NED auditors (as well as courses) are available in every org.

NED consists of at least 12 separate Rundowns as noted in the New Discovery Section above. It occasionally makes a Dianetic Clear although this must not be promised. The only "trouble" with NED compared to earlier Dianetics is that it produces results very fast. One can achieve more result per hour of auditing time by about 100 to 1 over old Dianetics and when you realize that old Dianetics was the first and remains the only fast and effective processing known to Man you get some idea of where NED is at. It is interesting that when somebody has been skillfully mucking himself up for trillions and trillions of years that a NED auditor can salvage him in under 100 hours!

†5. *XDN. (Expanded Dianetics).* In '78 improvements on this were undertaken and the full new Expanded Dianetics is being released in '79. It comprises very specialized applications of Dianetics for the more difficult case.

*6. *QUAD GRADES AND EXPANDED GRADES 0-IV.* These are more fully covered in the book "What is Scientology". They are the wonder workers which put ability to live back into life. They handle the basics of relationships amongst people and improve one's ability to handle himself and others. For Dianetic Clears, this is usually their first auditing (less the engram running R3RA part of New Grade IV) after attaining Clear and permits them to expand beyond their previously barriered existence. These grades are very far from limited to Clears.

†7. *NEW GRADE IV.* Grade IV has been improved enormously by including and refining formerly Class VI materials. The engram running part cannot be run on Clears but the listing processes can. It is guaranteed to make the preclear fully and completely right.

†8. *REVISED C/S 53.* It is quite a technical achievement to put on one side of one sheet of a paper everything that can be wrong with a mind. The "C/S" stands for Case Supervisor who is the one, unseen in some ivory tower, who tells the auditor exactly what to do between sessions when you're getting audited. This is a primary tool he uses in analysis. In '78 it was polished up and made as bright as the morning star to detect and handle things you didn't even know were wrong but which might have you totally caved in.

†9. *GREEN FORM.* This tool of case analysis has been improved.

†10. *NEW GREEN FORM 40 EXPANDED.* This detects and handles any reason why a case might be resistive to processing, thus handling any tendency towards slow gain and making it possible for such cases to make faster gains in future processing.

†*11. *STUDY GREEN FORM.* This is a Rundown which isolates and handles anything that could be wrong with any student or pupil.

*12. *STUDENT CORRECTION LIST.* This handles difficulties that a student or pupil may have encountered in his studies and frees him up from these, so that he can now study easily.

*13. *NEW METHOD ONE WORD CLEARING.* This is far more reaching in clearing up past misunderstoods which stuck the person in previously failed subjects he studied.

14. *CONDITIONS AND EXCHANGE BY DYNAMICS.* This is an auditing action which increases the awareness of exchange and flows on the various dynamics, enabling a person to be at cause over them.

†*15. *THE MARRIAGE INTENSIVE.* This is where husbands and wives handle marital difficulties, enabling them to lead happily married lives. It can restore the bloom of spring romance!

†*16. *AUDITOR RUNDOWN.* This is an intensive which fully handles any case reasons why an auditor might have difficulty and enables him to move forward without any losses or failures from past efforts to help people stopping him.

†*17. *TEACHER OR SUPERVISOR INTENSIVE.* This is for any person involved in teaching or supervising or education and enables him to become a vastly better teacher or supervisor.

†*18. *EXECUTIVE OR BUSINESSMAN'S INTENSIVE.* This enables an executive or businessman to face situations of stress with calmness and frees him from past business stresses.

†*19. *MONEY PROCESSING INTENSIVE.* This handles the inability to have money resulting in the ability to increase income.

†*20. *PROFESSION INTENSIVE.* This enables a person to overcome difficulties that he may encounter in his profession or in any given subject.

†*21. *FIXATED PERSON RUNDOWN;* This enables a person to overcome the condition of having his attention fixated on one person.

†*22. *SUPPRESSED PERSON RUNDOWN.* This is a magical Rundown just now being released to Class IV and other orgs. It utilizes a principle found in an early ACC but never fully developed and released till '78 that one could bring the Suppressive in a person's life to communicate to him and seek peace, without ever contacting him. When expertly done on a person who has been the target of suppression by antagonistic people it brings him back to freedom and handles his environment as well. When one realizes that most illness is precipitated by suppression one can understand the need and use of such a miraculous Rundown. It's unbelievable until one experiences it.

The way to get processing cheaply is, of course, to take the training route and get trained and make your grades at the same time. Training is very fast these days due to the new checksheets.

Class IV Orgs teach the Co-Audit Auditors Course, the fast New Era Dianetics Course, the NED Validated Auditor Internship, the NED Case Supervisor Course, the Validated NED Case Supervisor Internship, now have all the shorter checksheets for and teach Class 0-IV, the Permanent Class IV Auditor Internship, the Class IV Graduate Auditor and Case Supervisor Course, the Permanent Class IV Graduate Case Supervisor Internship and will teach Expanded Dianetics Auditor and Case Supervisor Courses and Internships. They also teach a considerable number of public courses, lists of which will shortly be available from Class IV Orgs as in 1978 Department 17 was ordered to get busy handling and training the public as the pre-wave of the New World.

CLASS VI ORGS (SAINT HILLS)

The original Class VI Org was located in a beautiful English Estates, Saint Hill Manor, East Grinstead, Sussex. When a Class VI Org was formed in Copenhagen to service Europe in all languages it was staffed by people from Saint Hill who named it, of course, "Saint Hill". And when the American Class VI Organization was formed it was staffed by people taken from Saint Hill and, of course, they called it The American Saint Hill Organization. The services remain the same in each of the organizations.

The following services are given at Saint Hill Orgs:

1. *ALL CLASS IV ORG AUDITING ACTIONS AND COURSES.* They cost a bit more but the Saint Hills are essentially training orgs and the auditing delivered there is usually quickly available and very well done.

2. *POWER PROCESSING.* Grades V and VA are still available and being delivered at Saint Hills for persons who did not make Dianetic Clear, delivered only by Class VII auditors who are specialized on it. Power continues to produce its startling results.

†*3. *SUPER POWER.* There is no reason a Dianetic Clear should be denied the powerful gains which research made available in '78 (see above). For the public who have gone Dianetic Clear, and those who haven't, Saint Hills will become a mecca where they obtain the most excellent results obtainable in Super Power.

THE SAINT HILL SPECIAL BRIEFING COURSE still roars on. This is the place where the Auditor gets all the tech that has ever been issued below that level, this is where his sessions are video'd and polished, this is where he gets all his auditing to catch him up on his grades. These are the Dukes of the Auditor elite, the Saint Hillers. One joins the clique only by hard work and great results.

CLASS VIII COURSE. This is the course originated on Flag and still taught in its original successful form at Saint Hills. It is a standard tech course and Class VIIIs pride themselves on keeping tech standard over the world.

CLASS IX COURSE. This is the graduate course which contains the materials issued since the Flag Class VIII.

ADVANCED ORGS

Advanced Orgs are located in Los Angeles, England and Copenhagen.

The Advanced Orgs are the OT (Operating Thetan) orgs of the world. Because of the nature of OT Auditing the person has to learn to audit himself as most OT Levels are too fast to be audited by another (only OT VII, and NED for OTs are audited on the pre-OT by a professional).

*1. *SET UPS.* It often happens that one needs to have case diffculties handled before he goes on up the grade chart to the stellar realms of the Advanced Orgs. Sometimes a Drug Rundown isn't complete or one is a bit suppressed or too introverted. It saves time to get a set up before starting the rocket ride up the top end of the grade chart. The AOs handle this sort of thing routinely when it is needed. They have a checklist of prerequisites for AO levels and this is what they're most interested in getting completed. To not complete it means a stall somewhere along the way. It usually doesn't take much time and saves time later.

*2. *SOLO AUDITORS COURSE.* The AOs are the place where the preclear or Dianetic Clear learns to solo audit so he

The Story of
Dianetics & Scientology

Dianetics has been in existence for 30 years. Today's New Era Dianetics is the culmination of 30 years of experience and application of Dianetics. But how did it all begin, 30 years ago? How did Ron come to develop Dianetics in the first place? In this cassette lecture, "The Story of Dianetice and Scientology", Ron tells how it all began. It's the very real, warm and human story of the beginnings of Dianetics and Scientology — Ron's early questioning, searching and discoveries; his travels and explorations, and the fascinating people he met. It's the story of the very basic, powerful discoveries that he made about Man and life, and his development of the technology of Dianetics.

can go on up the grade chart. Some people, wanting the best auditing they can get for this solo flight, also take lower level professional auditor courses and even Class VI at the Saint Hills. At one time a Dianetic Auditors Course was a prerequisite to AO services prior to the Solo Auditors Course and while this is not now demanded, and while the Solo Auditors Course is very good, smart preclears and smart Dianetic Clears take other courses before they get to an AO and then they're sure to make OT even more easily. I've heard Solo Auditors say that they only wanted a professional on their case and that's why they were making themselves into one before they went to an AO. Even Class IV Orgs have professional courses.

3. *R6EW.* This is the tech designation of the step a non-Dianetic Clear must take before going onto the Clearing Course in Advanced Orgs. It is Grade VI. It returns powers to act on one's own determinism. It incidentally tells one why the human race often reacts so oddly to life.

†*4. *DIANETIC CLEAR REHAB.* The state of Dianetic Clear is checked and rehabilitated which is a very fast action in most cases. It has to be verified because if the person didn't make it he has to go onto the Clearing Course and if he did really make Dianetic Clear, to do the Clearing Course would be disastrous because, of course, he's already Clear. This is why AOs are now engaged on a project of recovering folder libraries particularly of the few pcs who have died in the last few decades. Always bring your own folder or get it sent to the AO if you are going.

5. *THE CLEARING COURSE.* This was one of the most famous breakthroughs of all time requiring years of research. Those who did not make Dianetic Clear solo audit themselves to the full bursting glory of Clear.

*6. *OPERATING THETAN I.* For the Dianetic Clear who has had his Solo Course, set up and verification as Clear, this is the first solo auditing step. These OT grades have their own End Phenomena but they are confidential.

*7. *OT II.*

*8. *OT III.* This is the big step and one has to allow time for it.

**9. *OT III EXPANDED.*

**10. *OT VII.* This is auditing step by a professional OT auditor. It can be given in any sequence after OT III and before OT VIII.

†**11. *NED FOR OTs.* This is the big news of the OT world. AO auditors were specially trained at Flag and are just now on their way back to AOs to deliver it. The new Division 4A Flag is an AO now and had its gala opening and its first avalanche of pre-OTs on December 16. There is very wild excitement on the results of NED for OTs as, of course, they've never been seen before on this or any other planet. NED for OTs can be given any time after OT III and before OT VIII and is a prerequisite for OT VIII.

**12. *OT IV.*

**13. *OT V.*

**14. *OT VI.*

**15. *OT VIII.* Although several upper OT grades have been researched, pre-OTs were not ready for them and so they were not released. The needed link which makes it possible is NED for OTs which is its prerequisite. The upper levels above VIII will probably be released from time to time into the future. OT VIII's release is a real cap for the tech breakthroughs of '78.

FLAG SHIP ORG

The FSO is beginning its third year at the Flag Land Base in Clearwater, Florida. The FSO was several years afloat and has a long tradition as the top training and processing org of the world. Its quarters in the posh Fort Harrison Resort Hotel still carry its distinctly nautical flavor.

Flag is the top Tech org of the world and if they can't do it, nobody can.

What you pay for at Flag is the most expert C/Sing for the best Rundowns by the best auditors in the world.

Its services are:

1. All levels and Rundowns, NED, CLASS IV, CLASS VI, CLASS VIII and all AO services (in its new Division 4A) as listed above are delivered at Flag. (Super Power will be delivered to the staff first and eventually to the public.) (Flag lower org services cost more mainly because they are even more expert and faster than they are in lower orgs and because the service is highly personalized.)

*–**2. *FULL CASE RESOLUTION.* It is always the fate of the top level org of the world to inherit the rough and "unsolvable" cases. Flag runs on the basis of results or else so far as their tech stuff is concerned. The words "failed case" do not exist on Flag. Therefore they have Rundowns and handlings to untangle the most tangled and get it going again. (Flag gets easy cases too. In fact they get some of the easiest and fastest cases in the world because such people have a way of making it through to the top.)

*–**3. *INTEGRITY PROCESSING.* These are a series of processes which result in a vastly improved performance in the area addressed.

*4. *STUDENT BOOSTER RUNDOWN.* This is a specialty on Flag which also trains the executives of orgs and has to have a fast study remedy. It is also given to business executives so that they can absorb effortlessly and with greater speed the vast quantities of data that pass across an executive's desk.

5. *DIANETIC DEBUG AND REPAIR.* Those who couldn't handle and run engrams or have trouble in Dianetics find this a successful way to start winning with Dianetics or NED.

*–**6. *OT LEVEL DEBUG AND REPAIR.* This is the full repair and resolution of any difficulties a pre-OT may have encountered due to solo auditing errors on any solo level.

7. *NEW VITALITY RUNDOWN (NVRD).* This was also called the "Special Rundown" when it was being developed in '75 and I trained a group of auditors on it at Flag. It has never been exported from Flag. It handled cases that had not progressed well due to suppression or other factors.

8. *POWER REPAIR AND COMPLETION TO FULL EP.* Given in those rare cases where a pc has not made it on Power.

*–**9. *L-10.* This is the first of the famous Ls ("L" is just the technical designation). The Ls at Flag only. They are not grades in themselves but incredible boosters that can be delivered at any point of the grade chart. The Ls are audited by Class X, XI and XII auditors who are the most highly trained on the planet.

*–**10. *L-11.* The next step from L-10.

*–**11. *L-12.* When I was C/Sing the Ls I would never let a pre-OT leave the ship unless he'd gone exterior with full perceptions and was able to maintain it.

†–**12. *NED FOR OTs.* Flag was the place where all the NED for OT auditors were trained. When its new AO Division 4A was opened just before Christmas even other hotels in town had to be booked to take care of the OTs arriving for their NED for OTs. The sensation caused over the world rivalled the original landing of Flag in Florida. They considered it a Christmas present and it was.

13. *ALL AO LEVELS.*

14. *OT VIII.*

Flag teaches a large variety of courses for auditors and is the place where top auditors go to become fully proficient in all classes.

Administrative courses at Flag are much sought after by top executives in businesses and other walks of life. It is a mark of considerable distinction to be known as a graduate of a Flag Executive Briefing Course.

In all, Flag teaches 69 courses which are fitted for the special requirements of the Flag clientele.

The International Training Org, for org personnel only, is also located at Flag and org staffs who are lucky enough to be selected to it are trained for executive positions in orgs. It received a new expansion at the end of '78 and was put under the command of one of the Sea Org's most veteran Officers.

1978

Man is a complex being, far more complex than he ever conceived. And he possesses abilities and potentials that neither he nor any of the wise men of the ages ever dreamed of.

In 1978, a great many new insights and revelations about life were disclosed, many of them discovered in my research at very upper levels. These then were used to speed up the lower and more fundamental grades. Without discarding any of the tech we already had, all of which remains very valid, the time and cost for a given result was greatly reduced.

And, as demand for auditors far exceeded supply, new training skills were also developed and the checksheets which govern the time in training were also reduced so that good auditors could be made FAST! A lot of 1978 time was spent on doing this.

But there was one discovery in '78 that I haven't said very much about and am really not likely to since it is a sad thing. It is what really happens to a thetan who is not salvaged or processed and goes on down the route. Man, when I saw that and knew it to be true I actually felt sorry for these guys that try to hit at us. Poor devils. Some religions talk about hell. It's an understatement of what really happens. I got a real close look at what we were salvaging people from. Well, we can do it, better than ever today, especially with these newest discoveries.

All this developmental work has done in '78 despite the fact that I also spent several months of that year directing, photographing, lighting – you name it – nine bright sparkling training films! They are now in the process of being edited and you'll be hearing much more about them when they begin to be released later on in '79.

In case you are under the mistaken impression that Scientology was bruised in 1978 you should know that raw public bought and are buying Scientology texts in a wave of best selling that is making history in the retail and publishing world. There has never before been such a boom in any specialized organization's books. Book publishers use us as an astonishing example of what can happen. Hordes of new public are sweeping these books out of the stores and in the better run orgs, are crowding the Public Division to the rafters for service. Truth doesn't bruise very easily.

New books also got attention in '78. HAVE YOU LIVED BEFORE THIS LIFE? was introduced at the Atlanta Book Fair and, in the hands of retail distributors, began its own boom. It has gone 5X the normal best seller and is still going. (After all, we discovered past lives.)

And bright, new, and in your bookstore is a big impressive hard cover book WHAT IS SCIENTOLOGY? released at Christmas! It contains all kinds of data, really a huge handbook, just the thing to use to inform and overawe your friends. 347 information packed pages plus over a hundred big full color illustrations contain the answers to just about every question ever asked about Scientology. Although staff wrote it, I had to keep it rounded up and to the printer and many a day was spent in tropic heat getting its photographs shot. There is data in it that hardly any Scientologists knows. It's a reference and reading total must for every Scientologist's library. And, incidentally, it's about half the price, despite its quality, of regular bookstore books of the same size – a triumph in itself in these inflationary times!

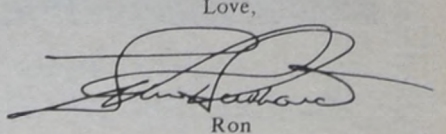

In '78 a lot of time was spent in developing the New Mark VI E-Meter. It was needed as OTs were going off the top of the Mark V. The New World Corps is equipped with the specially built Mark VI. This beautiful and far more sensitive meter will be available to general auditors around February '79 from Pubs Orgs. The Mark V will continue to be valid and sold as it's a good meter and less expensive. The Mark VI is just a Rolls Royce.

Needless to say, I was very busy this year!

It sure is a lot of work to dig out a planet!

Well, there it is. All yours – for '79.

Love,

Ron

Millions say it helps them handle life better.
But what is it?

Just released: the book that answers everybody's questions.

If you have just found out about Dianetics and Scientology.

This is the book that will tell you all about Scientology, the religious philosophy that increases people's personal awareness and certainty. Just as importantly, it describes Scientology, the *group* that is out to change conditions in the government, in education, and in the field of mental health. Discover why dedicated people from all walks of life are working together in an organized effort to stop the deterioration that is happening in the quality of life today. And get all the facts on why the government doesn't like some of the things Scientology is doing!

If you are getting trained or processed in Scientology.

Just about every Scientologist has had to stop and think when someone asked the question "What is Scientology?" Because it is a big subject. This book was compiled to give you specific answers to that question and any others people might ask. *What is Scientology?* will answer your own questions, too. It describes Ron's early researchers, the growth of the Church, social programs, and even the projected future expansion of Scientology. And there's a wealth of statistical data describing your fellow Scientologists all over the world.

If you are a professional Minister or a Field Staff Member.

You'll find this book the best tool yet for the dissemination of Scientology to others. And you'll find the information you need easily. This book has been designed for quick reference, with a full index. It answers *every* question, including those that stem from antagonistic rumors and misinformation. No holds barred!

No matter what your training or processing level, you'll also learn a lot you didn't know about Scientology yourself. Much of this information was taken from the Church Archives for the first time!

A small sample of what you'll find in What is Scientology?

- Every service in Scientology fully described.
- What L. Ron Hubbard is doing these days.
- A complete chronological history of the Church's legal battles and victories in court.
- 136 full-color illustrations, including pictorial histories of the philosophies that led up to Scientology, and Ron's life.
- Why the CIA started spying on Scientology ten years ago.
- How to start a social reform group of your own with the Church's aid.
- Where Scientology's money goes.

Focus On Success

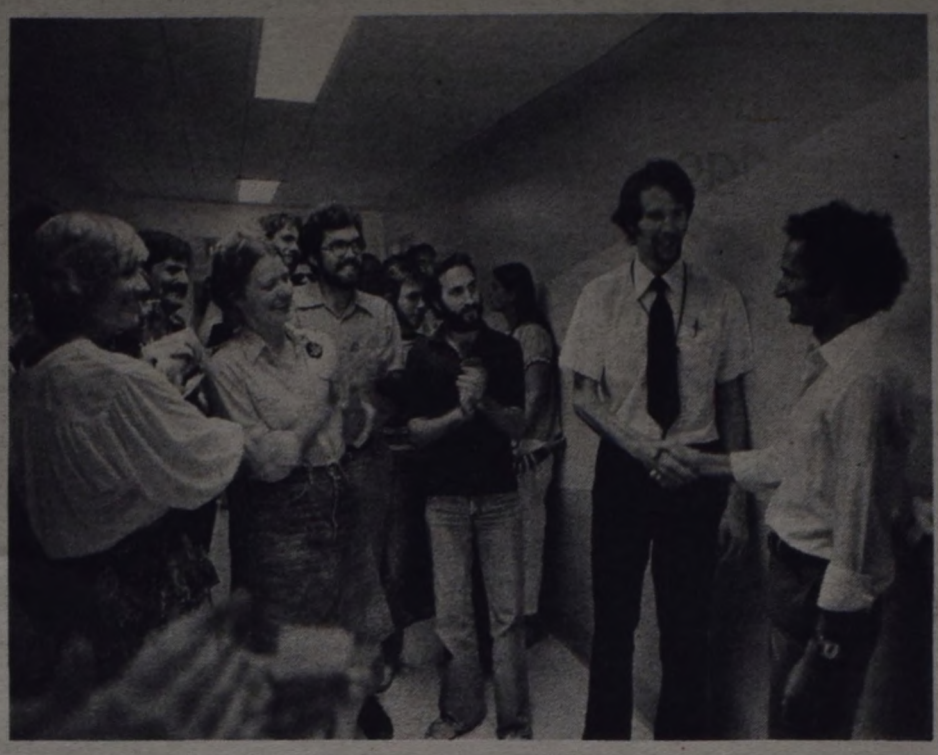

Training and Auditing Results

On the Saint Hill Special Briefing Course I've acquired the technology of handling life. My affinity, reality and communication for how Ron did it all is boundless and I'll be forever grateful to him for putting the data in my hands to enable me to effectively help others go free.

Randy Smith

I am now doing my OT Levels at the Advanced Organization Los Angeles, after having done the Briefing Course and it's internship and Power at ASHO. This training and processing was a tremendous foundation for what I'm doing now, and has made the going very easy indeed. Thank you ASHO.

Avery Hooker

ASHO Day, the Top Training Organization on the planet! It is here where Auditors the world over come to train, so that they too may audit to Saint Hill Standards!

A week and a day ago I became a Scientology Clear. That was a great step and is fabulous state to exist in. For me it was like an arrival, truly a beginning. A Clear has potential, so I became very interested in discovering just what mine is and how to use it. I found that I needed to be better able to observe, and to understand what I observed of life.

That is exactly what is occuring on the Saint Hill Special Briefing Course. It is my orientation in the physical universe and my education on how it all works. Everything I hear on tape or read is so vital to living it amazes me, and study has indeed become livingness. It is a course on how to live.

Today I listened to a tape on which Ron related the key to happiness. Here is a secret man has searched for over millions of years or more and yet her I found this treasure simply listed on my checksheet. Hearing his words and understanding what he said, then comparing them to life, I had many personal realizations about troubles I have had in life and knew that I now possessed a great freedome I hadn't had for some time.

I know how to create happiness – I know how it works – now I am going to go create it more than I ever have before, for myself and for others. Thank you Ron, and to the ASHO Day staff for helping this knowledge to again become mind.

Marian McPhee

The Tech came together for me on completing part 5. I can see the basics and their importance. The tech amazes me! I feel very, very honored to have been able to do the Briefing Course here at ASHO. I'm looking forward to part 6.

S.W.

What an experience to do the Class VI Internship. Lots of reality on the other fellow, lots of reality on the tech data. Lots of wisdom gained through the listening of pc's cog about their own life. Lots of wins to see another person getting better, more able over life. Lots of abilities to fight the bank, and aberrations of any kind, the ability to handle others mental masses. Lots of truth said in sessions, no lie only truth winning over past alter-is. Great, great, great!
