TRAINING AND LIFE

by
L. Ron Hubbard

Scientology, as the application of scientific methodology to the problems of humanity, has paid off. Millions of people are living better lives today, simply because they have worked with, and participated in this adventure called Scientology.

Scientology is for use in life. It's to bring order and some control and discipline into the channels of life itself. A Scientologist is someone who is handling life better.

A trained Scientologist is one who uses Scientology to further the business of livingness for himself *and* his fellows. He is today's Cause point in an embattled world. An Auditor undertaking to process another individual in Scientology is seeking to raise the "tone" of that individual —in other words, to increase the person's survival potential.

The purpose of processing is to free people of the things preventing them from being themselves. This is worth while as Man is basically good and it is this basic goodness we want to set free.

We want to clear away the debris making him act in non-survival, destructive ways. We want a better game for all of us — an enjoyable high-toned, bigger game.

The purpose of training is to get processing done fast. The more trained auditors, the quicker the achievement of the above.

We have found that an auditor goes nowhere if he doesn't know his basic Scientology and the fandamental activities, techniques and the fundamental activities, techniques and procedures of an auditor. It isn't so much the technique that counts — it is knowing how to apply it, knowing fundamentals, knowing procedures. There *is* a knowhow in auditing. It won't be taught by word of mouth. it will be taught where Scientology teaching itself was evolved — in the Academy of a Scientology Organization.

The emphasis of all Scientology training is on flawless ability to *do* auditing, and a command of the theory and goals of Scientology. A student, on leaving a training course, is able to *do* Scientology and achieve excellent auditing results.

We know now just exactly what clears people. And we know exactly what a Clear is. A Clear is a being who can be at cause knowingly and at will over mental matter, energy, space and time, as regards the First Dynamic (survival for self). We know exactly how to train and process. These are hard won riches.

Here we are with the largest fund of information of life that has been assembled in a factual package on Earth. The question is, what are we going to do with it?

Here is a world that is desperately in need of some good order.

Man needs help. As a trained auditor, you can deliver it.

SPECIAL MESSAGE RECEIVED FROM RON ON HIS BIRTHDAY

Public letters continue to flood in from over the world on RJ 30 and the tech advances of 78. And here in '79 the breakthroughs continue. I just finished the World Out of Comm Eval and for sure today's people can't read or hear straight. That's been the barrier to wider dissemination by you. And brand new word clearing tech now in pilot form is bringing in miracles. It will be with you soon. Many plans exist for the future. Div 6's are about to take full responsibility for their fields. Coming changes in staff policies, already planned, are about to make orgs far more attractive to work in. Many orgs are buying new buildings in better locations. The new Mark VI is a real hit in Auditors hands. The new book WHAT IS SCIENTOLOGY? is filling the vacuum of information for the public and is selling tons. New course packs are now in all Orgs. This birthday marks the turning point upward. Flag, to name just one, 5Xed their stats. Thank you for your part in making this the happiest Birthday ever. Thank you for your help in handling this planet. Your long time friend — RON

PC's Getting 100% Standard Results from Class VIII & IX

"I doubt you could make any Class VIII - trained auditor do tech in any non-standard way. He has seen the fantastic precision of modern processes. He knows he can get results that way. And so he does it without any variation. He isn't doing it because I say so, he is doing it because it works.

"STANDARD TECH means therefore the exact processes and auditing actions laid down and used for the invariable resolution of cases, taught and used without variation by all Scientology auditors.

"The top auditor in this is a Class VIII. He is trained to a hair's breath to exact planning and administrating of auditing without variation from the optimum resolution of the case."

L. Ron Hubbard

As you can see on Class VIII the subject of 100% Standard Technology is fully addressed. The Class VIII's feel of certainty is apparent in the wins of the Pre-Clear and his own wins. As an auditor the PC's case rapidly melts under the presence of the Class VIII applying Ron's Tech 100% STANDARDLY.

The AMERICAN SAINT HILL ORGANIZATION has offered the Class VIII Course since 1972 and has made hundreds of Class VIII Auditors who have total certainty, integrity and confront.

CLASS VIII
Auditor Successes

I have gained the certainty and simplicity of Standard Tech. What more can one ask for in life?

The Class VIII course will always be something special for me. My knowingness and perception has been validated and incredibly expanded. If I would have known what was there, I would have done it long ago. But to totally understand it or to really know it you have to do it. So many complexities have dropped from my operating basis – Thank you Ron for the gradient restoration of Sanity and Awareness, and giving my life back to me.

RG Class VIII

Preclear Wins From Class VIII Auditors

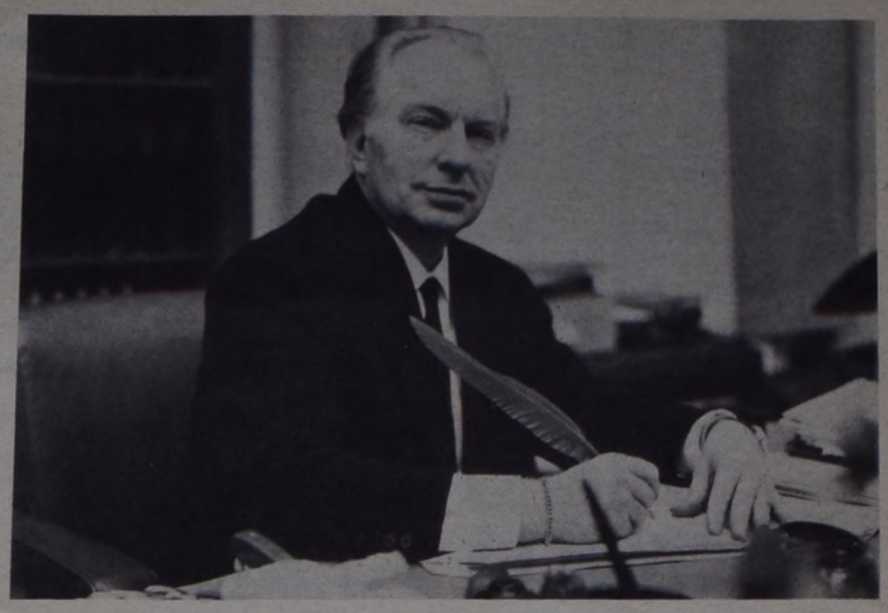

I've had lots of wins over the last 10 years (time I've been in Scientology) the HGC here at ASHO validated all that. The auditing and C/Sing was spot on. I feel great about it.

R.C. Dianetic Clear

I had been troubled for several months with strange sensastions and somatics. Just before receiving this action I felt so terrible I wondered if I should go to a hospital. I was very worried and extremely introverted and fearful.

The action was very fast, so fast in fact that I couldn't understand that it was done or that something so quickly could cause so many months of difficulty. As soon as I understood what had been occuring I had big major cognitions about earlier similar PROBLEMS on a very charged area. The staff is incredible, each of my interviews were wins. The C/S and auditor provided me with much needed data; granted a lot of beingness. Things are changing at last. *M.E.W.*

If you want to be having these wins as the PC or as the Auditor, contact your ASHO Registrar at the American Saint Hill Organization, (213) 660-5553 or through the Letter Registrar, 1413 N. Berendo, Los Angeles, California 90027.

Chief Saint Hill Special
Briefing Course Supervisor

Sioux Bushman, (Class VI, Clear) applys her Class VI training to help others disseminate Scientology.

ASHO Class VI Successful in Dissemination

Sioux Bushman (Class VI, Clear) couldn't disseminate Scientology before she did the Class VI, Senior Saint Hill Special Briefing Course at ASHO. She had hundreds of failed dissemination cycles, but still really wanted to disseminate. The night that Sioux finished and graduated from the Class VI Course, she was on a plane to Sacramento and ended up disseminating Scientology to a girl sitting next to her. At the end of the trip the girl told Sioux to be sure and call her, she wanted to get into Scientology.

Presently Sioux has started the Professional Field Staff Member Association. The Professional FSM Association is a group of individuals who want to become professional FSM's or who already are. Sioux has them train and train and drill and drill until they become successful FSM's.

As for the Class VI, Senior Saint Hill Special Briefing Course, she said, "It applys to every area of your life. There is no area of my life that the Briefing Course and the Senior Briefing Course did not apply to. I don't know how I existed up to that point."

Sioux has also done the Organization Executive Course and has just finished the Executive Delegation and Supervision Course at ASHO. She is going to be doing her OT Levels in the very near future.

MARK VI RELEASE FOR RON'S BIRTHDAY A SMASHING SUCCESS INTERNATIONALLY

This March Scientologists from all over the World celebrated the Birthday of the Founder of Dianetics and Scientology, L. Ron Hubbard. Along with the Birthday celebration came the spectacular release of the MARK VI E-METER.

At the Shrine Auditorium in Los Angeles, California over 3000 enthusiastic Scientologists witnessed the arrival of the Mark VI, driven onto the stage in a black Rolls Royce. The crowd stood in amazement as the Mark VI was taken out of its matching carrying case and displayed.

Simultaneously in the Orchestra pit, a a very large obelisk was unveiled which encased an open backed Mark VI that was rotating in the dark. People were literally running down the aisles to get a closer look at it.

Sea Org Missionaire Lt. Cmdr. Norman F. Starkey (Class IV, OT VII) has this to say:
"Ladies and Gentlemen, it is my privilege and honor to present to you . . . THE MARK VI E-METER!
"This meter is the Rolls Royce of meters. This meter is the PC's choice. The ultimate in engineering perfection. No auditor can afford to be without one."
"Please join me in a moment of sincere gratitude to our Founder for this outstanding achievement."
With that the applauding started and lasted for quite a few minutes. This was *the* Event of all times, and this *is* the Meter for the auditor who cares!

During the party, the foyer was packed shoulder to shoulder and auditors were huddled around the display booths.

Several meters were sold, including 4 of the last remaining Limited Editions of which only 100 exist, those 100 were personally autographed by the Founder.

The guest speaker at the event, L. Ron Hubbard's personal Host from Flag, Wally Burgess, gave a moving talk about Ron's life and showed slides of the Founder, in celebration of his birthday. The party ended off with a giant Birthday cake and dancing.
And then the successes flooded in from a all over the World, here are some of the highlights:

CHICAGO – "THE METER RELEASED AT OUR EVENT CAUSED QUITE A LOT OF OOHS AND AHHHS AS THEY DIDN'T EXPECT TO SEE WHAT THEY SAW' THE METER TOOK EVERYONE BY SURPRISE."

SEATTLE – "THE EVENT WAS VERY WELL ATTENDED. PEOPLE WHO THOUGHT THEY WOULD JUST "LIKE" THE METER LOVED IT. EVERYBODY WANTED ONE. THERE WAS HIGH ENTHUSIASM AND A LOT OF PEOPLE ALL KEYED OUT AS IT WAS ONE OF THE MOST THETA EVENTS WE'VE HAD."

SAN FRANCISCO – "IT WAS SO CROWDED YOU COULD HARDLY GET IN. THERE WERE PEOPLE FROM ALL AROUND THE AREA WHO WANTED TO SEE THE MARK VI. IT WAS A REAL PARTY AND THEN TURNED INTO A MAD HOUSE ONCE THE METER WAS RELEASED."

NEW YORK – HUNDREDS OF PEOPLE CROWDED A NEW YORK HOTEL TO CELEBRATE LRH'S BIRTHDAY AND GET THEIR FIRST LOOK AT THE FANTASTIC MARK VI METER.

ALL WERE STUNNED AND AMAZED AT RON'S NEW METER TECHNICAL BREAKTHROUGH WITH SEVERAL ATTENDING EXPRESSING PLANS TO GET THEIR MARK VI AS SOON AS POSSIBLE.

TORONTO ONTARIO CANADA – TORONTO ORG RELEASED THE MARK VI TO A CROWD CELEBRATING RON'S BIRTHDAY AT THE SHERATON HOTEL IN TORONTO. THE MARK VI METER WAS POSITIONED WITH A 9' x 12' ROLLS ROYCE PHOTO ARRANGEMENT AS A BACKDROP ON THE STAGE.

AND FROM EUROPE:

"RON'S BIRTHDAY EVENT ON 10 MARCH 1979 SIGNALLED THE RELEASE OF THE NEW MARK VI METER IN EUROPE

OVER 500 PEOPLE ATTENDED RON'S BIRTHDAY EVENT AND THERE WERE PEOPLE FROM OVER 20 DIFFERENT COUNTRIES.

THE MARK VI RELEASE WAS DONE BY A FLAG TRAINED NED FOR OTS AUDITOR. HE HAD BEEN GIVEN THE USE OF THE METER FOR TWO DAYS PRIOR TO THE EVENT AND WAS ABLE TO SPEAK WITH GREAT PERSONAL REALITY ABOUT THE NEW METER.

AFTER THE METER WAS UNVEILED THERE FOLLOWED A TEN MINUTE DESCRIPTION OF THE NEW METER COMPLETE WITH SLIDES SO THAT THE WHOLE AUDIENCE COULD CLEARLY SEE EACH FEATURE AS IT WAS DESCRIBED.

THE SIX SPECIAL 20 MINUTE SALES DEMONSTRATIONS WERE ARRANGED AFTER THE RELEASE IN A ROOM ADJOINING THE EVENT ROOM AND EACH PERSON HAD A CHANCE TO PERSONALLY INSPECT THE METER. THERE WAS A LARGE COLOR PHOTO DISPLAY OF DIFFERENT FEATURES OF THE METER.

A SPECIAL BIRTHDAY CAKE FOR RON WAS MADE IN THE SHAPE OF THE MARK VI METER' THE AUDITORS IN THE AUDIENCE WERE PARTICULARLY IMPRESSED WITH THE APPEARANCE OF NEW FEATURES AND EXCELLENT PERFORMANCE OF THE NEW METER.

THE NEW MARK VI METER IS SELLING LIKE HOT CAKES AND SO FAR OVER 100 HAVE BEEN SOLD."

WHAT AUDITORS HAVE TO SAY THAT HAVE USED THE NEW MARK VI

What an incredible meter I never dreamed that a meter could have such a smooth flowing and sensitive Tone Arm with absolutely no drag whattsoever. The digital TA readout with clock is truly luxuary. The styling of the meter itself really appeals to me but what has totally "sold" me on this OT meter is the meter movement itself. Whatever was done to perfect this was surely a breakthrough of magnitude for I have never seen an E-Meter that would pick up such tiny thoughts and postulates and show them as small but very clearly defined reads. It's the clarity of the reads themselves that has astonished and impressed me. This meter is going to have a great effect on the auditing wins throughout the world. My salutations to Ron for yet another technical miracle. A truly OT meter.

N.F.S.
CL IV OTVII/IIIX

The MARK VI truly is an OT METER! I just gave myself a beautiful OT III session with it and it was a real pleasure. The accuracy of it is incredible and the "extra-added" attractions really make auditing more a joy than ever! It's a Rolls Royce with all the extra features!

C.G.
New World Corps
Auditor

I recently was able to use the New Mark VI in auditing. It was great! Through the ease of its use I developed certainty on what the meter was showing, and, thereby any possibility of the 1st Gross Auditing Error (per HCO B 7 May 69) was eliminated "Can't handle and read an E-Meter" Thanks!

R.D.

I audited on the MARK VI. I must say that I was very impressed with this as the meter is very well designed, yet I was truly amazed at a couple things about it. The needle is so incredibly sensitive. It responds extremely well when the PC influences it. As a result from using this meter it is very easy to spot FNs. This has been the biggest problem I have had in the past, of missing FNs on PCs, not differentiating with other reads. On the Mark VI it is so smoothe so sensitive and so clean . . . . . I have done a lot of auditing. This meter is the right item! It ensures that there is no mechanical interference in administering standard Tech.

T.S.

A year ago I had done E-Meter Drills but ended up not really confident on my ability to handle a meter. After not using an E-Meter for almost a year, I did E-Meter drill 21 "E-Meter Steering" with a Mark VI. It was a piece of cake! While the coach held the cans I could easily see reads having different characteristics. Time after time I picked out a read and per the drill, identified it happening again with the coach thinking exactly what he had thought of when the read was first picked out. It's simply unbelievable how easy this drill has become for me.

B.A.

What Makes The MARK VI the Rolls Royce of E-Meters?

***Technical Breakthrough of Meter Movement**
The *movement* is what the needle is attached to and is responsible for the *correctness* and *accuracy* of your *reads*. This movement underwent extensive research and development. It shows *F/Ns* as well as all other reads with INCREASED CLARITY.

***Digital TA**
By popular request the Mark VI also features a specially designed DIGITAL READ OUT FOR TONE ARM DIVISIONS. It is far more ACCURATE than the mechanical TA Counters and it displays, in divisions and 10ths of divisions, all the way up to 199.9!

***DIGITAL CLOCK**
The clock is positioned near the TA Readout for easy reference in your session. The readout numbers are very large and make it very easy with less distraction for the auditor.

***MARK VI comes in 5 different colors**
Peacock Blue (Deep blue)
Corral Sand (Beige)
Parakeet Aqua (Light Green)
Silver Shadow (Grey)
Golden Brown (Tan)
The Charge cord and PC Leads are made to exactly match the color of the meter.

***Matching Carrying Case**
Molded plastic carrying case is included in the purchase of your MK VI. The case is lockable. It is durable and sturdy and can be used for shipping the meter. The case is lined with dark grey foam molded to accept the meter and accessories.

***Internal Design**
The upmost care has been taken in the internal design of the Mark VI and the selection of the components have undergone strenuous testing to ensure only the best parts are in this meter.

The Mark VI is for use by all Auditor's. Its for the Auditor who cares!

Price: $725.00 (Membership discounts apply).

NEWS FROM ARC

Tess Mapua, (Clear) goes over her training route with a Saint Hill Consultant, upon her arrival at ASHO Day.

Philippines Now Has Future Class VI at ASHO Day!

TESS MAPUA (Clear, HDA) arrived in Los Angeles this March and immediately routed onto her Training Bridge at the AMERICAN SAINT HILL ORGANIZATION.

Tess is a Scientologist from the Philipines and has great plans for her home islands. Tess is at ASHO doing her New Era Dianetics Course and Internship and the New Era Dianetics Case Supervisor's Course and Internship. When she has completed those courses she will route onto the Saint Hill Special Briefing Course, and become a Class VI Auditor.

Tess wants to Clear the Philippine Islands and plans on starting out with education and study programs in schools. She feels Mexico is a good example to follow in disseminating Scientology.

Tess first found out about Scientology from her brother OBI MAPUA when he was doing the Communications Course. She continued her training in San Francisco, where she did Method One Auditing in three different languages!

When Tess is done with the Saint Hill Special Briefing Course she will do her OT Levels. "I want to take with me as much as I can." said Tess.

ASHO CLASS VI GRADUATE MAKES IT IN THE MUSIC INDUSTRY

After doing the Saint Hill Special Briefing Course at ASHO, STEVE SINGER (OT III), a musician and song writer decided to create a safe space for artists, especially musicians, to communicate their form of art. So a year and a half ago, without any previous experience in the engineering field, Steve created a 24 track sound studio for professional recording.

Steve feels very strongly about his training on the Briefing Course. He feels it was essential to his ability and his confront to put the studio there. Steve said, "I really feel like, basically, a being who is a Scientologist who is in the music field, any field, if he does not get trained; do the Briefing Course totally . . . . they're not going to survive as well as they will."

Presently Steve is servicing the Hudson Brothers, a pop rock group, and Flo and Eddie and other professional artists in his recording studio. His present plans for the future consist of finishing his OT Levels, getting NED for OTs and doing the Organization Executive Course. He feels that it is now time to get the administration side of his business together, with Scientology Technology. When he is done with that he wants to top it off with the Class VIII Course at ASHO.

OUND THE WORLD

Mexico Continues to Boom!

The news from Mexico is that new quarters were officially opened on February 16th, 17th and 18th with an attendance of 350 people. The first day of the celebration was spent on a painting exhibition by artist, Maribel Chastellain. The second day the Mayor's Representative presided over the official Open House. The celebration continued with two conferences, one on "Dianetics & Society" by Doctor Eduardo Huarte, and the second one was on "Art and Communication" by actor Peter Damian. The day was wrapped up with a musical concert by Andrik. On Sunday, the 18th of February and the last day of the event, there was a conference by Sergio Lan on "How the New Civilization Will Be." The final celebration closed with a musical concert by Felipe Gil and Johnny Laboriel.

Mexico is planning on continuing it's raving successes. A Seminar, based on the Policy Letters of Ron, was held with an attendance of 300 people. From that Seminar there were 186 Success Stories, 137 letters to Ron, 84 people interested in helping, and 222 people attesting to new states.

Recently a second tour through South America produced 9 people from Chile and Argentina who are going to Mexico to get their training to open new groups in their Countries. L. Ron Hubbard and Dianetics are becoming well known in South America for sure.

Monica Furness (Life Repair Completion) has just made another successful television commercial.

Scientologist Films New Commercial

Monica Furness, age 8, Life Repair Completion, graduate of the Mini Student Hat and Tone Scale Course at ASHO, has just completed shooting her 12th commercial; the one for Johnson & Johnson Band Aids. In addition to doing that, she appeared in the movie "Rabbit Test" and has other TV and theater credits as well.

Monica started her career at the age of four years old, with magazine and newspaper print work and has been expanding ever since.

She said that the training that she got from ASHO helped her "keep her TRs in." She feels that she can confront and be there now and answer questions intelligently. Monica intends to go Clear this year and as an Actress her goal is "to become famous and known as a Scientologist so that others will be led into Scientology."

FOCUS ON SUCCESS

Every Auditor has experienced times when he understood so thoroughly what was happening with his preclear that nothing could go wrong in the session. His attention was completely on the preclear.

When an auditor is that certain, there is no threat of invalidation by incompetence, and his ARC for the entire action of auditing and for the preclear can soar to new heights.

On the Class VIII Course I learned that there is a Standard Tech and learned that I can deliver it. On Class IX, I am attaining a full understanding of every area in auditing that I have ever had doubts about or was mechanical about. This course is making me confront, down to the finest points, all the areas of technical expertise in auditing, and piece by piece, my attention is freeing up.

Scientology tech is "disappearing" from my universe because I know it without having to remember it. The effort is gone. This is the state I have been striving toward as an auditor ever since I learned what auditing was.

On the Class IX Course the student has to grit his teeth and confront and drill every area he has ever backed off from and the result is personal pride, stability, certainty and happiness. Understanding is ARC, and to me, ARC is the keynote of Class IX.

DALY DANA CLASS IX STUDENT

The Briefing Course has been a 7 month pleasure moment. It's really hard to end the cycle because I've enjoyed it so much. I feel like I personally know Ron, and that in itself made the course worthwhile.

My training actually began on the Briefing Course I did the course as a Clear–HSDC Auditor. I've been in Scientology since 1971 and never considered myself a tech person. Then I took the plunge, after all, what else did I have to do. It has been one win after another. I now am an auditor and I love it.

My supervisor is fantastic. He gave me reachable targets and my auditing was a perfect gradient. He always handled me with Affinity, Reality, and Communication, and really personal feelings. The interesting thing is, I would love to do it all again.

ANDREA EDMUNDSON

For billions of eons, I have been striving for what we Scientologist are now on the brink of accomplishing. I have been trained, coached, disciplined in every major school of advancement in this universe. And, of course, periodically thrown off the course, sometimes for very long intervals.

But arriving on the Briefing Course is coming home; home to independence and self–determined attainment of wisdom in the company of other asperants, who like me, have achieved the "humility of vast wisdom", as Ron calls it.

It is a great honor to rub elbows with the Elite of the Elite. And a joy to speed along unimpeded toward the ultimate goal.

Some morning soon, we will awaken and find we have built a world of which we can be proud.

JIM LA GUARDIA

I'll tell ya, I've never been as certain of a state attained in Scientology as I am on this one. Wow – This Power auditing was really my item – Power and Power Plus gave me what I've always wanted in the way of gains and absolute certain abilities attained. These five beautiful sessions have really done it for me – the world is not going to be the same anymore in many ways! I feel so totally confident that I can do the things needed to attain my goals as an artist/musician and bring sanity and awareness to this planet. I feel like a Power House of never-ending ability, all of which I want to channel to helping and contributing to a Clear Planet, by using my musical and artistic abilities.

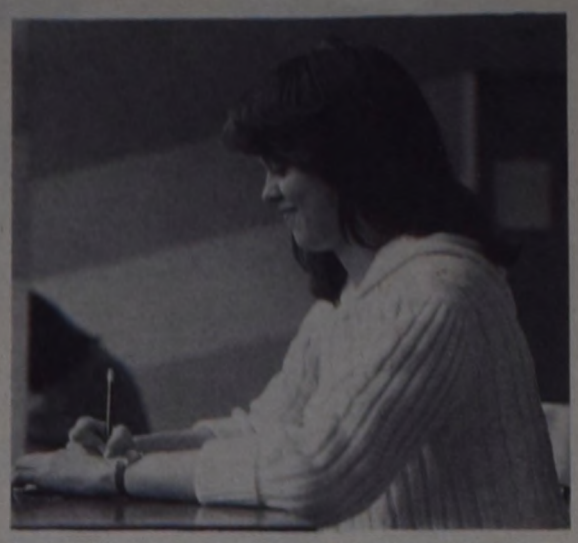

What LRH gave me, in the technology to attain this wonderful state, I will return to him many times over by really working on and creating a positive impinging effect on the people of this planet in the direction of an OT Civilization.

Many thanks to ASHO for continued help in getting through the whole cycle, and my auditor, who was so beautiful in helping me attain these new AWARENESSES.

NEIL KUNEN

Who has abilities greater than ever before imagined? Who has a huge, clean, powerful space? Who feel great because all of his old valuable knowledge has just been rekindled? Who feels triumphant because he's come a little bit farther from the bank and a little bit closer to him. Who? A Power Release.

M.B.

Tracie Williams, happily writes of her successes on the New Era Dianetics Course at ASHO Day.

Well, I did it and I'm sure glad I did! I feel very confident of my ability to audit NEW ERA DIANETICS. There's nothing better than watching my P.C.s win and get better and better. Thank you very much for all your assistance and especially thank you to Ron.

E-METER The Hubbard E-Meter is a religious artifact developed for the exclusive use of ordained Ministers and theological students who are trained in its use in Church ministrations. It is not intended for and is forbidden by the Church to be used in any medical or physical treatment or the diagnosis, treatment or prevention of any disease. By itself it does nothing and is strictly not to be employed for medical or scientific purposes. Its purpose is to assist the minister to locate in his parishioner areas of travail so that he can assist in the relief of spiritual suffering. The existence and use of the E-Meter is sanctioned by law and the copying of it or attempts by unqualified persons, doctors, scientists, psychologists, or phychiatrists, to obtain or use one are actionable under law in the United States. To obtain an E-Meter one must be a sincerely enrolled student of the Church of Scientology or a fully qualified Minister of the Church and must undertake as well to become wholly skilled in its purpose and use. No other persons are permitted to have E-Meters. The Church permits the E-Meters to be sold, possessed, or owned only under these conditions.

EVAL the purpose of an evaluation is to isolate and handle the cause of a non optimum situation so as to reverse and improve it toward an ideal scene. An evaluation is also done to isolate the cause of a scene which is going well and to reinforce it.
